Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 6:15		15 What then? shall we sin, because we are not under the law, but under grace? God forbid. When you are told you are not under the law but under grace, you should see the law as an operating system that is meant to put you under the dominion of sin. Grace is an operating system designed to do the very opposite - to make the dominion of sin impossible. The flesh sees this just the opposite. The flesh sees the law as a way to please God. MM says that most Christians see that. If you think 'you took the law away from me'. MM says great. But that leaves a vacuum. One, if you don't have the law telling what to do/not to do, how do you know what to do. Two, what will keep me from going crazy? Anticipated in the scripture. What the flesh is going to be pushing for. There's a flesh-law partnership like sin-death. Flesh naturally gravitates to the law, which puts us back under the dominion of sin. Flesh has a natural tendency to say i you really want to repress sin, do good and follow the law. When you preach a purely grace message, you have almost guaranteed yourself you will never be the largest church in town - because the flesh loves to save face, at least to some degree. When you totally condemn everything about the flesh, it reacts to v14. See a knee jerk reaction of the flesh against what the Bible is saying. EX When you say we are a sinner & worthy of death, how many people who have trusted Jesus would say, well, I'm not perfect but I don't know I have done anything worthy of death. I'm a sinner but not that bad. If you could stand in the presence of God in the Throne room in the third Heaven and those cheribum around the Throne, they are crying one word in 3s - Holy, Holy, Holy (one for each member of the Godhead. Holiness is an attribute of God. Does mean set apart but different, There is a separateness to God but that's not all. There is something about the very character and nature of God in Him being holy that if you stood in His presence you would say what Isaiah said (fell on his face and said 'I am a man of unclean lips'-Isaiah 6:5. Saw how unholy he was.). People don't have a real picture of real holiness. Flesh doesn't want to believe that. It wants to believe its better than that. It says give me something to do and I will go do it/earn it.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 6:15		15 What then? shall we sin, because we are not under the law, but under grace? God forbid. That's what Israel was saying - give us the law. We can produce our own righteousness that's our justification and own holiness that's our sanctification. Don't need to give it to us by Your grace. We can earn it. The law was never meant to keep sin to a minimum. It was meant to make the offence abound. It is impossible for you to functionally live unto God by using the law. People say, I am trying to do right, it's still some type of law, isn't it? You misunderstand. God is going to completely strip away the law. Not most of it, not just the ceremonial part, the whole thing. People say you are giving us a license to sin. But that's exactly what he is going to ask you in v15. The reason he is asking this question is its the natural question that you would ask because of what your flesh is desiring to do. Question also being asked because you are thinking are we going to sin? Because you think the only thing that can keep you from sinning is the law and he takes that vehicle away. People think the law is the only thing that represses sin. When you took it away, taking away the only thing that kept you sinning and made you do good things. Your Father is going to educate you on how to live a sanctified life. If you think you are supposed to live under the law and the dominion of sin, you have it all wrong. Law wasn't supposed to stop you from sinning, it was given to make your sin big. People mistakenly believe (these go hand-in-hand): - The law is the only thing that represses sin. - The law is the only thing that will motivate me to do good. - If I do this, I will please God.
Romans 6:15		15 What then? shall we sin, because we are not under the law, but under grace? God forbid. God looked at Israel and is saying do you not understand in Egypt when I tried to teach you that you can't produce it on your own, you didn't understand it. Five trials before Sinai - you can't produce it on your own and now I HAVE given you the law so that the offence will abound and you see how sinful you really are. Now you think the law if the only way to please Me! MM says when you get to Heaven and the Lord Jesus has a red palm and a flat spot on His forehead, now you will know why. That's exactly the opposite of what I AM trying to do. MM says if you are Satan, don't you want to promote that? He doesn't want the law to be the engine driving your sanctified life. We thought the law kept me from sinning and motivated me to do good. Now, you're going to be told the law could not only never could do that and was never intended to do that, but the Lord has given you something that will stop you from sinning and motivate you to do good and it has absolutely nothing to do with the law. Only one thing the universe that can do that - grace. Grace is the engine that runs your sanctified life. You're not even from the seed of Abraham. You are a Gentile. If those from the seed of Abraham couldn't do it, you can't. That was their problem. They thought because we're Abraham's seed we're intrinsically righteous and God gave us the law so we could teach those heathen dog Gentiles how they are supposed to live.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 6:15		15 What then? shall we sin, because we are not under the law, but under grace? God forbid. When you combine the elements of grace and the elements of the law, do you understand how dangerous that is? There's a name for that - Messianic Christianity. By your name, you have taken the law and implemented it right into your Christian life. The error is you can't utilize what God put on Israel because that's the thing that puts your functional life to death. It's the thing that exposes your sinful condition. It shows you to be extremely guilty. That is all that was for. You know the law doesn't restrain sin, it makes sin abound and giving it dominion. You know God never gave Israel the law to make them righteous. He gave them the law to show their sinfulness. If you attempt to put your sanctification into effect by the means of the law, you are doing the very thing that makes that impossible. Paul says you are not under the law but under grace. Paul would have never told Israel that they are not under the law. Moses would have never told Israel that they are not under the law. THEN: Takes you back to what was just said.
Romans 6:16-23		Exposes the objection, shows the law to be incapable of restraining sin and promoting righteousness. The erroneous thinking or the 1st objection of not being under law, but under grace attacked, exposed, and dismissed as the error that is is.
Romans 6:16-20		GH: See using grace vs. using the law v16: SERVANTS TO OBEY v17: SERVANTS OF SIN v18: SERVANTS TO RIGHTEOUSNESS UNTO HOLINESS v19: SERVANTS TO UNCLEANNESS AND TO INIQUITY UNTO INIQUITY v19: SERVANTS TO RIGHTEOUSNESS UNTO HOLINESS v20: SERVANTS OF SIN

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 6:16		16 Know ye not, that to whom ye yield yourselves servants to obey, his servants ye are to whom ye obey; whether of sin unto death, or of obedience unto righteousness? Starting with v16, you are going to be told that without the law, you have a very powerful motivator to do good. What is it about grace that makes it the powerful motivator that God intends it to be? Speed limits on the highways and equating with no lower under the law. If you suddenly take away all the speed limit laws, it would be extremely dangerous. KNOW YE NOT: AKA "Don't you know?" Checkpoint. First time we are told this. Why would Paul say this? This is a checkpoint that when Paul says it, if you don't know that, you are not ready to move on. Have to know WHAT it means and HOW it applies to you. When you can say, 'I get that', then you can move to the next one. Paul gives you a checklist all along the way so you can't get to the end without touching all the bases to get there. Got to get it all and get it in the order given to you. What the KNOW YEs are all about. Gives you the signal that there is something about to be said to you that you should already know something about. SERVANT not slave. Difference. **Servant does have obligations but a servant has a will about matters that a slave does not. Slave conjures up someone who is dominated completely and has no choice or will whatsoever**. Paul called himself a servant of Jesus Christ in Romans 1:1. But at the same time, he has liberty IN Christ. So the idea of liberty or a certain amount of freedom is not inconsistent with being a servant. Anytime someone yields themself to be a servant to someone else, there has to be a compelling, necessary reason for obeying someone else, for putting yourself under that. Used to think the law, but we know that is not what the law does. Why would anyone who is saved by grace turn around and say if I am going to live in a way that pleases God, I am going to have to keep the law? People think they are going to make God happy - their necessary reason/motivation. How do most people think they are going to be saved? They are going to do good works. They think I have to do more good things than bad things. When you got the gospel, we found out it is not works but grace.
Romans 6:16		16 Know ye not, that to whom ye yield yourselves servants to obey, his servants ye are to whom ye obey; whether of sin unto death, or of obedience unto righteousness? WHOM YE YIELD YOURSELVES...HIS SERVANTS YE ARE: Crux of the verse. YIELD YOURSELVES SERVANTS TO OBEY: Is he saying go out and work really hard to do the best you can or yield/give over yourself? YIELD YOURSELVES: Something you do for yourself(privately). WHETHER SIN UNTO DEATH, OR OF OBEDIENCE UNTO RIGHTEOUSNESS?: You have a choice about who you can yield yourself to. God is not going to twist your arm and make you make the right choice. You are a servant of righteousness, Jesus did that for you. It became a reality when you trusted Him. Even though you have been made a servant of righteousness, you still have a choice about who you will yield yourself to.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 6:16		16 Know ye not, that to whom ye yield yourselves servants to obey, his servants ye are to whom ye obey; whether of sin unto death, or of obedience unto righteousness? WHOM YE OBEY; WHETHER OF SIN UNTO DEATH, OR OF OBEDIENCE UNTO RIGHTEOUSNESS. Two choices that are very different - only one of them works: 1. sin unto death (flesh chooses) 2. obedience unto righteousness (your Father tells you to choose) Just as you voluntarily yield to the Gospel message and obeyed that gospel to be saved, now he is going to ask you to believe this message about your sanctification and yield yourself to obey this message. When you yield yourself to grace, what you are going to do is make yourself a servant of obedience unto righteousness. The law couldn't save you. Grace can. Only one aspect of grace can produce this, not the law.
Romans 6:16		16 Know ye not, that to whom ye yield yourselves servants to obey, his servants ye are to whom ye obey; whether of sin unto death, or of obedience unto righteousness? Before you trusted Christ, you were in a master/slave relationship - didn't have a choice about it/restricted in your liberty. Now, you are free from sin, your old man got crucified, and you have a choice to whom you will obey. No middle ground here - you will overtly choose to be a servant to one or the other. Why would anyone yield themselves as a servant to someone else to obey them? It's a necessary reason MM calls it. In the context we are talking about, to get grace abounding and to stop sinning and to do good, there is something we have to yield ourselves to to obey. Sanctification vs. Functional Life: Sanctification makes it POSSIBLE to live unto God, but it doesn't make you. Given sanctification but have to put it into practice. Like being given a car that runs on grace. If you don't know how to drive it, it does you no good. **Disobedience to the doctrine is an example of sin**.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 6:16		16 Know ye not, that to whom ye yield yourselves servants to obey, his servants ye are to whom ye obey; whether of sin unto death, or of obedience unto righteousness? Analogy: Signs don't keep you from speeding, police cars do. Israel knew the law had judgments associated with it and it didn't keep them from sinning or breaking the law. The law has no power to keep us from sinning. Didn't for them either. Let's remove the law and implement grace. Grace would be being taught to drive with certain things in mind and being so totally convinced of the reality of them we reckon them so that it actually affects the way we drive when we get in the car. Remember the RECKON verse. Not only aware of it but it is the basis of your reality. Learning to drive with these things in mind: - being safe yourself - safety for the other people on the road - driving with traffic in mind - with the road itself being considered - 2-lane, 4-lane, shoulder to pull off on, coming up on a hill, approaching an intersection or school zone, residential, train crossing, lights ahead, brake lights - the weather - day or night
Romans 6:16		16 Know ye not, that to whom ye yield yourselves servants to obey, his servants ye are to whom ye obey; whether of sin unto death, or of obedience unto righteousness? Analogy (cont'd): If you drive and look at those things - driving with an idea of what is coming up ahead, around you, and behind you. Wouldn't it be wonderful if people actually drove with these things in mind and drove with the proper understanding of what was safe/right and what the circumstances dictated. If they did, you wouldn't need a road sign, would you? But people don't drive that way so you have to post a sign. And you are under the dominion of that. Sign shows how much of a violater you are. He is saying, I don't want to post signs that regulate what you do, I want you to drive in a way that you know pleases Me. I killed off your old speed demon and I gave you a new man that knows how to drive under grace. I've made you to be someone who is not motivated by the enforced law or the threat of a ticket/jail time. Rather, I HAVE made you to be someone who now drives everywhere with a different motive in mind. We have an old identity that loved to break God's traffic laws of righteousness but that old identity got crucified with Christ. In its place we got a whole new identity and this guy runs on grace. He doesn't have to have the law and his identity is perfectly compatible with God's traffic laws of righteousness. If you remove the law, it doesn't mean that nothing is wrong anymore or there is not right or wrong, its just the law dictating to you is not what you are dependent on to do right or wrong. You are being driven by something else in here (your heart?). The law is external and your Father means for you to get changed in here. That's grace that operates in your inner man is what keeps you from sinning and movtivates you to do good - that's what your sanctified life is all about.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 6:16		16 Know ye not, that to whom ye yield yourselves servants to obey, his servants ye are to whom ye obey; whether of sin unto death, or of obedience unto righteousness? All of Romans 6 - reckoning, knowing, etc. - getting something(s) fixed in your mind that you are going to have to obey and that is the doctrine and you are to believe the doctrine that he is about to present to you. When he finally gets this narrowed down and he gives you this little aspect of grace. More than just consider it or count it to be true, it's make it the basis of your reality so that what you're doing is based on this being an absolute fact that has an effect on what you are doing. When you yield yourself to grace, what you are going to do is make yourself a servant of obedience under righteousness. Necessary reason for believing/obeying the Gospel - eternal life. The law couldn't save you, grace can. Necessary reason for believing the doctrine of your sanctification - functional life. The law couldn't give you functional life, grace can. Only an aspect of grace can produce this, not the law.
Romans 6:17	Prayer Aspect : Thankfulness = GOD BE THANKED	17 But God be thanked, that ye were the servants of sin, but ye have obeyed from the heart that form of doctrine which was delivered you. Christ lives His life in us as we obey that form of doctrine which is delivered unto us. This was true about your sanctification in Romans 6 and it is going to be true again in your edification unto godliness. Letting the doctrine transform you from the inside out. When people are learning to do things, they're often asked to do very basic things. Nutshell: We have two choices, to obey the form of doctrine we have in our inner man or not to obey it. YE WERE SERVANTS OF SIN: When you were unsaved. Taking you back to your justification. When you were in Adam. Understood you were under God's wrath, under sin, no excuse to get you out, nothing you could do on your own, so you believe the Message and by faith accepted and grace gave you eternal life. Grace is going to do in your sanctification exactly like it did for you in your justification. You are going to have to believe the doctrine presented to you. Here the law couldn't save you but grace could. The law has no power to make you stop sinning. **Law is not really about doing good, but not doing evil - THOU SHALT NOT. Grace doesn't major on what NOT to do, grace majors on what to do. It wants help people/edify/build up. Grace is the ONLY motivator to make you stop sinning and to do good**. FORM OF DOCTRINE: Means there is a pattern to it. The Gospel - 3 parts: 1. We are all under God's wrath 2. GH: We have no excuse

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 6:17	Prayer Aspect : Thankfulness = GOD BE THANKED	17 But God be thanked, that ye were the servants of sin, but ye have obeyed from the heart that form of doctrine which was delivered you. 3. Christ died as our Substitute Redeemer - you obeyed from the heart (not a work - believed - a non-meritorious action - no works or deeds involved in belief.). You either believe or you don't. God's offer of salvation from the debt & penalty of your sin was BGTF without works of any kind. FORM OF DOCTRINE: Not a single statement but it comes in pieces and all the pieces together is a form of doctrine. Pieces: 1. Godly thinking: tells you how to think in a way that your Heavenly Father thinks. Instruction in here is how He wants you to think on this. **He always tells you WHY because if He doesn't tell you WHY, you can't think like Him**. 2. Godly living/acting: tells you how to integrate that new thinking in your everyday conduct. 3. Godly labor Every form of doctrine has power to transform us, power to establish us, power to stabilize us and power to make us stand fast in the face of those things which are designed to make us quit. Means there is a verse or a set of verses that are setting forth a particular doctrine.
Romans 6:17	Prayer Aspect : Thankfulness = GOD BE THANKED	17 But God be thanked, that ye were the servants of sin, but ye have obeyed from the heart that form of doctrine which was delivered you. FORM OF DOCTRINE: AKA FORM OF SOUND WORDS-2 Timothy 1:13. What conforms us to the image of His Son. A pattern of edification-godly thinking, godly living, godly labor. When you are taught something, it is meant to edify you this way. Your Father teaches you to think about a particular doctrine or a FORM OF DOCTRINE. Even within a doctrine, there are component parts. He teaches you to think about a particular FORM OF DOCTRINE in a certain way. That thinking is supposed to guide our conduct and behavior (living). Then once we have these down, we're now qualified for Him to reveal to us a specific operation that He's involved in that He wants us to labor with Him in. Then He will tell us what that is and then we can put this godly thinking, this godly living now we can actually focus that into a particular operation and that is our godly labor. We will be laboring with our Father in His operation against the adversary and his POE.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 6:17	Prayer Aspect : Thankfulness = GOD BE THANKED	17 But God be thanked, that ye were the servants of sin, but ye have obeyed from the heart that form of doctrine which was delivered you. Edification Process 1. Encounter/Exposed to/Come in contact with some FORM OF DOCTRINE - Romans 6:17 2. Understand the doctrine 3. Believe the doctrine Positive and proper response - A positive response is when we understand and believe a form of doctrine in His word. - A proper response is when we take what we have learned, understood and believed and we put it into practice in our everyday lives. 4. Pray the doctrine - activates the remembrance of the doctrine 5. Think the doctrine 6. Live the doctrine
Romans 6:17	Prayer Aspect : Thankfulness = GOD BE THANKED	17 But God be thanked, that ye were the servants of sin, but ye have obeyed from the heart that form of doctrine which was delivered you. Steps: 7. That strengthens our inner man 8. When our inner man gets strenghtened in (GH: the positiive and proper) response to that doctrine, Christ life is now being lived IN us. DOCTRINE: Doctrines do different things, it just depends on what the doctrine is. Every doctrine has a purpose, it's designed to do something. Doctrine that tells you how you are supposed to think and act towards other believers. Doctrine that is supposed to produce comfort in our hearts in the midst of the SoC. Doctrine that teaches us how to function together as a single body. Third false reason - If you have a choice - if grace is just as powerful as the law to keep you from sinning, what difference does it make? No! the law is not on par with grace. The law has no power to make you stop sinning. Law is not really about doing good, but not doing evil. Things like 'thou shalt not kill' pop in your mind. THOU SHALT NOT. It didn't make you stop sinning, it just told you what not to do because you do it and it shows you how guilty you are. Grace doesn't major on what NOT to do, grace majors on what to do. It wants to help people/edify/build up. When that's in your mind, it is never in your mind to harm people. The law says don't do bad stuff to Ruby. Grace says do good stuff.
Romans 6:18-19		v18: SERVANTS OF RIGHTEOUSNESS (OF: New identity IN Christ - who you are; the done deal/already done) v19: SERVANTS TO RIGHTEOUSNESS (TO: prepositional difference-what you are going to do)

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 6:18	GH: IN Christ Identity : Justification 2 of 3 : Righteousness = SERVANTS OF RIGHTEOUSNESS	18 Being then made free from sin, ye became the servants of righteousness. BECAME THE SERVANTS OF RIGHTEOUSNESS (done deal/already done): From servants of sin (v17) to saved here. Your Father is telling you how He sees you now. You became that and He needs you to see that so you understand what grace is going to do in your Christian life. When He says you became servants of righteousness, He is stating a fact about what happened in your new identity IN Christ that you wouldn't know about unless He told you about it. That's who I HAVE made you. You need to have that in your mind. He needs you to see yourself the way He sees you. Describing your new identity IN Jesus Christ. That is WHO you are. Before you were saved, you had an old identity in Adam, alive to sin, dead to God. After you are saved, your new identity IN Christ made you dead to sin, alive to God, and servants of righteousness (and that is under grace, not under the law). Have to reckon yourself to be a servant of righteousness. Not just oh I believe it is true, but it now becomes the basis of your reality. Not that you hope it is true. It IS true, whether you reckon it or not. The only source of power that can run your sanctified life is not the law but grace because only grace can produce what God wants in your sanctified life. That's the truth of it. You can tell your kids if you stick your hand in the beehive for honey, you are going to get stung. They don't know bees have stings and they know people who have been stung, but they know they like honey. They just have to stick their hand in their 1 time and then from now on they will reckon it. It will become the basis of their reality.
Romans 6:19	UI	19 I speak after the manner of men because of the infirmity of your flesh: for as ye have yielded your members servants to uncleanness and to iniquity unto iniquity; even so now yield your members servants to righteousness unto holiness. I SPEAK AFTER THE MANNER OF MEN MANNER: Going to talk to you now about something that is common to everyone/everybody. I speak what is generally true of all men about that infirmity of your flesh. I SPEAK: The word “speech” is kin to “speak.” There is even a subtle difference in “talking” and “giving a talk” where one has a more official capacity to it. INFIRMITY OF YOUR FLESH: Infirmity is a weakness everyone has to deal with. It's the natural tendency/inclination that your flesh has to partner up with the law/some form of the law/some external performance system/Christianized version of the law to try and please God/justify itself/sanctify itself/natural tendency to follow the law and live for God. The flesh wants to get ahold of the law anyway it can. Flesh is trying to save face. Let me do something. God says you can't keep it - going to give you a whole new identity IN Christ->going to live out of this new identity & if you do that, -> being SPIRITUALLY MINDED-Romans 8. Everybody has to deal with this natural desire to get a hold of the law and misunderstand it to please God. The danger is that 'natural desire of the flesh to utilize the law' + 'the misunderstanding of the law' = 'the death of your functional life'. Exactly what the adversary wants to produce. Your flesh loves the rules. But God doesn't want you to live by a set of rules, He wants you to live by grace. Grace living is way superior. For the DOGG, God has provided you a way to live out of grace. INFIRMITY: Infirmity is a weakness.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 6:19	UI	19 I speak after the manner of men because of the infirmity of your flesh: for as ye have yielded your members servants to uncleanness and to iniquity unto iniquity; even so now yield your members servants to righteousness unto holiness. YE HAVE YIELDED YOUR MEMBERS SERVANTS TO UNCLEANNESS AND TO INIQUITY UNTO INIQUITY. The natural desire to try and get the law. If you try to live your sanctified life according to the law, it leads to iniquity unto iniquity. It just goes further and further, you work yourself in a deeper and deeper hole. INQUITY UNTO INIQUITY: How we used to live when we were in Adam. Now we can be servants to righteousness unto holiness. NOW YIELD YOUR MEMBERS: Is in line with v16.
Romans 6:19	UI	19 I speak after the manner of men because of the infirmity of your flesh: for as ye have yielded your members servants to uncleanness and to iniquity unto iniquity; even so now yield your members servants to righteousness unto holiness. YIELD YOUR MEMBERS SERVANTS TO RIGHTEOUSNESS UNTO HOLINESS (what God wants you to do): He is not talking about abiding in some set of laws but he is talking about something which you now know brings your Heavenly Father more pleasure than anything else in the creation. As we yield our members servants to righteouness, as you do that, you are bringing a smile to your Father's Face and His heart leaps with joy. He looks at that and points at it and says to everyone, look at that? That is perfectly compatible with Who I AM and I love it! Why does God love this? Because it is what He created man to do when I first created Him. Now because you have been made a servant OF righteousness, you by grace, now have the ability to instead of yielding your members as servants to sin, now you have the ability to yield your members as servants TO righteousness. When your Father sees that, He just leaps and goes yes, that is good. Righteousness is about doing the right thing. Don't have to have the right reason to do it. Why a righteous man cannot produce righteousness unto holiness. He is not doing it for that reason. Holiness is about the reason you are doing the right thing. Not that there's a set of laws that are a club over my head. You are doing it for the sole purpose that you know that is what your Father loves. It's what He wants around Him and that's what He created you to do. That is motivation to stop sinning and to do that which is good because it thrills my Father's heart. It's what He wants out of me. That's totally different from the law and that is what He created you to do. **EX mow the lawn or I get grounded OR mow the lawn the please my parents - two different motivations with two different attitudes attached to them**. We are not supposed to live righteously because God held the law up to us because we understand what to do. It is because we understand the heartbeat of our Heavenly Father is for us to do that which is right in His eyes and when we make that decision. Holiness is compatible with who He is at His essence. That's who He made us to be.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 6:19	UI	19 I speak after the manner of men because of the infirmity of your flesh: for as ye have yielded your members servants to uncleanness and to iniquity unto iniquity; even so now yield your members servants to righteousness unto holiness. YIELD YOUR MEMBERS SERVANTS TO RIGHTEOUSNESS (TO: prepositional difference-what you are going to do) UNTO HOLINESS (what God wants you to do -Give yourself over to righteousness): God is saying do that which is in accordance to who I have made you to be. He has made you to be a servant of righteousness so start living like it. You used to be one way and you lived that way. I've made you another way now live this way. Understand who you are. To do this: - You needed to be made dead to sin (Romans 6:2) - You needed your to crucify your old man (Romans 6:6) - You needed to be made alive unto God (Romans 6:11) Everything that needed to be done, He did. My Son did all that on the Cross and the moment you trusted Jesus to be your Savior. Now that you have been made a servant of righteousness, yield your members as servants to righteousness. That's the natural outflow of who you have been made to be. It's like someone coming in the door and saying Ruby, you are the new Queen of England. Never knew you were in that line, but your the new Queen of England. They would say start acting like the Queen. Instead of utilizing the law, which is the INFIRMITY OF YOUR FLESH, look at the context: YE HAVE YIELDED YOUR MEMBERS TO UNCLEANNESS AND TO INIQUITY TO INIQUITY. The natural desire to try and get the law. If you try to live your sanctified life according to the law, it leads to iniquity unto iniquity. It just goes further and further, you work yourself in a deeper and deeper hole. The law has no power to make you stop sinning.
Romans 6:19	UI	19 I speak after the manner of men because of the infirmity of your flesh: for as ye have yielded your members servants to uncleanness and to iniquity unto iniquity; even so now yield your members servants to righteousness unto holiness. EVEN SO NOW: Now you have come to Christ. NOW YIELD YOUR MEMBERS: Is in line with v16. Will now get into a further issue of righteousness. Getting very close to what is it about grace that motivates me to stop sinning and do that which is right. In v16, the only thing you knew was you could have OBEDIENCE UNTO RIGHTEOUSNESS. Now He is telling you YIELD YOUR MEMBERS AS SERVANTS TO RIGHTEOUSNESS UNTO HOLINESS. Shows righteousness NE holiness - not synonyms. Need to understand UNTO HOLINESS. (YIELD) YOUR MEMBERS AS INSTRUMENTS OF RIGHTEOUSNESS UNTO GOD: Give yourself over to righteousness (explained in Romans 8:10-13?) YIELD YOUR MEMBERS: Talking about your body/parts.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 6:19		19 I speak after the manner of men because of the infirmity of your flesh: for as ye have yielded your members servants to uncleanness and to iniquity unto iniquity; even so now yield your members servants to righteousness unto holiness. RIGHTEOUSNESS UNTO HOLINESS: GH: KEY POINT: Something explains the biq question everybody wants to ask - 'If a lost person does good stuff, what about that? What disqualifies that? Why can't God look at that say say that counts for righteousness?' -> Any righteousness that a lost man does any good thing, he is doing it out of his position IN Adam which is under sin and unrighteousness. Any righteousness that a lost man does cannot save him. God says there is only one way for that to happen and that is for you to have perfection. If you miss that, you are in big trouble. When a saved man does something right, he does it from a position IN Christ, which he is forgiven of his sins, he's been imputed righteousness, and he has Atonement. Reason why God can look at a lost guy and say I reject what He does is because it is done from a position of Adam, as an enemy of God. The saved guy is doing it from a position of being IN Christ, who is made at one with God. Coming from a whole different place. Find out that God wasn't just looking for righteousness, He was looking for righteousness that was unto holiness. A lost man can never produce that, it has to do with your sanctification. When God sees the saved man do good things, He goes 'I really like that'. When He sees a lost man do good things, He says 'that means nothing to Me'. **It's not about the act, it is where the act is coming from**. The righteous things a lost man does are not righteous, because they come from the condemned position of being in Adam. Only reason you can do that as a saved person and its righteous is because in Him you have been given righteousness and you were made a servant. He did all that for you so God can look at and say 'I like that'. God is not just looking for righteous acts/good deeds that can be produced by anybody, including a servant of sin. He is looking for a particular kind of righteousness. People may say I don't care what you say, when a lost man did good deeds, that was righteous. Until you receive Jesus as your Savior, otherwise you are like Israel and you think you can produce your own sanctification by keeping the law and you can't do that anymore than you can produce your own justification.
Romans 6:19		19 I speak after the manner of men because of the infirmity of your flesh: for as ye have yielded your members servants to uncleanness and to iniquity unto iniquity; even so now yield your members servants to righteousness unto holiness. UNTO HOLINESS: Is the necessary reason. Changes the issue of righteousness. First time HOLINESS shows up in the Book of Romans and he doesn't describe it or explain it so you are automatically expected to know something about it. If you are separating UNTO something you are also separating it FROM something. HOLINESS: **When God sees something that is holy, He sees something that is compatible with Him in His very essence/at His core/at harmony with Him**. When this happens, His heart literally leaps for joy. You are doing it for the sole purpose that you know that is what your Father loves. That is motivation to stop sinning and to do that which is good because it thrills my Father's heart. That's totally different from the law and that is what He created you to do. Is what He created man to do when He first created him. Now because you have been made a servant of righteousness, you by grace, now have the ability to instead of yielding your members as servants to sin, now you have the ability to yield your members as servants to righteousness. EX mow the lawn or I get grounded OR mow the lawn to please my parents - two different motivations with two different attitudes attached to them.

Romans 6:19		19 I speak after the manner of men because of the infirmity of your flesh: for as ye have yielded your members servants to uncleanness and to iniquity unto iniquity; even so now yield your members servants to righteousness unto holiness. **Grace is the greatest power in the world/universe/in all creation to motivate you to stop sinning and do that which is good. Grace will give you all the motivation that we need. Will produce a certain kind of fruit your Heavenly Father means to bring forth**. NOW: Because now we know we have been made DEAD TO SIN and ALIVE UNTO GOD. YIELD YOUR MEMBERS SERVANTS TO RIGHTEOUSNESS: There's no loop hole that says that you cannot do this. He is not giving us an out. Not saying oh don't worry, nobody is perfect. This is something we have to work on to get to. In eternity, God is not limiting our free will. He is not limiting our freedom. He is not manipulating our mind so we think we are making a free will choice but really we're not. And He's not doing anything to make sure we don't sin again as an act of interference in our activities. There's no magic wand, there's no mind wipe, there's no labotomy. God is not going to chaparone us in eternity, He's not sending an angel along that will tap you on the shoulder before you make a mistake. In eternity, God is not going to be dealing with you out of His omnipotence.
Romans 6:19		19 I speak after the manner of men because of the infirmity of your flesh: for as ye have yielded your members servants to uncleanness and to iniquity unto iniquity; even so now yield your members servants to righteousness unto holiness. v19 comes along and tells you now that you know that's who you are IN Jesus Christ, it's now going to point you back in the next verses to that very narrow aspect of grace that you are supposed to look at and go that is what now motivates me to stop sinning and to do good. When you see this, you realize that it is not about the law at all. Whether you call it the law or not, you are still doing this stuff, right? That's all we have ever known/got preached to/got taught/understood. And it worked in perfect combination with what our flesh likes.

Romans 6:19		19 I speak after the manner of men because of the infirmity of your flesh: for as ye have yielded your members servants to uncleanness and to iniquity unto iniquity; even so now yield your members servants to righteousness unto holiness. Anytime someone yields themself to be a servant to someone else, there has to be a compelling, necessary reason for obeying someone else, for putting yourself under that. For those who are saved and have already trusted Jesus to be their Savior, we are faced with a Gospel message that showed us how to be saved and we obeyed that message. Saved BGTF without works. Our flesh or the infirmity of our flesh - is the natural tendency/inclination of your flesh to want to get ahold of some external performance system and try to please God/justify itself/sanctify itself by obeying the law or some form of the law, even a Christianized version of the law. If you take the law away, what do we do? What motivates us to stop sinning and to do good? Find the same lesson in sanctification. Even though the flesh wants to try to use the law to produce good works/please God, you are going to find it to be something different. God gave Israel the law to show how bad they were and put them under the dominion of sin, not keep them from sinning. Most people get that wrong. There's an aspect of grace that keeps you from sinning and motivates you to do good. We haven't covered it but we have already read it. Didn't jump off the page at us because we needed to understand things about words we were reading. Once you see those, you will understand that grace is the greatest power in the world/universe/in all creation to motivate you to stop sinning and do that which is good. Grace will give you all the motivation that we need. Will produce a certain kind of fruit your Heavenly Father means to bring forth. MM will show how it operates by grace. You don't have to have someone or something (the law) tell you, you have something much better.
Romans 6:19		19 I speak after the manner of men because of the infirmity of your flesh: for as ye have yielded your members servants to uncleanness and to iniquity unto iniquity; even so now yield your members servants to righteousness unto holiness. Righteousness vs. Holiness: When you understand this, you will read again and say 'I get it/see it now. That's my motivation'. Most Christians think that righteousness and holiness are the same. They are not. When you think about holiness, have to ask yourself what does holiness mean to God? Wanda says 'separated unto God' and holiness absolutely carries this concept. There's something more He wants you to see. Others: perfection, purity. If you are separating UNTO something you are also separating it FROM something. We often define holiness as different from all those bad things we think about - impurity, imperfection, sin, corruption, etc. Will see we are going to have to define holiness differently and the reason is God was Holy before sin ever entered the picture. Can't just contrast with unholy because He was Holy before there ever was unholy.

Romans 6:19		19 I speak after the manner of men because of the infirmity of your flesh: for as ye have yielded your members servants to uncleanness and to iniquity unto iniquity; even so now yield your members servants to righteousness unto holiness. In this verse, we are talking about righteousness and holiness in their most general terms. Looking for a general understanding of both since he is not mentioning any specific acts about either term. No details or lists. - In our justification, we were made the righteousness of God IN Christ, got that imputed righteousness. - In our sanctification, we were made the holiness of God IN Christ. - In our exaltation, we are going to be made the glory of God IN Christ. - All 3 make up your entire identity in Christ. POE has something to corrupt all 3 of these because that is the total of who you are IN Christ. How you are going to live from now through eternity and it is not going to change/go away. Things that are holy are things that God wants around Him. Isaiah understands this (Is 6:1-5) and understands that is not who he is. Uncleanness is the very opposite of holiness.
Romans 6:19		19 I speak after the manner of men because of the infirmity of your flesh: for as ye have yielded your members servants to uncleanness and to iniquity unto iniquity; even so now yield your members servants to righteousness unto holiness. True that holiness stands in contrast to that which is evil/unclean/sin/wicked. Here we're talking about holiness as that which brings God great pleasure and delight. What would/should thrill your heart more than anything else is understanding what has always thrilled God's heart more than anything else - Holiness. When God sees something that is holy, He sees something that is compatible with Him in His very essence/at His core/at harmony with Him. When this happens, His heart literally leaps for joy. What He wants to surround Himself with. What He wants to be around.
Romans 6:19		19 I speak after the manner of men because of the infirmity of your flesh: for as ye have yielded your members servants to uncleanness and to iniquity unto iniquity; even so now yield your members servants to righteousness unto holiness. Because holy things are in harmony with His very nature, because of these 4 things above, are now able to say no to the temptation of sin and yield yourself to the righteousness God calls fruit unto holiness and He wants that, just like a trophy He puts on His desk and has it in front of Him. He loves that and gets glory from it and He is going to have that around Him forever. That's the thing that should be motivating us, not I am going to keep the law. Now that you have received Jesus Christ, for the first time you really have the ability to produce fruit unto holiness, which was impossible to do before. To do this: - You needed to be made dead to sin (Romans 6:2) - You needed your to crucify your old man (Romans 6:6) - You needed to be made alive unto God (Romans 6:11) - Everything that needed to be done, He did. My Son did all that on the Cross and the moment you trusted Jesus to be your Savior. **Now that you have been made a servant OF righteousness, yield your members as servants TO righteousness**. That's the natural outflow of who you have been made to be. When God sanctified something, sanctification and holiness come from the same word. Shouldn't surprise you that when Paul talks about sanctification in Romans, he talks holiness. Righteousness and holiness have a relation to each other but they are not synonyms. They are different. Justification (EL) and sanctification (FL) have a relation to each other but they are different things.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 6:20	In Adam Identity : Abomination 1 of 3 : Servants of Sin/Served Sin = SERVANTS OF SIN / In Adam Identity - Abomination 2 of 3 - Unrighteousness = FREE FROM RIGHTEOUSNESS	20 For when ye were the servants of sin, ye were free from righteousness. IN ADAM IDENTITY - ABOMINATION STATUS 1 of 3: We are 'servants of sin'/Served sin (more than under sin) IN ADAM IDENTITY - ABOMINATION STATUS 2 of 3: We are 'free from righteousness' This was our state. SERVANTS OF SIN: The things we did served sin. That was an offense to God's holiness and character. FREE FROM RIGHTEOUSNESS: We not only had no righteousness to commend ourselves to God, but we were functionally dead to righteousness. The righteousness that we tried to produce was actually filth before God. Former identification in Adam: Before, we could not bring forth fruit unto holiness because we were following the course of the world and we brought forth fruit unto Satan. IN Christ: Being made free from sin and our now being servants of God, we have fruit unto holiness.
Romans 6:21		21 What fruit had ye then in those things whereof ye are now ashamed? for the end of those things is death. Now he is going to ask a question. The answer is you didn't have any fruit in that. THOSE THINGS WHEREOF YE ARE NOW ASHAMED: MM talks about something years ago in his prayer journal that he should be doing but wasn't. He was telling the Lord he was ashamed of the way he was thinking back then. Paul is saying if you are really growing in grace and if this sanctification thing is really working in you, you will be able to look back at your life before and be ashamed of that. This is a good thing because it means you have made progress. It means that you're now starting to see those things the way that you ought to have seen them all along. Before: No fruit. END OF THOSE THINGS IS DEATH: God doesn't want that around Him. Totally incompatible with who He Is as God.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 6:22		22 But now being made free from sin, and become servants to God, ye have your fruit unto holiness, and the end everlasting life. When he is talking about holiness, he is not defining it because you are already supposed to know something. People confuse the terms righteousness and holiness, acting like they are synonyms but they are not. They are two completely different words that mean 2 different things. Saying 'fruit unto righteousness' would not be correct. BUT NOW: Change the subject. FRUIT UNTO HOLINESS: If we are going to produce the fruit unto holiness, it will have to be through the proper use of sanctification that was given to us by grace. FRUIT: Introducing the concept here. More in Romans 12-16. After: fruit unto holiness. END: Refers you back to fruit unto holiness. EVERLASTING LIFE: Not your life being everlasting (that's justification-we're in sanctification). This is about your fruit being everlasting like your life. Showing you that the fruit you produce in your sanctificated life is going to last as long as your everlasting life. MM says there is a way that fruit will be put on display in your glorified body in eternity that's going to be seen forever and forever. Never going to go away. You could never produce this kind of fruit under the law. Only under grace can you do that. You have the ability to produce fruit unto holiness under grace that you would never be able to produce on your own. You are living in an unredeemed body that still has sin in its members. You can still produce fruit unto holiness in a mortal body. Not forcing you to do it, it'll be your choice. When we exercise that choice, how much glory does that give our Father. The law can't produce holiness. So now you have the power to do what I created man to do in the first place so that you can produce what is in total compliance with My Character and Nature and I WILL hold it around me forever.
Romans 6:22		22 But now being made free from sin, and become servants to God, ye have your fruit unto holiness, and the end everlasting life. EVERLASTING LIFE: The life we are given by God is everlasting, it has no end. But it did have a beginning. That eternal life you got, you are going to have it forever. EVERLASTING: Everlasting means there will be no end to whatever is being spoken of. I've got a choice here (v16-to whom ye yield yourselves servants to obey) - everytime you have a choice. And everytime you make the right choice, he says that's your fruit unto holiness. The only way to produce “fruit unto holiness” is by grace alone - FRUIT UNTO HOLINESS. See elements that now make up our sanctified position IN Christ. - FREE FROM SIN - BECOME SERVANTS TO GOD - Result -> FRUIT UNTO HOLINESS We can now bring forth fruit that God’s justice can accept because it is in perfect compatibility with His holiness.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 6:22		22 But now being made free from sin, and become servants to God, ye have your fruit unto holiness, and the end everlasting life. What MM now sees (GH: Theodicy study) in this verse - made free from sin, but that doesn't mean that you can't sin anymore. The status you had in Adam has now been changed. You've been set FREE FROM SIN. You've become SERVANTS TO GOD. You have your FRUIT UNTO HOLINESS and MM thinks that you are supposed to carry that into eternity. It is something that happens here and now that is actually going to actually carried out in your everlasting life. There's a process that we are supposed to engage in right here and now that has an impact on us in eternity. Will be the greatest life imaginable that you could ever have. God is not going to alter our personalities to make that a reality and he's not going to make us act the same so we are just clones of each other like there's no distinction of personality. He is going to give us the freedom to live lives that are so glorious and so diverse that when you first hear it, you might be tempted to say I can't hardly believe that. Will do things for a reason. Won't be on a whim but based on things that we have been taught.
Romans 6:22		22 But now being made free from sin, and become servants to God, ye have your fruit unto holiness, and the end everlasting life. He just tells you about the fruit here but not the details. Introducing you to the concept. More in Romans 12-16. MM has an advantage in that he always wanted to please his earthly father. If he knew his dad, wanted it, he would break his neck to get it. Heavenly Father wants such as relationship and you not having to look at some codified law. Know that it thrills His Heart and you'll bend over backwards, that's what will motivate you. So stop choosing sin unto death and starting choosing righteousness unto holiness because that is what God wants around Him. He has made it so you can do this even though you are living in an unredeemed body that still has sin in its members. You can still produce fruit unto holiness in a mortal body. MM says how amazing is that? He is not making you do it, not forcing you to do it, it'll be your choice. When we exercise that choice, how much glory does that give our Father. The law can't produce holiness. The law put you back under the dominion of sin. God made you free from sin so I PUT you under grace and made you a servant to righteousness. So now you have the power to do what I created man to do in the first place so that you can produce what is in total compliance with My Character and Nature and I WILL hold it around me forever.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 6:23		23 For the wages of sin is death; but the gift of God is eternal life through Jesus Christ our Lord. MM thinks this last verse is to capture both of what we have already understood. - In justification, if you don't receive that message, the debt & penalty of your sin will result in eternal death. - In sanctification, if you don't choose to do what is right, it'll result in functional death. Won't send you to hell, just means that you will never produce fruit unto holiness that God intends for you to produce in your Christian life. Will be functionally dead. The whole issue is NOT about getting a bunch of rewards. 1. The motivation for what we do is not those rewards, it is because how we feel about our Heavenly Father. It's about Him, not about us. 2. That idea of the rewards thing is going to get corrected over there when you learn about your Sonship. Change the whole way you understand the reward system, but it's better than what you thought. But it is not what we thought. When Christ died, He took upon Himself the sins of the world. And because He took upon Himself the sins of the whole world, if He had not paid in full for everyone of those sins, He would not have been able to resurrect from the dead because Romans 6:23 says THE WAGES OF SIN IS DEATH. His Resurrection from the dead is the absolute proof that He completely paid infull the entire sin debt for the world. THE WAGES OF SIN IS DEATH: MM tying to THE STING OF DEATH IS SIN-1 Corinthians 15:56. GIFT OF GOD IS ETERNAL LIFE: Those who put their trust in Jesus Christ as their all-sufficient Savior, will be given eternal life. You got God's own life. Not saying He made you deity, but you got God's own life, which has no beginning and has no end. This is the kind of life you got through Jesus Christ our Lord.
Romans 6:23+		Four things to wrap up: 1. Objection 1 of 2 to your sanctified life: There was an objection that was raised in Romans 6 - that the law was a compelling reason to stop sinning and do good. That objection got answered by scripture. (1) Law was never intended to do that and cannot do that. (2) What is given to you is grace that allows you now to produce righteousness unto holiness, which not only encompasses what you do but the reason for which you do it. That reason is because what it means to your Father. Why we went back and looked at holiness and what a big deal it was to God. Grace is the only thing that has the power and strength to restrain you from sinning and cause you to do that which is good. The reason why we went back and looked at holiness and what a big deal it is to God. 2. Grace is the only thing that can stop you from sinning and cause you to do that which is good. 3. Any attempt to get grace abounding by utilizing the law will fail to produce fruit unto holiness and will put your functional life to death. 4. The flesh loves to walk in newness of life but it wants to use the law to do it. Not how it can be done. Not from some Christianized version of the law.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 6:23+		Second objection to your sanctified life. He has already solved the first objection. The motivation to do what we do comes from the relationship we have with our Heavenly Father and knowing it thrills Him and that He wants that around Him. Right now, God sees us as a servant of righteousness. Why we have the command to live like who I HAVE MADE you to be. See yourself as I SEE you because that is who I HAVE made you to be. If you make a mistake, you are still a servant of righteousness, you just didn't behave like it. Doesn't mean you will always get it right. As you grow and grow you will look back and say, oh my. Not just getting better at making a choice, but there will be a tip, where you begin to see the thing the way your Father sees it and you will begin to dislike it and abhor it the way He does. Eventually, will go I can't imagine that was even a choice for me. What you know now is very shallow. Later you will go, well that was right but that was incomplete. Your Heavenly Father is not expecting you to do advanced math while you are learning how to count. We are way more accountable than most people. He is looking at us differently because we have heard differently. Being motivated this way is way better than being motivated by the law.
Romans 6:23+	Review	**You now understand, I love my Heavenly Father. I understand that He wants fruit unto holiness, is that which thrills His heart, that He wants around Him, and I do want to please Him**. People will say, I am going to get a bunch of stuff right but there's few things that are a real struggle for me, even though I love my Father. He will address these. He calls these 'the pleasures of sin'. There are areas you are going to be tempted that are so pleasurable that what you learned in Romans 6 will not always be enough for you to say I can overcome every obstacle. Will take care of most of it but there is a few areas that get entrenched into our lives and it's different for everybody. Don't worry about this. Right now you have enough to start making a choice for righteousness unto holiness. He will address the tough areas. He has an answer for everything. Do you think there's anything we are going through He's not familar with/doesn't know about/kept a secret. He first has to get you firm in this basic foundation of the sanctified life. **2 primary reasons for God not putting us under the law, but under grace:** **1) Because you can't live your sanctified life under the law, it puts your functional life to death. (Romans 6-8:13)** **2) Because our vocation is different from Israel's. The law can't teach you to govern out in the creature.**
Romans 6:23+	Review	The law was given to Israel because it was pointing them towards something - a kingdom that would be set up on the earth. If you were Israel, you could look back at the law and you're going to find a whole lot of information that is going to equip you to function in the kingdom. Let's do us. Pretend - not the way it is - that you know we are in the dispensation of Gentile grace and we will serve as sons and daughters in the heavenly places and that the mystery program is very different from the Israel program. Knowing all that, you take Romans-Philemon out of your Bible, you will never ever be able to be educated so that when you get up there you will know what you are doing. Doesn't matter where else you go - Genesis to Malachi. Matthew to John. Hebrew to Revelation. It doesn't matter. Those are books educating Israel on what they're going to be doing in the kingdom on this earth. We are going to be educated to serve out in the heavenly places and our whole education for that is found in Romans-Philemon. Even if you know you are going to go out, get a glorified body, you're part of the church of the body of Christ, when you take those books out, you have now completely shut down your education because what you are doing out there is something completely different than what they are going to be doing down here.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 7:1-6	Objection 2: 'You can't just do away with the law for it is the supreme, permanent commandment of God'	Objection 2 of 2 to your sanctified life: The law is the permanent, supreme authority of God and has permanent dominion over a man as long as he lives and cannot be set aside or dismissed. The law has no statute of limitations, it never runs out. Paul just can't come along and say you're not under the law but under grace. God can't arbitrarily do away with that and neither can Paul. That the law cannot be set aside or dismissed while someone is still phyiscally alive. May dissolve the old relationship (law) but it does not give you the right to establish a new relationship (grace). Tricky because it contains a partial truth. If the story has a partial truth, easy to assume the whole story is true. These 6 verses contain the whole packet of the second objection. Still under the 'you are not under the law but under grace' context. Three steps: 1. Get the objection in v1. 2. Then there's going to be corrective doctrine laid out.
Romans 7:1-6	Objection 2: 'You can't just do away with the law for it is the supreme, permanent commandment of God'	3. And then he's going to show you how to take that doctrine and apply it/make an application in to your own life. (1) Objection is tricky because it contains a partial truth. If you hear a story and you know a partial detail is true, it is made to make you think the whole thing is true. (2) Not everyone in this room is going to say yeah I can see that. MM has to explain because one day you will run into someone who does see this objection and you won't know how to respond. It's common enough that the scripture has it in there and we can't skip it. MM says this is NOT meant to reteach you about re-marriage and all of that bit. Not what the doctrine is for. Doctrine is meant to teach you about the scope of the law and where it ends using an illustration they can all identify with. Paul says I know how you understand this thing, your objection.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 7:1-6	Objection 2: 'You can't just do away with the law for it is the supreme, permanent commandment of God'	RESPONSE: You can't be saved by the law, can't be sanctified by the law. It's not just that grace is better, it's the only way. Marriage provides for a DEATH concept and a NEW RELATIONSHIP concept, which is actually the illustration Paul needs in order to teach you about the law. 1. When a woman gets married, things change - she's a wife with the responsibilities and legalities behind it. Legal change. If the husand dies, she is no longer a wife, she is a widow. She is no longer bound to that relationship - the law provides for that. Whether or not the law has the right to operate is dependent upon one thing and that is your relationship to it. 2. Once your old identity in Adam was crucified, you got a whole new identity IN Christ. Your Heavenly Father didn't just free you from an old relationship, He entered you into a new One. He didn't just do away with the bad relationship you had (the law) and leave you hanging, He gave you something that is infinitely better for you than the law could have ever been. God made it that there was a drastic change in relationship that gave you a new legal standing. You are not only loosed from any previous binding of the law but it set you free to now enter into this new relationship. 3. God went through the very proper steps to take you out from under the law and put you under grace and He did it properly and at no fault to you(GH: or Him?). The law itself was not offended at any point. God has done everthing so the law can't say, you violated the law putting these people under grace. The law will say, wow, the relationship I had with them was totally dissolved. I not only can't obligate them anymore and they didn't offend me at all by this position coming about but they actually are free now to start a new relationship with grace and all of that was done for you the moment you said I trust Jesus to be my Savior.
Romans 7:1		1 Know ye not, brethren, (for I speak to them that know the law,) how that the law hath dominion over a man as long as he liveth? Now Paul is going to come along and say I know that the law is God's absolute permanent supreme authority (not using those words). Objection: you can't just violate those things because someone says you are not under the law but under grace. Paul is going to say the law is the supreme authority and it is from God. The untrue part is the law is permanent, because it only has dominion as long as a man liveth. He will now explain something has happened now. God has taken some steps that has made it so that. Even if you agree you can't stop sinning by using the law, some are going to say the law is the permanent, supreme authority of God. Even if you can't use it to stop sinning, you can't just do away with it. Paul will now focus on what God shows that you that you can legally and properly and rightly now say I am NOT under the law AND I am still alive in this body. When you think things changed for us when we trusted Jesus Christ as our Savior, you are already headed down the right road. Before he can completely put this second objection to bed, there are 2 common misunderstandings that are in the mind of everybody that are about to follow.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 7:1		1 Know ye not, brethren, (for I speak to them that know the law,) how that the law hath dominion over a man as long as he liveth? MM hears people say if I want to know how to live my life and want to know how to please God, I am going to look at the words of Jesus. Then you realize the words of Jesus were given to the nation of Israel under a program that has nothing to do with the dispensation we are living in. If Jesus were here today, that is not what He would be telling you. He would be telling you what He did tell the apostle Paul when He told him to write down and record in the scripture. Paul will straighten this out so we all see it the way your Heavenly Father sees it. Goal is you see your sanctified life exactly the way He sees your sanctified life. The power to live this life is a power that He provided, not a substitute on our part. It produces that FRUIT UNTO HOLINESS that He so desires to be produced. That way we know we are not just going through the motions or following some preacher, but we have seen it in the word of God that this is how God made this thing to be. MM is not saying this egotistically, he is saying this sadly - you will understand things about your sanctification that most preachers don't understand. His college professors didn't understand the POE. It is just thrilled to keep us going down the false trails and we can't afford to do that.
Romans 7:1		1 Know ye not, brethren, (for I speak to them that know the law,) how that the law hath dominion over a man as long as he liveth? Chapter 7 sees the second objection to this statement, given to us by them that KNOW THE LAW (Romans 7:1). Second objection is the law is the permanent, supreme authority of God and has dominion over a man as long as he lives and Paul just can't come along and say you're not under the law but under grace. God can't arbitrarily do away with that and neither can Paul. To put in concise form, they would say that the law has permanent dominion as long as you live and because its God's supreme authority it cannot be set aside or dismissed. The law has no statute of limitations (the period of time after an event in which some legal action can be taken). In the minds of those with the second objection, the law has no statute of limitations, it never runs out. Say law has dominion the entire life of an individual up to death. Even some people who are saved by grace say this.
Romans 7:1		1 Know ye not, brethren, (for I speak to them that know the law,) how that the law hath dominion over a man as long as he liveth? Those who “know the law, there are only 2 possibilities and both of them would violate God’s own law: 1) Our relationship with the law is permanent, with no way out from under it until death/you to die; 2) God would have to establish this new relationship – this thing you call grace – even while we are still related to our old, former relationship with the law – and that would be a violation (adultery). God would be breaking his law if it is permanent. That's the flaw. Everything that was connnected to the law was your old identity in Adam - I crucified that and now you are loosed and under no further obligation to that, I SET you free to enter into a new relationship. And now you have entered into that new relationship (grace). Used to be married to the law. Now, you are married to grace. Paul will now focus on what God shows that you that you can legally and properly and rightly now say I am NOT under the law AND I am still alive in this body.

Romans 7:1		1 Know ye not, brethren, (for I speak to them that know the law,) how that the law hath dominion over a man as long as he liveth? KNOW YE NOT: AKA "Don't you know?/You should already know" A checkpoint. First time we are told this. Why would Paul say this? This is a checkpoint that when Paul says it, if you don't know that, you are not ready to move on. Have to know WHAT it means and HOW it applies to you. When you can say, 'I get that', then you can move to the next one. Paul gives you a checklist all along the way so you can't get to the end without touching all the bases to get there. Got to get it all and get it in the order given to you. What the KNOW YEs are all about. BRETHREN: Same words can mean something different depending on the context. Normally, would define as part of the body of Christ/the Church or Jewish brethren in the flesh or as a king. This brethren is used in a totally different way and you know that by what follows. He is not just talking to Jews although Jews would be in the category that know the law.
Romans 7:1		1 Know ye not, brethren, (for I speak to them that know the law,) how that the law hath dominion over a man as long as he liveth? (FOR I SPEAK TO THEM THAT KNOW THE LAW): Pretty broad - know there's a thing as the law or know what those laws are & can name some of them or something else? He is not just talking to Jews although Jews would be in the category that know the law. Not every Jew knows the law in the way Paul is talking about it. Everybody in Rome he is writing to knows there's a Jewish law. If that was it, he would have just said don't you all know? If it were for every Jew, he would have said something different here to (Romans 2:17). Paul doesn't say Jews. There's a part of the Jews that know the law but also a part of Gentiles as well. Because it's the law, it's legal matters. By either Jewish people that knew the law or even a Gentile that had a mindset in a legal framework and understood legal issues. I SPEAK TO THEM THAT KNOW THE LAW: The word “speech” is kin to “speak.” There is even a subtle difference in “talking” and “giving a talk” where one has a more official capacity to it. THEM THAT KNOW THE LAW: MM wants you to see what they saw and understand about the law like they understand about the law. KNOW THE LAW: The law was the absolute supreme authority of God that could never be dismissed and never done away with. It has authority or dominion over a man as long as he liveth.
Romans 7:1		1 Know ye not, brethren, (for I speak to them that know the law,) how that the law hath dominion over a man as long as he liveth? HOW THE LAW HATH DOMINION OVER A MAN FOR AS LONG AS HE LIVETH: Remember you are not under law but under grace (answers first objection). Second objection is but wait, the law has dominion over a man as long as he lives. Objection is you can't just say it and it makes it true. When God established the law, He established that law as a thing with supreme authority that governed the right and wrong actions of men and you can't do away with that. Even if you can't use it to stop sinning, you can't just do away with it. The flaw is thinking that the law is permanent. DOMINION: Dominion is a power given/granted to someone/something by a higher authority. Given by someone/something that has the power to give/grant that dominion. Can also take it away.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 7:1		1 Know ye not, brethren, (for I speak to them that know the law,) how that the law hath dominion over a man as long as he liveth? He's going to come along and show you something happened that changed this. What he's really doing here is he's saying because a guy that understands the legality would look at it and say look, if a law has been put in place, not even a police officer can come along and say just disregard the law. He might say it (not give you a ticket) but he can't legally do it. Doesn't have the authority or power to do that. Jews who understand the law are going to say, wait a minute, you can't just come along and push the law aside and say, OK, now you are under grace. They will say not even God can do that. MM says the truth of the matter is, they would be right except God has actually done all the legal steps necessary to replace the law with grace. He didn't just do it. When MM was a kid he thought God was the ultimate Boss and He can do what He wants. As he grew up, realized that God makes the rules and He doesn't violate those. EX He doesn't commit sin/tell a lie. We think God can do anything but GH: He can't do things that violate His character.
Romans 7:2-4	Doctrine: Dead to the Law (corrective)	Each word represents part of the process taking place here. v1: See the objection v2: LOOSED 'no longer tied up': Comes first - proper sequence. Like you were tied down with ropes and now you are not. Loosed from the law and not further obligation to that law. Death looses you from the law. v3: FREE 'I can do something else now': Free from the law - no strings attached. No longer under that dominion of the law due to the change in relationship. Death frees you to enter a new relationship and that has already happened when you trusted Christ. v4: DEAD: Already taken place. You've become dead to the law by the body of Christ v5-6: Application section v6: DELIVERED DOCTRINE: Dead to the Law

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 7:2		2 For the woman which hath an husband is bound by the law to her husband so long as he liveth; but if the husband be dead, she is loosed from the law of her husband. Not about marriage, divorce, and remarriage - no divorce in this passage. He's talking about a woman married to a man getting married to another man while she is still married to the first one. MM taught in Bible school this was the doctrine on divorce and remarriage. There is something found in the law itself that shows this to be untrue. Shows that someone can be phyiscally alive and out from under the law. What Paul will utilize here via this marriage illustration. Paul starts this illustration from the law to dismiss the idea that the law cannot be set aside while someone is still phyiscally alive (second objection). Paul not only deals with the second objection, he is going to provide the basis for saying something else. Not just that it is better to take you out from the law and put you under grace, will see in Paul's explanation through this illustration is God HAD to take you out from under the law to show you how impossible it is for you to utilize the law to any degree in your life. You can't be saved by the law, can't be sanctified by the law. It's not just that grace is better, it's the only way. MM says this is a stroke of genius - marriage is a perfect analogy. As a preacher, you look for illustrations and you know at some point, your illustration is going to break down because it is not a perfect illustration. But marriage is a really good illustration for the law. Marriage provides for a DEATH concept and a NEW RELATIONSHIP concept, which is actually the illustration Paul needs in order to teach you about the law. Whether or not the law has the right to operate is dependent upon one thing and that is your relationship to it. Paul is going to tell you how you used to be related to the law. Might say we are in the dispensation of grace and have never been under the law, but there has been a connection to the law in your flesh (Romans 6: INFIRMITY OF YOUR FLESH: the natural tendency to 'follow the law and live for God'). There's an attachment between the flesh and the law.
Romans 7:2		2 For the woman which hath an husband is bound by the law to her husband so long as he liveth; but if the husband be dead, she is loosed from the law of her husband. FOR: Word of logic - can be mean further explanation or introduce additional detail OR when it is stating something, gives the ground of reason for why that was said. 'You kids need to get this room cleaned up FOR (because) your father will be home in 10 minutes'. Here he is about to give the reason FOR what was said before. BUT IF THE HUSBAND BE DEAD: The BUT is a corner word - takes you off in a different direction. The husband is dead. That didn't change her but it changed the relationship. She is still alive. You people Paul is writing to is like the wife. There was a connection that you had through your flesh to the law but then when your old nature in Adam got crucified, that relationship died. You are dead to sin. That relationship died and He replaced it with a whole new relationship IN Christ. He is going to use this illustration to say hey, there is a provision in the law itself that says a woman is bound by the law to her husband and as long as he's living she's under that. But when he dies, she is no longer under that, no longer bound to that law. Within the law, there's a provision that says it is possible for someone to still be alive and no longer be under some provision of the law. He says that's the way it is going to be now for you. What is it that brings about the change? There has to be a change in relationship. From a wife to a widow. And when she did, things changed for her. So a radical change in relationship signals something different. The husband is dead. That didn't change her but it changed the relationship.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 7:3		3 So then if, while her husband liveth, she be married to another man, she shall be called an adulteress: but if her husband be dead, she is free from that law; so that she is no adulteress, though she be married to another man. Two things at work here: 1. Here's a woman and she got married and her husband dies. People pervert this to she can never get married again. Paul is addressing this in the first part. 2. He is going to turn around and make the application to the law of Moses that something has happened. Paul is not instructing you on all the issues of marriage. He is pulling something out of the law that is very specific to illustrate no longer being under the law but under grace. Woman gets married. She becomes a wife. While she is a wife (no mention of divorce) and still married to this guy. He's alive and she can't get married to another man. If she does that, she violates the law of her husband and then would carry the title of adultress because she was still married to this husband. You can't be married to both (the second thing Paul is going to bring out here - can't have both the law and grace going for you at the same time). In the marriage situation, an adultress. In the spiritual situation, that would be wrong too. You had this relationship of the law and then something had to change that relationship and for God to put you under grace. You can't have both working at the same time and you can't just arbitrarily throw away the first one and get the second one. Something has to happen.
Romans 7:3		3 So then if, while her husband liveth, she be married to another man, she shall be called an adulteress: but if her husband be dead, she is free from that law; so that she is no adulteress, though she be married to another man. Other/Second part of the objection is that it may dissolve the old relationship (law) but it does not give you the right to establish a new relationship (grace). Whole list of requirements for a BISHOP (=Pastor) in Timothy - one is THE HUSBAND OF ONE WIFE. Raging debate in Bible College. MM not trying to answer it. Some people believe it was one wife forever and if his wife died, he was forbidden to enter into a new relationship. Then there were guys in the pulpit telling their congregation that. MM's point: Your Heavenly Father didn't just free you from an old relationship, He entered you into a new One. He didn't just do away with the bad relationship you had (the law) and leave you hanging, He gave you something that is infinitely better for you than the law could have ever been. ADULTRESS: Married to 2 men at once. BUT: corner word. More than just repeating what v2 says. Something more. FREE: Addressed the other/second part of the objection. LOOSED-v2 vs. FREE-v3: Paul is not repeating himself with a different word. Each word represents part of a process that is taking place here. Loosed has to come first - proper sequence. Argument is being developed here. MM picture: Loosed is you were tied down with ropes and now you are not. LOOSED (no longer tied up) vs. FREE (I can do something else now - law has no strings attached). v2 not a physical loosing. If loosed from the law, she is untied and under no further obligation to that law. No longer obligated to that law. Without any fault of her own (see in v3). Law is saying you have no fault in this (MM jokes unless she killed him). v3 is FREE from the law. No longer under the dominion of the law due to the change in relationship.

Romans 7:3		3 So then if, while her husband liveth, she be married to another man, she shall be called an adulteress: but if her husband be dead, she is free from that law; so that she is no adulteress, though she be married to another man. Paul is saying because you are saved by grace, you can't live your life under the law. When your old Adam got done away with and you got this new thing IN Christ, that whole thing is about grace and any connection to the law got done away with. Today, people get saved BGTF and then turn around and try to employ the law or some part of the law. Paul devotes a whole Book to correcting that, the Book of Galatians. God didn't just come along and say, 'Well, I AM getting rid of the law and I AM doing grace'. God actually performed a process that made that proper and right for Paul to declare in Romans 6:14 - that you are no longer under the law but under grace. God made it that there was a drastic change in relationship that gave you a new legal standing. You are not only loosed from any previous binding of the law but it set you free to now enter into this new relationship. That's why the illustration of marriage is perfect because it shows that very thing taking place. You died to your former relationship so there is nothing to do with that, through no fault of that. Jesus did that in His death, burial, and resurrection. Why that whole thing is provided for you by grace. Even though Paul doesn't use the word grace, it has grace all through it. Will show you that this isn't anything that you produced. This could legally be done.
Romans 7:4-6	Application: Dead to the Law	Start the personal application portion of this message. v4: APPLICATION of who God has made you to be IN Christ when He fully identified you with Christ your Redeemer and His redemption, which allows for the law to be dismissed and a new relationship to get established. (happened when you got baptized into His death-Romans 6:3). v5: FURTHER EXPLANATION of that issue with emphasis that the law could never accomplish what it is erroneously thought to accomplish. v6: The APPLIED CONCLUSION of the corrective doctrine that fully dismisses the 2nd objection as having no valid basis on which to stand; with special emphasis upon the new relationship being now not under the law, but under grace. These are the steps that: - Answer the objection about not being under the law but under grace - God, your Heavenly Father Himself, thinks when He sees you under grace and not under the law. - Are expected to operate IN your inner man to think about it the way your Father thinks.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 7:4-6	Application: Dead to the Law	God would be breaking His law if it is permanent. That's the flaw. The way He gave you grace was not to say, I AM throwing out the law and giving you grace. He understands there has to be a drastic change in relationship. Everything that was connnected to the law was your old identity in Adam - I crucified that and now you are 'loosed'-v2 and under no further obligation to that, I SET you 'free'-v3 to enter into a new relationship. And now you have entered into that new relationship (grace). Used to be married to the law. Now, you are married to grace. See the marvelousness of what your Father is doing as He lays out this argument here. You may have not had this objection, but isn't to good to know that God crossed every t and dotted every i to do the things He has done for us. Not just some cleverly devised story. There's precision to what God has done. He had to do it this way so He would not oppose Himself in any way whatsoever or violate what He had put into motion. God has legally and properly done this and if you know this at the end you should have it firmly fixed in your mind that if you ever hear an objection, anyone can go back and read anything out of the law they want to read to you and here's what you know
Romans 7:4-6	Application: Dead to the Law	God went through the very proper steps to take me out from under the law and put me under grace and He did it properly and at no fault to me. The law itself was not offended at any point. EX Wanda is the law and Ruby is grace. Wanda is doing a job for us. If you don't want Wanda and you fire Wanda and hire Ruby you have offended Wanda. He didn't do that. God is the Author of the law. Nothing wrong with the law intrinsically. It just wasn't built to save you, sanctify you, for you to produce fruit unto holiness. Just built to show you how bad you are. God says I have got to get you out of this thinking that the law has something to do with this. You are not under the law legally but there's an attachment because of your flesh. I AM going to take you completely out, I AM going to crucify your old man. If Wanda dies, you can replace with Ruby through no fault. God has done everthing so the law can't say You violated the law putting these people under grace. The law will say, wow, the relationship I had with them was totally dissolved. I not only can't obligate them anymore and they didn't offend me at all by this position coming about but they actually are free now to start a new relationship with grace and all of that was done for you the moment you said I trust Jesus to be my Savior - bang! All of that got applied. The only thing we ever knew though was He forgave my sins and He is going to be mad if I get a whole truckload of stuff (GH: and not use it). Steps in this first application: 1. You've become dead to the law by the body of Christ 2. Death looses you from the law. 3. Death frees you to enter a new relationship and that has already happened when you trusted Christ.
Romans 7:4-6	Application: Dead to the Law	v4: BECOME DEAD TO THE LAW BY THE BODY OF CHRIST: But the law is nullified for believers. v4: YE ALSO ARE BECOME DEAD TO THE LAW: He is saved when you were in that unsaved, unjustified condition, it's like you are married to the law, you were under its condemnation. But now that you are saved, you are DEAD TO THE LAW. When someone dies the marriage is dissolved. Now, you are married to another, to Him that was raised from the dead = that's Christ. And if you are in Christ, you are dead to the law.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 7:4		4 Wherefore, my brethren, ye also are become dead to the law by the body of Christ; that ye should be married to another, even to him who is raised from the dead, that we should bring forth fruit unto God. Brings us to the APPLICATION section. WHEREFORE: Word of logic - in view of what we just said. Because of the illustration I gave you my brethren, you are become dead to the law by the body of Christ that you should be married to another. She got married to another. It's a whole new relationship. That's the point. BRETHREN: Jews that know the law or Gentiles with a legal mind. Not the Church, the body of Christ. It's a specialized group. How do we know MM is right here? Because you have yet to be introduced to that terminology - the Church, the body of Christ. Didn't happen in Romans. YE ALSO ARE BECOME DEAD TO THE LAW: Every single word of that is important. YE: you plural - all of you. ALSO: He just gave the marriage illustration so he's going to that. ALSO means in the very same way in the very same degree. What happens there is also what happens here. ARE BECOME: Points to a grace process. It is something you didn't do, it was done for you. ARE: right now
Romans 7:4		4 Wherefore, my brethren, ye also are become dead to the law by the body of Christ; that ye should be married to another, even to him who is raised from the dead, that we should bring forth fruit unto God. BECOME DEAD TO THE LAW BY THE BODY OF CHRIST: Not the Church the body of Christ. Paul is making an analogy - just like a woman who is married to a husband. As long as married, she's bound by the law to her husband and can't be married to another. But here's the beauty. If her husband dies, she could be married to another even though she is still alive. If something causes the law to be dead to you, you are now free. No longer bound by that law to be married to another. That's the point he is going to make. It was the law, but now it's grace. Will cover in Corinthians, but not talking about us being married to Jesus and being the Bride of Christ. That's a Jewish thing. He is using the marriage analogy just like you would in a conversation where you are already using the illustration and you pull that out of the illustration and put it right. Like telling your son to focus on his homework is like playing baseball, you have to focus and keep your eye on the ball. So when you go to class tomorrow, hit the ball. He's not really taking about getting up in class and throwing the ball up and smacking it in the middle of English class. He's talking about the marriage illustration and you are going to be married to another. You are no longer bound to this thing about the law. Now, that's going to be under grace. BECOME: You are dead to the law - that is what's happened. DEAD TO THE LAW: The very next thing he tells you. LOOSED (v2) -> FREE (v3) -> DEAD (v4). Already taken place and is a present reality. Not WILL become. You are no longer bound to that even though you are still alive. That is our relationship to the law, we are dead to it. EX Gangster saying 'Tony's dead to me.' Saying that's done, no connection. If your Father tells you that, can you count on it? MM says of course. Asking us to RECKON it to be true, even though that word is not used.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 7:4		4 Wherefore, my brethren, ye also are become dead to the law by the body of Christ; that ye should be married to another, even to him who is raised from the dead, that we should bring forth fruit unto God. BODY OF CHRIST: Jesus Himself procured/consummated at His death, burial, and resurrection. Dead to the law - how? By the Body of Christ. Talking about what Jesus did in His death, burial, and resurrection. When He arises from the dead, He has a whole new relationship with the law. Because he was made a Man and fulfilled the law to every degree, but upon His death, burial, and Resurrection, something changed in that relationship. From that point on, there was a new relationship with grace. You are fully identified with Him so when the Father looks at you, He doesn't see your righteousness/eternal life/sanctification, He sees the perfect righteousness/eternal life/sanctification of Jesus. There's full identification with Him. Because you were baptized into His death, buried with Him in baptism, raised to walk in newness of life - you are fully identified with Him. Identification with Him gave you: - His righteousness - Eternal life - His sanctification When Jesus, dies, buries, and resurrects - wouldn't question this unless you were looking at a verse in the future - Jesus was made of a woman, made under the law to redeem them that are under the law.
Romans 7:4		4 Wherefore, my brethren, ye also are become dead to the law by the body of Christ; that ye should be married to another, even to him who is raised from the dead, that we should bring forth fruit unto God. BODY OF CHRIST: It's His Son's. There's a full identification with Him. He got this new relationship through what He did and His work on the Cross and that's what got provided for us to get as well. Why it is all given to us by grace. It is not what we are going to do ourselves at all. He's not telling you that you are going through a wedding ceremony. MM said for years we were the Bride of Christ and that's not right. That's an Israel term. He is using this terminology because that is the illustration that he is taking it out of. EX Teaching your son to bat. Later, teaching him something else and use the baseball analogy. 'I grounded out to the shortstop.' -> I didn't get there. Every once and a while, MM thinks he got on base. 'I taxied that plane up and down the runway for 2 sessions and it never got off the concrete'. Understand the analogy here. Consummated at His death, burial, and resurrection. To bring forth fruit, you had to be made dead to the law. You had to be made dead to sin. God took everything that you were under sin - unrighteous, enemy of God - and crucified it put it to death. God knows to enter into a new relationship, there has to be the death of the old one. Otherwise, you are going to be married to two at the same time and He said that won't work so I AM killing the old one. Now, we are free to enter the new one. God has not arbitrarily canceled the law and said we are under grace. He did the process He legally satisfied all the demands to do it, and deliver us from it, and to put us under grace. The analogy provides for another relationship to be established since the first one ended with a death. You are dead to the law, and Paul is saying that is how you ended up under grace.

Romans 7:4		4 Wherefore, my brethren, ye also are become dead to the law by the body of Christ; that ye should be married to another, even to him who is raised from the dead, that we should bring forth fruit unto God. THAT YE SHOULD BE MARRIED TO ANOTHER(phrase 1): How you end up being under grace. SHOULD: Ought to - no guarantee. EVEN TO HIM WHO IS RAISED FROM THE DEAD(phrase 2): Emphasizes who we are IN Christ. Ties back to our being identified with Him in His death, burial, and resurrection. The same thing that happens to Him is going to happen to us. We have a sanctification just like His. THAT WE SHOULD BRING FORTH FRUIT UNTO GOD(phrase 3) SHOULD: Ought to - no guarantee. What you are supposed to be doing. Ties to the SHOULD NOT SERVE SIN in Romans 6:6. The whole doctrine is given unto you so that you can do that which you are supposed to do. What you should be doing, doesn't necessarily mean that you will. What every Christian should be doing, what a minority of Christians are doing. Doctrine of DEAD TO THE LAW. FRUIT UNTO GOD: The only fruit that God can accept is fruit that is produced by His perfect righteousness. Take the commas out - whole reason for making you dead to the law is so you can bring forth fruit unto God.
Romans 7:4		4 Wherefore, my brethren, ye also are become dead to the law by the body of Christ; that ye should be married to another, even to him who is raised from the dead, that we should bring forth fruit unto God. We get to remain alive physically and we have applied us to the status of death to the law. More than 1 person involved here - there's 2 - just as the marriage relationship. Needed the death of the second person. Our freedom from that law got applied to us because of the death of the other person in this equation and that's the death that He dies on the Cross. He could pay for sins and suffer the wrath of God while He was living on the Cross but we are discovering another reason He had to die. Remember, He said 'it is finished'-John 19:30 as far as God's is concerned - His wrath had been totally satisfied against sin. His justice requirements have been met. You think Jesus could come down off of that Cross at that point. Now realize that there's something in dying and being buried and being resurrected that He is providing for that just sufferings for sin didn't do. When He is in the tomb, He is not suffering for sins. That's something that has already happened. He is dying a death so He can identify us with that death to make sure that this new relationship doesn't become an adulterous relationship and put on top of one that we are already in. That old thing with Adam - done away Now you have a new one. The new thing in Christ. The old relationship to sin done away. Now have a new one. The old relationship to the law, done away. Every bit of this is part of the salvation package of things that got taken care of so He could do this without offending the law in any way whatsoever and so we could have a functional life that is in every way different than the way it could ever have been before. If all you did was get justified and still living under Adam, living that sanctified life is a whole different animal. You have to have a functional life that is not under the law but under grace so it can produce something that God is pleased with.

The analogy provides for another relationship to be established since the first one ended with a death. You are dead to the law, and Paul is saying that is how you ended up under grace. Our freedom from that law got applied to us because of the death of the other person in this equation and that's the death that He dies on the Cross. He could pay for sins and suffer the wrath of God while He was living on the Cross but we are discovering another reason He had to die.
Romans 7:5-6		Because we are dead to the law and had to be made that way, the law has ZERO capacity/no power to bring forth fruit unto holiness. Only grace has the ability to so that. Why an unsaved person can't produce fruit unto holiness but produce fruit unto death instead. See how dangerous the law is (talking sanctification), will kill your sanctified life. In justification, the law is so dangerous that it will send you to the lake of fire. If you think you will be saved by keeping the law, you wind up in the lake of fire. The law didn't put righteousness into motion, it put sin into motion. The law doesn't produce fruit unto holiness. The law produces fruit unto death. What you produce by the law is totally rejected by your Heavenly Father and because it's rejected by Him He wants it totally separated from Him and He doesn't want it around Him. God is saying, if it is in the flesh, it means nothing to Me. These last 2 verses (v5-6) will need to define/look at things to make sure we don't mis-identify things when we read these phrases. Because we are dead to the law and had to be made that way, the law has ZERO capacity/no power to bring forth fruit unto holiness. Only grace has the ability to so that.
Romans 7:5-6		10 detrimental things the law does in 2 verses - harsh, offensive, almost insulting things said about the law: 1. The law operates in connection with our flesh - To be under the law you have to be “in the flesh.” - v5 2. The law was the mechanical means by which sins were put in motions. The law gave sin motion. THE MOTIONS OF SINS - v5 3. The law produced fruit unto death - The law worked in our members, NOT to bring forth fruit of righteousness unto holiness, but to bring forth fruit unto death. The law worked in us to produce FRUIT UNTO DEATH. - v5 4. The law was so dangerous to our sanctified, functional life position IN Christ that we had to be delivered from it - So dangerous was that law to your sanctified life that you had to be DELIVERED-v6 from it. 5. The law held us in a position of imminent peril and personal danger - Under that law you were HELD-v6 or imprisoned on charges awaiting execution. 6. The law compelled us to serve God by fear.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 7:5-6		7. The law is the opposite of how we should be serving God. 8. The law fails to contain the proper information we need to operate on in this dispensation of grace. 9. The law is old and useless to put our sanctified position IN Christ into effect. 10. The law will put your sanctified, functional life IN Christ to death. Your heavenly Father is trying to convince you to not employ the law in any part of your life. Like a plague. Don't come near it. The “oldness of the letter” (needed grace thinking instead) of that law cannot be operating in your spirit, you have to have something new operating there—newness of thinking in your human spirit—grace thinking, instead of old letter law-type thinking.
Romans 7:5		5 For when we were in the flesh, the motions of sins, which were by the law, did work in our members to bring forth fruit unto death. FOR WHEN WE ARE IN THE FLESH: Still dealing with the second objection. Argument was to undo the idea that the law was permanent. When you read, think - in Adam, sins. WHEN WE WERE IN THE FLESH: Requires explanation. When you read, think - in Adam, sins. The flesh cannot serve God. WHEN WE WERE: Tells you something that is no longer true for you right now. IN THE FLESH: Only the second time this has occurred in the Book of Romans and the way it was used the first time was a little different than here. Rest of the verse will help us define this. Tendency to view as the way we were in Adam. The Bible says when you are under the law, you are IN THE FLESH. Keeping any part of that law because its the law is living for God in the flesh. Implementing any part of the law is attempting to serve God in the energy of your flesh. IN THE FLESH doesn't always mean these things - have to look at the context that it was used. Not talking about before salvation, he is talking about when he tried to live his life according to some rule. Saying when we were working in the energy and capacity of our flesh, doing the best I could do, because the law empowered sin to exceed my efforts and work in my members to produce fruit unto (functional) death. THE FLESH: Not talking about before salvation, he is talking about when he tried to live his life according to some rule.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 7:5		5 For when we were in the flesh, the motions of sins, which were by the law, did work in our members to bring forth fruit unto death. THE MOTIONS OF SINS: Both of these words are plural. Explains why you can do the same thing a lost person does and God counts it as fruit unto holiness for you and nothing for a lost person. It is absolutely fair. The reason people don't see it as fair is that we don't see the whole picture yet. We think it is just about the action and that's not it at all. God's looking at something much more important and much bigger than that. As we live this life according to our sanctification, we're going to do things that please God so much it is impossible to describe how He feels about it. MOTIONS OF SINS are a product of the law. The law produced this thing called the MOTIONS OF SINS. MM says that language is pretty straightforward. The law is what puts sin into motion. Could say the law gave sin the ability to move around. He is counter-acting the other idea that we have and that is the law restrains sin. It doesn't do that. The law puts sin in motion. We mistakenly think the law puts a ball and chain on sin. The law doesn't tie sin up, it gives it motion. Paul is saying when you introduce the law into your sanctified life, you just set sin free, you didn't restrain it. You put it in motion, you didn't fence it in. You left the gate open for it to run wild and go wherever it wants to go. Notice the two plurals. It is not 1 sin, it is all kinds of sins. Not just A motion, it is all kinds of motions. The law does the opposite of what people think it does. Instead of preventing sin, it is the means by which sin goes into motion. If you read Christian books or watch Christian TV today, one of the popular ideas is to implement some part of the law into your Christian life. Debate on the range is really broad, to the point we ought to be conducting ourselves like Jews, and every service is done that way. Preachers will say the reason you have trouble in your life is that you have sin in your life and quote Leviticus. If you employ the law to try and live unto God, then you set sin free to run loose and you're now in the flesh. If you are taking this to the logical conclusion, MM has just said a frightening thing to you. MM says if you say it like this, no one would argue: No one can, by the capacity of their flesh, utlizing the law, produce fruit unto holiness that God can produce by grace. The motions of sins work IN us to produce functional death.
Romans 7:5		5 For when we were in the flesh, the motions of sins, which were by the law, did work in our members to bring forth fruit unto death. THE MOTIONS OF SINS: There's no way your flesh can produce that which God's own righteousness can produce. The flesh does not have the capacity to do anything equal to what God can do. What v5 is teaching us. Giving you all this on why the law won't work. You have been told you are dead to the law and dead to sin and it had to be that way, because that is what gives sin motion. MEMBERS: Are the parts of your body that do things - feet, arms, legs, etc. When the Bible uses the word members, it has the idea of implementing something or putting something into practice. It's not just an idea, it's about actually doing something. WHICH WERE BY THE LAW

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 7:5		5 For when we were in the flesh, the motions of sins, which were by the law, did work in our members to bring forth fruit unto death. DID WORK IN OUR MEMBERS TO BRING FORTH FRUIT UNTO DEATH: We know we are supposed to bring forth fruit unto holiness. FRUIT UNTO DEATH: You do produce fruit, but it is not fruit unto holiness. When we employ the law to live for God, we are attempting to serve Him in our flesh. The result of that is we bring forth fruit unto death. Paul is talking about functional death, not eternal death. We are under the law, operating in the flesh, not restraining sin but giving it freedom to go into motion. And when that happens, your members start producing fruit unto death. Because you have been made dead to sin(Romans 6:2) and dead to the law(Romans 7:4), we have the capacity to bring forth fruit unto holiness that will have everlasting life (Romans 6:22). He HAS appointed a day in which He will get rid of that fruit and separate it from Him - Judgment Seat of Christ, where everything that has been done will be tried by fire - the stuff done in the flesh will be burned up as wood, hay, and stuble. We want to produce fruit unto holiness because God Is HOLY. When you produce fruit unto holiness, God says I want that around Me. No matter what it is or how good it is. Doing it by the law is in the flesh, it is unacceptable to God, and He considers it fruit unto death. God is not kidding about this like he is not kidding with the guy that says, 'I am going to work my way to Heaven'. We do not want to spend our lives building up something that's going to go through the refiner's fire and be burnt up.
Romans 7:5		5 For when we were in the flesh, the motions of sins, which were by the law, did work in our members to bring forth fruit unto death. MM is not talking about hell/lake of fire. The law didn't put righteousness into motion, it put sin into motion. The law doesn't produce fruit unto holiness. The law produces fruit unto death. What you produce by the law is totally rejected by your Heavenly Father and because it's rejected by Him He wants it totally separated from Him and He doesn't want it around Him. Our (GH: fleshly) tendency is to say look at the work I am doing. Look at what a good thing this is. Look at how hard I am trying. God is saying, if it is in the flesh, it means nothing to Me. People think if I try really hard, I can produce the equivalent of what God accepts, but you cannot. Paul is showing us here that the flesh using the law produces the very opposite of what we are trying to do. Shocking truth that you have to be told about. Normal reaction of the flesh is to be enraged that I could spend my life doing good stuff and God is going to say at the end, it doesn't mean anything to Me. He is saying I don't need you to invent a way to please Me, I have given you a way to please Me. It's not the best of several options, it's the only option.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 7:5		5 For when we were in the flesh, the motions of sins, which were by the law, did work in our members to bring forth fruit unto death. FRUIT UNTO DEATH: MM says there is a lot of fruit unto death being produced by saved people. Could call it rotten fruit. What is God going to do with that? He HAS appointed a day in which He will get rid of that fruit and separate it from Him. Not saying a person is going to lose their salvation. Hard thing to get over. People think if they are sinere, that's good enough. Only thing that will survive is that performed under grace, not under the law. MM is sure Cain was sincere and Saul was sincere. But sincerity is not the test. For generations there has been a famine of preaching on grace. Functional Life: How you live your life everyday. We are in sanctification so Paul is talking about functional death, not eternal death. It's all been about the law or going back to the law or taking an O.T. verse and bringing that into present day and applying it to that situation that didn't have anything to do with what the actual law had to do with. They make the application of the law and then pretend that's doctrine. That's very dangerous. People feel guilty and they do things about that. Ought to be the greatest motivation you have to not be under the law (because the law can't restrain sin and promote good). You can now produce fruit unto holiness and God said that is going to stick around forever. We live in an age where exciting stuff comes along and then later we look back and say, what now? With your Heavenly Father, if it is holy, He never gets tired of it and it will be around forever.
Romans 7:5		5 For when we were in the flesh, the motions of sins, which were by the law, did work in our members to bring forth fruit unto death. DEATH: **Is a separation. Everyone lives forever, it is just a matter of where. If God considers something as death, He doesn't want that around Him. (GH: Because God is LIFE.)** - Eternal: Separation from the heavenly places and the lake of fire. - Functional: Separation from your sanctified life. **Here Paul is saying we are under the law, operating in the flesh, not restraining sin but giving it freedom to go into motion. And when that happens, your members start producing fruit unto death**. MM looks at this verse and sees the law as very dangerous to us. v6 will be even more. God is saying that thing you produced under the law in your flesh, I want it separated from Me. I want it away from Me. Put that out. God is saying there is nothing about that I want, it was produced in your flesh and you did it under the law which killed your sanctified life. God isn't looking at that and saying you did a bunch of really good stuff. He is looking at that, and saying 'unclean'. Get that out of My presence. We want to produce fruit unto holiness because God Is HOLY. When you produce fruit unto holiness, God says I want that around Me. I love that. He sets it up on His desk, He says I love that. I want to keep it out where I can see it. Bottom line: The law frees sin up to have its way. It's not about limiting us. It's the only way we can live a sanctified life.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 7:5		5 For when we were in the flesh, the motions of sins, which were by the law, did work in our members to bring forth fruit unto death. In connection with the law: 1) “the motions of sins” - the law was the mechanical means in our flesh by which sin was put in motion—free to move about unshackled. 2) “fruit unto death” - the law worked in our members to bring forth fruit unto death. Nutshell: Putting ourselves under the law can only produce fruit unto death. MM said he is not sure he could preach this sermon in a lot of places. Now you understand why God HAD to make you dead to the law. Because there is no way to produce that sanctified life by the law. Preachers will say do you really want to please God? Let's go over to Leviticus...we are no longer going to eat catfish (no scales - unclean). No longer going to eat ham sandwiches because of pork (unclean). MM said God is not pleased by that. That is not what He is looking for from you. Keeping any part of that law because its the law is living for God in the flesh. Implementing any part of the law is attempting to serve God in the energy of your flesh. God will tell you that won't work for your sanctification anymore than it did for Israel's - that's rejected.
Romans 7:6		6 But now we are delivered from the law, that being dead wherein we were held; that we should serve in newness of spirit, and not in the oldness of the letter. It's more than dealing with objections. It is actually equipping you to live the way you should live your daily life. BUT NOW WE ARE DELIVERED FROM THE LAW: In v4, told DEAD TO THE LAW. Not just repeating what he said, Bible is telling you a little something further. True in what Jesus did in providing our sanctification. BUT NOW: The really good news - you are dead to the law. He has delivered you from that law. The issue that is supposed to be in your thinking now is this and He is going to show you how to do that, **it's grace thinking - what He calls newness of spirit. It's the issue of recognizing who you are in Christ by God's grace and being motivated by that**. Means you responding in your daily life consistently with who you have been made to be in Christ. Who grace has made you to be. Now being delivered from the law, you can serve in newness of life. It's the only way you will ever serve God properly. He is going to give you new information that will operate in your human spirit that will allow you to do that fruit unto holiness which is going to last forever.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 7:6		6 But now we are delivered from the law, that being dead wherein we were held; that we should serve in newness of spirit, and not in the oldness of the letter. DELIVERED: Saved - root word of delivered - to run to a person's assistance in the moment of difficulty to save and make safe. Because there is a real, personal, imminent danger with the utilization of the law in our sanctified life. MM says God is so concerned about how you think you're supposed to live this sanctified/Christian/spiritual life, He wants you to see that the law is dangerous to you. It puts that in peril as far as your sanctification goes. He is trying to show you this is not just semantics or trying to be technical. He is trying to say your functional life is going to get put to death over this issue and you are going to produce fruit unto death and all of that is going to be destroyed. He wants us to produce fruit unto holiness and there is only one way to get that done. He delivered us from the fruit unto death, that is the only thing the law could produce. He wants you to see that the law is dangerous to you. He is trying to say your functional life is going to get put to death over this issue and you are going to produce fruit unto death and all of that is going to be destroyed. THAT BEING DEAD WHEREIN WE WERE HELD: Dead to the law and dead to sin - being identified with Christ in His death, burial, and resurrection. HELD: The way you were before, you were being imprisoned by this thing. Like being held awaiting my sentence to be carried out. Were held on those charges. This is the very dangerous position MM talks about. Not that you will lose your sanctification - that's impossible. But what you were supposed to accomplish in your sanctification - fruit unto holiness will never be accomplished unless you were made dead to the law, dead to sin.
Romans 7:6		6 But now we are delivered from the law, that being dead wherein we were held; that we should serve in newness of spirit, and not in the oldness of the letter. THAT WE SHOULD SERVE IN NEWNESS OF SPIRIT, AND NOT IN THE OLDNESS OF THE LETTER: Begin to get introduced to the concept of flesh vs. spirit here. Instead of the flesh, going to serve in newness of spirit. It is a small s. It's your human small s spirit. IMPORTANT: All newer translations lead you away from the truth this verse is trying to teach you. Most of the commentaries are going to take you away from this. Newer translations take the word spirit and put a capital S on the front of it. Makes it Holy Spirit. MM said it is a small s. It's your human small s spirit. WE SHOULD SERVE IN NEWNESS OF SPIRIT, AND NOT OLDNESS OF THE LETTER: You are told that you won't serve in "newness of spirit" by keeping the law, but you aren't told too much about how to get that newness generated in you. The only thing you knew about "newness of spirit" was to serve God out of the new identity you were given. SHOULD: What you ought to do, not necessarily what everyone does do.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 7:6		6 But now we are delivered from the law, that being dead wherein we were held; that we should serve in newness of spirit, and not in the oldness of the letter. NEWNESS OF SPIRIT 'grace thinking': Saw newness in NEWNESS OF LIFE-Romans 6:4. A furthering of the concepts that you got. Newness of spirit is what you are going to operate on from now on: - a new system of thinking - a new operation in your inner man/little s spirit It's opposed to the law/flesh/etc. In contrast to the performance system of the law. Obey the law, get physical blessings. MM asks how many people still do that? Airwaves are full of people preaching that gospel and people that are suffering tend to gravitate to that gospel. They are counting on that. Women living alone on Social Security that are sending in their money, sowing a seed with the hopes of a 100-fold increase. Didn't have anything to do with money when it was told to Israel. They are being fooled by this. Not saying these people are willing servants of Satan but it sure cooperates with what he's trying to do. Pull the wool over on everybody and a law performance system with blessing & cursing associated with it and you're going to curtail sin and promote righteousness. God is saying I am going to give you a whole new system of thinking about this. Anything that is not familar seems so strange that people have a hard time wrapping their heads around it. Don't hear preaching on grace anymore. All we hear is you need to do good or you need to try harder. Because we don't understand grace. Even here, MM hasn't done nearly what he is going to do with grace.
Romans 7:6		6 But now we are delivered from the law, that being dead wherein we were held; that we should serve in newness of spirit, and not in the oldness of the letter. OLDNESS OF THE LETTER: Ever heard of the letter of the law? Reason he didn't just say 'not in the law'. The “oldness of the letter” (needed grace thinking instead) of that law cannot be operating in your spirit, you have to have something new operating there—newness of thinking in your human spirit—grace thinking, instead of old letter law-type thinking. Even when God gave the law, it was under the motivation of fear (Exodus 19:16-19; Exodus 20:18-20). OLDNESS: Also, notice this he talks about the OLDNESS: 1. The law 2. Old Covenant 3. Now he is giving you something NEW - implies that which is old is going to be done away with. Exactly how you are supposed to see it so you understand you are not going to serve under that law at all. The law can never speak to your human spirit the way grace can. It can never produce in your spirit what grace can. It's impossible for it to do that. Now God wants something inside you and your inner man that the law was never designed to do. The law doesn't give you any information about how to function as a member of the new creation of the body of Christ. Had to have a whole new Sonship curriculum given to use to tell us how we are going to operate. The law doesn't contain any of that. If you were an Israelite, you learned some things on how you will operate in the Kingdom. LETTER: Letter of the law means the way the law went about doing its job. Paul is talking to them that know the law so they know how it was structured to go about doing its job and that's what he's talking about. He doesn't just generically say 'the law'.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 7:6		6 But now we are delivered from the law, that being dead wherein we were held; that we should serve in newness of spirit, and not in the oldness of the letter. Now, you will operate a whole different way in your inner man and it is going to be by grace and not in the OLDNESS OF THE LETTER. God wants you to start thinking about this in a whole different way. When you do, you understand that God is not cursing you because you messed up. EX I did this and God wasn't happy. That's why I got a flat tire. If you were Israel, you might have broken a chariot wheel, but you are not under the law but under grace. You don't have fear as your motivation. Fear drives you. Scripture says that in several places. Now, you will operate a whole different way IN your inner man and it is going to be by grace and not in the OLDNESS OF THE LETTER.
Romans 7:7-12	Misunderstanding 1: 'Is the law sin?'	**1st Misunderstanding About the Law: Is the law sin? No - nothing wrong with the law. The problem is with sin and our members. God gave that law to perfectly function as the exposure factor that it was**. Does the law restrain sin and promote righteousness? No but it is not supposed to. Does it show us how sinful we are? Yeah, it's a power screw driver. Two errors here: 1. Read and say 'I believe the commandment is holy and just and good' therefore in order to live my sanctified life, I am going to use the law. Mistake. 2. Go back to verses 5 & 6 and get the idea the law is sin. Pendulum swing too far in both directions. Reason it is looked at as a bad thing - if anyone saw it that way, they thought it was supposed to produce their sanctified life. When they realize it does not/cannot, they think it is bad. Paul is going to show that the law is good because it does do exactly what it was intended to do. ILLUSTRATION: There's a nail sticking out and you need to hammer that nail in and the only tool you have is a screw driver. You know you can't screw it in so the only thing you would do it grab it by the tip and whack it with the handle. Probably not very successful. If you tried unsuccessfully for 15 minutes and yelled, this is a worthless screw driver!
Romans 7:7-12	Misunderstanding 1: 'Is the law sin?'	Does that mean the screwdriver itself is bad? No. Just means you're trying to make it do something it wasn't designed to do. That's the point that Paul is going to make about the law. Does the law restrain sin and promote righteousness? No but it is not supposed to. Does it show us how sinful we are? Yeah, it's a power screw driver. MM says he has been in it, has done it, and understands the thinking here. Really does. When you preach a sermon, you want to motivate people to do those things that are pleasing to God and you want them to view sin as something to leave behind and turn away from. Now, the motive is good but when you don't understand how to rightly divide the Word of Truth, you begin to take verses that run all from back in the O.T. and read them in your sermon. Or take something from the Gospels, even more likely. That's still under God's program with Israel. Wrong interpretation: The law is bad. You can't use it to live for God. The law makes you functionally dead. The law puts you in the flesh. The law gives sin motion. The law produces fruit unto death. Law...Bad.
Romans 7:7-8		Paul making this personal in these verses - v7: I...I' v8: ME

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 7:7		7 What shall we say then? Is the law sin? God forbid. Nay, I had not known sin, but by the law: for I had not known lust, except the law had said, Thou shalt not covet. WHAT SHALL WE SAY: MM thinks “speak” has to do more with official teaching, while “say” just has to do with everything else. IS THE LAW SIN?: First misunderstanding. Would look at v5-6 and have a tendency to say, well, the law was terrible. So terrible you would say the law is sin, because that's what it did. GOD FORBID: Strongest way of saying NO in the N.T. NAY: Paul says there is nothing wrong with the law itself. The problem is, you can't perfectly keep the law, that's the problem. So if are ever going to try and use the law to be justified, you are never going to be justified. Paul said there were things he didn't know were sin until he saw it in the law - cites the 10th commandment - covetness. FOR I HAD NOT KNOWN LUST, EXCEPT THE LAW HAD SAID, THOU SHALT NOT COVET: From this we understand that not just covetousness is sin, but any violation of the righteousness of the Law is sin. Then gives you his sin and the commandment that showed his sin. When I saw something that belonged to someone else and I wanted it. I didn't know that was a sin until the law told me thou shalt not covet. This is an abbreviated form of this commandment (Exodus 20:17). It does not say anything explicitly about lust.
Romans 7:7		7 What shall we say then? Is the law sin? God forbid. Nay, I had not known sin, but by the law: for I had not known lust, except the law had said, Thou shalt not covet. I HAD NOT KNOWN SIN, BUT BY THE LAW: You knew what sin was before you knew about the law of Moses. Paul is not saying he didn't know what the word meant. You knew as a kid you had done things wrong without the law telling you. Paul is making a point about the law. He is going to tell you that the law is so good at its job it was showing him that sin that he didn't know was sin when he was doing it. He is not saying I didn't know I had sinned as I was doing things I didn't know were a sin to God. The law came along and told me that. Lust has a bad connotation (not always bad - Galatians 5:17) but bad in this case. Paul is giving you an example here. The Law is what makes sin stronger and more obvious.
Romans 7:8		8 But sin, taking occasion by the commandment, wrought in me all manner of concupiscence. For without the law sin was dead. Paul is saying the law showed the very rottenness that was in me and he understood how sinful I was. What I was capable of harboring in my mind, not just doing, and allow that film reel to play itself out. Paul is making something very personal here. He's giving an illustration out of his own life (not third party stuff). Saying let me tell you what happened to me, giving you an example out of his own personal life. Many times when a preacher preaches, he gives an example out of his own life. He is illustrating it and saying here's what happened to me. Paul is saying here what happened to me Paul is I didn't know lust until I read over there, that 10th commandment, thou shalt not covet. When he read that, the next thing he says, I began to see things that were wrong with me and with what was going on with me and they were terrible/extremely sinful in the sight of God. That's the reason why the law was given. To show people just how sinful/really bad they really are. When you really understand how bad you really are, you understand your need of a Redeemer and that is supposed to bring you to Christ.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 7:8		8 But sin, taking occasion by the commandment, wrought in me all manner of concupiscence. For without the law sin was dead. Clears up when you read the verses that come after this one. Turn the verse around - FOR WITH THE LAW SIN WAS ALIVE. Saw verses that the law gave sin motion and freedom to do what it wanted to do. Paul is saying if I don't utilize the law on my functional life, if I say no to the law, sin is dead. You know you have been made dead to sin. As long as you utilize the law, sin is alive. The only way for this truth for you to be dead to sin is to not utilize the law in your functional life. The death Paul is talking about is functional death. - Without the law in me, sin is functionally dead. If I am not going to utilize the law, sin doesn't not have power to do the thing it wants to do. Wasn't the commandment that was the problem, it was sin taking occasion by the commandment. Commandment just revealed it. Sin took that thing and wrought all manner of sin in us. Opposite of what most saved people think.
Romans 7:8		8 But sin, taking occasion by the commandment, wrought in me all manner of concupiscence. For without the law sin was dead. All the commandments are made to not just highlight one single area but to highlight lots of areas so we understand just how sinful we really are. Paul is making a personal example of himself. Before the law was given, men were aware that they were sinful and aware that they were sinning. Knew they were being ungodly/were not honoring God. Knew what unrighteousness/wickedness was in the sight of God. MM says sin was active enough in the world that God destroyed to world in a flood - down to 8 people.
Romans 7:8		8 But sin, taking occasion by the commandment, wrought in me all manner of concupiscence. For without the law sin was dead. BUT SIN, TAKING OCCASION BY THE COMMANDMENT: New versions replace OCCASION with OPPORTUNITY. There's a difference. Sin took advantage of an opportunity that was there and when it took advantage, it was taking occasion. It did it, it wasn't just a possibilitiy. It was that it was going to. So every time sin gets the opportunity, it acts on it and that's what Paul is talking about. The law began to reveal to him that sin goes to work in a way and shows things to be there that before he did not even know was sin. Simllar to FOR SIN, TAKING OCCASION BY THE COMMANDMENT-v11. OCCASION: More certain than opportunity. Is that which action is taken upon and it is done. EX If you do you took the occasion to go to the grocery store. - Opportunity: May present itself but it doesn't mean you've done anything with it. EX When you leave here, you have an opportunity to go to the grocery store on your way home. Doesn't mean you will. Don't take advantage of every opportunity, WROUGHT IN ME ALL MANNER OF CONCUPISCENCE: Purpose of the commandment is to make sin known. Paul reads through the commandment and I find out I don't know. WROUGHT: Formed by hand, like wrought iron. Made. Produced.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 7:8		8 But sin, taking occasion by the commandment, wrought in me all manner of concupiscence. For without the law sin was dead. ALL MANNER: Not just 1 or 2, all kinds of concupiscence. CONCUPISCENCE: To lust after, or desire. A word that comes from the mythological Roman god - named after the root of that word - Cupid - chubby guy on Valentine's Day cards. Cupid was a rauchy, debauched god of their own fabrication. Ruled as the son of night and son of hell. He carries 2 kinds of arrows: 1. gold headed arrows were supposed to inspire love 2. lead headed arrows were supposed to inspire hate. Word came to be known for someone with an abnormal sexual appetite. MM breaks the word down: Wholly & totally given over to the desires of sinful lusts. Someone totally overcome in the pursuit of pleasuring their senses. Today's word - hedonism. Someone who has that kind of lifestyle. Someone who is totally consumed mentally. FOR WITHOUT THE LAW SIN WAS (functionally-without the law, sin has nothing/can't get traction/can't get motion) DEAD: Normal/Common way people see that verse is before the law sin was dead. That doesn't work. The verse didn't say before, it said WITHOUT. Some would say before the law nobody knew what sin was or sin was less active. That's not true either. Point: Sin didn't originate with the law. Paul does not say before the law sin was dead. He means exactly what he says. - Functional life: when your sanctified life is being utilized. - Functional death: when you try and take the law and try to live for God under the law, putting your functional life to death.
Romans 7:9-11		Paul is talking about a JUEL person trying to put a sanctiifed life into practice by utilizing the law. God sets him up as an example. Also an ensample. Not just semantics.
Romans 7:9		9 For I was alive without the law once: but when the commandment came, sin revived, and I died. The law has no place in your life now. It doesn't have the power to do anything for you. It just shows you what a sinner you are. You're going to change your thinking from law thinking to grace thinking. Paul is giving a testimony - I WAS (functionally) ALIVE WITHOUT THE LAW. Not even the apostle Paul, a fully educated son, could get ahold of the law and cause it to work. God made Him do that so he'd have first-hand testimony to talk about that. Paul is talking as a saved person who tried to change from grace to the law as an ensample for us. God had Paul experience things and write to us about it so that we wouldn't just have someone's word for it, we would know this firsthand this is exactly how it happened. MM is not throwing stones/second guessing people's motives/commenting on whether they are a good person, what he is saying here is I don't care how big a ministry they have, if they are putting you back under the law to any degree they are putting your functional life to death. Everything Paul is talking about here is AFTER he is JUEL. AFTER he was saved.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 7:9		9 For I was alive without the law once: but when the commandment came, sin revived, and I died. FOR I WAS (functionally) ALIVE WITHOUT THE LAW ONCE: Remember we are in sanctification/functional life & death. There are other kinds - physical life/death, eternal life. Context. Paul talking his functional life, functioning just fine without the law. As soon as he tried to take ahold of the law, sin revived and he died (functionally). Paul gets the revelation of the mystery and all of this revealed to him and then God says here is what I WANT you do do. You know the law has no place in your life now. It doesn't have the power to do anything for you. It just shows you what a sinner you are. Here's what I WANT you to do. You're going to change your thinking from law thinking to grace thinking. To prove this, here is what He is going to say to Paul - I WANT you to try and live this life by implementing the law. ALIVE: Can't change gears and go from functional life to physical life unless he tells you.
Romans 7:9		9 For I was alive without the law once: but when the commandment came, sin revived, and I died. BUT WHEN THE COMMANDMENT CAME: When he went back and grabbed ahold of the commandment (the law), sin revived, and he (functionally) died and I couldn't live unto God under that Law. Paul is saying, God made me do this so I can give you first-hand information that I am doing great without the law. I'm alive. Then the Lord said, hey I WANT you to do this, you are going to talk with authority on this, you are going to see it. That's what he was talking about here. Paul goes back and grabs hold of the law - spawns the 'oh wretched man-Romans 7:24' diatribe. The things I didn't want to do, I would up doing. The things I should have done, I didn't. MM taught in Seminary 'Paul struggled with the Christian life just like you do'. Paul's point is, if you are going to try and grab ahold of the law, that is what it is going to do to you. Why you have to stop thinking about the law and start thinking about grace. Paul is giving a testimony - I WAS (functionally) ALIVE WITHOUT THE LAW. If there was ever anything for you to convince you once and for all that there is nothing in the law for you as a member of the Church, the body of Christ, it ought to be this.
Romans 7:10		10 And the commandment, which was ordained to life, I found to be unto death. MM summary: Once a person is born and then saved/JUEL (eternal life) and begin living their sanctified life. The natural way a person thinks about living their sanctified life is by finding some sort of performance system of some kind. Some kind of list of to dos and donts. If I do that I'll please God. COMMANDMENT, WHICH WAS ORDAINED TO LIFE: Paul is talking about the way everyone understood the commandment (GH: the law) to be, that the commandment gave you functional life. Wrong thinking. Was actually ordained unto death. I FOUND IT TO BE UNTO DEATH: Paul's experience was different. You can't live your sanctified life under the law.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 7:11		11 For sin, taking occasion by the commandment, deceived me, and by it slew me. It got you to thinking you were being so spiritual and so godly and really God is thinking that is ungodly and unholy and I don't want that around Me. Sounds almost too shocking. Can you imagine spending your life observing the law, thinking God was so happy, get up to Heaven and find out you've been carrying an empty sack, no rewards. It's going to feel right in this verse. Why you have to be instructed in this verse that sin taking occasion by the commandment deceived me. Made me feel like everything was good and by it slew me. MM recounts a person telling him to please God you live by the Bible. And made a list of Israel program things to follow. Later realized he didn't understand how to rightly divide the word of truth. The trap is you are going to do it and it's going to feel good to your flesh. That's why it's under the law is to be in the flesh. Flesh likes to feel like you have earned it. Start feeling superior. MM says 623 laws and 10 commandments? Becomes an overpowering list. Meant to regulate ever facet of their life, even the material that could be used for clothing. Certain fabrics couldn't be worn together. If you are not careful and you don't know how to rightly divide the word, you fall into this trap. You can't be left to how you feel about it because the truth is, that if you go by feelings, a saved person is going to put themselves under the law every time. God considers that to be ungodly, unholy, deceived and unacceptable in His eyes. Even if you are reading your Bible and following the law to the best of your ability. He hates that it feels so good to the flesh. Most churches have no idea about this. Paul is counting on you to never ever reach out and take a hold of the law or anything like it to try and live your Christian life. The problem is not the law. The problem is sin taking occasion by the law. There's something wrong with our thinking about the law.
Romans 7:11		11 For sin, taking occasion by the commandment, deceived me, and by it slew me. FOR: Word of Logic. Can talk about purpose or introduce purpose. Know it is going to provide instruction to correct this wrong thinking we have had. FOR SIN, TAKING OCCASION BY THE COMMANDMENT: Sin took occasion (is that which absolutely does get done, more certain than opportunity; you don't take advantage of every opportunity). Newer versions use opportunity. DECEIVED ME: Produced a false impression and made a false conviction or belief in my thinking, and by it SLEW ME. Sin, taking advantage by the commandment, deceives us. Using the law to live your sanctified life is so deceptive that when you do it, you will think: - you are honoring God - you are being holy - God is happy - you are making progress and that's the deception here, because you really put your functional life to death.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 7:11		11 For sin, taking occasion by the commandment, deceived me, and by it slew me. SLEW ME: Wasn't physical. He was alive physically. His eternal life wasn't slain. What got slain was his functional life. That ability to live for God everyday got killed. SLEW: Pretty strong word. Past tense of the word SLAY. Basically means kill in a very aggressive way. A military term - talk about soldiers being slain in battle. The violent taking of life. Paul uses this type of terminology to say in the strongest possible terms, you have to come to grips with the idea that when you take ahold of that commandment to try and live of God every day, it will not only deceive you but it will be just like it is with you in combat and the moment your back is turned, it pulled its own sword and hacked you to pieces. It slew you while you thought it was on your side. It actually turned against you. When you see this, you will see this like a rattlesnake curled up in the front porch or back yard. You don't want that. That's a dangerous situation. Every single Christian under the law system has had their functional life slain/put to death.
Romans 7:12		12 Wherefore the law is holy, and the commandment holy, and just, and good. The problem here is not the commandment. The problem here is sin. Nothing wrong with the commandment. It's sin in our members that is the problem. The commandment gave motion to sin so you would never make the mistake of thinking you didn't have that problem. You had it before. The commandment makes it obvious. MM says like the sign that flashes your speed and you are always shocked how fast you are going. Nothing wrong with the radar. All it did was tell you what you were already doing. The law doesn't have any fault to it whatsoever. It is not supposed to restrain sin and promote righteousness. It's job is to put sin in motion, to give sin functional life. Paul testified, once he started utilizing that law, it put his sanctified life to death - sin revived and he (functionally) died. Getting to v12 puts an end to what he wants to say about that part.
Romans 7:12		12 Wherefore the law is holy, and the commandment holy, and just, and good. Conclusion stated in this verse. Uses the word HOLY twice He did it two ways: 1. Gave you the very general example of the law: the law showed me things that are sin that I didn't know were sin 2. Gave you a very specific example and uses the commandment to do it Here he is ending his proof the same way he started it, by including both. 1. The law as a whole is holy 2. The commandment individually is holy He is just finishing it up the with there's not anything wrong with the law, but he adds 2 more things: 1. This thing is not sin at all. The commandment itself does exactly what God wanted it to do when He started it. 2. The reason he calls it JUST is because even if you know you can't get ahold of the law and live for God, you may be thinking the law is unjust because it gives sin the occasion to do what it does. He is saying that's not a problem with the law, that's the problem with sin.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 7:13-25	Misunderstanding 2: I must have been OK before the law	2nd Misunderstanding About the Law: If the law is the thing that makes all this happen, then I must have been OK before the law/must have naturally had a sanctified life/produce it on my own & live unto God and never needed to know about the law. -> Paul replies GOD FORBID. Is a misunderstanding about what we think about ourselves. We think we were functionally alive until the law came along and then we were functionally dead. But the truth is you were functionally dead before the law. You are functionally dead by nature. Talking about your sanctification. Most people understand we can never produce our own justification/salvation. We come along to our sanctification and somehow there's a thinking that I can do this/handle this part now that I have gotten saved. I was doing pretty good on my own, I was naturally able to have functional life but it was the law that took all that away from me. Paul says, oh no, the law really does want to get in you and motivate you to change. The problem is not the law, the problem is you were already weak. All the law did was expose your weakness. - the kingpin - saving the best for last, deepest rooted of the misunderstandings Response: We're no better than we were if we grabbed ahold of the law. We are still sinners. Sin is still sin. No matter how you try, it's going to exceed your ability. The law had to come along because you not only can't live for God under the law, you couldn't live for God before the law either. Paul switched gears and began to use some personal pronouns using himself as an example and talking about I and MY and ME. Personal Pronouns: MYSELF = 1x; MY = 4x; ME = 9x; I = 27x; Total of 41x!
Romans 7:13-25	Misunderstanding 2: I must have been OK before the law	You can't do it: 1. You can't put your sanctification into practice under the law 2. You can't put your sanctification into practice on your own without the law There is only one way to put your sanctification into practice and that is under grace. The commandment is not the problem. Sin is the problem. When the commandment show us to be sinners that we are, the problems not with the commandment, the problem is with the sin in our members.
Romans 7:13	The Misunderstanding	13 Was then that which is good made death unto me? God forbid. But sin, that it might appear sin, working death in me by that which is good; that sin by the commandment might become exceeding sinful. Misunderstanding: I'd naturally got functional life, it's the law that messed me up. Hinge for all the rest of the chapter. WAS THEN THAT WHICH IS GOOD MADE DEATH UNTO ME?: Notice it is phrased a certain way. Ever read a verse and think they said that funny? It does NOT say: 'Was then that which (plot) is good the thing that made me functionally dead?' That's what you have in your mind when you read it. It does NOT say: 'Was then that which is good death?' Pretend you have a 3x5 card on it with this phrase and you didn't know it was scripture. Pretend you don't know what the good was or what kind of death. What do you know? (Jeopardy music) The thing that comes into your mind is - if something makes you dead, how were you before that thing came along? The implication is, I was going OK before that thing came. That is exactly what it is saying. The thing that is good here is the law. Remember the law is good and holy and just. Wrong interpretation: The law is bad. You can't use it to live for God. The law makes you functionally dead. The law puts you in the flesh. The law gives sin motion. The law produces fruit unto death. Law...Bad. Wait a minute, if the law is made death unto me, if I have never heard of the law, I'd be doing OK. Say before you got saved, you didn't know anything about the law.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 7:13	The Misunderstanding	13 Was then that which is good made death unto me? God forbid. But sin, that it might appear sin, working death in me by that which is good; that sin by the commandment might become exceeding sinful. That misunderstanding is saying, hey, if the law is the thing that made me bad, if God had just never given the law, I'd have been alright. But that is not true. Why Paul says, GOD FORBID. You weren't OK before the law showed you how bad you were, why you weren't OK. You were already bad. Objection says 'If the law is the thing that makes all this happen, then I must have been OK before the law/must have naturally had a sanctified life/produce it on my own & live unto God and never needed to know about the law'. Paul says GOD FORBID. The law had to come along because you not only can't live for God under the law, you couldn't live for God before the law either. It is not naturally in you to be able to live for God. God had to give you something in order for you to live for Him. And if He doesn't do it, you will never get it done. with the law or without the law. Clarification - wasn't that which is good (the law) is (functional) death unto me. You are functionally dead before the law ever comes along. Law's job was to show you how sinful you are. The law shows you how sinful you are, how functionally dead you are, how incapable you are.
Romans 7:13	The Misunderstanding	13 Was then that which is good made death unto me? God forbid. But sin, that it might appear sin, working death in me by that which is good; that sin by the commandment might become exceeding sinful. Here is the misunderstanding - I'd naturally got functional life, it's the law that messed me up. This last objection is a misunderstanding about what we think about ourselves. We think we were functionally alive until the law came along and then we were functionally dead. But the truth is you were functionally dead before the law. Then you didn't have the ability to live unto God on your own/walk in newness of life/produce fruit unto holiness. Why Paul says, GOD FORBID. You are functionally dead by nature. Remember, we are talking about your sanctification. Most people understand we can never produce our own justification/salvation. We come along to our sanctification and somehow there's a thinking that I can do this/handle this part now that I have gotten saved. There is something that you need from God and that's what it is all pointing to. There is only one way to put your sanctification into practice and that is under grace. Before he tells us how to put grace as that power to run our sanctified life (what we have been waiting for), he has to undo this thought 'I've got this. I can handle this on my own'. There is nothing good in us by nature at all. NEWS FOR YOU - Something was made death unto you BEFORE the law ever came along and it didn't have to do with the law. It had to do with sin.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 7:13	The Misunderstanding	13 Was then that which is good made death unto me? God forbid. But sin, that it might appear sin, working death in me by that which is good; that sin by the commandment might become exceeding sinful. The implication is, I was doing OK before that thing came. That is exactly what it is saying. The thing that is good here is the law. Remember the law is holy and just and good. GOD FORBID: Paul says GOD FORBID. The law showed you how you were naturally. Naturally you don't have functional life. Naturally you're incapable of producing fruit unto holiness or walking in newness of life. BUT SIN, THAT IT MIGHT APPEAR SIN so it can be seen for what it really is, not the way it puts itself forth. But for the way it really is. It's an unmistakable reality. It used to be the law is the thing that's bad. He's going to say, no, it's sin that bad and the law is going to show you. BUT SIN: BUT is a corner word - taking you in a different direction. Here's the direction - everything was hunky-dorry till the law came along, that was my problem, the law. Paul is going to say BUT SIN, there's your problem, whether it's under the law or out from under the law. You got a problem with sin that you can't handle. What he is going to drive home because sin is the issue. You are functionally dead under the law. You are functionally dead without the law when you are on your own. It's the law's job clearly that you can't operate on your own. THAT IT MIGHT APPEAR SIN: Here's another word the newer versions like to change up. Use 'seems' or kind of looks like. APPEAR: Tells you I have come to a certain understanding. It's not 'seems' anymore. Now, its 'appears'.
Romans 7:13	The Misunderstanding	13 Was then that which is good made death unto me? God forbid. But sin, that it might appear sin, working death in me by that which is good; that sin by the commandment might become exceeding sinful. SIN, THAT IT MIGHT APPEAR SIN, WORKETH DEATH IN ME...THAT SIN...MIGHT BECOME EXCEEDING SINFUL: Part of the job of the Law was: - to make sin appear as sin - let sin appear for what it is - to work death in us (so sin would scare us to death) - it is putting our functional life to death - to make sin appear exceeding sinful - even the 'little sins'. Until sin appears EXCEEDING SINFUL, you will not be able to be turned loose as a Christian. Something is going to have to happen that you become convinced of the horror of sin so you treat it like the poisonous death that it is. WORKING DEATH IN ME BY THAT WHICH IS GOOD: In the context of your sanctified life (not talking about eternal death in hell/physical death, he is talking about functional death=ability to live for God everyday). That law is bringing out what is in you naturally. THAT WHICH IS GOOD: the law. THAT SIN BY THE COMMANDMENT MIGHT BECOME EXCEEDING SINFUL:

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 7:13	The Misunderstanding	13 Was then that which is good made death unto me? God forbid. But sin, that it might appear sin, working death in me by that which is good; that sin by the commandment might become exceeding sinful. EXCEEDING: Exceeding means its becoming more/going beyond. Sin is going to be shown by the commandment to be able to exceed any ability or power or try as you might as hard as you can, sin is going to exceed your ability or power to restrain it. Sin will exceed everything you are trying to do. It'll outdo every attempt that you will make. You won't be able to resist it or overcome it or defeat it. Everytime I use the law to control sin, the law will give sin more EXCEEDING power and will outdo any of my attempts in the energy of my flesh. We read it as EXCEEDINGLY. Don't use a word like this much anymore. Difference between something being exceedingly sinful. That will see it for the really bad thing it is. He is already told you that. He is not being redundant. Here he's giving you something different. Exceedingly is an adverb-ly. Now comparing it. If you are comparing it, what other words would exchange the word EXCEEDINGLY? VERY. That makes it mean the wrong thing. Paul says that sin is going to be shown by the commandment to be able to exceed any ability ot power or try as you might as hard as you can, sin is going to exceed your ability or power to restrain it. It's EXCEEDING not exceedingly. Not comparing things here. Takes comparison and the one that is the most is the -ly. In this case, there's no -ly. He is saying however you try to live this thing out, sin is going to exceed your ability to have a sanctified functional life. You don't have the natural ability to have a sanctified functional life. Ability to live unto God = sanctified life, That sin will exceed everything you are trying to do. It'll outdo every attempt that you will make. You won't be able to resist it or overcome it or defeat it. It will exceed everything that is in your power to do. You do not naturally have the ability to do away with that. You don't have the capacity to overcome that.
Romans 7:13	The Misunderstanding	13 Was then that which is good made death unto me? God forbid. But sin, that it might appear sin, working death in me by that which is good; that sin by the commandment might become exceeding sinful. Notice these objections to not being under the law but under grace or the misunderstandings about the law are often given to us in the form of a question. Paul always answers with GOD FORBID. There's a mistake that theologians make here. If you make it: - Don't really get the benefit of the doctrine that's going to be given you here. - You get the verses that are critical to understanding your sanctified life exactly backwards. MM: When you are a kid, you know that more detail lends credibility to the story. Trouble with being a kid is you don't understand that too much detail gives you away. Gives that one detail that conflicts and the parent lights them up. When you tell them it appears to me you are trying to pull a fast one. MM story: When you turn up a red bottle and squeeze it, what comes out is what is inside (of a person after a bad day, not necessarily ketchup).

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 7:13	The Misunderstanding	13 Was then that which is good made death unto me? God forbid. But sin, that it might appear sin, working death in me by that which is good; that sin by the commandment might become exceeding sinful. The commandment is not the problem. Sin is the problem. It is just squeezing the bottle. Here comes the ketchup. Here comes the sin, really puts it in motion. But the problem isn't the commandment, the commandment just revealed what was already there. When the commandment show us to be sinners that we are, the problems not with the commandment, the problem is with the sin in our members. Because that was already in you it was in you before the law ever came along and squeezed the bottle. Just because the law came along, your ketchup doesn't just turn into mayonnaise. What was in the bottle was in the bottle. Clarification - wasn't that which is good (the law) is (functional) death unto Me. You are functionally dead before the law ever comes along. Law's job was to show you how sinful you are. The law shows you how sinful you are, how functioanally dead you are, how incapable you are. This is the objection or misunderstanding.
Romans 7:14-?	Doctrine: Corrective	v13: Misunderstanding v14: Corrective Doctrine (start) of how you are supposed to be thinking about this. Crucial to have settled in your mind before you get to Romans 8.
Romans 7:14		14 For we know that the law is spiritual: but I am carnal, sold under sin. Short verse but these component parts are very necessary for us to understand what is going on here. Coming on the heels of v13 that gave you the misunderstanding about oh well, you know, I had this functional life on my own until the law came along and then the law spoiled it all. First piece of punctuation is a colon: 1. First phrase about the law, 2. Second phrase about Paul himself. They are connnected. He put them in the same sentence instead of 2 sentences. Pause is not because God is trying to be grammatically correct. What you are supposed to see in that punctuation is that you've been given the first phrase FOR WE KNOW THE LAW IS SPIRITUAL. Before we move past this colon, you're supposed to be able to look at that and say I not only know that's true, I know why it is true, and he's already told you, you're supposed to know this (FOR WE KNOW). When he gives you the first one, everything he gives in the first part up to the colon, you are supposed to already have that in your mind. That you go, yep, that's true. I know it, am fully persuaded. Once you say that, you are able to move to the second phrase past the colon - BUT I AM CARNAL. BUT is an English word of logic - a corner word. You are getting ready to go off in a whole different direction.
Romans 7:14		14 For we know that the law is spiritual: but I am carnal, sold under sin. Corrective doctrine: first part is THE LAW IS SPIRITUAL. Think you could use for your functional life. The word BUT tell you it ain't going to happen that way. BUT now takes you in a whole different direction. EX For as much as we are gathered here to study Romans 7, let's open our Bibles and go to v14. MM knows we don't talk like that anymore. If I don't get the first phrase, won't see the second phrase. 'Four things ought to catch our attention out of this verse: 1. FOR WE KNOW: Checkpoint - something we should already know/supposed to be aware of. 2. THE LAW IS SPIRITUAL 3. I AM CARNAL 4. SOLD UNDER SIN

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 7:14		14 For we know that the law is spiritual: but I am carnal, sold under sin. FOR WE KNOW: This is a checkpoint that when Paul says it, if you don't know that, you are not ready to move on. Have to know WHAT it means and HOW it applies to you. Something we should already know. When you can say, 'I get that', then you can move to the next one. Paul gives you a checklist all along the way so you can't get to the end without touching all the bases to get there. Got to get it all and get it in the order given to you. What the KNOW YEs are all about. MM is not going to take us back to Israel's program to show where this came from but will take you to the very root meaning of the word. FOR: Word of logic - introducing the corrective doctrine. THE LAW IS SPIRITUAL: Applied to a thing instead of a person. Think you could use for your functional life. The word BUT tells you it ain't going to happen that way. BUT: Now takes you in a whole different direction. **When he says the LAW IS SPIRITUAL, it is designed to get into a person's mind and to motivate them and change them. That's the way the law is designed**.
Romans 7:14		14 For we know that the law is spiritual: but I am carnal, sold under sin. SPIRITUAL: Spiritual has to do with the spirit (lower case s). Has to do with your human spirit at its basic core. If something affects your spirit, it is going to affect your mind. Usually use this term to apply to people. When talking about an inanimate object, now it changes a bit. You can add other layers to the definition of spiritual but at its basic core, if something is spiritual, it is something that affects your human spirit. If something affects your spirit, it is going to affect your mind. 3 aspects of something that is spiritual/3-fold quality of spiritual: 1. It gets in your mind/brain (connection between your human spirit and mind is not separable) 2. Motivates you once it is in your head 3. Changes you (what that is about - something spiritual is a life changing event - motivates you to produce a change) (in this case, produce functional life) You know the law cannot produce change in you. Law has zero power to make that happen. When he says the LAW IS SPIRITUAL, it is designed to get into a person's mind and to motivate them and change them. That's the way the law is designed. Haven't covered that before. Why so many people think if I grab ahold of the law, it will change me and cause them to live for God. Paul is not repeating LAW IS HOLY and just and good-v12. Not just repeating what he told you 2 verses earlier. He is talking about something else. When we were JUEL, we were not made sinless. Sin was never eradicated for us. It was never done away with. We still have sin in our members in this body of flesh (weak). Law gets in our mind and says use me, this perfect and righteous and just law, to live for God. But the flesh is so weak it can't supply the power. The law has no power to do that on its own. Powerless depending on the energy of our flesh and the flesh is weak. That's the problem. Problem is with us, not the law. For 2 chapters, Paul is beating this horse about the law can't get the job of our sanctification done. Everytime I use the law to control sin, the law will give sin more EXCEEDING power and will outdo any of my attempts in the energy of my flesh.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 7:14		14 For we know that the law is spiritual: but I am carnal, sold under sin. BUT I AM CARNAL: As much as the law gets in your mind and it motivates you and tries to change you but it doesn't have the power to do that. The law does get in your mind, it does motivate you, and it does want to change you, but your flesh has to supply the power to make it happen. Paul comes along and said that's not good. MM says if your Boss calls you in and says 'I've really enjoyed working for us the last 5 years, but...' Paul says the law is spiritual. It does get in our mind, It does want to motivate us to change, he says BUT and because the law has not power to do that, it's relying on your power. He says BUT I AM CARNAL. The law has to rely on you. Paul says but I am carnal. Core meaning of carnal is weakness. Paul says the law was trying to motivate me but it was relying on me to supply the power and in my flesh I don't have the power to do what the law is trying to motivate me to do. I AM CARNAL: The law 1. does get in your mind, 2. it does motivate you, and 3. it does want to change you, but your flesh has to supply the power to make it happen. The law has no power to make that happen. CARNAL: Flesh. Carnal implies weakness.
Romans 7:14		14 For we know that the law is spiritual: but I am carnal, sold under sin. SOLD UNDER SIN: Sold is past tense of sell. If you sell something you give it over. If you sell something, you are putting it in the possession and under control of someone else. Is a condition of being carnal without strength to produce functional life. Paul says I am under the control/under the dominion of sin. If I grab ahold of the law, because I'm so weak, my flesh doesn't have the power to do that. The law has no power on its own. All it can do is show me how weak I am and I wind up being back under the dominion of sin. Means in your sanctified life, you wind up being under the dominion of sin again, that cycle of try & fail and try & fail. Kicker at the end of this verse. MM wants to make sure we see it for what it is. Has to do the 4th piece of the verse - SOLD UNDER SIN. Why did Paul add this vs. just stopping at I AM CARNAL? Because if all you get is the first 3 - the law is working in our mind to motivate us and change us to be able to live unto God but I am carnal - if you don't have the last phrase, someone can look at that and say, but if I try hard enough I can get it done. Or, normally I am weak/carnal/in the flesh, but I can rehabilitate my flesh. What the last part of the verse is about - takes all this away from you. You are under sin's dominion and therefore not producing functional life. Don't have to try and get in this position, it's the default postion where this automatically goes. UNDER: When you are UNDER, there's someone who now has dominion. Sin has its way with you.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 7:14		14 For we know that the law is spiritual: but I am carnal, sold under sin. Corrective Doctrine (start) of how you are supposed to be thinking about this. The law is spiritual which means it wants to get in our mind and motivate us and change us but it has no power to do that. I am carnal, I'm weak. I don't have the ability to do that. If you did, God never would have given you sanctification by grace. He would have just told you to produce it. If you could produce your own salvation, why would Jesus have needed to come? The fact that He's given it to you as a testimony that you're too weak, you can't do it, and when you try and employ the law, to do that the result is being SOLD UNDER SIN. Not just sold TO, sold UNDER. You cannot live this way. Designed to convince you that grabbing the law to try and live for God is like grabbing a rattlesnake to get well from a cold. The last thing you want to do. Not because there is something wrong with the law. Law is holy and just and good (prior verses) and spiritual (gets in your mind and motivates you and changes you) but doesn't have any power to produce that. Isn't that what the misunderstanding was about. I was doing pretty good on my own, I was naturally able to have functional life but it was the law that took all that away from me. Paul says, oh no, the law really does want to get in you and motivate you to change. The problem is not the law, the problem is you were already weak. All the law did was expose your weakness. Realize the No. 1 problem that Christians are going to have as the POE is to get them in some way/manner to get a hold of the law and implement it into their life. Why Paul is beating this horse over and over to get it through our minds.
Romans 7:14		14 For we know that the law is spiritual: but I am carnal, sold under sin. Paul says I am under the control/under the dominion of sin. If I grab ahold of the law, because I'm so weak, my flesh doesn't have the power to do that. The law has no power on its own. All it can do is show me how weak I am and I wind up being back under the dominion of sin. Understand these 2 issues: 1. It is not the law that makes you functionally dead. Sin makes you functionally dead. Functionally dead by nature - unable to LIVE UNTO GOD and PRODUCE FRUIT UNTO HOLINESS. 2. Because the law shows sin to be exceeding, no matter how hard you try, sin exceeds your attempt. That's why you are SOLD UNDER SIN. Even when you are saved, you have sin in your members. Get ahold of the law and all it does is expose how weak you really are and how inadequate you are to change any of that. The law's job is to give sin greater power than anything you can exert in your life.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 7:15-17		After Paul gives his testimony in v14, he is going to say, because I am your example and your ensample (from within-what happpens to him happens to us), I tried to do it and here's what happened. Paul is giving us his personal testimony as an ensample. I tried to use the law to live unto God and here's what it got me - failure. It's Paul as a JUEL called to be an apostle attempting to utlize the law to produce sanctification. This is his testimony on what happens when he does that. Almost everyone takes those verses and says what Paul is doing here is he is describing a war that goes on between his old nature (that's the thing that wants to do stuff he shouldn't) and his new nature (that's the one that wants to do the right stuff that he winds up not doing). Or they say the old nature is represented by Saul the guy before he got saved and the new nature represented by Paul after he got saved. Characterize these statements as the conflict between the old and new. MM taught in Bible College there is a white dog and black dog in you and they fight. The one that wins is the one you feed. MM rereads v15-17 inserting the Saul/Paul replacements. The reason why it seems complicated is that it is just wrong. MM rereads v15-17 inserting the old nature/new nature replacements. Thinks some versions actually change to reflect old nature/new nature.
Romans 7:15-17		Summary of v15-v17: Paul who is a saved justified man but at the same time even though he is saved/JUEL, he is carnal/weak in the flesh. When he tries to utilize the law to put his sanctified life into practice, it doesn't work. There are people who mean to do well. They love God with all their heart. They love His word and they want to do it. They don't understand this area of His word. They have been taught to get ahold of the law because it's spiritual, get in your mind and motivate you and change you. They want to change and mean business. What they don't understand is, when they grab the law you are sold under sin and that never changes. All these pronouns are not being contrasted back and forth, they are talking about the same guy in the same condition. It's just Paul talking about himself as a justified saved member of the body of Christ who is trying to do this misunderstanding. He is trying to take v13 and say the law is spiritual, it motivates me, it changes me, and I can utilize the law to live for God. Now, he is going to tell you the result of that and it's his own personal testimony, to give you that result.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 7:15		15 For that which I do I allow not: for what I would, that do I not; but what I hate, that do I. 3 different components of this verse: 1. FOR THAT WHICH I DO I ALLOW NOT: I end up doing the things I don't want to do. When I grab the law and try to live for God, the things I don't want to do, those are the things I wind up doing. 2. FOR WHAT I WOULD, THAT DO I NOT: He says the things that I want to do turn out to be the very things I don't do. There's a contrast - not old nature/new nature - it's the same guy trying to take the law and live for God. Here are the first 2 results. Why? Paul has no power to give to the law and vice versa. Two powerless entities - one trying to motivate you to change and the other one wants to live for God but neither one has the power to. 3. BUT WHAT I HATE, THAT DO I: MM says tell me that hasn't been a testimony in your life at some point. The thing you didn't want to do is the very thing you wound up doing. This is all under the context of trying to utilize the law. Context is not old nature/new nature. Hasn't been talking about that. New nature doesn't come up till Romans 8. Why we need grace so badly because it's the only thing that has the power to change all that. MM likens it to 2 cars. Grace, a big car with a big engine, and the law, a big car with no engine. People like the looks of the law but it doesn't have the power to do anything. A competing way to live but has no power.
Romans 7:15		15 For that which I do I allow not: for what I would, that do I not; but what I hate, that do I. Context is not MMs Bible College teaching of the old nature and the new nature fighting it out in my inner man. Context is not a comparison of unsaved Saul with saved Paul. It's Paul as a JUEL called to be an apostle attempting to utlize the law to produce sanctification. This is his testimony on what happens when he does that. What he just told you in the previous verses that when you try to use the law to live unto God, sin is going to have more power than your flesh. He can bear personal testimony that it happens every single time and by the way, it's supposed to happen that way. The law gave sin power that the flesh cannot deal with. There's no new nature in here, no Saul/Paul thing going on here. Invention in Bible College. What they didn't understand in Bible College what Romans 7 was doing, was talking about a saved, justified, and eternal person coming along and trying to grab the law and utilize the law to live for God. Paul's going tell you, you're weak, you can't. The law is going to show your inadequacy. There's no way you can do that. Your functional life is being put to death. The only thing you are going to do here is mess yourself up and get in the cycle of try and failure. Shows apostle Paul as the saved justified man he is trying to do what this misunderstanding thinks it can do is produce its own sanctification under the law. And what he's going to wind up with is being frustrated.
Romans 7:16		16 If then I do that which I would not, I consent unto the law that it is good. I CONSENT UNTO THE LAW THAT IS GOOD: All things that Paul has said so far about the law are actually the things that are working and all those things are true.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 7:17		17 Now then it is no more I that do it, but sin that dwelleth in me. Paul is not trying to get out of responsibility. He's not saying OK, so when I do sin, it's not me anymore. It's sin. Not 'the devil made me do it'. The part that Paul is responsible for is the part that he does. He's taken something that he can't utilize to live for God and he has no power to make it happen. The problem isn't really with the law. The real problem is sin in our members. And that sin, if we utilize the law, we're going to get sold under sin and if we get sold under sin, we'll never be able to produce functional life. When you use the law to do that it was never intended to do, you are by default putting yourselves under the dominion of sin. You can't live for God that way, will never be able to produce that functional life. Sin has the greater power. Why it's exceeding sinful. No matter how hard you try, sin will exceed your try/sincerity. **When you, as a saved/JUEL person say I am going to grab ahold of the law and live for God, you are saying I don't want God to give it to me by His Power and Grace, I will produce it on my own**. SIN THAT DEWELLETH IN ME: We still have SIN IN OUR MEMBERS-Romans 7:23 which is the familiar and comfortable habits of sin which reside in particular members of our body.
Romans 7:18-24		Paul says trying to produce the righteousness of the law by keeping the law results in the WRETCHED MAN-v24 syndrome, which is the frustration that comes from trying to keep the law. This is Paul telling us what was happening when he was trying to keep the law in the power of his own flesh. It was the 'wretched man'-v24 syndrome. We know two things about this: 1. There is nothing wrong with the law; it is the spiritual and it represents the righteousness of God (IS THE LAW SIN? GOD FORBID-Romans 7:7, THE LAW IS HOLY-7:12, THE LAW IS SPIRITUAL-7:14 - the problem isn't the law, the problem is we cannot keep the law) 2. We are exhorted to produce righteousness that is acceptable to God while we are still living in these fleshly bodies (YIELD...YOUR MEMBERS AS INSTRUMENTS OF RIGHTOUSNESS-Romans 6:13) The only kind of love that can produce that kind of righteousness is *our Father's love*. It's not the kind of love that we think of when we think about, oh, I love my family, this is generated in us by the doctrine and by the exhortations in the Sonship curriculum. This is everything our Heavenly Father V&Es and why He V&Es it. Remember there is purpose behind this, there are things that He is trying to accomplish. Statements depend on you understanding v13. If not, make the same mistake everyone of MMs college professors made. Can't afford to make this mistake. If you do, you will have missed the single most important ingredient in living your sanctified life out every day.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 7:18		18 For I know that in me (that is, in my flesh,) dwelleth no good thing: for to will is present with me; but how to perform that which is good I find not. FOR I KNOW: This is a checkpoint that when Paul says it, if you don't know that, you are not ready to move on. Have to know WHAT it means and HOW it applies to you. When you can say, 'I get that', then you can move to the next one. Paul gives you a checklist all along the way so you can't get to the end without touching all the bases to get there. Got to get it all and get it in the order given to you. What the KNOW YEs are all about. IN MY FLESH), DWELLETHE NO GOOD THING: God rejects service in the flesh - God rejects everything about our flesh. FOR TO WILL IS PRESENT WITH ME: I want to do it. BUT HOW TO PERFORM THAT WHICH IS GOOD I FIND NOT: I want it. It's in me. I really desire it but when it comes to the actual doing of it, I find myself failing. It's all a dismal picture so you know to leave the law alone.
Romans 7:19		19 For the good that I would I do not: but the evil which I would not, that I do.
Romans 7:20		20 Now if I do that I would not, it is no more I that do it, but sin that dwelleth in me. This verse is not Paul giving himself an alibi for when he does wrong. He is not saying, when I do something bad, it is not me anymore. He is not excusing himself. Not what is going on. It's a statement Paul is making in the context of everything else we've just read that says even though Paul wasn't intending to do these wrong things, sin, that's what he wound up doing. Because sin was greater than his power of flesh. NOW IF I DO THAT I WOULD NOT: If I do the things I don't want to do. It's not that I wanted to do it. It's no more I that do it. I didn't want to do that, I want to do the right thing. I wanted to do righteousness he says, but sin that dwelleth in me, that's the overcoming power of sin and the law. That's the overcoming power of sin and the law gives sin that overcoming power. That sin that is dwelling in him has a greater strength of will than Paul has. No matter how Paul tried, the power of sin was greater. True for him and true for us. Show us that sin exceeds our strength to produce functional life. Sin's will is stronger and it is going to win everytime. You can do nothing about that spiritual deadness on your own. That sin that is dwelling in him has a greater strength of will than Paul has. Show us that sin exceeds our strength to produce functional life.
Romans 7:21-23		The law is depending on the energy of our flesh and the flesh is weak and that's the problem. The problem is with us. 3 Laws of Paul's Law: 1. 'the law of God' - law of Moses/613 commandments/Mosaic law - which holds out the hopeful prospect of self-produced functional life. – v22 You are not under the law but under grace-Romans 6:14-15. 2. 'the law of sin in my members' - wars against and defeats/overpowers the 'the of my mind' and I fail utterly - v23 3. 'the law of my mind' (I can use the law to get this done/produce a functional life-feels right-law is spiritual) - which is the unfailing truth that while trying to produce sanctification by means of the law, when I try to utilize the law to do good, all of a sudden, evil is present with me. “when I would do good, evil is present with me.” – v21

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 7:21		21 I find then a law, that, when I would do good, evil is present with me. Hold onto your hat here. I FIND THEN A LAW: What he just got through discussing with you. He's about to give you further detail on this for you, when he tried to put himself under the law of Moses to produce functional life. A LAW: Paul is not refering to the law of Moses. Do you think he just discovered the law of Moses? Of course not. He is saying I found something to be true when I tried it everytime I did it I found that it was true. THEN: In view of my personal testimony of trying to utilize the law to live for God and always failed. This is a place people get tripped up. They think that when Paul says I FIND THEN A LAW, they say see, Paul says we are under the law. He just spent 2 chapters telling you that you are not under the law but under grace. Now, they take this one phrase and negate 2 chapters worth of teaching. Paul is not referring to the law of Moses. He says I FIND THEN A LAW. We do the same kind of things. Law of gravity and dropping a marker. It would work 100 times out of 100 times. Gravity is a law. Newton could have said the same things Paul said.
Romans 7:21		21 I find then a law, that, when I would do good, evil is present with me. Because I found it was true and because I found it to be true, he says I can call it a law because it happens everytime. Like gravity is a law. WHEN I WOULD DO GOOD, EVIL IS PRESENT WITH ME: That's in the context of utilizing the law to produce functional life. MM jokes you could call it the law of the law. WHEN I WOULD DO GOOD: Paul wants to do good and has applied his will to do it and effort. Going to be some kind of desire to utilize the commandment to try to produce righteousness to try and produce functional life and he says everytime I really try and I utilize that commandment, BOOM! Evil is present with me. EVIL: Is that term about sin that refers to it in its exceeding-ness. The harder Paul tries, the worse it gets. The more he tries, the more sin exceeds his ability to try. There's another law I have found that is working in my members THAT WHEN I WOULD DO GOOD, EVIL IS PRESENT WITH ME. Doesn't matter how much I delight in that law, I can't make it work.
Romans 7:21		21 I find then a law, that, when I would do good, evil is present with me. Law: Every time Rule: It's generally true or most of the time, here is how it happens. Paul is not naming this law, he is defining it.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 7:22		22 For I delight in the law of God after the inward man: Here's another trouble verse. People read and say see, Paul delighted in the law of God. He loves the law. Means there is a natural fleshly tendency to want to utilize the law of God. Remember the context - utilizing the law to produce functional life. Saw this in Roman 6:19 and the INFIRMITY OF OUR FLESH. The flesh loves the law and is drawn to the law automatically. DELIGHT IN THE LAW OF GOD: There's this natural attraction to the law of God. Why wouldn't there be? The law is holy and just and good and if you want righteousness, why wouldn't you be attracted to that? The only reason why you are not is he has beat the law into the dirt for 2 chapters. For us, the law doesn't look very good (if MM is doing his job). But for the natural person, the law does look like the very standard of God's righteousness. People think I am going to be able to utilize the law that is good and righteous and produce a sanctification and God is going to be pleased with that. But you already know that things is destined for failure because the law is depending on your flesh to energize it and you don't have the ability to do that. Sin is going to overpower that everytime.
Romans 7:22		22 For I delight in the law of God after the inward man: DELIGHT: Brings great pleasure/real joy and happiness. Something that is attractive. Describes all the natural attractiveness of the law as it appeals to your mind and it works in your mind. Allures him and beckons him. That natural desire people have when they want to change. Paul is saying in my inward man, there is a natural delight for the law. First thing the law does is get in your mind (inner man). It tries to motivate you and change you to produce functional life. What it is trying to do. It is in my mind. It is trying to motivate me. It is trying to get me to use it. DELIGHT works in his mind to make him think that this is something good. INWARD MAN: mind - It is in my mind. It is trying to motivate me. It is trying to get me to use it.
Romans 7:23		23 But I see another law in my members, warring against the law of my mind, and bringing me into captivity to the law of sin which is in my members. MM can't get to down on people who try and use the law to produce functional life. Understands the good qualities we have discussed around the law. The law needs energy from somewhere. The only energy source is the flesh but it is weak and has no power. Paul is showing you now this works. You can't see the word law meaning the law of Moses everytime it comes up in these verses. Not only did this other law overpower the 'law of my mind' that said I could do it, I found out I can't. I got killed in action, my functional life got put to death. Kicker: The very thing you thought you were going to produce functional life is the thing that empowered the other law to kill you. The very thing (the law) you think you are going to use to produce functional life gives its power to a different law and produces death. Why does God inspire Paul to go to these lengths? Because the thing has got to be firmly settled in your mind that there is not way you can ever utilize the law to produce functional life. Because it is a law, you are going to fail every single time. Paul was doing it every way he can to show you that will not work, that cannot work, that has never worked, that will never work. That is 'the law of sin in our members'.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 7:23		23 But I see another law in my members, warring against the law of my mind, and bringing me into captivity to the law of sin which is in my members. BUT I SEE ANOTHER LAW IN MY MEMBERS: Same as A LAW (v21) and LAW OF SIN WHICH IS IN MY MEMBERS (v23). BUT: I delight in the law of God, it feels good, BUT... LAW OF SIN WHICH IS IN MY MEMBERS: There's another law I have found that is working in my members THAT WHEN I WOULD DO GOOD, EVIL IS PRESENT WITH ME. Doesn't matter how much I delight in that law, I can't make it work. WARRING BRINGING ME INTO CAPTIVITY Peace in Romans 8:6 is the absence of war and conflict.
Romans 7:23		23 But I see another law in my members, warring against the law of my mind, and bringing me into captivity to the law of sin which is in my members. CAPTIVITY: You have become a POW of 'the law of sin in my members'. He wants you to see it as a casualty of war. It is taking you captive. If you are taken captive in this battle, than Satan's POE for us in the dispensation of grace is working perfectly because his idea is to keep you from having functional life so he wants you to utilize the law. He wants the law of your mind to be in place and he needs you to entertain the notion that you can use the law. The law needs energy from somewhere. The only energy source is the flesh but it is weak and has no power. Not only did this other law overpower the 'law of my mind' that said I could do it, I found out I can't. I got killed in action, my functional life got put to death. He doesn't want you to see it as a failure, he wants you to see it as a casualty of war. It is taking you captive. SIN WHICH IS IN MY MEMBERS: We still have “sin in our members” which is the familiar and comfortable habits of sin which reside in particular members of our body.
Romans 7:24		24 O wretched man that I am! who shall deliver me from the body of this death? Read this with the exclamation point on it and it comes across as a cry of frustration. WRETCHED MAN: Any Christian trying to live for God under the law of Moses. What Paul is saying by his own testimony. Wretched man syndrome: Paul talking about when he's trying to put himself under the law and live in the energy of his flesh and produce his own righteousness that God will accept, that's a dangerous proposition. The result is always functional death. Walking after the flesh - We revert back to try and produce it ourselves and get the WRETCHED MAN syndrome. Frustrated. 'I failed again'. Law given to show you what a failure you are. Does its job perfectly. WHO SHALL DELIVER ME FROM THE BODY OF THIS DEATH: Just as it did in justification, deliverance from this can only come from God by grace, just like your justification did. That's why He provided a perfect sanctification for you. WHO: Who not 'What'. A 'What' would imply something like the law. Tells you something very important right there.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 7:25		25 I thank God through Jesus Christ our Lord. So then with the mind I myself serve the law of God; but with the flesh the law of sin. Answer to the question in v24-WHO SHALL DELIVER ME FROM THE BODY OF THIS DEATH? Jesus Christ our Lord. WITH THE MIND I MYSELF SERVE THE LAW OF GOD WITH THE FLESH THE LAW OF SIN: The flesh cannot serve God. The MOTIONS OF SINS-Romans 7:5 work in us to produce functional death. BUT WITH THE FLESH THE LAW OF SIN Paul is clearing everything out so he can tell you how to do it the right way in Romans 8. How it works under grace, how I live under grace. Had to have this first. Would have well buts in Romans 8:1. Should be firm in you mind now and be confident that there is no way you will ever utilize the law to successfully live unto God - the bottom line. If you do, you become the WRETCHED MAN in v24.' Now he has told you what it is not, will learn what it is in Romans 8.
Romans 7:25+		Romans 7 Learnings: - that we are no longer bound by the law, though we yet live (even though we are still alive) - that the law exposed our inability to produce our own sanctification - that the law gave sin the power to exceed all our honest efforts - that the law puts our functional life to death - that we have always been incapable of producing our own sanctification
Romans 7:25+		- that to live unto God under the law is to live “in the flesh” - that Paul tried to live unto God by the law and utterly failed - that the law can NEVER be utilized to “walk in newness of life,” or “to live unto God” or to put our “sanctification into effect” or “to restrain sin and promote righteousness” or to “please God” MM said these are all phrases that talk about the same thing - just put a bunch of them up there. - taught how NOT to put your identity in Christ into practice/effect (GH: under the law), you do not live unto God under the law, you do not produce fruit unto holiness under the law
Romans 7:25+		Leaves you with the question - If I can't function unto God under the law and I know if has to be under grace, how in the world do I get that grace working? How do I restrain sin and promote good? How do I deal with temptation when it comes up? How do I deal with sin and carnality? How am I going to do that? What is it that God gave me that I'm supposed to put into practice and how do I put that into practice? ANALOGY: Like the first time you sat in the driver's seat of an automobile and ask where's the key go? What do I do? He says put the key in and turn it (but don't grind the starter). How does living under grace get accomplished?

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8		Romans 8: - God says you have 2 great enemies trying to undo what has been done for you and the second one is you. - Will begin to have a real 2-way conversation with your Heavenly Father through the written word on the page. - Get introduced to the FRUIT OF THE SPIRIT. Will study every one in Romans. That's why Galatians just lists them. - Talks about how Sonship effects our prayer life and our communication between us and our Heavenly Father. Prayer life takes on an added dimension that is completely marvelous. - Gives an overview of the education we are going to receive. - Show us His great Wisdom in allowing us or showing us how to endure the sufferings that will come our way in this life. Get the whys and wherefores so you really understand what He is doing in that. - Father tells you about some things that are meant to adjust your attitude. Some folks will balk when they find out what is involved in that attitude. - Your Heavenly Father will show you how to know for certain whether something has been written on your heart or not. You will know it for sure like your own name.
Romans 8		Paul introduces our Sonship, Godly edification, and adoption, you are already supposed to know what that is. Notable Differences between Romans 7 and Romans 8 - No more corrective doctrine starting in Romans 8 Mentions the law only to show how grace works - No new doctrine in Romans 8 (he believes it is already in you from Romans 6) - Sweeping the room to get it completely clean of the law so now he can come in and show you how to fill it with grace. Going to have grace thinking not law thinking. Start thinking like the dispensation you are living in. Romans 8: Get taught about the creature and waiting for the manifestation of the sons of God. Romans 8: Searching of the heart - you talking to Him and Him talking to you back. Romans 8: Notice all of the WITH Him/Christ in this chapter.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8		Romans 8: MM says this is the first time he got scared of the POE. First thing your Father tells you is about an inheritance that you got and once you get in your mind what is on the other side of that, you say to yourself, I can patiently endure whatever comes my way because I know what is on the other side. Why do you think Paul says TO LIVE IS CHRIST, AND TO DIE IS GAIN-Philippians 1:21? You will earn this, not to the magnitude that is given, but you will SUFFER WITH HIM. GH: Flesh vs. Spirit References/Comparisons/Contrasts Spirit and flesh: - WALK AFTER THE FLESH vs. WALK AFTER THE SPIRIT-v1 - LAW OF SIN AND DEATH (YOKE OF BONDAGE) vs.LAW OF SPIRIT OF LIFE IN CHRIST JESUS (Grace)-v2 - WEAK THROUGH THE FLESH vs. CONDEMNED SIN IN THE FLESH-v3 - WALK AFTER THE FLESH vs. WALK AFTER THE SPIRIT-v4 - MIND THE THINGS OF THE FLESH vs. MIND THE THINGS OF THE SPIRIT-v5 - CARNALLY MINDED IS DEATH vs. SPIRITUALLY MINDED IS LIFE AND PEACE-v6 - IN THE FLESH vs. IN THE SPIRIT-v9
Romans 8	Ch 8 vs. Ch 13	In Romans 8, Paul emphasizes THE WAY or how we fulfill the righteousness of the law - the Spirit. In Romans 13, Paul now emphasizes THE NATURE (the essential properties) of how we fulfill the righteousness of the law - love. (that love is generated in us by the Spirit)
Romans 8:1-13	Instruction in Righteousness: Walking in the Spirit	Romans 8:1-13: - Are designed to show you exactly how a person in the dispensation of grace is supposed to LIVE UNTO GOD and PRODUCE FRUIT UNTO HOLINESS. - Equip you with all of the details and all of the instructions that you need to have in your mind so that you can absolutely confident in knowing what to do and what not to do and know when it is working and when it's not working. - Teach you what it really means to - what we used to call 'being in fellowship' - be spiritual. - Doctrine picks up with the end of Romans 6:14 - ...NOT UNDER THE LAW BUT UNDER GRACE. - Get that INSTRUCTION IN RIGHTEOUSNESS - now I am going to show you how grace works. - Way information is being changed from Chapter 7. That's because the nature of the information has changed. You are not just being corrected about the law. Now, you're actually being given the mechanical means, the way in which you are going to go about putting grace into effect in yor life. - Because of this, starting to use different phrases/terminology than you have encountered so far in Romans. Not new - he is giving you the details of things that you already knew. - Themes: Mind - get rid of law thinking and replace with grace thinking. God is going to give us a new mindset. We are going to see it differently. We are going to think about it differently. We are going to understand it differently. - We have ideas we have gotten from our church life that we automatically pigeonhole things.

Romans 8:1-13	Instruction in Righteousness : Walking in the Spirit	Tells you the mechanics/mechanical means/inner workings of HOW your sanctification works. Part of the edification that very few people are ever going to hear begins to take place. Instruction in Righteousness based on the doctrine from Romans 6:1-13. If you don't understand the doctrine, it will not effectually work IN you the way it is supposed to. Difference between do you understand them and did you memorize them. See names for things you never saw before but you learned about it back in Romans 6. A full, detailed analysis of how a saint is to functionally live unto God and produce fruit unto holiness under grace. - all you need to know about how to put your sanctified position IN Christ into practice. - the details and features properly installed in your mind so that you have absolute confidence in knowing when you're doing it and when you're not and when it's working and when it's not You would not ever have been given the information of Romans 8:1-13 if you were a child, under the Law, in Israel's program. WALKING AFTER THE SPIRIT: To walk or conduct yourself in accordance with who the Spirit has made you to be IN Christ. Walking consistently with who the Spirit of God made you to be when He baptized you and fully identified you with Himself in His death, burial, and Resurrection and made you DEAD TO SIN and ALIVE UNTO GOD. He broke the old relationship you had with sin, it's no longer your master and all those things. When you do that, you are walking under grace.
Romans 8:1-13	Instruction in Righteousness : Walking in the Spirit	Themes: Mind - get rid of law thinking and replace with grace thinking. God is going to give us a new mindset. We are going to see it differently. We are going to think about it differently. We are going to understand it differently. Part of the transformation that will take place is the transformation in our mind. Full detailed explanation of how we are going to be living for God in our daily lives. RECKON: Not just that you believe that it is true, it's the basis of your reality. GH: RECKON is not till v18. Assume MM is talking attitude to live out of.
Romans 8:1-13	Instruction in Righteousness : Walking in the Spirit	RECAP: 1. A believer IN Christ is not automatically in the Spirit. (A believer can also be in the flesh) 2. The only way a believer IN Christ can be in the Spirit is when the Spirit of God dwells in him. (Key word is DWELL; Romans 5:5 says He was GIVEN to you) 3. The correct, Biblical, godly term for the permanent/automatic receiving of the Holy Ghost at the point of salvation is: "given;" you were "given" the Holy Ghost the moment you were saved; you were not 'indwelt' by Him! - This is what happens when you abandon Bible terms and using our synonyms. No wonder our doctrine is confused. Using words like INDWELL-ED-T that don't even occur in the Bible and putting our own definition on it. 4. All believers IN Christ are given the Holy Ghost the moment they are saved/justified unto eternal life. 5. Not all believers are "in the Spirit" — you only become "in the Spirit" when the Spirit of God dwells in you. (some believers are IN THE FLESH) - Until believers are educated to know what IN THE SPIRIT is, they will never be IN THE SPIRIT.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:1-13	Instruction in Righteousness : Walking in the Spirit	6. The dwelling of the Spirit of God is not automatic nor is it permanent. (only dwelling in you when you meet the condition of walking after the Spirit) 7. Once you begin “minding the things of the Spirit,” the Spirit of God dwells in you! Just as an aside, that is when the believer BEGINS the process of being ‘filled with the Spirit.’ (the filling of the Spirit is not instantaneous!). The whole thing is not about you but about God. The power to restrain sin and promote righteousness only happens under grace. Because if it happens by your works/best efforts/you trying really hard, God says no, you just soaked your hands in mud and are serving up cake. That doesn't work. If you understand that justification is BGTF without works, then your sanctification is BGTF without works. It's the same way. We struggle with it because we view it as something that has to be done. The way God views this is whatever is going to get done in a mortal body that the Spirit quickened and that the Spirit made it so that body is able to have functional life and produce righteousness. In dealing with sin, I AM going to have to change the way I think. In dealing with suffering, I AM going to have to change the way I think. Remember the first component of godliness - thinking like God. What He is training you to do. Terminology is dealing with you as adult sons and daughters. He hasn't been dealing with you as children. Telling your why. Not telling you everything like tutors and governors would. Will announce in the next verse.
Romans 8:1-13	Instruction in Righteousness : Walking in the Spirit	**MIND PROCESS: How does MINDING THE THINGS OF THE SPIRIT get down to affecting a change in my body? How does sin get restrained and righteousness get produced in my body? How does that happen?** **1. MIND THE THINGS OF THE SPIRIT: Thinking about the new identity that the Spirit gave you when He baptized you into Jesus Christ. You are a new creature, DEAD TO SIN which means the old relationship you had with sin is gone/no longer your master/can't tell you what to do. Now you are ALIVE UNTO GOD, you really can have this kind of relationship with Him. When you get tempted, think I can't do that be that's not who God made me to be, He made me something different.** **2. When you think about those things, you become SPIRITUALLY MINDED.** **3. Then the Spirit DWELLS IN YOU.** **4. Makes it possible for** **- CHRIST TO LIVE (His Life) IN YOU and** **- QUICKENING YOUR MORTAL BODY.**

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:1-13	Instruction in Righteousness : Walking in the Spirit	**5. Because the Spirit DWELLS IN YOU, you are considered to be IN THE SPIRIT: What you ARE when the Spirit of God dwells in you.** **BODY PROCESS:** **1. WALKING AFTER THE SPIRIT: conducting your self in accordance with who He made you to be - this new identity you got IN Jesus Christ** **2. Spirit DWELLS IN YOU: when you walk after the Spirit** **3. IN THE SPIRIT: When the Spirit DWELLS IN YOU** **4. QUICKEN YOUR MORTAL BODY: When the Spirit dwells in you, He is going to solve the second part of the problem - the big problem where sin still resides in your members.**
Romans 8:1-13	Instruction in Righteousness : Walking in the Spirit	MM showing how Romans 8:1-13 drawing on Romans 6:1-13. Identifications of being BAPTIZED INTO JESUS CHRIST-Romans 6:3 and being BAPTIZED INTO HIS DEATH-Romans 6:3 (Burial & Resurrection). A clue to who is administering your sanctification. It's not like the Father and Son don't have anything to do with it. The Son made the provision for it in His Death, Burial, and Resurrection. How does the Spirit give us functional life? Based upon you walking after the Spirit. WALK AFTER THE SPIRIT: Two components: 1. Something has to change in your mind (Romans 8:5-8 - two kinds of mindedness) 1) CARNALLY MINDED (EMINITY [active state of mutually hostile opposition] AGAINST GOD-why those that are in the flesh cannot please God): I am going to utilize some list of rules to live for God and I am going to do it to the best of my ability. 'Bro MM it doesn't matter how I do it, it's still me doing it?' MM says it is not and will show you. 2) SPIRITUALLY MINDED (only method that God will accept for serving Him; NOT about thinking thoughts about religious things/NOT go read by Bible when I get home/NOT bring someone to church to hear the truth/NOT witnessing to someone): thinking about the things/minding the things that the Spirit has done when He gave us a new identity that truly made you DEAD TO SIN and ALIVE UNTO GOD, thinking about who you have been made to be in Jesus Christ. When you are mindful of that and flood your mind with these thoughts, you become spiritually minded. Now you can take this position and walk in a way that pleases God. The only way God accepts. 2. Something has to change in your body (have to act in accordance with 1) (Romans 8:9-13).

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:1-13	Instruction in Righteousness : Walking in the Spirit	He's about to reveal to you two things on getting grace to power your functional life: 1. Teach you to walk in the Spirit 2. Mind the things of the Spirit He's going to show you how those are connected. There are nuances to this that we haven't seen. What he is showing you now is the bankrupt system of the law. The number 1 problem we're encountering. Turn on the TV and see how many programs promote the law in some way/form. It's everywhere. Why when it comes to your Sonship life, MM can't tell you those things, that's what you are going to get from your Heavenly Father. In a few weeks, MM will disusade people from asking him questions and ask your Heavenly Father instead. Not a cop out. You really need to see it from Him. Not trying to scare you off. God knows there's few enough of us as is. What he is showing you now is the bankrupt system of the law. The number 1 problem we're encountering.
Romans 8:1-9		Paul contrasts living for God under the Law with living for God under grace by the use of certain phrases. Those phrases that describe utilizing the Law are: “to walk after the flesh, carnally minded, and in the flesh.” Functional death is brought about by trying to produce your own sanctification under the law, which was working in the capacity of your flesh, which is so weak that sin always exceeded its best efforts.
Romans 8:1-8		Romans 8:1-8 Review: Crucial material - must have down for what is coming. CONDEMNATION (functional death) Walking after the flesh/Spirit are ways to: - live for God - put your sanctified life into practice - restrain sin and promote righteousness v1: WALKING AFTER THE FLESH: Is not living worldy, it is trying to live for God through the law and your flesh. v1: THE FLESH (Romans 8): NOT talking about thinking/doing sinful or worldly stuff. It is addressing the 2 ways you will try and put your sanctified like into practice. One of those ways is IN THE FLESH and if you are IN THE FLESH, that means you're going to be under the law. If you are IN THE SPIRIT, you are going to be thinking about the things that the Spirit has done in that new identity that was given to you by the Spirit when He baptized you into the death, burial, and resurrection of Jesus Christ, that made you DEAD TO SIN and ALIVE UNTO GOD. You are thinking about this is what He did. He really did make me something different and in the Spirit you are now under grace. Because now you are under what He did not what you do. That's the difference. v1: WALK AFTER THE SPIRIT: To comprehend and live in accordance with who the Spirit has made you to be IN Christ.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:1-8		v2: LAW (happens everytime) OF THE SPIRIT (law Author) OF (functional) LIFE IN CHRIST JESUS: It is the never failing truth that what the Spirit has done in identifying us with Christ will always produce functional life. v2: LAW OF SIN AND DEATH: The law of Moses - 'law of sin' because it gives sin the power to exceed our best/greatest efforts; 'law of death' because it never fails to result in functional death. The law could not: - produce sanctification - restrain sin and promote righteousness - produce functional life The law looks to our flesh for the power it needed to produce the changes it motivates a man to make. v3: CONDEMNED SIN IN THE FLESH: Means a provision was made by Jesus Christ that condemmed (put to death) sin's ability to have dominion over a man's flesh (his body). v3: WALK AFTER THE FLESH: To produce your own sanctification by keeping the law.
Romans 8:1-8		v5: MIND THE THINGS OF THE FLESH: Not a guy thinking about worldly/sinful things, it means to think about, to believe and to fill your mind with thoughts of pleasing God by your own best efforts to keep the law. v5: MIND THE THINGS OF THE SPIRIT: It means to think about, to believe and to fill your mind with thoughts of who the Spirit has made you to be, the new identity you have IN Christ Jesus and the call to walk in that new identity. **The number one thing when it comes to living your sanctified life is that your thought life has to change. Learn to think when you are faced with temptation or decision or whatever it is, who you have been made to be by the Spirit of God when He gave you a new identity IN Jesus Christ**.
Romans 8:1-8		Has to become the default. It will get easier. MM struggled as much as anyone. You can't just put sanctification on AUTOMATIC. You have to think about it. Not just semantics. He is giving it to you in the only way it is going to work. Say I am no longer that person. The reason I am not doing that is not because it is in the law or because it will make the preacher unhappy or because someone disapproves, but it's because I really am now someone different. I am a new creation and I have been identified with Jesus Christ. v6: CARNALLY MINDED: To mind the things of the flesh (to think about trying to use the law to please God). CARNALLY MINDED always results in (functional) DEATH because the carnal mind is actively engaged in activities as an enemy of God. v6: SPIRITUALLY MINDED: To mind the things of the Spirit (to think about the things the Spirit did when He gave you that new identity IN Christ, the things that made us DEAD TO SIN and ALIVE UNTO GOD) v6: LIFE AND PEACE: Functional life and peace (war going on in your inner man when you try and employ the law to live for God - peace from/cessation of that war that rages in your inner man when trying to utilize the law for sanctification). Characterized that 'war' as the WRETCHED MAN Syndrome (Romans 7:24). v7: ENMITY: When you have enmity, the fight is happening right now - an active mutually hostile relationship. v8: IN THE FLESH: Described anyone who is attempting to live for God, in any manner other than by their new identity under grace. Our sanctification can only be put into practice under grace and not under the law. Your flesh cannot produce what is needed for the law to do that for you.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:1-4		Our sanctification can only be put into practice under grace and not under the law. Your flesh can't produce what is needed for the law to do that for you. v1: Nutshell - Statement - mechanical means by which our sanctified position in Christ gets put into effect - WALKing AFTER THE SPIRIT. v2: FOR: Explanation - Going to give us more/further detail/further explanation on top of what we got in v1. v3: FOR: Further explanation - Another FOR which is going to us detail on v2. v4: THAT: Purpose - THAT: English word of logic - in this case, purpose. MM thinks 'SO THAT'. Group said conclusion, summary. MM says kind of a summary - wraps it all up. NOT a FINAL conclusion or you would have had THEREFORE at the beginning.
Romans 8:1-4		v1-2: Two things are happening here: 1. v1: WALKING AFTER THE FLESH and WALKING AFTER THE SPIRIT-v1 2. v2. THE LAW OF SIN AND DEATH and THE LAW OF THE SPIRIT OF LIFE IN CHRIST JESUS-v2 He's putting things on opposite ends from each other to show you there's only 2 ways to go. - The former fails every time and he has given you the reasons for that. - The latter works every time and operates under grace.
Romans 8:1-4		Get the details and conclusion of what we read in v1. Terminology used in this passage is what we are going to have to get used to and to start using. This is the terminology that is meant to go to work inside you. MM making an issue because when he was in school and even after, most of the commentaries/materials take a Bible term and turn it into a different term. What they are trying to do is explain it. But you get away from specific terminology and when you get away from this terminology, you run into dangers: 1. Misidentifying what this is 2. You're not using the most precise terms that are meant to work in you to produce an edification MM wants us to get used to using the Bible terms. EX Bible doesn't use the term 'rapture', not written in the language the term came from. But it does have a name for it - THAT BLESSED HOPE-Titus 2:13. A hope that is held out for you as a promise, not just something you are hoping happens.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:1-4		Romans 8:1-4 Summary: v1: the “condemnation” refers to the death of our functional life, not our eternal life. v1: "walk after the Spirit' means to conduct (walking is conduct) ourselves in concert with who we have been made to be IN Jesus Christ. Follow after that thing that the Spirit provided (baptized into His death, burial, and resurrection, setting you free from the old relationship, destroying the body of sin and death, sin shall not have dominion over you, etc.) v2: "the law of the Spirit of life IN Christ Jesus': the unfailing truth of that which was performed by the Spirit in connection with our functional life in Christ; i.e., that every time I conduct myself in accordance with who I have been made to be in Christ, I am free from the law and incur no functional death. The long way of saying what happens when you walk after the Spirit - detailed explanation of the previous verse v2: "the law of sin and death": it is the Mosaic law and its unfailing ability to bring about functional death for anyone seeking to use to to provide their own sanctification
Romans 8:1-4		v3: The law could not condemn sin in the flesh and is unable to condemn sin in the flesh because it is dependent upon the flesh to empower it, and the flesh is too weak. The law has no power of its own. All it does is demand. It looks to the flesh for power but the flesh is inherently weak. v3: "condemned sin in the flesh": the sin that is in your flesh has been put to death with regard to your sanctified life so that sin cannot operate in you or have dominion over you. Summary: Sin has been put to death with regards to your sanctified life. This opportunity exists - not automatic. If a person chooses NOT who they have been made to be, sin is very much alive. v4: Jesus purpose of condeming sin in the flesh was so that the rightousness of the law might be fulfilled IN us. That we can live righteously in our daily lives. v4: "the righteousness of the law": is equal to the very righteousness of God Himself; the righteousness that is produced IN us through the sanctification provided for by grace, through Jesus Christ. His perfect standard of righteousness.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:1		1 There is therefore now no condemnation to them which are in Christ Jesus, who walk not after the flesh, but after the Spirit. NUTSHELL verse for Romans 8:1-13: Mechanical means of Sanctification/Sanctified Life - opportunity, not automatic - foundation laid in Romans 6:1-13 - 2 ways on opposite ends. GH: The proof-text to objection 6 that the two inheritances are the same. The condemnation is to your functional life. It is to your behavior, to your conduct. This is what is being condemned. Your spiritual life as you live it in the details of your everyday life. That's what's being condemned when you walk after the flesh. IF you walk after the Spirit, you are not condemning your own spiritual life, you are pleasing God with that spiritual life. Christ lives His life in us as we "walk after the Spirit" (after who the Spirit has made us to be in Christ). THERE IS (Not in the Greek) THEREFORE(mini- not final conclusion is coming) NOW (now in your sanctified, functional life). In italics - not in the Greek - relegated the THEREFORE to the 3rd word of the sentence. When you have other things coming ahead of the THEREFORE, you are given a mini-conclusion, not a final conclustion. There are several things to conclude but this is not the end of it. What he is doing is to start giving you several things. Telling you this is the first one of them. THEREFORE: The corrective doctrine that comes out of Romans 7. English Words of Logic - tells you a conclusion is coming. A whole or final conclusion. KJV translators not only understood Greek perfectly but also understood English when the language was at the height of its glory. There is something that came before. Because it is 3rd in the sentence instead of first, it's a mini-conclusion. Not a final conclusion. Rest of Romans 8 is about sanctification. He is not wrapping up sanctification.
Romans 8:1		1 There is therefore now no condemnation to them which are in Christ Jesus, who walk not after the flesh, but after the Spirit. NOW NO CONDEMNATION: You have been given a perfect sanctification. NOW: Another indication you are talking sanctification and not justification/eternity. You are DEAD TO SIN NOW and ALIVE UNTO GOD NOW and you are supposed to RECKON that to be true. Deals with the condemnation of your functional life. A lot of pastors say this is a verse on eternal security. MM says this verse is not talking about eternal security. MM says there are plenty of verses people use to make their point because the verses seem to read that way, but what the verse is actually getting at is something entirely different. When you are under the law, you have that condemnation. Condemnation is not to hell, it is the condemnation of your functional life. NO CONDEMNATION (not being condemned under the law to functional death): When under the law, you were being put to death functionally, you are being taken captive. The law condemned your functional life. Now he says NO CONDEMNATION. Not the type of condemnation in John 3:18 or Romans 8:34. Takes you back to Romans 6 but not further. If you take it back further, you are talking about justification, not your sanctification, and define CONDEMNATION as eternal death. People misread and say if you walk after the flesh, you have lost your salvation. Only makes sense to be still talking sanctification. It's like God took everything about living under grace and boiled it down and put it in a nutshell and put it in as few words as possible. Before under the law, that is all you had. What was condemned? Most preachers go back to Romans 5 and see hell. We left heaven and hell 2 chapters ago. Context is sanctified life. Talking condemnation of your functional life. If you don't get this right, this will never effectually work IN you.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:1		1 There is therefore now no condemnation to them which are in Christ Jesus, who walk not after the flesh, but after the Spirit. CONDEMNATION: Not condemnation of your eternal life, but condemnation of your functional life, the way you live for God in the details of your life. Remember this is your functional life. Your condemnation being put to death. Refers to the death of our functional life, not our eternal life. Relates to your sanctified life, not justification. Paul is talking about people who are trying to keep the law to be sanctified before God. TO THEM THAT ARE IN CHRIST JESUS: MM throwing you a curve. Got into Christ Jesus via baptism. Saved/Justified - being fully identified IN and with Christ - via baptism; **Christ first puts focus on His Christness=Messiah/anointed**; take our position IN Christ [DEAD TO SIN and ALIVE UNTO GOD] and make it a practical reality in our everyday life. IN CHIRST JESUS: saved/justified. CHRIST JESUS: Swapped to make you think about something else. Number times used is way less than Jesus Christ. People get to thinking Christ is His last name. Christ is not a sur Name. Christ is a Title. Christ = Messiah = anointed - focus on His 'Christness'. See this all the time with the title coming before the name - President Bush, General MacAurthur. The focus is not just on Jesus who is the Messiah, now it is pointing you to His work as Messiah, something He did as Christ. Summary: Saying there is not going to be any condemnation to your functional life to everyone who is IN Christ Jesus and who does not try and employ the law and their flesh to serve Him. But they do it by walking after the Spirit.
Romans 8:1		1 There is therefore now no condemnation to them which are in Christ Jesus, who walk not after the flesh, but after the Spirit. What WALKING AFTER THE FLESH is not the way most preachers define the term is doing worldly stuff. Way our mind naturally perceives it. Have to stop that kind of thinking. The key to get this working for you is changing the way you think. First thing that has to happen. If that doesn't happen, this is not going anywhere. Typical one - Walking after the flesh would be I am going to watch TV instead of reading my Bible. Another - sleep in rather than go to church. Typically think it is doing some fleshly, carnal, worldly, sinful thing. Per Romans 8, walking after the flesh has nothing to do with this. Not defined on whether it is a godly thing or a worldly thing - wrong thinking. Way preachers preach it. Walking after the flesh is trying to live for God by implementing the law. That's the way he is defining it. In going through Romans, there's no list for what he is calling walking after the Spirit or walking after the flesh. Not what is going on here. WHO WALK NOT AFTER THE FLESH, BUT AFTER THE SPIRIT: Everything we do is either in the flesh or 'after the Spirit.' If it is 'after the Spirit' then it is the doctrine working in us, it is Christ in us, the hope of glory. God rejects the efforts of the flesh.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:1		1 There is therefore now no condemnation to them which are in Christ Jesus, who walk not after the flesh, but after the Spirit. The whole context of this makes you realize that sanctification is talking to a believer who is trying to live for God and only going to do it one of 2 ways: 1. Energy of his flesh by trying to obey the law - may not be the law of Moses, may be some preacher's version of righteousness - not doing worldly stuff, it is trying to produce your sanctification by your own works 2. Walk after the Spirit If you try and live for God in the energy of your flesh, God will look you in the face and say you are functionally dead. There is no righteousness I CAN accept being produced from that. Smacks us right between the eyes. The way we are brought up in church is to think I have this list of good stuff and list of bad stuff to do and not do to be alright. Your Father will look at you and say, I haven't even given you a list of stuff and I AM the righteous One, not some guy. We revert back to try and produce it ourselves and get the WRETCHED MAN syndrome. Frustrated. 'I failed again'. Law given to show you what a failure you are. Does its job perfectly.
Romans 8:1		1 There is therefore now no condemnation to them which are in Christ Jesus, who walk not after the flesh, but after the Spirit. **Please see 'People : Paul : Paul's WALK List' in the Commentary.** WHO WALK NOT AFTER THE FLESH, BUT AFTER THE SPIRIT: The qualifier. Happens when you WALK IN NEWNESS OF LIFE-Romans 6:4. To them who have trusted Christ to be their Savior. The last part of this verse is telling you how it is. We're going to get grace to operate in our life. This is the mechanical means by which it happens. This is the abbreviated form. Will expand on in the coming verses. Remember this verse is the whole thing in a nutshell - condensed in a few words. From Romans 6:14, you are not under the law but under grace in your sanctified life. Not going to live it by doing the law. Causes you to ask - 'How do we live under grace? How do we get that done?' Given a key - by walking after the Spirit. Will get the Bible define things for us. Look at this verse from a systematic theology or categorical theology perspective, they say that verse is about being in fellowship with God. Use phrases 'in fellowship' and 'out of fellowship'. If you look through the Bible these phrases never appear exactly this way. Paul only mentioned FELLOWSHIP 10x in 13 epistles and in none of those times is he using it like we think when we say 'in fellowship'. Paul uses fellowship in the horizontal sense (man-to-man or man-to-Satan) not vertical sense (man-to-God) [GH interpretation]. Someone will think all the old things about fellowship and that would be wrong. **You cannot be in any more fellowship with God than you are after accepting Jesus as your all-sufficient Savior and understanding all the mercies of God that came with that. Your fellowship is not dependent on your works**. We can live in a way that is displeasing to God but that doesn't mean that we are out of fellowship with Him. Think about what we were taught growing up. Get right with God, confess your sins (what about the ones you can't remember?), etc. God is looking for you to stop doing what you knew was wrong and start living like who you have been made to be. He has taken care of all the rest of it.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:1		1 There is therefore now no condemnation to them which are in Christ Jesus, who walk not after the flesh, but after the Spirit. WALK NOT AFTER THE FLESH, BUT AFTER THE SPIRIT: MM says everytime a negative gets told to you, he turns right around and tells you what to do. MM says it is not enough to know what NOT to do, you have to know what TO DO. To the best of his knowledge, MM doesn't believe the NOTs are are meant to stand on their own. Can't find where Paul has told us NOT to do something without telling us what to do. WHO WALK: Who put their static position IN Christ into progressive practice-go somewhere, make progress, give motion to it; walking is conduct. WALK: When you start to walk, you are taking a static, standing position and then going somewhere, making progress. Process of moving. Standing or position is IN Christ. Your position is - this is who He made me to be. Reckon that to be true - make that a reality for yourself. Now you are going to walk. You are going to do something with it or go somewhere with it. Walk with what you understand mentally and put it into effect in your daily functional life. Told to WALK IN NEWNESS OF LIFE-Romans 6:4 but weren't told HOW. Shouldn't have been told yet. WHO WALK...AFTER THE SPIRIT: As the Spirit we are following who He has made us to be and we're living out of that as we obey the doctrine as we are told in BUT GOD BE THANKED THAT YOU WERE SERVANTS OF SIN BUT YOU HAVE OBEYED FROM THE HEART THAT FORM OF DOCTRINE WHICH WAS DELIVERED TO YOU-Romans 6:17, then we are fill that creature with the Life of Christ which is exactly what God is after. **That Life of Christ in us transforms us into the image of God's son. That's the glory that will be revealed in us (GH: Colossians 1:27). This is the HOPE OF GLORY-Colossians 1:27. The glory that will be revealed in you that the sufferings are not worthy to be compared to**.
Romans 8:1		1 There is therefore now no condemnation to them which are in Christ Jesus, who walk not after the flesh, but after the Spirit. NOT AFTER THE FLESH: Law thinking: by getting under or grabbing the law to live your santified life & have to watch what I do where the weakness of your flesh/can't empower the law & only produces a carnal mind and functional death & cannot please God. Trying to produce your own sanctification by obeying the law. Energy of your flesh is trying to obey the law. The flesh cannot please God. He means for you to be under grace. NOT worldly living. (don't) WALK NOT AFTER THE FLESH: Don't grab ahold of the law to try and live for God. Flesh is weak and can't empower the law. WHO WALK NOT AFTER THE FLESH: God rejects service in the flesh - God rejects everything about our flesh. AFTER THE FLESH: Condemnation is to our functional life - not talking about salvation here. Talking about our ability to live for God. Appears again in v4 and v5. FLESH: Wants a law to follow. Doesn't have to be the Mosaic law, it can be some preacher's law. MM says they all want to give you one.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:1		1 There is therefore now no condemnation to them which are in Christ Jesus, who walk not after the flesh, but after the Spirit. (WALKING) AFTER THE SPIRIT: **Walking after what the Spirit did when He gave you a position IN Jesus Christ and baptized you into His death, burial, and resurrection. Means to conduct (walking is conduct) ourselves in concert with who we have been made to be IN Jesus Christ**. Is NOT the ENERGY OF YOUR FLESH which is following the law (empowers sin and exceeds your ability - law is depending on your flesh to empower it). Is walking according to who you have been made to be IN Christ. When you got baptized into His death, burial, and resurrecction, that means you were made DEAD TO SIN so you can say NO to sin. The old man was crucified with Him, that the BODY OF SIN might be destroyed. Walking according to who the Spirit has made you to be. Is the way we talk our static position IN Christ and put it into motion. Not told in these first 4 verses HOW to get that done. WALK...AFTER THE SPIRIT: By godly thinking->godly living->godly labor. You allow the doctrine in the word to change your thinking, which then impacts your conduct & behavior, when they qualifies you to labor with God in some aspect of His Business. Otherwise, all you are doing is reforming your flesh.
Romans 8:1		1 There is therefore now no condemnation to them which are in Christ Jesus, who walk not after the flesh, but after the Spirit. BUT AFTER THE SPIRIT: Grace/Spiritual thinking, not in the energy of your flesh, but energy and capacity of the Spirit: puts you living under grace-comprehend and live in accordance/conduct yourself/walk after what the Spirit has done & who the Spirit made you to be IN Jesus Christ when He baptized you/gave you a new identity in His DBR-say to yourself I have been made DEAD TO SIN/no longer master/no longer have to say YES/raised to WALK IN NEWNESS OF LIFE/old man crucified/BODY OF SIN got destroyed. (Walking) AFTER THE SPIRIT is an unfailing truth/works everytime if you are going to live your functional life according to what the Spirit did for you. BUT (WALK) AFTER THE SPIRIT: Had it explained in Romans 6:1-13. Now, He names it. He's giving you a name for it so you can take that whole doctrine and encapsulate it under a name. Here he is giving you an encapsulated tag for a set of doctrine that he gave you back in Romans 6:1-13. Now, show you how to put it to use where it is not an academic exercise and it actually serves you in your life. WALK: Takes the static position IN Christ and now give motion to it. We're going to put it to work. It's going to go somewhere. It's going to do something. This is your sanctified life under grace. (WALK) AFTER THE SPIRIT: If you walk after the Spirit, you're walking in the intercessory work He's already been introducing you to this concept before you get to Romans 8:26-27, which is not a prayer, that's an education, that's an intercession.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:1		1 There is therefore now no condemnation to them which are in Christ Jesus, who walk not after the flesh, but after the Spirit. (walk) AFTER THE SPIRIT: Walk according to/after who the Spirit has made you to be when He GAVE you a position IN Christ/baptized you/gave you a new identity in His death, burial, and resurrection. All with regard to your sanctification. Is the way we talk our static position IN Christ and put it into motion. When you WALK AFTER THE SPIRIT, you are walking after what the Spirit has done to make this possible. That's what you are walking after, what the Spirit has done. What did He do? He baptized you into Jesus death, that made you DEAD TO SIN. He raised you to WALK IN NEWNESS OF LIFE-Romans 6:4. Is not something out of the blue. He has told you all that the Spirit has done to make your functional life successful. To follow what the Spirit accomplished for you. Find out what He did and grab that to live your functional life. That's called living under grace. Following what the Spirit did and walk under grace. It is NOT let me figure out what the Spirit is doing. This is something that has been written down for you that explains what was done for you. Romans 6:1-13 give you a complete description on what walking in the Spirit is all about. Is walking according to who you have been made to be in Christ. When you got baptized into His death, burial, and resurrecction, that means you were made DEAD TO SIN so you can say NO to sin. The old man was crucified with Him, that the BODY OF SIN might be destroyed. That henceforth, we should not serve sin. You don't have to say YES to sin anymore, you can say NO because it is no longer your master. You've been set free. All in those 13 verses. He is saying now, remember what he told you to do with that, RECKON it to be true, so true that it changes the basis of your reality.
Romans 8:1		1 There is therefore now no condemnation to them which are in Christ Jesus, who walk not after the flesh, but after the Spirit. WALK: This is your sanctified life under grace. When you WALK AFTER THE SPIRIT, you are walking after what the Spirit has done to make this possible. That's what you are walking after, what the Spirit has done. What did He do? He baptized you into Jesus death, that made you DEAD TO SIN. He raised you to WALK IN NEWNESS OF LIFE. There's a power that enables you to do that. Saying do or live the way the Spirit really has made provision for you. It's like having the car in the drive way, full of gas, ready to go, with the keys in front of you, and saying when you go, go according to the provison that I have made for you. Only 2 ways to live your Christian life: 1. Say to yourself I am DEAD TO SIN. I don't have to say YES anymore to sin. Sin is no longer my master. I have really been raised to WALK IN NEWNESS OF LIFE. My old man really did get crucified. The BODY OF SIN really did get destroyed. When I get tempted with sin, I have the power to say that's not who I am anymore. I am someone different. I'm not doing that. When you do that, you are walking after who you have been made to be in the Spirit of God. 2. Do it by the law or your version of the law. Paul has beat the law to death for you so you know that is not the way to do it. Walking after what the Spirit did when He gave you a position in Jesus Christ and baptized you into His death, burial, and resurrection. WALK AFTER THE SPIRIT is not going around asking 'What does the Spirit want me to do?' What's being talked about in Romans 8:2 is what he told you 2 chapters back, of what the Spirit did to make you DEAD TO SIN ad ALIVE UNTO GOD. Now, he is going to tell you how to put that into practice under grace. He is saying to take that position that you were given that was performed by the Spirit and when you put that to work in your functional life or in your sanctification, it works. It's a law. It works every single time.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:1		1 There is therefore now no condemnation to them which are in Christ Jesus, who walk not after the flesh, but after the Spirit. AFTER THE SPIRIT: Your sanctification is carried out by the Spirit. Here He is. He baptized you into His death, burial, and resurrection for the purpose of your sanctification. Follow after that thing that the Spirit provided (baptized into His death, burial, and resurrection, setting you free from the old relationship, destroying the body of sin and death, sin shall not have dominion over you, etc.). It's a skill that you need, to put your position IN Christ into practice. When temptation and sin raises up, that's what you will be able to do. What WALKING AFTER THE SPIRIT is all about. MM taught you have to figure out what the Spirit is doing and you have to follow the Spirit. That's not what this is about. 1. He made you DEAD TO SIN (from alive to sin - 1st of 3 components of your sanctification). [Romans 6:2] - Spirit made you DEAD TO SIN by baptizing you into His Son 2. By giving you a new identification in His death, burial, and resurrection, (from DEAD TO SIN) [Romans 6:2] - Spirit made you ALIVE UNTO GOD 3. Adoption/Sonship [Romans 8:15] SPIRIT: First time capital S Spirit shows up in the Book of Romans.
Romans 8:1		1 There is therefore now no condemnation to them which are in Christ Jesus, who walk not after the flesh, but after the Spirit. Need to understand these first 2 sanctification components to show what the Spirit did. God looked at you and said, I WANT you to be able to live for Me everyday. I WANT you to function in accordance with holiness that pleases Me and not in sin. So the first thing I HAVE TO do is I HAVE got to make that relationship that you had with sin a thing of the past. I HAVE got to make you DEAD TO SIN because sin was your master. He destroyed the master-servant relationship for the purpose of freeing you up from sin. Romans 6 was to convince you of this and RECKON it to be true. It has to become a reality for you. He is going to take that reality in your mind from Romans 6 and put it into motion and do it under grace, not under the law. In your Bible, come across the phrase HOLY GHOST and HOLY SPIRIT. That's the same Person - third Person of the Godhead. Sometimes you see just SPIRIT without HOLY attached to it.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:1		1 There is therefore now no condemnation to them which are in Christ Jesus, who walk not after the flesh, but after the Spirit. How you see these verses determines what you believe about your salvation. It's critical to get right. If you pull this verse out of its SANCTIFICATION context, the verse says there is no condemnation for those who walk not after the flesh but after the Spirit. But what if a person would walk after the flesh, they would say there's now condemnation and putting it on your eternal life. Not talking about Justification (Romans 1-5). Sanctification started in Romans 6. If you are spiritual minded, that functional life is working out but if you are fleshly minded, it is not. You will find out that 'walking after the flesh' and 'minding things of the spirit' aren't what you think they are - Paul will define them. Those are the key to having the sanctified, functional life that produces righteousness unto God. Because with systematic theology, people pull verses throughout the Bible and jam them all together, they think this is talking about eternal life. Now, all of the sudden, you walk in the flesh and have lost your eternal life. Think the condemnation is about your eternal life. It's not. It's about your functional life. MM takes all the ITALICS before he puts verses on the PPT because in his notes, italics is what he wants to focus on and that is his way of pointing his eyes at his notes. People misread and say if you walk after the flesh, you have lost your salvation. Only makes sense to be still talking sanctification. When you are under the law, you have that condemnation. Condemnation is not to hell, it is the condemnation of your functional life.
Romans 8:1		1 There is therefore now no condemnation to them which are in Christ Jesus, who walk not after the flesh, but after the Spirit. Verse is saying there is not going to be any condemnation to your functional life to everyone who is IN Christ Jesus and who does not try and employ the law and their flesh to serve Him. But they do it by walking after the Spirit. **Could read v1 like this:** **There is therefore now (now in your sanctified, functional life)** **no condemnation (no being condemned under the law to functional death)** **to them which are in Christ Jesus (being fully identified IN and with Christ),** **who walk (who put their static position IN Christ into progressive practice)** **not after the flesh (not by getting under the law where the weakness of your flesh only produces functional death),** **but after the Spirit.** **NOT about 'fellowship with God' - You cannot be in any more fellowship with God than you are after accepting Jesus as your all-sufficient Savior and understanding all the mercies of God that came with that. Your fellowship is not dependent on your works. We can live in a way that is displeasing to God but that doesn't mean that we are out of fellowship with Him**.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:1		1 There is therefore now no condemnation to them which are in Christ Jesus, who walk not after the flesh, but after the Spirit. Only 2 possible alternatives for you to live unto God in righteousness and produce fruit unto holiness: 1) Under the law (which is impossible for us to do): Do it yourself (which can only be done under God's Law); MM says if the law can't do it, some little man-made substitute doesn't even come close. 2) Under grace (which is the only successful way): Do it by God putting His Jehovah-ness into effect and doing it for you (and that can only be done under grace). Both your justification and sanctification had to be given to you. Not because what you did but because what He did for you (both cases). Two things about this WALK: 1. It is not after the flesh (and put yourself back under the law). 2. After the Spirit (puts you under living under grace).
Romans 8:1		1 There is therefore now no condemnation to them which are in Christ Jesus, who walk not after the flesh, but after the Spirit. Two operating systems for your sanctification: 1. the flesh 2. the Spirit If you walk after SomeOne, you are following and the Other is leading. There are verses about being led by the Spirit. The means He is leading you is in the word. If you go outside the word, now you have left yourself open to a whole host of things. People think that they somehow have to go outside the Bible and discover what God wants me to do. MM says you will discover what to do by being in the Bible and being educated in His Wisdom. We approach this totally wrong. God is revealing His Will in the scripture and that is how the Spirit is leading us, according to God's Will.
Romans 8:2	MoG - 10 of 18 - Liberty = FREE FROM THE LAW OF SIN AND DEATH	2 For the law of the Spirit of life in Christ Jesus hath made me free from the law of sin and death. **Romans Mercies 10- Liberty** Fill it in on how it all works. v1 is just giving you details. Explain how to utilize. LIBERTY vs. FREEDOM: LIBERTY: Liberty is the power to do what you ought to do - why Paul doesn't say we have freedom IN Christ, says we have liberty IN Christ. We have the power to do what we could not do before. Is a cornerstone of Sonship. When you are being told what to do, that's not indicative of an adult son. It's indicative of a child with limited decision making. FREEDOM: Freedom says I can do anything I want to. Henceforth, we should not serve sin. You don't have to say YES to sin anymore, you can say NO because it is no longer your master. Everytime you walk according to what the Spirit did for you and put your postiions IN Jesus Christ, that thing works every time without fail. So much that it is a law.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:2	MoG - 10 of 18 - Liberty = FREE FROM THE LAW OF SIN AND DEATH	2 For the law of the Spirit of life in Christ Jesus hath made me free from the law of sin and death. EXPLANATION verse: FOR: An English word of logic - v1 told you how to live in a nutshell, v2 starts off with a FOR - tells you I'm giving you further explanation of what you just had. Will explain v1 further. Get further explanation of what we just got in v1. LAW OF THE SPIRIT OF LIFE IN CHRIST JESUS (Grace): Another one of those laws like gravity. The unfailing truth of that which was performed by the Spirit in connection with our functional life IN Christ; i.e., that every time I conduct myself in accordance with who I have been made to be IN Christ, I am free from the law and incur no functional death. We'll learn this but it is important to continue to refer to it that way. When the Bible brings it up, it will refer to it in that way. That way you are identifying everything the way it is supposed to be identified. THE LAW: Is not a reference to the Mosaic Law. Clue: LAW freed me from the law of sin and death - the law didn't free anybody up from anything. Used like the term LAW in Romans 7:21. Something that works everytime like the law of gravity. Everytime it is tested, it produces the same exact thing.
Romans 8:2	MoG - 10 of 18 - Liberty = FREE FROM THE LAW OF SIN AND DEATH	2 For the law of the Spirit of life in Christ Jesus hath made me free from the law of sin and death. LAW (constantly occuring truth/unfailing truth) OF THE SPIRIT OF LIFE (something the Spirit does): What the Spirit did to give us functional life. Happens every time; unfailing truth that every time you test it, it comes out the same way each time. Can drop a marker a 1,000x and it will hit the floor every time. Not a reference to the Mosaic law. The law freed me from sin and death. THE LAW OF THE SPIRIT: Capital 'S' so you know this is the Holy Spirit. Spirit of God is behind this law. Know the Spirit baptized us into Jesus' death, burial, and resurrection, giving us a full identification by baptizing us with Jesus Christ. OF THE SPIRIT: Law Author; performed by the Spirit (means the Spirit is the One doing it). OF LIFE: Concerning our functional life, not eternal. IN CHRIST JESUS: Grace - with regard to our position or status or standing IN Christ (happened at salvation) it works everytime. Never failing truth that what the Spirit has done in identifying us with Christ will always produce functional life. That's the law (Jeremiah 31:31) that has to be operating IN you.
Romans 8:2	MoG - 10 of 18 - Liberty = FREE FROM THE LAW OF SIN AND DEATH	2 For the law of the Spirit of life in Christ Jesus hath made me free from the law of sin and death. IN CHRIST JESUS: with regard to our position or status or standing in Christ (happened at salvation) it works everytime. Already knew every bit of this from Romans 6 - here he is just giving it a name. Everytime you put your position in Christ into effect for your functional life, you are acting on that which was done by the Spirit. What's another way to say using a Bible term? WALK AFTER THE SPIRIT. Everytime you walk according to what the Spirit did for you and put your postiions in Jesus Christ, that thing works every time without fail. So much that it is a law. Giving you the detail here of what he gave you in v1. Told you to WALK AFTER THE SPIRIT, it's the unfailing truth that if you are going to live your functional life according to what the Spirit did for you when He gave you a position in Jesus Christ, that's going to work every single time. Long way of saying WALKing AFTER THE SPIRIT works every single time.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:2	MoG - 10 of 18 - Liberty = FREE FROM THE LAW OF SIN AND DEATH	2 For the law of the Spirit of life in Christ Jesus hath made me free from the law of sin and death. FREE FROM THE LAW OF SIN AND DEATH: Talking about that same YOKE OF BONDAGE in Galatians 5:1. THE LAW OF SIN AND DEATH: The Mosaic law or cheapened/Christianized versions; unfailing ability to bring about functional death to anyone who uses it to provide their own sanctification. The ones that can't bring you functional life. Now let's take a look at another law. This is the Mosaic law or a cheapened version of the Masaic law. Only alternative since the first law was grace. Remember what we were told in Romans 6:14 - FOR SIN SHALL NOT HAVE DOMINION OVER YOU. It made you free from the law. You are not under the law but under grace. LAW OF SIN: Because it gives sin the power to exceed our best/greatest efforts. LAW OF DEATH: Because it never fails to result in functional death.
Romans 8:3		3 For what the law could not do, in that it was weak through the flesh, God sending his own Son in the likeness of sinful flesh, and for sin, condemned sin in the flesh: Notice the verse ends in a colon, which means there's something that has to be added to this. Colon is the next strongest pause other than the period in language. If it's a colon, the 2 phrases/thoughts could stand alone but they're meant to be put together, which tell you as I read v3 and have got to take what is in v4 and this in with it. There's a connection here. FOR: Get further details /explanation now of what you were given in v2. FOR WHAT THE LAW COULD NOT DO, IN THAT IS WAS WEAK THROUGH THE FLESH: Being carnally minded or being in the flesh is depending on the law to please God and it can't please God because it is weak through the flesh. Why the law can't be obeyed. Our flesh is too weak. The law can't make you holy. The law can't sanctify you. The law can't conform you to the image of God's Son. Because the power source for keeping the law is the flesh and the flesh is weak and carnal. (the law) WAS WEAK THROUGH THE FLESH: Brings the issue of Romans 7:14 back up again. You already know that you can't get ahold of the law and try and live for God everyday. Only one thing has the power to do that and that is grace. It is not going to be your power because you are weak.
Romans 8:3		3 For what the law could not do, in that it was weak through the flesh, God sending his own Son in the likeness of sinful flesh, and for sin, condemned sin in the flesh: FOR WHAT THE LAW COULD NOT DO: There's a lot of things the law can't do but now Paul is going to give you a single phrase that encapsulates what the law can't do. He is going to wrap it up in a phrase. LAW COULD NOT DO: The Mosaic law. He says the law is righteous. Not anything wrong with the law itself. AND FOR SIN, CONDEMNED SIN IN THE FLESH: MM translation would have been 'did that what the law could not do'. What the law couldn't do, God sent His Son and did. What is that thing He did? CONDEMNED SIN IN THE FLESH. There's a perfect righteousness that gets imputed to us when we get saved as part of our justification. With our sanctification, there is a righteousness we are able to live by and it's not because we are going to obey the law, but take what the Spirit did and walk after it and produce that righteousness in our daily lives. Something that God is very interested in/wants. When you walk consistent with who He made you to be - sin gets condemned in your flesh.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:3		3 For what the law could not do, in that it was weak through the flesh, God sending his own Son in the likeness of sinful flesh, and for sin, condemned sin in the flesh: CONDEMNED SIN IN THE FLESH: God made a provision through His Son Jesus that sin no longer had dominion of our flesh/body and sin is powerless from keeping you from doing righteousness. The sin in your flesh has been put to death with regard to your sanctified life so that sin cannot operate in you or have dominion over you; Jesus condemned sin in the flesh so that the righteousness of the law might be fulfilled in us. When you walk consistent with who He has made you to be, sin gets condemned in the flesh in a moment-by-moment basis. You are not MADE to do, but it is AVAILABLE for it to be done. This is something Jesus provided for our sanctification. When Jesus was buried 3 days & 3 nights in the tomb and sin had no power to corrupt the body of Jesus whatsoever. He totally condemned sin in the flesh. He provided for the sin that dwells in our members to be able to put that to death and to keep/enable us to live the sanctified life that He made possible for us. It doesn't have power unless you give it to it. The sin that is in your flesh has been put to death with regard to your sanctified life so that sin cannot operate in you or have dominion over you. You know you have sin dwelling in your members, this body didn't get redeemed and sin didn't get exterminated. The Lord condemned sin in the flesh, that allows us to actually put sin to death on a moment-by-moment basis. Taught to us in Romans 6. The very thing people think the law can do is the thing the law cannot do. The thing people think the law can do, which all this corrected, it's what Jesus did in His death, burial, and resurrection. God made a provision through His Son Jesus that sin no longer had dominion over our flesh/body. Sin is powerless from keeping you from doing righteousness. It doesn't have power unless you give it to it.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:3		3 For what the law could not do, in that it was weak through the flesh, God sending his own Son in the likeness of sinful flesh, and for sin, condemned sin in the flesh: The law could not condemn sin in the flesh, The law is unable to condemn sin in the flesh because it is dependent upon the flesh to empower it, and the flesh is too weak. The law has no power of its own. All it does is demand. It looks to the flesh for power but the flesh is inherently weak. Summary: Sin has been put to death with regards to your sanctified life. This opportunity exists - not automatic. If a person chooses NOT to be who they have been made to be, sin is very much alive. CONDEMNED SIN IN THE FLESH: You know you have sin dwelling in your members, this body didn't get redeemed and sin didn't get exterminated. The Lord condemned sin in the flesh, that allows us to actually put sin to death on a moment-by-moment basis. You are not MADE to do, but it is AVAILABLE to be done. That righteousness that we produce as a result of that really pleases God. This verses DOES NOT say 'that the law might be fulfilled in us'. It's not about the law. When God gave the law in TIMES PAST, He was giving His perfect standard of righteousness. The law did represent that. When we live according to who the Spirit has made us to be in Jesus Christ, we now produce the righteousness of the law. Not THE law, but the righteousness of the law. If someone could have kept the law, he wouldn't have needed anything else but he can't. That righteousness can be produced in us under grace if we walk after the Spirit, if we put our position IN Christ into practice properly, sin will not have dominion over us just like Romans 6:14 says. We won't be giving sin any power. It's not going to be able to outperform us in any way. If things up to this point have been properly understood, you understand then that walking after the Spirit is the only successful way you're ever going to put your sanctified life into practice. There is no way you'll be able to do that under the law.
Romans 8:4		4 That the righteousness of the law might be fulfilled in us, who walk not after the flesh, but after the Spirit. Need to attach v4 to the end of v3 (colon issue). Your flesh can't produce what is needed for the law to do that for you. We are not going to keep the law, we are going to live in such as way that we fulfill the righteousness of the law. Later on he adds without the law. v4 does NOT say the law is fulfilled in you. People want to say, oh, if I live my sanctified life, I fulfill the law. No, it's the righteousnesso that law that get fulfilled in you and there's a difference. Can't read it sloppily or not pay attention and see it. Go to almost every commentary - take v4 and say see we're going to fulfill the law. Bible never says you fulfill the law. It says the righteousness of the law gets fulfilled in you. That's a different issue. THAT: PURPOSE verse. THAT THE RIGHTEOUSNESS OF THE LAW MIGHT BE FULFILLED IN US: What God accomplished through His Son was so the righteousness of the law might be fulfilled in us. That is what God expects of us. GH: Introduced here, get all the aspects of godly love to fulfill in Romans 12-16. THAT: Word of Logic - Give us purpose statement - tells you WHY everything got done - He did THIS in order to do THAT. THE RIGHTEOUSNESS OF THE LAW: Equal to the very righteousness of God Himself; that righteousness that is produced IN us through the sanctification provided for by grace, through Jesus Christ; what we produce when we live according to who the Spirit has made us to be IN Jesus Christ.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:4		4 That the righteousness of the law might be fulfilled in us, who walk not after the flesh, but after the Spirit. MIGHT BE FULFILLED IN US WHO WALK NOT AFTER THE FLESH, BUT AFTER THE SPIRIT: Everything we do is either in the flesh or 'after the Spirit'. If it is 'after the Spirit' then it is the doctrine working in us, it is Christ in us, the hope of glory. God rejects the efforts of the flesh. WHO WALK NOT AFTER THE FLESH: Not what most people think (carnal, fleshly, sinful, worldy stuff)-change the way you think about this; it means trying to implement the law or some version of it to live for God. This is NOT doing worldly stuff. Way our mind naturally perceives it. Typical one - Walking after the flesh would be I am going to watch TV instead of reading my Bible. Typically think it is doing some fleshly, carnal, worldly, sinful thing. Per Romans 8, walking after the flesh has nothing to do with this. Walking after the flesh is trying to live for God by implementing the law. That's the way he is defining it. WHO WALK...AFTER THE SPIRIT: To have the word renew our thinking, transform our conduct & behavior, and equip us to labor with our Father when those things happen with us. BUT AFTER THE SPIRIT Jesus purpose of condeming sin in the flesh was so that the rightousness of the law might be fulfilled IN us. That we can live righteously in our daily lives.
Romans 8:5-13		Question at the end of v4 should be I understand the WHAT but exactly HOW do I do that? I understand that it's a law/works every time/it's not after the flesh but after the Spirit. At the end of v4, faced with a particular need. Need to know exactly what walking after the Spirit means. Need to know that is does not duplicate in any manner whatsoever or mirror walking after the flesh by trying to keep the law. Need to have Paul come along and explain to us exactly what walking after the Spirit is so that we understand what it is and understand what it is not and how it is successfully achieved. How to put that truth to work so that it produces exactly what it was supposed to produce as you live your everyday life. It produces the righteousness that God is pleased with. Understand the dichotomy here. Give you the answer and then teach it in the scripture. ANSWER to the HOW: It gets done by teaching you to think in a particular way. Changing the way you think. Will determine the steps that you take, what you say, where you go, how you respond to situations/circumstances that come up. Give you an understanding of the way you are going to do it. How I put my position into practice to change the way I'm thinking about some things. When you begin to do that, it's a skill that you need, to put your position IN Christ into practice. When temptation and sin raises up, that's what you will be able to do. What WALKING AFTER THE SPIRIT is all about.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:5-13		Answers “How is that done?” Done by: - thinking in a particular way - MINDing THE THINGS OF THE SPIRIT - Romans 8:5/SPIRITUALLY MINDED - Romans 8:6 - by thinking of, and being mindful of who the Spirit of God(GH: Sanctification) has made me to be IN Christ - your new identity IN Christ (DEAD TO SIN & ALIVE UNTO GOD) - That thinking determines the steps I take, what I say, where I go, and how I respond to situations and circumstances when I end up in them, based upon my walk - Culmination: WALKING AFTER THE SPIRIT IS ACHIEVED BY MINDING THE THINGS OF THE SPIRIT, AND NOT BY MINDING THE THINGS OF THE FLESH. These 13 verses are the end of this area of being DEAD UNTO SIN and ALIVE UNTO GOD and how to live that sanctified life everyday. After v13, given the 3rd aspect of your Sanctification - ADOPTION as sons and daugthers.
Romans 8:5-8		HOW we are going to take our position IN Christ (made DEAD TO SIN and ALIVE UNTO GOD - He DID some things to make these true for you) and make it a practical reality in our everyday life. How to put that truth to work so that it produces exactly what it was supposed to produce as you live your everyday life. It produces the righteousness that God is pleased with. They that are in the flesh cannot please God. He means for you to be under grace.
Romans 8:5-8		v5: Begins this explanation - People who are thinking that they are going to have to live their sanctified life by the law are thinking about the law and how they are going to perform. But the people who are going to live their sanctified life after the Spirit are going to live this sanctified life under grace are thinking about who the Spirit has made them to be and that's the way they are going to live. v6-8: The things you possess when you walk after the Spirit are the complete opposite of the things you will possess when you walk after the flesh by trying to put your Christian life into practice under the law. v6: CARNALLY MINDED: Know it is under the influence of the law and the flesh. This is the guy who thinks the law will make him sanctified/restrain sin & promote righteousness that God is pleased with. v6: SPIRITUALLY MINDED: Know it is under the influence of grace and the Spirit. WALKING IN THE FLESH: What you do when you try and live your life under the law in order to please God. Trying to keep the law in the energy of your flesh. Guaranteed to fail because you were already told that sin will exceed your best efforts. Don't confuse functional life with the doing of good deeds. That's what trying to keep the law is. Doing good deeds in the energy of your flesh. Your flesh is always going to be exceeded by the power of sin. God says that you can't produce the kind of righteousness. He says you weren't ever going to be able to do that. I PROVIDED something that will make you DEAD TO SIN and ALIVE UNTO GOD that you are actually going to be able to put into practice under grace. Grace has the power to produce that every single time without fail. MM likes the word functional more than spiritual because not everything we do is spiritual.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:5-8		MINDING: Thinking about that. Is a way of thinking. Putting your mind to it. *MIND v5: To 'mind' means to 'think'; to have in mind; to attend or pay attention to; to have a mind-set; to be minded or mindful *MINDED v6: the bend, tendency or inclination of the mind; hence, to have a mind-set *TO MIND something means to give attention to a thing with the intent to heed to a particular course of action. MM says how you think about it is how you are going to act on it. MIND THE THINGS OF THE FLESH: Stay in the context. Thinking about the things you will do in your own flesh to obey the law. Stays right in the context of where we have been. Two ways: 1. Produce it yourself and fail (carnal mind using the flesh and try to keep the law) 2. Realize you can never produce something equal to what God has done and you're going to live out of what He has done instead. PROCESS: When you MIND THE THINGS OF THE SPIRIT and you know what those things are - concern your new identity IN Christ and the fact you have indeed been made DEAD TO SIN and ALIVE UNTO GOD - told in Romans 6 to reckon that or count that as such as truth that it becomes the basis of your reality. Then you become SPIRITUALLY MINDED. Like your part in justification - you believed in Jesus Christ and His death, burial, and resurrection and He gave you eternal life. Didn't have to do anything else to get either. All BGTF. If not, it is back to functional death and works and the law. EX I can't take my neighbor's whatever because that is not who I am in Jesus Christ.
Romans 8:5-8		I used to have a relationship with sin that I did what it wanted and now I don't do that. When you think that way, you become SPIRITUALLY MINDED and the Spirit, He's already in you, He begins to DWELL IN YOU. One of the things He does when He DWELLS IN YOU is He QUICKENS YOUR MORTAL BODY and He gives you the power to say NO in your mind and not take from your neighbor. He is going to make it so that what is produced in your mortal body is the exact righteousness that He Himself wound have produced. MINDING THE THINGS OF THE SPIRIT: Think about what the Spirit has done to make me DEAD TO SIN and ALIVE UNTO GOD and my new identity IN Christ. Filling of the Spirit is not an instantaneous thing, not according to your Bible. It's a process that He is taking your through and he will explain that process. Take all these words that we use that are not Bible words and we try to create a doctrine off of it and we get confused. When we got saved, the Holy Ghost was given unto you and He came in and got in you. Your spirit was saved and He was in you. But He wasn't dwelling in you. When He is dwelling in you, you are giving Him the ability not to just live here, but dwell (enjoy the pictures on the wall, the furniture, the finish out like He wants it). Like a rental home vs. your bucket home. You were given the Spirit when you got saved but there's coming a time when you're going learn if I try to live my sanctified life under grace because of the new identity that I've been given in Jesus Christ, all of a sudden you are now minding the things of the Spirit and that makes you not carnally minded but spiritually minded. You are walking after the Spirit and that makes you now in the Spirit. That means the Spirit of God is doing this dwelling that the Bible is talking about. If you have an incident and forget and decide to deal with this another way, you are no longer in the Spirit. It can't be by your works or it wouldn't be by grace.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:5-8		There is a process going on that you can't see with your eyes, just like you couldn't see righteousness being imputed to you or forgiveness or permanent At-one-ment with God. You couldn't see any of that but it is really true and you can't see that you are DEAD TO SIN and ALIVE UNTO GOD any more than you can see him QUICKEN YOUR MORTAL BODY but it's just as true. When you finally get fully persuaded/confident that what he has told you on these pages of your Bible is exactly the way it works and you have no objection to that, the flesh objects to that, wanting to do something. Why you have liturgy in religion. If all you got is religion, you missed it. You don't have it. The COTW/POE has made sure that at least some religion has crept into all of us. What we are doing here is exactly what Paul told Timothy the local church was supposed to do. We are taking God's course of education in the order that he prescribed it for us and that's what every pastor's job is. People will come to MMs church and say that was really good but that didn't feel like church to me. Why? Their flesh is looking for some form of the trappings of religion. So used to that/ingrained in that, if we don't get that we didn't go to church. MM said this is probably the only place where you really are going to church. Look for something in this process that makes us feel like that we can do it. It is not about your flesh or works, it is about can you have/put fatih in what your Heavenly Father has told you when you trusted Jesus as your all-sufficient Savior. He didn't ask you for a thing and yet He carried it out. Now comes your sanctification and you're saying OK how am I going to produce righteousness that God can accept? I am going to have to do it. NO! HE IS going to do it through you. How? I MIND THE THINGS OF THE SPIRIT which makes you SPIRITUALLY MINDED. The Spirit of God functioning in our sanctification now dwells in you and the thing He does now is He quickens your mortal body or He makes it fully functionally alive so that what you produce in this body is now the righteousness that God can accept. How Jesus lives His life in you. Then the Spirit you were given when you got saved begins to DWELL IN YOU. When the Spirit DWELLETH IN YOU, He QUICKENS YOUR MORTAL BODY. Covers the 2 aspects of something changing in your MIND and in your BODY.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:5-8		WALK AFTER THE SPIRIT: Two components: 1. Something has to change in your mind (Romans 8:5-8 - two kinds of mindedness) 1) CARNALLY MINDED (EMINITY [active state of mutually hostile opposition] AGAINST GOD-why those that are in the flesh cannot please God): I am going to utilize some list of rules to live for God and I am going to do it to the best of my ability. 'Brother MM it doesn't matter how I do it, it's still me doing it?' MM says it is not and will show you. 2) SPIRITUALLY MINDED (only method that God will accept for serving Him; NOT about thinking thoughts about religious things/NOT go read my Bible when I get home/NOT bring someone to church to hear the Truth/NOT witnessing to someone): thinking about the things/minding the things that the Spirit has done when He gave us a new identity that truly made you DEAD TO SIN and ALIVE UNTO GOD, thinking about who you have been made to be IN Jesus Christ. When you are mindful of that and flood your mind with these thoughts, you become spiritually minded. Now you can take this position and walk in a way that pleases God. The only way God accepts. 2. Something has to change in your body (have to act in accordance with 1) (Romans 8:9-13) The whole idea is the SPIRIT IS (functional) LIFE and if you MIND THE THINGS OF THE SPIRIT you are now allowing Him to not just be IN you but to do something IN you about this life that you want to live for God. If you are IN THE SPIRIT, you are going to be thinking about the things that the Spirit has done in that new identity that was given to you by the Spirit when He baptized you into the death, burial, and resurrection of Jesus Christ, that made you DEAD TO SIN and ALIVE UNTO GOD. THE FLESH (Romans 8): NOT talking about thinking/doing sinful or worldly stuff. It is addressing the 2 ways you will try and put your sanctified like into practice. Going to be under the law.
Romans 8:5		5 For they that are after the flesh do mind the things of the flesh; but they that are after the Spirit the things of the Spirit. Begins this explanation. Divided into 2 parts, divided by a semi-colon (a very strong pause) - I need to understand the first part so I can understand the second part. FOR: English words of logic - gives you a further explanation of things that have come along. THEY THAT ARE AFTER THE FLESH MIND THE THINGS OF THE FLESH: Not worldy/sinful thinking; it is thinking about the things you will do in your own flesh to obey the law/with your own works in attempt to please God. MINDING: Is a way of thinking - thinking about. Putting your mind to it. MIND THE THINGS OF THE FLESH: Talking about the law. Uses FLESH and not law since the law has no power to restrain sin. The law depends on your flesh as its power source but when confronted with sin, your flesh is weak. Not talking about sinful things you do. It is not in the context. For 3 chapters, he has been talking law and grace, flesh and spirit. (MINDING) THE THINGS OF THE SPIRIT: Think about what the Spirit has done to make me DEAD TO SIN and ALIVE UNTO GOD and my new identity IN Christ. MIND: Word is only in that first phrase but if you read that, just the way the sentence is constructed, don't you see that it is intended for you to read the word into the second phrase as well?

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:5		5 For they that are after the flesh do mind the things of the flesh; but they that are after the Spirit the things of the Spirit. BUT THEY THAT ARE AFTER THE SPIRIT (mind) THE THINGS OF THE SPIRIT: **WALKING AFTER THE SPIRIT is achieved by (minding) THE THINGS OF THE SPIRIT**. (MIND) THE THINGS OF THE SPIRIT: Process in your inner man; Think about, believe, and fill/flood your mind with all the things the Spirit did in His Jehovah-ness and grace to identify you with Christ - DEAD TO SIN, ALIVE TO GOD, old man crucified, baptized into His death - and realize who you have now been made to be/who you are now/new identity/set us free. Thinking this way makes a difference in how you conduct yourself and walk/live accordingly under or live out of the power of grace, which has the power to restrain sin and promote righteousness-NOT supposed to MIND all the things of the Spirit - changing WHAT you think and HOW you think; see temptation as the opposite of righteousness that would please God and completely out of character with who He has made you to be and He has called you to live that way, I am no longer that old person/Adam. Really someone different. Part of being a son is making wise decisions and learning how to think like your Heavenly Father. Flood you mind with your position IN Jesus Christ being a practical thing that floods your thinking and you live out of that.). All the things the Spirit did to identify you with Christ and make you DEAD TO SIN and ALIVE UNTO GOD. Thinking about who you have been made to be and then I need to conduct myself accordingly. What did the Spirit do with regard to your sanctification? Gave you a new identity, and now you are going to live out of that new identity. We don't mind everything the Spirit ever did, we're just talking about putting in our mind the things of the Spirit did when He set us free from sin and gave us a new identity.
Romans 8:5		5 For they that are after the flesh do mind the things of the flesh; but they that are after the Spirit the things of the Spirit. WALKING AFTER THE SPIRIT - Two Parts: 1. Starts with WHAT you think (why he spends so much detail, changing the way you understand the terms) - What is in your mind - how you are thinking 2. HOW you think about it - How your thinking affects your members - what you are now going to do as a result of that You may say thinking isn't walking, that's not going anywhere but it is the most important part of the process because it is going to guide what you now do with what you you think. Two parts: 1. Something that goes on up here (mind) and that determines 2. what you are going to do or say. MIND THE THINGS OF THE SPIRIT: Thinking about the things the Spirit is doing in our new identity IN Christ. We were thinking about those things we were minding the things of the Spirit.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:5		5 For they that are after the flesh do mind the things of the flesh; but they that are after the Spirit the things of the Spirit. MINDING (thinking about) THE THINGS OF THE SPIRIT: Not thinking about everything the Spirit has ever done (Genesis 1:1). Thinking about who the Spirit made you to be when He gave you that new identity IN Christ. Note: You cannot produce righteousness in your flesh (following the law, doing good deeds) that God can accept. Note: **Your good works are a product of your sanctification. You are not going to produce your sanctification. Your sanctification is going to produce good works**. Knowing who I am now, my new identity, and now when you think that way, that makes a difference in how you conduct yourself. When that happens, what you do is now being produced under grace and it has the power to restrain sin and promote righteousness and it doesn't put you under the law and gives you functional life. It's not 'I am trying to do this to the best of my ability' it is 'wait a minute, this is who I really am'.
Romans 8:5		5 For they that are after the flesh do mind the things of the flesh; but they that are after the Spirit the things of the Spirit. There are only 2 ways to do that: 1. You either try to produce a sanctification-type righteousness under the law by your own works, to such a degree that the fruit of your conduct is agreeable and acceptable to God OR Long way of saying you are trying to produce it yourself by your own works and that will never succeed 2. By God's Jehovah-ness producing a sanctification-type righteousness that will make it so that the fruit of our conduct and behavior will be agreeable and acceptable to Him; producing functional life for us; and the only way that can be done is by going under His system of grace. What does it mean to go under that system of grace? Means someone else had to provide this for you. Means your substitute Redeemer, in His death, burial, and resurrection had. It is there whether you ever access it or not. It is 100% completely there. The only thing he is trying to do now is tell you of it and convince you it's there so you will put it into practice. All has been provided by your substitute Redeemer Jesus Christ. God said I MADE it so that you will actually be able to produce righteousness I AM pleased with.
Romans 8:5		5 For they that are after the flesh do mind the things of the flesh; but they that are after the Spirit the things of the Spirit. Then, you have to have a proper response to it once he tells you about it with grace - faith. With grace, only 1 proper response-faith. With the law, the proper response is works. Sanctification, like justification, is BGTF w/o works. STORY: MM growing up, when he was going to go somewhere, the last thing Dad or Mom would say is remember who you are and act like it. He knew what that meant. If he ever did anything out of sorts, they would say I can't even believe that's you. Or you boys I expected that. Out of MM I never thought that. Now your Father is saying this. That old way you lived, that's not who you are anymore. At one time, we were unsaved/under sin's mastership/dominion, but we really did get set free from that and that really did change. Changing the way you think. You have a position you have to fill and it is going to take responsibility and maturity.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:5		5 For they that are after the flesh do mind the things of the flesh; but they that are after the Spirit the things of the Spirit. MIND THE THINGS OF THE FLESH: People who are thinking that are going to have to live their sanctified life by the law are thinking about the law and how they are going to perform. THEY THAT ARE AFTER THE SPIRIT THE THINGS OF THE SPIRIT: But the people who are going to live their sanctified life after the Spirit are going to live this sanctified life under grace are thinking about who the Spirit has made them to be and that's the way they are going to live. The flesh and carnal are dealing with the same thing - the natural capacity/weakness that you have. Your functionally dead by nature. Talking about influencing your mind - your mind doesn't become the law/flesh, your mind becomes CARNAL. See carnally minded, know it is under the influence of the law and the flesh. [This is the guy who thinks the law will make him sanctified/restrain sin & promote righteousness that God is pleased with.] See spiritually minded know it is under the influence of grace and the Spirit. God said I MADE it so that you will actually be able to produce righteousness I AM pleased with. MIND THE THINGS OF THE SPIRIT: We don't mind everything the Spirit ever did, we're just talking about putting in our mind the things of the Spirit did when He set us free from sin and gave us a new identity. A THING of the Spirit is in Genesis 1:2, it's just not the thinking you're supposed to think about in order to life out your sanctified life. Thinking about Genesis 1:2 will do nothing to put your sanctified life into practice. It's the things the Spirit has done to put you in the place you are, to make you who you have been made to be. That's what makes the difference about your sanctified life.
Romans 8:6-8		Amazing stuff - the questions that we'd be having are going to get answered. The things you possess when you walk after the Spirit are the complete opposite of the things you will possess when you walk after the flesh by trying to put your Christian life into practice under the law. Notice the shift in terminology. Will look close but it is going to be different. Need to know what they reason is.
Romans 8:6		6 For to be carnally minded is death; but to be spiritually minded is life and peace. Continues on the MIND/MINDING/MINDED theme. Driving that you have to change the way you're thinking about things. Mindset is going to have to be different. You are going to have to be mindful of something different. To this point, it has been the flesh and the Spirit. Changes from flesh and Spirit to CARNALLY MINDED and SPIRITUALLY MINDED. Talking about the same things but there is a little different aspect of it. In my mind, what I am thinking is influenced by something. If the law which is going to be energized by the flesh. If that's what I think is the way to live my Christian life, that is going to influence my mind and that makes my mind carnal. The carnal mind is influenced by the law and the flesh. Your mind influenced by the flesh becomes carnal. If mind influenced by what the Spirit did (not under the law but under grace), that's going to influence your mind and now you are spiritually minded.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:6		6 For to be carnally minded is death; but to be spiritually minded is life and peace. FOR TO BE CARNALLY MINDED (mind the things of the flesh-think about using the law to please God) IS (functional) DEATH: **Carnal and flesh are the same thing - the natural capacity/weakness that you have-your functionally dead by nature. Mind doesn't become the law/flesh, your mind becomes CARNAL**. Under the influence of the law and the flesh. This is how God views it. Doesn't matter how you view it. Notice he put functional death on you before you ever did one thing. Hasn't done one single act yet, just be carnally minded. Doesn't matter what he does after that. Two ways: 1. Produce it yourself and fail 2. **Realize you can never produce something equal to what God has done** and you're going to live out of what He has done instead. MM used to joke that all pastorial counseling boiled down to 'pray, read your Bible, and do the best you can'. They don't tell you what to pray, what to read (big book), and do the best you can sounds awfully close to being carnally minded. If that is influencing your thinking, you are going to get back to the wretched man syndrome. MM knows this is a hard thing to do, why we spend so much time on it. MM needs your thinking to actually change. This is a process that happens in your inner man, where things really change. Not talking about if you don't do the right thing, God is going to kill you. Talking about you having separated yourself from the functional life that God means for your to have in His Son. CARNALLY MINDED: Thinking I have to keep the law to be right with God. This is (GH: functional) DEATH. Carnal mind influenced by the law and the flesh. Your mind influenced by the flesh becomes carnal. MINDED: The bend, tendency or inclination of the mind; hence, to have a mind-set. Produce the right kind of mindset so you think about this right. DEATH: Functional death

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:6		6 For to be carnally minded is death; but to be spiritually minded is life and peace. BUT TO BE SPIRITUALLY MINDED IS LIFE AND PEACE: Talking functional life. BUT TO BE SPIRITUALLY MINDED: Is under the influence of grace and the Spirit. When you MIND THE THINGS OF THE SPIRIT. Only method that God will accept for serving Him; NOT thinking thoughts about religious things/activities [Bible reading, witnessing] but thinking about the things/minding the things that the Spirit has done when He gave you a new identity, who you have been made to be IN Jesus Christ, and made you DEAD TO SIN and ALIVE UNTO GOD. Flood your mind with these thoughts and you become SPIRITUALLY MINDED and then walk in the only way that pleases God. IS (functional) LIFE AND PEACE: Peace in your inner man; absence of war & conflict, when not influenced by the flesh but by the Spirit under grace, the war in Romans 7:23 between your mind and the law goes away and the WRETCHED MAN-Romans 7:24 syndrome is moot - not Jesus or Spirit peace. SPIRITUALLY MINDED: Thinking who the Spirit has made me to be IN Jesus Christ. Is LIFE AND PEACE. SPIRITUALLY: Small case 's' - something going on in your spirit. To be spiritual, it is influenced by the Spirit. If the flesh is influencing it, it's carnal. PEACE: Not peace in general. Ties to something he told you in Romans 7:23 that was going on that he never resolved back there. He is going to answer it under grace and show you what that is about. Peace here is the absence of war and conflict. That war in Romans 7:23 goes away and there is now peace IN your inner man. Don't have to fight that WRETCHED MAN-v24 syndrome anymore. When you are spirtually mind, you're not only having functional life, there is peace from that conflict that was going on IN your inner man because of the frustration of trying to live it under the law and you can't do it. So when you get out from under that, now all of a sudden now there is a peace because that conflict is no longer raging. No longer trying to fight a battle that you can't win.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:6		6 For to be carnally minded is death; but to be spiritually minded is life and peace. **Summary: When you walk after the flesh by minding the things of the flesh, your mind becomes carnal and you are functionally dead to God!** 1. Walking after the flesh is achieved by minding the things of the flesh (thinking I am going to live my sanctified life by keeping the law) and when you mind the things of the flesh (I have to watch what I do because I can't violate the law) your mind becomes carnal (because that's what happens to the mind when it is influenced by the things of the flesh) and when you're carnally minded you are functionally dead. 2. Walking after the Spirit is achieved by minding (thinking about) the things of the Spirit (all that the Spirit of God has made you to be IN Christ) and when you mind the things of the Spirit your mind becomes spiritual (because that's what happens to the mind when it is influenced by the things of the Spirit-not general things but the things the Spirit did to give you your new identity IN Christ) and when you're spiritually minded you are. We are going to use these terms and phrases because they are the ones that are going to effectively work IN you (Bible, not MM's words) to produce the right kind of thinking. Preachers don't like to use Bible terminology - use synonyms that don't have the same power needed to effectually work and produce in us what it's supposed to do. Part of the transformation that will take place is the transformation in our mind. What he is talking about here. MM said interview 100 preachers on v6 and their interpretation would be incorrect. When you are SPIRITUALLY MINDED, God the Spirit quickens your mortal body in response to you being SPIRITUALLY MINDED. That is you laboring together in what God is doing.
Romans 8:6		6 For to be carnally minded is death; but to be spiritually minded is life and peace. To get the right mind-set, need to reckon what God said is true (DEAD TO SIN, ALIVE UNTO GOD-live for God, new identity). He really did make me somebody different and I can live differently because I am different because who I have been made to be IN Christ. He really did make me somebody different and I can live differently because I am different because who I have been made to be IN Christ. You see temptation as the opposite of the righteousness that would please your heavenly Father and be completely out of character with who He has made you to be and He has called you to live that way. Came out of what He did and gave us out of His Jehovahness and grace. Not about 'do you want to live for God or not', this is about your sanctification. The thing that should flood your mind when you have decisions to make is it in accordance with who He has made you to be. MM will never give you a list. Your Heavenly Father expects you to come to that conclusion yourself. MM doesn't even know what all would be on the list. Part of being a son is making wise decisions and learning how to think like your Heavenly Father. Not Him telling you every little thing. That's the difference between childhood and adulthood. Don't be like a horse with a bit and bridle. Even a horse learns the trail. God is looking at us and saying be adults! The thing that should flood your mind when you have decisions to make is it in accordance with who He has made you to be. MM has never heard a preacher give a correct definition of 'walking after the Spirit'. We will see it from the Scripture.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:7-8		A well motivated guy might love God with all his heart and soul and wants to please God and opens up His Bible and he goes to the Mosaic law - I'm not going to eat pork. As well-meaning/motivated as he is, God says that is being CARNALLY MINDED. Being “after the flesh” and “minding the things of the flesh” and being “carnally minded” all have to do with serving God by the keeping of some law. It is associated with the flesh because the flesh is where the law gets it power. But, as we know, the “flesh is weak-v3.” If you are going to live your life in the flesh, yes, you may be in Christ and you may have that new identity in Him, but you still have the ability to choose sin. You still have the ability to do those things which are ungodly. Paul is also talking about this in reference to keeping the law. If you're trying to live for God by keeping the law, then you are serving God in the energy of your flesh. There's no spiritual power of grace in the law. The law requires you to do it in and of yourself. What happens is sometimes you do the right thing and sometimes you don't do the right thing and that's just because it's your flesh. That's what you're living out of. If you are in the flesh, you cannot please God. So when an unbeliever has no new identity in Christ, he has no spiritual capacity to do anything that is pleasing to God. The flesh produces a wide variety of sins and sinful activities. EMNITY AGAINST GOD...NOT SUBJECT TO THE LAW OF GOD: Describes the nature, extent, and influence of the flesh. All who are “in Adam” are “in the flesh”, and controlled by the flesh. They cannot please God because they are hostile toward God and are not subject to the law of God.
Romans 8:7		7 Because the carnal mind is enmity against God: for it is not subject to the law of God, neither indeed can be. Divided into 2 parts - has that colon sitting there in the middle. Answers the question 'why is it if I am thinking about the law, before I ever even do anything right or wrong, God said I functionally died/am functionalliy dead?' Important to answer in your mind so you will never question it again. Why? BECAUSE THE CARNAL MIND IS ENMITY AGAINST GOD. BECAUSE: Answering the question 'Why?' When God deals with you as adult sons, He always explains WHY? Children don't get to ask 'Why?'. BECAUSE THE CARNAL MIND IS EMNITY (more than enemy-an active [happening right now] mutually exclusive hostile relationship) AGAINST GOD: Relationship between God and a carnal mind is one of 'mutual hostility'. Carnal mind will never do what God wants done. Carnal mind=functional death because of the active ongoing hostile relationship against God. Carnal mind cannot: 1. be influenced by the things of the Spirit/grace 2. do what God wants done/please God (because it is weak, gets its energy from the flesh) 3. live unto Him in righteousness (impossible) 4. restrain sin, it can only accelerate it

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:7		7 Because the carnal mind is enmity against God: for it is not subject to the law of God, neither indeed can be. 5. motivate to do good, it can only do evil in God's sight (no matter what a guy does, if he is carnally minded, God said the whole thing means zero) 6. a living relationship with God, only a hostile one, it can only produce an enmity relationship against God 7. functional life, it is death, it is a functional death in God's sight. The flesh is kicking and screaming. It is hanging on right now as you are trying to pull it from your mind by the words of Scripture. CARNAL MIND: Is (functional) death because it has an active ongoing hostile relationship against God. ENMITY: Looks close to enemy. Not synonyms. The basic difference between enemy and enmity is that enmity indicates (mutually hostile active) relationship. Telling us that the relationship between God and a carnal mind is one of "mutual hostility." The carnal mind is never going to do things the way God wants it done. Enmity not only describes a relationship of mutual hostility, but "enmity" is always used to describe that relationship as ACTIVE. So, "enmity" is the ACTIVE state of an enemy. Can have an enemy but not an ongoing fight going on.
Romans 8:7		7 Because the carnal mind is enmity against God: for it is not subject to the law of God, neither indeed can be. FOR IT IS NOT SUBJECT TO THE LAW OF GOD: The carnal mind is not interested in that/what the law says to do or not to do. It has a natural tendency that it has no respect for the law. It's not going to be brought under the law as authority and has no regard for what the law says. FOR IT IS NOT SUBJECT (doesn't care) TO THE LAW OF GOD: Carnal mind has no respect for the law. NOT SUBJECT: It doesn't care. NEITHER INDEED CAN BE. Supposed to so emphasize this thing that it drives the point home; intensifies the point he is making. Could have just put a period but he adds these 4 words that are supposed to so emphasize this thing that it drives the point home. He is intensifying the point he is making. Drives the point home that the carnal mind is not subject to the law of God and it is absolutely impossible for it to be. Can't happen. Can't take place. MM says when a person who is saved picks up their Bible and decides I'm going to take those O.T. verses and live them, I'm going to take those words of Jesus, I'm going to take those Hebrew epistles and live my life, the Bible would say you have zero possibility of success. There is only one place you are told how this sanctified life gets put into practice - the position you have Jesus Christ being a practical thing and it floods your thinking every day of your life and you live out of that.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:7		7 Because the carnal mind is enmity against God: for it is not subject to the law of God, neither indeed can be. What's funny is a person thinks they're actually going to use the law and the energy of their flesh to obey that law. That's the thinking in their mind. Doesn't matter how long they have been saved, they are carnally minded. God says that is functional death to Me because that is an ongoing hostile active relationship against Me. Sad part is - that's where 90% of saved folks are. It's what is working in their mind. MM not saying God hates them, he is saying the way they're seeking to live for God, God could not be more opposed to it. It sounds so good. I am trying so hard...I am keeping the rules... I am doing the law...Dress like a Jew...Won't go out of my home on the sabbath...Observe the feast days. Your Father looks at this and says, that is nothing more than an active hostile relationship against Me that is functional death. Doesn't matter what you do, no matter how good the act is, that thing is death to Me because it stems out of a hostile adversarial relationship. Because it is a hostile relationship, there is absolutely nothing you can do to change it. Permanently that way. No matter how sincere you are or how hard you try, that is the way that is. There's only one answer to that and that's to now be spiritually minded, for your mind to be influenced by the Spirit under grace and not to be motivated under the law. Means believers who try and live for God by adhering to some form of the law, and this never dawns on them, are participating in a relationship that is against God and God will never look at this and think that is living with Him or for Him. He will never embrace the carnal mind. He will never look at the energy of the flesh and go, yeah, I can live with that.
Romans 8:8		8 So then they that are in the flesh cannot please God. This is all about your sanctification. This is not about us trying to mimic godly things to the best of our ability, this really is Christ's Life being made manifest IN our mortal bodies and that is a huge difference. MM is not trying to be critical, just trying to point out the difference. Most of the sermons that we have heard preached in MM's lifetime have been nothing more really than motivational speeches, asking you to be patient, to love people who are not lovable, to exhibit character traits - patience, endurance, kindness, and all of those things. But nobody ever showed MM the doctrine to say here's where this gets produced IN you, this is where this come from. This is not the human version of it. It is the godly version of it and that only comes from the doctrine contained in the word. It is different from the human version, not to say the human version is bad, it's just not good enough. It's not just us trying, but it is Christ actually dwelling IN our hearts by faith and then living His Life IN our mortal flesh. That's the big difference. SO THEN: Sort of a conclusion. THEY THAT ARE IN THE FLESH CANNOT PLEASE GOD: In the flesh trying to live your sanctified life under the law or a preacher's version or your version. They that are in the flesh cannot please God. He means for you to be under grace. THE FLESH THAT CANNOT PLEASE GOD: God rejects service in the flesh - God rejects everything about our flesh. IN THE FLESH CANNOT PLEASE GOD: God rejects the efforts of the flesh.

Romans 8:9		9 But ye are not in the flesh, but in the Spirit, if so be that the Spirit of God dwell in you. Now if any man have not the Spirit of Christ, he is none of his. BUT: Corner word - change in direction. Were talking about the flesh that cannot please God. Now the word tells us you are not going to be talking about the flesh that cannot please God, but you are going to be talking about the Spirit. Now he is going to give you some information about the Spirit. BUT (corner word-change in direction) YE ARE NOT IN THE FLESH (IN THE FLESH=the energy & capacity of your flesh-cannot produce your sanctification; walk after the flesh->walking in the flesh-> IN THE FLESH), BUT IN THE SPIRIT (to walk after the Spirit or in the energy and capacity of the Spirit) BUT YE ARE NOT IN THE FLESH: Already talking about what it is to be in the flesh. IN THE FLESH: Operating in the energy and capacity of your flesh (flesh has no capacity to produce your sanctification), which is what you have when you are under the law. - Walk after the law->walking in the flesh->IN THE FLESH
Romans 8:9		9 But ye are not in the flesh, but in the Spirit, if so be that the Spirit of God dwell in you. Now if any man have not the Spirit of Christ, he is none of his. WALK AFTER THE FLESH: Trying to utilize the law or some form of it and your best efforts to keep it. If you WALK AFTER THE FLESH, you are IN THE FLESH. IF SO BE THAT THE SPIRIT OF GOD (Sanctification) DWELL IN YOU: A saved person can be in the flesh. When the Spirit of God is in control of you. MM says most people read this and think if the Spirit lives in you that you are saved. GH: But given the Spirit and the Spirit DWELLing in you are different. IN THE SPIRIT: To walk after the Spirit. You are IN THE SPIRIT 'IF' the Spirit dwells IN you. Walking in the energy and capacity of the Spirit - your sanctified life. In Romans 8 and the context we are studying. Not the same as John being caught up in the Spirit in Revelation. This phrase in Romans 8 is not referring to anything except you walking after the Spirit in your sanctified life. That's the total context of this. MM can't number the crazy ways this phrase gets interpreted by preachers across this country. Walking in the energy and capacity of the Spirit. Process: WALKING AFTER THE SPIRIT: Walking after who the Spirit made you to be IN Christ. IF SO BE THAT THE SPIRIT OF GOD DWELL IN YOU. NOW IF ANY MAN HAVE NOT THE SPIRIT OF CHIRST (not even saved/justified), HE IS NONE OF HIS. MM says notice the (GH: IF SO BE) condition. GH: MM proving the IF SO BE-Romans 8:17 is conditional. IF SO BE: In the OED, this is always conditional.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:9		9 But ye are not in the flesh, but in the Spirit, if so be that the Spirit of God dwell in you. Now if any man have not the Spirit of Christ, he is none of his. IF SO BE THAT THE SPIRIT OF GOD DWELL IN YOU: The Spirit dwells in us as we live out of the doctrine; as we “mind the things of the Spirit” which are the things given to us in His word. IF SO BE: This clause means it is conditional. IF is a condition. Have always thought we had the Spirit dwelling in us. That wasn't right because we already know a Christian can be in the flesh. There's a particular activity that the Spirit does that the Bible calls dwelling in you. Just because you have Him, doesn't mean He is dwelling in you. That is a particular activity. You are in the Spirit if He is performing that particular activity in you. If not, you are not in the Spirit, you're in the flesh. If in the flesh, you cannot please God - v8. This is about your sanctification. MM pointing out the way we have defined terms all along is not the way your Father has been defining these terms. Lazy preachers and parroting Bible College learnings. About to get an education to begin thinking exactly like your Heavenly Father thinks about it -> get your sanctified life off the ground. You are going to have to see it. Can't move on until you see it. But when you so, you'll say it was right there the whole time. What was I thinking? You are in the Spirit if He is performing that particular activity in you. Not comparing one truth to another, this is saying 'if maybe it is and maybe it isn't.' Conditional. Misunderstood so it seems unconditional.
Romans 8:9		9 But ye are not in the flesh, but in the Spirit, if so be that the Spirit of God dwell in you. Now if any man have not the Spirit of Christ, he is none of his. SPIRIT OF GOD DWELL IN YOU: Which is Him producing the character of God's Son in us. This is not us being in the flesh. If we were in the flesh, that would be our works, but it's not. But we are in the Spirit which makes the works God's works in us. See Romans 8:11. DWELL IN YOU: Can't make IN YOU-Romans 5:5 and this the same because you can be saved and live out of your flesh. (Not SPIRIT IN YOU=justification/automatic and permanent; when you got saved/Holy Ghost-Spirit of Christ. DWELL IN YOU=sanctification/NOT automatic or permanent/does not happen when you got saved. Contingent on understanding what it is to WALK AFTER THE SPIRIT or after who the Spirit of God made you to be IN Jesus Christ. Have to be SPIRITUALLY MINDED and think about the things He did when He made you a new creation. When you do that, the SPIRIT DWELLs IN YOU. You are IN THE SPIRIT if the SPIRIT DWELLs IN YOU. He is doing something when He dwells IN you.) DWELL IN YOU Process (can't see it-like imputed righteousness or permanent At-one-ment): **Walk after the Spirit->Mind the things of the Spirit->Spiritually minded->then the Spirit DWELLS IN YOU-> You are 'in the Spirit'->Then the Spirit can Quicken your Mortal Body (making you functionally alive)->Allow Christ (to live His Life) IN You, allowing you to produce righteousness**.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:9		9 But ye are not in the flesh, but in the Spirit, if so be that the Spirit of God dwell in you. Now if any man have not the Spirit of Christ, he is none of his. SPIRIT OF CHRIST (JUEL/Holy Spirit performing the ministry of justification-to put you into Christ; Spirit of Christ is IN you. - Romans 8:1-IN CHRIST JESUS) DWELLS IN YOU: An encapsulation type phrase that covers several things: - Spirit was not dwelling in you when you got saved or Paul has been a liar for 1.5 chapters. - Not automatic; not permanent - Happens only when you: WALK AFTER THE SPIRIT MIND THE THINGS OF THE SPIRIT are SPIRITUALLY MINDED and then the Spirit begins to DWELL IN YOU. Things He does: QUICKENS YOUR MORTAL BODY (allows the quickening to take place) CHRIST LIVES (His Life) IN YOU, making your mortal body (not just thinking about it) functionally alive When that happens the members of your body are really INSTRUMENTS OF RIGHTEOUSNESS, you have YIELDED them to Him.
Romans 8:9		9 But ye are not in the flesh, but in the Spirit, if so be that the Spirit of God dwell in you. Now if any man have not the Spirit of Christ, he is none of his. DWELL IN: Not the same thing as INDWELL (He is in there). God uses the word GIVEN in Romans 5:5. Not till you meet a certain requirement is the Spirit who is in there begin to do what the Bible calls DWELL IN YOU. When He dwells, He is not just there, He is doing something. If you think you got the Spirit dwelling in you when you got saved, you just told Paul you've wasted my time for 2 chapters. Telling me not to be in the flesh and I am not in the flesh because I got the Spirit when I got saved. That is NOT what the Spirit dwelling in you is. It's not you got Him, it's Him doing something now that you have Him. DWELL: Not the Spirit dwell in you, the Spirit is working in you to produce something - **the Spirit's No. 1 job: to conform us to the Image of God's Son/to edify us to godliness/to form the Life of Christ IN us**. Spirit doing the things He wants to do IN you. If He is not allowed to do that, you have Him, but He is not DWELLing in you. Paul is not reaching back to justification. Not just in you, He is doing something in there. It's the work He does in there that quickens your mortal body. MM says this is godly labor because you are doing this together. You are minding the things of the Spirit and God responds to that by having the Spirit quicken your mortal body. That's you doing something and Him doing something and that looks like godly labor. Spirit is leading or in control, not just taking up residence in you. NOW IF ANY MAN NOT HAVE THE SPIRIT OF CHRIST, HE IS NONE OF HIS: So you don't confuse the Spirit IN you and the Spririt DWELLing in you. If you don't have the SPIRIT OF CHRIST, you don't even belong to Jesus. You are not even saved.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:9		9 But ye are not in the flesh, but in the Spirit, if so be that the Spirit of God dwell in you. Now if any man have not the Spirit of Christ, he is none of his. DWELL IN YOU not equal to SPIRIT IN YOU. If you make them the same, it negates 2 chapters. MM has seen a lot of well-meaning people who love God and want to live for God, trying to do the best that they good in the energy and capacity of their flesh, trying to get their flesh under control, only to get to Heaven and find out they were not IN THE SPIRIT one moment of their entire life. Not saying they are bad people. Talking about folks that live sacrificially. No one ever taught them. They heard what was taught and they believed it and repeated it. MM said he did it - not setting himself up as some shining example. What a travesty and heartbreak that is. That blindness and ignorance is not without a cause behind it. Satan seeks to keep what MM is giving you here in v9 from as many saved people as possible. He would love for you to live your entire life in the energy of your flesh. He doesn't care what you do, how good the act is, because he knows if it is in the flesh, God rejects it. Two things happen then: 1. he can look at God's Wisdom and doing it this way and say this is God's Wisdom, do it this way and look how it turned out 2. Look at you living a life in the flesh and speak reproachfully to us
Romans 8:9		9 But ye are not in the flesh, but in the Spirit, if so be that the Spirit of God dwell in you. Now if any man have not the Spirit of Christ, he is none of his. He can denigrate God and people who believe in Him and he is after that objective. Just as he has kept the Mystery a mystery, he has worked hard to make sure that preachers/teachers do not understand the dispensation of grace and God's Mystery program with the Gentiles. Just as he works hard to convince Christians they have to take the elements of Israel's program and put it into their life. Just like he would pervert the doctrine of the Blessed Hope and teach you are going through some part of the Day of Wrath before you are caught up. Just like he would convince some that they will be saved by their works. Just like he is taking this thing here on sanctification and making sure that you do not get that information. What is the Spirit doing when He DWELLS in you? MM says his 'terrible' illustration of He puts up the pictures He wants, the flooring He wants, the furniture He wants, etc. That's not what He is doing really. * SPIRIT IN YOU: About your JUSTIFICATION: Permanent and automatic condition. Happens when saved (GH:Romans 5:5). * DWELL IN YOU: About your SANCTIFICATION: Not a permanent or automatic condition. Does not happen when saved-contingent on you understanding what it is to walk after the Spirit or walk after who the Spirit of God has made you to be IN Jesus Christ, have to be spiritually mindful/spiritually minded-means think about things the Spirit did when He made you that new creation - when you do that, you are in the Spirit and He will dwell in you. Some criteria has to be met for the Spirit to dwell in you. You are IN THE SPIRIT 'IF' the Spirit dwells in you.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:9		9 But ye are not in the flesh, but in the Spirit, if so be that the Spirit of God dwell in you. Now if any man have not the Spirit of Christ, he is none of his. DWELL Commentary: MM used to say you were indwelled and sealed by the Spirit when you got saved. MM says He did not. Not everybody has this. - INDWELL - 0x in your Bible - means to be IN - INDWELLT - 0x in your Bible - INDWELLED - 0x in your Bible Almost exclusive - for something to indwell in you it almost makes it impossible for you to dwell in it. Don't think about the word DWELL as 'be in'. That's what you normally think about when you see you're not in the flesh but in the Spirit. Not possible for a saved, sanctified saint of God to live after the flesh. Gave you a warning because (GH: it is not possible but you don't know it is not possible. It's possible for you to do and fail based on last 1.5 chapters). Here the Spirit is doing an act called DWELL. MM says we think that DWELL is to live IN us. There's another way DWELL is used. Don't confuse with Romans 5:5 - you are back in justification. Given to you in your justification. In your sanctification, the Spirit has a job to do - DWELL IN YOU. Find out what the Spirit is doing when He DWELLS in us - QUICKEN YOUR MORTAL BODIES-Romans 8:11. The Spirit of God “dwelling in you” is not the same thing as you being given the Spirit or simply having the Spirit IN you. We all received the Spirit when we trusted Jesus Christ as our all-sufficient Savior; He was “given” to us. And since that took place when we were saved, we learned about it back in Romans 5:5. IN THE FLESH: Has to do with operating in the energy, power and capacity of the flesh, which is what you have when you are under the law.
Romans 8:9		9 But ye are not in the flesh, but in the Spirit, if so be that the Spirit of God dwell in you. Now if any man have not the Spirit of Christ, he is none of his. Holy Ghost vs. Holy Spirit: Same Person but not the same thing. Reason to use different terms, He's not just switching it up to say, we'll I am kind of tired of saying Holy Spirit, I think I will say Holy Ghost. Why the change from SPIRIT OF GOD to the SPIRIT OF CHRIST? All of this is talking about the Holy Ghost. It's the same Person. The Holy Ghost is the one given to you when you got justified. When the Bible uses the term Holy Ghost, it is talking about the Person of the Spirit. He is the third person of the Godhead - the Father, the Son, and the Holy Ghost. When the Bible uses the word Spirit, it is not talking about Him as a Person, it is talking about a ministry He (the Holy Ghost) is performing. He is performing some ministry or work. He is saying if you don't have the SPIRIT OF CHRIST, you don't belong to God. If you don't have the Spirit, none of this pertains at all.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:9		9 But ye are not in the flesh, but in the Spirit, if so be that the Spirit of God dwell in you. Now if any man have not the Spirit of Christ, he is none of his. It's the same Spirit doing different functions (of many). 1. SPIRIT OF CHRIST: Talking about the Holy Ghost performing some ministry. The ministry He is performing is justification/JUEL - to put you into Jesus Christ. To make you justified. Saw this in Romans 8:1 (IN CHIRST JESUS). Paul is saying if you don't have the Spirit of Christ, you have never been justified/saved and you are not His. You don't even belong to Him. Once you have been justified your position is IN Christ. So the work the Spirit did to get you justified, to put you in Christ, He does it as the SPIRIT OF CHRIST. 2. SPIRIT OF GOD: When you come to your sanctification where He DWELLS, He is called the SPIRIT OF GOD. It is the relationship of the Father and the son and now he introduces this. You are about to get educated in 3 verses that God as your Father has adopted you and He's going to start this Father-son relationship with you. That's the representation of that relationship - as a Father to a son. It's not that when you got saved, you didn't belong to Him. You did. Now, He is talking about being sanctified. The whole idea about God is, He wants to take what's on His heart and write it on your heart. That's what He is going to do as the Spirit of God.
Romans 8:9		9 But ye are not in the flesh, but in the Spirit, if so be that the Spirit of God dwell in you. Now if any man have not the Spirit of Christ, he is none of his. Notice 2 sentences in the verse, meaning you have 2 separate thoughts. Normally, just one sentence in a verse with a comma or semi-colon. Two basic parts in this verse talking to you about 2 things. Note: Two things to solve here: 1. 'Change the way you think' Need to MIND THE THINGS OF THE SPIRIT and be SPIRITUALLY MINDED (your part) - Has to be something happening in your mind (need to MIND THE THINGS OF THE SPIRIT and be SPIRITUALLY MINDED) - How you think isn't all. How do I take what I think and work it out through this body of flesh with sin in its members? 2. 'Change the way you behave' Need your mortal body QUICKENED so CHRIST (can live His Life) IN YOU (His part - He DWELLs IN YOU and then these 2 things happen. Spirit's capacity to give functional life even though are bodies are functionalliy dead due to sin dwelling in our members. Whole thing is about what the Spirit and He are doing. His effort, not yours. He is going to do it through you.) Have to be something happening in your body (dilemma is your body still has sin dwelling in its members) - God says if you do No. 1, the Spirit will do something in you to cover No. 2 - DWELL IN YOU. Want to live for God but the body won't cooperate with that. Even though you are saved - CHRIST BE IN YOU - the body is dead because of sin - sin dwelling in its members. God says if you do No. 1, the Spirit will do something in your body to cover No. 2 - DWELL IN YOU

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:9		9 But ye are not in the flesh, but in the Spirit, if so be that the Spirit of God dwell in you. Now if any man have not the Spirit of Christ, he is none of his. Once you have been justified your position is IN Christ. So the work the Spirit did to get you justified, to put you IN Christ, He does it as the SPIRIT OF CHRIST. When you come to your sanctification where He DWELLS, He is called the SPIRIT OF GOD. See that God as your Father has adopted you and He's going to start this Father-son relationship with you. He wants to take what's on His heart and write it on your heart. That's what He is going to do as the Spirit of God. When we got saved, the Holy Ghost was given unto you and He came in and got in you. Your spirit was saved and He was IN you. But He wasn't dwelling IN you. When He is dwelling in you, you are giving Him the ability not to just live here, but dwell (enjoy the pictures on the wall, the furniture, the finish out like He wants it). Like a rental home vs. your bucket home. The main purpose of why the Spirit is in you - that the Spirit of God is going to take that word which we have come to understand and believe and He is going to cause that word to effectually work in our inner man so that we be conformed to the image of God's Son and so that our actions are godly. That's the work that He is doing and when He is able to do that, He is dwelling in you. You have the Spirit (GH: Romans 5:5) but the issue is that Spirit doing work in you that allows you to no longer be conducting yourself in the flesh but now in the Spirit. That's why it is a conditional phrase. Need to understand what the DWELL is. MM says people incorrectly talk about indwelling of the Spirit - word is never in your Bible.
Romans 8:9		9 But ye are not in the flesh, but in the Spirit, if so be that the Spirit of God dwell in you. Now if any man have not the Spirit of Christ, he is none of his. IF SO BE THAT THE SPIRIT OF GOD DWELL IN YOU: People make this when you got the Holy Ghost-Romans 5:5. MM says these are not the same. DWELL: Indicates some sort of permanency there. All the things you do to make you feel at home - decorate the way you want it, arrange the furniture the way you want it, it's a reflection of who you are and what you are comfortable with. As He begins to decorate your inner man and arrange your inner man to the way that makes Him and your Heavenly Father comfortable, GH: He begins to dwell in you. Is the definition of being in the Spirit, not some woo-hoo, I've got this wild emotion going. Being in the Spirit is when the Spirit of God dwells in you. He is taking that knowledge and decorating and garnishing your inner man. Charles Smith: Dwell: Indicates a permanent stay in a place which to some extent has become one's own home. NOW IF ANY MAN HAVE NOT THE SPIRIT OF CHRIST, HE IS NONE OF HIS: Paul removing the confusion between having the Spirit and having the Spirit dwell in you. If you have never been given the Spirit, you never got saved. Don't confuse these issues.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:10-11		GH: Nutshell with the OED definitions: But if the Spirit of God takes possession of us as a place of residence for His own use, then the Father will give spiritual life to our unredeemed, mortal bodies by producing His righteousness in our bodies by His Spirit which is using our bodies for His purposes. Understanding what the Spirit is doing for us: Once you receive Jesus Christ as your all-sufficient Savior, the Spirit of God took up residence in you. But having the Spirit in you and having the Spirit DWELL in you are two different issues. Need to understand so it is clear how this thing happens that the word of God is now conforming us to the image of God's Son. In our minds, it's easy to think this is some magical thing that happens but it is really more practical than that. Need to see the process that explains the difference between the Sprit in you and the Spirit dwelling in you.
Romans 8:10	GH: THE BODY IS DEAD BECAUSE OF SIN = Dependency between SIN and the BONDAGE OF CORRUPTION	10 And if Christ be in you, the body is dead because of sin; but the Spirit is life because of righteousness. Broken into 2 clauses by the semi-colon. Know you have 2 different things that are going on there. The second clause is actually going to give us the first of 2 parts that solve our dilemma. The dilemma is stated on the front-side of the semi-colon in the second phrase THE BODY IS DEAD BECAUSE OF SIN. Paul is interupting his thought. He is saying if Christ be in you and then he changes and says the body is dead because of sin, but now he is going to complete that thing that goes with the first part. If you would block it out, would read like this. IF CHRIST BE IN YOU, THE SPIRIT IS LIFE BECAUSE OF RIGHTEOUSNESS. The part of the verse that follows the semi-colon is part 1 of the solution - THE SPIRIT IS LIFE BECAUSE OF RIGHTEOUSNESS. DILEMMA: THE BODY IS DEAD BECAUSE OF SIN -> SOLUTION: THE SPIRIT IS LIFE BECAUSE OF RIGHTEOUSNESS. (the Spirit's capacity to give functional life). The Spirit has the ability to give you life even though your body is functionally dead. Our bodies are functionally dead.
Romans 8:10	GH: THE BODY IS DEAD BECAUSE OF SIN = Dependency between SIN and the BONDAGE OF CORRUPTION	10 And if Christ be in you, the body is dead because of sin; but the Spirit is life because of righteousness. AND IF CHRIST BE IN YOU: **First time you are told outright that Christ is going to live IN you**. Could have implied it earlier but tells you outright here. The Spirit of God is working to give you functional life so that Christ can live His Life in you, making your body functionally alive even though your body still has sin in its members. Starts in your mind with how you are thinking. Have to think the things that the Spirit did in making you who are fully identified with Christ. That makes the Spirit then DWELL IN YOU. Talking about Christ living His Life in you. Different than you living for Him. Why the commandment up to this point has been for you to yield yourself to something. **It's not I am going to produce something so good, He is going to like it, it is I am going to yield, and He is going to produce something in me that He accepts**. Not just semantics. Seems like because the body is dead because of sin we have an impossible situation that we can't get out of. Doesn't matter what I think, I still have sin dwelling in my body. How am I going to fix this? The whole idea is the SPIRIT IS (functional) LIFE and if you MIND THE THINGS OF THE SPIRIT you are now allowing Him to not just be in you but to do something in you about this life that you want to live for God.

Romans 8:10	GH: THE BODY IS DEAD BECAUSE OF SIN = Dependency between SIN and the BONDAGE OF CORRUPTION	10 And if Christ be in you, the body is dead because of sin; but the Spirit is life because of righteousness. THE BODY IS DEAD BECAUSE OF SIN: MM linking the BONDAGE OF CORRUPTION-Romans 8:21 to the entrance of sin. Sin brings physical death and moral/spiritual death. THE BODY IS DEAD: He is not talking about physical death. The body is “dead” spiritually, in that there is nothing of spiritual life by anything the body can do. It is not alive “unto God” and it cannot produce spiritual life. BUT THE SPIRIT IS LIFE: The Spirit can bring life to our spiritually dead bodies. The Spirit can make it so that these bodies can function in life; in righteousness.
Romans 8:10	GH: THE BODY IS DEAD BECAUSE OF SIN = Dependency between SIN and the BONDAGE OF CORRUPTION	10 And if Christ be in you, the body is dead because of sin; but the Spirit is life because of righteousness. BUT THE SPIRIT IS LIFE BECAUSE OF RIGHTEOUSNESS: Part 1 (GH: or 2?) of the solution. Provision He has made for you even though you have sin in your members. Provision made for the 'body' dilemma. Functional life. He is going to give you functional life even though you have sin dwelling in your members.

Romans 8:11	**** CONT ****	11 But if the Spirit of him that raised up Jesus from the dead dwell in you, he that raised up Christ from the dead shall also quicken your mortal bodies by his Spirit that dwelleth in you. Difference between IN somewhere and DWELLING somewhere is the difference between staying in a hotel and dwelling in your home. You may stay 2 weeks in a hotel room but you don't get to change the flooring, paint the walls, replace the pictures, rearrange the furniture - you don't get to make it yours yet you are in there. But if you are dwelling it has a meaning that you are making it your own - you decide how to lay out the furniture, what colors and pictures to put on the wall, how you are going to garnish everything and arrange the whole home so it suits you. When He is dwelling in you, this is what makes Him comfortable, this is what allows Him to see this and it be well pleasing. When you get saved, you have Him (the Spirit), but when you get conformed to the image of Christ, He has you. IF THE SPIRIT OF HIM THAT RAISED UP JESUS FROM THE DEAD DWELL IN YOU: IF says it is not automatic otherwise he would have used AND and not IF. He wants you to understand you have something here that's an option before you. IF: Notice the IF - conditional. Living in an unredeemed body with sin in its members, the Power of God is so great within you, that if you walk after the Spirit, He will QUICKEN your mortal body to produce the very life of His Son in you. DWELL IN YOU: Not the Spirit given at JUEL; Spirit is not dwelling in every believer. He is not just in there but He is doing something in the Will of God. When the Spirit is dwelling in you, He is conforming you to the Image of God's Son. That's what He is working toward. DWELL: Notice how he avoids using indwellt everytime - not talking about Him doing something in you - means He is QUICKENING YOUR MORTAL BODIES. Why does he go to the trouble to say MORTAL BODIES when you both know you don't have your immortal bodies yet? He is telling you this is right now and your body is not redeemed yet. Your mortal body is already alive - not talking about that.

Romans 8:11		11 But if the Spirit of him that raised up Jesus from the dead dwell in you, he that raised up Christ from the dead shall also quicken your mortal bodies by his Spirit that dwelleth in you. IF THE SPIRIT...DWELL IN YOU...QUICKEN YOUR MORTAL BODIES: Spirit is leading or in control, not just taking up residence in you. You are submitting yourselves to what the Spirit is doing in your inner man in connection with the word. DWELLETH: Is more than the fact that He is in there. It has that additional meaning that because He actually now has the freedom and liberty, because of our positive and proper response to the word to actually now effectually work in our inner man to change us from the inside out. That's what this is. When the Spirit has the ability to do that, think of this. When you are in someone else's house, you don't go in and decide what pictures are going up and rearrange the furniture and change the dishes to a different cabinet. Where you live is really yours and you have the freedom to make these kinds of decisions, you decide what goes on the wall, what drawer the silverware is in, you decide where things are kept. That's part of the dwelling. GH: When the Spirit is dwelling in us, He makes those decisions. He is the One in charge and you are doing what the Spirit wants done. The primary job of the Spirit is to quicken us or bring us to fullness of function so that the Life of Chrsit can be lived in us. That's the Life that saves you. MM says it is not I saved you and now you are going to heaven, I don't really care about the rest of it. No, I saved you so I could put the Life of My Son back in you so you really have a life and can live a life that is acceptable to God. How acceptable is the Life of Jesus Christ to the Father?

Romans 8:11		11 But if the Spirit of him that raised up Jesus from the dead dwell in you, he that raised up Christ from the dead shall also quicken your mortal bodies by his Spirit that dwelleth in you. QUICKEN YOUR MORTAL BODIES BY HIS SPIRIT THAT DWELLETH IN YOU: When He is dwelling in you, He is providing now the second part of the solution to your dilemma. * First part of the solution is change the way you think. * Second part of the solution is change the way you behave. But how to do that? Have to understand it is not YOUR best effort, it is His. He is not talking physically because your physical body is already alive. It is our spirit that needs to be transformed, not our body. It is our heart that needs changing. If all we do is try to change our body, we are trying to make the flesh into something it can never be. When we sin, we do not sin in spite of our spirit, but because that desire to sin was in our spirit. While we are this earth, God is changing people from the inside. The good news is that even though our spirits have been formed, they can also be transformed! In fact, that is what must happen in order for us to be sinless in eternity. QUICKEN YOUR MORTAL BODIES: MM says we don't need a glorified body to stop sinning. Causing your unredeemed body to do something that it would never be able to do on its own, only under the power of Grace, under the Spirit is that going to get done. To bring to fullness of function. It is not the best that our flesh can produce, but it is us stepping out of the way and allowing the Life of Christ to be lived in us in response to that doctrine that we have come to understand. Your body is already alive so QUICKEN is 'made fulness of function'. QUICKEN: Rouse to fullness of function in the sense of the Spirit dwelling IN you and producing the Life of Christ IN you. Roused to the fullness of activity; fully function the way you are supposed to; much more than alive [think someone in a coma]. Be roused to the fullness of activity setting it apart from any counterfeit - way beyond just being alive. What God needs that body to be able to do. Paul will talk to you about how to counterfeit living under God. You can live unto God/do righteous deeds in the energy of your flesh. Doesn't want you to do that. Wants you to do it in the energy of your spirit. Only happens when the body gets quickened.

Romans 8:11		11 But if the Spirit of him that raised up Jesus from the dead dwell in you, he that raised up Christ from the dead shall also quicken your mortal bodies by his Spirit that dwelleth in you. QUICKEN YOUR MORTAL BODIES: Taking a body that is functionally dead and not just giving it life, but the fulness of functional life. It's the Spirit of God that puts your sanctified life into practice when He quickens your mortal body. If we do it in our flesh, God said that is no good to Me. Doesn't care what you are doing, I reject it. It's no good because it comes through our flesh through a body with sin in its members. But there is a transaction that takes place in you that allows Him to now take what's in your mind and cause your mortal body to match that so that your body can actually now produce what was in your thinking when you were minding the things of the Spirit. People want a 1-2-3 of what they do. The 1-2-3 is what He does. The part you are going to do is pretty simple. The whole thing is dependent on working on your inner man. Something that the Spirit does-solution to dilemma that our body still has sin in its members. Allows you to produce righteousness that God can accept by the things this body does. Puts your functional life into practice when He quickens your mortal body. Solution to the dilemma that our body still has sin dwelling in its members. He is making it so that even though you have sin in your members of your body, you are going to be able to produce righteousness that God can accept by the things this body does. This body doesn't have to be redeemed in order for God to make that happen. But it can't be done in the your energy and capacity of your flesh, it has to be done in the Spirit's.
Romans 8:11		11 But if the Spirit of him that raised up Jesus from the dead dwell in you, he that raised up Christ from the dead shall also quicken your mortal bodies by his Spirit that dwelleth in you. MORTAL BODIES: Not yet redeemed so they are destined to die. But in that mortal body part the Life of Jesus can be made manifest in. Not because of a wave of a magic wand that God suddenly makes you spirital, it is a result of what has been happening in your inner man that is now being made manifest in our outer man. It is the fruit of what's been going on IN you because if that work is not going on in us, then the Spirit isn't dwelling in us. He is not able to do the things that He wants to do. MM points to verses like 'grieve not the Spirit' and 'quench not the Spirit'. It is possible to have Him but not let Him do what He wants to do. But when He is able to do this, He will QUICKEN that MORTAL BODY by producing the Life of Jesus Christ in us. That's the fullness of function (GH: QUICKENing).

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:11		11 But if the Spirit of him that raised up Jesus from the dead dwell in you, he that raised up Christ from the dead shall also quicken your mortal bodies by his Spirit that dwelleth in you. You MIND THE THINGS OF THE SPIRIT->BE SPIRITUALLY MINDED->the Spirit will DWELL IN YOU, and the result is your mortal body gets QUICKENED. QUICKEN: Roused to fullness of activity or fullness of function. Made to fully function the way you are supposed to. Someone can be alive in the hospital in a coma and not be fully functioning. To rouse to fullness of function, to produce righteousness. Your mortal body can now be quickened to produce righteousness because the Spirit DWELLED in you. Now, the word is going to dwell in you-Colossians 3:16 to edify you, strengthen you, and conform you. MORTAL BODIES: Can not only die physically but also functionally. MORTAL: He could have left this off but when he added, he compounded or intensified it. When you see these double words (MORTAL BODIES), you ought to pay attention to that. SPIRIT THAT DWELLETH IN YOU: Not talking about when you got saved/you were given the Spirit. The Spirit is not dwelling in every believer, that is something very specific. We use words very imprecisely. He is going to do something in your mortal body that will allow you to produce righteousness.
Romans 8:11		11 But if the Spirit of him that raised up Jesus from the dead dwell in you, he that raised up Christ from the dead shall also quicken your mortal bodies by his Spirit that dwelleth in you. He is going to do something in your mortal body that will allow you to produce righteousness. He is going to do it, He didn't say you go do it because you're doing it in the energy of your flesh. You are going to have to, by faith, believe what the Spirit does. And He is going to do that. Two parts to this problem: 1. He has got to get you thinking right 2. Once you are thinking right, that Spirit you were given back when you got saved all of a sudden begins to operate/carry on a ministry and DWELLS in you. The answer to the question 'What is the Spirit doing when He is dwelling in me?' is He is QUICKENING YOUR MORTAL BODY. You can either do it in the flesh or you can do it in the Spirit. There's 2 ways but only 2 ways. The dilemma is, I can think the right thing, but this flesh!?! That's why you need the Spirit to do something with your mortal body. You don't have the ability to do what He is going to do. Only He can do what He is about to do.

Romans 8:11		11 But if the Spirit of him that raised up Jesus from the dead dwell in you, he that raised up Christ from the dead shall also quicken your mortal bodies by his Spirit that dwelleth in you. MM drawing stick figure with saved soul and saved spirit inside an unredeemed body with sin in its members. God is going to save your soul and spirit. If you will live out of who you have been made to be in Jesus Christ and not out of the law, but if I live out of my new identity in Christ, He is going to be able to produce a righteousness that is not only acceptable to Him, it is His own righteousness produced in a body that's not yet redeemed that still has sin in it's members. God says you want to see a miracle?!?! That's the thing that makes angels go WOW!!! That's something prior to this dispensation didn't get done. If all 3 were saved, you would expect it to produce saved stuff. This shows you the power of grace. Power of the law: it will condemn you. Power of grace: God can take grace working in the spirit of a man whose body is not yet redeemed with sin dwelling in its members and sin will have no power against grace. Grace will shove that aside and say I CAN produce a righteousness on par with God's righteousness in this body. MM said this is the part where we are dancing on tables and throwing confetti in the air. Angels are saying WOW! God is saying that is the power of My Grace. Want to see My Power on display, it is so displaying in us.
Romans 8:11		11 But if the Spirit of him that raised up Jesus from the dead dwell in you, he that raised up Christ from the dead shall also quicken your mortal bodies by his Spirit that dwelleth in you. DWELL: OED: dwell – 8) to occupy as a place of residence; So, what does it mean to “occupy” a place? OED: occupy – 1) to take possession of, to take for one’s own use If the Spirit of God takes possession of you as a place of residence for His own use, then He that raised up Christ from the dead shall quicken your mortal bodies. QUICKEN: OED: quicken - 1a) to give or restore life 1b) in renderings of Biblical passages, with reference to spiritual life 2) to rouse (to fullness of function). To give spiritual life. As we live out of that new identity we were given as part of our sanctification, that is how the Spirit dwells in us and that is how our mortal body is quickened.

Romans 8:11	GH: Edification Process	11 But if the Spirit of him that raised up Jesus from the dead dwell in you, he that raised up Christ from the dead shall also quicken your mortal bodies by his Spirit that dwelleth in you. Process: Step 1: We have to hear the word of God. Sounds simplistic, but there are some things in the Bible, that if you weren't told about them, you would never know it. EX The new identity you were given in Jesus Christ when you were saved. Everything about the Spirit dwelling in you starts with God's word. Therefore, you must first be confronted with or informed of some doctrine from God's word. Step 2: You have to have a positive response. A positive response entails 2 components or requires 2 things: 1. that you understand the doctrine 2. that you believe the doctrine (to be true) If you are lacking either one of these, that's a negative response to the doctrine. Once a person responds positively to the doctrine, that portion of God's word works to change the way that person thinks about that particular issue. Step 3: You have to have a proper response to the doctrine. - The next steps is when our changed thinking results in conduct and behavior that lines up with the doctrine. Take what you understand and believe and start living out of it.
Romans 8:11	GH: Edification Process	11 But if the Spirit of him that raised up Jesus from the dead dwell in you, he that raised up Christ from the dead shall also quicken your mortal bodies by his Spirit that dwelleth in you. Process (cont'd): MM says it's possible to understand and believe something and still not do it, people do it every day. Why we talk about both aspects - positive and proper responses. MM says the old way was to reform our flesh to do the right thing by making it a rule and we are just following another law. Instead, we are being transformed on the inside by the doctrine and it is changing who we are and how it's doing that. It's changing up because its lining up our thinking with this new ideas of who we are in Christ. We are being taught to think about things just the way our Father thought about and now we're being taught to live out of that doctrine and do things the way He would do it. And it is only when these two things are up and running that we can labor with Him. The other trick preachers used was guilting you into something. Guilt is a terrible way to get things done but we operate under that a lot of times instead of I understand there's a doctrine that actually changes the way we think about something and it is renewing our mind, and we are being conformed ot the image of Christ because the way we are thinking about things is changing. But it's not us rehabilitating our flesh, it's replacing the old way of thinking with the godly way of thinking, the way our Father thinks. And once you think about things differently, if it is really working in you, then that impacts your conduct and behavior because you are not thinking about things the way you used to. MM says when you start thinking about each other with godly lovingkindness then you start treating each other differently with godly lovingkindness. Before we did it because it was what we were supposed to do and now we are doing it out of who we are. Point: When you get changed in an area, that's when the Spirit can DWELL IN YOU.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:11	GH: Edification Process	11 But if the Spirit of him that raised up Jesus from the dead dwell in you, he that raised up Christ from the dead shall also quicken your mortal bodies by his Spirit that dwelleth in you. Process (cont'd): As we obey the doctrine and it begins to change the way we think and change the way we live, the Spirit looks at that and says hey, I AM at home here, this is all being arranged the way I would like it. What MM is talking about here is the critical difference between living for God out of the energy of your flesh and actually living for Him in the Spirit, where the Spirit is taking that word of God and working it in you. If you think and feel about the WORKS OF DARKNESS the same way He does, then you will respond to them the same way He does/would. And the really important part - you are going to respond to them for the same REASON He does/would. People can do the same things for entirely different reasons. Godliness is us not creating our own little way of doing it, it is thinking like our Father, living like our Father, and laboring with Him. That's the issue and critical difference here. If we do this any other way, serve God any other way, that will all be wood, hay, and stubble that will be burnt to a crisp at the JSoC. MM says many people will be standing there with an empty sack when they thought they lived a whole life for God; because there is nothing that you can generate out of your flesh that He will accept. The only thing He will accept is what gets done because of the effectual working of His word in you. That comes from the word of God, working to change your thinking and that's why when we go through this doctrine. MM outlines the godliness pattern upfront. When you begin to change the way that you think because of what the word has said, that's godliness, that's thinking like your Father.
Romans 8:11	GH: Edification Process	11 But if the Spirit of him that raised up Jesus from the dead dwell in you, he that raised up Christ from the dead shall also quicken your mortal bodies by his Spirit that dwelleth in you. Process (cont'd): And you begin to do things differently, the next aspect of godliness - the godly living showing up in our conduct and behavior. It's not you just trying really hard to do it. Just because you reign in your flesh and make it get in the back seat, that's not good enough, it's not going to work. MM says you think that's how the body of Christ is going to function in the creature? Where we are just getting along because God is looking at us. That can't work. This is the only way this gets done, He never says that you need to try really hard. That's not it. This is why this pattern of edification is so important, it's crucial, it's critical. When the Spirit is dwelling in you, you are walking after the Spirit. You are conducting yourself inline with the very things in the word of God that are changing you. Spirit dwelling in you = Walking after the Spirit = Led by the Spirit <close to> Filled with the Spirit = Word of Christ dwell in you richly There are nuances to the above but all describing a whole process that is one in the same. Shades of the same process.
Romans 8:12-13		Are the conclusion to the information in Romans 8:1-11. Here's the kind of indebtedness or gratification that comes out of your sanctification. Verses have a kick to them before it puts you into the 3rd aspect of your sanctifiation - DEAD TO SIN, ALIVE UNTO GOD, and now ADOPTION.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:12		12 Therefore, brethren, we are debtors, not to the flesh, to live after the flesh. How we get Him to QUICKEN OUR MORTAL BODIES. (GH: wrong verse?) THEREFORE: a conclusion - Introducing/coming to a conclusion being drawn from the previous information. Here's the conclusion of the first 11 verses. All that came before, we are now about to give a conclusion. WE ARE DEBTORS, NOT TO THE FLESH: You don't owe the flesh anything because the flesh goes kicking and screaming against this. Flesh has natural tendency to grab ahold of the law. You will have to go through this process many many times and remind yourself each time. God won't accept living after the flesh or in the energy of your flesh. WE ARE DEBTORS: That is the sanctification of indebtedness. We are not debtors to live after the flesh, we are debtors to live after the Spirit. To the Spirit to live after the Spirit, not to the flesh but to mortify the deeds of the flesh.
Romans 8:13-15	Non-MBI	Keith Blades: Each of these 3 verses begin with FOR, indicating further explanation of the conclusion in v12.
Romans 8:13		13 For if ye live after the flesh, ye shall die: but if ye through the Spirit do mortify the deeds of the body, ye shall live. Talking about the PRACTICAL area of your sanctified life. Your POSITIONAL sanctification is in cement. Talking about your functional life. MM says this is heartbreaking. People can spend their whole life living for God, win people to Christ, preach sermons, etc. but it is all the best they can do so it is in the energy of your flesh. Get to Heaven and realize all of their serving was with hands of wet mud. God will not cut them slack. They that are IN THE FLESH can not please God. The POE has covered this up so well that what we have operating out there now is the counterfeit system the POE has put in place and it is so pervasive and if you don't do it that way, people look at you like you are a fruit cake or off in left field or some type of cult or some screw ball group. This is the last verse that precedes Sonship because you had 3 components of justification and 3 components of your sanctification. Introduces us to our SO (Romans 8:14-15). Can only be done by a son! FOR: For of further explanation/detail. English word of logic that doesn't always mean further detail but lots of time it does. IF YE LIVE AFTER THE FLESH, YE SHALL DIE: Not literal/physical death, functional death. It's not dying an eternal death because you are in sanctification, not justification. The death is you are no longer living like who you have been made to be, that functional life is dead. MM says the fact you know that puts you ahead of most Bible college professors. They define this as either physically (God will kill you) or spiritually (you lose your salvation).

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:13		13 For if ye live after the flesh, ye shall die: but if ye through the Spirit do mortify the deeds of the body, ye shall live. IF: Conditional IF YE THROUGH THE SPIRIT DO MORTIFY THE DEEDS OF THE BODY: Natural question is how do I do this? Romans 8:14 begins to explain to you. Get to v13 and realize there are some details you really need filled in. MORTIFY THE DEEDS OF THE BODY: Do this and turn up functional life; power to restrain sin and mortify the deeds of the body is done through the Spirit. Put to death the things that body would do is done through the Spirit. If you live after the flesh and try and live for God in the energy of your flesh, God is going to say there's nothing you're doing that I give you any credit for whatsoever. MORTIFY: Kill, put to death. If you mortify the deeds of the body, you will turn up functional life. Not talking about eternal life. Why couldn't MM have had a single professor in Seminary or Bible College who understood this? DIE: Put your spiritual life to death. Paul insists we live out of grace and not out of the law. Bottom line: Both justification and sanctification are BGTF. Not about flesh or works, it's do you have faith in what your Heavenly Father has told you when you trusted Jesus as your all-sufficient Savior? Dependent on working in your inner man. Have to go through this process many times and remind yourself each time. Summary: Given Holy Ghost when saved. Believer is not automatically IN THE SPIRIT (can be IN THE FLESH). If the Spirit DWELLs IN YOU, you are IN THE SPIRIT. If you live after the flesh and try and live for God in the energy of your flesh, God is going to say there's nothing you're doing that I give you any credit for whatsoever.
Romans 8:14 - 2 Thessalonians 3:18	Doctrine : Sonship (Student Perspective)	Sonship - Student Perspective: Every verse is the curriculum you need from your Father to function as His adopted son. Sonship is marked by three stages: 1) The declaration/pronouncement that you've been adopted (the public announcement that the son is entering into business with the Father) - Romans 8:15 'being declared a son and there is an education that follows' Stage 1 (the declaration/education) took place when you trusted Christ as your Savior. You were, at the point of your being justified unto eternal life, declared by your heavenly Father to be his adopted son. - Going to school - Physically: around 12 to 18 years old 'in the real adoption process' - Spiritually: Declaration at the point of salvation - the day you trusted Jesus Christ as your Lord and Savior - Education: Orientation, Establishment, Education - Level 1 - Phase 1 and Phase 2 of the curriculum (Romans, Corinthians, Galatians) - End of Stage 1 - SIMPLE SON

Romans 8:14 - 2 Thessalonians 3:18	Doctrine : Sonship (Student Perspective)	2) When the Father and the son begin laboring together (the son is receiving his education; he is not ready to labor all by himself yet.) Stage 2 (the education/apprenticeship) takes place for the duration of your life here on earth and only ends at your death or being caught out of this world at the event of the Blessed Hope. - apprenticeship/on the job training; Going to school by putting your hands on it and learning; you know you're being guided; here's how you run the machinery; know enough to begin laboring with your Father; need to get more skilled but at least at a place that you can be actually involved in the work; put some things you have learned into practice - Between 18-30, making some pretty important life decisions - get married, start a family, etc. - probably has a 12 year old boy that he will adopt and start the same process with decisions on marriage, family, in the Jewish culture had children right off the bat - Physically: around 18 or 22 to 30 years - Spritually: during your life till death or Rapture; If God didn't have something more for you here, the smartest thing would have been to take you out when you got saved. But there is a reason to stick around. - Education: Add SUBTITLY-Proverbs 1:3 and KNOWLEDGE AND DISCRETION-Proverbs 1:3 - Level 2 of the curriculum (Ephesians, Philippians, Colossians)
Romans 8:14 - 2 Thessalonians 3:18	Doctrine : Sonship (Student Perspective)	3) Manifestation of sons (the education and apprenticeship are over, the Father puts up the new sign that reads, “Father & sons.”) - Romans 8:19 Stage 3 (the manifestation/labor) takes place after the Blessed Hope and the Judgment Seat of Christ (where you are placed in your position). The son receives his glorified body and the Father will publicly display to the entire universe His son’s position in the creature and declare the son’s capacity to run His Business just as He would run it. - Put all the education and practice into the real business world - Physically: around 30 years of age - Spiritually: Put into a position in the heavenly places and begin laboring up there; after the Rapture and after the Judgment Seat of Christ (where it is determined what you will be - principality or power or might or throne or dominion) Will be made publically known to all creation who you are and that you are perfectly suited to function in the Father's Business - In a sense, LEVEL 3 of the curriculum. - LABOR: Deliver the CREATURE in the TIMES OF THE RESTITUTION OF ALL THINGS Heaven and earth are brought together as one in the DISPENSATION OF THE FULNES OF TIMES Labor with Him out into eternity in the AGES TO COME

You should continue to pray about these things so they are not taken for granted.

Romans 8:14-15	SO (Sonship Orientation) / IN Christ Identity : Sanctification 3 of 3 : Sonship/Adopted Sons = SPIRIT OF ADOPTION / VTP : Sonship 1 of n - Cry of YES to Sonship = WE CRY, ABBA FATHER / Doctrine : Of our Adoption / Son 5 of 5 - Adopted sons of God / GH: Promotion 1 of 3	Once we have trusted Jesus Christ as our all-sufficient Savior, we are part of the family of God, we're children of God. Probably not controversial. This is tied to your justification. But there is a whole nother level tied to your sanctification in which you are a son of God. Understanding it will not only change the way you live in this world, it will impact your eternity as well. When the Bible talks about our heavenly Father adopting us, it is talking about the purpose that He had when He saved us (Galatians 4:4-5). Most people believe God sent His Son into the world is so that we could be saved and have our sins forgiven. This is not untrue, but this doesn't go far enough. Of course He wants to do that but He must to that in order to accomplish His real purpose so we could receive something more than just forgiveness of sins. Biblical adoption is the purpose behind God sending forth His Son. The redemption was not the end, it was the means to the end. Just like an earthly father adopts his son or daughter to train them up in their business, your heavenly Father wants to adopt you and train you up in His Business. Of course, our heavenly Father isn't going to die one day and leave us His Business, but we can have the honor and privilege of working with Him in His Business in eternity. God wants to train you now in this world to labor with Him in eternity, He wants to instill His Wisdom in your inner man and conform you to the image of His Son. This understanding will transform your Christian life.

If you don't have a desire for that, then the education is not going tot have to work that its designed to have in you. Companion passage Galatians 4:4-5. You are pronounced a son of God and then led by the Spirit of God. Compare to Jesus in Matthew 3:17-4:1. ABBA FATHER: First checkpoint in the Sonship education. 3 things about adoption: 1. We were going to have to go back in our Bibles to get a basic understanding about adoption 2. God will utilize adoption in both programs to accomplish His purposes in the earth (with Israel) and in the heavenly places (with the body of Christ) 3. While the basic structure of adoption is the same in both programs, the doctrine for Israel’s adoption is different from the doctrine in our program

That's what this life is about. That's why when He saved you He didn't just go ahead and yank you out of here and give you a glorified body and you are up there just waiting for the next person. **Apprenticeship is through divine institutions - local assembly, family, marriage, government, labor**. Cover a variety of things you need to know, where things were, what to expect, didn't teach history or math - Don't teach about Sonship but orient you to your Sonship, tell you about it, tell you what to expect from it, show you where we are going to be going to get this, show the order things will be presented to you so it makes sense and you can anticipate things that are coming. Learn you are an adopted son and there is an instructional, educational, curriculum laid out in your Bible in the exact order you're are supposed to go through. Adoption: 1. What is the primary characteristic of Childhood? -> He is restricted, under tutors & governors, limited decision-making 2. What is the primary characteristic of Adulthood? -> He has liberty 3. Under adoption, how does God deal with you? -> As an adult – He tells you why He does what He does 4. The 3 Basic Freedoms the Adopted Son enjoys are: a. Freedom from: fear motivation b. Freedom from: rudiments of the world (law) c. Freedom from: limited decision-making 5. The Law served as Israel's what? -> Tutor & Governor 6. You, in this DOGG, are not under the law, but under what? -> Grace

NUTSHELL: They are designed to give the son his initial, basic ORIENTATION TO SONSHIP EDIFICATION! Therefore, Romans 8:14-15 comprise SONSHIP ORIENTATION. There are many things packed into these 2 verses; things that orient the son, or introduce him to, or brief him (give him his bearings, if you will) with respect to what his functional, sanctified life is all going to be about. You are being held accountable for all of the information from Genesis 1:1 up to Romans 8:14! This pronouncement as a son is all a part of the process of adoption in the first place. Every person that comes to Christ is adopted and treated like an adult, even if they don't know about Sonship. MM says people don't think that way. People like to think that God is somehow going to give them an answer or manipulate them to bring about certain responses on their part. Bible doesn't tell you that. Bible is not saying that is what God is going. In fact, told by the apostle Paul that you have liberty as a son to make these decisions. It's not that God doesn't care what kind of decison you are making. He does care what kind of decision you are making. But he is not going to make it for you. Why you are being educated to THINK like Him. Every believer is dealt with the same way as an adult son. Your childhood training is over (tutors & governors dismissed). - A formal announcement of your adoption has been made - Your previous inferior status of childhood, with all its limitations, restrictions and punishments, is finished/behind you - The function of the Spirit of Adoption is to lead through the curriculum (instruction) and the doctrine (wisdom) that pertains to your adoption

The beginning of the adoption process is when we make the cry of Abba, Father (Romans 8:15) and the end of that process is the redemption of our body (Romans 8:23). This is why we say that at the Blessed Hope, our adoption process is over. You are oriented to some things like when you start attending a college. You are oriented to the fact that you are an adopted son of your Heavenly Father and through the things that have come up to that point in the scriptures understand what that means. You did not get adopted because you are an orphan. Paul introduces us to the adoption. He makes a statement that assumes you already know something about it. Almost everything we thought we understood what the scripture is teaching us is either wrong or misses the point. People without a Sonship education: - Won't have a JHI - Won't be glorified with Christ - Won't have a seat of authority in the Father's Business - These are all dependent on what you do know. - Still: Members of the body of Christ Get a glorified body - Once they get there, they will be supervised by those that are in positions of authority to do whatever they can do - Proverbs 17:2.

May change over time. At first, you may have to tell them, get out of the way and stand still. MM says he is being a little bit sarcastic but not much. MM doesn't think they will be under the angels but will be under other sons. **Satan hates someone who understands that third component of their sanctification - that they are an adopted son and is being educated in the Sonship curriculum - more than anyone because you are showing forth wisdom that not even he possesses. You know what he will never know. He is the one that made that great boast about his wisdom. Now, he looks out and sees people whose wisdom exceeds his wisdom. That's very embarrassing. Since God is making Him pay attention, that is humiliating. He never saw that coming**. There is a power in this written word to do something in your inner man. Those words are written, they fit IN your inner man perfectly to produce something that not only benefits you but brings glory to God. It redounds to the glory of God through your proper response to the sufferings. Reasons why Satan hates the body of Christ more than the believing remnant - has a specialized hatred for you: 1. You are directly effecting his area - you are going to sitting on those thrones up there. Will be taking over his domain/den. We are going to take his place and that's got to sting, got to be embarassing that earthen vessels are going to, by the Wisdom of our Heavenly Father, have a greater wisdom than Lucifer. 2. We are able to do something on this earth that Israel was never able to do. Further you go in the curriculum, the worse it will be (SoC).

Third component of our sanctification - we are (adopted) sons of God. First thing you know here is that you have a Sonship orientation. Two verses combined with everything previous in your Bible that you understand about adoption and comprise your orientation. Blend in some future things Paul says. Cover some very misunderstood portions of scripture. Doesn't tell you what being LED BY THE SPIRIT is, meaning there should be something that you have already encountered that would tell you what that is. Our Father wants us to have a real appreciation for the kind of relationship that we're going to have from the time we are told in v14 to the rest of our lives the kind of relationship we are going to have with Him. The process goes something like this: - He adopts his son - He then makes an official pronouncement or declaration - public gathering, official, not kept secret - same as an earthly father - wants people to know they are now in the business v14-15 are packed with phrases that have terrific meaning to them. You're supposed to understand those things because they're not explained here. When he talks about ADOPTION, there are things said that are true even though they are not said here. Because it is about ADOPTION, you should expect some type of pronouncement. MM says being told you are a son is sort of a pronouncement. When you are told you are a SON you are to realize the whole nature of the relationship has now changes. Most Christians still think God is dealing with us via the omni's.

SUMMARY: The son is adopted, and then pronounced as a son of his father. **HERE IS AN ABSOLUTELY CRITICAL AND ESSENTIAL ISSUE THAT HAS TO BE PROPERLY UNDERSTOOD AND APPRECIATED, OR ELSE YOU WILL HAVE PROBLEMS WITH YOUR CHRISTIAN (Sonship) LIFE: YOU HAVE GOT TO BE ABLE TO SEE THE DIFFERENCE BETWEEN WHO GOD IS (attribute-wise or essence-wise) AND HOW HE DETERMINES TO DEAL WITH YOU! MM cannot overemphasize this. In Sonship, God is not going to deal with you in His omniomnis (MM is not saying God isn't those things, He is or He couldn't but He has chosen NOT to do that), because if He deals with you out of His omniomnis, that is not relational. What this is supposed to do is to force you to communicate with Him like your natural father. Means if He is going to know what is going on in your life, you are going to have to tell Him. It's not that He can't know, it is that He has chosen to do this**. Based on I WILL BE HIS FATHER, AND HE SHALL BE MY SON-2 Samuel 7:14. Father-son relationship is a two-way or bi-directional relationship. Real Father-son relationship where the Father has His Role and the son has his role.

What happens in the first 37 words of v14-15 is supposed to produce the cry of ABBA FATHER. If you covered up the last 2 words and read these 37, you couldn't help but cry ABBA FATHER. That's how well this is supposed to work in you. Saying SPIRIT OF GOD instead of SPIRIT OF ADOPTION is missing the critical part you are supposed to understand. The Spirit is going to function in conjunction with adoption in a very particular manner and He is going to administer adoption and you think about Him in His Role of doing that. Example in your epistles where the reverence you have from your Father's reputation that if he thinks this is a big deal, I better pay attention to this, this is a big deal. Even if you don't know everything there is to know about it. Just out of sheer reverence and respect for your Heavenly Father, that kind of fear that if He thinks it's a big deal, I think that's a big deal. If you have this kind of respect, you have admiration. And you don't want to disappoint Him. Introduces us to the orientation of our Sonship/sons of God and third component of our sanctification. The knowledge of these verses is supposed to produce an outcry from you and the natural cry is supposed to come from the heart. 3 things that you will intelligently know/understand to cause you to cry ABBA FATHER. Not I am so excited/enthused/etc. Not to say you shouldn't be excited or grateful for it. He wants to educate you in His Business but He wants something more than that. He wants to instill His godly character in you so you are able to think, live, and labor with Him, not just out in eternity but also now. He is going to enable you to give wise counsel. He is going to enable you to have wise decision-making skills. Even picking from 25 good options, the one that brings your Heavenly Father the most pleasure out of all of them. / Heavenly Father Style: GH: Patterns Bible style adoption. Our Heavenly Father does the same thing as an earthly father would do. He looks out and says who's willing? Believe it or not. there are plenty believers IN Jesus Christ that when presented the opportunity to actually be educated by their Heavenly Father to labor with Him out in the heavenly places are not interested in that at all. That just defies imagination for MM because MM is going to tell you, no matter what your interest is, no matter your skills are, no matter what your likes and dislikes are, there's not a business in the universe like our Heavenly Father's Business. Nothing holds a candle to His Business. Our Heavenly Father isn't going to make anybody do it so He's looking for somebody that is willing and He's looking for someone that has some character traits as well.

You understood previously in the book of Romans where you found out: - you were under the wrath of God, - that God provided an escape from His wrath, - that He offered it to you as free gift, - that He forgave your sin, - that He imputed His perfect righteousness to you, - that He made you to be at-one with Him to the same degree as His Son, - that He set you free from sin's dominion over you when He made you dead to sin and - that He made you an extension of His holiness when He made you alive unto Himself. If all of that did not successfully build in you a sense of reverential awe and fear, then when you are told that you have also been adopted, then you will not have the desire nor the understanding that an adopted son must have before he can even begin his education under the tutelage of his Father.

Romans 8:14	MoG - 11 of 18 - IN Christ Identity : Sanctification 3 of 3: Adopted Sons=SONS OF GOD	14 For as many as are led by the Spirit of God, they are the sons of God. **The apostle Paul's 1-sentence definition of what it means to be a son. Declaring who you have been made to be**. First time you see either one of these phrases. A son is led by the Spirit of God. Not separating out who is and who isn't. All it is is stating a fact. Starts Sonship. Real work is not listening to MM a hour a week. Real work is what takes place between you and your Heavenly Father at home. MM will just direct you into the next part of the curriculum. Your adoption is the capstone of your sanctification. Sonship is the crowning jewel of your sanctified life. Begins to explain how you are going to MORTIFY THE DEEDS OF THE BODY (v13). God is going to treat you as SONS but not just any SON but ADOPTED sons. The solution to getting all of this done in v1-13 is for God to now treat us as sons. MORTIFYing the DEEDS OF THE BODY is how God deals with a son. Find out all the things from Romans 6:1-8:13 can only be done with a son! This is the answer to the question, “How am I going to get my new position IN Christ operating in me?” Answer: as “sons of God”! If you read casually, might get the idea that only the people who are led by the Spirit of God are the ones who are sons. But everybody is a son who receives Jesus as their Savior. Can't look at this verse like some are sons and some are not. How fair would it be for God to ask you to make a choice on something that He hasn't even told you about yet?
Romans 8:14	MoG - 11 of 18 - IN Christ Identity : Sanctification 3 of 3: Adopted Sons=SONS OF GOD	14 For as many as are led by the Spirit of God, they are the sons of God. FOR: English word of logic. About to get an explanation about the things just said to you. God is about to give you an explanation for the questions that are now in our mind. It’s a further detailed analysis of how you are to functionally live unto God. THE “for” makes it so that we have a proper, smooth, seamless, connection with v14 to the preceding information sitting in the first 13 verses of chapter 8. MM didn't count them up, but there are about 15 of the 25 remaining verses in Romans 8. Means there is a lot of explaining going on. Not a for of further explanation. Setting this off as new information. Have to read the rest of the verse before you know what the FOR is for. Used the word FOR because there still is a connection. It's connected to v1-3 but it is giving you new information. Tells us we are SONS OF GOD but remember this is in connection with our sanctification, not justification.
Romans 8:14	MoG - 11 of 18 - IN Christ Identity : Sanctification 3 of 3: Adopted Sons=SONS OF GOD	14 For as many as are led by the Spirit of God, they are the sons of God. AS MANY AS: Tempted to replace with a synonym. Almost makes you think if you are not led by the Spirit of God, you are not a son. SO MANY OF US-Romans 6:3 - All believers were baptized into Jesus Christ. This means AS MANY AS are ALL of them. MM says we don't use this phrase this way much anymore. Directing peoples attention to the importance and reality of what you are about to say. It's an English expression that calls attention to what is about to come up. EX AS MANY AS are here today, Bob Butler will give a $100 bill. It wasn’t a qualifier back in Romans 6 and neither is it in Romans 8. So don’t think of the phrase “as many as” as meaning “only.” BEING LED BY THE SPIRIT OF GOD: Is NOT: - A feeling, emotion or sensation - like I should go witness to this person - A still, small voice - An implanted thought in your head - I think He wants me to go to Lowe's today

Romans 8:14	MoG - 11 of 18 - IN Christ Identity : Sanctification 3 of 3: Adopted Sons=SONS OF GOD	14 For as many as are led by the Spirit of God, they are the sons of God. These things above, as neat as they look, would short cut your Sonship education and do away with your liberty as a son. God doesn't want to be a tutor & governor to you either. That would just replace the law with Himself. He wants you to make wise Sonship decisions. Doesn't say FILLED with the Spirit. Doesn't say HAVE the Spirit (you do have it). Doesn't say INDWELT by the Spirit or MOTIVATED by the Spirit. Doesn't say TAUGHT by the Spirit. Although that's not completely wrong, you won't have generated in your thinking some that the word lead does that taught can't. Spirit is showing the way. You are following the Spirit. Lead = to bring or take someone to a particular place; to show the way to someone. Implies: - you are following willingly/you trust them - that you can't get their on your own/unfamiliar/new/haven't been told about it - they know the way - care and responsibility - personal association with it - where your supposed to be
Romans 8:14	MoG - 11 of 18 - IN Christ Identity : Sanctification 3 of 3: Adopted Sons=SONS OF GOD	14 For as many as are led by the Spirit of God, they are the sons of God. Person leading you is right there with you every step of the way. Not remote, it's personal. Doesn't say GUIDED by the Spirit either. MapQuest guides but is not leading you. When you get to v14, you have to wonder where is He leading me? MM says it's where a son is supposed to be. When the words of the curriculum get written on your hearts, you are being led by the Spirit to where a son needs to go that he can't get to by himself. He is writing godly wisdom on your heart. It's not exactly Him teaching you although you are being taught. Being led of the Spirit of God means that the Spirit of God is taking God's Wisdom which is written on the pages of His word and writing that on your heart. Take the Wisdom of your Heavenly Father and what's in His Heart and writing it on the heart of his sons. That's what it means to be led by the Spirit. Know: 1. you are a son
Romans 8:14	MoG - 11 of 18 - IN Christ Identity : Sanctification 3 of 3: Adopted Sons=SONS OF GOD	14 For as many as are led by the Spirit of God, they are the sons of God. 2. that you are adopted. 3. that you have made the cry ABBA FATHER - a stylized way of saying your Heavenly Father, because I know that I am a son and you've adopted me to go to work with you in your business, I say yes, that's what I want. With these 3 things in our mind, ready to talk the CAPSTONE of our education - our Sonship. Suffix -ship is the English form that you add to another word like this noun son in oder to describe something that's happening with the son. The shortened suffix -ship actually comes from the word 'shape'. Sonship is to be shaped as a son. MM says this is a one-word encapsulation for a huge doctrine. Need to see this, NOT as an EVENT, (became an adopted son the day you received Jesus as your Savior), think of it as a STATUS that you now live in for the rest of your life. Sonship (son-shaped) is the capstone of your sanctified position in Christ. You need to realize that the rest of your natural life, as well as your eternal life, should be lived out in that framework.

Romans 8:14	MoG - 11 of 18 - IN Christ Identity : Sanctification 3 of 3: Adopted Sons=SONS OF GOD	14 For as many as are led by the Spirit of God, they are the sons of God. LED BY THE SPIRIT OF GOD: MM was taught in the church and Bible school that it meant God was going to use different things to maneuver me into the position He needed to maneuver me into. ANALOGY: MM/Billie going to Odessa to shop and MM says let's go to HEB and not Walmart. They find something they were going to get on sale and MM said God led us there. This is a complete misunderstanding of the text. You can lift any verse out of its context and make it say a lot of things it wasn't saying in its context. It's not about a mystical leading going on behind the scenes that we don't see to get us to a certain place or to arrive at a certain point or do a certain thing. We read scripture and have this way of seeing those things and reading our circumstances back into the verse. God is not leading you to do, He's not leading you in circumstances like you are still under tutors and governors. He's leading you to go through a curriculum that He set down that will produce Godliness in you. What is being described is way more tangible. When God is leading you by His Spirit, it is altogether different. It's not about the manuevering of circumstances. When you think you have been maneuvered by circumstances, you have put yourself back under the tutors and governors. When you think like God thinks, you don't have to be maneuvered. Don't need God shoving you this way or pushing you that way.
Romans 8:14	MoG - 11 of 18 - IN Christ Identity : Sanctification 3 of 3: Adopted Sons=SONS OF GOD	14 For as many as are led by the Spirit of God, they are the sons of God. LED BY THE SPIRIT OF GOD: Spirit is going to lead us through a curriculum as a son because we've been adopted whereby we're going to labor with our Father, not only now but also in eternity. We have a cry that comes out of our heart that automatically says ABBA FATHER - yes to this. The Spirit of God taking that particular body of information that we call the curriculum/body of information that He calls His laws and putting it in our hearts and IN our minds. When we get that and begin to operate on that is edification. LED BY THE SPIRIT: Is NOT I feel like God wants me to go witness to this person or that God wants me to make this phone call. If you are led, SomeOne is taking you somewhere. The Spirit of God is about to lead you through the Sonship curriculum to be educated as a son. This is a proclamation! You are about to be educated. Doesn't tell you what being LED BY THE SPIRIT is, meaning there should be something that you have already encountered that would tell you what that is. The Spirit of God will take you from wherever you are and lead your through this curriculum. The fundamental issue of being LED BY THE SPIRIT OF GOD is the issue of God the Holy Spirit taking a particular body of information that God is going to call His 'laws', and putting them in the mind of the individual who is a beneficiary of the New Covenant, and writing them on the heart of that beneficiary. And as it's put in the mind and written on the heart, the leading of the Spirit takes place! New Covenant: I will write my law on their hearts and put them in their minds.

Romans 8:14	MoG - 11 of 18 - IN Christ Identity : Sanctification 3 of 3: Adopted Sons=SONS OF GOD	14 For as many as are led by the Spirit of God, they are the sons of God. Now dealing with you as adult sons/daughters and not children. Your Heavenly Father always explains WHY first and He is setting the attitude of the son. Have children and you understand how hard it is to change someone's attitude. Put away childish things and the rod of correction and deal with you adult style. Explain the WHY of the value I am doing. When you got saved, He adopted you and now he means for you to come under His wing personally and be trained by your Heavenly Father for the eternal work that you will have in the heavenly places. When you don't know about Sonship, you know/believe that studying the Bible is important and knowing the doctrines are imporant, but you don't know that it's the most important doctrine other than Jesus died for us. After that, it is kind of irrelevant. When we get to Heaven, we're going to know it all. He'll just give it all to us and then we'll just do whatever...that's not how that works. LED: Not have. God is not leading you to do, He's not leading you in circumstances like you are still under tutors and governors. **He's leading you to go through a curriculum that He set down that will produce Godliness IN you**. What is being described is way more tangible. When God is leading you by His Spirit, it is altogether different. It's not about the manuevering of circumstances.
Romans 8:14	MoG - 11 of 18 - IN Christ Identity : Sanctification 3 of 3: Adopted Sons=SONS OF GOD	14 For as many as are led by the Spirit of God, they are the sons of God. SONS OF GOD: Third component of your sanctification. When God says you're a son He Is not just talking about you're in My Family, He Is talking about an adopted son and what adoption in the Bible has in mind. It's not some little poor orphaned child from a 3rd world country coming to a place with 3 meals a day. Bibical adoption is about the Father looking among His own children and saying who is going to work with Me in My Business? If you are a son of God, your Heavenly Father is now going to begin to educate you as a son or daughter and that education is Romans-2 Thessalonians. We are (adopted) sons of God. First thing you know here is that you have a Sonship orientation. Two verses combined with everything previous in your Bible that you understand about adoption and comprise your orientation. Now dealing with you as adult sons/daughters and not children. This changes how you can expect to be treated by your Father. You expect Him to now deal with you as a son. That's a different relationship. This really is a bi-directional Father-son/Father-daughter relationship. Is more than a reference to being part of the family of God, it is in reference to your being given the Spirit of Adoption. Have to understand Biblical adoption.
Romans 8:14	MoG - 11 of 18 - IN Christ Identity : Sanctification 3 of 3: Adopted Sons=SONS OF GOD	14 For as many as are led by the Spirit of God, they are the sons of God. It's not a close facsimile. It is real in every sense of that. First thing you have to have in your mind/understand before you can actually be educated as a son. MORTIFYing the DEEDS OF THE BODY-v13 is how God deals with a son. Different than CHILDREN OF GOD in v16. SONS: No longer children, treated as an adult in adoption. The solution to getting all of this done in v1-13 is for God to know treat us as sons. SON: First time in Romans a small case 's'. Us! The prior 5 times was capital 'S'. Find out all the things from Romans 6:1-8:13 can only be done with a son! Being told you are a son is sort of a pronouncement. When you are told you are a SON you are to realize the whole nature of the relationship has now changed. This is the way God always does this. He lays it all out and then gives you a name for it.

Romans 8:14	MoG - 11 of 18 - IN Christ Identity : Sanctification 3 of 3: Adopted Sons=SONS OF GOD	14 For as many as are led by the Spirit of God, they are the sons of God. SONS OF GOD: SON used in a generic way. Verse that shows sons AND daughters. Sons in view of the adoption means the Spirit is leading them through the curriculum because that is what you should expect as an adopted son. First thing is hallejulah, he adopted me. Second thing, wait a minute how is he going to teach me? -> Led by the Spirit of God. Son has more than 1 application: - THEE Son of God - the second Person of the Godhead - sons of God which are angels - sons of God which means that you are part of the family of God (most general way that saints today think and the use of being a son) SON OF GOD is more than a reference to being part of the family of God, it is in reference to your being given the Spirit of adoption. Have to understand Biblical adoption. Only two things we have done in this verse. Just mentioned by way of passing.
Romans 8:14	MoG - 11 of 18 - IN Christ Identity : Sanctification 3 of 3: Adopted Sons=SONS OF GOD	14 For as many as are led by the Spirit of God, they are the sons of God. Haven't proved it to you. 1. LED BY THE SPIRIT OF GOD: Has reference to the Spirit of God leading you through the curriculum as an adopted son or daughter. If you are not letting the Spirit lead you, then you are not going to get the benefits (comfort, strength, endurance, patience, longsuffering). 2. CRY ABBA FATHER: Before you can actually make that cry of ABBA FATHER, there are things you have to have in your thinking and you are making that cry with that understanding. You can say it all you want, but if you don't have those understandings your Father doesn't see what He is looking for from you. The cry of ABBA FATHER is really more than that and it is the more than that MM is laying the ground work for. Before you can cry ABBA FATHER which is the YES to your Father. Is from an adopted son or daugther understanding that: - They have been adopted. - Adoption is for the purpose of laboring with their Father. - They are going to have to say, 'I want this!'. God is not going to twist their arm.

Romans 8:15	MoG - 12; 13; 14 of 18 - Freedom from Fear Motivation; Freedom from the bondage of the law; Sonship/Adopted Sons = SPIRIT OF ADOPTION - 'Capstone of your Sanctification' / IN Christ Identity : Sanctification 3 of 3 : Adopted Sons = SPIRIT OF ADOPTION	15 For ye have not received the spirit of bondage again to fear; but ye have received the Spirit of adoption, whereby we cry, Abba, Father. Context: Talking to people who have already been saved, talking about sanctification (living for God everyday). WE HAVE NOT RECEIVED THE SPIRIT OF BONDAGE AGAIN TO FEAR: Is not a creature, it is the understanding that we're somehow under the law and we have to be fearful about making sure we get it all right or God's going to whack us somehow. MM says when a child learns certain things and has certain inputs, he may actually have a spirit of fear and it is manifested in how he conducts himself. When he gets tucked in at night he may ask to leave the light on, don't close the door, can I come and sleep with you. Where it is coming from is something in his spirit. You don't operate on a fleshly level, that's how you sense things. But whatever you sense has its final effect in your spirit and that's what you live out of. This is the difference between man and the animals. There is something different about a spirit of a man because that spirit was meant for things to work in that spirit and produce something. If we think we can see whatever we want or listen to whatever we want and its not going to have an impact on our spirit and produce those things that come from 2 totally different authors and it is not going to effect us we are mistaken. Those things produce one of two kinds of spirits. Come from two totally different authors. That is the means by which Satan is making sure that his NIGHT and the DARKNESS of it continues at a high rate because of what's being accomplished in our spirit and we don't even realize it. This is not some little slobbering fang toothed creature that is crawling into you and making you do something. YE HAVE NOT RECEIVED...BUT YE HAVE RECEIVED: MM says everytime a negative gets told to you, he turns right around and tells you what to do. MM says it is not enough to know what NOT to do, you have to know what TO DO. To the best of his knowledge, MM doesn't believe the NOTs are are meant to stand on their own. Can't find where Paul has told us NOT to do something without telling us what to do. THE SPIRIT OF BONDAGE AGAIN TO FEAR: When Paul talks about not being under the YOKE OF BONDAGE-Galatians 5:1, he is taking them back here.

THE SPIRIT OF BONDAGE: Another small case 's'. Don't think about as some sort of poltergeist or demon. BONDAGE is the way the law is being described. The cure is not for you to cast that out. The cure is to replace whatever is in your heart with your Father's Wisdom. That's what fixes all of that. SPIRIT OF BONDAGE: The law RECEIVED THE SPIRIT OF ADOPTION: A Holy Spirit ministry/function. SPIRIT OF ADOPTION: Capital S telling you who is involved in that. Is the Holy Spirit functioning in accordance with your adoption as a son. Because you are being dealt with as a son, the Holy Spirit is going to carry on a specialized ministry with you which He is now known as the SPIRIT OF ADOPTION. Something the Spirit has done specifically with regard to your sanctified life. See it as more than an event when you got saved. See it as a status. He functions in His capacity as the Spirit of adoption, is to take us through a body of doctrine that produces a certain attitude IN us. That attitude affects us in several ways: - It generates an enthusiasm about our Father‘s Business and our part in it - It creates the assurance that no matter what we go though in this life, our Sonship education will be worth it - It equips us to patiently endure 'the sufferings of this present time'-v18 - It educates us as to our involvement with the creature - It makes us “groan” for our glorified body for the purpose of accomplishing our Father’s Business. The Spirit is leading us to know what the word says.

Means that now the Spirit is going to begin to function in one of those ways that He was meant to function that He will not function until you do that (GH: CRY ABBA FATHER). Once you make a conscious decision - yes, I am going to engage in that - now the Spirit can begin the process of taking you through the adoption and building you as a son and installing your Heavenly Father's Wisdom IN you. Everyone is given the SPIRIT OF ADOPTION but not everyone responds to it. Something the Spirit has done specifically with regard to your sanctified life. As saved people have received this. You have been adopted. The ministry of the Spirit is adoption and you know if you're adopted the first thing you are going to get out of the box is an education. Learn something about the Father's Business. The person who would ask that question is a person who has no ideas what is being talked about when they read the word adoption. God adopted you not to make you part of His Family, He adopted you so that you could labor with Him in His Business. He is going to supervise this whole thing about you being a son. That's the role He's going to take on so you can't just come out of this knowing, oh well, it's just the Holy Spirit but you have got to see Him an a particular Role as it pertains to your adoption. Is involved in the 3 major components: 1. MEANS 2. RESPONSIBILITIES 3. SONSHIP LIFE

ADOPTION: Being adopted is the issue of every dispensation. We are worthless unless God can deal with us as sons and daughters. Until that happens, we can't think like Him, act like Him, and we certainly are not educated or have the ability to labor with Him in what He is doing. A child doesn't know these things, has to be told these things. What the law did. Now, I AM going to deal with you as an adult - chastisement. In the dispensation of grace, God is not dealing with us with the rod of correction. Since Paul does not explain adoption, you know that you must already have an understanding of what Biblical adoption is. Only place you can find this is the Interlude of Mercy, where the judgments have been rolled back and God can begin to do some things. Glorious - at the very heart of our sanctification. The specialized process that you have been given (the the believing remnant didn't get - yet) that makes you different. Understand the difference when He talks to you as a: - son - adopted son - when He calls you children **ADOPTION: First pronoucement in adoption - CHILD to SON - The offer to be educated/labor with the Father.** The specialized process is in the word ADOPTION. God had never done adoption till the dispensation of Gentile grace. Adoption does make us more than just members of the family. MM is not saying God didn't want to do it earlier, He did. He wanted to do it with Israel. Something happened that prohibited that. Being an adopted son is a dispensational matter. Presented with the Sonship opportunity and where we made the cry ABBA FATHER which was saying yes I want to labor with my Father. I want His Wisdom installed IN me. I care about that. The critical junction where you decided to do that. Because you are being dealt with as a son, the Holy Spirit is going to carry on a specialized ministry with you which He is now known as the SPIRIT OF ADOPTION. Completes your understanding of what it means to be a son.

Romans 8:15	MoG - 12; 13; 14 of 18 - Freedom from Fear Motivation; Freedom from the bondage of the law; Sonship/Adopted Sons = SPIRIT OF ADOPTION - 'Capstone of your Sanctification' / IN Christ Identity : Sanctification 3 of 3 : Adopted Sons = SPIRIT OF ADOPTION	15 For ye have not received the spirit of bondage again to fear; but ye have received the Spirit of adoption, whereby we cry, Abba, Father. SON: Not the same as son in John 1:11-13. Not just MM manipulating the text. Two qualifiers that make sons of God something different than just being part of the family of God (John 1:11-13). 1. LED BY THE SPIRIT: Most Christians think the Spirit is speaking to our heart and giving us some kind of direction. There's something very specific your Father is telling you here. 2. RECEIVE THE SPIRIT OF ADOPTION: Makes using the word son in a very specialized way. When the father looks at a son and says I am going to dismiss your tutors and governors and I am now going to personally train you for the business that I've been engaged in. Something further/more than just being in the family. A son can be in the family and not trained by the father to take over the family business. SPIRIT OF ADOPTION: He is not repeating what he told you in Romans 5:5 - HOPE MAKETH NOT ASHAMED BECAUSE THE LOVE OF GOD HAS SPREAD ABROAD IN OUR HEARTS BY THE HOLY GHOST WHICH IS GIVEN UNTO US. You were given the Holy Ghost when you trusted Jesus Christ as your all-sufficient Savior. He is not repeating that. Now, he is talking about the Spirit now functioning in conjunction with your adoption. He was given to you to function as several things and one of those is the Spirit of Adoption. He is leading us through the education that will make us into the sons/daughters that we were made to be. What is being told to us in Romans 8 is an advancement of what was told to us in Romans 5. SPIRIT: Has capital 'S' Spirit - talking about a function of the Holy Spirit. Received the Spirit of Adoption.

Romans 8:15	MoG - 12; 13; 14 of 18 - Freedom from Fear Motivation; Freedom from the bondage of the law; Sonship/Adopted Sons = SPIRIT OF ADOPTION - 'Capstone of your Sanctification' / IN Christ Identity : Sanctification 3 of 3 : Adopted Sons = SPIRIT OF ADOPTION	15 For ye have not received the spirit of bondage again to fear; but ye have received the Spirit of adoption, whereby we cry, Abba, Father. WHEREBY: Another English word of logic. Based on what just took place in v14-15. Based on what you were just told, it is supposed to produce a cry of ABBA FATHER. If that verse is properly working IN you, you will make that cry. You know because what came before that when you cry ABBA FATHER that this verse is really properly working IN you. Reading just what comes before should make you say ABBA FATHER or 'I want this!' Is a YES to your Father. Does not say we WILL cry ABBA FATHER. If you can read that top part and understand enough to know and say oh man, yes. Until this gets done, we are not ready to go to v16. That has to get done. That's the marker. What you are about to enter into is a real bi-directional relationship between you and your Heavenly Father. If you don't tell Me about it, I AM not going to use my God attributes to discern it and figure it all out. MM thinks about this and it scares him to death - all the things he never told his Heavenly Father. His prayers were the grocery list - here's what I need. Like you never spoke to Him unless you wanted something. Lord? What do you want now? You should be talking to your Heavenly Father and saying here's how my day went...Doesn't matter what bothers you about your day, you can tell Him that. Romans 8:16-39 will tell you what's going to happen when you tell Him/what you should be expecting. Not LIKE a son or daughter, you really will be. MM needs you to work on this 2-way relationship mentally. Start operating out of the real Father-son relationship - it's personal.

CRY: Cry of someone intelligently (based on that knowledge of you know some things, you are making that cry-not an emotional outburst). Shows the intimacy of the relationship. Supposed to be the cry of a son who now understands/Is from an adopted son or daugther understanding that: - I know what adoption is - I know I have been adopted - I know adoption is for the purpose of laboring with my Father - know what is being offerred to you - I understand what I am committing to. - I understand what is involved. - I know that my Father has a Business and - I know He is inviting me to be part of it - I don't have anything left out. - I have got it and I am saying YES. - They are going to have to say, 'I want this!'. I don't know about what's in that Business but know some things from the exhortations in Israel's program. I know that if I am going to be who I have been made to be as a son, you're going to have the Spirit of God writing on your heart what was in the Heart of your Father - that's being led by the Spirit. He is going to take you through the process and that's what it means to be a son and you're not under that law/fear motivation but you are under the Spirit in a particular role He functions in as the SPIRIT OF ADOPTION who will go with you every step of the way for you to become the son that your Father has made you to be. Son will say 'I am not sure I want that' OR 'I want that! When do we get started?'. ABBA FATHER: Is the 'I do' to your Heavenly Father concerning your adoption. One of the prime components of being a son is liberty in decision making. Your Father is going to let you make your own choice, He is not going to force you to do it. Aramaic word and a very stylized word that is reserved for a son to use with his Father in a more intimate way/fashion. Wouldn't make the cry unless you saw it had value and it was something worth engaging your life in it. Otherwise, why? This cry starts/formally begins your adoption. Saying 'yes, I want to be educated as your son!' May only say it in our heart but we're saying, yes, I want it all/as much working on me. God has done everything necessary in order to be those adopted sons. More than just a status, He has provided everything we need to really function like sons/daugthers are intended to function. You can't be any more adopted than you are, BUT you can live better out of that adoption as the word educates you. Doesn't mean you are less adopted, means that you are not living out of what you have been given. Status is the same for everybody, but your ability to live out of that status is not equal. Presented with the Sonship opportunity and where we made the cry ABBA FATHER which was saying yes I want to labor with my Father. I want His Wisdom installed in me. I care about that. The critical junction where you decided to do that. What should be going through your mind when you cry ABBA FATHER. Cry of relief to know that God has dealt with us that way. Grateful for it but not a cry of gratefulness. First time Paul mentions ADOPTION. He hasn't explained it and he hasn't given you any details of it.

Because you are supposed to already know some things about it. You are going to find the details in Israel's program. When Paul gets to here, he thinks there is some basic structure to adoption that is already in our minds. He is saying he is going to take the structure and start adding all the doctrine. Need to understand the structure before we jump off into the doctrine. Need to understand the structure to see the doctrine Paul adds to this. When you find out the Spirit of God is working now to lead you through that curriculum that is supposed to ring from bells and your understanding about who you're supposed to feel towards all of this. Not a cry of excitement or relief, even if you feel those things. it is the intelligent cry (you know what this is talking about, that your Father wants to educate you to go to work with Him in the heavenly places in eternity. Doesn't mean you know all of that yet, just means you know what it's about). 3 big things to cry ABBA FATHER: 1. Adoption is THE big issue with you (as it is with God) GH: 2? 3? MM says saints who have made the cry of “Abba, Father,” should always be interested in doctrinal truth. These verses may not directly apply to you, but perhaps you know people who are married or who have children. Is it not within reason that if you know the doctrine, you might be able to help someone else when they encounter trouble. ABBA: Is the word father but it's the stylized form of the word that a son would use. It's the form of the word father that has more intimacy connected to it than just the the formal father we use all the time. Answer is 'yes, I want this.' Before you can cry ABBA FATHER which is the YES to your Father. The cry of ABBA FATHER is really more than that and it is the more than what MM is laying the ground work for. The first sonship checkpoint/marker for a son was the cry of “Abba, Father”.

Why no job in the world can get you to function in the heavenly places out there. This world can't give you God's Wisdom. - Only God's Wisdom can properly educate you o (He wants to) Personally take over your education (MM can't educate you/edify you. Romans 8:16-39	Doctrine : SE (Sonship Establishment)	SE (Sonship Establishment - foundation that gets you ESTABLISHED in something; won't be till SE that many of these things get done, things introduced to you in your SO that aren't accomplished in you till your SE). SE is essential. It is the very foundation upon which your Sonship education will rest. Can't bypass SE. Like building a house without a foundation. We are being established in our Sonship/as sons. To establish in the son the importance of the Business that the Father is offering Him. As wonderful and as glorious and as exciting as that is, there will come a time that won't carry you but this is. Given this off the bat because at first you have all this liberty as a son. You are not longer a child. It's like saying to a kid you are not going to school today, you are going with me. Their excitement only lasts so long. God wisely knows this and says let Me show you what this Business is about and what this really is about and what you're going to get when it says to know wisdom and instruction in Proverbs 1:2. That's what you are going to get in Sonship establishment. Sonship Commitment Checkpoint: Not the education proper, but it is the doctrine you need to start the education. Learn about your Sonship establishment and sets your attitude for the education. His Business is so impressive that: 1. You become as interested in laboring with Him as He is in laboring with you 2. You will be willing to devote your whole life to getting educated to labor with Him in His Business Will tell you what's going to happen when you tell Him/what you should be expecting.
Romans 8:16-39	Doctrine : SE (Sonship Establishment)	Sonship Establishment: Two main things it is designed to do/two things it accomplishes or meant to produce IN you before you get the education. Produces an absolute confidence in 2 things: 1. TRUST YOUR FATHER: You can trust your Heavenly Father in that what He says He will do. Convince you that your Father has not overlooked anything - what He says is true and what He says is best - In what your Heavenly Father and what He says to you can absolutely be trusted without a shadow of a doubt - An absolute confidence in what your Father says - Don't need verification, outside corroboration, who else agrees - when your Father tells you, you just believe, not wavering - no outside proof to verify what He is going to tell you & the POE will try to convince you what you are reading can't be true 2. TRUST HIS WORD: Establishing an absolute trust in His word, that the word will produce IN your INNER MAN exactly what it is designed to produce. - His word/The curriculum for your Sonship education is able to provide everything you will need. - An absolute confidence in the curriculum to produce everything it says it will produce - Whatever you run into, the doctrine is capable of handling that He does these 2 things by installing in you those 3 godly virtues. These are virtues that any father would want instilled in an adopted son. Those virtues are installed in us by way of the attending doctrine. All you have to do is believe.
Romans 8:16-39	Doctrine : SE (Sonship Establishment)	SE: Your attitude/POV/mindset/perspective is meant to produce 2 things in you (GH: produce & install the 3 virtues in you): Install 3 godly virtues in you that will equip you to go into the curriculum. Everything He said is true and you can believe it. Doctrine designed to equip you to handle sufferings. Contain doctrine that supply you with everything you need to cope with sufferings. Paul underscores 'enduring' (and NOT delivering you) the sufferings is the main issue, to 'patiently endure' the suffering.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:16-39	Doctrine : SE (Sonship Establishment)	Sonship Establishment: The first thing in this attitude is: NOTHING COMPARES in our lives to our Father's Business - nothing on earth compares to this NOTHING COMPARES with getting the education that we need to labor with Him in His Business NOTHING COMPARES with the vocational training, the experience and all the skill acquisition that goes along with the education NOTHING COMPARES with the practice you will get in the areas of your life - practice in the assembly, in your home, out in public, with your family members, with strength all that things that happen in your life. All the things in your life will turn into practice runs that will be happening out in the creature. The second thing in this attitude is: You no longer see problems, fears, hindrances, etc. as deterrents or reasons to "throw in the towel". These problems are part of your "Sonship training". You will handle them as part of your Sonship life. Meant to produce an 'attitude'/outlook/view point/way of thinking in you that matches your Heavenly Father's Attitude SE includes Romans 9-11-Dispensational Change.
Romans 8:16-39	Doctrine : SE (Sonship Establishment)	Section 1: Produces the godly virtue of Contentment / Patient Endurance of the sufferings of this present time - v16-25 - Promise about the GLORY Section 2: Produces the godly virtue of Untroubled Confidence in prayer - v26-27 - Promise about that prayer infirmity Section 3: Produces the godly virtue of an unwavering trust in my Father and His curriculum - v28-39 (MM says the most critical of the 3 - Promise that all those things, even the bad ones, are going to work together for good - will allow you to do something later that without it you could have never gotten done Section 4: Dispensational Change - Romans 9-11 These 3 solve potential roadblocks to your Sonship education - possible obstacles to get you to quit and He solved all 3 of them - Potential Roadblock One: The SOPT and the BONDAGE OF CORRUPTION (no one is excempt and we know that) - if a person doesn't understand what God is doing, is allowing the sufferings to happen, why He is doing what, they will get so caught up in the things going on that it will actually stop their Sonship life. - Potential Roadblock Two: Infirmities in our prayer life - Potential Roadblock Three: GH: Losing motivation to continue or outright quitting

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:16-39	Doctrine : SE (Sonship Establishment)	SE Virtues: These are given in a very precise order - so wise and precise order - it is put together perfectly. Are given to you in the order you encounter them in your life: 1. SOPT you experience as early as birth. 2. When you begin the education in Romans 12:3. 3. POE attack kicks in at Romans 13:12. All of these components are meant to produce IN you a particular attitude in you that matches your Heavenly Father's Attitude. He wants you to begin thinking about things the way He is thinking about things. He really wants to put what is in His Heart in your heart and that begins to get done in these areas right here. In the end you will have absolute, unwavering confidence in 2 things: 1. You're going to have an absolute confidence that when you read what your Father say, you will be looking at that understanding that there is no doubt in your mind that what He has told you is absolutely true. 2. You're going to have an absolute confidence that His curriculum will absolutely succeed in you. It will do everything it is designed to do. By v39, you will know that if you read it, you know it is right, but you know that this curriculum is going to produce it IN me. Giving you a guarantee of success. MM says it is not a matter of IQ or did you go to church in the past (MM says that may help because you don't have a bunch of stuff to unlearn now). You have one issue to settle - can you believe what He tells you. That's it.
Romans 8:16-39	Doctrine : SE (Sonship Establishment)	**SE Part 1 - VIRTUE: Patient Endurance** - Learn that you will undergo the SOPT-v18. There are things that are going to happen to you just because you live in a fallen world and God is not going to stop them from happening. Can't avoid them but you learned that by going through that with the right response, there is a glory that is going to be given to you in eternity that is so great that your apostle said that the sufferings are not worthy to be compared to the glory. Introduced to what you will be doing when you get out there in THE CREATURE in your glorified body. Introduced to the creature. Learned when you look up at night at the moon and the stars that you are really looking at a creature. But it doesn't appear to be living because it is under the BONDAGE OF CORRUPTION. Learned WHY it is under the BONDAGE OF CORRUPTION and who put it that way. PATIENT ENDURANCE - SE Virtue No. 1: Is knowing you are under the BONDAGE OF CORRUPTION just like THE CREATURE is, you're going to go through SUFFERING in this physical body that you are not going to get away from - all subject to the BONDAGE OF CORRUPTION. You're going to have the REDEMPTION of this body that is promised to you but until that time happens you are going to patiently endure. Means that you don't do some things: 1. Don't moan and groan and complain and whine (MM jokes you can't go outside these walls and tell the normal person to 'dry it up' or get over it, doesn't do them much good because they don't have doctrine in them to perform that in them)

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:16-39	Doctrine : SE (Sonship Establishment)	**SE Part 2 - VIRTUE: Comfort in Prayer** - Learned about Sonship prayer as a son or daughter of your Heavenly Father. Doesn't mean you didn't know how to pray but you learned about what he was talking about with the searching of the heart - what this is and how it takes place - and learned about some aspects of Sonship prayer that's going to be very important for you in the future. UNTROUBLED SATISFACTION (or Peace) with regard to Prayer - SE Virtue No. 2: You are not worried now because you're going to encounter some things, because you know that's all been taken care of and that is why you don't need to know any more about the searching of the heart (GH: than you do from v26-27). You know now because this is what this is intended to produce.
Romans 8:16-39	Doctrine : SE (Sonship Establishment)	**SE Part 3 - VIRTUE: Confidence in your Heavenly Father that what He says to you is true and His word (part written TO us) will succeed in you** - Longest and most complex (MM doesn't mean complicated) - has the most facets to it. There is more in here than you might imagine when you read these verses. By the time you get through v39, you are going to realize that this Sonship education/curriculum that God has laid out in His word is more powerful and can produce infinitely more than you could ever dream it could do (GH: Before you read it). MM is not trying to denigrate your knowledge, but whatever you think this Book has the Power to do, when you get to v39 and we go through those 5 probing questions, you are going to look at this in a whole new light and be wowed by it. Will look at this Book and say I never dreamed that it had the Power to do this. If you can't discern it, it is going to catch you. If you don't discern it and have the SE Pt 3 confidence that these verses are meant to instill in you, you will end up following a competing wisdom. Will be presented with an alternative truth that is going to appear to be more attractive / believeable / desirable than the Truth our Heavenly Father told us. That is a very powerful thing to have to overcome. Part three of our Sonship Establishment is designed to produce an unfailing confidence in your Heavenly Father (what He says to you is true and trustworthy) and in the Sonship curriculum (its ability to succeed in you in every way). Without this confidence you will fall victim to a particular aspect of Satan’s policy of evil. That aspect concerns confronting you with a more believable and more attractive “truth” than your heavenly Father has written in His word. In this dispensation of grace God was not intervening in the physical circumstances of life, but rather, His work is in the inner man of the believer.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:16-39	Doctrine : SE (Sonship Establishment)	CONFIDENCE: 1. Should produce in you an absolute unshakable confidence that if your Father says it, you believe it not just because you're supposed to, you really do believe that, even in the face of what looks like a more attractive and believable truth. You're not going to doubt Him for a moment. 2. You'll understand that the Sonship curriculum contained in this Book is absolutely going to succeed in you. The only thing is you can't quit. As long as you don't quit, it is going to do what it is designed to do. What you will be persuaded of at the end. The POE will present truth to you that looks more attractive/more believable, but you have to put that to rest, settle the issue, and move on once and for all. You will look at your Father and THE MOST trustworthy individual that you are ever known. Your goal is to appear to Him as THE MOST trustworhy individual that He has ever known. It is not hard to understand, it is just hard to believe. Because the only thing that will tell you that is contained in the Sonship curriculum and folks in this assembly.
Romans 8:16-39	Doctrine : SE (Sonship Establishment)	You are going to have to live out of those (GH: SE learnings) every single day. You have a HOPE of being a JOINT-HIER with Christ. You are going to work in the CREATURE. You are going to labor with your Father in His Business He's made a provision for those INFIRMITIES in Sonship prayer - you will live out of everyday. You have unwavering faith in your Father and His curriculum These 3 components of your Sonship establishment shape and form who you are as a son just as much as when you were told about your new identity IN Christ. It's who you have been made to be for all eternity and you need these with you all the time.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:16-39	Doctrine : SE (Sonship Establishment)	All three components of your Sonship establishment are meant to be ever-present in your thinking. This is not information you can learn and then forget about. You must live out of it every day. 1) The hope of being a joint-heir with Christ as one who operates, governs and gives functional life to the creature; which produces a salvation from being victimized by the sufferings of this present time 2) The confidence that Sonship prayer continues unhindered in order to find the knowledge of God 3) The unwavering confidence in our Father and His curriculum whereby all things work together for our good These 3 components of Sonship Establishment actually shape and form who we are as sons of our Father, just as much as our Identity IN Christ is now who we are forevermore. **Why God knows you are going to need this confidence:** **- What you are going to come up against** **- What we are going to be called upon to do** **- What this education needs to produce in us to equip us to do the job we will have in eternity** This section of scripture produces such commitment and such unshakable confidence that when you are called to 'present your body a living sacrifice'-Romans 12:1, you will stand and do it without hesitation. You will be willing to face the Adversary, the course of this world and whatever else comes along. That is the kind of confidence our Father wants to produce IN us. This is not the general, every-day type confidence that anyone can have when they are convinced of something. The kind of confidence we are talking about is a confidence that comes from your Father.
Romans 8:16-39	Doctrine : SE (Sonship Establishment)	SE Pt 3: - POINT 1: Everything that you needed to have take place or that you will need in the future is going to be provided for you and to you without any exception. You are never going to be found lacking. And that confidence is important that it gets done in this part of your Sonship Establishment. You won't get to a place where you say you need something and it is not available to you. It's not going to happen. - POINT 2: Nothing will be able to separate you from the Provision that your Heavenly Father has made. Once He has done that, there is nothing that can block that or thwart that or change that or bring it to naught. You can quit and and walk away and ignore it but it is still there, which means that at any point, a son or daughter could come back and pick that up, get that right, and move on.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:16-39	Doctrine : SE (Sonship Establishment) / GH: What's at stake in living your sanctified life	**MM says there is an issue you need to be aware of. There are statements/boasts that the adversary has made which explain WHY God is doing what He is doing in this DOGG. If you don't know about these things, you will always be wondering why is God allowing this or that. We think if someone who was a really good person who was really serving the Lord and their life is cut short early on and you always wonder. Satan has said he has a superior wisdom to God's Wisdom, that he has a better way of doing things than God does. One of the things he maintains. He also maintains that as far is his power goes, his power is more than sufficient to rule the heaven and the earth and he thinks he has the ability to do that. What your Heavenly Father is doing in this DOGG, He is showing that He possesses a Wisdom that the adverary doesn't have. That your Heavenly Father produces a Power that the adversary not only doesn't have, he didn't know that it existed. Powers we knew He had:** **- Spoke the world into existence - there's a creation Power.** **- Saw Him part the Red Sea - there's part of His Omnipotent Power.** **- Saw Him bring water out of the rock and bring manna out of heaven.**
Romans 8:16-39	Doctrine : SE (Sonship Establishment) / GH: What's at stake in living your sanctified life	**What they (GH: the angelic realm?) never saw even back in God's Program with Israel, the Power of God's word to produce something that Satan cannot produce. It's impossible for Him to do so. That power is called the EXCELLENCY OF THE POWER-2 Corinthians 4:7. It's the most excellent power that God possesses. It not only excels every other power, it's a power that until God began to put it on display through Paul in the DOGG, Satan didn't even know it existed. When Satan boasts I WILL BE LIKE THE MOST HIGH-Isaiah 14:14, he thinks he has all the power necessary to do that. He thinks he has all the wisdom necessary to do that. Satan's wisdom would never come up with the idea of people going through sufferings, patiently enduring them that they would receive a glory and at the same time it would REDOUND TO THE GLORY OF GOD-2 Corinthinas 4:15. God is putting on display a power that Satan never saw. This power of something bad is happning, make it go away - Satan knows that. Satan can even make things better or worse to his whim. Why the prayer is not for deliverance, the prayer is for endurance. Because that is what puts a Power and a Wisdom on display that Satan doesn't possess, only God possesses that Power. When you go back to anything else, you are putting something else on display that Satan himself can do. And that means he is as good at ruling this thing as God is. He can do it.**

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:16-39	Doctrine : SE (Sonship Establishment) / GH: What's at stake in living your sanctified life	**But when you are talking about a Power that Satan looks at and goes how do you do that, he has no idea. Talking about a Wisdom that men certainly would not come up with. And when you rightly respond to what Paul writes about responding to those sufferings by patiently enduring them, not only does it bring glory that you know is being built for you, but it brings glory to your Heavenly Father. The third thing it does - it throws it in the face of the adversary - that your wisdom isn't good enough, your power is insufficient. It takes more to rule heaven and earth buddy than are ever thought it did. He thought he could show up and run everything and there are aspects of God's Character and His Essence that you don't even know about. Those didn't get revealed until the DOGG, they were kept secret with the Mystery. MM wants you to see what God did with Israel in the past is not what He is doing with us because Satan can replicate that. God is putting the EXECELLENCY OF THE KNOWLEDGE and THE POWER on display to all creation, but especially to Satan. How demoralizing is it for God to put the Power of His word working IN you when you're under suffering that allows you to patiently endure, with your eyes on your HOPE, knowing what that is doing:** **- building your glory** **- building glory to God** **- showing just how inadequate the adversary is.** **That's what you're showing, he can't cut it. We want to go back and live the other way (GH: Israel and deliverance), Satan can match every bit of that.**
Romans 8:16-39	Doctrine : SE (Sonship Establishment) / GH: What's at stake in living your sanctified life	**We are not putting anything on display that's special. Moses threw his rod down and it became a serpent. The sorcerer's did the same thing. Turned water into blood. They did the same thing. You know that Satan has power, he is going to give life to the image of the beast so that it speaks. The O.T. idols had lips carved in them but they never moved. Had to have a medium - a priest or priestess that said the idol talked to me, like they had a special gift because everybody looking at the idol just sitting up there. Why the O.T. prophets said they have eyes but they see not, that have noses but they smell not, they have ears but they hear not, they have lips but they move not, they have hands but they handle not, they have feet but they walk not-Psalms 115:4-8. And you Gentiles got fooled into thinking it was the living God?!?!? Bought into the counterfeit. Satan will create a counterfeit image that will come to life. How many people will buy into that? God says you (GH: Satan) got power, but I HAVE got Power that you never even knew existed. I HAVE Wisdom that you never even knew existed. And if you are going to be the rightful ruler of heaven and earth, you're going to need all of this and this is the part that Satan doesn't own. He can't produce it. He can't replicate it. You know what he does, he keeps us from it. Because it is the thing we put on display that proves him to be inadequate for the job he is trying to steal.**

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:16-39	Doctrine : SE (Sonship Establishment) / GH: What's at stake in living your sanctified life	In the first section of your establishment, you are told about things you would never know unless you are told about it - trying to get you to see things with a different set of eyes: - The heir of God inheritance which all the redeemed receive-v17 - The joint-heir inheritance for the patient endurance of suffering-v17 - The incomparable glory that will be ours forever-v18 - Your part in the Father's Business as it relates to the creature-v19-23 - The redemption of your body as it relates to your vocation in the heavenly places-v23 - The promise of that redeemed body becomes our hope for which we patiently wait-v24-25
Romans 8:16-39	Doctrine : SE (Sonship Establishment) / GH: What's at stake in living your sanctified life	In the second section of your establishment, you are told - things you would never know unless you are told about it - trying to get you to see things with a different set of eyes: - Due to inexperience in the education, we have some infirmities - Unless some provision is made to compensate for them, they will bring our Sonship education to a halt - Our Father has taken that into account so that in spite of those infirmities, our education will continue right along because of the Spirit's intercession to the Father on our behalf In the third component of sonship establishment, there is an unwavering trust built into two parts: - Unwavering trust in my Father and what He says - Unwavering trust in His curriculum to succeed in you - It's more than believing what WHAT He tells us, you are going to have to know WHY.
Romans 8:16-39	Doctrine : SE (Sonship Establishment) / GH: What's at stake in living your sanctified life	Sonship Establishment: (GH: Two goals) 1. You can absolutely trust your Heavenly Father: Is about convincing you that your Heavenly Father can be trusted and everything He says to you is absolutely true and you can trust it. No situation has not been accounted for. He hasn't left anything out/overlooked anything. There are no circumstance you will encounter in which God will go, 'oh well, I didn't think of that?' He has covered it all. The effectual working of this body of information is designed to produce, IN you, the desire to invest your LIFE in this curriculum as you see/perceive what your Father has to offer you, and what your education as His son is ultimately designed to provide you with the skill to do. 2. You can trust His word to perform in you what He says it will do. If that establishment has done in your what it is supposed to do, you can now take those mercies and believe if that's the basis for being a living sacrifice which is your reasonable service. You can trust those mercies to produce in your what they are designed to produce. - hope that will provide you with the patience that is necessary to see this course through to its end. - hope of an inheritance so great and so grand, that you see it as worth investing your entire life in this Sonship curriculum. Everything in our Sonship Education/Edification (being conformed to the image of Christ) is tied to our "suffering with Him" in various manners that are equivalent to how Christ suffers today in this dispensation of grace.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:16-39	Doctrine : SE (Sonship Establishment) / GH: What's at stake in living your sanctified life	Exhortations - you are being exhorted to do something, motivating you (not a threat), giving you a reason/making you want to go do that. Paul's exhortation to show you how valuable this wisdom and instruction we're going to be given. Before He starts teaching you about this wisdom, the first thing He wants you to know is this is important, valuable, how much worth this has, so no one will have to come along and pat you on your shoulder and say 'come on', you will be saying 'I've got to get this'. Not everybody is interested in working in their Father's Business. Probably because they don't know what that Business is about. Why your exhortations include something about what you will be doing in your Father's Business. Not seeing the value in this is the reason people struggle so hard with areas in their life, areas that displease God. Exhortation - when you see what is yours you will be able to see what I am after here is really the thing to be after. The No. 1 thing a father looks for in a son to work in His Business - he has to want it.
Romans 8:16-25	SE Section/Component 1 of 3 - Virtue: Contentment and Patient Endurance OF Suffering FOR a Glorified Body / Doctrine: Joyful Hope OR Your Glory OR Suffering	Good News on Suffering: - We are JOINT-HEIRS with Christ IF SO BE we suffer with Him/with Christ. Sufferings will result in a JOINT-HEIR INHERITANCE. What a privilege! - SOPT are not worthy to be compared to/with what the GLORY that shall be revealed in us as a result of our right response to suffering. Sufferings will result in a GLORY. Our proper response to our sufferings produces a GLORY which the sufferings are not worthy to be compared to. - We have a HOPE (confident expectation/assurance of God's Promise, not just wishing something will happen) that we are patiently waiting for - the redemption of our bodies/that this body is going to get redeemed. Bodies are currently under the BONDAGE OF CORRUPTION (older you get, things don't work as well they did - glasses, hearing aids, back problems - praying about these is not a legitimate prayer request). - The Spirit is going to help you in the midst of the sufferings/help with our infirmities. Will teach you how to pray about those. Not going to help our infirmities the way most people think He will. Intercession is the key word - it is NOT prayer. Sonship Establishment - Section/Component 1 of 3 (Virtue: Contentment and Patient Endurance (Patience to Wait for your inheritance - produces a hope)/Doctrine of 'Joyful' Hope that we possess as God's heirs in His plan and purpose). The exhortations and doctrine contained in each section are designed to install a certain "virtue" in the son. **Romans 8:16-17: Sonship Establishment - Section/Component 1 of 3 - Introduction** **Romans 8:18-23: Sonship Establishment - Section/Component 2 of 3 - Body of Information (could break down into multiple parts)** **Romans 8:24-25: Sonship Establishment - Section/Component 3 of 3 - Conclusion**

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:16-25	SE Section/Component 1 of 3 - Virtue: Contentment and Patient Endurance OF Suffering FOR a Glorified Body / Doctrine: Joyful Hope OR Your Glory OR Suffering	Romans 16-25: Doctrine: Suffering / Godly Virtue: Patient Endurance of the Sufferings - linked to a HOPE (JHI-reward/light at the end of the tunnel/payoff for what we have gone through >>> suffering). Patient endurance conforms you to the Image of Christ and that can't be done any other way. Understand why He is allowing you to suffer some things in the DOGG and that He is not going to intervene in it. You will know why and know why He is suffering those things. Not talking about suffering like suffering on the Cross. Understand why God is not intervening in those things, why He's enduring them, and what that something that is bigger and better than your suffering. He has specific plans in eternity for you as members of the church the body of Christ and right now you are being trained and educated for that vocation. He has a hope (GH: like we do - our patient endurance is based on a hope). He is FOREBEARING because there is something better waiting on the other side of this. His Hope involves installing you in the creature out in those heavenly places and putting His Life and His Glory on display throughout all of creation. MM says has never yet been done. Part of what you're going to be doing is **you are going to make the entire creation, because of who you have been made to be, you are going to make the entire creation - animate (animals and plants) and inanimate (stars and planets), birds and animals, stars and planets - all that is going to respond to the Glory of God in the way He meant for it to before Satan's fall in the heavens and Adam's fall on the earth. When God created this whole thing, the whole thing was supposed to respond to Him in a particular way. You're going to restore that**. God has a hope as well, not hoping that we will do it but it's the hope that He has to look forward to is that we are actually going to be trained and educated to get up into those heavenly places and make that happen.
Romans 8:16-25	SE Section/Component 1 of 3 - Virtue: Contentment and Patient Endurance OF Suffering FOR a Glorified Body / Doctrine: Joyful Hope OR Your Glory OR Suffering	He is looking forward to that. Not the only one, there is a day when the whole creation will respond to the most High God. That is part of the hope that He is looking forward to. Why He is holding off so that can indeed happen. So we have a DOGG for the purpose of training us and educating us in His word to do just that. Because it is grace, it means He is going to forbear some things and suffer some things and we are going to suffer with Him. If He is allowing it/letting it take place, we are going to endure it/allow it without complaint. When bad things happen to us, He does not intervene in the physical circumstances but He does give you something. He intervenes to give us a patient endurance that produces something in you that cannot be produced any other way. Think of it as refiner's fire, it goes through the fire but comes out way more valuable that is was when it went in. God knows that there is something that is going to be produced in eternity that is of such value to Him that He is willing to forbear and suffer it and He is calling us to do the same because we are going to have a part in it. If you don't suffer with Him, there's no JHI. He will let you say no and walk away. Still get an HEIR OF GOD inheritance and that's pretty good. The hope of glory that is designed to produce a patient endurance. There's a particular attitude that is being put IN you/produced IN you that matches your Heavenly Father's attitude. Yes, it's going to give you a godly virtue. Yes, it's going to give you absolute confidence in your Father and the ability of the word to handle anything that comes along. Do all that by producing an attitude IN you. Written to get you thinking about your inheritance in a particular way: - As your Father does – so that His attitude becomes your attitude - As the Lord Jesus Christ does – with whom you are a joint-heir

Romans 8:16-25	SE Section/Component 1 of 3 - Virtue: Contentment and Patient Endurance OF Suffering FOR a Glorified Body / Doctrine: Joyful Hope OR Your Glory OR Suffering	The Spirit of God produces the PATIENT ENDURANCE in you which produces a certain attitude in you that manifested in different way: 1. Give you enthusiasm about your Father's Business and your part in it 2. Creates an assurance that no matter what we have to go through in this life that our Sonship education is going to be worth it because there is a glory associated with that and allows us to patiently endure all the sufferings 3. It equips us to patiently endure the sufferings of this present time 4. Educates us about our involvement with the creature 5. Makes us groan for our glorified body, not for the purpose of getting out of the aches and pains of life but for the purpose of going to work for our Father and laboring with Him It is the job of that Spirit to take that word and make it a living reality IN you.
Romans 8:16-25	SE Section/Component 1 of 3 - Virtue: Contentment and Patient Endurance OF Suffering FOR a Glorified Body / Doctrine: Joyful Hope OR Your Glory OR Suffering	Calls on you to believe: - There is a glory that exceeds any suffering on our part-v18 - There is a hope that one day these sufferings will end - The word of God is effectual for us to patiently endure - There is an impact being made to God’s honor and glory in the heavenly places - The creature is waiting on the manifestation of the sons of God-v19

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:16-25	SE Section/Component 1 of 3 - Virtue: Contentment and Patient Endurance OF Suffering FOR a Glorified Body / Doctrine: Joyful Hope OR Your Glory OR Suffering	Produces the godly virtue of contentment and patient waiting for the realization of our hope, especially in the face of any of the “sufferings of this present time” that we will experience. First thing you are given that will allow you to endure the sufferings of life with patient endurance. Your hope is whatever you endure, there is a reward waiting for you that is so great that it makes whatever you are enduring pale in comparison, even if that suffering is unto death. You will say I'd die a thousand times to get this. The Bible says it is not worthy to be compared. Don't worry what that is yet. What causes you to ENDURE is that you are given a HOPE or a promise that there is a reward out here that you are going to be given for enduring those things. Your Heavenly Father has constructed this rewards so that you're going to view this as much much greater than the dread of suffering. How great would this reward have to be that you are willing to suffer something unto death? MM says he is just trying to give you a measure of the reward. Have to realize that when I am going through something, I have to have patience and endure this thing, because when I do, there is something that is going to be given to me on the other side in exchange. When these verses have done their effectual work, it won't matter what is happening in your life because it's going to change your attitude toward that. You can either go through sufferings and wind up with an inheritance or you can go through them and wind up with an empty sack at the end. If you are going to go through this anyway, why not get the reward? See how that changes your whole attitude? Suddenly the things that used to drive you nuts are an opportunity for glory. Hope you enjoyed griping about them because it cost you part of your reward of your inheritance. Have to be ready to give the answer to 'how can you go through this with that kind of attitude?' This “hope” is what should be in your mind as you go through the “sufferings” of life. In other words, it is that “joint-heir” inheritance that you are confidently, expectantly waiting for (hoping for!). That hope is what enables you to go through the “suffering with Christ. Designed to give you the “hope” of an inheritance so great and so grand, that you see it as worth investing your entire life in this sonship curriculum. RECAP: There is no business that has ever existed that can compare, in any area, with your heavenly Father’s Business. This is all designed to sweep away the idea of changing your mind and going into business for yourself or thinking that your Father’s Business is "no big deal.”

Romans 8:16-25	SE Section/Component 1 of 3 - Virtue: Contentment and Patient Endurance OF Suffering FOR a Glorified Body / Doctrine: Joyful Hope OR Your Glory OR Suffering	Recap: - We qualified for an inheritance by trusting in Christ as Savior - HEIR OF GOD - We may qualify for another inheritance by suffering with Christ - JOINT-HEIR - Romans 8:16-25 contains a doctrine specific to suffering - The effectually working of the doctrine produces a HOPE - That HOPE does several things: o It produces the virtue of patient endurance o It enables us to endure the sufferings that come our way o It equips us to continue in the Sonship education - gives you something else you need.
Romans 8:16-25	SE Section/Component 1 of 3 - Virtue: Contentment and Patient Endurance OF Suffering FOR a Glorified Body / Doctrine: Joyful Hope OR Your Glory OR Suffering	Not a doctrine you are hearing today that you can file away and forget about it. Going to have to live out of it every day. The more you practice this the better you get at it. Not talking about enduring things you shouldn't have to endure. If the door squeaks, oil it. When you are being taken advantage of and you don't see in recourse to that/out of your control, no matter how minor or major you may see that suffering you need to start looking at it like this (points to patient endurance write-up). Will change the way you live your life every single day. Reason is the 'reward of the inheritance'. Can't get motivated to endure suffering from any other source because eventually that is going to give out. Meant to give you staying power. How this works: Spirit takes that doctrine and works it IN your inner man. Can't let the counterfeits fool you. When you ask WIIFM? Is the payoff worth all of that? MM says the payoff is better than ever imagined. E4808

Romans 8:16-18	GH: The relation between Suffering and the Inheritances	The mechanics of the doctrine. The first thing it tells us: if we are children of God, then we have an inheritance. Goes on to describe our inheritance by giving it a name. Because the basis for being an heir of God is simply to be a child of God, we can make two conclusions about this "heir of God" inheritance: 1. Based only on what Christ has done because that is how we became children of God, not by any works of our own, but by the work of Christ alone. 2. Is the same for every saint; that is, there are no degrees of variation or difference in this inheritance. We think that because the work of Christ which justified us unto eternal life and made us to be children of God is the exact same for every believer. If the inheritance is based on the work of Christ and His work is the same for every saint, then the inheritance must be the same as well. Automatic - There is nothing we need to do in order to receive it. We receive simply because we were put "in Christ" in response to our saving faith.
Romans 8:16-18	GH: The relation between Suffering and the Inheritances	First mention of suffering in Romans and the particular kind of suffering is the SOPT-Romans 8:18. The instructions given to us here are the very first steps to one day being able to say about our sufferings the same thing that Paul would say when he said I TAKE PLEASURE IN (sufferings)-2 Corinthians 12:10. You just can't go there from the beginning, but this is the first step that actually gets you there and these 3 verses set forth some critically important doctrine. - v16: The Spirit of God is going to tell us, to bear witness with our human spirit what we are God's children. The Spirit will confirm the truth of this in our inner man. Part of our JUEL. - v17: Continues and tells us that if we are the children of God, we have an inheritance. And we are made to be: 1. HEIRS OF GOD: the particular kind of inheritance that we get solely on the basis that we are CHILDREN OF GOD. It is not dependent upon anything else. Every child of God gets an heir of God inheritance on the basis of being a child of God is given to us in connection with our justification. Couple things: (1) It is based on what Jesus has done and not anything that we do. We don't supply anything to that. We just have to be the children of God. (2) You can't add anything to it. It's the same for everyone/everybody. There is no degree of difference, whether you are saved 10 seconds or 50 years. (3) It's the product of our justification, our Heir of God inheritance that's based on us being a child of God and it comes out of our justification. Is a product of us being IN Christ/being placed into Jesus Christ in response to our Exaltation in Christ. Based on our 'saving faith'. **Faith is a non-meritorious action. It doesn't qualify to be a work**. There is no merit to that. It's simply trusting what SomeOne else has done. This is in response to our saving faith - that produces a result, our exaltation in Christ. Heir of God can't be a reward because you don't have any part in it (but in the joint heir you do).

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:16-18	GH: The relation between Suffering and the Inheritances	(4) This inheritance cannot be a reward because a reward is some kind of recompense for something - some service, some merit or something like that. But we didn't do any of this. At the end, it is simply our inheritance and we got it just because of what Jesus did for us. Made us part of the family and because we are part of the family, we get it. Understand that our position or standing when we were put IN Christ was all taken care of by the Lord and given to you as the salvation package you received when you trusted Jesus as your Savior. Even if you didn't even know you have it, you still got it. You had to be taught about that so that you could live out of that understanding. We were forgiven, made righteous, and given peace with God through the Atonement. Those are the things that gave us this new position. And because of this, we are heirs of some things. Everything that was done for you positionally was accomplished by Christ alone. We don't have anything to do with that. You have been made the righteousness of God IN Jesus Christ. That is your position, that is your standing before God. When God looks at you and sees you, because Christ has paid for every sin, those things have been forgiven. The righteousness of the Son has been imputed to you and you now have peace with God and that's your standing before God. There is an inheritance in connection with that and part of that inheritance is to be able to be a citizen of the Kingdom that's going to go on forever. You get to be a part of that. Being saved is not just you don't go to hell. MM says this is true for a person who really did trust Jesus Christ but they are not living very righteously because it is not based on anything you do. It is based on what Christ did for them, provided for them, and when they were placed into Christ, they got all of this and now their standing before God changed. He is no longer dealing with them as an enemy no matter how they live.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:16-18	GH: The relation between Suffering and the Inheritances	MM is emphasizing this point because people who think these inheritances are the same are confusing your position with your practice. Do not make this mistake. One of these is positional based entirely on your justification and is automatic. It's already done and He did it and it doesn't depend on anything about you. GH: In your practice, it is going to be different and you have to keep that in your thinking so you don't confuse these inheritances. MM says think about what it will be like to inherit a place in the Kingdom of God, to live in a Kingdom of Righteousness and in the Light of God Himself. Every child of God will inherit a place in the Kingdom of God and by extendion, they're going to inherit something else and that is eternal life. 2. JHI: Not everyone is automatically a joint-heir although every child of God can be. Not automatic or you would already be perfectly advanced in the doctrine with nothing left to do. Reward of the inheritance is how we are going to be glorified with Christ. What is the practical way in which this is going to take place. Not out of your justification, it is a product of your sanctification. Not because you were put IN Christ, it is now because Christ can actually now have His Life made manifest in you - that's a different issue. Because it is conditional, it is possible to lose this portion of the reward. Cannot lose the heir of God inheritance because it was all based on what Christ did. MM doesn't want to complicate this but this is not about us either but you are making a decision about allowing Him to live His Life IN you just as you made a decision to trust Him for your justification. Get this by the word AND the Spirit dwelling IN us. This is not our good works, it is His Works in us. IT's His Life in us, not us emulating what we think He would do. It is actually Him through the Spirit living His Life in us. It is our job to get out of the way and let Him live in us in. That's really what this life is, that's the life that saves you. It's the life that conforms us to the image of God's Son. When His Life is being lived in us, those are the works being created by grace. When He is living His life in us, those are the works that are accomplished by the effectual working of God's word, not our flesh. You are not mixing your works with grace, you are mixing His works with grace. You are going to be given a privilege of doing something with Christ that ultimately will allow us to be glorified together with Him.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:16-18	GH: The relation between Suffering and the Inheritances	MM says if it is part of your inheritance, you don't already have it. There are some things that believers will get that is not a present reality for them yet but it will be. Every believer in this DOGG has a justification, sanctification, and exaltation. Because our justification concerns our eternal life and that was all provided for by Jesus in His DBR, we were placed into Christ and as a result became children of God. We don't HOPE for forgiveness of sins, we already have it. You don't have HOPE for that, it is already yours. GH: MM says by thinking you are going to live forever is part of your exaltation, that eternal life, that citizenship in the Kingdom of God. It comes because you are justified, but it is not part of your justification, it is part of your inheritance. See how being a child of God has automatically qualified someone for some inheritance issues. What does every HEIR OF GOD/child of God inherit? - Citizenship in Christ's Kingdom: Talking about the Kingdom of God, not the kingdom of heaven mentioned in Matthew's gospel. (**Please see 'Comparison : Kingdom of God vs. kingdom of heaven' in the Commentary**). See 1 Corinthians 6:9-10. - Eternal life - Made part of the ONE NEW MAN-Ephesians 2:15 - Be in the business but not have a position in the creature - Receive an inheritance - A glorified body: Will be like the Resurrection body of the Lord Jesus and because we live in the heavenly places, these mortal bodies we have cannot function up there. So we are going to get rid of this flesh and blood body and we're going to inherit this glorified body that we have to have in order to be able to do the work we're going to do in the heavenly places. Don't have this yet. (Ephesians 1:13-14; Romans 8:23) - A vocation in the heavenly places (Philippians 3:20; Ephesians 4:1)
Romans 8:16-17		Colon at the end of v16. Two things: 1. Tells you to make sure you understand every thing BEFORE it before you move to the part AFTER it. v16 can stand on its own. Could have a period there. 2. Tells you don't stop here, to appreciate everything He has to say, you now have to add v17 to that. First thing out of the box in Sonship Establishment that He tells you about. Put the desire in the son to make him really want to do this and He is going to tell him about the eternal benefits of the education. The first of these 3 doctrines is that of the joyful hope that we possess as God’s heirs in His plan and purpose.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:16		16 The Spirit itself beareth witness with our spirit, that we are the children of God: We are all heirs of God, based solely on the fact that we are the children of God. Introduces you to something you both know and can agree on and He wants to tell you something you don't know so He starts with something you both agree on. MM used to teach that the verse taked about eternal security. We know that we are saved because the Spirit of God bears witness to our spirit. MM says nothing in Romans 8 has been about your salvation. Notice upper case S and small case S. Didn't start with a Word of Logic. It's just a plain statement. You know that you are a CHILD OF GOD and because you are a CHILD OF GOD, this will tell you in the next verse (v17) your an HEIR OF GOD, you have an INHERITANCE. Going to introduce a part of your INHERITANCE you never heard before. Just turning your mind to that subject the Spirit is agreeing with you about, something you already know. Because He's going to introduce something further about that that you didn't know. You are a CHILD OF GOD and an HEIR OF GOD. Not only AM I going to agree with you about that, but here's another one, JOINT-HEIR INHERITANCE, a whole different inheritance that you have never heard about. You can get your JOINT HEIR INHERITANCE if you SUFFER WITH HIM. MM says the WITH, not FOR, is vital to understand. It is the reward that can be lost. Became an HEIR OF GOD the moment you received Jesus Christ as your Savior. That inheritance can't be touched.
Romans 8:16		16 The Spirit itself beareth witness with our spirit, that we are the children of God: 3 things: 1. He wants to educate you in His Business but He wants something more than that. He wants to instill His godly character IN you so you are able to think, live, and labor with Him, not just out in eternity but also now. 2. He is going to enable you to give wise counsel. 3. He is going to enable you to have wise decision-making skills. Even picking from 25 good options, the one that brings your Heavenly Father the most pleasure out of all of them. Teaches about the impact your Sonship education is going to have on your life from now on. Your Father is going to do some things to adjust our attitudes so that we see this education for what it really is and we see it the way He sees is.
Romans 8:16		16 The Spirit itself beareth witness with our spirit, that we are the children of God: THE SPIRIT (God) ITSELF BEARETH WITNESS WITH OUR SPIRIT (lower case 's' - our spirit): **Why when God is going to communicate something to us, He is always going to go through the Person of His Spirit to do that through the mechanism of His written word & then we get the message**. Means He is communicating the same thing to all of us. MM says it is likely the Spirit would ask 'what does the scripture say?' He reminds of the WWJD fad. Really should be WDSS. (GH: When we talk to God, we go through His Son to do that). Always the way that happens. The Spirit is bearing witness with **our spirit (what we think; our mind)** that we are the children of God. Isn't it great that is it not about how we feel. BEARETH WITNESS: To agree. When you are in agreement with somebody. Spirit is about to tell you something and starts by saying you already know and God agrees with you. It assumes that you already know about whatever it is we are “bearing witness” together. In other words, I can’t ‘agree with you’ about something you don’t already know. He’s going to bear witness with our spirit about something that we already know because He wants us to start focusing our attention on that specific thing.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:16		16 The Spirit itself beareth witness with our spirit, that we are the children of God: BEARETH: Testifies or Agrees - If you are bearing witness together that means you are agreeing with something you already know. That we are CHILDREN OF GOD. The Spirit is agreeing with you on something. Means you both have to already know it. You do know that you are a CHILD OF GOD. God is pulling your attention to a subject and He's going to do that by telling you something you already know to get you thinking on that subject. The new subject is the inheritance. WITH vs. to OUR SPIRIT: Going WITH someone is different than going TO someone. He is not giving you an inner feeling that you are saved. He is not doing anything TO you. He is doing something WITH you. The Spirit is bearing witness (GH: agreeing) with our spirit. Both spirits are bearing witness. Have to ask: 1. Who are they bearing witness to? He is not bearing witness TO us, He is bearing witness WITH us. 2. What is He bearing witness of? He wants to talk to you about something you know about but now he wants to talk to you about something more than before. Way new conversations get introduced. Start with something everybody knows, then you can take that in the direction you want to go with it.
Romans 8:16		16 The Spirit itself beareth witness with our spirit, that we are the children of God: CHILDREN OF GOD: We know that we are the CHILDREN OF GOD because the word tells us that. It's what God thinks, what the Spirit thinks, and They want us thinking about it just like They do. Just came out of v14-15 where we are told we are sons. Why revert back to CHILDREN? He is taking you back to when you became part of the family of God when you trusted Jesus to be your Savior. Why not sons? Look at v17. Uses children again. Even if all you do, because you are in the family of God, you are in the family, you're an heir of God, you have an inheritance. Changing the terminology from SONS to CHILDREN because children have an INHERITANCE. Happened when you trusted Christ as your all-sufficient Savior. Means you are part of the family. Agreeing on something you got back in your justification. v14 just called us SONS OF GOD. Everybody in the body of Christ is going to be in the Business. Everybody in the body of Christ is going to get an inheritance. Just because you trusted Jesus Christ as your Savior, your qualify to be an heir of God because you are in God's family. God is not leaving any family members out. The very least member of the body of Christ, this world has never given anybody the prestige, the glory, the wealth, or the majesty that the least person in the body of Christ is going to enjoy in His Father's Business. Everybody who is a member of the body of Christ gets that inheritance. Even some who is not interested in their Father's Business. But they will get it as CHILDREN. If we had this big hoopty do about being SONS in v14-15, why is Paul using the word CHILDREN?

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:16		16 The Spirit itself beareth witness with our spirit, that we are the children of God: CHILDREN OF GOD: Never went anywhere in their Sonship but they are in the family. Didn't go anywhere in their sanctification. Won't get a position in the creature but will be there. Get a glorified body and (GH: base) inheritance. MM says we are talking Sonship. We think if you are not engaged in Sonship you are going to burn in hell. We are talking about heaven here. The very least person who makes it to heaven, what is waiting for them is greater than anything that has ever been bestowed on any man in the history of this planet. Would expect SONS of God but he refered back to CHILDREN of God because he is going to show you something. Child of God means you're just part of the family. Learned about in your justification. Every saved person is in the family of God. Most preachers and commentators see this verse as describing an evidence of our eternal security or OSAS. They take the verse to mean that the Spirit of God is going to give us some kind of “inner feeling” or “assurance” that we are saved (children of God). This would not be out of context because the issue of your eternal security was settled back in Romans 5. Why in the middle of 3 chapters on sanctification would you be given a proof that your salvation is secure?
Romans 8:17-18	Glory Bookend / Introduction to the Sufferings	Please see 'Objections to 2 inheritances and conditional joint-heir inheritance' in the Commentary. INTRODUCTION TO THE SUFFERINGS: GLORY Bookend - Putting your focus on the GLORY and not the suffering. There is a glory that is grander than what you go through in this life. You are told (vs. 18) that whatever sufferings come your way, they will not compare to the glory which shall be revealed in you! There is a grander glory in going through the sufferings than there is in being delivered from them. v17 tied to JOINT-HEIR, v18 is SOPT. Your reward in eternity is directly tied to your Sonship. v17: You are told that the only way to qualify for the joint-heir inheritance is through suffering v17: You are told that if you suffer with Christ, you will also be glorified together with Him - ought to make you stunned in disbelief - Like when they threw the curtain back on a new car on Monte Hall's Let's Make a Deal. v18: You are told that whatever sufferings come your way, they will not compare to the glory which shall be revealed in you! Does not focus on the suffering but the glory at the end of the suffering. Difference between Christ's suffering and your suffering - He has been doing it a lot longer. The entire DOGG (2,000 years) vs. 80-100 years. Paul says if you look at this from Israel's program, you are going to get it wrong. If you look at it from your natural response to suffering, you are going to get it wrong. Because the only way we know is from preachers that taught this wrong and the WISDOM OF MEN. The Wisdom of your Heavenly Father is 180 degrees from that.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:17-18	Glory Bookend / Introduction to the Sufferings	Delivering you from afflictions or sufferings of any kind, does NOT put the power of His grace on display in your inner man! In this dispensation, God is not putting His Jehovah Power on display in the physical realm, He is putting it on display in the spiritual realm. God isn't doing miracles on the outward man, He is effectually working IN the inner man. God has determined that, in connection with our Sonship in this dispensation of grace, our Sonship inheritance will be determined based upon our present response to the very things the Lord Jesus Christ is doing right now in this dispensation of grace. Even though His suffering on the Cross is over, Christ is currently suffering at this present time, and we, if we are to be joint-heirs with Him, we are to suffer along with Him. We are to suffer some things, and they are the very things Christ is suffering, too. The Father is telling you: 1. We have the opportunity for a joint-inheritance with Christ 2. We qualify to receive that joint-inheritance if "we suffer with Him" If this is really working IN you than the SOPT is not going to be able to be compared with the glory that is going to be revealed in you after the redemption of your body. One of these things you just need to trust your Father about. When God tells you that you are going to have suffering, He also tells you that you are going to get a glory that will make those sufferings pale in comparision. The greater the suffering the greater the glory. God means to change the way you look at suffering so that it is not impacting you the way it's supposed to.
Romans 8:17-18	Glory Bookend / Introduction to the Sufferings	When the POE attacks your Sonship and you realize you are trading relief for your JOINT-HEIR INHERITANCE, you find out it is not worthy to be compared. There's nothing in this world that offers me anything close to this. You are not skating this because you got saved - the EVIL MAN and the STRANGE WOMAN are staring you in the face. The wrong response to suffering is ungodliness because: 1. You are thinking about this just like the world, just like your flesh and just like the PoE is working to produce. You will have rejected your Father's perspective on this subject and you will not be thinking with Him on it. Your mind will not be renewed, but like the Corinthians, you will place the "wisdom of men" above your Heavenly Father's wisdom. 2. To ask for deliverance is to fail to do things God's Way. You will not be "living for God" by asking His intervention, for He clearly wants to put something on display about His grace (my grace is sufficient). You will doing things Satan's way, for He is the one promoting a response to suffering as in Israel's program. 3. Your heavenly Father has a labor that He is doing, right here and now, whenever suffering takes place. By asking Him to intervene and stop that suffering, you are not laboring with Him in what He is doing, you are laboring with the Adversary in what he is doing. You are opposing your heavenly Father's design for grace as it pertains to suffering! First time Paul says anything about suffering in Romans. Get introduced to it.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:17-18	Glory Bookend / Introduction to the Sufferings	Progression of the Suffering Doctrine: - Early in 2 Corinthians: ENDURE SUFFERINGS: Don't panic, just the beginning - 2 Corinthians 12:10: Later in Corinthians: I TAKE PLEASURE IN INFIRMITIES - Ephesians (GH: 4:7?), Philippians, Colossians: GIFT of suffering (once the capacity to endure is in you - an advancement on just enduring those things) - Philippians 3:10: Wanting the FELLOWSHIP OF HIS(Christ's) SUFFERINGS - Philippians 3:10: MADE CONFORMABLE TO HIS DEATH - REJOICING IN SUFFERINGS: Not rejoicing that something bad happened but rejoicing what that is producing. That is way more important than just avoiding the sufferings. Can't jump to Thessalonians without PATIENT ENDURANCE you can't get to the REJOICING. - 2 Thessalonians: the grand privilege of suffering for CHRIST'S SAKE. - Appreciating the calling with regard to suffering
Romans 8:17-18	Glory Bookend / Introduction to the Sufferings	The doctrine will produce more than just endurance. It will produce: - a desire for the fellowship of his sufferings (Philippians 3:10), being made conformable unto his death (Philippians 3:10) - a rejoicing in them - a recognition of the honor and the privilege it is to suffer for his name sake - a glory in your infirmities - you taking pleasures in reproaches, distress and so forth there, (Corinthians 12:10) Point: The doctrine is all designed to produce thinking, attitude, understanding, and comprehension IN you. First get introduced to the concept of suffering right after Sonship Orientation.
Romans 8:17-18	Sonship Suffering '25	v17: WE SUFFER WITH HIM, THAT WE MAY BE ALSO GLORIFIED TOGETHER...v18: THE SUFFERINGS...ARE NOT WORTHY TO BE COMPARED WITH THE GLORY: In v17, Paul tells us that the glory is a result of the suffering. In v18, he says that the sufferings are not comparable to the glory. v17: AND JOINT-HEIRS WITH CHRIST; IF SO BE THAT WE SUFFER WITH HIM, THAT WE MAY BE ALSO MIGHT BE GLORIFIED TOGETHER: Paul takes two things and connects them. He takes our suffering and connects that to a future glory that will be revealed in us-Romans 8:18. You are going to redeem your suffering for a glory. Understand: * No matter how bad your suffering is it is not comparable to the glory. For every suffering you are going to get a much greater load of glory. Paul is saying the ratio is so out of proportion it is not worth comparing them. * Think about the worst suffering you've ever had to endure. And think about it this way. If you could respond to it with patience and faith, you are laying up for yourself a glory to such a degree that even you will say there's no comparison.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:17-18	Sonship Suffering '25	v18: Paul says that the sufferings are not worthy to be compared to the glory which awaits us in the heavenly places. He is not saying most sufferings. For every suffering, you're going to get a much greater load of glory so that when you look back, GH: and realize they don't compare. Understand that the worst pain that we suffer in this world, the most intense grief that we ever go through, and the worst possible experiences we face are not worthy to even be compared to that which God has laid up for us? And until we see what is waiting on the other side, we can't make a judgment that our suffering wasn't worth it. But I can say, based on what our Apostle says about it, that we will be the very opposite of disappointed. Knowing who God is, and that He is perfectly just and righteous, we can trust what He has told us in His word.
Romans 8:17	MoG - 15 of 18 -(EP) Heir of God = HEIRS OF GOD; 16 of 18 -(EP) Joint Heirs = JOINT HEIRS WITH CHRIST / Suffering = SUFFER WITH HIM / GH: Suffering Promise	17 And if children, then heirs; heirs of God, and joint-heirs with Christ; if so be that we suffer with him, that we may be also glorified together. First mention of suffering. Changing the terminology from SONS to CHILDREN because children have an INHERITANCE. **Romans Mercies 15 - Heir of God (glorified body, creature)** **Romans Mercies 16 - Joint Heir with Christ** The promise is (Scriptures by which we endure - What you should expect from this verse if it is working in you.): We can be joint-heirs with Christ if so be that we "suffer with Him" (respond properly to our sufferings.) Suffering with Him is about our godly response to our sufferings. Our response is His response IN us. Learning to suffer with Him is an important part of becoming a FES/FED. (Fully-Educated Son / Fully-Educated Daughter). SUFFER WITH HIM: Is the proper response to the doctrine. Means that we are not whining, we are not complaining, we are not questioning God, we are not mad, we are not throwing in the towel, we are not getting frustrated, we are not thinking God is punishing us. Your new identity IN Christ is NOT part of your inheritance because you have it right now. The punctuation forces you to look at this verse carefully. When we SUFFER WITH HIM, we know we will get GLORY out of that. If CHILDREN, then HEIRS OF GOD. Never went anywhere in their Sonship but they are in the family. Reason he goes back to CHILDREN instead of sticking with SONS is there was an inheritance for a child. But there is also an additional inheritance for a SON.

AND IF CHILDREN: That IF is a first-class conditional IF. If the first thing I am telling you is true, than the second thing is just as true. If we being CHILDREN OF GOD is true, what follows is just as true. Then HEIRS. CHILDREN: Why not sons? Look at v17. Uses children again. Even if all you do, because you are in the family of God, you are in the family, you're an heir of God, you have an inheritance. CHILDREN OF GOD: Happened when you trusted Christ as your all-sufficient Savior. Using it in the sense you are part of the family of God, not like children in the Israel context. HEIRS OF GOD, AND JOINT HEIRS: Notice the comma AND the conjunction (AND). There is a separation being made here. Know there will be some differences to them. MM says the comma sets that off. HEIRS OF GOD: Every saved person. Everybody that gets saved. HEIR OF GOD inheritance will be astounding. Bigger than anything the world has ever seen. The least in the heavenly places is going to receive more than anything that's ever been bestowed on the best in this world. Because this is dealing with children, means every saved person gets that inhertance. MM thinks this is part of our exaltation which stems from our JUEL. Because this inheritance is based solely on the work of Christ, this “heir of God” inheritance cannot be a “reward.” A reward is some recompense received for some service or merit. Since we performed no meritorious act to be justified before God, we cannot be found to have merit to deserve this inheritance. HEIRS: Semi-colon after HEIRS, acts in a way to say the things that are following after this or a list of the things we just described before we got to the semi-colon. Implies an inheritance.

Romans 8:17	MoG - 15 of 18 -(EP) Heir of God = HEIRS OF GOD; 16 of 18 -(EP) Joint Heirs = JOINT HEIRS WITH CHRIST / Suffering = SUFFER WITH HIM / GH: Suffering Promise	17 And if children, then heirs; heirs of God, and joint-heirs with Christ; if so be that we suffer with him, that we may be also glorified together. HEIRS OF GOD: An inheritance connected with what God has done in justifying us unto eternal life (JUEL) which is ours based solely on the fact that we are CHILDREN OF GOD. Stems from our Justification, gives the right to possess certain things. This inheritance is not part of our justification, but we receive it because we are justified. Being an heir of God is based on what Christ has done in making us to be children of God, this inheritance is the exact same for everyone. As heirs of God: - Every child of God will inherit a citizenship in Christ's kingdom. This is talking about the overarching kingdom of God, not the kingdom of heaven. Just think what it will be like to inherit a place in God's kingdom where we will live in His light; in His kingdom of righteousness. - Every child of God is made to be part of the ONE NEW MAN (Ephesians 2:15). - Every child of God will get a new body; a glorified body like unto the resurrection body of Christ. An incorruptible body which can function in the heavenlies. - Every child of God will be in the heavenly places (won't necessarily be a place of authority or rulership, won't 'judge angels'1 Corinthians 6:3 - will be part of the life in the creature) - GH: Eternal life If we take this as a description of the inheritance, then every member of the body of Christ inherits God Himself! Talk about a big inheritance!
Romans 8:17	MoG - 15 of 18 -(EP) Heir of God = HEIRS OF GOD; 16 of 18 -(EP) Joint Heirs = JOINT HEIRS WITH CHRIST / Suffering = SUFFER WITH HIM / GH: Suffering Promise	17 And if children, then heirs; heirs of God, and joint-heirs with Christ; if so be that we suffer with him, that we may be also glorified together. That suffering with Christ actually has to do with your suffering because you're a son being educated. EX Proverbs 1:7-9. **The world thinks those who see God's Wisdom as valuable as fools. God thinks those that don't see God's Wisdom as valuable as fools**. Not just the lost world but your saved brothers and sisters in Christ are going to look at you and they're going to say you're a fool. Will be the worst. Part of what you will suffer going through this curriculum. About our two inheritances; one in connection with being children of God and the other in connection with being sons. The latter inheritance is predicated upon our suffering "with Him." Only verse in your Bible that tells you how to get the JOINT-HEIR inheritance. Nobody likes suffering but you are going to find out in the DOGG things are going to happen to you. Some temporary and some long-term. Some milder and some more severe. But you are going to go through them. Every saved person - doesn't matter if they have never heard of sanctification. There is an inheritance out there for them in the heavenly places. But if you are a joint-heir with Christ, then you have suffered with Him in some things and that doesn't mean asking Him to bail you out/not asking 'Why me Lord?'/not the way we normally look at that. It's an opportunity for an inheritance that no one else is going to get because that is part of the mystery of this dispensation. Even if you never ever come to Sonship, you have an inheritance. Every Christian gets this.

Romans 8:17	MoG - 15 of 18 -(EP) Heir of God = HEIRS OF GOD; 16 of 18 -(EP) Joint Heirs = JOINT HEIRS WITH CHRIST / Suffering = SUFFER WITH HIM / GH: Suffering Promise	17 And if children, then heirs; heirs of God, and joint-heirs with Christ; if so be that we suffer with him, that we may be also glorified together. AND JOINT HIERS WITH CHRIST: This is a different thing. Heirs of God for anybody in the family of God. Joint heirs with Christ has a caveat attached to it. , AND: So you realize an HEIR of God is different than a JOINT-HIER WITH CHRIST. AND: Let's you know that the 2 heirs are not the same thing. Not identical. AND: (GH: 2nd AND) The conjunction that tells you that you are getting something added. JOINT-HEIRS WITH CHRIST: There's a caveat attached to this - IF SO BE WE SUFFER WITH HIM - one condition - not read your Bible, have a TV ministry, go to church, quit sinning. He is going through it, we are going through it. Isn't it a slap in the face to say, Lord, you are going through it but not me. Joint heir with Christ is an issue of reigning as well. Get the heirs wrong and it impacts the Mystery. JOINT-HEIR: Notice the qualifier of SUFFERing WITH HIM. Only those people get THAT inheritance. Some will get more than others. Conditional. Not everyone gets this one. If we SUFFER WITH HIM. MM says the WITH is very important. Means you have a share with everything that Jesus Christ inherits. MM asks how much is He going to inherit? Just knowing this, doesn't it change your attitude a bit, knowing what is waiting for you out there?
Romans 8:17	MoG - 15 of 18 -(EP) Heir of God = HEIRS OF GOD; 16 of 18 -(EP) Joint Heirs = JOINT HEIRS WITH CHRIST / Suffering = SUFFER WITH HIM / GH: Suffering Promise	17 And if children, then heirs; heirs of God, and joint-heirs with Christ; if so be that we suffer with him, that we may be also glorified together. Begins to affect your attitude - this thing really is a big deal, really is important. Notice how God begins by telling you about what you get when it's all over. That's how David talked to Solomon, if you recall. There is an inheritance waiting for every single "child of God." Every believer is going to be an heir. That includes those who do not know about or even care about Sonship. No, they won't be occupying a seat of authority in the creature. No, they won't be judging angels. But as members of the body of Christ, they will be up there, they will have glorified bodies, and they will be part of the "life" of the body. You should be surprised to learn that Christ is still "suffering" something. Most believers think that, after Jesus died on the Cross, His suffering was over. But, in this dispensation of grace, He is suffering some things that are particular to this dispensation. You may wonder what it is Christ is still "suffering." Another thing that should have caught your attention is the statement that we "suffer with Him," and not "for Him." JOINT-HEIR INHERITANCE: Something you don't have/experience right now, but knowing that it is waiting for you gives you/produces in you HOPE (confidently, expectantly waiting). Will change the way you look at your life and the things that are happening to you.

IF SO BE WE SUFFER WITH HIM: Often read suffer FOR Christ. It says suffer WITH Christ. The WITH is in direct connection to being sons. **Because of CHRIST IN YOU, you are going to SUFFER WITH HIM**. Know we are both suffering. Qualifies you for a different inheritance, a joint-heir inheritance. Describe the SoC (Sufferings of Christ-what you go through attaining GH: your edification). Is conditional. Know we are both suffering. WITH: Is in direct connection to being sons. IF SO BE: Dependent clause. A caveat is attached to it. IF is a conditional IF. Always introduces a conditional IF. Means there is a contingency for being a joint-heir. Children don't get a joint-heir inheritance, only sons get a joint-heir inheritance. That conditional phrase. The English grammar of the sentence requires this to be a conditional phrase. Some folks may take issue with that and they probably honestly do. This ONLY has to do with something pertaining to you being an adopted son or daughter, a specific area he will show. Have people in this country who have big TV ministries and they get up and preach on TV every week to millions of people. What you get for that is that inheritance that children get. Have a big radio ministry and you send out tapes and CDs and DVDs. What you get for that is being an heir of God. What children get. MM says the OED says this is always a conditional IF. Can't find anywhere in the Bible where it is not. If you are KJV, you cannot get away from the wording. OED: if so be - 7f (GH: ?). if that it happen that, supposing that; a somewhat rhetorical equivalent of simple “if.” IF is conditional. When you begin to be educated as a son, the policy of evil, because it opposes that more than rightly dividing the word, more than the King James issue, more than understanding the Mystery, more than any of that. It opposes what we're doing right here, right now.

Because of that, there is going to be some suffering that you're going to encounter because and only because you are being educated as a son. None of these make the list: live for Jesus, do wonderful things, go to church, witness, spend time in prayer. Getting a reward for the above is a TRADITION OF MEN. The Bible won't teach you that. Preachers call this a 'sacred cow'. People believe it so strongly they are not going to give it up. Only one thing on the list and it is a kind of suffering that is the only way you get that JHI. MM says/begs do not live your life according to a belief that comes out of an experience. Live your life according to the doctrine that is written in the epistles that belong to you. We are famous for something happens and then we look back on it and we put our interpretation on that event and then we decide this is what God's doing even though our apostle never tells us that one single time. If you do, you have bought into the counterfeit wisdom and it will derail your Sonship life. If you buy into the counterfeit to any degree, it will eventually run you off the rails of Sonship. It will be a slow process but one day you will look around and be a long way from Sonship. You will look around and say, well, Sonship doesn't work. I tried that. MM says no you didn't. You tried the TRADITION OF MEN/Churchianity. The “heir of God” inheritance does not include anything to do with the running of that Business, the rewards or that Business or the glory of that Business. Those are the things related to only the “joint-heir” inheritance. MM tying the joint-heir SUFFERING to the PATIENCE OF HOPE-1 Thessalonians 1:3.
Romans 8:17	MoG - 15 of 18 -(EP) Heir of God = HEIRS OF GOD; 16 of 18 -(EP) Joint Heirs = JOINT HEIRS WITH CHRIST / Suffering = SUFFER WITH HIM / GH: Suffering Promise	17 And if children, then heirs; heirs of God, and joint-heirs with Christ; if so be that we suffer with him, that we may be also glorified together. IF: A conditional word - something has to be met. There is a motivation that comes from just knowing about your Sonship inheritance. Christ's inheritance will grow with the Business and since you are JOINT-HEIR, yours will grow as well. Get bigger through the ages. Your position won't change but what you earn will.

MMs understanding - can't point to a verse: - Get something at the Judgment Seat of Christ in your JHI - When the Times of Restitution of all Things comes, JHI will get increased - When the Dispensation of the Fulness of Times comes, JHI will get increased - With every age of all the ages to come, JHI will get increased - Whatever your Father's Business earns or becomes in the future, that is Christ's inheritance. Your Father's Business will never suffer an economic turn down. He'll never say times are really tough, I need to lay some of you all off. - Doesn't say where all this is going age after age after age. - Part of the enormity of the JHI that makes you know. MM equates it to a dividend. Inheritance is the first thing you are told about that is supposed to produce a hope which will produce a patient endurance to endure the suffering. Not just the physical pain suffering. If you work for a jerk, there is a glory that is exchanged for doing that. Get to a point that your bosses 'jerkness' cannot compare with the glory. Like you will want them to be a jerk to you today. You are being motivated from a standpoint that you didn't have before. Hello inheritance.
Romans 8:17	MoG - 15 of 18 -(EP) Heir of God = HEIRS OF GOD; 16 of 18 -(EP) Joint Heirs = JOINT HEIRS WITH CHRIST / Suffering = SUFFER WITH HIM / GH: Suffering Promise	17 And if children, then heirs; heirs of God, and joint-heirs with Christ; if so be that we suffer with him, that we may be also glorified together. WE SUFFER WITH HIM: If we suffer with Him, we get the joint-heir inheritance. If you are suffering with Him, then we may also be glorified together. **Suffering because you were being educated. Suffering in a way that is in union with Him**. This is the sufferings of Christ. It is truly with Him. There are some things He is suffering in this DOGG. What qualifies you to be a JOINT-HEIR. WE SUFFER WITH HIM: This is the sufferings of Christ. It is truly with Him. There are some things He is suffering in this DOGG. What qualifies you to be a JOINT-HEIR. MM says all his life, he like everyone else, preached that we're all joint heirs with Christ and acted like the IF SO BE dependent clause wasn't in there. The sufferings are what qualifies you to be a JOINT-HEIR. Introduced to that suffering right after SO and at the start of SE. SUFFER WITH HIM: Is a particular kind of suffering. The sufferings are what qualifies you to be a JOINT-HEIR. If you do anything “with” someone, then you are doing it together. In this case, Paul is talking about going through suffering together. Both categories of suffering - SOPT and SoC - are under this umbrella. Both qualify you for a JHI. HIM is a reference to Christ. Is a directive that tells us when we suffer, we are to do it together with Christ in the sense of responding to the suffering by means of His life in you! You see, you are not alone. (That is, unless you do not utilize the doctrine to allow Christ’s life to be made manifest in your mortal, suffering body.). If you do anything WITH someone, that means there is a sense in which you are doing it together. Paul is talking about going through these sufferings together. The context of these sufferings are the SOPT.

Romans 8:17	MoG - 15 of 18 -(EP) Heir of God = HEIRS OF GOD; 16 of 18 -(EP) Joint Heirs = JOINT HEIRS WITH CHRIST / Suffering = SUFFER WITH HIM / GH: Suffering Promise	17 And if children, then heirs; heirs of God, and joint-heirs with Christ; if so be that we suffer with him, that we may be also glorified together. **We 'suffer together with Christ' by implementing the doctrine so that He is free to live His life in and through us so that we not only endure the suffering, but we can actually benefit in our inner man by going through the sufferings "with Him.**" Means to respond to the sufferings in accordance with the doctrine He has given to us today (in this mystery program.) We are not joint-heirs because we suffer, we are joint heirs because we handle our suffering in a particular way which Paul calls "with Him." Christians may suffer every day, but that does not mean they are automatically handling their suffering by allowing the life of Christ to be lived in them. How do we get Christ's life lived in us when we suffer? We do it the same way as for any other reason; as we positively and properly respond to the doctrine (in this instance, the doctrine concerning suffering) God's word effectually works in our inner man, and produces in us a godly response to our circumstances whereby the life of Jesus Christ is made manifest in our mortal bodies. The result of that is edification. The process is conformity to Christ's image. The process is Christ living His life in us. If we suffer with Him, we get the joint-heir inheritance. If you are suffering with Him, they we may also be glorified together. We say 'suffer for Him'. You thought His suffering was over after the Cross & Resurrection. In the dispensation of grace, He is suffering some things. Because CHRIST IN YOU, you're going to suffer with Him.
Romans 8:17	MoG - 15 of 18 -(EP) Heir of God = HEIRS OF GOD; 16 of 18 -(EP) Joint Heirs = JOINT HEIRS WITH CHRIST / Suffering = SUFFER WITH HIM / GH: Suffering Promise	17 And if children, then heirs; heirs of God, and joint-heirs with Christ; if so be that we suffer with him, that we may be also glorified together. WE SUFFER WITH HIM: Introduced to sufferings/first time in Romans - v17 tied to JOINT-HEIR, v18 is SOPT. Paul does not say God will make those sufferings go away, saying the sufferings are not worthy to be compared to the glory which shall be revealed in us. Says the sufferings result in a glory. The bad news is suffering. The good news is that enduring those sufferings will produce a particular attitude/Christ-like attitude in us. Not 'oh God why me, I don't understand!', but 'I know he didn't redeem this body, it's going to have things happen to it, I know these sufferings are meant to produce a glory by the patient endurance of them. Suffering in a way that is in union with Him. Is a particular kind of suffering. Implies Christ is suffering something. Most people think, when He came off the Cross, His suffering was over. That type of suffering is over but there is something that Christ was suffering in this DOGG. Natural questions: 1. What is He suffering? How is He suffering today? 2. His is it we're going to suffer that with Him? Most people read suffer FOR Him - 'I am suffering for Jesus'. Should view/look at the EVIL MAN (world) and STRANGE WOMAN (POE) as traps to get you away from your Sonship for the purpose of losing the reward of your inheritance. (GH: prayer topic) Awareness of our joint-heir inheritance and all that goes with that should generate a desire to prepare ourselves for the greatest work we could ever be involved in.

JOINT-HEIR INHERITANCE: This is a second inheritance and a second glory. It's a glory that you get together with Jesus Christ. Not everybody gets that. MM doesn't care how well-known you are/how big your ministry is/how sincere you are. MM talked about preachers. Someone who goes to church every week but never got involved in their Sonship education is only going to get that first inheritance being an heir of God and that's it. What you just learned, most preachers don't know/get because they say what MM was taught to say. 'If you are saved, you are a joint-heir with Jesus.' MM says NO, if you are saved, you are an heir of God. There's a particular inheritance, that joint-heir inheritance that only comes by the suffering that you will encounter with Him as you are being educated as a son and daughter. Something you don't have/experience right now, but knowing that it is waiting for you gives you/produces in you HOPE (confidently, expectantly waiting). Will change the way you look at your life and the things that are happening to you. Both kinds of sufferings qualify a person for the "joint heir" inheritance. Don't talk about your JOINT-HEIR INHERITANCE because people will look at you like you are nuts.
Romans 8:17	MoG - 15 of 18 -(EP) Heir of God = HEIRS OF GOD; 16 of 18 -(EP) Joint Heirs = JOINT HEIRS WITH CHRIST / Suffering = SUFFER WITH HIM / GH: Suffering Promise	17 And if children, then heirs; heirs of God, and joint-heirs with Christ; if so be that we suffer with him, that we may be also glorified together. Most Christians look at reward this way - I go to church, I read my Bible, I pray, I talk to people about the Lord, I conduct myself in a way that is pleasing to Him, I am racking up points when I get to the Judgment Seat of Christ, I'll get these crowns. The idea that you will get this big reward for doing a bunch of great stuff is not Biblical. Not what the Bible teaches you. That is what preachers have taught us. MM taught this for years. Need to start coming to the understanding that **your reward in eternity is directly tied to your Sonship**. This is the beginning of the transformation that will take place in your inner man. This is the first part. What is going to transform you is this knowledge that you have this JOINT-HEIR INHERITANCE. Need to understand the enormity of your Father's Business. Shouldn't be greedy but has to be seen for what it is. Have to be thinking I really am going to get a JHI. Can't just look at academically. Has to be as real as anything that takes place in your life. Will all be divided up among you. What kind of inheritance do you think that Jesus Christ is going to get? That floors MM. Has a few ideas but pretty sure he doesn't understand it all. But the part he does, MY OH MY. Can you imagine the privilege of being a joint heir? Beyond comprehension in many ways. Jesus is saying how would you like to split My Inheritance? MM asks do you know how small that group is? People who know that being educated as a son will result in a particular kind of suffering (not the flat tire, auto accident, cancer) because you are engaged in your Sonship. If you go through that and not fold up your tent and go home. I AM going to share My Inheritance.

Romans 8:17	MoG - 15 of 18 -(EP) Heir of God = HEIRS OF GOD; 16 of 18 -(EP) Joint Heirs = JOINT HEIRS WITH CHRIST / Suffering = SUFFER WITH HIM / GH: Suffering Promise	17 And if children, then heirs; heirs of God, and joint-heirs with Christ; if so be that we suffer with him, that we may be also glorified together. JOINT HEIR INHERITANCE: A special inheritance that you get through suffering (GH: SoC) that you can't get any other way. This suffering accelerates your Sonship. Same thing happens with each attack. You Sonship is going to advance based on your response to the POE attacks. Your Father is teaching you a lot of things and the POE is going to attack those things and you have the ability to use those skills that you are learned and practiced and put them to work when that attack comes at you or you have the ability to throw down your sword and say I surrender. But it is under attack that your skill gets demonstrated on the practice field. In the practice field, no one is tackling as hard as in the game because you don't want to injure your own team mate. Everything you learned and practiced you are bringing to bear on the field. Your Father is teaching you things as a son and they are going to be put to test by the POE and when the POE comes against you, you are going to endure all or some of those things on that Romans 8:35 list and it is all going to depend on your response to those attacks, whether your conformity to Christ is enhanced or if your going to throw your Sonship away. Are you going to drop what you learned about Sonship and run or are you going to stand and use the doctrine that was given to you? Your “joint-heir” inheritance was acquired only “if we suffer with Him.”
Romans 8:17	MoG - 15 of 18 -(EP) Heir of God = HEIRS OF GOD; 16 of 18 -(EP) Joint Heirs = JOINT HEIRS WITH CHRIST / Suffering = SUFFER WITH HIM / GH: Suffering Promise	17 And if children, then heirs; heirs of God, and joint-heirs with Christ; if so be that we suffer with him, that we may be also glorified together. SUFFER WITH HIM (Christ): These sufferings are not ordained by God but they are unavoidably part of living in a fallen world. THAT WE MAY BE ALSO GLORIFIED TOGETHER: Phrase that follows the conditional IF SO BE THAT WE SUFFER WITH HIM. This is not referring to the glorification of your body at the Blessed Hope. There’s a “glory” associated with being part of that creature and with being part of the nervecenter in the governmental positions in the creature. Why MM thinks these two inheritances are part of our exaltation, for in that we are made to be “the glory of God in Christ.” We will be glorified together with Jesus Christ as “joint-heirs” with Him. GLORIFIED TOGETHER: That's a reward. That “glory” is a reward! We can see a furtherance of the doctrine in 1 Corinthians 3:1-8. Nutshell: You are being offered something so great, that the joy of getting that benefit (your joint-heir inheritance) is greater than any suffering you could ever endure on this earth. Told about the Sufferings of Christ but they can't come on you till ARMOR OF LIGHT-Romans 13:12 (LEVEL 1, PHASE 2: Decision Making Skill #3: Judgment). POE attack bumps up again on the WHOLE ARMOR OF GOD-Ephesians 6:11.

Only verse in your Bible that tells you how to get the JOINT-HEIR inheritance. HEIR OF GOD Big 3 - not Sonship education dependent: 1. Eternal/Everlasting life 2. A glorified body 3. A place in the heavenly places (won't necessarily be a place of authority or rulership - will be part of the life in the creature)
Romans 8:17	MoG - 15 of 18 -(EP) Heir of God = HEIRS OF GOD; 16 of 18 -(EP) Joint Heirs = JOINT HEIRS WITH CHRIST / Suffering = SUFFER WITH HIM / GH: Suffering Promise	17 And if children, then heirs; heirs of God, and joint-heirs with Christ; if so be that we suffer with him, that we may be also glorified together. As the attack comes against you, you now have the opportunity to do 1 of 2 things: 1. Succumb to the attack - throw in the towel on your Sonship 2. Cast off the works of darkness (Romans 13:12) - utilize the doctrine that you have been given, respond to that attack and when you do, your conformity to Christ gets bigger. Being a JOINT-HEIR is connected to suffering with Him. Means that if you have a life with a lot of suffering, you have an opportunity for a lot of reigning and an inheritance. MM doesn't believe these are automatic. Doesn't believe people will automatically reign. Our reigning with Christ is connected to our suffering with Him, but reigning is God’s design for us. MM says just going through suffering without doing it UNTO THE LORD does not produce any benefit to your Savior. The WITH HIM means something. Need to see the godly purposes in our suffering.

Not just a portion that comes out of the business, but the whole of the business reflects this inheritance. Because your joint-heir inheritance is directly tied to the Father's Business, your joint heir inheritance will continue to increase (in every respect) forever! The Mechanics of the Doctrine We are made to be: Hiers of God: Automatic — Joint-Heirs with Christ: conditional One the basis of: Being a child of God — Us Suffering with Christ In connection with: Our justification — Our sanctification Which is the product of: Saving Faith/Us IN Christ — Edification/Christ('s Life) IN YOU/Us Producing the result of: Our Exaltation IN Christ — Our being glorified with Christ Which is: Our inheritance — The reward of our inheritance See both categories of sufferings but you don't get a title for both of them. They are described very differently. But notice the doctrinal order; Paul says, you've got to understand the sufferings of this present time first. We need to be equipped to handle the sufferings of this present time first and then you can go on to handle the sufferings of Christ.

Romans 8:17	MoG - 15 of 18 -(EP) Heir of God = HEIRS OF GOD; 16 of 18 -(EP) Joint Heirs = JOINT HEIRS WITH CHRIST / Suffering = SUFFER WITH HIM / GH: Suffering Promise	17 And if children, then heirs; heirs of God, and joint-heirs with Christ; if so be that we suffer with him, that we may be also glorified together. The heir of God inheritance is not based on our service; it is based on what Christ accomplished and gives to us automatically because we are "IN Him." The joint-heir inheritance is based on our service which stems from Christ dwelling IN our hearts by faith. The "heir of God" inheritance does not include anything to do with the 'running' of that Business, the 'rewards' of that Business or the 'glory' of that Business. Those are the things related to only the "joint-heir" inheritance. MMs understanding - can't point to a verse: Christ's inheritance will grow with the Business and since you are JOINT-HEIR, yours will grow as well. Get bigger through the ages. Your position won't change but what you earn will. Get something at the Judgment Seat of Christ in your JHI When the Times of Restitution of all Things comes, JHI will get increased
Romans 8:17	MoG - 15 of 18 -(EP) Heir of God = HEIRS OF GOD; 16 of 18 -(EP) Joint Heirs = JOINT HEIRS WITH CHRIST / Suffering = SUFFER WITH HIM / GH: Suffering Promise	17 And if children, then heirs; heirs of God, and joint-heirs with Christ; if so be that we suffer with him, that we may be also glorified together. When the Dispensation of the Fulness of Times comes, JHI will get increased With every age of all the AGES TO COME, JHI will get increased Whatever your Father's Business earns or becomes in the future, that is Christ's inheritance. **If you work for a jerk, there is a glory that is exchanged for doing that. Get to a point that your bosses 'jerkness' cannot compare with the glory**. Three things: 1. There is a qualification for being a joint-heir with Christ 2. That qualification is that you "suffer with Him" - you don't know in WHAT yet 3. That suffering will result in being glorified together with Christ

Romans 8:17	MoG - 15 of 18 -(EP) Heir of God = HEIRS OF GOD; 16 of 18 -(EP) Joint Heirs = JOINT HEIRS WITH CHRIST / Suffering = SUFFER WITH HIM / GH: Suffering Promise	17 And if children, then heirs; heirs of God, and joint-heirs with Christ; if so be that we suffer with him, that we may be also glorified together. These are things that He is allowing (GH: Think SUFFER like SUFFER THE LITTLE CHILDREN-Matthew 19:14; Luke 18:16). Are you going to allow it with Him? You are going to either be with Him OR oppose Him on it. If you oppose Him on it, there's no JHI. But if you say if this is what He is doing, this is what I am doing. There are things coming your way that you can't undo them. You can either: a. SUFFER WITH HIM or b. Pray 'oh God please bail me out' over and over.
Romans 8:17	MoG - 15 of 18 -(EP) Heir of God = HEIRS OF GOD; 16 of 18 -(EP) Joint Heirs = JOINT HEIRS WITH CHRIST / Suffering = SUFFER WITH HIM / GH: Suffering Promise	17 And if children, then heirs; heirs of God, and joint-heirs with Christ; if so be that we suffer with him, that we may be also glorified together. And every time we allow Christ to live His life IN us, we are being conformed to His image and we are adding to our joint-heir inheritance by virtue of what He is accomplishing through us. This way, the glory is all His. It is His word working IN us. It is His Spirit that dwells within us. It is His life being made manifest IN us. It is His peace that keeps our hearts and minds. It is His Mind (the mind of Christ-1 Corinthians 2:16) that allows us to have His Wisdom. And there is a reward for allowing God to be IN us and work through us to the accomplishment of His will and purpose. And that reward is the joint-heir inheritance. MM compares HEIR OF GOD to base salary and JOINT-HEIRS as a bonus and how that effects how you look at your job. MM says bad illustration, a worldly thing. What we are learning runs counter to almost every church in America and every religion in the world. SUFFERing WITH HIM (Christ): Phrase that encapulates both the SOPT (Romans 8:18) and the SoC (described but not named further down in Romans 8:35-37). Don't get the label till 2 Corinthians 1:5.

Romans 8:17	MoG - 15 of 18 -(EP) Heir of God = HEIRS OF GOD; 16 of 18 -(EP) Joint Heirs = JOINT HEIRS WITH CHRIST / Suffering = SUFFER WITH HIM / GH: Suffering Promise	17 And if children, then heirs; heirs of God, and joint-heirs with Christ; if so be that we suffer with him, that we may be also glorified together. God has 2 basic systems of operation in dealing with His heirs: 1) Children—in “time past” under the law with its system of tutors and governors. 2) Adult ADOPTED Sons—in this “but now” dispensation of grace in which we live—with freedom and liberty through the ministry of the Holy Spirit (i.e., by means of walking after the Spirit, minding the things of the Spirit, being in the capacity of the Spirit, and all that you’ve learned so far in the doctrine of your godly sanctified position in Christ!) Is giving you an attitude toward suffering that you are meant to carry with you for the rest of your Sonship life. It is giving you the same attitude and perspective toward suffering that your heavenly Father possesses.
Romans 8:17	MoG - 15 of 18 -(EP) Heir of God = HEIRS OF GOD; 16 of 18 -(EP) Joint Heirs = JOINT HEIRS WITH CHRIST / Suffering = SUFFER WITH HIM / GH: Suffering Promise	17 And if children, then heirs; heirs of God, and joint-heirs with Christ; if so be that we suffer with him, that we may be also glorified together. Case in a Roman-Syrian Lawbook: the law said that if you adopted a son, you couldn't disown him. It also said that you couldn't disown your natural-born son without really good cause. This one natural born son had been a real stinker and the father disowned him. In the meantime, he adopted another son to come in and take over the family business. Later he did some things to reinstate the natural born son just as an heir, just put him back in the family, not make him an adopted son. Kid went haywire again and the father said you know what, I am going to disown him again. The kid took him to court and said when the father reinstated him, that was like giving him the position of an adopted son and you can't get rid of an adopted son. The argument before the court wasn't, I'm his flesh and blood, it was like he adopted me. MM says that's because adoption has the stronger standing. See that this is actually a privilege being extended to you and will will actually have a similar type of response as Jesus' apostles did in Acts 5:40-42. When the opportunity comes, will realize there was more than just suffering, there was something much greater to be gained. MM says he doesn't have personal experience but there's pain in child birth but there is joy because a child is coming into the family.

SUFFER WITH HIM (Christ): Not suffering because God is punishing you. In Israel's program, if they despised His commandments, they got punished. If they repented and started to do the right thing and obey His law, then they could get blessing again. Not suffering because we broke His law, quite the contrary. Paul tells is repeatedly that we can't keep the law. We can't keep the law and please God. The goal of our suffering is to conform us to the Image of Christ. Not rejoicing because you are going through a painful situation, rejoicing for the hope that is held out to you because you went through that painful situation because living in this world, you are going to be going through that anyway. GH: Don't waste your thorns. Your Father is giving you an opportunity for glory and reward and a position and all those other things that you would have never gotten on your own. This verse is adjusting your attitude toward suffering and that's the attitude that you are supposed to have for the rest of your life. The only way for you to know this is a bad thing is to quit looking at it from your perspective and start looking at it from His. Jesus was made perfect through the things He suffered. We're going to be perfected the same way.
Romans 8:17	MoG - 15 of 18 -(EP) Heir of God = HEIRS OF GOD; 16 of 18 -(EP) Joint Heirs = JOINT HEIRS WITH CHRIST / Suffering = SUFFER WITH HIM / GH: Suffering Promise	17 And if children, then heirs; heirs of God, and joint-heirs with Christ; if so be that we suffer with him, that we may be also glorified together. Our JHI depends on the right response to the sufferings. List of the wrong responses: GH: ungodly thinking - seeing your suffering as being like Israel's (as punishment) - oh God is punishing me - believing that suffering has no place in the life of a believer (suffering is a result of sin, lack of faith) - suffering has a place in the life of the believer and He intends to give you grace to endure it - asking God to intervene when you are supposed to endure it - whining - expecting God to intervene by His omnipotence - not saying God is not omnipotent, but He has chosen not to deal with you in His omnipotence and deal with you as a real Father and you a real son - complaining about the suffering - Gosh! - questioning God (Why me? Etc.)

Points: 1. By allowing us to suffer with Christ, we are not worse off 2. We are better off than if He were delivering us from troubles and tribulations 3. By allowing us to suffer with Christ, our heavenly Father is not indifferent to the sufferings we are going through 4. We are not suffering alone, Christ has been "suffering" these things the entire dispensation of grace 5. If you ever tell anyone about this doctrine, part of your suffering will be that they will look at you like a heretic 6. It is an honor and privilege to suffer with Christ
Romans 8:17	MoG - 15 of 18 -(EP) Heir of God = HEIRS OF GOD; 16 of 18 -(EP) Joint Heirs = JOINT HEIRS WITH CHRIST / Suffering = SUFFER WITH HIM / GH: Suffering Promise	17 And if children, then heirs; heirs of God, and joint-heirs with Christ; if so be that we suffer with him, that we may be also glorified together. THAT WE MAY BE GLORIFIED TOGETHER GLORIFIED: If you look up the word "glorified" it means "to be invested with glory" or "rendered glorious." Well, that didn't help very much. MM says when he was in school you couldn't use the word you were defining as part of the definition. Glory: honored, dignified, exalted. Often associate GLORY with events that not only have extraordinary effort but sometimes have great peril attached to them. EX Medal of Honor winner - only one in the Iraq/Afganistan wars. Glorious: to be impelled to extraordinary efforts and to great undertakings, something beyond the normal. MM says we automatically know that when we say something is glorious. Glory comes in 2 forms/phases - exactly the way it will happen with you - has to be in your mind all the time, not just when you are going through suffering: 1. When the event takes place, that actions that are above and beyond are considered glorious Glory here: Suffering with Christ - to Him that is glorious. For those who "suffer with Christ," your actions of doing so are counted by your heavenly Father as glorious and they will result in a public display of "glory" when you receive your joint-heir inheritance.

Later when there is a public recognition made for that glorious and galant action, there's a glory in the public declaration of what was done. Public display/acknowledgement that is going to result in a glory. Glory there/later: A part of your JHI that you will have for eternity. HEIR OF GOD: There is a glory here but that is not the glory being talked about. Joint-Heir Inheritance: Different kind of glory here than the HEIR OF GOD inheritance. Conducting yourself as the son you have been made to be, engaging in the education that your Father is offering you, and laboring with Him to put the power of His grace on display will require extraordinary efforts that can only be described as “glorious.” SUFFER WITH HIM: It is an honor to be able to suffer with Christ in this DOGG. Honor and privilege to be engaged in our Father's Business.
Romans 8:17	MoG - 15 of 18 -(EP) Heir of God = HEIRS OF GOD; 16 of 18 -(EP) Joint Heirs = JOINT HEIRS WITH CHRIST / Suffering = SUFFER WITH HIM / GH: Suffering Promise	17 And if children, then heirs; heirs of God, and joint-heirs with Christ; if so be that we suffer with him, that we may be also glorified together. You have got to be thinking like your Father is thinking - His/Jesus' Mind is filled with: - What this dispensation of grace is aiming to achieve - to show He is the rightful possessor of the heavenly places (and Israel to show He is the rightful posessor of the earth) - Jesus wears multiple hats and thinks different things for the Israel program and the mystery program - Jesus is suffering some things but it is in accordance with this dispensation. - Reconciling the heavenly places back to the Father - He (Christ) is the Head of the body - important aspect - He is going to be running that creature out there - His body will function to bring fullness of function to the creature - has to do with God's glory, God's glory will be reflected in every single part of the creation - What His Father’s Business will accomplish in eternity - His inheritance - it's not greedy, it is all His anyway; He has an inheritance in the saints, we are His inheritance Those things are in the mind of Jesus Christ every moment of this dispensation of grace. Not just when He is “suffering” something, but constantly. It should also be our mind as well, not just when we are going through some kind of suffering, but all day, every day. You mind is to be on your “hope.”

Therefore, your mind should be filled with: - What this dispensation of grace is aiming to achieve - Reconciling the heavenly places back to the Father - Christ, as the Head of the body, is suffering with you/us - You, as part of His body, will function to bring fullness of function to the creature - What your Father's Business will accomplish in eternity - That you will extend your Father's glory throughout the creature - Your joint-heir inheritance All the things you got when you were put IN Christ are not part of your inheritance because you got all of this when you accepted Jesus as your all-sufficient Savior. Inheritance has nothing to do with your justification or sanctification but it does have something to do with your exaltation. Be in the family and you are an heir of God. Every member of the body of Christ is an heir of God. They have an inheritance. Doesn't matter if they don't know about Sonship or adoption. MM is not trying to make everybody satisfied with the bottom tier but that inheritance is just almost beyond description. What is waiting for the very least member of the body of Christ is going to be greater than the accolades (monuments, riches, praise) every given to any human that ever lived. Even if a Christian is a stinker, they are still going to Heaven and still going to get a glorified body. MM says have to be careful. He taught this wrong for several years. Even grace people get this wrong. They think we will ALL be joint-heirs. Notice the IF - an IF changes everything.

Romans 8:17	MoG - 15 of 18 -(EP) Heir of God = HEIRS OF GOD; 16 of 18 -(EP) Joint Heirs = JOINT HEIRS WITH CHRIST / Suffering = SUFFER WITH HIM / GH: Suffering Promise	17 And if children, then heirs; heirs of God, and joint-heirs with Christ; if so be that we suffer with him, that we may be also glorified together. People take issue with the two inheritances because there's a verse in Colossians that says you are complete in Him. MM says this verse is not saying that the moment you got saved, you became everything you were ever going to become. That's not what it's saying. People don't like an inheritance for sons and daugthers and not for people who never knew about it or knew and didn't do anything. If they are all the same, at the JSoC, you don't have anything to worry about. Anyone believes that is mistaken because there is too much Bible that shows us this is not the case. MM says foolish sons don't get the same inheritance as wise sons. It's not about trying to be elitest or anything else, it's about so the sufferings are doing something, it's about getting worked in us is more beneficial and more important than I'm not going through the sufferings to begin with. What we gain by going through, by properly responding to the sufferings is more valuable both to us and our Father than if we had never suffered to start with. That's what's going on behind the scenes.
Romans 8:17	MoG - 15 of 18 -(EP) Heir of God = HEIRS OF GOD; 16 of 18 -(EP) Joint Heirs = JOINT HEIRS WITH CHRIST / Suffering = SUFFER WITH HIM / GH: Suffering Promise	17 And if children, then heirs; heirs of God, and joint-heirs with Christ; if so be that we suffer with him, that we may be also glorified together. **Please see 'Comparison : Heir of God vs. Joint-Heir with Christ Inheritance' in the Commentary.** IF: Is conditional. - Simple IF: If you have cleaned your room, you can go outside and play. OED: if, conj. (n) A. I. Introducing a clause of condition of supposition (the protasis of a conditional sentence). On condition that; given or granted that; in (the) case that; supposing that; on the supposition that. - Give Genesis 4:7 and James 2:17 as conditional IFs. - Non-conditional IF: If there is no doubt of the main assertion that the IF that follows is not calling into question, but it's saying/pointing back to establish the truth of that main assertion where it becomes the basis now. This is what is going on in AND IF CHILDREN-Romans 8:17. Could insert AND WE ARE. IF SO BE: We don't use the phrase IF SO BE anymore, we just say IF. OED: if so be - 7f. if that happen that, supposing that; a somewhat rhetorical (MM says flowery, dressed up way of giving you the simple conditional if) equivalent of simple "if." IF (second): MM sees this as a conditional IF for a couple of reasons: 1. OED definition of IF SO BE.

Romans 8:17	MoG - 15 of 18 -(EP) Heir of God = HEIRS OF GOD; 16 of 18 -(EP) Joint Heirs = JOINT HEIRS WITH CHRIST / Suffering = SUFFER WITH HIM / GH: Suffering Promise	17 And if children, then heirs; heirs of God, and joint-heirs with Christ; if so be that we suffer with him, that we may be also glorified together. 2. GH: You leave the WITH HIM out otherwise. They say everybody suffers so everybody is a joint-heir. But it didn't say this. It didn't leave the WITH HIM out. When you add WITH HIM, you have added a complication that narrows the meaning. Didn't write FOR WE SUFFER either. MM says there are two different inheritances. Most people have the idea that is is one inheritance with two parts. If that was the only rub, it wouldn't matter much. Then we would only be talking about a distinction without a difference. The reason they want to make this one inheritance with two parts instead of two inheritances is because there's something they are doing away with in the second inheritance, the condition attached to it. Because of the grammar and punctuation, MM sees this as a separate inheritance. Plus, because of the AND. 'Linda AND Ruby came in together today'. Not talking about the same person in two different ways, talking about two different people. Means HEIRS OF GOD is NOT synonymous with JOINT HEIRS WITH CHRIST. He doesn't see these two as being one in the same. He knows that all of the grace brethren around the country do not agree with him on this point. He does believe they're sincere students of the word. Maybe it turns out they are right. Obviously, MM doesn't think so at this point. If these are two different inheritances, then it is going to change our practice with regard to our inheritance. It's going to change what you will do. If you thought this was one inheritance or one inheritance with two parts, what would you do different tomorrow? Nothing. If you are trying to make both of these unconditional, then this does make a substantial difference. The second one is conditional. People who think there is just one inheritance took verses that are part of your sanctification and pulling them into your justification to make them positional and not practical and that is not right. MM says he is not saying they had any mean motive for that, they're just misunderstanding. MM has an allegiance to the Truth.

AND: OED: and 1. Simply connective 1859 Tennyson Elaine 1185 The bond of man and wife. Bible does this all the time - Romans 1:5, Romans 1:7, Romans 3:14, Romans 3:16. WITH HIM: Means you are doing it together - SO WE MAY ALSO BE GLORIFIED TOGETHER. You may say I'm the one going through suffering but how are you supposed to do this together? Through the suffering by Christ living His Life in us which allows us to patiently endure those sufferings. This is the together issue. God is not asking you to tough out your sufferings on your own, He is asking you do let His Son be in you, what He was designed to do in you. If you are not allowing Christ to live His Life in you, you haven't restored everything back that you lost in Adam. You needed to be reconciled to God. There's your justification issue. But if you need to be able to have Christ live His Life in you like Galatians 2:20, that's a sanctification issue. So if you are going to do it together, it means that He's got to get involved. Because if you are suffering with Him, then obviously He didn't stop it. It's Christ in you and that life is enabling you to now handle the sufferings. Point: You are not alone and unless you realize that the doctrine is designed to produce the Life of Christ in you so that you're not going through this on your own, that's how we suffer.
Romans 8:17	MoG - 15 of 18 -(EP) Heir of God = HEIRS OF GOD; 16 of 18 -(EP) Joint Heirs = JOINT HEIRS WITH CHRIST / Suffering = SUFFER WITH HIM / GH: Suffering Promise	17 And if children, then heirs; heirs of God, and joint-heirs with Christ; if so be that we suffer with him, that we may be also glorified together. Keith Blades Quote: "As Paul says, we are 'heirs of God, and joint-heirs with Christ." Being "heirs of God,: we are heirs of God's life and all that belongs to the honor of living in His presence. And we will have all of this in glorified, immortal bodies. This is the default aspect of our inheritance. However, Paul also speaks of us being "joint-heirs with Christ." Yet being "joint-heirs with Christ" is not the same thing as being "heirs of God"' It is an additional issue, or an additional aspect of our inheritance. And as the remainder of verse 17 sets forth, it is the conditional aspect. It is conditioned upon, "if so be that we suffer with Him, that we may be also glorified together." And with this being the case, this is where the issue of "the sufferings of this present time" come into play." The opportunity for us to "suffer with Christ' actually begins with the issues of "the sufferings of this present time" and our response to them. We 'suffer with Him' when we ourselves respond to such things with the same godly thinking and attitude towards them as the Lord Jesus Christ Himself has". Romans 8:18-34	Doctrine : First Category of Suffering	
Romans 8:18-27		SOPT and the comforting ministries that are available in connection with that. Different from the SoC. Things that are comforting to the SOPT/Comforts in the midst of the SOPT: 1. We had the comfort of knowing this (unredeemed) body will one day be redeemed (Romans 8:23) 'one day' 2. In connection with that, that doctrine (of the redemption of our body) has the power to produce a patient endurance until that time. (WITH PATIENCE WAIT FOR IT - Romans 8:25) 'one day' 3. We have the comforting ministry of the Spirit, so that we are not just waiting, but we know something that informs our prayers in the midst of our infirmities (Romans 8:26-27) 'immediate' Means the Spirit is doing something for us because God is communicating with us, He is coming through His Spirit to do it.
Romans 8:18-25	Doctrine: Patient Endurance / SOPT OR The Glorification to Come and the Redemption of our Body / SOPT Comfort 1 of 4: Our glorification to come and its capacity to produce patience (the hope of a redeemed body)	That patience being produced IN us. Instead of us being overwhelmed with the things that are going on in our bodies being under the bondage of corruption. He is saying we are waiting for the redemption of our body. We are getting a new body. You don't have it yet. That's why HOPE THAT IS SEEN IS NOT HOPE-Romans 8:24. If we know one day we are going to get it and until we do, we with patience wait for it. When v18-25 finds a home IN your inner man, then when you go through things instead of saying oh God, you got to bail me out, you'll understand something else about what He is going and you'll be patiently waiting. STORY: About Christians getting persecuted in China. Sent back - don't pray that the persecution will stop, pray that we will remain faithful under persecution. They knew that something bigger was going on than 'make me comfortable again'. Romans 8:18-25: The doctrine of our glorification to come and its capacity to produce patience (the hope of a redeemed body). Doctrine is meant to produce a HOPE that we patiently wait for. Don't worry what is happening to your body. One day, you are going to get a new body. - A glory shall be revealed in us in connection to the sufferings - The creature is waiting for us - The redemption of our body is our “hope” Sufferings vs. BONDAGE OF CORRUPTION - SOPT: Some guy broadsides me and now my neck hurts - BONDAGE OF CORRUPTION: Things that happen because this body is not going to last forever. Hair fell out, need glasses to read, etc.

The creature is groaning, 'I want to be delivered'. If we have the FIRSTFRUITS OF THE SPIRIT, we are groaning 'I want to get up there and deliver you'. v23b-25: After giving you all the doctrine from v19-23, he now starts to make the application so you can RECKON v18.

Romans 8:18-25	Doctrine: Patient Endurance / SOPT OR The Glorification to Come and the Redemption of our Body / SOPT Comfort 1 of 4: Our glorification to come and its capacity to produce patience (the hope of a redeemed body)	This doctrine is going to produce a HOPE and that HOPE is so great it will make v18 a living reality for you. You will be as sure about v18 as the apostle Paul was. - Yes, you do have to go through the sufferings of this present time - Yes, those sufferings will be over at the redemption of your body - But no, your desire is not to just get out of the sufferings and that is not the reason you are groaning for a redeemed body You are given grace whereby you can patiently endure anything that comes your way, no matter how long it lasts and to what it degree it occurs – even if that suffering is unto death. Therefore, your earnest desire for a new body is not so you can escape suffering. The earnest desire for your redeemed body is to fulfill your purpose as a son: o to labor with your Father in His Business o to have Satan and his angels removed from their governmental positions o to deliver the creature into the glorious liberty of the children of God (just to name a few)

Romans 8:18-25	Doctrine: Patient Endurance / SOPT OR The Glorification to Come and the Redemption of our Body / SOPT Comfort 1 of 4: Our glorification to come and its capacity to produce patience (the hope of a redeemed body)	The sufferings are building a Sonship skill IN you that you can't get from any other thing that you absolutely have to have when you get to the creature. The skills that you learn through the patient endurance of suffering without moaning and complaining and whining and questioning God. There's something that you are learning that you are refinining that if you don't have, when you get into the creature, you can't do that job. Have to have the full round of experience so you know how to encounter problems when problems come up. If you don't have the ability to overcome problems, to take your Sonship education and deal with things that are not easy or convenient to deal with, you can't function. Going through the sufferings in a particular way can build something IN you that the good time can't do. If you don't have that ability, you are not going to be able to fully function. When everything is going rosy, who can't? Not only are you not falling apart, you are developing and honing a Sonship skill that you absolutely must have when you get up into the creature. The more you go through sufferings, the more opportunity you have to hone this skill. Change the way you look at suffering to the way your Father looks at them. He is not glad they are happening to you. 1. He does know is that He has constructed a glory that is beyond imagination. In order for you to understand about it, He is going to have to tell you some things about it because it hasn't even entered into the heart of man about this kind of glory thats being prepared. 2. He is using the very things that are awful and hard and hurtful to actually equip you to be fully rounded and experienced son so you don't get up there and say I don't know that that is, or how to do this. That means you are going to have to practice that. Have to remind yourself, won't come to you automatically. When something is an irritation, have to remind yourself 'I am being trained'.

Romans 8:18	Suffering = SOPT / Doctrine : Essential Doctrine 2a of 6: Sufferings (SOPT: 1st category of suffering) / Checkpoint : Patient Endurance / Christ IN You = THE GLORY THAT SHALL BE REVEALED IN US / GH: Suffering Verse	18 For I reckon that the sufferings of this present time are not worthy to be compared with the glory which shall be revealed in us. **The promise is(Scriptures by which we endure - What you should expect from this verse if it is working in you.): Our sufferings will pale in comparison to Christ being formed IN us. Whatever we suffer, it will be counted as insignificant when compared to the glory that will be produced IN us through those sufferings; Christ will be formed IN us! That is the glory**. MM says that you will get to a place where you say it (GH: the suffering) doesn't matter. The instructions given to us here are the first steps to one day being able to take pleasure in infirmities, etc. Go step by step through this doctrine so we can see how to live out of it. FOR I RECKON: He is not saying yet that you do or telling you to. At this point, you may have a hard time reckoning that for yourself. That doctrine has done the work in Paul. RECKON: MM thinks of the Beverly Hillbillies. Reckon = to acknowledge the truth of something to such an extent that you conduct yourself in accordance with that truth regardless of feelings and circumstances to the contrary. You don't just think it is true, you are going to conduct yourself according to this truth, even though there are things that will tell you it is not true, you will still conduct yourself according to that truth. The natural tendency of your flesh will not say this. The POE will not say this. But because God has said it, Paul is going to account it to be so true he's going to conduct his life on this truth (GH: Glory >>> SOPT). Not just that you believe that it is true, it's the basis of your reality. Is the information that is designed to effectually work within us to produce in our minds that we can ONLY put our sanctified position in Christ into effect (under grace) ONLY when we walk after the Spirit, and not after the flesh! That’s the big thing that hast to now take up residence in you.

Romans 8:18	Suffering = SOPT / Doctrine : Essential Doctrine 2a of 6: Sufferings (SOPT: 1st category of suffering) / Checkpoint : Patient Endurance / Christ IN You = THE GLORY THAT SHALL BE REVEALED IN US / GH: Suffering Verse	18 For I reckon that the sufferings of this present time are not worthy to be compared with the glory which shall be revealed in us. SUFFERINGS OF THIS PRESENT TIME: AKA SOPT-first mention. Are the first category of suffering. Sufferings that are a part of living in a sin cursed/sin first world that is under the curse. Are going to result in a revealed glory. The stuff you just go through in life. The BONDAGE OF CORRUPTION of living in a fallen world in an unredeemed body with sin in its members. Includes all the things that happen when you get older. Sufferings that are common to men. Tied to the second law of thermodynamics - entropy. EX spinning top, sun burning away, body falling apart/breaking down under the BONDAGE OF CORRUPTION. Fix everything you can fix, don't be a martyr. There will be a doctrine given to you to patiently endure the things that you can't fix. PRESENT TIME: Not talking about the BUT NOW period. Israel had their own suffering of this present time (EX chopping wood and axe handle flew off and killed someone->refuge cities). The Gentiles got sick, had accidents. He is not talking about only these things that happened in the dispensation of grace, means the time in which you are living. YOUR present time, not peculiar to the dispensation of grace. (GH: prayer topic) Knowing that God has designed all of this to our greatest benefit both now (on earth) and in eternity (in the heavenly places), knowing that a glory will be revealed in us that is of such a nature that none of the sufferings which we will endure are worthy to be compared to it, and displays the uniqueness of what God is offering us as His sons and daughters.

Romans 8:18	Suffering = SOPT / Doctrine : Essential Doctrine 2a of 6: Sufferings (SOPT: 1st category of suffering) / Checkpoint : Patient Endurance / Christ IN You = THE GLORY THAT SHALL BE REVEALED IN US / GH: Suffering Verse	18 For I reckon that the sufferings of this present time are not worthy to be compared with the glory which shall be revealed in us. NOT WORTHY TO BE COMPARED: The value between them is so great that you're not even supposed to look at that. Sufferings will pale compared to the glory. THE GLORY THAT SHALL BE REVEALED IN US: This GLORY is CHRIST IN YOU, THE HOPE OF GLORY-Colossians 1:27. Sufferings are an opportunity for the "glory" to be produced IN us. MM says this is the most profound thing. This GLORY that will be REVEALED IN us is CHRIST IN US. Going to be revealed IN you after the redemption of your body. See the future tense because it hasn't occured yet. Get GLORY THAT SHALL BE REVEALED IN US because of the SOPT. This is the doctrinal part that you are supposed to have in your thinking. Not just when you are suffering, should be in your thinking all the time. This is the joint-heir issue, this is Christ IN you. This is what provides the peace that passes understanding in the midst of our tribulations. Just because we are obeying the doctrine doesn't mean that the suffering will go away and that the suffering won't hurt. But it does mean that Christ will be doing something in our inner man that we cannot do ourselves and that we are not only able to endure that suffering but we are able to be strengthened in our inner man so that we are able to endure more and more and see this from God's POV as we go through these things. The sufferings are not worthy to be compared with what's going to happen when Christ (is formed) IN you. That's the glory. When Christ (is living His Life) IN you, that is the GLORY THAT WILL BE REVEALED IN US. GLORY: When you talk about GLORY in the Bible, you are talking about light and about color and about a magnificence - it's going to almost be like a uniform. Your glorified body will emanate with light and color and they will look at you and know (GH: where you got in Sonship). Will be like your rank is seen by everybody. They will know who you are. Saying when you compare the glory that's going to be revealed in you compared to the SOPT, you are going to say no comparison. That's hard to do right now but it won't be. Makes you wonder about that glory because if you don't know, you won't be able to RECKON this. Is pointing to not only now but it is also pointing us off into the future.

Romans 8:18	Suffering = SOPT / Doctrine : Essential Doctrine 2a of 6: Sufferings (SOPT: 1st category of suffering) / Checkpoint : Patient Endurance / Christ IN You = THE GLORY THAT SHALL BE REVEALED IN US / GH: Suffering Verse	18 For I reckon that the sufferings of this present time are not worthy to be compared with the glory which shall be revealed in us. The first exhortation that you get as a son in the DoGG. Show you how it starts and ends. God has given you, by the power of His Grace, everything you need to go through the SOPT. That's the part human wisdom can't figure out, which would say what would be better than delivering me/my loved one from this suffering? Why we need godly wisdom, not man's wisdom, not the wisdom of this world. You are still an unredeemed body by design. When your body gets redeemed, your edification is over. Are you ready for it to end? Know about the SOPT - there's a glory that will be revealed IN us - Christ IN you, the hope (confident/certain expectation) of glory(Colossians 1:27). Aspects of that glory: 1. (now) 2. (eternity) CHRIST IN YOU doesn't heal you but you don't become overwhelmed by the circumstance. If you are in the midst of a suffering situation, instead of your mind being preoccupied with the details of suffering, it should be occupied with the doctrine. What you know about that. Talking about how we take that doctrine and activate that doctrine in our mind so we begin to live out of that on a moment-by-moment basis throughout the day. As soon as we encounter some sort of suffering, we immediately default to this kind of prayer which is going to be out of the doctrine which is going to help us endure patiently. To endure whatever this suffering is. The focus should not be on the SUFFERINGS. The focus should be on the GLORY. Imperative that we see this the way He sees this. That our perception matches His perception. Whatever you suffer, it will be for less than 100 years. He has been suffering for over 2,000 years. He has been allowing this the whole time. God's justice may demand satisfaction but He waits. He hates sin but He forbears. Means that the things that happen in this world are not going to be selective. When prices go up, they don't just go up for evil people, they go up for everybody.

Romans 8:18	Suffering = SOPT / Doctrine : Essential Doctrine 2a of 6: Sufferings (SOPT: 1st category of suffering) / Checkpoint : Patient Endurance / Christ IN You = THE GLORY THAT SHALL BE REVEALED IN US / GH: Suffering Verse	18 For I reckon that the sufferings of this present time are not worthy to be compared with the glory which shall be revealed in us. NOT WORTHY: When Paul says that something/the suffering is not worthy to be compared with the glory, then you shouldn't be comparing them. **It's not that the glory >>>> suffering, it is you shouldn't be making that comparison**. To get that done, don't focus on the suffering, focus on the glory. It is NOT saying 'is the glory going to be worth this?', it is saying don't do that. One of the criteria that indicates when this has effectually worked IN your inner man because if it has, you won't make that comparison. There is something about your Father's Business (glorious, not mundane) and the gloriousness of that Business that is supposed to be in your thinking every day. Even on days where you are not suffering with Christ on something. His Business is glorious. **It means the suffering "does not deserve" to be compared with the glory, it is "not fit" to be compared with the glory**. MM is not trying to denigrate anyone's job. No matter what job you do, if you do it right, that's honorable work. Thank God for trash collectors. GH: Exhortation around Essential Doctrine 2a of 6: Sufferings (SOPT). There are two aspects that make this an essential doctrine. 1. God wants us to look at sufferings differently than Israel would have looked at suffering in their program - you can't look at it from Israel's program/going back to the O.T. and know what to do today. 2. The nature of suffering: there is no natural desire/inclination in us(anyone in their right mind), by our own human nature, to want suffering (they don't want it/avoid at all costs - no one wants to suffer) It is natural to want to avoid the pain of suffering. THE GLORY: Part of the GLORY that's being referenced in 2 Corinthians (GH: 3:18).

Furthering what he told you in the previous verse. GH: A shocking verse to most Christians, let alone the general population. So few people actually view suffering correctly from the Bible. Best you can do when you first read it is if God said it, I believe it is true but I don't know how that works. If you respond to suffering correctly, God takes what is in His Heart and writes it on your heart. Takes place as you change the way you think about suffering. Paul is going to give you doctrine to make this a reality (GH: v19-25). You will view the suffering the way your heavenly Father views it o It will be different from your natural human reasoning o It will be different from Israel's program o It is different from that which the POE is promoting in the counterfeit system Two aspects: 1. Need the right attitude/thinking on the SOPT now and 2. Need the right attitude/thinking on the GLORY later. Then, in the very next verse, you are being told about the CREATURE.

Our ability to patiently endure the sufferings in an unredeemmed body without folding to pressure or whining or crying but understanding that our Father is not only allowing us to endure it but there's a glory that is being given to Him and promised to us. The reason you didn't get a glorified body when you got saved is because God wanted all of creation to witness His ultimate Power at work. It is the Power that qualities Him to be ruler/rightful possessor of Heaven and earth. There is something you have to be able to do to really be ruler of heaven and earth and has to be more than one sitting on 3 thrones(Isaiah 14:12-14). You have to be able to put yourself into your creation just by the extension of your word. The written word of God, it is the doctrine in this word that will enable you to go through every hardship, every suffering, even if it's unto death without compliaint and without murmur because v18 is a reality for you. When you go through that suffering with the right response, God not only gives you a JHI but He looks at that and says that's the Power of My word working IN you that changes you from 'oh, poor me' or 'why me God?' or 'this is so unfair' to looking at this from a view that God Himself looks at it. You look at this and say this proves that God has the ability that Satan cannot do. Satan can do all the other stuff - water into blood, rod into a serpent, life to the image of the beast - but he can't do what this Book has the Power to do. God can put His words with ink on paper and they have the power to transform our very lives to make us just like our Father. To see things His way, to response to it the way He responds to it, so that no matter what Satan does to you, you don't run from it and you don't even want to be delivered from it. Because you know that his attack is nothing more than the response that you're in his way. Your Father's giving you everything you need to handle that. He didn't wave a magic wand and say you are strong, He said it is in your weakness that My Strength is shown. The strength comes from the doctrine in the word that we are studying.

Not for no reason but for the reason He has chosen to do. That's because in that suffering we prove that not only God is the rightful possessor of heaven and earth, Satan can't do that. There is nothing he can write down that can make that a reality in your life. No one can write anything down that can change you that radically, that now changes who you are on the inside and conforms you to the image of Christ, who going to the Cross, suffered every agony of the Cross. But He could look beyond the Cross to the joy of what it was going to accomplish. Why did He need to suffer? Because the Redeemer needs to pay the full price for those being redeemed. It was't enjoyable to do but the reward on the other side/what was happening was so much greater. And the same thing is happening with us, what is happening on the other side is so much greater. Your body is not yet redeemed but God is going to equip you to go through those not just so you get glory, which you will, and not just so He'll get Glory, which He will, but because it is THEE defining difference between who really is the rightful One to rule heaven and earth. Satan's whole idea is 'I can do a better job than God can'. And God's whole assertion is, you don't have what it takes to do it. Like someone who is not qualified to do a job they are in. The Power of the word to effectually work inside someone is a Power that Satan never possessed, didn't even know it existed. It's the greatest power God possesses. He has vested all of this in His word.

Romans 8:18	Suffering = SOPT / Doctrine : Essential Doctrine 2a of 6: Sufferings (SOPT: 1st category of suffering) / Checkpoint : Patient Endurance / Christ IN You = THE GLORY THAT SHALL BE REVEALED IN US / GH: Suffering Verse	18 For I reckon that the sufferings of this present time are not worthy to be compared with the glory which shall be revealed in us. Paul's whole attitude is based on this verse right here. Paul's whole attitude was based on the confident assurance that this verse was absolutely true and thereby, it became his hope.That suffering in your life, no matter what it is or where it comes from, the day you get the GLORY, you will not only say, wow, that was nothing compared to this, you won't even remember what you went through. That's how much greater it is. It won't come into mind or even be rememembered anymore-Isaiah 65:17. When you are going through it, it seems like a horribly big deal. But when you get the glory, all of that is going to be wiped out. That is what Paul's "hope" was about and that is supposed to be your "hope" as well. Not wishful thinking, but the confident assurance that what you have been told is true. So true, that you can base your actions on it. You can live your life in accordance with it. RECKON: Doesn't just mean count it to be true, but it is so true that it is now the basis of your actions/conduct. Paul says know when I'm encountering sufferings, he is looking at them in this light, that they are going to be dwarfed by the GLORY. You may go through heartache that goes beyond the endurance that men can produce. You may go through the pain of a debilitating disease that, in the end, takes your life in spite of all the medical advances of our day. But you will never go through anything that God's grace cannot give you the ability to endure AND you will never go through anything that is worthy to even climb onto the scale of comparison with the glory that shall be revealed in you on account of those sufferings!

Romans 8:18	Suffering = SOPT / Doctrine : Essential Doctrine 2a of 6: Sufferings (SOPT: 1st category of suffering) / Checkpoint : Patient Endurance / Christ IN You = THE GLORY THAT SHALL BE REVEALED IN US / GH: Suffering Verse	18 For I reckon that the sufferings of this present time are not worthy to be compared with the glory which shall be revealed in us. Israel's material blessings (Leviticus 26) are not the kind of blessings that God has promised to us as members of the body of Christ. Instead of keeping us from disease, instead of victory over our enemies, instead of a promise of good weather and plenteous crops and healthy children and increase of our substance, God is working to produce the life of His Son in our inner man. Therefore, in this present time, we are subject to all kinds of sufferings "of this present time." But those sufferings are not worthy to be compared with the glory which shall be revealed in us. That glory is yet future in eternity when our exaltation will reveal the extent to which the life of Christ was formed in us, but it was also the glory of Christ in you, the hope of glory, which takes place in this life. When it does, we go through the sufferings of this present time in a way that glorifies our heavenly Father by our godly, patient endurance. THE SUFFERINGS OF THIS PRESENT TIME: MM believes this has a dispensational flavor to it. It's a nuance of the BUT NOW period. If you believe he is talking dispensationally, it leads some people to say these are because you believe the mystery. If you do that, you have left off a whole set of suffering. GLORY: Is both present and future. A lot of defintions for GLORY. Dozens of ways the Bible uses the word GLORY. GH: Don't get reward for responding positively and properly to the SOPT but you do get a glory. There is a difference between the "glory" and the "reward." The reward of the inheritance is one thing, and an eternal weight of glory is another. The glory that can be produced in us by the sufferings of this present time is "Christ in you." By learning to respond to the sufferings of this present time in a godly manner, by utilizing the doctrine, even in these sufferings, we can have the peace of God so that we are not overwhelmed by our circumstances. You can properly respond to the SOPT in a godly manner in a way that glorifies your Father.

Nutshell: Are you beginning to sense, as a living reality, that what you are looking at when you look up at the stars at night - a single sentence to determine if EFFECTUAL WORKING/godly edification is going on with you: - You are looking at a living creature which was previously caught in what appeared to be a hopeless situation (before it was aware of the mystery) The CREATURE was made SUBJECT TO VANITY and put under the BONDAGE OF CORRUPTION all the way back to Lucifer's rebellion. - but which came to understand the mystery (from Paul - what he preached, what he lived, what he wrote) - and thereby understands that its deliverance is in your hands

Are you beginning to sense, as a living reality, that, as an adopted son of your Heavenly Father, you: - have a future inheritance in that creature - also have an opportunity to administrate that creature - sit on those thrones and have positions of authority - will restore life and function back to the creature - That this creature is the very core of/the “core” to your Father’s Business and represents the very core or your part in that Business - And since this is going to be your vocation for eternity, your Sonship education is of paramount importance
Romans 8:19-25	GH: Doctrine : Makes v18 a reality	If any part of this is beginning to dawn on you in a very real way, that is EFFECTUAL WORKING/godly edification taking place IN you. There's a 100 places this could have fallen apart: - He had to redeem you - Christ had to come - He had to go through everything He went through - He had to be successful on the Cross - Had to avoid those babies being killed - How many things had to line up and could have gone wrong yet here we are. Romans 8:19-23	Doctrine: Patient Endurance / Describe what's going on in this SOPT / GH: Exhortation that ties to Proverbs 1:7-92	Verses that describe what is going on in this SOPT. Patient Endurance Doctrine: What is given to you between those bookends is designed to produce something IN you; patient hope. Showing you something to blow your mind so you will understand there is nothing like this anywhere on this earth and nothing this earth can offer me compared to what My Father is offering me. What else your Father is doing by way of the exhortation is to show you His Business. He didn't have to set it up this way. He could run all of His Business without us. Then you would have to ask the question what would we be doing for eternity? He didn't have to make us a part of this, but He did and you and everyone that is involved is going to be glad that He did. All of that was thought through beforehand. All that is happening now is the carrying out of that wise plan. Exhortation that is supposed to make you say there is nothing on this earth I will ever do that is as important as this. It doesn't get any bigger, any grander, any more magnificent, more important, more valuable, more rewarding, more fulfilling. If you say 'what else?' you have missed something. He has given you exactly what you need to effectually work IN you to produce the desire to get this education that matches your Father's desire to give it to you. Replaces the initial excitement of knowing you are an adopted son and have liberty, being out from under tutors & governors. Carries our motivation long-term through our life. Learned that both we and the creature are under the bondage of corruption. The same God that emptied out the creature and made it subject to vanity is the same one that also gave the creature a hope. Don't get to thinking that these are "words of accommodation" or "anthropomorphisms." This is a precise and accurate description of what is real and it is describing things exactly the way you are to understand them. Doctrine that will let you do what Paul did in v18. Otherwise, it will exceed your ability to handle this on your own.
Romans 8:19-23	Doctrine: Patient Endurance / Describe what's going on in this SOPT / GH: Exhortation that ties to Proverbs 1:7-9	The CREATURE is being delivered from 2 different issues: 1. SUBJECT TO VANITY-v20: MM believes this is **what God did - disabled the CREATURE so it couldn't be used by the adversary**. God did in response to the satanic rebellion in the heavenly places. He disabled the creature so that it would be useless for the Adversary's purposes. He "emptied it out, made it useless, disabled its ability to properly function" – all of which are definitions of vanity. God made the creature SUBJECT TO VANITY. 2. BONDAGE OF CORRUPTION-v21: MM believes this is the result of what Satan did. (GH: strongholds?). The "bondage of corruption" **is a by-product of what Satan did when he brought sin into the creation**; when he "trafficked his iniquity-Ezekiel 28" and "defiled his sanctuaries." God didn't commit evil and cruelity to the creature. Done by the actions of the adversary. CORRUPTION results in DEATH. When sin came into the heavenly places, it brought consequences with it and it had a real effect on the heavens. Easier to see when you talk about the earth. SONS OF GOD-v19 vs. CHILDREN OF GOD-v21: See similarities in the INHERITANCE doctrine-v17

Romans 8:19-23	Doctrine: Patient Endurance / Describe what's going on in this SOPT / GH: Exhortation that ties to Proverbs 1:7-9	You know that when God created the CREATURE, He created it for another purpose than just being SUBJECT TO VANITY. He created that CREATURE to do something. When we are out there, we will be involved in more than just repairing all that the damage Satan has done and making it right again. Then, we'll go back and start doing those things that if there had been no rebellion in the first place, what would have been going on. That's the labor we are going to be involved in. Means when the last part of Satan's strongholds have been torn down and when we've reversed all the effects of the BONDAGE OF CORRUPTION, we are going to be laboring with Him in the AGES TO COME long, long after Satan has passed out of your memory. Because there's going to be a time when he's not going to come to mind anymore. The creature knows about you, it's anticipating you coming. The beings that currently possess the creature neither possess nor practice godly love. This is part of what the creature is waiting on. What you will bring to the creature is something now that is going to give the creature value. This education is so different than the education where you say when am I ever going to use this? But that won't happen in your Sonship education. There is not one piece of this education that you won't have to have to do what you are going to do up there. Therefore you know you can't do without the first piece, godly wisdom. (GH: prayer topic) Knowing the creature is aware of us, is waiting on our manifestation when we get up there and deliver it from the bondage of corruption, is counting on us to be educated to restore function to it and competent to rule over it, should make us realize just how important our role is and what is at stake in us.
Romans 8:19-23	Doctrine: Patient Endurance / Describe what's going on in this SOPT / GH: Exhortation that ties to Proverbs 1:7-9	We should know (GH: only know from a Biblical theology standpoint): - that we are sons of God - as adopted sons, we have an inheritance in the creature - the creature is the heavenly places and the (GH: governmental) structure of the heavenly places (sun, moon, stars and host of heaven) - the creature is a living, thinking entity with emotions - the creature, prior to the revelation of the mystery by Paul, was without hope ever since the fall of Lucifer - the creature now knows the truth of the mystery - the creature earnestly expects something from us, because/as the sons of God that we are - the creature concerns the “core” of your Father’s Business and particularly your part in your Father’s Business - until such time as the expectation of the creature comes to pass, it is waiting

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:19-21		Subject of the passage is the CREATURE. Don't see Paul defining the CREATURE. This is NOT language of accommodation. GH: Means you have already been told about earlier in the Bible and you would have already known what that is. One of the things that will tell you about the glory is wrapped up in the creature. Things that tell you this CREATURE has intelligence. Read the passage and think it is talking about a person. CREATURE means there was a Creator involved. The creature: - has an expectation-v19 - is waiting and knows what it is waiting for-v19 - has a will-v20 - has a hope-v20 Creature doesn't look like a creature because it was made subject to vanity, it was emptied out. You know Who did it and when it was done and why it was done. You are going to fix that. Delivering the creature from the bondage of corruption is a task for adopted sons who have been educated in this godly edification.
Romans 8:19-20		v19: There is a sincere, deeply held, certain expectation that the creature has. That the dilemma it is in, that it is going to be delivered from that circumstance by you. One day, you are manifested and it's waiting for that day. That's what it's counting on. v20: See the condition the creature is in and that he did not go into that willingly. That's not what he did.
Romans 8:19	MoG - 17 of 18 -(EP) A heavenly vocation = MANIFESTATION OF THE SONS OF GOD	19 For the earnest expectation of the creature waiteth for the manifestation of the sons of God. **Romans Mercies 17 - A Heavenly Vocation** FOR: A FOR is further detail/explanation. Because Paul has made a pretty shocking statement in v18. EARNEST EXPECTATION: They are looking for it. MM says he's not exaggerating anything here. There is some emotion to it. This is the excitement that they/the angels are having. Angels are looking for the word to effectually work IN us, that we are going to put it to our use, we are going to purchase spiritual merchandise, we are going to get skilled in it, and when we get out there, they are going to have real confidence that you're going to know what to do. Creature has an expectation. Can't have an EARNEST EXPECTATION unless you are able to think. The creature is waiting for us to be manifested with an EARNEST EXPECTION. It has an earnest expectation of you. The CREATURE is counting on you and it is serious in its expectation. EARNEST: He could have left this off but when he added, he compounded or intensified it. When you see these double words, you ought to pay attention to that. Something that you really hold to, like earnest money.

Romans 8:19	MoG - 17 of 18 -(EP) A heavenly vocation = MANIFESTATION OF THE SONS OF GOD	19 For the earnest expectation of the creature waiteth for the manifestation of the sons of God. EXPECTATION: Looking for something, waiting for something. The creature is looking forward to something. The creature is saying I am waiting for you all to get up there/here! The Creature has an expectation - It expects to be delivered from that bondage of corruption into the glorious liberty of the children of God. It expects to be delivered from its present predicament and it even knows who to look to for that deliverance! The creature is waiting for those sons of God to be manifested. Creature has an expectation and is waiting on that expectation. Creature knows it's waiting on us. If expecting something...group says you know it is going to happen, you want it to happen, you are watching for it, not much doubt, anticipating, looking forward to. Most think means you wait. That's OK but you have the word wait 4 words away so there is another shade of meaning with regard to that. This is a godly expectation of the creature. Your Father means for that creature to be restored. Your Father will be thrilled to show up to do what He has educated us to do. The creature is in the worst possible condition and it is waiting on us to get this education and to get up there and change all of that so it finally becomes the fully functioning creature that it was made to be. Then for the first time since Satan rebelled, that's going to be a godly run creature. Overwhelming to think how much the creature is counting on us. God could fix the creature Himself but He has chosen to repossess the entire creature through us. That is the plan and that is the only plan. We'll get this done or it won't be done. MM says it will be done and you will be a part of that. Part of what this creature is earnestly expecting. The creature has a serious, profound, sober expectation for you. You need to talk to your Heavenly Father about what that means to you. Understand the repossession of that creature is in your hands. That's got to mean something.
Romans 8:19	MoG - 17 of 18 -(EP) A heavenly vocation = MANIFESTATION OF THE SONS OF GOD	19 For the earnest expectation of the creature waiteth for the manifestation of the sons of God. THE CREATURE: What God calls His whole creation MINUS the earth - the universe. Second heaven - contains the heavenly places. Right now, this creature is functionally dead. Why it says that the creature groaneth and travaileth waiting for the manifestation of the sons of God - waiting for us. We will bring functional life back to the creature and it will begin to function the way it functioned out there before Adam fell. The Creature is a living creature. May not properly function/be subject to vanity/be paralyzed/may not be able to respond to the rest of the parts of the earth, but it's a living creature. The creature has an expectation. Expects to be delivered from the bondage of corruption (it's present predicament) and is looking to you for deliverance. Since this was a mystery until revealed to Paul, the creature could not have known until it was preached by Paul: the mystery of Christ revealed. The creature is aware of this. Knows who is going to deliver it - adopted sons. Knows when it will take place - when those sons are MANIFESTED. An event in the past happened to this creature that in a manner of speaking, this creature died/ceased to function in the manner it was supposed to. **When you look out in the universe, all you are looking at are dead body parts of something that's no longer functioning the way it should**. Planets are still moving and galaxies turn, but it is like the creature is in a coma and on life support. That creature's body is made to do something. We are going to be put out into that creature and we're actually going to be the life of that creature again and make that creature start acting like the body it was made to be and do what it was designed to do and that's going to be our job. The creature is enormous.

Romans 8:19	MoG - 17 of 18 -(EP) A heavenly vocation = MANIFESTATION OF THE SONS OF GOD	19 For the earnest expectation of the creature waiteth for the manifestation of the sons of God. Your Father is going to install you out in that creature and for the first time, that creature is going to suck air back into its lungs, life is going to come back into its limbs, that body is going to start moving, and guess who is running it? Your Father is going to be in His residence on earth. That's the brain. And we are all out there in this creature's body. When the brain says to the hand, pick up the marker, there's stuff going on all through here that knows exactly what to do and that is you. The suffering creature has also been subjected to a hope – just like us! The creature is not able to respond to itself but it is a living creature. Talk about the creature sounds like a person, like a son. Makes sense that God would want a Father-son relationship with the creature. MM sees God creating a son that will carry out His Father's will.
Romans 8:19	MoG - 17 of 18 - IN Christ - (EP) A heavenly vocation = MANIFESTATION OF THE SONS OF GOD	19 For the earnest expectation of the creature waiteth for the manifestation of the sons of God. CREATURE: Two ways to view the creature: 1. As a living organism. 2. As a building or structure. Know the creature not only has expection but has a will. What was done to it was not done willingly. Not what the creature wanted. This creature was out there and it is made to function and have movement to do something and the adversary gets 23 of the 24 principalities to join his rebellion. God shut the creature down so the adversary couldn't utilize it. CREATURE: Root word is 'create'. Know it had to have a Creator or it wouldn't be here at all. Is anything besides the Creator. '-ure' added to any word, changes the word from a verb to a noun. Webster's 1828 dictionary: CREATURE, n. 1. That which is created; every being besides the Creator, or every thing not self-existent. The sun, moon and stars(the CREATURE); the earth, animals, plants, light, darkness, air, water, &c., are the creatures of God. **Because the heavenly places have creaturely features to them, they are able to respond to things, interact with things, and move about like a creature. The heavenly places are a creature with a soul, spirit and body. That body is meant to function in more than just orbits of planets and the occasional comet passing by. The body of the creature is supposed to function just like any other body you have ever seen – when it has life to it. It is supposed to function as a single body with each member of that body working toward the singular objective of the creature. Presently, the creature is being run by the fallen angels. Your understanding on the GLORY in v18 is going to come out of what he is about to tell you about the creature.**

Romans 8:19	MoG - 17 of 18 - IN Christ - (EP) A heavenly vocation = MANIFESTATION OF THE SONS OF GOD	19 For the earnest expectation of the creature waiteth for the manifestation of the sons of God. CREATURE: You will not only be IN the CREATURE, the CREATURE, just like your glorified body, is part of your HEIR OF GOD inheritance-is part of the inheritance for everybody. Since every member of the body of Christ is going to be up in the CREATURE and every member of the body of Christ is going to get a glorified body, you know that these are part of the HEIR OF GOD inheritance. The CREATURE is under the BONDAGE OF CORRUPTION/SOPT and under the POE/SoC (that's where Satan's home base is). We should be doing what the creature is doing - patient endurance. We are both waiting for the same thing. Will understand this by the time we get to v25. You will develop an attitude in you where you see things from the Father's perspective. The CREATURE doesn't know what it is waiting for until finally that part of the mystery gets revealed. At this point, the creature becomes the focal point of the Father's thinking. The creature tied to an inheritance (Heir of God, glorified body - puts you up there) [vs. JHI=position of authority/rulership/judgment]. Seems odd that you (GH: intuitively) know a lot about suffering but not alot about glory that he would now talk about the creature. Talks about the doctrine in the framework of the creature. CREATURE: THE SUN, THE MOON, THE STARS, AND ALL THE HOST OF HEAVEN (Heavenly Places). Heavenly places is structure - Principalities and Powers and Thrones and Mights and Dominions. GH: Check for new order.
Romans 8:19	MoG - 17 of 18 - IN Christ - (EP) A heavenly vocation = MANIFESTATION OF THE SONS OF GOD	19 For the earnest expectation of the creature waiteth for the manifestation of the sons of God. CREATURE: Paul uses the word CREATURE because he is trying to get you to think of a living thing. What is NOT part of the creature: - the angels in the third heaven around the Throne of God - the firmament that holds the creature There is a HOST OF HEAVEN in the third heaven but they are loyal to the Lord God and carry out His Work. Not part of the creature. The creature is the second heaven. Creature represents the body, the earth is the soul and the spirit, and together the WHOLE CREATION.

Romans 8:19	MoG - 17 of 18 - IN Christ - (EP) A heavenly vocation = MANIFESTATION OF THE SONS OF GOD	19 For the earnest expectation of the creature waiteth for the manifestation of the sons of God. CREATURE definitions - how we have been defining - either list it all or give it a name and Paul called it the CREATURE - two parts: 1. The sun, moon and stars and the host of heaven (angels) 'visible' 2. The heavenly places and the structure of the them (principalities, powers, thrones, mights, dominions) 'invisible' GH: Check for new order. There are things you see and things you don't see (principalities and powers) no matter what power of telescope you are using. The part you don't see is a very essential part of the creature, in some ways the biggest [not in size] part. If nobody is sitting out there, then the creature does nothing. That is part of that creature that makes it operate. When the angels were originally installed in that, they were supposed to do that job in the creature. They are part of the CREATURE but we are not delivering them from the BONDAGE OF CORRUPTION. The Creature includes beings that were before the creature. In one sense, they are NOT the creature. They are angels created before the creature. How is it they are now part of the creature? It is only in/by the/that role that they play as a principality or power or throne or might or dominion that that are a part/play a part.
Romans 8:19	MoG - 17 of 18 - IN Christ - (EP) A heavenly vocation = MANIFESTATION OF THE SONS OF GOD	19 For the earnest expectation of the creature waiteth for the manifestation of the sons of God. EX Politican isn't born into the government. They are born, grow up, run for office, and in that role they are part of the government. But they themselves are not the government. You can't exclude them from the CREATURE because their role is the weightiest part. If all you think about is the stuff you see on the telescope, you miss the biggest part to God. The angels (principalities, powers, etc.) have no “earnest expectation” as the creature does. Yes, they now know what is coming, but they are not looking at us or our manifestation the same way the creature does. Also, it is not our job to deliver the fallen angels from the bondage of corruption, but it is our job to do so for the creature. The part you see is not the totality of the CREATURE. GH: MM makes a body of Christ/One new man analogy with the human body and the creature communications system and your central nervous system. We will replace the fallen angels and be the weightiest part of the creature. If your body didnt have a CNS (Central Nervous System), how much could it get done? Unless the nerves send a signal, you don't do a thing. You can have all the bones and muscles and tendons but you are just laying there. This helps you better understand your role in running the creature. MM trying to set our thinking about the creature. Not wrong to think the sun, moon, and stars, but you have to begin thinking about the part you can't see. It's the part that will enable the creature to be what it is designed to be. Can't limit your understanding of the creature to just the things you can see. MM believes we will be the CNS of the creature.

Romans 8:19	MoG - 17 of 18 - IN Christ - (EP) A heavenly vocation = MANIFESTATION OF THE SONS OF GOD	19 For the earnest expectation of the creature waiteth for the manifestation of the sons of God. WAITETH: The creature is patiently waiting on you, it's enduring until we get there. We are going to have to patiently wait and endure until we get there. That is supposed/meant to impact you. MM talks about the number of people in the world that are prepared to deal with the CREATURE. He is not looking at all the churches in the world, he knows who he is waiting on. If there is not very many of us, means that the creature is looking at you. Just because there is not a lot of us, his expectation has not been diminished. THE MANIFESTATION OF THE SONS OF GOD: See steps of Sonship. The CREATURE is not just waiting for you to be saved and declared a son, not just waiting for you to be educated, he's waiting for the day you get put into your position up there in the creature. That's the day he has expectations for. When that day happens, will be different for both of you. The suffering will be over for the creature, and the suffering will be over for you too. MANIFESTATION OF THE SONS OF GOD: This is talking about something specific. The CREATURE knows about that. There's not a Plan B if we fail. MM says he can't tell you how much this affected his studies this week, it makes him look at this whole situation very differently. THE SONS OF GOD MANIFESTATION is different than GLORIOUS LIBERTY-v21. **Manifestation of the sons of God:** **- Marks the end of your formal education as a son; is the formal stage and completion of your adoption** **- Have our glorified body so we can breathe** **- Have our placement in the creature/in your Father's Business** **- Indicated the degree of your joint-heir inheritance**

Romans 8:19	MoG - 17 of 18 - IN Christ - (EP) A heavenly vocation = MANIFESTATION OF THE SONS OF GOD	19 For the earnest expectation of the creature waiteth for the manifestation of the sons of God. MANIFESTATION: Appearance. We are already SONS OF GOD. This is when you show up in the place of your vocation declared a fresh to be a son and now you are taking that over. MANIFEST: Make it right, make it appear - You will be manifested when you get your glorified body. MM says the creature is really waiting on the rapture. Creature knows what it is waiting for. MANIFEST: OED: Manifest – to make evident to the eye or to the understanding; to show plainly, disclose, reveal. It puts it on display. Makes it seen/known. Manifest (verb) = to make something known, to put on display, to appear, to make clearly visible to the eye or obvious to the understanding. Manifestation (noun): the disclosure or making public of that which was secret, unseen, private or obscure. When we are “manifested” as the sons of God, we will occupy the creature as the “new creature.” The manifestation of the sons of God is the last thing that happens before we move into the heavenly places and take up our positions there and begin laboring with our heavenly Father in all His Business requires of us. He is giving you His attitude, His POV, the way He thinks - He is teaching you to think like He thinks. Here is how I AM thinking about the creature and here's how I want you thinking about it. Don't get lost in the data of it or you will forget what it is supposed to be doing in you. SONS OF GOD: Us. Adopted sons that are going to work up there, it's not Israel's deal. The creature is waiting for the sons to be manifested - get your glorified body at the Blessed Hope and can get out in that Creature and function. If you already knew about it, it wouldn't need to be made manifest, it would have already been manifested.
Romans 8:19	MoG - 17 of 18 - IN Christ - (EP) A heavenly vocation = MANIFESTATION OF THE SONS OF GOD	19 For the earnest expectation of the creature waiteth for the manifestation of the sons of God. CREATURE: What God calls the universe. He is not just making up a term. Term is actually telling you something. If God uses us or Israel or both to reconcile the earth back to Himself and He has no other means to reconcile the rest of the creature, the Adversary still owns most of the creature and you have robbed God of what He is doing in this age. - we are today spiritual Israel or spiritual Jews (hear this a lot on TV/TBN; getting JUELBGTF doesn't make you a Jew) - replacement theology: God is mad at Israel and decided to replace them with the body of Christ and we have not only taken their place but we get the promises (what God has ordained for Israel is a wonderful thing, it is a high honor, but would not trade - He has done so much more for us that it is hard to comprehend since Israel is chosen gets beat into our head 24/7 - get through Romans and will thank God we are not Israel's replacement). Learn about the CREATURE and our part regarding this CREATURE as it concerns our inheritance and our Father's Business that we've been adopted into. Our Father is entrusting us with His work to “fix” the creature. The dispensation of grace may be about the creature, but the way God has chosen to go about dealing with His creature is with us, His sons. If the creature did not need delivering, there would be no reason to interrupt the program with Israel and have a dispensation of grace. It would have been perfectly fine for us Gentiles to have been dealt with under the provisions of Israel’s program.

Romans 8:19	MoG - 17 of 18 - IN Christ - (EP) A heavenly vocation = MANIFESTATION OF THE SONS OF GOD	19 For the earnest expectation of the creature waiteth for the manifestation of the sons of God. When you read v19, you should have in your mind: - This is an attribute of a living organism, not just a bunch of inanimate objects - when you look up at night, need to have in your thinking that you are looking at part of a real creature. That's the way the Bible sees what I am looking at and you seen to begin doing that yourself. That should impact your whole attitude toward it. - Realize that this creature has a deeply held hope and a sincerely held expectation…for you! - It is waiting for us; the "sons of God" - It has fixed its hope on you and me (members of the body of Christ) - The creature has the capacity to think (to have/it has intelligence - have to be able to reason to be able to do this). - It has strong feelings (an earnest expectation) - It has convictions about things (an expectation has no doubts, don't doubt it is going to happen, you know it is going to happen) Your Role in the CREATURE: You, sitting in those seats of authority, are going to intelligize the CREATURE. Neurosurgeon said for all the nerves in your body, it's like a little brain is at the end of those nerves that gets the signal sent from your brain and knows exactly what the brain wants. Electrical impulses tha are being translated into the physical realm through muscles and tendons. Just picking up a marker is remarkable, to translate a thought into a physical, visible, tangible action. That's your job - that makes you the central nervous system of the creature. The intelligence associated with the nerves and nervous system illustrate your part in the creature. God gives the creature a hope that not only will it be brought to fulness of function but we are going to change who is running the creature. He knows this is the SONS OF GOD at the manifestation.

Romans 8:19	MoG - 17 of 18 - IN Christ - (EP) A heavenly vocation = MANIFESTATION OF THE SONS OF GOD	19 For the earnest expectation of the creature waiteth for the manifestation of the sons of God. Should change your thinking about the CREATURE and your relationship to the CREATURE. Really about your Father's Business and your part in this Business. When this happens, there will be adjustments in your life, not just in the way you think about the creature but in the priorities in your life because you understand what is at stake. Have to be told this verse. Wouldn't know it on your own. This occupies your Father's Mind and He wants this to occupy your mind. What is expected of you. What the creature is counting on. By extrapolation: the creature has intelligence, emotions, etc. Makes you understand how important you are in what God is doing. We have a tendency to think I'm a nobody. But your Father has elevated you to a place of prominence and performance. Group: The gravity of the situation hits you, gives you purpose/reason for being, makes me think we can't fail. It's going to happen regardless of what people think of it or if Monahans continues to do it (GH: Sonship). Somebody's going to pull the trigger and it might as well be us. Having a conversation that doesn't make sense outside of these walls. When this doctrine effectually works in a local assembly, that godly church will have its Christ-like life manifested in the heavenlies. It is a pre-picture of the Lord Jesus and His body! This is what the creature is looking for; waiting for. Because once it sees that manifestation, it knows that there is another local assembly of believers that are truly functioning as a body. Therefore, it rejoices to know that once that body physically gets up there, it knows how to deliver the creature from the bondage of corruption. When this begins to take place with us, not only are we as individuals being conformed to the image of Christ, but the whole body (of the local assembly) is being conformed to His image as well. That should not surprise us as we have known for a while that the local assembly is a microcosm of the whole body of Christ that will fill the heavenly places one day.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:20		20 For the creature was made subject to vanity, not willingly, but by reason of him who hath subjected the same in hope, After telling you the CREATURE is waiting on you now He is going to tell you about it. The same One who subjected the creature to vanity has also given it a hope. FOR THE CREATURE WAS MADE SUBJECT TO VANITY: Initially, you think the bad guy did it. CREATURE WAS MADE SUBJECT TO VANITY, NOT WILLINGLY: Satan did not do this, that's what God did, to keep Satan from having control of the Creature. Have you ever done something unwillingly? Only something living can have a will. You have to have a soul to have a will. The creature has a will - MADE SUBJECT TO VANITY BUT NOT WILLINGLY. Creature also has a spirit. MADE SUBJECT TO VANITY: Made useless, disabled, non-functioning. Made of no value or empty. Is NOT the same thing as the BONDAGE OF CORRUPTION or the rebellion. The creature was made subject to the BONDAGE OF CORRUPTION but these are 2 different things that are happening. When God made the creature SUBJECT TO VANITY, He had a reason for doing that. So Satan can't connect heaven and earth (GH: like he tried to do at the Tower of Babel). Satan did not make the creature SUBJECT TO VANITY. Is God's response to the rebellion that has already taken place. Otherwise, you don't need to do that to the creature. Not going to snap His Fingers, He'll use educated sons to come and fix this whole thing. MADE SUBJECT: MM says you get the idea that you are a slave to it or controlled by it. Under the control or authority of someone else. Was created to be under the authority of God but it is now under the authority of Satan and the principalities and powers that serve as the CNS of the creature. The creature did not want to be under the authority of the fallen angels. It did put itself under authority. If you are the creature, you don't want to go under the control of Satan or be made subject to vanity or MM says put in an induced coma. For all it knows, once it goes into this condition, it will stay in it forever. It can still hear, still aware, just can't function. Keeps the fallen angels from doing what they want to do with it.
Romans 8:20		20 For the creature was made subject to vanity, not willingly, but by reason of him who hath subjected the same in hope, SUBJECT TO VANITY: MM doesn't mean things aren't orbiting but it is not able to respond to other parts of itself. GH: Two aspects - The inability of the creature to fully and properly function - God severed any connection between the heaven and the earth. The utilization of the creature by Satan was a “fruitless endeavor,” a “vain pursuit,” a work which was “worthless or futile.” - The creature was going to come under the dominion of the Adversary and his ungodly hosts (for this the creature was unwilling) SUBJECT Subject: Emphasis on the first syllable - EX Algebra is a subject. Subject: Emphasis on the second syllable - force one to undergo; or to put them under control, usually by force. Be put under authority.

Romans 8:20		20 For the creature was made subject to vanity, not willingly, but by reason of him who hath subjected the same in hope, VANITY: empty, emptiness, void - GH: today the creature looks like nothing and not alive. God made him subject to this. MM used to read this and think Satan did that. The same One who made the creature subject to vanity is the same One who has subjected the creature in hope/I AM giving you hope. God did that so Satan couldn't get ahold of the creature and utilize it for his own purposes. Neither the world nor the creature are responding to each other today. And that is because THE CREATURE WAS MADE SUBJECT TO VANITY (emptiness). When something is vain, it is empty, it has nothing in it. It emptied out. When you look up, you have to be told there is a creature because you don't see it with your eyes. Not a fancy name for the HOST OF HEAVEN or the fallen angels. MM says the creature is in a coma. He can hear. The quality of being worthless or futile, want of substance to satisfy desire, fruitless endeavor, untruth, vain pursuit, emptiness. The creature no longer has the capacity or incapacity to fully/properly function. The creature is really going through the same thing you are going through and the creature has a hope to get it through like you have a hope to get you through.
Romans 8:20		20 For the creature was made subject to vanity, not willingly, but by reason of him who hath subjected the same in hope, NOT WILLINGLY: The creature has a will. Only a living creature has a will. Even our dog has a will. It's not an inanimate thing, it's a single living thing. The passage also uses the term CREATION in v22. So the creature is different from the creation. The creature has a will, one of the 3 components of a soul. The creature has a soul. The creature acts as a body. Tells you the creature has a will. If it has a will, it is living. It did not want to be made subject to vanity. Made subject to vanity against its own will. The CREATURE didn't want to do that. The creature is kicking and screaming here because he is not created to be in ungodliness and unrighteousness when it is subject to vanity. The creature was made submissive against its will. God is not going to stand between the creature and the fallen angels just like He is not going to stand between you and the POE. Not doing it for the creature, not doing it for you. When we get out in the heavenly places, we're going to be what runs the creature, running the body of the creature. If we are running the body of the creature and you are the body of Christ, IF ANY MAN BE IN CHRIST, HE IS A NEW CREATURE-2 Corinthians 5:17-reference to the Creature. Part of the exhortation to show you how valuable what you are being offered really is/how big a deal it is.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:20		20 For the creature was made subject to vanity, not willingly, but by reason of him who hath subjected the same in hope, IN HOPE: The creature also has a hope. HOPE: Creature has a HOPE. The creature's hope is YOU! The creature doesn't have any doubt about this. The CREATURE finds out that it has a HOPE. NOT 'I hope it rains today'. It's the expectation of a sure and a certain good. Every HOPE is about a good thing. If it is a bad thing, you may expect it but you don't hope for it. Always carries the idea of something good. Should give you confidence. If the CREATURE knows about you and what you are going to do, you ought to have some confidence that this curriculum is actually going to do everything you're going to get that job done. Because all of that is built together. Definitions: - The absolute confidence and certainty that a future good event will take place. - To have a hope is to be fully persuaded of a future certainty which is welcome. - Hope is an attitude – a way of thinking
Romans 8:20		20 For the creature was made subject to vanity, not willingly, but by reason of him who hath subjected the same in hope, Five issues: 1. The creature was forced to submit to vanity (GH: by God - can't be the adversary because he would never give the creature hope) 2. This submission was against its will 3. There was a reason the creature was made to submit to vanity 4. The creature has a hope of deliverance from vanity's dominion 5. The One who made the creature submit to vanity is the same One who has given the creature the hope of a future deliverance from it; God - main storyline in this verse. POINT: If the creature was functional, Satan could have held on indefinitely to the heavens and the earth. That's the means by which he would have done that. God is saying I can't allow for you to do that. Not meant to be a treatise on the fall of Satan, not what's going on. It's not trying to teach you the doctrine around Satan's fall and all the things that took place with that fall. Not what God is interested in doing right here. He is talking about the predicament that the creature has been placed in. By giving the creature hope, God was showing mercy. v20 doesn't end with a period, it ends with a comma which means verse 21 is part of the same sentence. Should have a comma at the end of the verse, not a period. Period is a typeset error.

Romans 8:21		21 Because the creature itself also shall be delivered from the bondage of corruption into the glorious liberty of the children of God. Verse begs a lot of questions but don't get many of the answers in Romans 8 because Romans 8 is geared for one thing - your Sonship Establishment. Things like the HOW and the timeline will not help you to reckon v18 to be true. Creature knows that it will be delivered from the BONDAGE OF CORRUPTION by us. Even the CREATURE is suffering from that. Something addition to the creature will be delivered from the BONDAGE OF CORRUPTION. Will happen when we get installed into the heavenly places. Carrot that is being held out in front of you, we are going to deliver the creature from the bondage of corruption. In the dispensation of the fulness of times (Eph 1:10), you will be delivering the creature from the bondage of corruption. Just as your body is made to function in harmony with your soul and spirit, so the creature is made to function in harmony with the earth. The creature is the “body” while the earth will be function as the creature’s soul and spirit, and they need to work together before the whole creation can be and do what it was originally created for. The creature had to find out and he couldn't find out until God revealed that thing through Paul. The whole heaven is made to know.
Romans 8:21		21 Because the creature itself also shall be delivered from the bondage of corruption into the glorious liberty of the children of God. What Paul is talking about when he says we will JUDGE THE WORLD and JUDGE ANGELS (1 Corinthians 6:2-3) is delivering the creature from the bondage of corruption. You are bringing liberty to that place. Have to understand how oppressive that realm is (second heaven). Today, it's a place of oppression and danger. Will have our glorified bodies by then. This starts the connection for us (GH: between v18 and this passage). The way your Father has chosen now to get you educated is to tell you not just about His Business, and your part in it, and make it so you can reckon those sufferings are not worthy to be compared is to begin telling you about the CREATURE. This CREATURE knows something but it didn't always know it. When the CREATURE was put under the BONDAGE OF CORRUPTION, it did not know there was any hope of recovery. Then along comes the apostle Paul, who puts it on display, who preaches it, and writes it down. Imagine when the CREATURE, in the worst possible condition, heard this news? When the CREATURE heard this, how thrilled do you think that it was? How thrilled it is knowing there is someone learning how to do that/fix that (GH: deliver it from the bondage of corruption). God is not just throwing us up there going, just wing it, do the best you can. Hope everything turns out. You are actually going to get educated to fix the CREATURE whose lying in this comatose state. What do you think that CREATURE will feel when we show up? MM says can you imagine the glory that is going to be associated with that? MM says there is a purpose out there for us that goes WAY BEYOND anything we have ever been engaged in in this life. When you begin to feel different about this, that is called the effectual working of the word. It adjusts your attitude to match His Attitude.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:21		21 Because the creature itself also shall be delivered from the bondage of corruption into the glorious liberty of the children of God. BECAUSE: Connected to the word HOPE-v20. THE CREATURE ITSELF: The word ITSELF brings all the attention/emphasis/spotlight to the CREATURE. ITSELF limits the number of subjects being talked about here to 1. CREATURE ITSELF: It is within the proper use of the language to use "it" to refer to the Spirit of God. You could leave ITSELF out and it would still make perfect sense. ITSELF is following a noun. Why even have it? It is placing emphasis. Perfectly fine to use with a neuter noun. ITSELF: Limits to one subject. Why (GH: add) the word ITSELF? Could leave out and make sense but won't make the same sense. -SELF words always point back to something else that has already been mentioned. Saw this in THE SPIRIT ITSELF-Romans 8:16. When you use "itself, herself, himself, myself, itself," you are excluding any others from the action being described. ALSO BE DELIVERED FROM THE BONDAGE OF CORRUPTION: Not just the creature, something else will ALSO be delivered - you.
Romans 8:21		21 Because the creature itself also shall be delivered from the bondage of corruption into the glorious liberty of the children of God. ALSO SHALL BE DELIVERED: Based on the other 1,800 ALSOs in your Bible, you know you are going to be told what the ALSO is. Not the earth because it would have said it. Waiting for you to deliver him from being made SUBJECT TO VANITY-v20. Two different deliverances because these are two different things (GH: and the BONDAGE OF CORRUPTION). ALSO: Brings in an additional element. ALSO is attached to the verb. Only 1 subject in this entire passage-the CREATURE, not talking about a second subject. Why (GH: add) the word ALSO? Could leave out and make sense but won't make the same sense. Always identifies the WHAT or WHO that ALSO is referring to. Use ALSO in two ways: 1. that we are talking about two subjects, for example: something else and also the creature shall be delivered from the bondage of corruption, or 2. that we are talking about two actions involving a single subject, for example, the creature is going to be delivered from one thing and also from another thing MM believes that Paul is not talking about 2 things being delivered from the BONDAGE OF CORRUPTION, he's talking about one thing, the creature, being delivered from two things.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:21		21 Because the creature itself also shall be delivered from the bondage of corruption into the glorious liberty of the children of God. DELIVERED FROM THE BONDAGE OF CORRUPTION: This is an condition the creature is in in addition to being MADE SUBJECT TO VANITY. This means more than the fact that entropy is taking place and everything is winding down - really a statement of the condition the creature finds itself in. DELIVERED: Saved from something. Means it is in a position it is not really supposed to be in. A condition that needs to be changed in order for something to work right or to be right. There is something not right about the creature. You will liberate the creature. DELIVERED: OED: rescued or set free. To deliver can also mean to “hand over” such as in a letter being delivered by your postman. In that case, there is a change of hands from one person to another. The letter is yielded up to another, surrendered to another. In the same sense, “to commit to another person’s keeping.” George Crabbe: Deliver carries the idea of “to take and save, to keep from evil.” “A person is delivered from the hands of an enemy by force or stratagem.” Deliverance involves a “taking.” That is exactly what should be in your mind when it comes to us delivering the creature. The Adversary is determined and his desire is to hold on to the creature. He will not just give it up without incident. Handing control from one to another. Deliverance implies evil, that there's something happening that you need to be extricated from.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:21		21 Because the creature itself also shall be delivered from the bondage of corruption into the glorious liberty of the children of God. BONDAGE OF CORRUPTION: The process that everything is undergoing - in physics, the second law of thermodynamics - the law of entropy where everything is decaying/corrupting/winding down. If you are in bondage, you are restrained. Creature placed in this condition back at the beginning. Creature waited thousands of years before it knew it was going to be delivered...until Paul shows up. It's affecting the CREATURE, the earth, and the people. Even the animal kingdom, in Isaiah, where it talks about the lion and kid and bear and lamb will lie down together and the lion will eat straw like an ox. We have sufferings in our physical bodies because we are also under the BONDAGE OF CORRUPTION. The process that has been created because of sin and the curse that came in because of sin. Recall in Genesis, before the curse it was one way, the earth just brought forth fruit. After, you'll earn your living by the sweat of your brow. There is going to be work involved, pain in child bearing. MM said no children up to that point but wonders if that wasn't a painless process in the beginning. Most people die due to SOPT/old age/BONDAGE OF CORRUPTION. Take a top and spin it - slows after a while, wobbles, and falls. Says everything is winding down. Why you can have a problem with evolution, which says everything is gaining forward. MM says the second law of thermodynamics is part of the BONDAGE OF CORRUPTION. Trees fall and die. We will die, save the rapture. The sun is burning off - nuclear fission. It's burning off hydrogen without oxygen present. Thinks the byproduct is helium and if we were on the sun we would all talk with that funny voice. Sun is burning away 700 trillion tons of hydrogen every second. Ton is a hundred cubic feet. Would fill a tank 1 mile by 1 mile by 473 miles. Our bodies are deteriorating, under THE BONDAGE OF CORRUPTION.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:21		21 Because the creature itself also shall be delivered from the bondage of corruption into the glorious liberty of the children of God. BONDAGE OF CORRUPTION: You can see the earth is under this if you look around. A farmer depending on rain. Get rain when the hay is on the ground. Whole creation is under the BONDAGE OF CORRUPTION. God is going to reverse this but not in the way you think He will. We have a “wave the magic wand” mentality. We think everything magically appears out of thin air and no real work ever gets done. When God went about the business of forming the earth the way He wanted it to be, the way He had already determined it to be by His wise master plan. God created it and He also formed it. BONDAGE OF CORRUPTION: Entered at 2 different times: 1. When Adam and Eve fell in the Book of Genesis and sin came into the world 2. After the Flood - some things changed and God furthered some things going on in the world If it is under the BONDAGE OF CORRUPTION, then it's in the worst state of cruel treatment with the connection to evil. The creature wasn't created to be in this form. These bodies we have today will not last forever in any condition. The organs do not operate at an optimum. It may be that eyesight worsens, muscles shrink, hearing deteriorates, teeth fall out, hair falls out, arches fall, energy subsides, recovery times increase, strength diminishes, arteries clog, joints ache, breathing is more difficult, blood pressure rises, blood sugars are out of balance, diseases set in, hands shake, sense of balance is uneasy, rising quickly causes dizziness, you can’t run as far or as fast as you once did, your mind may not be as sharp it once was, you begin to forget words as you speak, forget what you went into a room for, and for some, they forget the people they have known and loved their whole lives.
Romans 8:21		21 Because the creature itself also shall be delivered from the bondage of corruption into the glorious liberty of the children of God. With the passing of time, the creature is losing the ability to maintain itself, just like your own body. That is going to result in suffering and then it's going to result in death. That's part of the BONDAGE OF CORRUPTION. You are under that. The creature is under that. The earth is under that. CORRUPTION: Implies decay. The law of entropy. Everything is winding down. Spin a top, eventually it will lose momentum an will wobble around and fall over. The sun is burning away. You grow up and then things start to go the other way. The creature is under it too. POINT: When CORRUPTION takes over, everything is suffering through pain and discomfort. One of the ways we realize it is through sickness and disease. Looking up, it doesn't look like a creature because it is UNDER THE BONDAGE OF CORRUPTION and it has been make SUBJECT TO VANITY. Will change. Our first job when we get up there is to deliver the creature into the glorious liberty of the children of God.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:21		21 Because the creature itself also shall be delivered from the bondage of corruption into the glorious liberty of the children of God. Bondage of corruption: made up of two parts/comes in two forms: 1. physical deterioration that ends in death (for the material part) brought on by the entrance of sin - Physical form/corruption - 2nd law of Thermodynamics - happens over time - It's not enough to just stop the physical corruption because if Satan and his angels are still in charge, the creature is still in trouble. 2. moral corruption (for the invisible part) brought on by the occupation of Satan's angels in the seats of authority in the creature - Moral corruption - think of a battle/enemy coming into a country to destroy it and taking over the government: Is as real and impactful as the physical part. Has to do with your impact in the creature. Cause is Satan and his angels. Using the Iraq war analogy, when this regime is toppled, the thing to do is it go back and rebuild the creature because it is going to be in ruins. MM believes both of these are part of a process and do not happen at the same time. Both issues plague the creature. You cannot have one without the other. There is an event coming that is going to make the creature worse than ruins. It is not enough to just cast out Satan and his angels. Will have to do something to stop the physical corruption of the creature as well. That is something different.
Romans 8:21		21 Because the creature itself also shall be delivered from the bondage of corruption into the glorious liberty of the children of God. BONDAGE: Is the third and worst condition of 3 conditions that are related. MM says because the creature is under the dominion of Satan and his minions, it's not only under BONDAGE, there is no KINDNESS (GH: second aspect of Godly Love) being demonstrated in the creature at all. In Satan's realm, there is no SELFLESSNESS (GH: first aspect of Godly Love). OED: the state of being a slave. Crabbe's Synonymes, it says: "Slavery is not only servitude, but includes also the odious circumstance of the entire subjugation of one individual to another. Bondage denotes the state of being bound, that is, slavery in its most aggravated form, in which, to the loss of personal liberty is added cruel treatment." Servant vs. Slave vs. BONDAGE are in degrees Servant: N.T. Greek is doolos - often translated 'slave'. Then people want to say the Bible is in favor of slavery. Bible doesn't translate as SLAVE, translates as SERVANT. If you work a job you are serving someone. They are paying you to do it. Doesn't mean that you are less of a person, just means someone hired you to do a job. Slave: Owned by the master. There are degrees of slavery. In the past, people have volunteered to be a slave for life.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:21		21 Because the creature itself also shall be delivered from the bondage of corruption into the glorious liberty of the children of God. BONDAGE: Extreme end of slavery. Slavery is bad enough but bondage is more severe than slavery. Has 2 things added to it: 1. The loss of personal liberty 2. Cruel treatment Charles Smith: - Servitude: compulsory service to a master. (military men are "servicemen"). Servitude is established on the principle of mutual compacy without any infraction on personal liberty. MM says like going to work for someone it is a contract that both of them are entering into. - Slavery: begins where servitude ends. A compulsory life of labor that depends on the will of another, the master owning the servant as chattel. Slavery has differing degrees. Slavery marks a condition incompatible with personal liberty. Slavery not only includes servitude but also included the entire subjugation of one individual to another, a condition which deprives him of every privilege of a free agent and which forcibly bends the will of one to the other. - Bondage: the extreme aspect of slavery; seeing the slave as a beast of burden under the lash, as captive Israelites in Egypt. Bondage is slavery in its most aggrevated form, in which to the loss of personal freedom is added cruel treatment. The term in applied to the Israelites in Egypt. The creature being under the BONDAGE OF CORRUPTION parallels man being under the BONDAGE OF SIN. When you are under bondage, you're under the control and subjujation of a superior and restrictive power that's binding you or bounding you. It restricts you from doing what you want.
Romans 8:21		21 Because the creature itself also shall be delivered from the bondage of corruption into the glorious liberty of the children of God. CORRUPTION: Corrupt (OED): evil or morally depraved. Made unreliable by alterations. Rotten or putrid. To infect or contaminate. The process of decay. Crabbe: "Corruption marks the disunion and decomposition of the parts of anything. Corruption implies a dissolution in the component parts of bodies. While depravity is applicable only to mind and heart, corruption is the natural process by which material substances are disorganized. Corruption marks the spoiling of things, the ferment that leads to destruction. Corruption is a vicious state of things in which all is sullied and polluted." In the vernacular of the day - it is "falling apart." It is "in pieces." In other words, things are winding down. Things are tending toward disorder. Things move toward dissolution. They are moving away from that which they originally were; their very constitutions are being affected (or infected!).

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:21		21 Because the creature itself also shall be delivered from the bondage of corruption into the glorious liberty of the children of God. Bondage of corruption is fixed in Revelation 12:9 where Satan and his angels are cast down to the earth and the creature is no longer under that moral corruption of Satan and his angels. Doesn't mean the physical corruption got fixed yet. The way it always gets done - you have to throw out the oppressors and then rebuild the country. Summary definitions: Bondage: denotes the state of being bound, that is, slavery in its most aggravated form, in which, to the loss of personal liberty is added cruel treatment. Corruption: denotes the state that some material object is falling apart, tending toward disorder and dissolution from its original state. MM's definition: Being irrevocably bound by the most aggravated form of slavery to the very dissolution of one's constitution.
Romans 8:21		21 Because the creature itself also shall be delivered from the bondage of corruption into the glorious liberty of the children of God. INTO: Represents a change of condition. From the BONDAGE OF CORRUPTION to the GLORIOUS LIBERTY OF THE CHILDREN OF GOD. GLORIOUS: Takes your thinking back to verse 18. An adjective which means that it is describing something else. Could have left GLORIOUS out and it would make sense. When something is "glorious" it: has or brings the element of glory. GLORY: The result of success in great achievements. We reserve the word GLORY for a great and monumental undertaking. LIBERTY: Not talking about the creature getting Sonship LIBERTY like you have. Talking about in comparison to the condition that it was in. This is the condition that it is going to be in. Not freedom because LIBERTY implies a previous imprisonment. Like liberating POWs. MM says this is NOT a ho-hum event. This day is coming whether we rapture out tonight or not in our lifetime. The creature is waiting to be delivered into our liberty. It is going to benefit from our liberty. CHILDREN OF GOD: Why not SONS like v19? In verse 19, it is educated sons who will deliver the creature from vanity. It will take an educated son to reverse what God did when He disabled the creature. This is not something that everyone (children of God) will be able to accomplish. It is a specialized work that will be turned over to sons who have all the components of godliness at work in them. In verse 21, it now switches to "children of God" because that is who will be occupying the creature once it is delivered. Every member of the body of Christ, regardless of their Sonship education, will get a glorified body and take up their place in the creature. THE CHILDREN OF GOD: GLORIOUS LIBERTY different than MANIFESTATION-v19.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:22-23		Two types of “groaning” that have been presented. v22: There is that involuntary expression of pain (which the creation does) v23: There is that earnest desire to go to work with your Heavenly Father (which we are to have for going to work in the creature). GH: measure of EFFECTUAL WORKING in you. - go to work in my Father's Business - deliver the creature from vanity - deliver the creature from the bondage of corruption Groan for your redeemed body because until you get that redeemed body, you are not going anywhere. The earnest desire is not I don't care what I know, just let me up there right now, is not compared to getting your education. To see if this groan is really taking place IN you. It's not do I want to go today or wait till I get my education? That's not the way to look at it. Obviously, you have to have the education before you can do anything good for the creature. The longer you go in Sonship, the greater the GROAN for that redeemed body will be. The EARNEST DESIRE (2 Corinthians 5:2) is going to increase.
Romans 8:22-23		The PATIENT WAITING to get prepared and the EARNEST DESIRE to go do it go hand-in-hand together. It is good to want to go to work in the creature, but it is just as good to want to be properly prepared for that work and until you are, to patiently wait. If your EARNEST DESIRE for your redeemed body is to get out of the sufferings, the doctrine is not working in you. Your desire for the redeemed body is for what you're going to go do, not what you're going to get out of, that's the comparison. In the old days, people knew about the redeemed body but this emphasis was no more pain, never get sick, grow old, no BONDAGE OF CORRUPTION, etc. MM says that will be true and he is not saying that won't be enjoyable. Your motivation isn't to get out of your old, beat up body. Your motivation is for you to get up there and do something for your Father's Business in the creature. If you are looking forward to get your glorified body so you can get up there and go to work for your Father for the purpose He has in mind, that shows that effectual working is taking place. That's a spiritual work. There's no physical, visible, tangible way for you to see that. The only people who are groaning for the adoption are the people who have the FIRSTFRUITS OF THE SPIRIT. FIRSTFRUITS are the first thing produced.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:22	Suffering = THE WHOLE CREATION GROANETH AND TRAVAILETH IN PAIN	22 For we know that the whole creation groaneth and travaileth in pain together until now. That creature is waiting for a people that possess godly loving kindness to get up there, because we will not only treat others with this attribute of love called kindness, but we'll also deal with the creature that way. There are things we are going to take into consideration as we restore the creature back to the place that it is supposed to be. FOR WE KNOW: Notice Paul says this is something we already did know. He is counting we already have in our mind. We are supposed to know that the "whole creation" (the creature and the earth) is doing two things: 1. It is, as a living organism, giving an involuntary expression of pain and burden - MM believes that is real pain but the Bible doesn't give this big disertation on what type of pain it is 2. It is travailing in pain THE WHOLE CREATION: God never calls it the universe. There is something different that God is going to do with the earth and what God is going to do with the heaven. WHOLE CREATION (heaven and the earth) GROANETH and TRAVAILETH: Is under this bondage of corruption. Creature is different than the whole creation or he just would have used the term creature again. Heaven/Creature and the Earth. From the CREATURE to plus the earth. Paul turning our attention in v19-21 from the CREATURE to the WHOLE CREATION. When the Bible talks about the creation, it is always in two parts; the heaven(the creature) and the earth.
Romans 8:22	Suffering = THE WHOLE CREATION GROANETH AND TRAVAILETH IN PAIN	22 For we know that the whole creation groaneth and travaileth in pain together until now. GROANETH: Is groaning because it is under the BONDAGE OF CORRUPTION. Implies pain or anguish. MM says this has to do with something that was done to the creature. To this day, this thing is groaning, waiting for your manifestation. Is describing the effects of being under the bondage of corruption. Sometimes you will be hurting so bad, be so sick something will happen, you will think 'ohhh!' Even though you are groaning within yourself, this doctrine is supposed to work IN you to enable your to put your mind on the hope. The fact that one day this body is not going to experience this anymore. Will be in a position where I will never experience any of this anymore. All of this is going to be gone, all I have to do is patiently wait for that hope to become a reality. Will take however long it takes but if you are 'patiently waiting', you are not going hurry up, hurry up. Patiently waiting is however long it takes. Groan vs. Moan: A groan is an involuntary (not trying to complain) expression of grief, pain; either physical (sickness or injury) or mental (grief). A "moan" is purposefully/voluntarily uttered for the sake of awakening attention or inciting compassion. MM is not saying that every moan is bad, could be hurt and trying to draw attention to it. Moan carries the idea of whining and complaining, which is dangerous for a son. Is an indiscretion.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:22	Suffering = THE WHOLE CREATION GROANETH AND TRAVAILETH IN PAIN	22 For we know that the whole creation groaneth and travaileth in pain together until now. (OED) Groan: a deep articulate sound of pain, despair or pleasure. (Crabbe) Groan: a deep sound produced by hard breathing, the involuntary expression of severe pain of either body or mind. (Smith) Groan: hard breathing which consists of inarticulate sounds. It is involuntary and is the result of deep pain. While moaning always comes from some pain or misery, groaning may come from pain but also from a strong feeling of resistance to what is felt to be burdensome or unjust; hence it is often an expression of indignation. TRAVAILETH IN PAIN: The constant condition of the creature and the earth. The idea this phrase is supposed to convey is that of the whole creation being under bondage (which is the extreme form of slavery), causing great pain and impacting the creation to the extreme. TRAVAILETH: hard work; laborious effort; severe toil; to labor with great difficulty. In your Bible, the word “travail” is often used in the context of a woman in childbirth. IN PAIN: MM takes this as literal pain. UNTIL NOW: MM says he doesn't care how you take this because for our purposes, it doesn't matter. It won't stop till we get up there and fix it. UNTIL: Up to. NOW: Denotes time.
Romans 8:23-25	GH: Prayer	Romans 8:23-25 Prayer: "Heavenly Father, I live in this body of flesh, and it is heir to all kinds of afflictions and infirmities that some me cause me to groan with pain and discomfort. But You will redeem my body one day, just as You have redeemed my soul and spirit. How wonderful! I will patiently wait for my body to be redeemed because I have a confident expectation that You will do what You said. This present suffering has an end to it. So, no matter how my body may suffer, no matter what I endure on this earth, my eternal body will be delivered from all the afflictions and pains which I presently suffer. And I know that in exchange for my patient endurance, there is a reward of glory waiting for me that the sufferings are not worthy to be compared to. And I rejoice in anticipation of that glory for it will reflect the riches of Your grace, in Your kindness toward me through Christ Jesus, and bring You the glory You deserve." The benefit of knowing what God is going to do provides a hope that allows us to patiently endure the afflictions of our physical body, whatever they may be. MM says when he does this, he feels he is having that conversation with the Lord because He is the One who has told me these things and he wants to demonstrate that he has an understanding of what He has said to him.

That is our exaltation and the culmination of the adoption process. The promise is (Scriptures by which we endure - What you should expect from this verse if it is working in you.): My suffering is not permanent; one day this body will be redeemed and all the bad things which happen to it now will be over. It may be in this life, it may not be, but it is not going to be permanent forever. Whatever goes on in this body now, it's not going to be forever because one day, this body will get redeemed. Taking everything about the CREATURE and the WHOLE CREATION in v19-22 and make an application for us. NOT ONLY THEY, BUT OURSELVES ALSO: Us too. The culimnation of adoption. NOT ONLY THEY: The WHOLE CREATION-v22, the CREATURE and the earth. THEY: The heaven and the earth. That's the WHOLE CREATION. They of the WHOLE CREATION.

BUT OURSELVES ALSO: Talking about saved people, right? Happening to us too. Tying us together. OURSELVES ALSO: Now includes us. Paul is going to lump us in with the WHOLE CREATION and say some things happening to them are also happening to us. One day THEY will be delivered from the BONDAGE OF CORRUPTION by OURSELVES ALSO. GROAN WITHIN OURSELVES: Not a groan in pain, a groan within yourself. Not an audible groan, it signifies something else. It's that yearning expectation for something. Not talking about saved people in general. Talking about saved people who know what their adoption is. Happens more as you get older. When you are young, you don't groan much. Glorified body means more to an older person than a 12 year old kid. Getting your glorified body is another stage of your adoption that now says you're able to go labor with your Father. Before, you have just been educated. If you don't get adopted until you get your gloridied body you can't be educated as a son. Result of/In connection with the SOPT. GROAN: We have something in common with the CREATURE and the WHOLE CREATION. OED Groan: 1b) to groan inwardly, in oneself, in the spirit, with the heart 6) to express earnest longing by groans; to yearn or long. MM thinks GROAN is longs for vs. pain. Experiencing the sufferings. This earthen vessel groans more the older you get.

WHICH HAVE THE FIRSTFRUITS OF THE SPIRIT: MM says people want to jump over and say THE FRUIT OF THE SPIRIT IS LOVE, JOY, PEACE etc. but you haven't come to that list in your Bible. Before you get the FRUIT OF THE SPIRIT, you are going to get FIRSTFRUITS and that can only refer to one of 2 things: 1. Everything you have covered in Romans up to here - Justification and Sanctification. MM won't argue, but you can know you are justified and know you are sanctified and not have one bit of Sonship going on. 2. The effectual working of the Sonship doctrine that has been presented to us thus far: Sonship Orientation - MM thinks it is this, in the context of this - where you are told you're a son and you have cried ABBA FATHER and Sonship Establishment - where you are learning a PATIENT ENDURANCE of those things you are going to be suffering in this present time. What you are learning right here/He reserved this statement for when you are in your SE. FIRSTFRUITS OF THE SPIRIT: Need to have an excitement about what is going to happen. If you don't have you won't be GROANing for the adoption. FIRSTFRUITS: In agriculture, the part of the crop that comes in first; the initial results of an enterprise. Therefore, “firstfruits” refers to that which is brought forth first or initially. SPIRIT: The Spirit has a capital “S” so we know this is referring to the third person of the Godhead. (GH: prayer topic) Realizing where we will be in eternity and the nature of our work in the heavenly places to repossess them back to God, return righteousness to the heavenly realm, and rule them as sons of God in perfect accord with the purpose for which they were created in the first place, should instill a sense of awe and wonder accompanied by an enthusiasm to get up there and be a part of it.

GROAN WITHIN OURSELVES: For the adoption, the redemption of our body. Should be wanting this even on days that you don't hurt. Otherwise, you are saying, God, I feel pretty good today, go ahead and hold off. Will let you know about tomorrow. The earnest desire/expectation/anticipation is I want to get this done. **The second checkpoint/marker is the "groaning" for a redeemed body for purposes pertaining to your Father's Business.** GROAN: Bible defines GROAN differently than GROANETH in v22. Leaves the travailing and pain out completely. For us, the GROAN is not the involuntary expression of pain, the GROAN is I can't wait to get up there and get it done (GH: 1 Corinthians 5:1-4). GROAN: That "groan" or earnest desire to get our redeemed body is a byproduct of the "firstfruits of the Spirit." The GROANS of the CREATURE ('I can't wait till someone helps me') and a son ('I can't wait to help you') are different. We should be groaning to get up there and do the delivery. If you leave the GROAN meaning the same, you have a son looking at the SOPT no differently than anybody else.

WAITING FOR THE ADOPTION TO WIT, THE REDEMPTION OF OUR BODY: Getting our glorified body will complete our redemption. Even if you have been adopted and educated, you need a body that will function out there. The end of/completion of the adoption process. We are under the BONDAGE OF CORRUPTION as well because these bodies didn't get redeemed. Wait a minute, thought we were already adopted...but then he defines what part of that adoption is. Our hope. This body will not be in this condition forever. Talking about the end of the adoption process. Find out that the ADOPTION has two parts to it: 1. Spiritual part (Romans 8:14-15 to here) 2. Physical part/Redeemed body) (here) ADOPTION: That's when you go to work. I'm not getting a new body for the sake of getting a new body. I am getting a new body for the sake of my adoption. Our adoption completes with the redemption of our body. **ADOPTION: Second pronouncement in adoption - education is complete and placed in the heavenly places to go to work. Placement of the son as a full partner in the business**.

TO WIT: An expression that is not used much anymore. It means 'namely' or 'that is to say'. The phrase “to wit” indicates that you are about to state or describe something more precisely. For example, I could say, someone ran into my car the other day; to wit, the back bumper. The “to wit” is me indicating the dent more precisely. They did not dent the whole car, but only a part of the car. Now, talking about a very specific detail or part of the whole. 'A guy ran into my car the other day, to wit, the back bumper.' Adoption starts at salvation and ends with the redemption of your body (at the Blessed Hope/Rapture) with edification taking place in between. When the body gets redeemed, that adoption process is over, it's completed. REDEMPTION OF OUR BODY: Whenever that takes place, training is over. Whereever you are going to be in the creature will be settled that day. The phyiscal aspect of your adoption. Because you already knew this (GH: If you went through the prior classes), it did not have the impact it should have on you. First time in Romans you are told you are getting a new body. God has promised to give every member of the body of Christ a new body, a glorified body.

The beginning of the adoption process is when we make the cry of Abba, Father and the end of that process is the redemption of our body. This is why we say that at the Blessed Hope, our adoption process is over. It is also why we say that if God had redeemed our body at the point of salvation: 1. there would be no further growing in grace 2. no coming unto a perfect man 3. no further edification unto godliness. Because we also are under the bondage of corruption, there is going to be groaning, travailing and pain. Don't expect that there won't be. And don't be crying out for God to deliver you from it. You are waiting for that time when this body is going to get redeemed and those things are no longer going to be an issue for you - no more pain/groaning/SOPT. Until that time, you are going to go through it and you know that God is not going to deliver you from it. MM has never seen anyone delivered from getting old. Get old enough and it always ends in the same result - you die. Even though we "groan within ourselves" we patiently wait for the glory. The final component of your adoption, the redemption of your body. Think about the different aspects of glory about that body. Think of the brilliance of that body, the incorruption of that body, and the power of that body(1 Corinthians 15). Now think about how your patient endurance of these sufferings magnifying that glory.

Romans 8:23	MoG - 18 of 18 -(EP) Redeemed Body = THE REDEMPTION OF OUR BODY / Suffering = GROAN WITHiN OURSELVES / VTP : Sonship 2 of n - Earnestly desire our glorified body = GROAN WITHIN OURSELVES / Second pronouncement of Adoption / GH: Suffering Verse	23 And not only they, but ourselves also, which have the firstfruits of the Spirit, even we ourselves groan within ourselves, waiting for the adoption, to wit, the redemption of our body. Think about the patient endurance of these sufferings as making deposits into your joint-heir inheritance. Keep your focus on the prize and not on the sufferings. No more suffering after the REDEMPTION OF OUR BODY. We were not “hoping” for the redemption for the primary reason of getting out from under the effects of the bondage of corruption. Yes, it was true that when we get that glorified body there will be no more bondage of corruption for us. But the primary reason we were to “hope” for the redemption of our body was for our purpose in the creature! We were not supposed to go around bemoaning the pains of living in an unredeemed body, only looking forward to its redemption so we no longer have this problem or that problem. The primary reasons we look forward to the redeemed body is so that we can go to work! The redemption of our body is culmination of the adoption process. Our adoption process began when we trusted Jesus Christ as our Savior. The process is completed at the Blessed Hope. REDEMPTION OF OUR BODY: There is no more SUFFERING, no more BONDAGE OF CORRUPTION-v22. If all you have is a glorified body but you don't have an education as a son, you are worthless. You are an empty, albeit perfect shell of a man. Being up there in a glorified body is still a pretty grand thing.
Romans 8:24-25	Doctrine: Hope / Hope Bookend	HOPE Bookend - uses HOPE 5x v24: Second bookend verse - after he says everything he has to say to you he's going to end with this - here's how I expect you to do it - with patience. Because you are waiting for something. There is something you are waiting for that he already told you about in the previous verse that is not worthy to be compared to the SOPT. Romans 8:24-25 Tweak: HOPE: Only learned about part of this: 1. Your body is going to be redeemed. The future redemption of our body. The things that happen to us in these mortal bodies. They may be tribulations, but they are still opportunities for all of a long list of inner man things to happen. HOPE: Is not the body that you will have forever. You're going to get a new redeemed body. That's good news. 2. HOPE saves you from the effects of sufferings out there. Hope of an inner man that is conformed to the image of God's Son. This is the one that saves you right here and now.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:24-25	Sonship Suffering '25	There's something that we hope for and that's because we don't see it. For if we see it, why do we yet hope for it. Our hope for things in the future, though they haven't happened yet, but we believe because God said it. MM says this is the Bible's way of things not seen many times, this is the Bible's way of saying faith in an evidence of something that hasn't happened yet.
Romans 8:24		24 For we are saved by hope: but hope that is seen is not hope: for what a man seeth, why doth he yet hope for? You pause at each colon to make sure that you understand everything up to that comma BEFORE proceeding on. The colon tells you that each can stand on its own, but also that it is directly connected to the rest of the verse. FOR WE ARE SAVED BY HOPE: **First phrase** is set up by a colon. He is not talking about being saved from the debt and penalty of sin; that was all covered back in Romans 1-5. **Paul is talking about being saved in the sense of not being overcome by the bondage of corruption, and saved from responding to it like natural men do**. Talking about the redemption of our body. Not present possession, the confident expectation. WE ARE SAVED BY HOPE: That HOPE is going to save you from being overcome by the SOPT. Plenty of people in the world have been overwhelmed by the SOPT and they have given up. MM says if you don't have this doctrine working IN you, there may well come events into your life one day that will just be too much for you to handle/sink you into depression/give you anxiety. Not saved from sin. Talking to people who are saved. This saved/salvation is being saved from being overwhelmed by the sufferings. Not from the debt and penalty of our sin but from the effects of all the things that happen to this body to discourage us and to wear us down. See that HOPE connected to the future redemption of our body.
Romans 8:24		24 For we are saved by hope: but hope that is seen is not hope: for what a man seeth, why doth he yet hope for? SAVED BY HOPE: Not saved from debt and penalty of our sin, saved from being victimized or overwhelmed by the sufferings/things that are happening to us/things we don't have any control over/things that happen to our physcial bodies. The yet future redemption of our body is also a “hope.” SAVED: Not taken care of the debt & penalty of your sins. Got taken care of in Romans 1-5. Talking about saved from something in regard to your sanctification. Not talking about being saved/justified, talking to people who are already saved. Would be kind of ridiculous - lost people having the FIRSTFRUITS OF THE SPIRIT. Saved from the effects of the BONDAGE OF CORRUPTION. HOPE: That our body will be redeemed; hope gives you a comfort that God hasn't overlooked the fact you are still in this body. Don't worry that you are going to have to put up with this body from now on, I AM going to do something to redeem this body and all those kinds of sufferings will be done away with. Your body coincidently gets redeemed at the BLESSED HOPE-Titus 2:13 or rapture. This is the completion of your salvation. If you already had it, you wouldn't be hoping, you wouldn't be counting on that, you'd already have it. We don't HOPE for forgiveness of sins, we already have it. You don't have HOPE for that, it is already yours. GH: MM says but thinking you are going to live forever is part of your exaltation, that eternal life, that citizenship in the Kingdom of God. It comes because you are justified, but it is not part of your justification, it is part of your inheritance. The HOPE is the sure promise.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:24		24 For we are saved by hope: but hope that is seen is not hope: for what a man seeth, why doth he yet hope for? BUT HOPE THAT IS SEEN IS NOT HOPE: **Second phrase** is also set up by a colon. MM says he is telling you this so you don't get to thinking you're going to see any of the stuff about your HOPE while you're here on this side of your redeemed body. The only time you see that stuff that will be a present reality is on the other side of your redeemed body. Reminder that: - You will not be immune from the SOPT - You will not see the GLORY right now from the SoC - You are not going to deliver the creature from vanity or BONDAGE OF CORRUPTION now - You are not going to be put/manifested in a position in the heavenly places - You are not going to receive any part of your inheritance/either of your inheritances now - HEIR OF GOD or JHI - You are not going to get your redeemed/glorified body HOPE THAT IS SEEN IS NOT HOPE: You have HOPE of a glorified body. If you already had that body, wouldn't be a HOPE. If you already have it, you are not hoping you already got it. You don't see that HOPE but that HOPE has to become a reality to you.
Romans 8:24		24 For we are saved by hope: but hope that is seen is not hope: for what a man seeth, why doth he yet hope for? FOR WHAT A MAN SEETH, WHY DOTH HE YET HOPE FOR: **Third phrase**. If you've already got it, you don't need to HOPE for it, you got it. HOPE: Is the cure for the SOPT. The HOPE saves you from being victimized by these sufferings. Allows you to endure the sufferings that come your way. HOPE Components: - HEIR OF GOD inheritance - JHI based on a right response to those sufferings - GLORY - Promise of a redeemed body - Confidence - step by step in an area at a time

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:24		24 For we are saved by hope: but hope that is seen is not hope: for what a man seeth, why doth he yet hope for? HOPE: He's not saying 'I wish it would happen', he's saying that is what I am looking for, that I know is going to happen. The comforting expectation (MM pulled from earlier in the chapter) of a sure and certain remedy. Hope is what saves you from the effects of the SOPT and the BONDAGE OF CORRUPTION. If something terrible comes your way, you have something that saves you from being destroyed by those things. Anything that he can do to you is going to be undone. There is no reason for this HOPE to not carry you through any situation because it is sufficient. That's what's being built into you here. The HOPE doesn't make it painless, it makes it endurable. Not with a stiff upper lip but they are endurable because of something that is produced in you that produces a HOPE and that HOPE is going to take you through eveyrthing. HOPE: Confident expectation - we have been told about it and we believe it and so we confidently expect that to happen. But it is a hope, not a present reality. It's a HOPE because it hasn't yet been realized. For us. Saw HOPE back in the CREATURE (v20). We are given a hope that has to do with the redemption of our bodies. HOPE that you can't put your eyes on. There is something coming that will be a HOPE for you. It's going to be that light at the end of the tunnel. In the midst of your worst suffering, God is saying I AM giving you a GLORY on this end and a HOPE on this end, but we see not that GLORY yet. But one day it will be a present reality and every child of God will have eternal life as a part of their heir of God inheritance. Point: Our hope is not something we conjure up in our own thinking, but it is in direct relation to something that God has promised! That is why it is a hope that produces something in us.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:24		24 For we are saved by hope: but hope that is seen is not hope: for what a man seeth, why doth he yet hope for? Two aspects to this HOPE that makes this work and they are both important and you need to know them and what they are because these are the things that are going to be in your thinking when these times come What you are going to need to anchor onto - establishes part of your HOPE: **1. The Glory Aspect: The Suffering vs. the Glory-v18**: Comparing the sufferings to the glory would be like comparing your walking with the speed of light when it comes to traveling from the sun to the earth – 96 million miles (1 A.U. – astronomical unit). Comparing the speed of your walking to the speed of light. Comparing the sufferings to the glory would be like comparing a mole hill to Mt. Everest when it comes to the effort required to get to the top. Comparing the sufferings to the glory would be like comparing a single gravel to the Hope Diamond when it comes to possessing a rare and expensive jewel. Comparing the sufferings to the glory would be like comparing a flashlight to the sun when it comes to producing the light of day for the entire United States at once. Comparing the sufferings to the glory would be like comparing a single tear drop to the oceans of the world when it comes to volume of water needed to support the marine and plant life of the earth. While even these comparisons fail to do justice/insufficient, “incomparable” is the measure of the glory that will be revealed in you! If you think the sufferings are pretty tough, this gives you an idea of how great the glory is. **2. Eternal Benefit aspect: The Value/Purpose of Suffering in Sonship Training**
Romans 8:24		24 For we are saved by hope: but hope that is seen is not hope: for what a man seeth, why doth he yet hope for? Same principle as 2 Corinthians 4:17-18, there are things that are happening but you cannot see them happen. Your Heavenly Father is going to ask you to believe some things that there was nothing you could verify that is true. POE / People / Professors will tell you it's not true. If you really are going to believe God, you shouldn't think who else believes this? If God wrote it in His word, it doesn't matter who else believes this. People ask MM, who else believes in Sonship and he goes Jesus. You got someone who outranks that? If the Father, Son, Spirit and apostle that wrote it believe it. The 12 came to understand what Paul wrote was inspired scripture so they do. Oh, you are asking for someone today. What would anybody who wrote inspired scripture know? What would the Godhead know? MM says we ask the most innane questions. Amanda is going to be bossing John Hagee around in eternity. Sure he is a nice guy, just doesn't know what he is talking about. If you are hoping for things you can see, you're not hoping, you can see it. The HOPE is in the redemption of your body. You don't see it but it is out there.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:25		25 But if we hope for that we see not, then do we with patience wait for it. Is the final issue concerning that godly virtue of patient endurance. PATIENCE: endurance, tolerance, lack of complaint, persistence, fortitude (Smith) The opposite of endurance is exhaustion. The opposite of patience is repining and irritability. You can endure impatiently. The enduring man can be in exasperation, the patient man suffers and is calm. (Crabbe) Patience applies to any troubles or pains whatever, small or great, abstaining from all complaint or indication of what one suffers. If we do not endure with an easy mind and without the disturbance of our looks and words, we have not patience. It is possible to have patience without endurance. You can endure something impatiently. Why it is not just ENDURANCE, it's PATIENT ENDURANCE. Putting the two together makes a very powerful union to enable you to handle sufferings and the effects of the bondage of corruption with calmness and composure.
Romans 8:25		25 But if we hope for that we see not, then do we with patience wait for it. You are patiently waiting for the day you: - receive the redemption of your body - receive your heir of God inheritance - receive your joint-heir inheritance - deliver the creature - are placed in your position in the heavenly places - go to work with your heavenly Father
Romans 8:25		25 But if we hope for that we see not, then do we with patience wait for it. HOPE FOR THAT WE SEE NOT: You don't see/have the redemption of your body yet. HOPE: Should see HOPE as a conclusion matter. THAT WE SEE NOT: We don't have that inheritance yet. THEN DO WE WITH PATIENCE WAIT FOR IT: Given a doctrine of HOPE, that HOPE is in that reward of the inheritance and that hope produces a virtue of patiently waiting which is an endurance. That is going to affect your attitude to make you see the things that you go through through different eyes. Not going to view them the way you used to. WE WITH PATIENCE WAIT FOR IT: MM says that's how we are supposed to do it. We are supposed to patiently wait for the redemption of our body. You are told you will groan within yourself waiting for the adoption...the redemption of our body - that's a hope that you are going to patiently wait for. **HOPE is more than a CONFIDENT assurance. It's meant to be a COMFORTING assurance**. Should see the HOPE as a remedy that God is fixing the problem (GH: with our unredeemed bodies). WITH PATIENCE WAIT FOR IT: We are waiting for the redemption of our bodies. Want a redeemed body because this one is under the BONDAGE OF CORRUPTION. You may feel great today but you are not going to live forever.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:25		25 But if we hope for that we see not, then do we with patience wait for it. This verse and what we are about to see, when it makes the right impact on you and really gets IN your inner man, when edification really does take place, then you're going to be shown something that is going to make all that suffering that you do in this life, you are going to be able to patiently wait for the thing that is going to deliver you or save you. The end of the verse will be a reality to you - you will be able to patiently wait through anything that comes your way. Your Father is saying, I DO NOT care what you go through/how long you go through it/how bad it gets, there is glory being held out for us that is incomparable in greatness and in majesty and honor and glory. You are walking by faith, not according to the things which you can see, but according to the things that you can't see.
Romans 8:25		25 But if we hope for that we see not, then do we with patience wait for it. WE WITH PATIENCE WAIT FOR IT: MM says here's the problem with going to God and saying God, I've got a cold and need to preach Sunday and need you to give me my voice back. This is being IMPATIENT. Because in the physical area, you are told to WAIT FOR IT. Doesn't mean you can't gargle lemon and salt water, but God is not going to supernaturally intervene to give you your voice back. WITH PATIENCE WAIT FOR IT: What we expect to get out of the doctrine - the ability to patiently wait. The fortification of your inner man to handle the sufferings that come your way. He is equipping us to cope with the tribulations. PATIENCE WAIT FOR IT: When you think about patiently enduring, it's not just one day I won't hurt anymore. What allows you to patiently endure it is to know one say it will be over but while I am going through this I have an ability to build on that glory. It's going to be a greater glory and the only way you get that is the right response to it - patient endurance. That's what grace provides for you. We are hoping for something that we cannot see. We are patiently waiting for our hope and that is exactly what God has designed for you to do. We are hoping for the glory of God that shall be revealed in us. What we are supposed to do in the midst of suffering is “patiently wait for it.” That glory is our hope. Even though we groan within ourselves, we wait with patience for that glory to appear.
Romans 8:25+	Markers : Effectual Working	Markers for EFFECTUAL WORKING/godly edification: - Is the doctrine sitting in v19 beginning to change the way you think about what you are doing here and now, and is it changing your attitude about what is going to happen later on when you get into the creature? - Are you thinking about the creature in a more serious way than before? - Do you sense the reality of its “earnest expectation” in a clearer way than before and does that impact you? - Do you find that you have more of a driving purpose that makes you approach this with a better understanding that something or someone is counting on you? - Does any of this cause you to think differently about your life? If you are already seeing this, then: - effectual working is already beginning to take place IN you - heart writing is taking place IN you - your attitude is being adjusted to match your Heavenly Father's Attitude

Romans 8:26-27	SE Section/Component 2 of 3 - Virtue: Confident Assurance OR Untroubled Satisfaction with Prayer with our Father / Doctrine: Confident Assurance / SOPT Comfort 2 of 4: The comforting ministry of the Spirit during times of perplexion	Second part of our Sonship Establishment. Talks about Sonship Prayer. See the flow of doctrine up to these verses so you can best understand what Paul is talking about here. Sets forth a doctrine that addresses the "infirmity" and it does that by producing a particular virtue in us; a virtue that impacts our attitude concerning prayer. VIRTUE: Confident Assurance: God's made a provision for me. I don't have to worry about this thing. I am going to get educated where I won't need this to happen. I am going to be able to pray as I ought. Identifying the break - been talking about an inheritance, how it's a hope that produces a patient endurance so you can go through whatever you go through with your eye on that reward. Changes your attitude about the things you go through. In v26 all of a sudden, Paul is talking about prayer. Has not been talking about prayer at all. First time it shows up in the Book of Romans. See the change in subject? Talking about your prayer life. The subject has completely changed - why you can look at as a whole different section. We know how to pray, but in Sonship prayer, you don't know what to pray for. You don't know God's Will about every single thing. Why always asking what's Your Will? What do You want me to do? Because you don't know, how could you know what His Will is? **You don't get God's Will by asking Him for it, you get God's Will by being educated to think like your Father**. Then you would know what He would do. When you get the 4 decision-making skills and become a SIMPLE SON, what is happening here goes away for you. Make decisions like your Heavenly Father would make, know His Will about those issues. Supposed to be a comfort to us in these sufferings that we all endure. The comforting ministry of the Spirit during times of perplexion. **The success of your Sonship education rests on prayer**. When we are praying, there is no magic formula, no mantra that we repeat, no asking for certain things in a certain order, no formula to follow. When we talk about the Spirit making intercession for you and the Father searching your heart and you not knowing what to pray for, this is not about prayer in general but something very specific. (GH: To be able to apply what you learn to different situations like godly wisdom in different context outside the verse), you are going to have to ask your Father for some things. Because of your inexperience, the Spirit makes intercession to the Father for you so when the Father says what do you need? Instead of hearing I don't know what I need, the Spirit asks and the Father answers that prayer just as though you were the one asking for it. Means your education continues right along without a hitch.

Romans 8:26-27	SE Section/Component 2 of 3 - Virtue: Confident Assurance OR Untroubled Satisfaction with Prayer with our Father / Doctrine: Confident Assurance / SOPT Comfort 2 of 4: The comforting ministry of the Spirit during times of perplexion	When God speaks to us, there is a specific way that He does that and there is a specific Member of the Godhead that is involved in that. When we speak to Him, there is a different Member of the Godhead that is involved in that. They never reverse. This sorts out this passage. 3 Principles generally taught in the Bible that are true in the Israel program and the DOGG. 1. The first principle is to understand the purpose of prayer - GH: Prayer is designed to change us by getting us in line with the doctrine (Jesus in the garden & Paul thorn/grace is sufficient prayers->activating the doctrine->changed them and their attitude towards their circumstances) 2. Prayer works to activate the doctrine in our spirit. - Prayer changes our human spirit and the word of God is specifically designed to fit in your spirit. - Prayer activates the doctrine by getting the doctrine in our minds/spirit and the begins to change the way we think. And that change in thinking produces a particular attitude/soul and GH: produces bodily actions. 3. Prayer follows the mechanics - God speaks to men through the person of His Spirit. God speaks to us (via the Spirit) and we speak to God (via the Son). You have the tranquilizing ministry of the Holy Ghost when infirmities trouble you to the point you know not what to pray for as ye ought. If you are not thinking about these 2 verses like your Father thinks about them, they cannot ever effectually work IN you. They won't even seem like the next verses you encounter. Have to think about these 2 verses the way your Father thinks about them for them to effectually work IN you. GH: Otherwise, won't happen. So important to have our thinking match our Father's. These two verses will produce IN you an absolute satisfaction and an untroubled prayer life. That's what they are meant to do. This is the first time Paul talks to you about prayer (other than Romans 1 in the GH: greeting - not instructing or teaching).

Romans 8:26-27	SE Section/Component 2 of 3 - Virtue: Confident Assurance OR Untroubled Satisfaction with Prayer with our Father / Doctrine: Confident Assurance / SOPT Comfort 2 of 4: The comforting ministry of the Spirit during times of perplexion	Several issues come up for the first time in the Book of Romans: - Our infirmities (as they relate to prayer) - The issue of prayer itself - The Searching of the heart Learn you won't pray for the things you used to before you learned Sonship prayer but your prayer life shouldn't fall off. It's important to pray in accordance with the will of God. To do, you need to learn the doctrine first and incorporate it into your prayer life. There is a problem that kind of gets expanded that could make your whole Sonship education fail. These 2 verses put your mind at ease that your Sonship education will not fail because of this problem. You will see this is not disjointed. He didn't go from talking about the creature to talking about prayer to talking about something totally different. Will see the connection to things that are listed here. These verses are meant to be a comfort to you because you realize that if you don't get this done, your Sonship life is going to halt. He says don't worry about it what you don't know holding you up, the Spirit brought His wallet (GH: 30 miles to restaurant and MM forgot his wallet and Billie had hers.) The part you do have to know is the searching of the heart. **Your Sonship education cannot succeed without prayer. Your education cannot take place without the Interactive Learning (Proverbs 2:3), specifically the part between you and your Heavenly Father**. Without it, you will not FIND THE KNOWLEDGE OF GOD-Proverbs 2:5. It is one of those 3 IFs. The whole education is hinging on this GH: two-way communication. This education cannot happen unless we are engaged in two-way prayer.

Romans 8:26-27	SE Section/Component 2 of 3 - Virtue: Confident Assurance OR Untroubled Satisfaction with Prayer with our Father / Doctrine: Confident Assurance / SOPT Comfort 2 of 4: The comforting ministry of the Spirit during times of perplexion	If He was dealing with you out of His omnis, He wouldn't need interactive learning to make it work. He is not sitting up there saying I knew what you were going to ask for before you ever asked Me, He is sitting up there waiting to hear what you have to say. MM said there is evidently a whole lot he doesn't know about. He is listening to what you are saying to see how much of this you are really getting and understanding. Like you do with your own kids. You are learning about the creature and all of a sudden, out of the blue, you get 2 verses on prayer. You are going to find out it is not out of the blue. The only way you are going to know how to deliver the creature from the BONDAGE OF CORRUPTION is the way the education teaches you. This education cannot take place without prayer. You have an infirmity that would stop your education because your Father is waiting to hear from you and you don't know what to ask for, looking like the education is in jeopardy. You know you are delivering the creature from being made subject to vanity but don't know how to do it because you haven't started the education yet. If He doesn't supply this intercessory ministry of the Spirit for you in the beginning because you are inexperienced in it, you will never get the education. Now, placing these two verses here makes perfect sense. Paul trusts that you have already encountered in your Bible things like INFIRMITIES and SEARCHETH THE HEARTS and you already know what that is. Gives you a framework for HOW Sonship prayer works. Sonship prayer doesn't come into play fully until you start the education at Romans 12:3. Because he is just telling you about it and because we are not doing it, you should be thinking how does this work? MM says these verses become ridiculous under omnipotence/omniscience.

Romans 8:26-27	SE Section/Component 2 of 3 - Virtue: Confident Assurance OR Untroubled Satisfaction with Prayer with our Father / Doctrine: Confident Assurance / SOPT Comfort 2 of 4: The comforting ministry of the Spirit during times of perplexion	Romans 8:26-27 Recap: - Verses meant to bring peace regarding our Sonship prayer life - Prayer is indispensable - We are in a real Father/son relationship with God - God is dealing with you apart from His omniscience and omnipotence/He has set aside these. He deals with you apart from these two because if He doesn't, you don't have a real Father-son relationship. He is determined in His relationship with you that He is not going to know what you are going to ask for until you ask Him. - Part of our commitment to the education is interactive learning - Part of that interactive learning is Sonship prayer - Why Sonship prayer is non-optional – our Sonship education is dependent upon it. Your success is dependent upon you talking with your Heavenly Father. Without Sonship prayer, we will not “find the knowledge of God”. - The Father has a role in Sonship prayer: the searching of the heart

Romans 8:26-27	SE Section/Component 2 of 3 - Virtue: Confident Assurance OR Untroubled Satisfaction with Prayer with our Father / Doctrine: Confident Assurance / SOPT Comfort 2 of 4: The comforting ministry of the Spirit during times of perplexion	- In searching our heart God is listening to make sure we are fully benefitting by our education (assess and assure). Why the Father wants to search our hearts – to assess, confirm and assure that we are getting the full benefit of our education. He will know by hearing what is coming out your/the son's mouth. - The education proper has not begun yet (Romans 12:3) - The infirmities and the ignorance they produce in not knowing what to ask for pertains particularly to the Sonship education proper. We have a general knowledge of our infirmities – have to do with our lack of experience in the curriculum, we will not always know what to ask for. That is a temporary condition – the curriculum will make it so we will know what to ask for as we ought. - Our Father has taken our infirmities into account and provided for our education to continue by having the Spirit make intercession for us in those times we do not know what to ask for He'll answer that prayer of the Spirit just as though you yourself had been asking Him for what is was you needed. Only through the agency of Sonship prayer are you really going to be able to do the work with your Heavenly Father to make this education work. If you don't do it this way, it's not going to get done any other way. - At that time, the searching of the heart comes into its fullest function - It is also at that time that the Spirit's intercession takes place for us in a very particular manner - Is not talking about prayer in general, it is talking something specific about prayer and has to do with your education.

Romans 8:26-27	SE Section/Component 2 of 3 - Virtue: Confident Assurance OR Untroubled Satisfaction with Prayer with our Father / Doctrine: Confident Assurance / SOPT Comfort 2 of 4: The comforting ministry of the Spirit during times of perplexion	Two issues: - ISSUE 1: v26: This is supposed to give you comfort that when you come to the place that you don't know what to say and your Father is wating to hear it from you, that's not going to stop your education. Give you comfort that you don't have to worry about this. - ISSUE 2: v27: The Spirit not only knows what you need, what you should be asking for, but He knows the very precise/perfect way to ask for it. When the Father answers, there is no uncertainty about what is being asked for and it is all right in line with the perfect Will of God. You're going to get there. The curriculum is geared for your success. But until you do, this marvelous thing is going to be done for you. The successful searching of the heart depends upon you learning something first. Only when you have learned that are you going to be able to then branch out and to see that in a different way and that's where the searching of the heart comes into play. Only if that doctrine is effectually working in you are you going to get that check. MM doesn't want to put a time limit on this but it is going to take time to do the searching of the heart. Can't just fly through this. There's a process that you are supposed to follow. Looking at and thinking about what you have already been taught. Remember how you were taught to overcome sin? To mind the things of the Spirit, the things the Spirit did when He gave you that new identity IN Christ.

Romans 8:26-27	SE Section/Component 2 of 3 - Virtue: Confident Assurance OR Untroubled Satisfaction with Prayer with our Father / Doctrine: Confident Assurance / SOPT Comfort 2 of 4: The comforting ministry of the Spirit during times of perplexion	You are supposed to occupy your mind with those things. Same way with this...when you are asking the Father to search your heart, you are not just emptying your mind GH: so you can feel or hear or think something. You are thinking about the things that you have already been taught about this. How much easier is it then for your Father to have something show up. MM says it is kind of like reviewing your work. You do something and then you go back and look at it GH: and see if you missed anything. Do not get upset because you don't yet feel like you have the skill to make the most excellent decision. God is not concerned with that right now. All He is concerned with right now is good path-bad path, whichever good path you take is fine with Him. There are some other details around searching of the heart but you now know all you need to know to make Romans 8:26-27 accomplish all that it is designed to do. Can't really get the other details till you get to Romans 12:3 and you start doing the searching of the heart. MM says there is some nuance to this that you only get when you are doing it that is almost impossible to just sit here and explain it. Here in Romans 8:26-27 we are in the book learning stage but get to Romans 12:3 and we are going to get behind the wheel and put our hands on the gear shift.

They may go away on their own or you may do something to make tham stop, but God, by His omnipotent power, is not going to shield you from them but instead He is going to equip you IN your inner man to endure them to His Glory - As you GROW UP UNTO CHRIST-Ephesians 4:15, you will learn that these sufferings and infirmities can actually 'work for you'(Romans 8:28). They are meant to work for you, they are producing something in you

Romans 8:26	Prayer / GH: Suffering Verse	26 Likewise the Spirit also helpeth our infirmities: for we know not what we should pray for as we ought: but the Spirit itself maketh intercession for us with groanings which cannot be uttered. The promise is (Scriptures by which we endure - What you should expect from this verse if it is working in you.): Part of the recipe for dealing with bodily infirmities is Spirit-led, intelligent, Sonship prayer. The Spirit which we received when we trust Christ as our all-sufficient Savior helps our infirmities through prayer with our Father. The process of combining prayer with the doctrine helps us not by taking away the cause of our pain but by producing a hope and a strengthening of our inner man so that we endure our suffering without complaint or objection. That's what you are supposed to understand from the scripture. The Spirit that we receive when we trusted Christ as our all-sufficient Savior also helps us go through those infirmities, go through those tribulations, go through those sufferings by our prayer with our heavenly Father. Learn to combine prayer with the doctrine that has us properly responding to the doctrine so that the word can actually now work in our inner man. See two colons and with colons, the two phrases it separates can stand along but they do have a connection to the other things that are there. Have a part - colon - part - colon - part -- which means you have to understand the first part before you move to the second part. LIKEWISE: Tells you this is connected to what you just read-changing subjects but it's not totally disconnected from the previous thing, but it's a different issue. AKA also, after the same manner. In the same way. Not talking about the prior subject, just using it as a springboard into the new subject. Builds on the previous verses but introduces a whole new subject. Moves us into an entirely new section. Connects you up with what you just came out of. [GH: Talking about suffering and the creature and everything under the bondage of corruption and hope to all of a sudden about prayer. Need the right mindset to make the transition. But prayer wasn't even mentioned in that first section. It is disconnected because what is in the front of your mind should not be there, which is the product of the old way of being taught about prayer. It has caused you to think the opposite from your Father and will keep v26-27 from producing what they were intended to produce.
Romans 8:26	Prayer / GH: Suffering Verse	26 Likewise the Spirit also helpeth our infirmities: for we know not what we should pray for as we ought: but the Spirit itself maketh intercession for us with groanings which cannot be uttered. THE SPIRIT ALSO HELPETH OUR INFIRMITIES: The Spirit is going to help with our infirmities because He is going to teach you how to pray. In the midst of all those sufferings, there is something you are going to pray. He is not saying it is going to take away the suffering, but it is going to benefit you in a better way than just fixing your physical problem. The “infirmities are part of the bondage of corruption that plagues these bodies which are yet unredeemed. But the Spirit is going to help us with our sufferings. We are under the BONDAGE OF CORRUPTION. But we have a HOPE (earlier verses). This Spirit is going to do something to help us with this BONDAGE OF CORRUPTION that we're under. Real easy to have some of the old stuff that we had in our heads to color what we are learning now and when it does that, you're not really seeing it the way that is is meant to be seen. What Romans 8:26 is saying.

Romans 8:26	Prayer / GH: Suffering Verse	26 Likewise the Spirit also helpeth our infirmities: for we know not what we should pray for as we ought: but the Spirit itself maketh intercession for us with groanings which cannot be uttered. Infirmities (OED): 1) Weakness or lack of strength; lack of power to do something; inability. 2) Physical weakness, debility, frailty, feebleness of body. Old View: Infirmity is a weakness, illness, disability - something that keeps you from functioning the way you should. Your INFIRMITY when it comes to Sonship prayer is you don't know what the Will of God is for things yet. Fix by being educated as a son to think like your Father. Infirmity is you can't yet determine what my Father's Will is about every situation you run into. You will have “infirmities” because of the bondage of corruption. But there is a second category of doctrine designed to enable you to patiently endure those things even when you are so perplexed that you don’t know what to pray for you ought. You have a doctrine taught to you here about a tranquilizing ministry of the Holy Spirit. When you don’t know what to pray for, instead of being anxious and worried, this doctrine puts your soul at rest. This doctrine informs you of the intercessory ministry of the Holy Spirit. Those infirmities produce in us not knowing what to pray for as we ought and if you can't pray for the right things, then you have a problem. That's because this two-way prayer has got to be going on in order for your Sonship education to work.
Romans 8:26	Prayer / GH: Suffering Verse	26 Likewise the Spirit also helpeth our infirmities: for we know not what we should pray for as we ought: but the Spirit itself maketh intercession for us with groanings which cannot be uttered. Preachers see this verse and say you don't have to worry about it because the Holy Spirit is going to take it and clean it all up. **INFIRMITIES: Correction (between Pt6 & Pt7) - These have to do with the sufferings, GH: not prayer ignorance. MM references 2 Corinthians 11:30, 2 Corinthians 12:5, & 2 Corinthians 12:9-10. Paul had things happening to him and so do we. Not because God is angry, it's because we live in a fallen world - weather happens, you can't control it; you fall off a ladder, it's an accident; you cut your hand, etc. That's the reason that God didn't redeem this body. Because our sufferings are directly linked to our prayer life and that's supposed to produce something in you.** INFIRMITIES: Plural. Not about not knowing how to pray. He doesn't give us a list. Paul doesn't identify these infirmities. Infirmity = Weakness OLD VIEW: GH: You have an area of weakness about prayer. Infirmities are not your fault. It's the natural position of a son at this point in the curriculum. If God was dealing with you out of His omniscience, why would He have to make this provision? He could just read your mind. But that is not relationship. Represent a temporary condition because eventually you're going to go through the Bible far enough that you are not going to be in that place of not knowing what to ask for. You'll know. You are supposed to already know something about them because he didn't say anything to you (GH: explain what they are) about them. It is something that you can recover from. Call a military hospital an infirmary. Went there to get better or recover. Won't always experience this, at some point in the curriculum you are going to go I know what to ask for. MM says this is the perfect word.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:26	Prayer / GH: Suffering Verse	26 Likewise the Spirit also helpeth our infirmities: for we know not what we should pray for as we ought: but the Spirit itself maketh intercession for us with groanings which cannot be uttered. INFIRMITIES: Is plural: - Part of this is you don't know what to ask for. - Part of this is you don't have enough experience yet for this to just take off (learning to drive a standard transmission car or ride a bike analogy) MM sums up your INFIRMITIES into a single word - inexperience. (Crabbe) Infirmity is a partial want of power, which interferes with, but does not necessarily destroy, the activity. Infirmities are not listed so we are already supposed to know what these infirmities are. These infirmities are the natural condition that every single son and daughter will find themselves in at this point in their Sonship education. We all have them. Not a measure of you are not committed enough or not excited about it. It's the way it is for all of us. Naturally have because we don't have all these answers. These infirmiites manifest themselves by us getting in a situation where we won't always know what we should pray for. You do know how to pray, you're going to come to some things in the education that you're going to need to ask for and you really won't know what those are but God has taken that into account.
Romans 8:26	Prayer / GH: Suffering Verse	26 Likewise the Spirit also helpeth our infirmities: for we know not what we should pray for as we ought: but the Spirit itself maketh intercession for us with groanings which cannot be uttered. WE KNOW NOT WHAT WE SHOULD PRAY FOR AS WE OUGHT: Didn't say we don't know how to pray. He said we don't know what to pray/ask for - this is an important distinction. Learn the things that you normally would think I'm going to be asking God for, you're going to learn are not the kinds of things you need to be asking for in prayer. Many of those things are actually things you need to be educated in your Sonship. MM says no wonder Paul tells us this. He doesn't say you don't know HOW to pray, he says you don't know WHAT to pray for. You don't. He has to teach you that because the very things you are praying for are the very things you are meant to go through to accelerate your Sonship. He could fix it this way - don't worry, I WILL gaze into your heart and just know. Instead, He says the Spirit is going to make intercession for you and I AM going to hear the thing you don't yet know what to ask for, I AM going to hear it from the Spirit and when I do I AM going to know what to do. WE KNOW NOT: The solution is to LEARN it.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:26	Prayer / GH: Suffering Verse	26 Likewise the Spirit also helpeth our infirmities: for we know not what we should pray for as we ought: but the Spirit itself maketh intercession for us with groanings which cannot be uttered. OUGHT: People replace with 'should'. Bible says you OUGHT to be able to overcome this INFIRMITY. But you can't right now because of where you are. You OUGHT to know and the only way to know is to go through the Sonship education. Won't be true for you forever. It is not that you don't know how to pray. You all know how to pray. It's you do not know what to ask for. Even here, Paul is not going to teach us about prayer or some big doctrinal explanation about prayer. But what we are going to be given is a doctrine that will produce a godly virtue IN us. Now we have a new dispensation opening up, Paul can say YOU KNOW NOT WHAT YOU SHOULD PRAY FOR AS YOU OUGHT. You have no idea how to do this because the dispensational change changed prayer dramatically. If all you are doing is stealing prayers out of Israel's program, you certainly don't know how to pray as you ought. If you find yourself not knowing what to pray for in certain situations, this is exactly what this is referring to. It's not like repeating the Lord's Prayer. You will develop an understanding about things and when you get there you'll pray about them in a different way (GH: than you used to). Sonship prayer is not one-directional. He is not dealing with you in His omnis. He doesn't know what you need before you ask. Your Heavenly Father has decided not to know about what's going on with you until you tell Him about it. MM jokes it is easier if they know Sonship. Can say hey, quit complaining. Patient endurance. But if they don't know Sonship it is hard.
Romans 8:26	Prayer / GH: Suffering Verse	26 Likewise the Spirit also helpeth our infirmities: for we know not what we should pray for as we ought: but the Spirit itself maketh intercession for us with groanings which cannot be uttered. Intercession (OED) : 1) The action of interceding -- Intercede: 3b) To come in so as to affect, modify or prevent a result, action, etc. Intercession here is NOT prayer. The Spirit is going to make intercession for all about how we pray about the sufferings we are going through. He is intervening to correct our prayer life. To fix the fact that we don't know what to pray for as we ought. The issue is about our prayer. He does it in the word. It is the Spirit that superintended/inspired/preserved that word and it's by that word He's going to help us know what to pray for with regard to our infirmities/the things that are happening to us. He is interceding between what we don't know and what we ought to know. He is fixing that problem. By the means of educating/teaching us about this-what we should pray for as we ought. GROANINGS THAT CANNOT BE UTTERED: Not speaking in a heavenly prayer language or tongues - MM says CANNOT BE UTTERED. He didn't say you'll utter it but not know what you are saying. Means it won't come out of your mouth. The Spirit is now going to pray for you on your behalf to the Father and that prayer is going to be the same prayer that you would pray if you were a fully educated son. The Spirit is praying the right one. Why does He need the Spirit to actually say it on your behalf? Because He is not dealing with you as an omniscient God - I already know what you are asking for before you asked. Ties to GROAN WITHIN OURSELVES-Romans 8:23. GH: Not complaining/Not a complaint.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:26	Prayer / GH: Suffering Verse	26 Likewise the Spirit also helpeth our infirmities: for we know not what we should pray for as we ought: but the Spirit itself maketh intercession for us with groanings which cannot be uttered. This sounds like the way the Spirit is making intercession by groanings that cannot be uttered. But we have already established that what the Spirit is doing is teaching/leading/instructing us. This is not the Spirit somehow praying for us with some type of mystical kind of groaning that cannot be said, that's how most people see this verse. We've already been told that we groan within ourselves. Should be groaning within ourselves for the redemption of our body (you really want that) but also you should want to know how to pray as you ought. MM says that means by you and me. He is not going to know about your day until you tell Him. He is not going to know how you feel about Him until you tell Him. He is not going to know what you want until you tell Him. EX Your earthly father won't know what you need till you tell him.
Romans 8:26	Prayer / GH: Suffering Verse	26 Likewise the Spirit also helpeth our infirmities: for we know not what we should pray for as we ought: but the Spirit itself maketh intercession for us with groanings which cannot be uttered. GROANINGS: The Spirit is doing the GROANINGS. He is doing something that you can't do. He is saying I know you don't know how to do this yet but don't think that your Sonship life is going to fail because of this because I HAVE made a provision here that until you do the Spirit is going to make intercession for you. He's not making intercession so that you can know whether to visit grandma this summer or next. If He was, how would you know? You wouldn't. GH: Spirit makes intercession for you until you know what to pray for. The Spirit knows exactly what needs to be said, so now the Father can respond as though you are a fully educated son. When you know that your inability to know what to ask for is not going to hinder what your Father is going to do one bit, gives you comfort & relief. MM says this is almost so good you say let's leave it like this. But you have got to be educated if you are going to function up there. If you are going to learn how to pray for the things you ought to pray for, you're going to have to be taught that. And if you are going to be taught that, that'll be according to the Will of God. You will be praying exactly in line with how God means for you to do that. See all of Paul's prayers are not about physical outward circumstances but inward things. As part of our establishment as sons, Paul tells us that, given what God is doing today in this DoGG, we do not know what we should pray for as we ought. Especially when it comes sufferings and their role in our sanctified life. But, if we respond properly to the ministry of the Spirit, He will rectify our lack of knowledge. By means of God’s word, the Spirit will teach us what we ought to know. And then, our prayers will begin to match God’s word. Our prayers for “deliverance” will be alignment with what God intends to do through those sufferings we endure in this DoGG.

Gentiles bad at prayer - why we don't KNOW WHAT TO PRAY FOR AS WE OUGHT - **The main reasons we do not know what to pray for as we ought are:** **1. Because we are superstitious Gentiles and we pray accordingly - how we think** **2. Because erroneous religious traditions govern our prayer lives - got handed down from generation to generation but never found/taught in the word; The effect of erroneous religious traditions that get handed down through the generations, taken to be true, and it never gets questioned.** **3. Because our flesh influences our prayers toward the temporal and not the eternal - The tendency of our flesh to focus on the temporal - Oh God watch over us, take this away, etc.** **4. Because prayer is a dispensational issue. Prayer is not the same in every age, therefore prayer necessitates right division**. Realize most of the things people pray for are not prayer issues, they are Sonship/education issues. God says to pray right, you have to know My Will, to know what I AM thinking about something. It's not that you don't know HOW to pray, it's that you don't know WHAT to pray for. You are an adopted son but if you are really going to live out of that adoption, you are going to have to learn how to pray in accordance with what God is doing.You can say anything you want to say to God and He is not mad at you. You can pray 'God heal me of my pnemonia' and He is not mad or angry but He is not doing that for a reason. The answer is His grace is sufficient. Grace is that which is produced in the word being formed IN us. This is about the intercessory work of the Spirit to teach us what we don't know.

Romans 8:26	Prayer / GH: Suffering Verse	26 Likewise the Spirit also helpeth our infirmities: for we know not what we should pray for as we ought: but the Spirit itself maketh intercession for us with groanings which cannot be uttered. How do we know if God's word has generated godly prayer IN us or is it still just us? Here is how you know. 1. You understand and believe that we do not know what we should pray for as we ought – Romans 8:26 - Paul writes for everyone, a blanket statement for everybody If we have responded POSITIVELY and PROPERLY to that word, then that word has done its effectual work IN us. 2. You understand that Paul is our teacher and pattern for proper praying and your prayers follow his pattern 3. You understand that godly prayers are about spiritual, inner man issues, not the physical, material things of this world 4. You understand the time in which you are living (the dispensation of Gentile grace) and your prayers are in line with what our apostle says about what God is doing during this DoGG If the Spirit corrects every aspect of a wrong prayer, how does that teach you to pray as you ought? You haven't been taught the doctrines that Paul is now going to be teaching because you only know to pray about the physical, outward circumstances. Even though people in the O.T. they didn't pray for rain or victory over our enemies. Got those automatically as a result of obeying the law. When they didn't get those things, they didn't ask God for them. They knew that they needed to repent and confess their sins and return to the Lord and when they did that, He would begin to bless them again. It wasn't about asking for those things. We invented those things - we are going to ask God to make us healthy, wealthy, and wise. There will come a time when you are going to want to ask your Heavenly Father for something and you're not going to know what to ask for. It pertains to applying your education to areas of your life that you're not yet familar with. The Spirit is going to make intercession for you (GH: till your infirmities get fixed).

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:26	Prayer / GH: Suffering Verse	26 Likewise the Spirit also helpeth our infirmities: for we know not what we should pray for as we ought: but the Spirit itself maketh intercession for us with groanings which cannot be uttered. Prayer will change us like Jesus & Paul (both prayed 3x to get the doctrine working in their inner man) from remove it to the prayer and the doctrine beginning to work in us and we begin to now change the way we think, which changes our attitude and even our emotions about it. And as our heart gets changed, now the actions we take are different from what it would have been before. Instead of saying 'oh dear God, please make this go away' (know in the DOGG He is not going to do this), now your prayer is going through whatever. Recall Romans 8:18. Do this, and you now know: 1. You will have a chance to impact the heavenly places. 2. You will have to get involved and not ask God to come in and change stuff around. 3. All things will work together for good (Romans 8:28) for God's purpose to conform us to the Image of His Son (Romans 8:29). **Prayer changes from 'God please make this go away' to 'God, I want to be conformed to the Image of your Son in the midst of this', that's a whole different kind of prayer**. If the Spirit is making intercession for us, this is not the Spirit reversing polarity and praying back to God, the Spirit is making intercession/interceding for us through the word. The Spirit is not going to say 'gosh, you are in a really tough spot. Good luck.' The word is going to say, look even though this is a difficult thing you're going through, something eternal and much greater is going to be given to you in the midst of this. The SPIRIT MAKING INTERCESSION is not about the Spirit praying for us, the intercession the Spirit is making is by the word for us. That is supposed to bring us comfort in the midst of SOPT. It is somewhat comforting to know that eternal, spiritual good is happening in the midst of this. If you value it, it is. If you don't value it, the only thing you will value is to reverse whatever it is. But Paul never teaches us to pray that way. That's not the example that we were given. The intercessory ministry of the Spirit is to comfort us in the midst of SOPT. MM believes it is the comforting doctrine of the word. GROANINGS WHICH CANNOT BE UTTERED: MM says he knows its problematic but he does know these verses are talking about something the Spirit is doing by the means of God's word which is supposed to be a comfort to us in the midst of our infirmities. We are not going to get that apart from the word. We are never taught about it that way. CANNOT BE UTTERED (by us): The Spirit is obviously uttering them. We can't because we don't know what to pray for.
Romans 8:26	Prayer / GH: Suffering Verse	26 Likewise the Spirit also helpeth our infirmities: for we know not what we should pray for as we ought: but the Spirit itself maketh intercession for us with groanings which cannot be uttered. **RE Pt1:59 - Correction**: MM is not saying that the Spirit can't pray and talk to the Father about you. Like the HOPE was a help, the Spirit is a help with our infirmities. INTERCEDE: To take someone's place, to intercede on their behalf. The Spirit has interceded for us on our behalf. OED: Intercession - the action of intervening on the behalf of another. The way we have always been taught it is when you are going through an issue, you don't know what to pray for so the Spirit prays for that. But if you don't know that, what good did that do for you? If you don't know what those things are, how do they keep you from being overwhelmed? The only way this gets done is by the effectual working of the word. If you don't know the word, you can pray till the proverbial cows come home, but until you are faced with that word, GH: this understanding won't work for the verse. If the Spirit is over there praying for something that you have no clue what He is saying, that doesn't benefit you at all if God is still waiting on you to respond to the doctrine.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:26	Prayer / GH: Suffering Verse	26 Likewise the Spirit also helpeth our infirmities: for we know not what we should pray for as we ought: but the Spirit itself maketh intercession for us with groanings which cannot be uttered. CORRECTION: The Spirit has an intercessory ministry that will benefit you so He is He is using that word to work IN you, that which will keep you from being overcome by the infirmities and sufferings. He is establishing that IN you, that's His job. You can't effectually work the word, that's His job and He does that in your inner man. POINT: If this is happening IN you, that is an intercessory ministry. The Spirit is interceding on our behalf by the word. He is not bringing it to your memory. When you respond (GH: positively and properly) to that word, the Spirit makes that doctrine work in your inner man so you actually live out of that. It really does: - produce that peace instead of anxiety - give you strength at a time when you are about to be overcome If you think this verse is about the Spirit of God praying for you, you are still asking God to do something supernatural apart from the word. That is not what we've been taught. The word is the key. The Spirit is leading us to know what the word says-Romans 8:15. You can't respond to it if you don't know what it is. The reason that you don't know what to pray for as you ought is that you haven't been taught what you need to know yet. He is going to get you there. He is leading you through that and what you need to know is found in the word. We are right back to square one again. It's about the word and our proper response to that.
Romans 8:26	Prayer / GH: Suffering Verse	26 Likewise the Spirit also helpeth our infirmities: for we know not what we should pray for as we ought: but the Spirit itself maketh intercession for us with groanings which cannot be uttered. INTERCESSION FOR US: (GH: Correction from Sonship Prayer Pt2 between Sonship Pt6 & Pt7) This is His intercessory work. Intercede is to do something on someone's behalf. MM says he is correcting himself - this does not say the Spirit is praying for us. This is the way we were always taught that passage. We think the word intercession means prayer every time but it doesn't. You know you can intercede for someone without saying a word. Grabbing your kid before they touch a hot stove is intercession. You weren't praying you were moving him out of harm's way. What would the Spirit be praying for? To take your sufferings away? And why can't He just say it if this was related to prayer? If you don't know what to say, it can't be uttered. You are going through some things and groaning within ourselves. Until we get that redeemed body, we have to go from not knowing what to pray for to being educated so you can endure it. Because if you don't know something, you will not be able to have the patience or the strength. The Spirit has an intercessory ministry. If a guy doesn't know about it, you can't pray for him to automatically have it and neither can the Spirit. He is interceding by taking you through the curriculum, He is teaching you some things. He is educating us. If you think the Spirit is praying for you, what is He praying? The Spirit can search your heart till the cows come home but it won't do any good till you search your heart.

Romans 8:26	Prayer / GH: Suffering Verse	26 Likewise the Spirit also helpeth our infirmities: for we know not what we should pray for as we ought: but the Spirit itself maketh intercession for us with groanings which cannot be uttered. INTERCESSION FOR US (cont'd): (GH: Correction from Sonship Prayer Pt2 between Sonship Pt6 & Pt7) MM says quit thinking this works like a magic wand, that's not what' going on here. There is one thing the Spirit did to give you everything that you need, that is His intercessory work and it is contained in this Book and none of it is my magic. If you don't follow Him as He leads how much will you get? Can't pray to give someone patience if they don't know the doctrine. His intercessory ministry is to take you through the doctrine that produces all of this work in your inner man, that's what the Spirit is going and that's what it means to be FILLED WITH THE SPIRIT. When that gets done, God looks at that and says you've responded to the intercessory work that My Spirit is doing today. He is doing this along with the groanings that you can't utter because you don't know how to pray as you ought. This is all happening at the same time. His Minstry is going to fix this where you go from not knowing what to pray to suddenly knowing what to pray and it won't be something you can't utter. MM says we have made this something spooky and mysterious and ethereal and the Spirit is groaning and moaning for us. Him knowing and us knowing are two different things.
Romans 8:26	Prayer / GH: Suffering Verse	26 Likewise the Spirit also helpeth our infirmities: for we know not what we should pray for as we ought: but the Spirit itself maketh intercession for us with groanings which cannot be uttered. INTERCESSION FOR US (cont'd): (GH: Correction from Sonship Prayer Pt2 between Sonship Pt6 & Pt7) That's why: - we WALK AFTER Him-Romans 8:1 - He is leading us-Romans 8:14 - the intercessory ministry is the work of educating us - Romans 8:26 Our need is we need to know some things and if you don't know some things, you don't know what to pray for as you ought. GH: You need to know how to pray because you will be constantly faced with situations where you need to run your decision through the doctrine.

Romans 8:26	Prayer / GH: Suffering Verse	26 Likewise the Spirit also helpeth our infirmities: for we know not what we should pray for as we ought: but the Spirit itself maketh intercession for us with groanings which cannot be uttered. INTERCESSION: Charles Smith says that intercede 'is of words' while interpose 'is of action'. George Crabb says that to intercede is that which is intended for the 'good of another'. MM says if He is intercediing there are words being said for our benefit. WITH GROANINGS WHICH CANNOT BE UTTERED: We don't know what to say yet the only thing we know is we don't know what to pray for. MM says he asked himself why can't the Spirit utter them because He knows exactly what you need. They are listed in Paul's epistles. Why can't the Spirit pray for comfort or strength or patience? The Spirit would know exactly what to say about that. WITH: MM says a key word. This is us doing this. If it was the Spirit doing this, it would be BY not WITH. EX Mash potatoes with gravy is a separate component. If you are going with someone to the store, it's not one person it is 2 going. GROANINGS: Because we are the ones that are groaning and we are the ones that don't know what to pray for, that's what is being described with the GROANINGS.
Romans 8:26	Prayer / GH: Suffering Verse	26 Likewise the Spirit also helpeth our infirmities: for we know not what we should pray for as we ought: but the Spirit itself maketh intercession for us with groanings which cannot be uttered. FOR WE KNOW NOT WHAT WE SHOULD PRAY FOR AS WE OUGHT: The remedy is having the Spirit leading us through the curriculum. THE SPIRIT ALSO HELPETH OUR INFIRMITIES: MM says the Spirit doesn't do this automatically. There is something that the Spirit is doing to help you (GH: go through the sufferings), but you have to respond properly to it. Every John Doe out there doesn't automatically get this done. You have to know something and that is what the Spirit is doing. He is causing you to know something. These circumstances that create our suffering, when we pray, we're not asking God to change the circumstances, we are asking Him to change us. The ministry of the Spirit is: - to give us some knowledge - has to be the first thing because many of these things He is telling us we wouldn't be thinking on our own It's giving us some information and then we're going to operate based on that information. GH: EX Understanding the Cross and your actions. Because you knew something you did something. - to help us, give us something we need for something to take place - godly thinking and godly living. You get strengthened in your inner man by something you are made to know and believe that. - have to UNDERSTAND and BELIEVE it 'godly thinking' - have to ACT on it 'godly living' - these two qualify you for 'godly labor'

Romans 8:26	Prayer / GH: Suffering Verse	26 Likewise the Spirit also helpeth our infirmities: for we know not what we should pray for as we ought: but the Spirit itself maketh intercession for us with groanings which cannot be uttered. We are not just going to suffer, the Spirit is going to do something to help. The Spirit is going to cause us to know some things that if we believe on them and enact on them, they will produce something that enables us to go through the sufferings. If the Will of God is found in the word of God, it makes perfect sense for that to be the ministry of the Spirit to help us. The Spirit helpeth our infirmities but teaching us something that's going to produce all these things. THE SPIRIT ITSELF MAKETH INTERCESSION: The Spirit's INTERCESSION is causing you to know some things. MM previously taught that the Spirit was praying for us. MM says that's not the kind of intercession this is talking about. It's the word effectually working in our inner man that gives you all of those benefits. INTERCESSION: Using words on the behalf and the benefit of another. MM says intercession can be prayer which is what misled MM the first time. But you can intercede for people without it being prayer. Everything from Romans to Philemon is His intercessory ministry. Can be prayer, but in this case, it's taking you through the word of God to educate you what to pray for. MM says the normal way to pray is to get rid of the suffering. When you tell people to not pray for you but that you will be able to go through this to the glory of God. This is the Spirit teaching you something through that doctrine that you're being educated.
Romans 8:27		27 And he that searcheth the hearts knoweth what is the mind of the Spirit, because he maketh intercession for the saints according to the will of God. If you had read/understood your Bible from Genesis 1 to here, you would not be in the dark here. Would have seen a son in Israel's program lay that whole issue out. If you had been going through the Bible according to the sense and sequence of a Biblical theology, you would have already encountered this. That knowledge would allow you to know several things about the searching of the heart: - You would know what that is (how to define it) - You would know what it is for (its purpose) - You would know that it happens at your instigation

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:27		27 And he that searcheth the hearts knoweth what is the mind of the Spirit, because he maketh intercession for the saints according to the will of God. AND HE THAT SEARCHETH THE HEARTS: The HE is God. GOD, WHICH KNOWETH THE HEARTS-Acts 15:8. God searches the hearts; He knows our hearts. HE THAT SEARCHETH THE HEARTS: Before you get out of Romans 8, Paul will teach you HOW this works. Context is in prayer. Going to be a big part of your prayer life. The reason He can write a verse that will be true for everybody is because he knows that you haven't been fully confronted with this issue yet. That issue of the searching of the heart is something you were already supposed to know something about and one of the places you were to know about it was in Psalm 139. God the Father is looking for the effectual working of His word which is evident by the "fruit" it produces and it is evident by your response to it. That honors and glorifies Him. This is an important ingredient in this two-way communication. Most people define searching of the heart as God sitting up in heaven and scanning your heart like Superman to see everything. Or they attach their own meaning to it and say oh, God searches my heart all the time. God is not going to search your heart until you ask Him to. When you are praying for someone about some need that they have, rather than just going and doing it, talking to your heavenly Father about that is doing something to your own heart, it's effecting you. As you are praying about someone, there is something going on in your heart because at the end, this is a heart issue. Your heart is being changed in this. We have to move from looking around the room and saying I like these people TO I V&E these people TO these people mean so much to me that I'm praying for them all the time. If you are praying for them all the time, that means that you are involved in being a HELPER OF YOUR (their) JOY-2 Corinthians 1:24, we are edifying each other. HE: God the Father.
Romans 8:27		27 And he that searcheth the hearts knoweth what is the mind of the Spirit, because he maketh intercession for the saints according to the will of God. SEARCHETH THE HEARTS: Searching is not casually looking around - looking for something specific (GH: with intent). He is looking to see if we are taking what has been said and understanding it and believing it and implementing it into our life. That is what He is searching for. Your Father is looking for an understanding of what is going on and whether or not we believe that and whether or not we are living out of that. Looking to see how much of that doctrine is working for you. He is searching the heart for that. Your Father is not going to search your heart until you ask Him to and there's something in particular that you're wanting Him to do when you ask Him to do that. Will be a big part of Sonship Prayer. When you do the searching of the heart, you're going to find out that prayer is a two-way communication, not a one-way communication. But you will know when to say AMEN. Will know when your Father's done. Will revolutionize your prayer life, it is not just one you are going to dream up. You really are going to learn to pray for as you ought/know there's a two-way conversation going on. Your Father does not just arbitrarily do this "searching of the heart." You are the one that initiates it. This is really an amazing aspect of your Sonship life. - Your Father is not going to do this until you ask Him to do it. - You will know when He is doing it.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:27		27 And he that searcheth the hearts knoweth what is the mind of the Spirit, because he maketh intercession for the saints according to the will of God. - You will also know when He is finished doing it so you can say "Amen" to end your prayer with your Father - You will know how to confidently move forward from there The Father's role in Sonship prayer is to search our hearts. God wants to search our hearts for the following reasons - Two Parts: 1. To see if we are thinking about things correctly: To evaluate where we are & to hear what we are saying 2. To get the full benefit of what that curriculum is supposed to do for you/To know if we are really getting the full benefit of the curriculum God is waiting on you to ask Him to search your heart before He does it. We have some infirmities that affect our prayer life in that we don't know what to ask for. God has provided the Holy Spirit to fix this problem (GH: of not knowing what to pray for) by making intercession for us. In order for God to deal with you in a real Father/son relationship, He has chosen to set aside his omnis to have a real relationship with His sons and daughters.
Romans 8:27		27 And he that searcheth the hearts knoweth what is the mind of the Spirit, because he maketh intercession for the saints according to the will of God. SEARCHETH THE HEART: God has 2 ways to do this: 1. For wicked men (Jeremiah 17:9-10) even though they don't ask Him to. They can fool other men because man cannot know a man's heart, but God says you can't fool Me. Does it by His omnis. 2. GH: For adopted sons who ask Him to? If God is searching your heart automatically, He doesn't need the Spirit to intercede. I AM going to have the Spirit make intercession for you according to the Will of God and then I AM going to know what's in the Mind of the Spirit. The fact that the Spirit is involved shows you God's not just automatically doing this because if He was, He wouldn't need the Spirit to do that. If He did this automatically, v26-27 would not make any sense whatsoever. Why even say this if God was probing your heart with His omnis? If studying from a Biblical theology perspective, you would have covered all the cross-reference verses MM is going over in the O.T. God is not the only one who can write on your heart. You can write on your own heart (Proverbs 3:3). Searching of the heart does not get done by God peering down in you. It gets done by you saying to Him here's what I understand about it. If you say that to your Father, He now knows that you understand something. The searching of the heart takes place in Sonship Prayer when you say to the Father here's what I understand and He knows what to listen for and He's thinking this and what I need to hear coming out of this persons's mouth. After reading v26, you know He is not expecting you to say I have this all figured out, I know exactly what to ask for. But He is also not expecting to hear the old way to pray either. You either have this or you don't. You can talk about I know all about Sonship and I've got this stuff down but when adversity comes into your life and all you do is cry and complain and groan about your situation, MM is hearing your lips speak don't match what you're pretending to be.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:27		27 And he that searcheth the hearts knoweth what is the mind of the Spirit, because he maketh intercession for the saints according to the will of God. SEARCHETH THE HEART: He is listening to the things we are saying and what comes out of our mouth is how He knows what is in our heart. PURPOSE: To make sure what you are learning in the Sonship education, you're getting the maximum benefit of that education. The way the Father can assess where we are and know if this thing is really working with us or not. Why MM says the education is really happening between you and your Father. Sonship prayer is so natural it is just like talking to your natural Father. Same principle as talking to your Heavenly Father. You are engaged in a real Father-son relationship with your Heavenly Father. Not a pretend or make believe relationship. Have to look at it from that standpoint everyday. Prayer life has to run on the rails of a Father-son relationship. The way you view/think about your relationship with your Heavenly Father is the way you will understand your prayer life with Him and affect how you conduct your prayer life. Your natural mind will rebel against the thought of Him not dealing with you out of His omnis. If He did operate with you out of His omnis, the Father-son relationship no longer stands. If He just knew, He wouldn't need the Spirit to make intercession for you. There will come a day when the Spirit will not make intercession for you because you are going to know exactly what to ask for as an educated son and you won't need the Spirit to do that anymore.. That's a mark of maturity that you will come to. If this wasn't relationship and God was dealing with you in His omnis, He could just read your mind and you wouldn't have to say anything to Him. How else will His heart be installed in your heart? The way you perceive your relationship guides your prayer life. Churches we grew up in didn't guide our thinking to think about the intimacy of a Father-son relationship, it was always almighty God and worm of a man.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:27		27 And he that searcheth the hearts knoweth what is the mind of the Spirit, because he maketh intercession for the saints according to the will of God. SEARCHETH THE HEART: Just as you "mind the things of the Spirit" when you deal with other issues in your sanctification, you will "mind the things of the curriculum" as you wait for the Father to check your heart. He checks your heart by what He hears from you! The successful searching of the heart depends upon you learning something first. Without the doctrine effectually working IN you, there is no basis for God to give you that "check" and therefore the searching of the heart will result in nothing. **PROCESS: So do not get the cart before the horse. You learn an aspect of one of the Sonship decision making skills. You put that skill into practice within the area it was taught to you. That will take some time to do. Once you have down (it has effectually worked IN you) you will then begin to apply that skill to other areas. You will chose a "path" that you believe is the right application of this skill and then you will ask your Father if the path you have chosen is a good path. If it is, there will be nothing to check your continuing with your planned action. If it is not, you will get a check in your Spirit which is based on something you should have taken into account. That should lead you back to the verses in which you were taught this Sonship skill so that you can rethink how you will apply this skill tomorrow. You will ask your Father to search your heart again. You will wait to see if anything comes up**. Generally you understand - If you don't have Sonship prayer with your Father, your education is not going anywhere. The searching of the heart is Him giving you an answer yeah, I'm applying this thing right or no I am not. What you don't know is the details of how all of that takes place. Need to have a working knowledge of it even though you won't put it to use till Romans 12:3 so when you get to Romans 12:3 you aren't in the dark about what to do with that. MM uses the analogy of learning to drive a standard transmission or riding a bike (X-Games rider).
Romans 8:27	GH: Searching of the Heart : Way 2 : Perspective 1	27 And he that searcheth the hearts knoweth what is the mind of the Spirit, because he maketh intercession for the saints according to the will of God. SEARCHETH THE HEART: Two things that are at the core of this: 1. Our communicating with our Father how we perceive the instruction in wisdom, justice, and judgment and equity could be applied to more areas than the ones in which those skills were taught to us in the curriculum. The first 4 things you learn in the Sonship education, the 4 decision making skills to make every decision you will ever need to make. Without them, you will be dependent on the best human reason you can muster but it won't be your Heavenly Father's Wisdom, which you desparately need. Because you are not going to be able to conduct His Businsss with normal human reasoning. Most people will say, oh, I already have got those down, when the truth is, they can't define what they are. Will be taught the 6 components of godly wisdom in a framework that then you have to take and put it to work in a completely different area that taught you about. Where you will be talking to your Father about am I dong this right? Is this really the way this is supposed to work? There's where that communicating with your Father comes into play.

Romans 8:27	GH: Searching of the Heart : Way 2 : Perspective 2	27 And he that searcheth the hearts knoweth what is the mind of the Spirit, because he maketh intercession for the saints according to the will of God. SEARCHETH THE HEART: 2. Our Father communicating back to us as whether we have properly applied those Sonship skills (good path) and confirm or deny that we are headed the right "way". Paul never gives you an example of how it went when he asked his Father to search his heart because you have already been given an example in the word of God. God wants to search our hearts in connection with us making requests and supplications because there's a particular kind of assessment that He wants to make. Those assessments are just like a natural father would make when he hears his son talk about the application of what he is learning. **Why you want Him to search your heart and what do you want Him to search it for?** **a) To confirm whether or not the path you have chosen for an upcoming event/situation/circumstance is good or not good;** **b) I want my Father to search for my full and right use and profit and benefit of the curriculum in every detail of my life. Want to make sure I am doing this the right way and getting the full benefit out of this**.
Romans 8:27	GH: Searching of the Heart : Way 2 : Perspective 2	27 And he that searcheth the hearts knoweth what is the mind of the Spirit, because he maketh intercession for the saints according to the will of God. SEARCHETH THE HEART: How the searching of the heart works: Searching of the Heart Detail (GH: MM doesn't want to default into old habits): It concerns the proper application of the Sonship skills which are learned in the curriculum (GH: It's not God - do I buy a new car or fix my old one?). This is only about using the Sonship skills to make a decision like an adult son. It is not about guidance as to which good path to choose. Many good paths to choose and as long as you are in that range your Father gives you the liberty to choose that path. It is not about discerning between a good, better or best path (GH: yet) - will learn that later on but will not be told to you ever. It is about whether the path you have chosen for your actions in the future constitute a "good" or "evil" path according to your Heavenly Father. He has paths that He considers good and paths that He considers evil and that is all the searching of the heart is discerning for you. The searching of the heart is for confirmation purposes.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:27	GH: Searching of the Heart : Way 2 : Perspective 2	27 And he that searcheth the hearts knoweth what is the mind of the Spirit, because he maketh intercession for the saints according to the will of God. People tend to think wrongly about the searching of the heart. - They want to think it's a crystal ball through which we can gaze into the future and make wise choices. That is wrong, that's not what that is about. - They think that it points you to God's Will. You're supposed to be able to understand God's Will and then act accordingly to make decisions accordingly. - It's not God looking out into the future and seeing if you choose this path you are going to have more problems than if you choose that path so He is showing you the path of least resistance. That is not what this is either. - It's not a compass that is generally guiding you in the direction of God's Will. MM says every good path will accomplish God's Will but this is not meant to nudge you over to a particular path. The searching of the heart only comes in AFTER you have made a decision about what you are going to do. God is not going to give you a bump to get you to make the right decision, He can't search your heart until you have made a decision.
Romans 8:27		27 And he that searcheth the hearts knoweth what is the mind of the Spirit, because he maketh intercession for the saints according to the will of God. KNOWETH WHAT IS THE MIND OF THE SPIRIT: This is true. They are thinking and saying the same thing. He is saying that They are on the same page. The Spirit knows the Father's Will and what He is communicating to us through the word is exactly in line with the Father's Will because He knows the Father knows the Mind of the Sprit. The Spirit knows what the Father is thinking. SPIRIT: Capital 'S' Spirit. BECAUSE HE MAKETH INTERCESSION FOR THE SAINTS ACCORDING TO THE WILL OF GOD: True GH: because of MM's Godhead-us circle diagram. MM is not saying we are on par with God, but when you came to Jesus Christ, He put you IN a whole different relationship. It's more than He IS the Creator and you are the creation. He is our Father and you are his son or daughter. MM is not saying modern praise songs are bad (well meaning/well intentioned) but almost all come out of the earthly kingdom idea out of the Israel Program and none teach you the actual Father-son relationship. Even if you are trying to do a good thing, if you are not careful, it influences your thinking and pulls you in a completely opposite direction than what your apostle is actually teaching you about. MM is not saying you ought to think of yourself to be more than you are, saying you should think of yourself as He has made you to be.

Romans 8:27		27 And he that searcheth the hearts knoweth what is the mind of the Spirit, because he maketh intercession for the saints according to the will of God. HE MAKETH INTERCESSION FOR THE SAINTS ACCORDING TO THE WILL OF GOD: That intercession the Spirit makes is in perfect accordance to the Will of God. **The Will of God is contained in the word of God**. He is making intercession right out of His written word. He is teaching the doctrine that does comfort you and give you a peace that passeth understanding. This is the one that gives you a doctrine that produces strength in your inner man so that when the outer man is absolutely failling apart, your inner man is renewed day by day. The Spirit is leading you through the doctrine that produces patience in you, that defies what the world understands. The Spirit is helping you by giving you the things that this doctrine produces. His intercessory ministry is not to pray for you with groanings which cannot be uttered, His intercessory ministry is to educate you about what you need to know. It's what you learn in that doctrine that produces the things you need to go through those sufferings. The Spirit is going to intercede and teach you want you need to know (how you get comfort not knowing what to pray for in Romans 8). The doctrine will produce all these things that you need. The problem is we don't know what to ask for and the groanings tie our prayer and sufferings together. The Spirit is going to come along and lead you through some doctrine and that is going to teach you some things that are made to produce these things in you. That way, no matter what you go through, those are the components that comprise the power of His grace. It's the comfort and the strength and the patience and the endurance and the longsuffering - it's all wrapped up in the power of His grace and that power is available, but it's only available as we have learned the doctrine.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:28-39	SE Section/Component 3 of 3 - Virtue: Unwavering trust in my Father and His curriculum / SoC or How we will deal with the policy of evil	POE directed against those involved in this Sonship education for the sole purpose of making you quit. If someone is not involved in the Sonship education, Satan doesn't need to make them quit, they have never started. They already quit. MM is not trying to be ugly about it. You are going to endure some things other folks aren't going to endure and you are going to need something they don't need. The number 1 overall purpose of this section is to produce an unwavering confidence in your Heavenly Father (the 5 questions are not proofs of this but they do reinforce this - like a supplemental insurance policy) - that what He tells you is true and He can be trusted. - in His word to be successful IN you. Does this to the extent that no matter what happens to you, you will still continue your Sonship education. You are going to get the chance to run and manage your Heavenly Father's Business and it will require something of you to do that. It is going to be laboring with your Father but you won't feel about it like you do labor now.
Romans 8:28-39	SE Section/Component 3 of 3 - Virtue: Unwavering trust in my Father and His curriculum / SoC or How we will deal with the policy of evil	There is something God is doing in all of this and He doesn't name it till He gets over to 2 Corinthians. He is ENLARGING YOUR HEART- 2 Corinthians 6:11. In the spiritual sense, means the heart has a greater capacity to do the things that are supposed to be there. Paul doesn't use the term in Romans 8 but this is the very thing that is going on. Designed to give you confidence that you that you will succeed as a son. Meant to convince you that there is nothing that the satanic policy of evil can do to you that the curriculum will not first 1. inform you of, 2. prepare you for and 3. equip you to endure when it comes your way. There's no legitimate reason for failing as a son.

Romans 8:28-38	What you are persuaded about	Romans 8:28-38 Recap - what the PERSUADED is all about: - God has has made it so that everything that happens (good or bad or indifferent) is going to work to your benefit both now and in eternity (v28) o That means that even the bad things that happen to you work for your good - God has taken five steps of provision to ensure that you succeed as His son or daughter (v29-30) o That means it is not up to you to make this work - should bring you comfort - God determined, before there were any sons at all, to have sons labor with Him in His Business and He also determined everything that needed to be done to ensure those sons came to fruition. (v29) o That means God (GH: fore)knew what He wanted to accomplish and He laid out a plan to accomplish that from the beginning; this has not been left to chance - should bring you comfort (v29) - God predestinated (set their destiny beforehand) those sons to be conformed to the image of His Son (v29) o That means that Sonship is going to lead every son to the same final destination; there is no other option available - if you get on this road you will wind up at the same place (v29) - God calls those sons to the Sonship education (v30) o That means God is the One who makes the connection between the son and His provision for that son to be educated - that is not up to you either - God, through the effectual working of the Sonship curriculum, justifies every son for their position in the creature (v30) o That means that God is not just installing people “willy-nilly” in the creature; but the placement of sons is perfectly just - no one will be able to complain about that forever
Romans 8:28-38	What you are persuaded about	- God is the one that put together the Sonship curriculum that trains you to do this o That means you don't have to come up with that either - MM showing all the things He has done to make provision for this - God, as an already settled matter, has glorified those future sons as joint-heirs with His Son o That means that the process is so “locked in” that God can determine the glory at the end of all with certainty for every son; Sonship cannot fail - only thing you can do to ruin it is to quit - God, by what He has done, is so much “for us” that absolutely no one can be against us (v31) o This means that no one can undo what God has done - God proved, by sparing not His own Son, that He will not withhold anything necessary to our success as sons (v32) o This means that God cannot and will not withhold a single ingredient to your success as a son - God has so designed the process of Sonship so that no one will be able to lay anything to charge of God’s elect sons (v33) o That means that you cannot be placed into a position that you are not qualified to function in - means if He puts you in that spot, you have the ability to work there - God has taken even our failures into account so that no one, not even we, can condemn ourselves (v34) o That means that even our failures are not fatal to our Sonship

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:28-38	What you are persuaded about	- God has designed Sonship so that no matter what obstacles we face, what opposition rises up and what attacks come against us from the satanic policy of evil, by His not intervening between us and those tribulations, we are made to be more than conquerors through Him (v35, v37) o That means we are more than victorious, we are actually accelerated in our Sonship by going through those tribulations - That provision is to be seen as a reminder of His overwhelming, indescribable love for us as His sons (v38-39) MM telling the getting kids to jump in the pool story - your Heavenly Father is saying jump in/take the leap of Sonship and I will catch you. I AM not going to let you drown. God is saying to you that: - He loves you as His son or daughter and that He wants you to become the son that He envisioned back when He "forknew" that He would have sons labor with Him in eternity. - He loved you so much that He not only gave His Son, but He provided a written curriculum for you to follow. - He loved you so much that He gave you His Spirit to lead you through that curriculum. - He loved you so much that He designed the whole issue of Sonship, from top to bottom, to ensure your success.
Romans 8:28-30	SOPT Comfort 3 of 4: The certainty of the doctrine of God's counsel that stablizes us.	Point us to what God has already done to ensure our success as sons. You have the certainty of God's counsel. In this passage we are given the doctrine of how to look at things that are happening in your life from the perspective of the certainty of God's counsel. This is doctrine that is based upon the foreknowledge of God which is designed to bring you comfort and consolation because you cannot foresee circumstances. Talk about a list of things that God has put together for our success in our Sonship life. Group of people who look at verses 29-30 and especially that word FOREKNOW AND PREDESTINATE - the Calvinistic theology. They love to say, in order for God to be God, He has to be control of everything, therefore, God picks who will be saved and who will not and if He doesn't pick you, it is impossible for you to be saved. They say: FOREKNOW: God knew ahead of time who He wanted to pick. PREDESTINATE: He predestinated them to do that.
Romans 8:28-30	SOPT Comfort 3 of 4: The certainty of the doctrine of God's counsel that stablizes us.	If you don't believe in Calvinism, they take these 2 words and say: FOREKNOW: God knew ahead of time who would trust Christ PREDESTINATE: Then God predestinated them according to the rest of the verse Both of these are wrong. There is nothing in these 2 verses that a natural father couldn't say to a natural earthly son. This is not about God's eternal decrees. These are not about God and His omnipotence and Him making an eternal decree. He is not dealing with us out of His omnipotence. In order to know, either way. who would be saved, you have to deal with them out of omniscience. The certainty of the doctrine of God's counsel that stablizes us. God knows that He wants this to end up somewhere and there is certainty to that. God has made it just that way. Not something we need to get lucky with, God has designed this curriculum to produce this IN us and it will as long as we respond to it. God has put all of this in motion and He has done everything to make our Sonship life succeed. There's not anything that needs to be added to it. All of that has been taken into account by Him.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:28-30	SOPT Comfort 3 of 4: The certainty of the doctrine of God's counsel that stablizes us.	Theologians love this passage with all the terms - FOREKNOWLEDGE, PREDESTINATION - and write these big books. What's being talked about/described here is what an earthly father does with his own earthly son and it doesn't have a thing in the world to do with God's omnipotence or power or manipulating circumstances or Him choosing people to be saved. Don't get thrown off by all these theological terms. These are things that can actually be done in this context. Make a statement in v28 and show you/reinforce the truth of the statement in v29-30. Since verse 28 has laid the groundwork, verses 29-30 are only going to say things within the confines of what verse 28 has said. Look at v28 in the context of 'as a son' and v29-30 in the context of 'as a Father'. v28: Told ALL THINGS WORK TOGETHER FOR GOOD v29-30: Told WHY.
Romans 8:28-30	SOPT Comfort 3 of 4: The certainty of the doctrine of God's counsel that stablizes us : Theodicy Notes	(GH: Theodicy) POINT: The education in sin and suffering and how it is supposed to be impacting us, and the result of that in eternity, a big part of being conformed to the Image of God's Son. The result is going to happen to every one of us. He might as well have said the word SURELY. v29: FOREKNOW: He is not talking about specific individuals. He knew He would have sons and daughters, whoever they are. HE ALSO DID PREDESTINATE TO BE CONFORMED TO THE IMAGE OF HIS SON: God predestined every one of His sons and daughters (every member of the body of Christ) to be conformed to the image of His Son. Predestinated to be like Christ: that is our destiny! **Because God cannot turn even one of his sons or daughters loose in the heavenly places (or anywhere else for that matter), unless and until, they are fully conformed to the image of His Son**. And that is not going to happen magically; it is part of (and for many, it will be the final part of) our education. v29: PREDESTINATE: PRE- means 'before'. DESTINATE's rooted word is destined. Means that it cannot but happen. CONFORMED TO THE IMAGE OF GOD'S SON: You will be completely CONFORMED TO THE IMAGE OF GOD's SON and that is your destiny. You will get there, either through: 1. The education now OR 2. He will get you there later at the JSoC. MM will show you that you don't want to receive this education at the JSoC. You would rather receive this education here. When MM came to the understanding how bad his 'little sins' are, being an atrocity in the Face of God. When MM got a clearer picture on that and what is going to happen at the JSoC, he was very uncomfortable with that. God is not doing it to embarass us and it is not punitive, because those sins are under the Blood. But He is doing it to educate us. Learning it now will save you something at the JSoC that believe MM, you don't want to go through. Can't understand v28 without understanding v29-30.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:28	GH: Checkpoint / GH: Suffering Verse	28 And we know that all things work together for good to them that love God, to them who are the called according to his purpose. Statement that should cause you to ask a question. The promise is (Scriptures by which we endure - What you should expect from this verse if it is working in you.): Everything that happens is working for my good. Is not promising you that the situation is going to change, what it is promising you is that what's happening in your inner man will change. 'Work together for good' Is not about God changing our situation so that it turns out alright, but the promise is that the "good" is that through "all things" we are conformed to the image of God's Son. Everything that is happening to you, you have to start looking at it for what your Father looks at it. Start looking at it the same way He does. MM says he knew that God didn't make him have a stroke and even though this is not a good thing and he would never want it to happen, even this (GH: the stroke) can work together for his good. In the midst of something bad happening, something good can happen in your inner man. It is true that everything you go through can work together for the spiritual good. Not saying everything will turn out the way you want. How many Christians died in the Colesium?
Romans 8:28	GH: Checkpoint / GH: Suffering Verse	28 And we know that all things work together for good to them that love God, to them who are the called according to his purpose. A declaration is made that if you hadn't already been taught some things that were erroneous, you would read this verse and it comes out of the blue. When you hear this declaration, you may BELIEVE that it is true, but you don't know WHY or HOW it is true. This verse alone is not enough to do the work in you that needs to get done. You are going to have to have the next 2 verses. Without understanding v29-30 you will never understand this verse. You can claim it all day long - standing on it, walking in it. But if you don't understand it for what it is, it is not going to work IN you. If something bad happens, most people claim 'all things are working together for good'. Have to understand v28 is true for the reasons v29-30 tell you that it is true. Not just you believe it's true, but you have to believe that it is true for these reasons because that is the only that this is going to work IN you. If you believe it for any other reasons, it's not going to effectually work and the confidence it is supposed to produce won't be there. Why it is super important to understand the WHY and the HOW so what you are believing is the right thing for the right reason. MM says unless you are a son or daughter being educated in the Sonship education, all things are NOT working together for good. You have been in a Sonship context since v14-15. What your Father means WORK TOGETHER FOR GOOD is not happening for them (GH: non-adopted sons or daughters). Only happening for sons and daughters that are in the Sonship education. MM knows this is a hard pill to swallow.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:28	GH: Checkpoint / GH: Suffering Verse	28 And we know that all things work together for good to them that love God, to them who are the called according to his purpose. MM says this is one of the most abused/misunderstood verses in your Bible, one of those refrigerator magnet verses. Some verses everybody has an idea of what that is and they make a refrigerator magnet out of it. You stick it on your refrigerator so you see it all the time. What you have been used to hearing and understand about this verse is not correct. MM calls this the 'Christian aspirin'. The verse everyone quotes. The one that is on the bumper sticker of your car. People read this as, no matter what is happening to me, God is somehow going to turn that around and use that for good for me. May not see how it works. EX You are stuck at a red light and it malfunctions. At first you are upset but then you say God is saving me from an accident. Brother Mike, if you don't believe that, what do you think happened. MM thinks the light malfunctioned. It is through suffering you get the reward. God is saying, let me save you from this reward? It is one thing to know that all the things that can happen to us have the potential to work for good. It's another thing to actually have those things producing good in the midst of various tribulations. That's a different issue. This is the central issue of this final component of our Sonship establishment. People are not reading this verse right. People read the first part and say God is working all things together for our good. Means that God is working events so they all ultimately come together for if you're good. A Calvinistic thought. MM says that God is NOT orchestrating events. That's not even what that says. Think this is the verse that we call out or stand on when something bad happens. If something good happens, people don't say this. There are a lot of counterfeits. It is not teaching you to see the silver lining in every bad situation. It's not seeing something good in everything bad - not what that is talking about. Nutshell: v28 is quite a statement, is unlimited in its application, and gives us confidence in what this curriculum can accomplish.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:28	GH: Checkpoint / GH: Suffering Verse	28 And we know that all things work together for good to them that love God, to them who are the called according to his purpose. People who have been in church all their lives have memorized this verse and use it in a way it was not meant to be used. We look at it as a spiritual tablet we take when something bad happened. Fallback verse - think when something bad happens, God is going to work that for my good. The verse doesn't have anything about bad. Bible says ALL THINGS - it is not just about the bad stuff. People think oh God is working all things together for my good. MM says that is not what the verse says. Doesn't say God was working things together, it said all things work together for good. If you say God is working things, you have Him manipulating circumstances. You have already been told that is not what He is doing. Just believing and not understanding WHY is childhood thinking. That's what you got when you were under the law in Israel's program. As an adult adopted son or daughter, your Heavenly Father always explains to you WHY. That's a big difference between being Israel under the law and being the body of Christ under grace. You get treated like an adult and your Father is getting your thinking to line up with His Thinking. Number 1 rule for applying a verse is context - in what context do you find it. Is not meant to be a verse that brings comfort when something bad takes place. Verse applies to a very small group of people. Does not apply to everybody in the world. Does not apply to just saved people. Only true for an adopted son or daughter who has made the cry of ABBA FATHER-Romans 8:15 and is engaged in the Sonship education, talking about a very exclusive membership and God means for it to be just this way. Only the folks involved in the Sonship education are going to be enduring these things that are contained in this section (v28-39) and they are going to need this verse because nobody else is going to be going through these things. Have to believe it enough that no matter what you hear, you will have confidence in what your Father says because you are going to hear some things. The POE is going to make sure of it and you have to be able to take what your Father says and believe that without a shadow of a doubt. Once you have settled that issue and it is working in your inner man, the POE can do that all day long and you will never be victimized by that. Your Father is ESTABLISHING you to get ready to start receiving the education.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:28	GH: Checkpoint / GH: Suffering Verse	28 And we know that all things work together for good to them that love God, to them who are the called according to his purpose. It's not a verse that says God is going to work things out that happen to us so that they're ultimately going to be good. That is not what that says and certainly not what that means. It's not God saying He is going to take things that appear to be bad and make them good. EX Had a flat tire and think God was saving you from an accident. You can dream it up a dozen different ways but that is not what it is talking about and you have ripped it out of its context. Know this thinking is wrong because the verse doesn't say 'bad things' it says ALL THINGS. God is using ALL THINGS as a training ground so you will hone and refine the Sonship skills that you are going to learn starting in Romans 12-16 under all kinds of conditions so you will utilize those when you get up in the creature and you begin to function in your Father's Business. That's the way it works for good and you've been taught to look at it like a training ground. This is the scrimmage and the heavenly places are the game. Earth is the apprenticeship. When you get up there, that is where you really go to work on your own. If we begin to see this verse as a “comfort” verse for times of trouble, then we are moving off track from the verse’s intention. You know that this doesn't mean that God is going to create a fairy tale ending for every trouble you've got. There are a lot of people that died in the Colesseum. What he is talking about is those things that are detrimental are ultimately goning to work for your good in your inner man and make you skillful in the word of righteousness. You need to use these things to become skillful and be able to get STRONG MEAT and be FULL AGE. MM says using Hebrews references here.
Romans 8:28	GH: Checkpoint / GH: Suffering Verse	28 And we know that all things work together for good to them that love God, to them who are the called according to his purpose. Points: 1. God is training us in ALL THINGS so we can use those Sonship skills to solve issues that we will face when we get into the heavenly places. 2. The main benefit or GOOD is not what is happening to you here and now, the main benefit is going to be when you get to the heavenly places. A bad thing is a bad thing but God is going to use that bad thing to train you for something else you're going to face when you get up into the creature. 3. Because of this (GH: the need to put the 4 decision making skills into practice), v28 is only true for those who are engaged in the Sonship education. It doesn't work for anybody else. ALL THINGS *DON'T* WORK TOGETHER FOR GOOD for those who are not involved in the Sonship education. They are not going to benefit them because they are not being trained. 4. The real application for this for us is still sitting off in the future (GH: Romans 12-16). Not until you get those Sonship skills and begin to utilize them are you really going to see GH: all things work together for good? 5. Already learned about comfort in adversity in Romans 8:16-25. 6. Get trained by the bad things by learning to overcome obstacles. Get trained by the good things GH: you get practice here on earth.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:28	GH: Checkpoint / GH: Suffering Verse	28 And we know that all things work together for good to them that love God, to them who are the called according to his purpose. We know that those tribulations are going to work to produce something that is ultimately for our benefit. What those ALL THINGS do is in v29-TO BE CONFORMED TO THE IMAGE OF HIS SON. If you are encountering trouble that you can solve, solve it. God is not asking you to go jump in front of trouble. But for those things that are NOT solvable, you are going to have to have a positive and proper response to the doctrine. Your first knee-jerk reaction is to get away from this and to counter you are going to have to start thinking in a certain way and the first thing is everything that is happening to me is going to ultimately work to my benefit because it is going to conform me to the image of God's Son if I respond to it positively and properly. This event/situation/circumstance is going to result in some part of my Sonship life now being CONFORMED TO THE IMAGE OF God's SON and I want that. This is the thing that has to be in your mind, not why is God doing this to me or woe is me. This is the conversation you are going to be having with your Father. It could be the SOPT, the SoC, or you did something dumb (MM says this is a bigger category than he first realized), no matter why the first thing you are going to do is what Philippians 4 (GH: v6-7) says. If something is really worrying me, then by prayer and supplication with thanksgiving, let your requests be made known unto God. You are going to talk to your heavenly Father about it and say 'This thing has started worrying me and that's not the position that I need to be in. But I realize that ALL THINGS WORK TOGETHER FOR GOOD.' Should be grateful that terrible things actually have a benefit of doing something eternal. This is where the thanksgiving come in. You are not saying oh God, I'm glad I had a flat tire / fell off the roof and broke my arm / so glad that I got sick. It's not FOR EVERY THING, it's IN EVERY THING-Philippians 4:6. You understand something that the normal believer does not. This is an opportunity TO BE CONFORMED TO THE IMAGE OF HIS SON-Romans 8:29. Something can happen in you that is eternal in nature and important and for that you say I'm really grateful.

Romans 8:28	GH: Checkpoint / GH: Suffering Verse	28 And we know that all things work together for good to them that love God, to them who are the called according to his purpose. AND: It's connected to what we just read but moving into something else. AND WE KNOW: This is a checkpoint that when Paul says it, if you don't know that, you are not ready to move on. Read this and be tempted that oh, this is something we are already supposed to be aware of. If you read it that way, that's the way that you would think about it. That is NOT what this is. This is a 'statement of confidence', not because it is an established fact but because it is something that you are sure of. We know because we have confidence. Paul is saying he has a conviction in his heart about the truth of this matter and it is being produced out of these verses. If nothing else got said other than v28-30 that would be enough to pursuade you that is enough. Might be inclined to think this means we already know this, but the fact is, when you understand this verse, you didn't already know this. Have to see the word KNOW different than GH: other meanings. KNOW: Is a word that has a lot of differnent meanings. EX Know Buster will be at home, know your kids will make a certain choice, etc. Know here means more than just perceiving something, it also means operating on what you perceive - that is what this KNOW is talking about. Paul is talking about something you need to understand AND that you need to operate on. Survey: Favorite Christian verse in the Bible - Romans 8:28. It is not saying, don't worry, everything is going to turn out the way you need it to turn out. That's the cart before the horse. When you love God and you are THE CALLED ACCORDING TO HIS PURPOSE, when you are doing that, everything does work together for your good.
Romans 8:28	GH: Checkpoint / GH: Suffering Verse	28 And we know that all things work together for good to them that love God, to them who are the called according to his purpose. ALL THINGS WORK TOGETHER FOR GOOD: Those things in particular, things that are happening to us, those situations/circumstances are going to work together for our good by playing a part in conforming us to the Image of God's Son. Not automatic - just because you suffer doesn't mean that automatically gets done. You have to respond correctly to those sufferings in a very particular way. One of the ways you can look at them is they are all working together for your good. MM says when something bad happens, you won't be going man, this is going to work for my good. You have to do that on purpose and think about what God is doing in this DOGG and how it impacts how we view sufferings. People quote this when bad things are happening. When good things are happening, we couldn't care less about that verse. The good that can be worked in all those sufferings and things like that is our being conformed to the Image of God's Son. Knowing these are opportunities to have Jesus Christ's Life being lived IN us means that we're going to suffer them differently. Some people who know nothing about this go through sufferings and think God is punishing them for something that they did, view sufferings as a chastisement. Other folks are thinking they are suffering and they expect God to fix it. For a lost person, look at sufferings as something that I need to get rid of. For a son, not saying you shouldn't look to get rid of it but you will go beyond that. However long it happens is an opportunity to be conformed to the Image of God's Son.

Romans 8:28	GH: Checkpoint / GH: Suffering Verse	28 And we know that all things work together for good to them that love God, to them who are the called according to his purpose. ALL THINGS WORK TOGETHER FOR GOOD (cont'd): ALL THINGS WORK TOGETHER FOR GOOD (cont'd): That makes a difference on how we go through the sufferings. So we are gaining some things - gaining patience, longsuffering, forebearance, endurance, those types of things. We are gaining the ability to deal with adversity in a godly fashion so we don't go around constantly griping about our circumstances. Doesn't mean we can't try and change them. The sufferings are supposed to work in us for our ultimate spiritual good. The sufferings, while not given to us by God, are meant to produce “good” for us. Have to know WHY. Can't understand v28 without understanding v29-30. Even if you were told v28 and believe it, you don't know WHY it is true. You don't know HOW that works.Doesn't mean that it's all going to work out OK, it means everything that is happening to you is working to produce something beneficial in your inner man. Doesn't mean 'oh, don't worry whatsoever your problem is going to be solved', it may never be solved. Doesn't mean 'don't worry, God's going to work it all out (in the physical sense)', what this is talking about is everything that is happening to you is ultimately working to your benefit, not in your outward circumstances but in your inner man, to do all the spiritual work that the word desires to do in us. ALL THINGS: Doesn't say good or bad, just says ALL THINGS. We always look at it like it is only talking about the bad things. Then why didn't it say bad / detrimental / problematic. It didn't. Shows you how much we don't understand this verse. You have to know WHY all things work together for good(in order for that to work IN you). Found in v29-30.
Romans 8:28	GH: Checkpoint / GH: Suffering Verse	28 And we know that all things work together for good to them that love God, to them who are the called according to his purpose. ALL THINGS WORK TOGETHER FOR GOOD (cont'd): contains two parts: 1. The subject: all things 2. The verb: work together for good These THINGS are WORKing TOGETHER FOR GOOD, because they are working toward a Sonship purpose. All things are not working together for good for anyone outside people who have made the cry of ABBA FATHER and are engaged in the Sonship education. You will be made to know WHY it is that way. If you go out to the parking lot and have a flat tire, most would struggle with how this is working together for your good. MM says some things are bad. He didn't say I AM going to make all things good. Bad things are working together for good. So when God says that “all things work together for good” it is “according to His Sonship purpose.”

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:28	GH: Checkpoint / GH: Suffering Verse	28 And we know that all things work together for good to them that love God, to them who are the called according to his purpose. All things are working together for good with the Sonship curriculum. It is going to take those things and work them ultimately for our good. Because going through them is going to allow you to put your education to work in ways that is going to throughly equip you. **You are being trained for the greatest work that anyone ever put their hand to. It's so great that God won't even entrust it to angels**. The Bible says you will JUDGE ANGELS-1 Corinthians 6:3. You will direct angels in the framework of this work. Will be the most phenomenal thing you have ever seen. We are going to be asked to run the creature unto His Glory and accomplish something by it. Most incredible thing but have to be educated/taught. You are not going to get a list of things. Teach you these decision making skills and then teach you to combine them together in complexity so that whatever you are looking at, you will say I have never seen this before but I know exactly what to do with this. Take what you already know and apply it to a situation that is totally different. It's a high calling, a privilege that has been extended to us. But the training that it is going to take to get it done it's going to take something to go through that. Will not only go through the SOPT but you have an enemy who is going to do everything he can to discourage you and make you walk away.
Romans 8:28	GH: Checkpoint / GH: Suffering Verse	28 And we know that all things work together for good to them that love God, to them who are the called according to his purpose. ALL THINGS: All the things that happen in your physical life, because you live at the time at which you live. Life was different for Paul than us but it doesn't matter. Also includes the government under which you live. Some are good things, some are great things, some are kind of bad, some are very bad, some are in between all these. All of these things, no matter what they are - flat tire, rebate check, good check-up at doctor, insurance went up - all things are working together for good in the framework of your Sonship education to prepare you for things you are going to face when you get out in the creature in eternity. Through all the things that happen to you, you are being trained for the things you are going to face in the heavenly places. They are giving you practical experience in putting your Sonship education to work to handle every kind of situation that comes your way - good or bad - to handle them with these Sonship skills you are going to be equipped with. Put those same skills into action into different circumstances in the creature. People ask if suffering is training me for eternity, what is going to be happening in eternity? You thought it was all sweetness and pie and bye and bye and there will be no problems to run into up there. You are being trained not just to live this life now, you are being trained to go to work in your Father's Business and you are going to need to be equipped to handle all kinds of circumstances. It's work and a labor-intensive work (but won't get tired or sick in a glorified body). People hate to hear that. But MM says it is not the type of work you think about now. When we get to the heavenly places it is going to be work but not how we usually think about it. It will be in a different kind of body, for a different kind of purpose, with a different kind of mindset. Will be the greatest thing that ever happened to you. He made it so “all things” (that happen to us, good, bad or indifferent) work together (with the Sonship education) for good (result in a benefit to us that will be realized mainly in eternity) for us as sons.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:28	GH: Checkpoint / GH: Suffering Verse	28 And we know that all things work together for good to them that love God, to them who are the called according to his purpose. ALL THINGS: You are going to be trained for something you're going to need to be trained in for eternity, waiting out there, not just here. God is not interested in just training you for this mortal life and then it has nothing more to do with you. He is interested in training you to go to work in His Business forever. That is how things are working together for good. Look at earth as the practice field GH: before its game time. All the things that happen in your life, whether they be good or bad, are all being utilized to train you to use these Sonship skills/all their parts that you are going to be educated in, those things will be put to work in your daily life. There is almost nothing that's going to happen to you that you're not going to be able to at some point look at and say you know, I can actually benefit from this. No matter what you are going through, it is serving to give you experience and training that you're going to desparately need when you get to the heavenly places. It's not putting a good spin on a bad circumstance. ALL THINGS is not a reference to things working out to some good end in our life each day. It is not saying that God will take all the bad things and turn them around so that they are good things. God will use "all things" as a training ground to develop, hone and refine our Sonship skills for use in the creature. In order to think about this properly, you could see the word "good" as "benefit." God is working all things to our benefit. The main benefit is not here and now on this earth, but in the future, when we are in the heavenly places. No matter what we go through, every day of our life, as we put our Sonship skills into practice, we are being prepared for things we will face out in the heavenly places. And that brings us to the next logical conclusion; **this "good" is only achieved by those who are participating in the Sonship education**. Everything that happens to you good or bad is going to work in conjunction with your Sonship education to train you and give you experience that you're going to need when you get into the heavenly places. How complete is that? It doesn't matter what that happens, it's all going to work together with your edification to produce a good, a benefit, a training experience, something that is going to allows you to do more than you would have done without it. He is trying to get you to see that all of that was planned before you came along and it was already mapped out. That's what the word FOREKNOW (v29) is talking about. He KNEW He was going to have sons and daughters and He KNEW He wanted them to labor with Him.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:28	GH: Checkpoint / GH: Suffering Verse	28 And we know that all things work together for good to them that love God, to them who are the called according to his purpose. WORKing TOGETHER: Together means more than 1 thing. **Means these things are working together with something else - the Sonship curriculum**. This Book has the ability to take all the things happening in your life and work them together for your good. TOGETHER: Is not about the ALL THINGS, it's not limiting to this. It's taking the ALL THINGS and telling you they work TOGETHER with something else. Not saying the something else in the verse but you need to know about it. All things are not working together for good for saved people who aren't going through Sonship and lost people. All things work together with the Sonship curriculum/education. Gives you glimpse of the Power in the word of God. Without the education, things will be happening, but they will not be preparing us for our vocation in the creature. Therefore, all things work together (with the Sonship education) for our good (our benefit) by training us and for things we will be encounter in the future. The way we will benefit from all things is by being given experience to handle various situations. It is able to take totally unrelated events and then utilize them for our benefit. MM says that is exactly what that TOGETHER is about. Because without the Sonship education, all those things that happen are just things that happen. It's that Sonship education that is going to take ALL THINGS and train us for what we are going to be doing when we get into the heavenly places.
Romans 8:28	GH: Checkpoint / GH: Suffering Verse	28 And we know that all things work together for good to them that love God, to them who are the called according to his purpose. GOOD: **Don't interpret GOOD as all things work together the way I want them to**. That's how we interpret that but that is not what that's talking about. God has a particular thing that He is referring to here. Good has to do with your success as a son or daughter. The purpose is TO BE CONFORMED TO THE IMAGE OF HIS SON-v29. It's the GOOD think that's being worked in you through everything that happens to you, He is conforming you to the image of His Son. He is edifying you unto godliness. He is maturing you in your sanctification. God has designed for everything we go through, good or bad, to work to conform us to the image of His Son. MM says when things go good for him, of course he is glad for that. But when they do not, he doesn't look at like God is whipping him. He is not orchestrating those things. He is saying to live out of grace, which means that you are not griping and complaining and moaning and telling everybody what a hard time he is having. Living out of grace means you are concentrating on that doctrine, that this really is working to accomplish something spiritual in your life. The lack of something physical means God is doing something in the spiritual realm. TO THEM: **Talking to sons even though sons are not even in the verse**. Discrimminating between sons and children.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:28	GH: Checkpoint / GH: Suffering Verse	28 And we know that all things work together for good to them that love God, to them who are the called according to his purpose. THEM THAT LOVE GOD, TO THEM WHO ARE CALLED ACCORDING TO HIS PURPOSE: People look at generally and say, well, I love God and I have been called. It's only true for sons, otherwise it would say 'TO THEM THAT ARE SAVED". MM says this is actually describing sons and daughters going through the Sonship education. Paul has a group in mind and he has been talking to this group since v14. That is a description of sons and daughters. This is not veering off the path of what God is doing with us as His adopted sons and daughters. THEM THAT LOVE GOD: **The more you love God, the more you will enjoy and appreciate eternity in the heavenly places. Therefore, you should go to work on loving God will all your heart, soul, mind and strength**. WHO LOVE GOD: Not love in a warm fuzzy way. Particular way as an adopted son. HIS PURPOSE: To be educated to think like your Father, to live like your Father, and labor with Him in what He is doing.
Romans 8:28	Two Qualifiers	28 And we know that all things work together for good to them that love God, to them who are the called according to his purpose. Two qualifiers - if the qualifers weren't there, you could just put a period after GOOD and assume this was for everything. But there are two qualifers. If there is a qualifier, it tells you that the first half of that verse is not for everybody. There is a reason that there is two of them. **Two qualifiers narrow this down to a very specific group that is really going to need to know that all these things aren't just happening to them for no reason whatsoever but God is actually working those things together for their good - tells you who this is for**. These qualifiers describe any son or daughter that are engaged in the Sonship education. A fancy way of saying those who are being educated as sons. Someone who is being what they are called to be according to HIS PURPOSE. That is the way He is looking at you and you should see yourself that way.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:28	Qualifier 1: TO THEM THAT LOVE GOD	28 And we know that all things work together for good to them that love God, to them who are the called according to his purpose. QUALIFIER 1. TO THEM THAT LOVE GOD: MM will give people this one. People have some sort of emotion going but that is not what this is talking about. In the framework of Sonship, that is not what this is describing. There is a tendency to look at this phrase and say that's just someone who has this affectionate feeling for God. MM says most people's reasons for loving God are tied to the justification, but this verse is not sitting in Romans 1-5, it is sitting in Romans 8, which has to do with our sanctification. The big context is sanctification but there is a more narrow one - the love of a son for a Father who is training and educating him in the Sonship life. If you understand the framework of what He did in the first half of the verse, then the love for God you have is what being done in your Sonship life. That's the narrow definition of what is being said here. This love you have for God - there is intelligence to this. MM doesn't mean 'high IQ', he means you actually know or understand something. It is not some little emotion that we feel today and maybe tomorrow that we didn't feel it that way. This love comes out of your understanding. You really do understand about the Father-son relationship. Like making that cry of ABBA FATHER. You don't just do that because you don't make it and have no idea what you are saying YES to. The only way this has any meaning is if you know what you are saying. MM says there is different types of love - parents, spouse, kids, friends, etc. Gets uses in a lot of different ways. Here, love is defined in the context of Sanctification and Sonship and a Father-son relationship.
Romans 8:28	Qualifier 2: TO THEM WHO ARE THE CALLED ACCORDING TO HIS PURPOSE	28 And we know that all things work together for good to them that love God, to them who are the called according to his purpose. QUALIFIER 2. TO THEM WHO ARE THE CALLED ACCORDING TO HIS PURPOSE: You have to know what His Purpose is don't you? That is not a description of a “saved” person. That is a description of adopted sons and daughters who are engaged in the Sonship education. This is a description of who you are as a son. Just because you are CALLED, doesn't necessarily mean you have answered the call. He saves you, adopts you, and calls you. If everyone became a fully educated son or daughter, God would have a place for them. MM says when you consider the fraction going through Sonship, those that are are going to be busy. Just because you are CALLED, that doesn't mean that is who you are. More than about being called, this is about being 'the called'. You have done this. CALLED ACCORDING TO HIS PURPOSE: This is very context sensitive. They who are involved in the Sonship education. Training them in their Sonship life for something they will need later on. THAT in the first qualifer vs. WHO in the second qualifier.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:28	Qualifier 2: TO THEM WHO ARE THE CALLED ACCORDING TO HIS PURPOSE	28 And we know that all things work together for good to them that love God, to them who are the called according to his purpose. The calling is the education. The purpose is the laboring with Him. Why it says CALLED ACCORDING TO HIS PURPOSE. Makes sense because you can't fulfill the purpose without the education. The calling is you are going to be educated in godly wisdom. We have been called to the education but not everyone answers that calling. Everyone saved is being called to the education, but not everyone responds properly to that call. This verse only applies to a certain group of people who respond to this call. HIS PURPOSE: All of God's Purpose revolves around His adopted sons and daughters. It revolves around Sonship. In both programs - His Program with Israel and His Program with the church the body of Christ, God is going to carry out His eternal Program with adopted sons and daughters. On this earth with Israel and out in the heavenly places with the body of Christ. That is His Purpose. PURPOSE: Labor with your Father in the heavenly places. The words CALLED and PURPOSE give people problems and they then see the big theological words in v29-30 and trying to figure out what they are talking about GH: and go sideways theology-wise. From this a Calvinistic doctrine came out. They are way overthinking it. Needs to stay in the context with which you find yourself - your Sonship. The order of the items mentioned is important to knowing “why” all things work together for good for you as a son.
Romans 8:28		28 And we know that all things work together for good to them that love God, to them who are the called according to his purpose. PURPOSE: God's PURPOSE in the context of Sonship is so we get up there, we can actually run that part of His Business (GH: labor with Him). If you have a purpose and you have planned out how you are going to achieve that, that means you had to become aware of some things ahead of time. Means He's already been thinking about a couple things: 1. thinking about that purpose and 2. thinking about those who He would utilize in that purpose. At that time when God determined all of this, He has a PURPOSE that included educated, equipped, and capable sons and daugthers who would participate in running His Business and they would participate to such an extent that they could actually take over running it. Those are the sons and daughters WHO ARE CALLED ACCORDING TO HIS PURPOSE. Before any of us were ever here, He had already planned this all out and it's almost like He had this blueprint where everything is in place. It's a master plan that He's going to follow and all that we need to do now is know that everything we are going to need and that master plan has been provided for and He's the One that's done that. That is so we can fulfill a PURPOSE that He had from the beginning and that is what moves our thinking from just being a son who's involved in some stuff to really seeing this from the Father's point of view.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:28		28 And we know that all things work together for good to them that love God, to them who are the called according to his purpose. PURPOSE (cont'd): **The last phrase of v28 is giving us the perspective so that we can see it the way He sees it**. He laid out everything in connection with that PURPOSE. God wants to put you in His Chair and let you see before you were ever born, I did something, I determined something, and I planned it out, I put all the steps in the order they were suppposed to before any of you came along. I did this, The whole thing was set it in motion. Look at it from the standpoint of a son who's now saved and adopted. He wants you to look at from My POV so you have real confidence in what this (GH: this curriculum) is designed to do. He is discrimminating between sons, there are two kinds of sons. The first kind cannot be utilized by our Father to do what His Purpose is-to have us labor with Him in what He is doing. Not every saved son can do that. He's got to discrimminate between sons who can and sons who can't. He uses 2 phrases to make that discrimmination. Can walk away from Sonship and have a pretty good life and not be educated as a son. If you don't respond properly to the call that you've been given and you're not engaged in the Sonship education, then you are not the type of son this v28 is talking about. The type of son that would forfeit his life before walking away from this application. God looks at that and says there is a son that loves Me and there's a son who is being called according to My Purpose.
Romans 8:28		28 And we know that all things work together for good to them that love God, to them who are the called according to his purpose. Summary: It states that all things work together for good (GH: you will take these things and get learnings you can apply out in the creature) - That good is not about our life here and now, but a good we will enjoy in eternity - That good refers to the benefit, the experience, and the training that we receive as we use our Sonship skills in every situation of life (good or bad) to prepare us for situations we will face in the future The last half of verse 28 contains two qualifiers: o To them that love God – which refers to the love an adult, adopted son has for His heavenly Father that stems from all the Father has offered and provided through the Sonship education and the Sonship relationship (GH: you have some knowledge here, not going in with just emotion; have knowledge that is more than the initial excitement)

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:28		28 And we know that all things work together for good to them that love God, to them who are the called according to his purpose. o To them who are the called according to His purpose – which refers to them who are actively engaged in the Sonship calling (the education) which is preparation for (according to) His Sonship purpose (laboring with Him in His Business). Therefore, verse 28 is a reality only for those who are aware of their Sonship status, who have made the cry of "Abba, Father," and who are engaged in the Sonship education. Each component of Romans 8:28 can be easily contained in its context by simply putting that contextual issue of 'AS/FOR A SON' onto each component: - And we know (AS/FOR A SON) - that all things work together for good (AS/FOR A SON) - to them that love God (AS/FOR A SON) - to them who are the called (AS/FOR A SON) - according to his purpose (AS/FOR A SON) Keeps you in the very context it was given to you 14 verses earlier.
Romans 8:28		28 And we know that all things work together for good to them that love God, to them who are the called according to his purpose. Summary: ALL THINGS refers to everything that happens in your life, whether it is good, bad or indifferent All things WORK TOGETHER with the Sonship curriculum FOR GOOD to produce a benefit for you that you'll experience when you get out into the creature, refers to the training and experience we will utilize in the creature. TO THEM THAT LOVE GOD is the qualifying phrase referring to the love a son has for His Father which stems from the Sonship relationship and the Sonship life. TO THEM WHO ARE CALLED refers to those who have responded positively to the call to the Sonship Education. ACCORDING TO HIS PURPOSE: Refers to His purpose of having sons and daughters labor with Him in His Business in eternity (what God decided to do).
Romans 8:28	Sonship Suffering '25	28 And we know that all things work together for good to them that love God, to them who are the called according to his purpose. ALL THINGS WORK TOGETHER FOR GOOD: See the bigger picture of our sufferings. How suffering can be used to accomplish God's Will: God did not ordain Satan's prideful desire to be like the Most High, nor Israel's religious leaders' hatred of His Son. But even as Jesus suffered and died under their hands, God used the obedient and intelligent sufferings of His Son to bring salvation to the world. And because Jesus did that, He has made it possible for us to turn our sufferings into that which accomplishes good for us, and also carries out the will of God. They each have a different role to play and do different things, but they all work together. ALL THINGS: The bad things and the good things.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:29-30	God's 5 Steps of Provision that ensure your success in the Sonship Education - Christ promise to the church - that everyone of us will be conformed to His image	Will explain v28 and generate a particular kind of thinking. Proof that v28 is true. Without them, might believe that v28 is true but you won't know WHY. The counterfeit wisdom of this world cannot conform you to Jesus Christ (GH: only v28 in it's correct context). Why the counterfeits don't work. These two verses are two of the most mishandled verses in your Bible. The terminology in these verses has provided a favorite playground of sorts for many a theologian. These verses scare lots of folks simply because of the terminology in them. Let us survey the terms briefly. In the context, he is not talking to unsaved people, he's talking to not just saved people, He is talking to sons who are engaged in the education. To suddenly pull this out and make this a disertation about salvation takes it completely out of context. God it not now giving us some kind of study on the divine decrees or His omniscience or his omnipotence. It's not that God ordained for you to be saved and someone else not be to be saved. That's not what's going on with this. Divide these verses into 5 parts to provide a framework for our study. Listed in the order they are supposed to be listed. This sense and sequence is important. Important to still keep these in the Sonship context. v29: First 2 steps of the 5 steps of provision. v30: Last 3 steps of provision. From the time He planned all of that out from the very beginning all the way to the end where you are going to be glorified with His Son, He has taken care of arranging the whole thing. There's nothing left out.
Romans 8:29-30	God's 5 Steps of Provision that ensure your success in the Sonship Education - Christ promise to the church - that everyone of us will be conformed to His image	These are 5 steps you needed Him to provide for you. MM not saying there aren't other things He did, but these are the 5 major steps that you're going to be looking at that are supposed to give you confidence and prove to you that what He said in v28 is absolutely true. When He did this, there were no sons as yet, there wasn't even a program with the nation of Israel. He did it before any sons came along but it doesn't matter WHEN before. If it did, Paul would have told us about it. Five steps that He has taken to ensure that you have absolute unwavering confidence in Him and in His Curriculum. Notice all the past tense verbiage. He predestinated that you will be conformed to the image of His Son. There's only one way to be conformed to the image of Christ, to be edified by this word working in your inner man to produce the character of God's Son in you. If you do it any other way, that's a product of the flesh. Why is God saying this in the past tense? It's confidence. In His Mind, it is already done. Don't look at these verses as a son. He wants you to sit in His Seat and His POV (Point of View). When He sees the whole thing, He looks at it as already done. If you are going to see it like He does, you've got to see it as an accomplishment. It's going to happen. The only thing to stop this is for you to quit your Sonship education, then you are no longer the CALLED ACCORDING TO HIS PURPOSE. God's 5 Steps of Provision that ensure your success in the Sonship Education:

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:29-30	God's 5 Steps of Provision that ensure your success in the Sonship Education - Christ promise to the church - that everyone of us will be conformed to His image	STEP 1. v29: FOREKNOW: God thought of it before you were born. Simple definition is to know about something ahead of time. Before any of us were born, He had already mapped this whole thing out. It's not an after thought. He did (FORE)KNOW us in the past. * FOREKNOW - Can plan for sons to labor with him in his business before he has any children (NOTE: Earthly father analogy - can see all of this in a family business 1. He planned everything out beforehand, knew He was going to have sons and daughters & decided to have a curriculum to educate them - FOREKNOW FOREKNOW not who is going to be saved. He is foreknowing a group of sons and daughters that are going to labor with Him. 1. He knew that He would have sons, He would train those sons and those sons would be an integral part of His Business in eternity (all of this is wrapped up in "foreknow") - FOREKNOW - Can anyone undo the fact that God thought about having sons labor with Him in His Business and He planned out ahead of time all that was necessary in order for that to happen? * FOREKNOWing that He would have sons and daughters labor with Him
Romans 8:29-30	God's 5 Steps of Provision that ensure your success in the Sonship Education - Christ promise to the church - that everyone of us will be conformed to His image	STEP 2. v29: PREDESTINATE: Either scares people to death or gets Calvinist excited. No reason to be scared of this word. The predestined TO BE CONFORMED TO THE IMAGE OF HIS SON, not predestined to be saved. For those who met the qualifications, He pre-set your destiny. Did He PREDESTINATE you in the past? * PREDESTINATE - He can lay plans for the son to be conformed to his business image. To think, live, and labor like the father does. 2. He set the destiny of those sons beforehand so that once they got on that path and kept going there was only one place they could arrive at, to be conformed to the Image of His Son - PREDESTINATED He didn't PREDESTINATE everyone to be conformed to the image of His Son. This is strictly in the context of Sonship. Someone will hear this and be angry. We are not setting ourselves apart, God has set that apart. 2. He set the destiny of those sons so that there could only be one outcome for all of them, every educated son would be conformed to the image of His Son (this is what is involved in "predestinate") - PREDESTINATE - Can anyone nullify the fact that God set a certain and sure destiny for every son and daughter that continues in the Sonship education? Can anyone cancel out the power of the Sonship curriculum to conform us to the image of God's Son? * PRESTINATing them to be CONFORMED TO THE IMAGE OF Christ.
Romans 8:29-30		**** In view of what God planned before there were any sons, there were also some things that God needed to accomplish in time, in order to make His plans a reality:

Romans 8:29-30	God's 5 Steps of Provision that ensure your success in the Sonship Education - Christ promise to the church - that everyone of us will be conformed to His image	STEP 3. v30: CALLED: As sons He called them into a vocation. You have already been CALLED. * CALLED - Call them to the education and labor with him in his business. Not every child responds to the call. 3. He CALLED them. 3. He calls us to the Sonship curriculum which will equip us for our heavenly vocation (called) - CALLED - Can anyone keep God from calling those He predestinated to the Sonship education? Can anyone silence our Father's call to those sons who have cried "Abba, Father?" * CALLED them to the Sonship education. PAST
Romans 8:29-30	God's 5 Steps of Provision that ensure your success in the Sonship Education - Christ promise to the church - that everyone of us will be conformed to His image	STEP 4. v30: JUSTIFIED: He has made every legal accomplishment that should and ought to have been made. All the legal righteousness has been taken care of. * JUSTIFIED - Through that education the son has been made fit in that business. 4. He JUSTIFIED them. Not everyone will be justified for the same position so it is an individual thing. If you thought this was about JUEL, it leaves an opening for the adversary to make you think oh, I don't deserve this. You were a sinner saved by grace but that is not who you are now. Now, you have a new identity IN Christ and that old stuff has been done away with. That's no longer who you are. Subtle difference. 4. He, through the Sonship education/edification, will make us worthy of the vocation to which we are called (justified) - JUSTIFIED - Can anyone rob the Sonship curriculum of its power to justify us for the very positions we will be installed in? Once that curriculum has done its work in us, to make us worthy to labor with our Father, can anyone reverse that? * JUSTIFIED them for the position they hold. PRESENT/PROCESS

Romans 8:29-30	God's 5 Steps of Provision that ensure your success in the Sonship Education - Christ promise to the church - that everyone of us will be conformed to His image	STEP 5. v30: GLORIFIED: It's going to result in a glorification that He already sees as an accomplished fact. You haven't gotten that glory yet. * GLORIFIED - That son is a joint heir and they will receive all the accolades (glory) in doing that business well 5. He GLORIFIED them. Not everyone will receive the same glory. Fully educated sons will receive a greater glory. Simple sons will receive a tremendous amount but it will be less. Because of these 5 steps of provision (v28-29), He made it so that ALL THINGS (everything that happens to you, whether good or bad or indifferent) are going to WORK TOGETHER FOR GOOD (your benefit). 5. He, as a part of our joint-heir inheritance, will glorify us together with the One to who's image we have been conformed (glorified) - GLORIFIED - Can anyone keep God from glorifying us with His Son in accordance with our vocation in the creature? Can anyone prevent God from glorifying those who have qualified for it together with His Son? * GLORIFIED them in that position. FUTURE

Romans 8:29-30	God's 5 Steps of Provision that ensure your success in the Sonship Education - Christ promise to the church - that everyone of us will be conformed to His image	**He made it so that everything that happens to you is going to benefit you when you get out into the heavenly places and He did it through the 5 steps of provision**. Realize that once you start this Sonship education, there is absolutely no way you can fail. Not that you can put your name at the top of the test and God will pass you (GH: Johnny story and 4 years in the 11th grade). What He is saying is what is contained in His word that educates you as son is really going to do the job, really going to accomplish what He says it will accomplish. These 5 provisions assume you are saved and have made the cry of ABBA FATHER. v29: The first two (GH: of 5) things God did in the past. Before anyone was ever around, He decided these things. v30: The next three are things that have to come to pass in time. Even He planned for these in the past, what you know is that has to happen in reality for you at some point. At some point, you made the cry of ABBA FATHER, you got CALLED to the education, you are in the process of being JUSTIFIED for the position you're going to be given in the heavenly places. There is a glory that you haven't received yet but you will in time, it's going to happen. These 5 things - it is true that they are not the only things that God has done for you, but they are the things that pertain specifically to Sonship itself. GH: You have most all of the MERCIES OF GOD as a saved person and not be involved in Sonship at all. Another way you know that the JUSTIFIED in v30 is not related to being JUEL. All of this is in the framework of being a son who is engaged in the Sonship education. This all assumes that you are a son actively engaged in the education and wanting that education. God does not "call" anyone to the education who has not made the cry of “Abba, Father.” He does not “justify” or “glorify” anyone as a son unless they have done what Romans 8:15 says. Everything God has done in these 5 steps of provision take our inadequacies out of the equation. He can look at it and say this is going to work no matter who you are. If God has taken out our inadequacies out of the equation, the only thing that could go wrong is if He left something out. Have to ask yourself, Did He overlook something / make a miscalculation / something missing? MM doesn't think so. Seen it demonstrated over and over again that God hasn't overlooked anything, He's done everything He should have done.

Romans 8:29-30	God's 5 Steps of Provision that ensure your success in the Sonship Education - Christ promise to the church - that everyone of us will be conformed to His image	What we are looking at is your establishment as a son before you begin the actual education that your Heavenly Father wants you to have that will equip you and qualify you to labor with Him in the heavenly places for all eternity. These are not optional. If this establishment doesn't get done in every part, you are going to run into something that's going to give you a problem. He is trying to solve that before you get there and that is what this is meant to do. Issues: 1. Just because we are moving on from verses 28-30, it does not mean that we can forget about what is contained in those verses. They have set a context for these questions we are about to look at/examine. 2. Additionally, it is important to keep in mind that we are looking at all of this from our heavenly Father's point of view (very important to look at them this way). It may not yet appear why this is so important, but I hope to show you this as we progress through these questions. 3. These questions are not meant to be answered purely on the basis of logic or natural human reasoning. If you do, you may come up with the correct answer to the questions, but you will miss the effectual working they are intended to produce. 4. Because our Father knows there are some things that we are not yet aware of, we need to be asked a series of questions that will probe deep into our heart to deal with some potential snags to our education.
Romans 8:29-30	God's 5 Steps of Provision that ensure your success in the Sonship Education - Christ promise to the church - that everyone of us will be conformed to His image	5. The intended result of the effectual working of these questions to nail down, once and for all, (produce that unwavering confidence) that this education will produce in you what your Father says it will produce – no matter what. - Potential Education Roadblocks/Hinderance - think of all the things you could list and all answered in 5 questions: - Quitting (the only thing the Sonship education cannot fix) - Doubt (the curriculum, yourself) - Peer Pressure - Fear (unknown, of you being able to do it) - These are really symptoms - they come from a source - These 5 questions will deal with every single hinderance to the Sonship education. A real stroke of genius on your Heavenly Father's part. It's not identifying every problem you can have, these 5 questions talk about the 5 sources from which every problem comes. When you are sick, do you want someone to treat the symptom or someone to treat the cause. 5 questions that raise each source's identity up and deal with that. God can do in 5 questions what would have taken anyone else a whole book about.

Romans 8:29-30	God's 5 Steps of Provision that ensure your success in the Sonship Education - Christ promise to the church - that everyone of us will be conformed to His image	SE Correction: MM was maybe a little overreaching when he made this statement (GH: on the absolute confidence in your Father and the curriculum). He is going to say it now. When we go through the rest of the 5 questions and Paul says I AM PERSUADED. He may have mislead you a bit. This absolute unwavering confidence that you're supposed to have by the time you get to v39 is not GH: needed then. The confidence he is trying to instill in you is, all the things that he said might happen to me, I don't know how I'll go through that but I have confidence in the curriculum that will equip me at the time I go through them. MM was afraid you would get to v39 and say it doesn't matter what happens, I'm not ever going to walk away from this. You might be right but you haven't been taught how to handle all of this yet. The only thing you know is that your Father didn't leave anything out and what you are going to need He is going to give me. Ties you right back into ALL THINGS. There will be several people when we get to v39 that say that scares me to death and I don't know that I can go through that. MM didn't want to mislead people here. Some things you may be fazed by. But what will unfaze you is when you get to the curriculum that deals with that issue and then you become FULLY PERSUADED. You will be able to endure it to your Father's glory / without moaning and crying. The only convincing now is that the curriculum is so complete that whatever it might be, the same grace that carried Paul through all of this is the same grace that carries us through all of this. You don't even have the SIMPLE SON education yet but as you get it, it will supply ALL THINGS. Satan doesn't get the green light to put any attack on you/can't throw the kitchen sink at you from the beginning. Not until you are 3/4 of the way through the SIMPLE SON education does Satan even take notice of you to attack you personally with the POE. When an attack is coming, it will give you the nature of that attack and train you to endure that attack before that attack takes place. God is not giving you a quiz on material that you have never covered. You will only be tried in areas that you are educated in. Should give you great comfort.
Romans 8:29-30	God's 5 Steps of Provision that ensure your success in the Sonship Education - Christ promise to the church - that everyone of us will be conformed to His image	Recap: - Do you know that all things work together for good to you and for no other reasons than for the ones laid out to you in verses 29-30? - Do you have full confidence, assurance, and conviction that this education and this curriculum will do its job for you, to get you to the very end of being glorified together with the Lord Jesus Christ (as a joint-heir with Him) out in that creature? If you have full confidence, then these verses have done exactly what they're supposed to do. If you still have an inkling or question, that's what the 5 questions are for. MM will take you through it but you are going to have to answer these questions to your Heavenly Father.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:29	Christ IN You = CONFORMED TO THE IMAGE OF HIS SON 'Goal of your sanctification / Sonship Life'	29 For whom he did foreknow, he also did predestinate to be conformed to the image of his Son, that he might be the firstborn among many brethren. MM doesn't want to denigrate someone's thankfulness for their salvation, but in v28, he is not talking justification, he is talking sanctification. If we are thinking about this like our Father does, then we realize that God did not restrict His Business to His Son only, but instead determined to have many sons who would be “joint-heirs” with Him in the Father’s Business. The LOVE is supposed to motivate us. It is not out of being saved, it is out of something He did for us in our sanctification. It's from what He is offering you as a son. These big words are not necessarily about God's omniscience but things that can happen with an earthly father and an earthly son. You can know some things about your kids so when a certain situation presents itself, you say I know what they are going to do. MM talking about the timelessness of this - anyone anytime. Normally, the way this verse gets talked about is that God predestinated some people to be saved and other people not to be saved. But salvation is not even the subject matter here. This is something that can only be done for someone who is already JUEL. This is talking about those who will be laboring with the Father in His Business and there is something they need to be conformed to - THE IMAGE OF HIS (God's) SON. He knew He was going to have sons and daughters. Knew they were going to labor with Him in His Business. So I AM going to call them to an education and if they'll continue in the education, I have set their destiny before they were ever born.
Romans 8:29	Christ IN You = CONFORMED TO THE IMAGE OF HIS SON 'Goal of your sanctification / Sonship Life'	29 For whom he did foreknow, he also did predestinate to be conformed to the image of his Son, that he might be the firstborn among many brethren. FOR: English words of logic - a FOR of further explanation. Gives you some details behind this (v28). Laid v28 on the table and now he is going to explain v28. One of those English words of logic that sets your thinking in a particular way. He's qualified who v28 is about and now he's about to give you some addtional details to explain some things about what was going on to prove that v28 was true. FOR WHOM HE DID FOREKNOW: Used to think this verse said in His omnipotence God looked down through time and saw you and knew you and give you a free will and you would choose Christ. That's not what that's talking about. God didn't have to know any names. He could know, He's God. But He didn't need to. He knew there were going to be sons. People think one day certain things will happen in their life - get married, have kids, grandkids, etc. When you hear you are going to have a baby, you don't have to know everything about that baby to start making plans. God did what He did way back before any son whatsoever. He didn't need to know who they were. If He had known, He wouldn't have done anything different because what He did is exactly what He needed to do. He designed for us to go through that childhood, designed for us to be adopted, designed for us to be educated to think like Him, designed for use to conduct ourselves like Him so we so we would be equipped and capable to fulfill His PURPOSE-v28.

Romans 8:29	Christ IN You = CONFORMED TO THE IMAGE OF HIS SON 'Goal of your sanctification / Sonship Life'	29 For whom he did foreknow, he also did predestinate to be conformed to the image of his Son, that he might be the firstborn among many brethren. FOR WHOM HE DID FOREKNOW (cont'd): What He has done with us is not that much different than what a normal father whose was looking to educate a son or daughter in his own business would be doing. And even if you don't have a family business, isn't it natural for parents to want to put their own wisdom in their kids, that they would have the benefit of what you have learned in a lifetime? MM says problem is, everybody wants to learn it the hard way. He could very easily do all of this on His own. But He decided to give us a part in the Business and a glory in relation to that Business. But He gets something out of the good. Over in the epistles we learn that He has an inheritance in us and by allowing us to have a part in that Business, He gets glory as well. MM says this is a remarkable thing in the way He has set it up. We get the privilege of engaging in the Business with Him, we're going to get to enjoy the Business with Him. MM realizes 'enjoy' is an odd word to use. Most people don't equate the words 'labor' with 'enjoy'. You will enjoy what you will do in the heavenly places more than anything you ever did on this earth. You will love what FOR WHOM HE DID FOREKNOW says that God knew ahead of time that He would have sons labor with Him in His Business (that's what He FOREKNEW) you do, you will live to do that. It's not going to be boring, not going to be drudgery and you will be in a body that never gets wore out, gets sick, or feels bad.
Romans 8:29	Christ IN You = CONFORMED TO THE IMAGE OF HIS SON 'Goal of your sanctification / Sonship Life'	29 For whom he did foreknow, he also did predestinate to be conformed to the image of his Son, that he might be the firstborn among many brethren. Nutshell: Contains all that God determined and laid plans for from the beginning, before there were any sons of any kind. This encompasses everything from God determining to have sons labor with Him all the way to their final destiny of being conformed to the image of His Son. God carefully planned for and determined some things concerning sons before there were any sons around. FOREKNOW: What is he talking about if the omnis are set aside in the Father-son relationship? God is not the only one with foreknowledge. A wise father can and should. His thoughts were on sons that met the qualifiers in the previous verse - on sons that were engaged in the Sonship education. Did He know who? MM says it's not important. He didn't need to know a thing about them. So whoever they are, He provided the things after the FOREKNOW. Without failing to take any contingency under consideration, He has totally and completely provided for everything from the beginning. Means to know ahead of time. From the very beginning, God had a blue print laid out. He knew He not only wanted to have sons & daughters so that Christ would be the first born of many brethren, but He also knew the process that it was going to take to get us there. All of this was laid out ahead of time. He is not doing anything on the fly. There is nothing that we will go through that wasn't in the original blueprint.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:29	Christ IN You = CONFORMED TO THE IMAGE OF HIS SON 'Goal of your sanctification / Sonship Life'	29 For whom he did foreknow, he also did predestinate to be conformed to the image of his Son, that he might be the firstborn among many brethren. HE ALSO DID PREDESTINATE: God not only thought about having sons and daughters labor with Him out in the creature in eternity and to run His Business, but He also PREDESTINATEd them to something. PREDESTINATE TO BE CONFORMED TO THE IMAGE OF HIS SON: This is the END RESULT of everything! God predestinated that we BE CONFORMED TO THE IMAGE OF HIS SON. This is your future. This is going to happen, if not here while we are on this earth, then it will happen in THE AGES TO COME. And it won't happen automatically. It will happen as a process over time, with everyone having to be fully engaged in the education and its resulting edification. God has PREDESTINATED that every member of the body of Christ, and He did it before the foundation of the world.
Romans 8:29	Christ IN You = CONFORMED TO THE IMAGE OF HIS SON 'Goal of your sanctification / Sonship Life'	29 For whom he did foreknow, he also did predestinate to be conformed to the image of his Son, that he might be the firstborn among many brethren. PREDESTINATE: Not to be saved but TO BE CONFORMED TO THE IMAGE OF HIS SON. You PREDESTINATE things all the time. EX Take a trip and you know where you are going, time you are leaving, how you are getting there, etc. Point: You don't have to be an omnipotent God to do the things that are being talked about in these verses. In this context, we have done these types of things. That God has before decided that this is going to come to pass. What is predestinated here is that we will be conformed to the image of His Son. Predestinate: “pre” is a suffix that means “before” and “destinate” comes from “destiny” or “destination.” Therefore, to predestinate means to set or determine a destiny (a future) beforehand. PRE: Before DESTINATE: Destiny or destination. **Set your destiny ahead of time, preset a destiny for you, that you will be CONFORMED TO THE IMAGE OF HIS SON, that is the power the curriculum has**. If it is pre-set, it tells you that it is going to happen. You can't veer off those rails. So your Father did not just think about you before you were born, He did something for you before you were born. I knew I was going to have some sons and daughters. He has determined the destiny before it happened. If He is thinking about using a kid in the family business, He is setting a destiny for this child. Arrive at the destination of being fully capable sons to labor with Him in His Business.

Romans 8:29	Christ IN You = CONFORMED TO THE IMAGE OF HIS SON 'Goal of your sanctification / Sonship Life'	29 For whom he did foreknow, he also did predestinate to be conformed to the image of his Son, that he might be the firstborn among many brethren. TO BE CONFORMED TO THE IMAGE OF HIS SON: This is the goal of your sanctification. You really need this. It didn't say the Lord Jesus Christ. You are not being conformed to the image of Jesus. Do you think about Him as He was in eternity past or do you think about Him as He was in His earthly ministry in Israel's Program. That's what your thinking defaults to and you are not being conformed to that. You are not being conformed to Christ because that is the word for Messiah. You are not being made a Messiah. Neither are you being conformed to a Lord. You are being conformed to a son (GH: of your Heavenly Father). TO BE: Conformed is not instantaneous like when you trusted Christ. That's a process. CONFORMED TO THE IMAGE OF HIS SON: **This is the GOAL of our Sonship life**. Where all of this is headed, that's what sanctification is about, that's what the doctrine is designed to produce and sufferings are the crucible in which that gets done. When the Spirit is dwelling in you, that's what He's doing. It's not like a light switch, either ON or OFF. It's a process that happens in areas of our life as we progress through the doctrine. So it is possible to have one part working pretty well and another you still have to work on. Sufferings are part of the process whereby we are conformed to the image of God's Son. Being "conformed" to Christ's image is the goal of our life as adopted sons. Being conformed is the purpose of the Spirit dwelling in us. The process that produces conformity to Christ is called edification. Edification takes place by the effectual working of the word. The word effectually works in us as we understand, believe and live out of it in our daily lives.
Romans 8:29	Christ IN You = CONFORMED TO THE IMAGE OF HIS SON 'Goal of your sanctification / Sonship Life'	29 For whom he did foreknow, he also did predestinate to be conformed to the image of his Son, that he might be the firstborn among many brethren. Conform here is to get us thinking about the way He thinks about it, seeing it from His perspective, that we are no longer looking at it the way we look at it, we are looking at it the way He looks at it. Thinking and living (where we are incorporating that in our conduct and behavior) qualifies us or gives us the ability to actually labor with Him in a particular operations that He wants to accomplish. Doesn't mean that you're going to be His identical twin. Think and live and labor. You are going to be doing it exactly the way that He would be doing it. To find that, you would go to Romans-Philemon. That's what produces that. Combining all the things in your life with the Sonship curriculum you're going to be moved from one good thing to another, from GLORY TO GLORY-2 Corinthians 3:18. It is the Sonship curriculum that does this. Point: Every detail/feature that is contained in the Sonship curriculum is to further this final goal of conformation. When you treat it like a buffet line and say I'm not going to take this and this and this, you are leaving out vital parts that would conform you to the Image of His Son. Will eventually result in a problem. GH: Remedy in v34.

Romans 8:29	Christ IN You = CONFORMED TO THE IMAGE OF HIS SON 'Goal of your sanctification / Sonship Life'	29 For whom he did foreknow, he also did predestinate to be conformed to the image of his Son, that he might be the firstborn among many brethren. CONFORMED: When conformed to His Image will be the same way - thinking, living, and laboring just like the Father. You see the word form in CONFORMED. To shape, to arrange it, to line it up with something else. You have to have a pattern to be conformed too. The pattern is THE IMAGE OF HIS SON. You can't conform something without something you are conforming it to. To be shaped after a pattern and first you have to have that pattern. IMAGE: Likeness Image = a thing in which the aspect, form, or character of another is reproduced; a counterpart; a copy; a living image, (i.e., a person with striking resemblance to another; a ‘spitting image’). An image represents another. (Charles Smith) When the curriculum conforms you to the image of God’s Son, then it is saying that the curriculum is fashioning and shaping you after the pattern of God’s Son so much so that you bear a striking resemblance to Him. Or, to say this another way, the Sonship curriculum is going to reproduce the image of God’s Son IN us. Like saying when you are there, you represent Him. MMs understanding that the resemblance is not in physical features, (although you will have a glorified body like unto His) but in thinking, in conduct and in labor. The curriculum is not intended to make you look like Jesus, but to think and act like Jesus.

Romans 8:29	Christ IN You = CONFORMED TO THE IMAGE OF HIS SON 'Goal of your sanctification / Sonship Life'	29 For whom he did foreknow, he also did predestinate to be conformed to the image of his Son, that he might be the firstborn among many brethren. CONFORMED: Either we will be conformed during our earthly life and be given a commensurate vocation and opportunity to labor with our heavenly Father, or we will be conformed in eternity. God is not waving a magic wand so it is real. For those who are in the process of being conformed, their vocation will match their conformity, but they will continue to be conformed in eternity, just like everyone else, until that process is complete. Even in eternity, that process will not happen instantaneously, but over time. Our conformity is a goal which God will accomplish with every member of the body of Christ. He will not accomplish it in defiance of our will, but neither will our will be in opposition to being conformed. If you go through the process here, then you will be put in a position to labor with your Father in the heavenly places that is commensurate with your conformity to Christ. If you don't, still part of the body of Christ, still get a glorified body, but you won't be reigning with Him. Because the JSOC is based on the things done in the body, which means during your physical life. That is what the Judgment and your placement is all predicated on. MM says in eternity, everyone will become a FES and everyone will be conformed to the image of God's Son. They are predestinated, it's going to happen. And they won't go through kicking and screaming. When they go through the JSoC and understand some things, they are going to go, what was I thinking?!?! That the stuff of this world was more important? My standing and what I attained to in the eyes of the world and my money and prestige - I thought that was important? They'll see it clearly. Two things that every member of the body of Christ will want to be conformed to the image of God's Son: 1) the JSoC 2) the change in our relationship with the Lord Jesus. Those two issues will inform us of just how terrible sin is, and just how wonderful Jesus is.
Romans 8:29	Christ IN You = CONFORMED TO THE IMAGE OF HIS SON 'Goal of your sanctification / Sonship Life'	29 For whom he did foreknow, he also did predestinate to be conformed to the image of his Son, that he might be the firstborn among many brethren. HIS SON: Jesus educated as a SON in both programs. He went through the same process He's calling us to go through. That's the image we are being conformed to - that of HIS SON. Not a better son to be conformed to. If He predestinated you to be CONFORMED TO THE IMAGE OF HIS SON, as long as you continue in the education that's your destiny. To be predestined to be conformed to the Image of God's Son, God had to give you 2 things: 1. He had to give you a curriculum which would produce that and you had to have that in front of you 2. He gives you the Spirit that lives IN you that is going to do something with you with regard to the curriculum. LED BY THE SPIRIT OF GOD-Romans 8:14. The Spirit is leading us through the Sonship curriculum. You are being led to a destination and God has pre-set that destination - a remarkable testimony of the Sonship curriculum. No matter when you live in the DOGG, no matter where you live in the world, whatever your background, it has the ability to take every single one of them to that final destination - incredible. As long as you stay on this (GH: Sonship curriculum) road, you will wind up at the final destination (GH: CONFORMED TO THE IMAGE OF HIS SON). If you don't quit, you can't mess it up. This curriculum will produce this.

THAT HE MIGHT BE THE FIRSTBORN AMONG MANY BRETHREN: The Father was so pleased with His eternal Son that He decided to have other sons in His image. Let's enlarge this family and have other sons that are like My Son. So He makes us in His image. Man can ruin this and he did. This is part of God's eternal purpose. We can't be exactly like the Son because we are not eternal beings. We're not God. But in His character, we can be like Him. GH: Why we were put on this planet. God wants a big family He doesn't just want a big family. He wants every member to have the character of His Son. When God says REPLENISH the earth, remember the RE- doesn't mean do it again, it means fill it up to the greatest extent, fill it up to capacity. The RE- was emphasis on just how full He wanted the earth to be. MM chuckles at the earth being overly populated. This is a worldly wisdom that opposes what God originally wanted done. It shouldn't surprise. HE MIGHT BE THE FIRSTBORN OF MANY BRETHREN: As the firstborn, Christ has the preeminent position. Hence, He is the "head of the body." And the term body is appropriate to the joint function of every member, but we could also say that as our elder brother, Christ is the head of every son.
Romans 8:29	Christ IN You = CONFORMED TO THE IMAGE OF HIS SON 'Goal of your sanctification / Sonship Life'	29 For whom he did foreknow, he also did predestinate to be conformed to the image of his Son, that he might be the firstborn among many brethren. FIRST BORN AMONG MANY BRETHREN: GH: Jesus was the first born of the adopted sons.Taking you back to what He did FOREKNOW, that He determined all ahead of time. Reminded that you were part of a plan from the start and Jesus as the first born is going to have the permanent position among many brethren. He really meant for every believer to have a part in this. FIRSTBORN: He will be the Head of the body. AMONG MANY BRETHREN: MM thinks the emphasis is more on this than on FIRSTBORN. Ought to produce a confidence that this will do what this is meant to do. MANY BRETHREN: What this is all geared for, One Son can't do it alone. You're going to need the other members. This thing is constructed so even God's Son is not going to do this alone. MM is not saying He can't, he is saying it's now designed that if He's going to have to have MANY BRETHREN conformed to His Image to get this thing done. He is the Head and we are the body. This thing is designed with a body in mind. This is really body type thinking.

Romans 8:29	Christ IN You = CONFORMED TO THE IMAGE OF HIS SON 'Goal of your sanctification / Sonship Life'	29 For whom he did foreknow, he also did predestinate to be conformed to the image of his Son, that he might be the firstborn among many brethren. Summary: - FOR WHOM HE DID FOREKNOW says that God knew ahead of time that He would have sons labor with Him in His Business - PREDESTINATE means that God has set a destiny beforehand for all sons who "are the called according to His purpose." - TO BE CONFORMED TO THE IMAGE OF GOD'S SON is the destiny that God has fixed for those sons who have engaged in the Sonship education. This is the goal of the education; to conform you to His image. God did not tell you to work to get achieve that image, He told you that He predestinated you to be conformed to that image by means of the Sonship curriculum (Romans to Philemon). The Sonship curriculum has the power to conform you to the image of God's Son. By thinking, living, and laboring like Him. As long as you stay in the Sonship education, you will be conformed to the image of God's Son. - MANY BRETHREN calls attention to the fact that God did not purpose to run His Business alone, neither did He purpose to run with only one Son. His purpose was to give His Son Jesus the preeminent position (firstborn) among "many brethren." God determined to have many sons (and daughters) in His Business. - BRETHREN should be understood as more than just a term that denotes being part of the family of God. Of course you are in the family by means of being justified unto eternal life. But in this instance "brethren" refers to **"brothers" in the Sonship education**. A narrower use of the word BRETHREN.
Romans 8:30		30 Moreover whom he did predestinate, them he also called: and whom he called, them he also justified: and whom he justified, them he also glorified. Nutshell: Also contains the things that were part of God's plan from the beginning, but these are also things which had to be accomplished, over and over again in time, in order for the things in v29 to become a reality. Every justified person receives some level of glorification but there are several levels. No sanctification or edification attached to this. All you have to do is be justified. GH: Heir of God inheritance. See how qualified this verse is. God made every provision in order for us to be holding and to be trained for the position we're going to be training for. There's no one that could look at us and disqualify us on any level whatsoever. **In your justification, He has made you righteous, He gave you His righteousness. In your sanctification, He gave you His holiness**. God did all the qualifying, He provided all of that on His own. If He knew about you, if you're going to meet those qualifications, He pre-set your destiny to be conformed to the image of His Son. You can't lose, guaranteed success. He's called you because He has to call you because you're going to participate not in a job, but in a vocation. Notice the sanctification step is left out - on purpose. Sanctification is not on this list, you're studying the third component of your sanctification.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:30		30 Moreover whom he did predestinate, them he also called: and whom he called, them he also justified: and whom he justified, them he also glorified. MOREOVER: A connecting word-an English word of logic that connects that up. Tells us that the information in v30 goes along with the previous two verses. He doesn't list sanctification because you are in it. He didn't have to mention it, that is what you are actually in. Let's you know there's more that needs to be said about this. He hasn't given you all the information that he plans to give you. Means there is more. How he is introducing this passage. WHOM: Is a plural because it is qualified by the pronoun they. PREDESTINATE...ALSO CALLED...ALSO JUSTIFIIED...ALSO GLORIFIED THEM HE ALSO CALLED: Normally, people read this, they think calling you to be saved - wrong. That's completely out of context. You are being called, not to be saved, what you are being called to be is a son and the education you are being called to - to be educated as a son. Everybody is called but it is a Sonship decision if you are going to be involved in that. CALLED: MM says there is a whole lot of theology that goes with this word. When you see the word CALLED, that is supposed to evoke certain things in your thinking that makes you go oh, it's more than just an invitation, there's something more than that. The word CALLED is supposed to bring your thinking to a vocation. CALLED here sets you up for something over in Ephesians 4:1 that he is going to tell you about. When you get to Ephesians 4, this passage should pop back in your mind and say that's what he's talking about. Is supposed to start geneating something in your thinking. When you see the word CALLED, you should know you are being CALLED to a VOCATION-Ephesians 4:1. Not just being called to an occupation. You have a vocation that you are never going to walk away from, you are being called to be educated unto and trained for.
Romans 8:30		30 Moreover whom he did predestinate, them he also called: and whom he called, them he also justified: and whom he justified, them he also glorified. WHOM HE CALLED, THEM HE ALSO JUSTIFIED: MM says this is the hard one - how can an earthly father justify his son? Remember words have more than one meaning in your Bible. MM says don't standardize a word and default to something just because the word shows up. He is not coming along and seeing if you have any doubts about your salvation that you have been JUSTIFIED. Not an exhaustive list of everything God has ever done for you. Justified is a legal term which means “to make right or just in the eyes of a judge as supported by evidence.” So when it comes to being adopted and to having an inheritance in the Father’s Business, all of the legal requirements have been met and accomplished. Applied to the Sonship context, every legal thing that needed to be done in order for you to actually become a joint-heir and participate in the Father's Business He has accomplished every bit of that. He did it all, He's done everything that need to be done. When an earthly father adopts a son and one day he is going to take over the family business, there are legal things that need to be done so there is no question. No one can come along and grab the thing away.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:30		30 Moreover whom he did predestinate, them he also called: and whom he called, them he also justified: and whom he justified, them he also glorified. WHOM HE CALLED, THEM HE ALSO JUSTIFIED (cont'd): Your Father is not talking about legal in that He has to come down to the court house and file something legal. It is legal in that it is something that ought to be done and must be done in order for no objection to be raised. At the end, Satan will not be able to raise a single objection for any of us that we are not able to get in that Business and do what we are going to do. Don't you know he would love to find a technicality or a loophole to say we are not qualified. Your Father has made all the legal arrangements. He has made right and just, evey technicality has been covered, there's nothing that can be objected to. That is what it is meant by JUSTIFIED. There is not going to be any objection that can be raised about you. You really are supposed to be there. Justified in the context of Sonship goes way beyond just being saved. Talking about being a son in every legal sense of the word. To be made just and right in the eyes of a judge. AND WHOM HE JUSTIFIED, THEM HE ALSO GLORIFIED GLORIFIED: MM says this is not talking about us receiving the redemption of our body and living forever with God in heaven. The context is not about us being given eternal life because we trusted in Christ; the context is about us being sons who are engaged in the Sonship education. This is an example of a heterosis. Past tense - -ed. But the problem is you have not yet been glorified. Sometimes a writer, in order to make everything match, he'll continue he'll continue with the past tense thing even for events that are yet future. He is not trying to tell you that you are already glorified. MM jokes wait till you get till his age and you'll figure out you are not.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:30		30 Moreover whom he did predestinate, them he also called: and whom he called, them he also justified: and whom he justified, them he also glorified. SUMMARY: - The son is CALLED to the Sonship education. And think about this, the Father would never call His son to something that is not going to work. In order to labor with your Father (His purpose) you have to be educated and therefore you are called to that education. Every son is called but they have liberty as a son to not answer the call. - JUSTIFIED is a legal term that means to be found just and right in the eyes of a judge. MM realizes that normally, we would see "justified" in terms of being justified unto eternal life. In his understanding, we should understand the word "justified" as it used in Romans 3:4. MM doesn't see this tied to your JUEL. It is in the wrong place. GH: MM says not everyone agrees with his interpretation. The education qualifies you for God to place you in the heavenly places. Your education JUSTIFIES you being placed there. God is not putting anyone in a position that are not qualified to be in. God is doing it but He is doing it through the education. No one (GH: like the adversary - kicking out his guys) will be able to look at you and say you don't deserve to be there. Satan will never be able to say you don't deserve the position you are in. You are not just going to be put in a postion, you are going to be justified in the position you will be put in. Verse doesn't tell you what your position is. But it doesn't matter what your position is, you will be justified in being there. See the progression - after being called and before being glorified. Justified here is a present and future tense. If we were wiped out today because we have made the cry of ABBA FATHER, we have a place in the creature and you would be justified in the position you would be put in. In 6 months, you will be justified for another position. When you are a SIMPLE SON, you will be justified in that position. You are moving from position to position, to GLORY TO GLORY-2 Corinthians 3:18. Qualifying yourself for higher and higher and more and more intimate positions. Why MM doesn't want to go yet - used to pray for the rapture. You are within your rights to hold that position. Point: God is not arbitrarily throwing out positions and people with no rhyme or reason to it.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:30		30 Moreover whom he did predestinate, them he also called: and whom he called, them he also justified: and whom he justified, them he also glorified. Every bit of this already assumes you have been JUEL. God is not FOREKNOWing any unsaved people to labor with Him in His Business. If JUSTIFIED was about your eternal life, should have gone to the top of the list. You have to have that before you can do anything to labor with Him. MM says this is how he sees it. Likes to think he had the red telephone to the Throne but that is not it. Your position in the heavenly places is not going to be unfounded, it's not going to be groundless or unwarranted. It's going to be just and right. Based on this, JUSTIFIED sits in the perfect position that it ought to sit in. Then, he sees the progression to it and it makes sense to him. Same way Psalm 51:4 and Romans 3:4 talk about God being justified. You are going to be perfectly right to assume that position in the heavenly places. GLORIFIED is not a reference to receiving your glorified body, but it refers to being glorified with Christ as a son, as a joint-heir. This is the glory that will be given to you as you take up your position in the creature. Glorified (like justified) is also a "past tense" term even though in time, it has not yet taken place. But, just like all the other terms we have highlighted in these verses, which are past tense, it indicates that to your Father, your glorification is a "done deal." It is already accomplished. It is a byproduct of what He has predestinated you to and justified you for. To Him there is no doubt about your future glorification. Because your Father set your destiny for that position, He is so sure it's going to happen. He sees it as a done deal, a fulfilled event. Remember, you are not supposed to see this from your perspective, you are supposed to see it from His. That is how this makes sense.
Romans 8:31-39	SOPT Comfort 4 of 4: The comforting doctrine of the Five Probing Questions	HEIR OF GOD: Can't lose; JOINT-HEIR: Can lose - see Romans 8:17. Romans 8:31-35	Five Probing Questions	Five probing/thought provoking questions at the end of Romans 8 to employ / to give God your heart about the things you are going to be doing - asking God to search your heart (Psalm 139). It's the intimacy of the relationship between you and Him that makes this work. 5 probing questions that only you are going to be able to answer at home to your Heavenly Father. Such a nature that you can't fake it. Those questions will show you exactly how to go through that process of God searching your heart. 5 questions in this last section of scripture that are grossly misunderstood. These 5 questions will change your whole life. These 5 questions are way different than normal folks would look at these. Think of these 5 questions as a heart transplant. 5 thought provoking questions meant to guide your thinking in a certain area. Are meant to provoke a certain thinking in us just as these questions in Job 38 are meant to do for Job. When we go through these questions, we will see that there is more to these questions than meets the eye. They are meant to produce "full persuasion" in the trustworthiness of your heavenly Father and His curriculum.
Romans 8:31-35	Five Probing Questions	5 very pointed questions that you will have to face. At some point, you are going to go home and answer those questions with your Heavenly Father. Because until you do, you won't be able to move on, you won't be able to avoid them, you won't be able to fake them. It's like a final exam and you are going to answer these 5 questions in front of your Heavenly Father. As Paul looks at the character and essence of God, he addresses four issues - by these he shows that God is for us.: **Character and Essence of God** **1. v31: the Power of God Father Question 1 followed by Question 2. Opposition/Obstacle is your flesh Matches Proverbs 2:6 Installing confidence in the Father** **2. v32: the Grace of God Father & Son Question 2 followed by Question 3. Opposition/Obstacle is ???. Matches Proverbs 2:7b Instilling confidence in the curriculum** **3. v33: the Justice of God Father Question 3 followed by a statement. Opposition/Obstacle is you. Matches Proverbs 2:7b** **4. v34: the Justice of God Father & Son Question 4 followed by a statement. Opposition/Obstacle is the world. Matches Proverbs 2:8a** **5. v35: the Love of God Son Question 5 followed by a statement (v36). Opposition/Obstacle is Satan & his POE. Matches Proverbs 2:8b**

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:31-35	Five Probing Questions	Go through 5 questions that are meant to reach down inside your heart to a depth that you never anticipated and you're not going to answer them to MM or any other person. You're going to answer these 5 questions to your Heavenly Father. The five questions are meant to bring about certain responses in our thinking. Questions get answered from the information that was already given to you. Know the WHY and the HOW in/from the previous 3 verses (v28-30). If you rip them out of this context you go on a wild tangent somewhere. If you take any of those five questions out of the context of v28-30, in order to answer the questions, then you are dealing with them improperly. You could say that every question is going to be addressed and answered with v28-30 in view. They are questions that are being asked by your heavenly Father to you. These five questions are intended to search and investigate you on the inside, in your heart. They need a response from you. What your Father is trying to accomplish in you will take all five questions to get it done. Some of these questions will be extremely personal. Some of these are meant to illicit an emotional response. They are all geared to make you think. These questions will deal with any reservations and skepticism you might harbor down deep in your heart. He is going to bring that to surface and then He is going to deal with it once and for all so that it will never be an issue. These questions are in an order and there is a progressive nature to these questions. These 5 questions are thee most heart probing questions that you will ever face in your Sonship life. They will reach down IN you and produce a confidence, reach down inside of you and bring you face-to-face with issues that have to be addressed in your Sonship Establishment. It's like your Father is asking you these questions and you are going to have to come up with WHAT is the answer but you are going to have to know more than the answer. Are going to have to know WHY that is the answer. Once you know the WHATs and WHYs, these will work to produce an absolute confidence in your Father and in the ability of the curriculum to succeed in you. You'll be absolutely assured of that. He has removed every vestiage of doubt. There may be something you are not aware of, a chink in your armor. He is going to pull it out and He is going to deal with it so it is never an issue again.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:31-35	Five Probing Questions	The comforting doctrine of the Five Probing Questions - If you are not convinced about 5 different situations that you will encounter, you will wind up quitting and He knows that. God takes these 5 issues that put you at risk of throwing in the towel and He is going to show you what He has done to convince you that if this happens, you don't need to quit. He is not expecting you to quit. He has already taken that into account. MM uses the analogy of his dad teaching his sister to ride a bike with training wheels and he was right along side of her. He has done everything necessary for our success in this. Notice patterns: These 5 questions are meant to start a certain kind of thinking in your mind. Once you get these questions down, you will start thinking with like your Father right along these lines. The 5 questions have to do with 5 hurdles/problems that you're going to encounter. First two questions stand alone while the last three questions all have remedies given by God. First 2 questions did not have any answer after them because they are just hurdles in general. First 2 questions, the subject is God the Father. Last 3 questions are WHO questions (the first question is a general WHO question). They are about some other individuals and all followed by statements. Answer to every single question is 'no one'. It's a certain thing. Last 3 questions have to do with specific obstacles that you're going to have to be able to overcome in your Sonship life. You get answers because they are addressing them (GH: the specific obstacles). Last 3 questions all begin with WHO, but that's where the similarity ends. Talking about 3 entities individually that oppose your Sonship.
Romans 8:31-35	Five Probing Questions	All of the statements are a reference to THESE THINGS (v31) - all reference to v28-30. By the time you get through these questions, anything that might be in your heart to make you think that there might be someone or something that could possibly hinder your Sonship education, that's going to be dealt with and put to rest once and for all so that you don't have to worry with that when you get into the education itself. Romans 8:31-35 - To surmount all obstacles. Nothing has been left out and nothing overlooked. - To even overcome our own shortcomings. Can't say you are not a good reader or you don't memorize well. If you can believe it, effectual working takes place and there you are. - To provide all that you need. - To work everything to our benefit - To make us perfected sons

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:31-35	Five Probing Questions	You should view these questions as though your Heavenly Father is asking YOU these questions. For the first time, you really are going to carry on a conversation with your Bible. Bible is really going to ask everyone of us a question and we will have to answer that question back to our Father. Need to answer all 5 of these to get that done. Some of these are extremely personal. These are not something any of us will answer publically in this assembly. Some of these are meant to illicit an emotional response from you. Everyone of these questions are geared to make you think and that is what your Father is after here. He is going to remove any shadow of a doubt or skepticism or vestige of uncertainty about the two issues MM has mentioned over and over - about what He says to you cannot be totally trusted or any doubt that this curriculum will do in you/will actually get done. If anything is there, He is going to bring it to the surface and deal with it once and for all. Spiritually, this will be exactly what we need. The time these 5 questions get dealt with by you and your Heavenly Father is going to take some time. Has to be done to give you a particular kind of confidence - not confidence in general.
Romans 8:31-35	Five Probing Questions	These 5 probing questions and the statements that go along with that are going to come along and reinforce what was just given to you in v28-30. The difficult part - these 5 questions are meant to reveal any doubt or uncertainty or reservation and deal with it completely. Has to be done. Because there are some things that you are going to encounter, that if you don't have that particular kind of confidence you will walk away from your Sonship education. Not today (GH: in SE Part 3) but there is coming a time when we are going to come up against something. Your Father knows about it, He knows what He has called you to do, and there are no limits to the measures that will be taken to make you quit. MM is not trying to talk anyone out of their Sonship or we could just name the church the Corinthian church, but He also knows what this education is going to equip you to be able to do. Not just now but also in eternity. Makes it so this education produces an absolute certainty and an unwavering confidence that this curriculum will allow you to do everything it is supposed to do and to endure whatever comes your way and do it sucessfully. What you are going to encounter you won't encounter right now. But your Father is going to tell you something about it right now in your SE to get rid of any reservation that may be there. In a group this size, it is likely there is someone on board with the Sonship Education because there are elements of it that look very attractive. Sitting in thrones of power in the heavenly places in eternity is a pretty attractive situation. If that is all there is, that is not enough to get you through what is coming your way. The attractiveness of things out there is not going to help you when things start happening in the here and now. When MM says there is no measure that won't be taken to get you to walk away, he is not exaggerating when he says that. We live in a different type of time / government / culture than the apostle Paul, but not all of that works in our favor. In some areas it may, in other areas it won't.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:31-35	Five Probing Questions	There are 3 entities/agencies you are going to have to face that will try and get you to walk away from your Sonship life. We have talked about 2 of them (GH: EVIL MAN and STRANGE WOMAN). 1. POE/STRANGE WOMAN: Direct attack of an adversary on a son or daughter who has finally gotten to a place where they begin to impact his realm and what he is doing. You are the misquito that got through the net. He has to pay attention to you because you are the irritant. Will not be Satan coming through the back door in a red suit and tail. He is going to use people - friends, family, other believers. Will be looked at like the antichrist incarnate. Only for 1 reason - your Sonship education. It's going to be pressure. 2. Course of this World/EVIL MAN: You spend your Sunday at church? You go to church at 1 PM? What about the Cowboy game? 3. GH: You? If you come out of v28-30 and say YES, I can trust this, He is going to ask 5 questions that are designed to do. If there is anything in our mind / heart / inner man that isn't exactly 100% convinced beyond a shadow of a doubt, these 5 questions will raise that issue up and make it plain. Won't even be able to hide your doubts from yourself. Before you get into the education, these 5 questions are going to raise up all those things that would cause you to come back and go, well, I didn't think about that because these 5 questions will make anything evident. MM thinks that it is marvelous that God can do this in only 5 questions.
Romans 8:31-35	Five Probing Questions	These are given to you in the order you face them the most frequently. v31: The opposition/obstacle is your flesh. Give you the most problems because you will deal with that flesh every day till the day it is redeemed. Every single day, you will deal with it no matter what. May not deal with the POE every single day but deal with your flesh every single day. v32: The opposition/obstacle is ????? v33: The opposition/obstacle is you. You oppose yourself if you say something like 'I just don't think that God can use me'. Looking at yourself the old way-have to confess your sins and clean yourself up. v34: The opposition/obstacle is the world. Paul is going to talk about NOT BE CONDEMNED WITH THE WORLD-1 Corinthians 11:32. v35: The opposition/obstacle is Satan and his POE.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:31-35	Five Probing Questions	These are questions that your Father is asking you. Geared to produce an unwavering confidence in your Father and in His curriculum. No matter what you hear, His Way is the best way. He alone knows what's best. You are going to look at some things and say I wish He had done this differently. Confidence in the curriculum means it is going to happen. It will do what He said it will do. It will equip you to labor with Him. Once we begin the education, there can't be any shadow of doubt on either of those issues. Are designed to get down inside your heart/go in the inner parts of your heart and surface/ferret out any uncertainties that you might have that would cause you a problem later on. If you are 'properly' engaged in the Sonship education, there is nothing that can stop you from being an educated son of your Heavenly Father. There is no one that can stop you from being that son. Means that your success is guaranteed. You will be conformed to the Image of God's Son. You will labor with Him. It will work. Like dropping a marker. Why it is PREDESTINATED. You can't afford to walk out the door and think I don't think I can make it. No matter who you are, where you live, when you live, your economic background - your Sonship is not dependent on any of that. It's dependent on the Power of this curriculum to produce that. And as long as your properly engaged in it, it will do that job. The only thing you have to do is don't quit.
Romans 8:31-35	Five Probing Questions	Exception: Must be 'Properly engaged' - to put this in a nutshell: - You must “show up” to learn the education and you must show up for the right reasons (to get that education) - Honest Attendance - You must commit to interactive learning in both stages: 1. Stage 1 – Interactive learning in the local assembly - if there is anything you are unsure of, you will not just let it go, but you will ask for further explanation This is the place where you run the risk of leaving people behind because if you don't get this part of your establishment down. 2. Stage 2 – Interactive learning with your Heavenly Father – Sonship prayer is a two-way communication which will be essential for your progress as a son Will never do this without the interaction between you and your Heavenly Father. Talk to Him about putting these skills into practice, what you are going to do tomorrow, and you are going to need a green light or not. - You cannot have a half-hearted commitment to the education - The Top Priority - You cannot quit your education as a son - GH: need to sustain a certain level of commitment

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:31-35	Five Probing Questions	As long as you don't quit, you will get there. He has PREDESTINATED that. Like training to be a doctor, can't just learn the parts you like and not the parts you don't like. This education takes some effort on your part. What distinguishes you from every other son. It's not if I'm smart enough I will make it. It's not if I know the right things. The education will take care of all of that. You just have to be committed to this and keep with it. Won't answer any of these questions here, answer them to your Father at the house. He is asking you to examine your heart about something with each one of these questions. Very personal - going to be done privately with you and your Heavenly Father. Going to answer these questions to Him and to Him alone. This is not a bad thing like being called into the principal's office. This is about telling you things that you are going to encounter that may make you second-guess whether you are fully committed to Sonship education. Your Father wants to expose those things and settle that issue for you before you begin the education. If you have a weak link in your chain, it is going to be discovered and used against you. Your Father wants you to go into this with your eyes open, you are going to know what you are facing, so at the end of the day, there is only one person that can stop your Sonship education - you. He will handle everything else. As you go down the questions, you will be able to say I know exactly who.
Romans 8:31-35	Five Probing Questions	Questions are meant to make your confidence greater and greater with each question, even though you are already chomping at the bit. Make your anticipation to get into the education get greater and greater with each question. Meant to start gearing you up so that you are really anticipating getting into that. As your confidence (in your Father and His curriculum to do what He said it was going to do) grows through the questions, your commitment will grow commensurately. Your confidence breeds commitment. At some point, every one of us will get knocked off our horse. Your level of commitment will enable you to get right back up in the saddle and keep going. Remember the thing that knocked you down will work together for good. 5 Probing questions are meant to highlight potential obstacles that you may encounter in the future in your Sonship education. We can come to trust what our Father has done in those 5 steps of provision to make sure that we're going to succeed as sons. Can't approach these questions merely like they are academic. Have to spend time with your Father to get the assurance and the confidence that these things are meant to build in you at this point in your SE. He has made and will continue to make all of the provisions that are necessary for you to succeed as a son. None of the things that Satan can do to any extent, even taking your life, can separate you from those things. All of these questions have a certainty to them so that you understand there's no chance that this doesn't work. Was a guiding principle for being able to determine what the LOVE OF CHRIST is and what it does.

Romans 8:31-35	Five Probing Questions : Five Obstacles	Obstacle #1 – Our Father is not going to be the source of our failure as sons, for He has provided for all things to work for our benefit as sons. Your Father made all of these provisions for this. Obstacle #2 – The curriculum is not going to be the source of our failure as sons, for both the Father and the Son will freely give us, through the curriculum, everything we need to succeed as sons. There are going to be some things that you will need in the future and They know about that. The curriculum will be able to handle everything. Obstacle #3 – what if, by my unbecoming conduct, I open myself up to legitimate charges being laid against me? Is there anything that I can do, that someone could charge me with, no. MM says this curriculum is so good that not even you can mess it up. MM is really glad for that on a personal level. Should bring you confidence that this curriculum really can do the job it's designed to do even when you mis-apply it/don't apply it/sin. MM is not giving you license to do those things. Obstacle #4 Obstacle #5
Romans 8:31-35	Five Probing Questions : Five Obstacles	Recap: **First two questions deal with confidence and the last three questions deal with obstacles (charges, condemnation, adversary)**. First two questions are sort of positive and the last three questions are more negative/what about this? 1. The first two questions deal with the confidence you should have in your Father (Q1-v31) and in His curriculum (Q2-v32) - Confidence builder No. 1 - your Father has taken everything into account from start to finish (FOREKNOW to GLORIFIED) - Confidence builder No. 2 - progress through the timeline of your life where you as a son are going to need some things 2. The last three questions deal with overcoming potential obstacles to your Sonship education/life which can cause you to quit 3. The first question: “if God be for us, who can be against us” refers us to what God planned and determined to do to ensure that sons would labor with Him in eternity (the five steps of provision - what God did before any sons were around) - All planned out before there was ever a son around. The steps that God took in order to ensure that you will be successful as a son.

Romans 8:31-35	Five Probing Questions : Five Obstacles	4. The second question, “how shall He not with Him also freely give us all things” refers to everything we are going to need to be successful as a son, and we will be given that through the Sonship curriculum (what God will do on a timeline as a son progresses through the education) - FREELY GIVE US ALL THINGS: As you come through the Sonship curriculum, you are going to come to some things that you are going to need and when you come to those things, you're going to get them. If He would give up His Son, why would He withold anything else that was going to be yours? 5. The third question (which starts addressing the obstacles) deals with any “charges” made against us by anyone – the “who” is a general who. Those charges have been dismissed so that we are perfectly justified (deserving) of the position we will be given - Is a general WHO and it doesn't matter WHO is going to lay anything to the charge of God's elect, He has already provided for all of that. 6. The fourth question deals with the self-condemnation that will come when we “blow it” and our discouragement works to make us quit 7. The fifth question addresses the attempt by the adversary to bring various tribulations into our lives designed to make us quit.
Romans 8:31-35	Compares Romans 5 (Justification) vs. Romans 8 (SE Part 3)	Romans 5:1-5 (Justification) Pt 3) Hope (product of something the LOVE OF GOD produced IN us) to produce something IN us) Ultimate ground of our hope rests on the LOVE OF GOD-measures success of your justification LOVE OF GOD makes you not be ashamed of the gospel not to throw in the towel against those 7 attacks **Demonstrated His Love for us as sinners in our justification** LOVE OF GOD reversed the tribulations of the gospel the tribulations that rob you of the joy and excitement of being a son (rob you of the joy confidence no longer saved/At one because you are SAVED) He is nailing down the confidence (GH: that you should have) that there's nothing you can do that can undo your justified status IN Christ. Romans 8 (Sanctification-SE Hope (LOVE OF CHRIST is meant Utlimate ground we are going to succeed as sons is resting on the LOVE OF CHRIST-measures the success of your sanctification LOVE OF CHRIST makes you **Demonstrated His Love for us as sons in our sanctification** LOVE OF CHRIST reversed (rob you of joy/confidence you are supposed to have as a SON)

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:31-35		Question #1: If the power of God's grace is working for us, then it really does not matter who is against us - Conclusion: Therefore, do not doubt the power of God's word to transform us. That word can do exactly what it was designed to do. Question #2: If God did not spare His own Son, then we can be assured He has spared nothing in order to make us successful as His sons and daughters - Conclusion: Therefore, do not doubt God's commitment to your success, His commitment to you being a successful son or daughter. He spared not His own Son. MM says that is pretty committed. MM says this should say something about our commitment to be successful sons and daugthers. Question #3: God has already dealt with the issue of sin so that it cannot bring a halt to our Sonship life. GH: Deals with a charge of sin in your life. - MM doesn't like his wording. Just because you sin in your Sonship life it doesn't mean that now, everything is wiped out or that everything is gone away or that you cannot recover from that. - Conclusion: Therefore, God has designed, in advance, for our own failures. This should be comforting to know that if you do fail, God has already made a provision for that. God has designed our justification so that if we sin later it does not affect our eternal life. It doesn't get undone. And our Sonship life doesn't get undone. The time to talk to people about difficult issues is when they are not going through them. MM says do not get to thinking because you have failed in some way that that you must now throw in the towel. God will not accept that. God will say I GAVE you a provision for that. I GAVE you a BUCKLER-Proverbs 2:7.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:31-35	**** CONT ****	MM says IT IS GOD THAT JUSTIFIETH. That is your BUCKLER. **If you are in a battle and you go down in your Sonship life due to some failure of sin, you have a BUCKLER-Proverbs 2:7 that allows you to get right back up-your justification**. Even though it is a defensive piece of armour, it is life preserving. Another reason to love God and be thankful for Him. He has taken everything into account. MM says if you don't get back up and walk uprightly, sin can end your Sonship life, but you have to allow it. GH: After going through a guilt phase, sin will eventually kill your desire to continue in the Sonship life. You will lose interest. That's why it is important to get back up. If not those things will eventually kill your desire for a Sonship life. Won't be about feeling guilty anymore, you just won't want to do it. Question #4: Sounds very similar to question #3. GH: Balking at the doctrine or making bad Sonship choices. Condemnation is not about some sinful failure on your part. This is about being confronted with part of the doctrine and deciding you don't want to engage in that. It's about saying no to part of the doctrine you are given. For some reason, you are reluctant to obey the doctrine or you are not going to do it like you are supposed to do it. As a son or daughter, you have the ability to say no to the doctrine and God will not punish you to force you to say yes. If you say no enough, it will condemn your Sonship life, the consequence of losing your JHI. There is a REWARD OF THE INHERITANCE. MM is not saying you won't be in the heavenly places or you won't get a glorified body. Those are part of your Heir of God Inheritance. We can't just pick and choose what part of the doctrine that we want to obey. Means the doctrine is not working in you and you have brought your Sonship life to a halt. There's no leapfrogging over a doctrine that you don't like, thinking that you can just continue on. ANALOGY: Like a pawn with a piece in front of it stuck on the chess board. You are not going anywhere.
Romans 8:31-35		Good news - because of the answer - what Christ has done in the DBR and what He is doing making intercession for us at the right Hand of the Father make it posible to recover if we do neglect the doctrine. If we do condemn our Sonship life, He has done something and is doing something that makes it possible for us to recover. Could get into this predicament by making some bad Sonship choices and put ourselves in situations where we jeopardize our Sonship lives. Make a decision that is not in the best interest of your Sonship life and in the best interest of something else. MM says until this group decides not to do this, not doing this is not an option for him. MM doesn't mean to sound terrible but if you are not doing this as a Pastor, could look for another church every 5 years. Once you do it, how do you stop doing it. The decisions MM makes has to be in light of the group's Sonship lives. If MM is supposed to prefer the group over himself, he has to consider us first. Easy for him to do. What he loves and lives to do. The doctrine will require him to make decisions that are in the best interest of this church's Sonship life and then to make decisions on each of our Sonship lives individually. Then Billie's Sonship life and then His Sonship life. ANALOGY: GH: Moving to Texarkana. What if no interest? Impacts to Monahans group? Impacts to GR group? World view: MM you are not getting any younger. Need to take care of yourself. God would let you make a series of bad Sonship decisions. MM says he has seen some well intended but bad Sonship decisions that have resulted in no longer wanting to be a part of Sonship and that was never their intention.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:31-35		The curriculum may ask you to let go of something. MM not talking about giving you a list of what you can and cannot do. There are a number of ways to condemn our Sonship life and God is not going to come along and whack us. He is dealing with us as adults not as children. This is what happened to the Corinthians. They had gotten to a place and decided to stop and revert back to a place they had previously learned and they had the apostle Paul helping them. They became STRAIGHTENED IN THEIR OWN BOWELS-2 Corinthians 6:12. There is something Jesus has done so you don't have to feel like you should quit your Sonship life. You have to ask yourself how do I know that I won't balk at it a second time and the remedy for not balking at it is sitting in the second half of the verse. The remedy for being condemned: 1. The remedy is to go back to where you veered off track and get yourself on track again. Whatever doctrine you came to when you said NO that is the one you need to go back to now and say YES. 2. The remedy is to do that thing that you balked at in the first place. Go back to that doctrine and obey that doctrine. 3. The remedy is to reverse, as much as you can, a bad Sonship decision. 4. The remedy is to make Sonship the priority it is supposed to be from this point forward.
Romans 8:31-35		There are a million ways to ruin your Sonship life through bad Sonship decisions. The good news is even when you get it wrong you can come back and make it right. No matter how we neglect our Sonship life, you do not have to lose your inheritance. Question #5: Addresses the Adversary's attempts to make us quit our Sonship life. Those seven categories begin at the mildest and proceed to the most severe, in keeping with our advancement in the Sonship curriculum. - The confidence we are supposed to have in the curriculum is that it has the power to take the attacks of the Adversary (which are designed to make us quit) and instead, we are made stronger (more than conquerors) by the endurance of those attacks. The bottom line: Do not lose confidence in the curriculum when faced with the attacks of Satan. The fact that we are not being delivered from the attacks is not a sign that God does not love us, but rather that He does. It is the love of Christ and the love of God which make it so that we are not overcome by Satan's attacks. It is the love of Christ by which we are refined in our Sonship life by the godly endurance of the attacks against us. And, we will need to love God for designing it this way. It is the life of Christ in us that enables us to withstand the attacks and we should love our Father for that design too. And how do we get the life of Jesus being lived in us? It is by the working of God's word in our inner man. There is no legitimate reason for failing as a son. He has made/will make provisions for you to succeed as a son that you cannot be separated from, no matter what happens.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:31-35		There are 5 components in Proverbs 2:6-8. These five components match up with the 5 probing questions of Romans 8:31-35. Here are the 5 components in Proverbs: - Proverbs 2:6 matches with Romans 8:31 - Proverbs 2:7a matches with Romans 8:32 - Proverbs 2:7b matches with Romans 8:33 - Proverbs 2:8a matches with Romans 8:34 - Proverbs 2:8b matches with Romans 8:35 These 5 questions are important because they encompass all of the things that might be happening that could tempt you to make you quit your Sonship life. They can all fit into one of these categories. Doesn't matter what it is. MM says he knows that your Heavenly Father doesn't want you to quit because He has made the ultimate sacrifice for your success - His Son. He didn't give His Son so you could miss hell. He gave His Son so you could be the fullness of His Son or daughter.
Romans 8:31-34		GH: These are nutshells for each of the first 4 questions. Question 1 – Your Father provided five steps (GH: of provision-Romans 8:29-30) to ensure your success as a son Question 2 – As you progress through the curriculum, the Father and the Son will give you everything else you will ever need to succeed as a son Question 3 – No charge leveled against you can disqualify you from your placement in the creature because, as a son, you will be fully justified for your office Question 4 –Because of Christ's work (GH: 4-part remedy)/intercession on your behalf, provision has been made so that even your own failures cannot keep you from succeeding as a son If you are understanding these questions then you are getting what is meant to be gotten out of that (GH: these 4 verses/questions). MM notes these summations are not a replacement for the scripture by any means. Have to understand how these questions build on each other and follow a thread that runs through all of them, rather than just 5 questions that don't seem to have much connection.

Romans 8:31	The Character and Essence of God - Issue 1 of 4: the Power of God / Question 1: About instilling confidence in the Father	31 What shall we then say to these things? If God be for us, who can be against us? WHAT SHALL WE THEN SAY TO THESE THINGS: Not one of the 5 questions but it prompts the 5 questions. **Is there anything more that needs to be said to these things? These things are enough, aren't they?** Aren't these things sufficient to enable us to handle the SOPT? Referring back to v29-30. In view of what I just told you, what do you say about all this? He is going to be talking to you about this curriculum and the things that you are supposed to perceive about this curriculum - that it has the capacity and the power to do all the things that its supposed to do in our Sonship life. In Proverbs, learned that: - You are going to be fully equipped - He is going to enable this thing to effectually work IN you so that it will keep you against the EVIL MAN and STRANGE WOMAN attacks Paul is going to ask us to consider some other things and he's going to give them to us by questions.
Romans 8:31	The Character and Essence of God - Issue 1 of 4: the Power of God / Question 1: About instilling confidence in the Father	31 What shall we then say to these things? If God be for us, who can be against us? Probing Question 1: Matches Proverbs 2:6 - For the Lord giveth wisdom: out of his mouth cometh knowledge and understanding. - If the power of God's grace is working for us, then it does not matter who is against us. The Power of God can transform us. THEN: MM told you before that this took you back to the things in v29-30. He was wrong about that. He was right to take you back to that context. The THEN of what we just went through. THESE THINGS: ***CORRECTION: Are the things you're about to be asked about, NOT the things you just read.*** There's not anything to say about that, He just told it to you. Happens all the time where He tells us something we didn't know about. He doesn't turn around every time and say what do you have to say about that? We do this all the time. EX Discussing food for a fellowship - full blown meal, finger foods, etc. - and MM says what do you say about this? Expecting something new to come out of his mouth. The THESE THINGS are now going to refer you to the 5 questions. What shall we say then to the things I'm about to ask you? MM says this may not sound like a big deal but he wants to make sure that we get this right.

Romans 8:31	The Character and Essence of God - Issue 1 of 4: the Power of God / Question 1: About instilling confidence in the Father	31 What shall we then say to these things? If God be for us, who can be against us? First question is about giving us/instilling confidence in the Father. Two questions: 1. Set up question for things that come before - First question is the setup question (GH: not really a question) - like can I ask you a question? 2. IF GOD BE FOR US, WHO CAN BE AGAINST US? MM says anybody can answer this question. A small child can. An atheist can. The answer is NOBODY/no one. But if that's all you think about the question, you will miss the total point of the question - need to know WHY.
Romans 8:31	The Character and Essence of God - Issue 1 of 4: the Power of God / Question 1: About instilling confidence in the Father	31 What shall we then say to these things? If God be for us, who can be against us? Two problems: PROBLEM 1: In Sonship, we know He has put His omnipotence aside. So He is not going to fix anything with His Power. We default back to this every time. PROBLEM 2: You have to know the WHAT (answer to the question) and the WHY (the way that it is). You have to be able to say WHY because the full persuasion that creates an unwavering confidence in your Father's curriculum cannot be produced IN you until you can answer that WHY of all 5 of these questions. FOR US: Not God is a really strong Guy and on my side and He can whip everybody. God is FOR US in that He made 5 steps of provision that ensure the success of my Sonship Education. Not saying IF GOD BE FOR US being saved or God being in favor of us or living for Him or God is for me living a happy life or is for me being a Christian. How God is FOR US - the 5 steps of provision and there isn't anything anyone can do to stop these 5 steps. They are done. An accomplished fact. AGAINST US: Anyone that sought to stop that Sonship education from being successful. Is general, no one particular in mind. Is not the reversal of the above. Not against me being saved or against me being a good Christian. Not someone trying to get your life to be miserable.

Romans 8:31	The Character and Essence of God - Issue 1 of 4: the Power of God / Question 1: About instilling confidence in the Father	31 What shall we then say to these things? If God be for us, who can be against us? Question 1: IF GOD BE FOR US, WHO CAN BE AGAINST US?: Normal answer - NOBODY. If the power of God's grace is working for us, then it does not matter who is against us. WHO CAN BE AGAINST US?: Logical answer is 'nobody'. MM used to say 'God + 1 is a majority'. Saying if God is on my side, nobody can stand against us. Not what that question is asking. Remember you are not being dealt with as an omnipotent God, you are being dealt with in a Father-son relationship and God has suspended all of His omni-omnis. You are not meant to answer this question out of logical reasoning which is no one because God is an ominpotent God who can do anything He wants. Even a lost person can come to this conclusion. No one is the right answer. But if you are answering out of logic, you don't understand what the question is really getting at. Have to understand this question in the context of v28-30. God is not dealing with us out of His omnis here. Right answer is 'no one' but you have to know WHY that is the right answer. If you don't know WHY this is the right answer, this verse cannot effectually work IN you. It is meant to do that. Take this verse and ponder what it is really saying and something will be worked IN your inner man that is necessary for you to have before you start the Sonship education. If you think about this verse by thinking about God's Power, effectual working will not take place. It's not going to do for you what it is supposed to do.
Romans 8:31	The Character and Essence of God - Issue 1 of 4: the Power of God / Question 1: About instilling confidence in the Father	31 What shall we then say to these things? If God be for us, who can be against us? When you do answer this question, has to be out of what is sitting in v28-30 because of the control of the lead in question - WHAT SHALL WE SAY THEN TO THESE THINGS? Based on what you have been told in v28-30 how do you know this is true? (GH: that 'no one' is the answer). When you can answer that, then you've got it. MM says have to understand FOR US and AGAINST US. He knows that you generally know, but in what way? Is He for you like <clapping> go team, I AM on your side? There is something specific that tells you HOW He is for you. v28-30 tell you something that God has done which now demonstrate it for you. Because of these 5 steps of provision (v29-30), He made it so that ALL THINGS (everything that happens to you, whether good or bad or indifferent) are going to WORK TOGETHER FOR GOOD (your benefit). He made it so that everything that happens to you is going to benefit you when you get out into the heavenly places and He did it through the 5 steps of provision. Realize that once you start this Sonship education, there is absolutely no way you can fail.

Romans 8:31	The Character and Essence of God - Issue 1 of 4: the Power of God / Question 1: About instilling confidence in the Father	31 What shall we then say to these things? If God be for us, who can be against us? If God has done all these things for us to be successful in our Sonship education, who in the world could keep this from happening? ANSWER: Nobody. Don't pass this question off like it has no depth to it. You have to really come to grips with this question - the answer is no one. You have to be convinced that no one can be AGAINST US. Have to be totally convinced of that. No one can undo God's first 2 steps of provision. There's no way He would change His Mind on these. There's nobody who could make Him change His Mind. Nobody can reverse that. No one to prevent Him from calling sons and daughters to the education. No one can nullify your justification.
Romans 8:31	The Character and Essence of God - Issue 1 of 4: the Power of God / Question 1: About instilling confidence in the Father	31 What shall we then say to these things? If God be for us, who can be against us? No one that can stop being GLORIFIED. No one can successfully come against you because what God has done in those 5 steps of provision. Nutshell: For the 5 provisions that God did FOR us, can anybody undo or nullify or reverse or make void what God has done? The answer is NO ONE. You have to see all these things as set in stone. Really see them that way. This question is meant to settle the issue that what God has done, there isn't anybody that can do anything to reverse it. No one can thwart our Sonship education. You know all the things that God did (which are listed in v29-30: foreknew, predestinate, called, justified, glorified) to make verse 28 a reality (to make it so that all things do work together for good) and based on that, answer the question “if God be for us (as sons engaged in His Sonship education), who can be against us?” If God be for us (in view of all He has done as described in v28-30), is there anyone at all who can be against us?

Romans 8:31	The Character and Essence of God - Issue 1 of 4: the Power of God / Question 1: About instilling confidence in the Father	31 What shall we then say to these things? If God be for us, who can be against us? Has to effectually work IN your INNER MAN. MM is going to walk us through that process. MM can't do it for you and can't do it in public. This can only be done between you and your Heavenly Father. It's about 1 thing and 1 thing only. I'm either going to be educated as a son and labor with my Heavenly Father OR I'm not. Who can reverse what God has done for you as a son? Answer: no one. This should give you confidence that this is going to work. You are the only one who can sabotage what is going on. Why one of the WHO questions are directed at YOU. When you go through the education, you are made worthy of what you will receive in eternity. If this is going to work for you, you are going to have to work. You are going to have to spend time in it/with it. Can't just show up here and that is it. Won't work that way. You are not going to be Israel standing up on the mountain watching the enemy armies destroy themselves, you are going to be in the battle and you better be swinging a sword and holding up a shield. He did everything that you couldn't do (MM points to the 5 Steps of Provision) and He equips you now to do something and that thing you need to do qualifies you. Not trying to say we are great, you will really have to learn your stripes in this thing. If you don't, you won't be given them.
Romans 8:31	The Character and Essence of God - Issue 1 of 4: the Power of God / Question 1: About instilling confidence in the Father	31 What shall we then say to these things? If God be for us, who can be against us? Effectual Working: - Make sure you understand what is being asked by this question. What are you being asked? Can you write it in your own words? Make sure you understand why the correct answer is “no one.” - Look at verses 28-30 and make sure you understand those terms, their meanings and appreciate the order in which they are mentioned. - Once you have the steps of provision down in your thinking and you know what they entail, look at that first question and ask yourself if you really believe that the answer is “no one” - and make sure you are saying that answer for the right reason. - Talk to Him about what that means to you. Explain to Him why you think about it the way you do. Look at the Scripture you are talking to Him about and make sure there is nothing in your mind that gives you pause or doubt. If this means anything to you, you have got to spend some time with this.

Romans 8:31	The Character and Essence of God - Issue 1 of 4: the Power of God / Question 1: About instilling confidence in the Father	31 What shall we then say to these things? If God be for us, who can be against us? It will be different for each of us. If you have an issue, it is going to take longer. There's 1 of 2 problems: 1. There's something that you don't understand in v31. 2. You missed something in v28-30. Not saying nobody will be against you, there's a list in Romans 8:39. Saying no one will be successful against you. Doesn't matter who it is. Doesn't matter how many there are. Because there's only one God.
Romans 8:32	The Character and Essence of God - Issue 2 of 4: the Grace of God / Question 2: About instilling confidence in the curriculum / GH: Suffering Verse	32 He that spared not his own Son, but delivered him up for us all, how shall he not with him also freely give us all things? The promise is: There is nothing we can encounter in this life that cannot be dealt with by **those things which God will freely give us**. You lack nothing that will keep you from responding to the things as you should. The ability to deal with our tribulations and our sufferings is not out of our reach. The ability to deal with those is possible for us. It's there. We will choose whether or not we do it. But those things will certainly be given to us freely. Begins to point us toward the future to some things we are going to need as we progress through the education. Question two is about the Son, so: how shall He not with Him freely give us all things? We may know that He will give us everything we need, but it is question five that tells us that when He does, no one can separate us from the "all things." The Cross was necessary if you were ever going to be adopted and treated as a son. This is more than just you being saved. **He didn't save you just to save you, He saved you so that you could be a son**. First two phrases - we are reminded of what God did in order to make our Sonship education possible. Second question is about giving us/instilling confidence in the curriculum. What God did to make sure that this education was going to suceed in everyone of us.

Romans 8:32	The Character and Essence of God - Issue 2 of 4: the Grace of God / Question 2: About instilling confidence in the curriculum / GH: Suffering Verse	32 He that spared not his own Son, but delivered him up for us all, how shall he not with him also freely give us all things? Probing Question 2: Matches Proverbs 2:7a - He layeth up sound wisdom for the righteous: Question 2: HOW SHALL HE NOT WITH HIM ALSO FREELY GIVE US ALL THINGS?: **If God did not spare His own Son, then we can be assured He has spared nothing in order to make us successful as sons and daughters**. God is committed to our success. MM loves it when people define ALL THINGS as a ranch in Colorado. Office of the President. He would (FREELY GIVE US ALL THINGS), wouldn't He? Everything you are going to need. ALL THINGS doesn't mean everything that pops into your brain. It means everything you are going to need in this Sonship education/edification. A favorite for the 'name it and claim it' crowd, we can ask for whatever we want and He is going to freely give us ALL THINGS. MM jokes ask Him for the winning lottery ticket and see how that works for you. People will look at this, out of its context, and declare that God has promised to "give me whatever I want." - "all things." If He has gone to the trouble to give us His own Son in order for us to be successful with this, Paul is making the statement there's not anything He is holding back. He has already given the biggest Thing that He could give. Real easy to just read over and miss what you've got to have in your mind in order for this verse to make the impact in you it's supposed to make so that the answer to this question can be properly answered.
Romans 8:32	The Character and Essence of God - Issue 2 of 4: the Grace of God / Question 2: About instilling confidence in the curriculum / GH: Suffering Verse	32 He that spared not his own Son, but delivered him up for us all, how shall he not with him also freely give us all things? HE THAT SPARED NOT HIS OWN SON SPARED: To "spare" is similar to "save, preserve and protect." All of these words contain the idea of "keeping from evil." The first difference between them is that "prevent and protect" have to do with those things which are possible. Spare and save have to do with things which are actual. Means you are actually going through that something. The precision of the word "spare" is seen in this: one is spared only from those things which are in the power of another to inflict evil (generally). All for of these words - spare, save, preserve, protect - can be used in the context of protecting from some kind of evil or misfortune or pain. Preserve and protect - used to talk about things that are 'possible'. EX Protect your children from a possible bad circumstance. Spare is a word that has some purpose behind it. Difference between spare and save. Spare has purpose, someone has to intentionally do it vs. a canteen strapped around your chest stopped a stray bullet and saved your life. The adversary wanted to inflict evil on the Lord Jesus Christ.

Romans 8:32	The Character and Essence of God - Issue 2 of 4: the Grace of God / Question 2: About instilling confidence in the curriculum / GH: Suffering Verse	32 He that spared not his own Son, but delivered him up for us all, how shall he not with him also freely give us all things? There was something that was actually going to happen to Jesus that God made a purposeful decision not to spare Him from. MM says does that ring a bell with you? God did not put His Hand between His Son and the evil that Satan was capable of inflicting on Him. Father didn't intervene when the devil came to tempt Him after the 40 day fast. He was depending on His Son to rely on, to get Him through the things that were being inflicted upon Him GH: by using the Sonship education to be able to endure those things. See here that God purposefully stood by and allowed all of the things that the adversary could inflict upon His Son to take place and trusted that the education that His Son had would take Him through that to the glory of the Father. MM hates to use this term because it makes you think He is not doing anything. What He is always doing is in the INNER MAN of a son. God stood by and allowed all of the things that adversary could inflict upon His Son to take place. Need to see everything sitting in this verse to talk to your Heavenly Father about it. Could have just pointed to the Cross and that would be it. He's pointing you back to think about what it is the Father did not do. He did not spare His Son from someone who had the power to inflict some things upon Him and He did that purposefully. To see the first part of the verse right, we've got to take that back to our own establishment as a son. MM thinks there are 2 things that you ought to look at with regard to that. So when we read that God spared not His own Son, you understand that He dealt with the Lord Jesus as a Son, just as He deals with us as sons. God did not spare His Son even from the ultimate power possessed by the Adversary; death. But by means of that death, the very things Satan sought to undo or to thwart, were accomplished and made sure. If God spared not His own Son, it would be ridiculous to think that there was anything you would need as a son, that He would not freely give you. It would be ludicrous to think that after all He has done, He would fail to give everything else necessary to succeed as a son.

Romans 8:32	The Character and Essence of God - Issue 2 of 4: the Grace of God / Question 2: About instilling confidence in the curriculum / GH: Suffering Verse	32 He that spared not his own Son, but delivered him up for us all, how shall he not with him also freely give us all things? HE THAT SPARED NOT HIS OWN SON: When you see that God did not spare His own Son, should make you think/perceive two important things about this: 1. 'Charity' - You are being reminded of the “charity” of God which is going to come into play at the very outset of the education proper. **This is the ultimate act of godly charity that has ever been performed**, This was God's demonstration of godly charity. God did something to His own detriment in order that someone else He cared very much about obtain a benefit. There are people who will die for people that they care about or sacrifice for someone but God, WHILE WE WERE YET SINNNERS-Romans 5:8, did what He did. We were in total opposition and rebellion to Him and yet He caused His Son to give His Life for those who were opposed to Him. That's the kind of charity the Bible has in mind. CHARITY is the very first thing you are taught about when the education starts in Romans 12:3. Teach you godly charity toward the other members of this local assembly. You will learn to V&E the other members of this local assembly to such an extent that you would be willing to give up of yourself for their benefit. That He wanted you to succeed as a son so badly that He was willing to stand by and allow someone who had the power to inflict evil on Him do everything they could do, including death. He stood by and allowed that so that you could become the son and daughter He intended for you to be. That's what's sitting in that phrase. When GOD SPARED NOT HIS OWN SON, that was His Way of demonstrating the charity of God. He will teach us to view others the way He views them and how to conduct ourselves with them the way He does. That's the big part of what He is trying to do here. God wanted sons to labor with Him so badly that He was willing to SPARE NOT HIS OWN SON in order to make that happen. (GH: prayer topic) Understanding the great lengths to which God has gone in order to ensure our success as sons should make us understand just how vitally important this issue is to God and therefore how important it should be to us.

Romans 8:32	The Character and Essence of God - Issue 2 of 4: the Grace of God / Question 2: About instilling confidence in the curriculum / GH: Suffering Verse	32 He that spared not his own Son, but delivered him up for us all, how shall he not with him also freely give us all things? HE THAT SPARED NOT HIS OWN SON (cont'd): 1. 'Charity' (cont'd): He was willing: - for His Son to take on a fleshly body, - for Him to be humiliated, - for Him to be spat upon and mocked, - for Him to be rejected, - for Him to take on every sin ever committed, and
Romans 8:32	The Character and Essence of God - Issue 2 of 4: the Grace of God / Question 2: About instilling confidence in the curriculum / GH: Suffering Verse	32 He that spared not his own Son, but delivered him up for us all, how shall he not with him also freely give us all things? - to let His Son face the adversary one-on-one for 3 hours in the most dangerous confrontation that Jesus had ever encountered with all of God's plan and purpose on the line. - for Him to meet the adversary as a man and not as deity in a 3-hour battle in which Satan desired to kill Him while He was the sin bearer which would have totally wrecked God's plan. - to go through all of that so that He could have sons labor with Him. That's what He really is wanting. That's wanting it pretty badly. - to offer you an inheritance the likes of which this world has never seen. - to let you take part in the grandest Business that has ever been since the creation of the world. - to let you work side-by-side with His Son Jesus Christ and be among His inner circle to determine where things are going to go in the AGES TO COME. Because the Father had charity He was willing for that to happen to His Son. MM didn't even mention how Jesus felt about it because it was Him that did it. How much did He have to care? How much did He love you that He would do that? When He did this, God knew that not everyone would be an educated son. MM gives the analogy of planning an event and as more and more people drop out/decline, thinking about just canceling the event or down scale it. Your Father said I KNOW it is only going to be a few but I AM going to do every single thing if all of them had done it. He is not downscaling it or cutting it back or cancelling it.

Romans 8:32	The Character and Essence of God - Issue 2 of 4: the Grace of God / Question 2: About instilling confidence in the curriculum / GH: Suffering Verse	32 He that spared not his own Son, but delivered him up for us all, how shall he not with him also freely give us all things? HE THAT SPARED NOT HIS OWN SON (cont'd): 2. 'Reason/Purpose' - You are also being reminded of the very reason for God sparing not His own Son - Should remind you of the purpose for which God did not spare His own Son, even from the Cross - **Purpose wasn't so you could get out of hell, the purpose was so you could be a son (GH: Galatians 4:5). If God had spared His Son, there will be no adopted sons in God's eternal Business**. God did not send Jesus to be the sin-bearer so you and I could get saved and let that be the end of it. No, His plan goes far beyond that. Ask most believers why the Cross and the most popular answer is He did it for you, because He loved us and wanted us to be saved. MM is not denying that but even that had a purpose behind it. It wasn't just be saved and that's the end. That's not the end. Without being saved, there wouldn't be any sons to labor with Him. That's the purpose. Gave rise to the thinking, now that you are saved, it would be nice if you would serve the Lord. But to God, God is not looking at it that way, that He just wants us to get saved. When you think that, you have no idea of the agenda that has been set for once you get up there. What do you think we are going to do? Do you think we are just going to hang out? We're just going to hang out with Jesus? Some people think it is going to be one big, long, eternal praise and worship service or the ultimate retirement gig. MM says no it won't. Do you think God saved you because He was lonely? The real question is - what am I being saved FOR? That is the real question. He didn't just save us just to save us. He saved us for a purpose, there was purpose behind that. It was so that He could have many sons and daughters that would labor with Him in eternity. That is what He was after, that is what He wanted. You needed spiritual fitness, but His plan and purpose went beyond let Me just save you. So when you see GOD SPARED NOT HIS OWN SON-Romans 8:32, you are supposed to think of the ultimate purpose He had in doing that. MM says isn't it a shame, when the purpose for which something was done, especially when you go to these kind of lengths, that the person wants the benefit of being saved but not the benefit of being a son? When you read GOD SPARED NOT HIS OWN SON, he is talking about something way more than well, He died on the Cross so that you wouldn't go to hell, it was that He did something on that Cross that allowed you to be a son. That's the purpose. **Point: The Cross is tied to Sonship. He did it so that you could become sons and daughters. The Cross is not an end, it is a means to an end. If He didn't redeem us, there would be no sons**.

Romans 8:32	The Character and Essence of God - Issue 2 of 4: the Grace of God / Question 2: About instilling confidence in the curriculum / GH: Suffering Verse	32 He that spared not his own Son, but delivered him up for us all, how shall he not with him also freely give us all things? BUT DELIVERED HIM UP FOR US ALL: You understand that the word "deliver" does not mean "rescue/rescued," but it means God delivered His Son up just as a UPS package is delivered (GH: active, not passive like SPARED NOT HIS OWN SON). It is something being brought to a place for a purpose. He put Him in the spot He was supposed to be in order for us to become the sons He wanted us to be. FOR US ALL: The normal way to look at the verse is to see it in the context of referring to "Jesus died on the Cross for the world/the entire world of lost men." But this takes us out of the proper context, don't get to bail out of the context you are in. The idea being that God delivered up His Son for the whole world to be saved. But the issue here is not, and has not been for some time, "being saved." The issue is (GH: sons who are being educated, talking about that small group): - Sons which have cried "Abba, Father" - Romans 8:15 - Sons who "are the called according to His purpose" - Romans 8:28 - Sons who are actively engaged in their establishment as sons - Sons who are being justified for the position they will hold - Romans 8:30 - Sons who will be glorified as the joint-heirs they will be - Romans 8:30
Romans 8:32	The Character and Essence of God - Issue 2 of 4: the Grace of God / Question 2: About instilling confidence in the curriculum / GH: Suffering Verse	32 He that spared not his own Son, but delivered him up for us all, how shall he not with him also freely give us all things? Therefore, when Paul says that God "delivered Him up for us all" it was with the purpose of God in mind; delivering Him up so that "Christ would be the firstborn among many brethren." The "us all" then would not be a reference to the world of lost men. It would not even be a reference to the entirety of the saved members of the body of Christ. It would be a reference to every son or daughter who is engaged in the Sonship education. That keeps us in the context and guides our thinking to the way it is supposed to go. MM is not denying that Jesus died for the sins of the world, but he is saying that the purpose behind that goes beyond mere salvation, it goes to Sonship. If this passage is supposed to engender confidence in your Father and in His curriculum's ability to do what He says it will do, how does it instill confidence in that by knowing that God delivered up Christ for everyone who was ever born into the world? It does not. MM says Jesus didn't die for anybody who He didn't intend to become a son or daughter. He didn't save anyone for the sake of saving them. There was no one like that. But if you see this as God, with a future purpose in mind (a purpose of having sons labor with Him), delivered up His Son for every single son (us all)who is engaged in the education that will equip them and qualify them for that great purpose, when you see that this is part of the provision that God made in order for you to be a successful son, that does engender confidence!

Romans 8:32	The Character and Essence of God - Issue 2 of 4: the Grace of God / Question 2: About instilling confidence in the curriculum / GH: Suffering Verse	32 He that spared not his own Son, but delivered him up for us all, how shall he not with him also freely give us all things? BUT DELIVERED HIM UP FOR US ALL (cont'd): Nutshell: The first two phrases (GH: passive and then active) of Romans 8:32 tell us that God did not step between His Son and the evil that Satan had the power to inflict on Him, and it tells us that God did not just allow those things, but that He actually delivered His Son up for every son (us all) who would engage in the Sonship education because that is representative of how much He loves us (charity) and to what lengths He will go to ensure our success as sons (confidence). He also actively participated by "delivering His Son up (unto death) for us all". Your Father will go to any lengths in order to have those sons and daughters labor with Him in eternity. * He is totally committed to you and to His purpose with you.
Romans 8:32	The Character and Essence of God - Issue 2 of 4: the Grace of God / Question 2: About instilling confidence in the curriculum / GH: Suffering Verse	32 He that spared not his own Son, but delivered him up for us all, how shall he not with him also freely give us all things? * He knew this was going to cost Him something before this whole thing started, but He was willing to do it anyway. * He knew that in spite of all He was going to do in order to have sons labor with Him, that not all of them would do it. * He knew that there would be those who would trust Christ and then not be interested one bit in working with Him in His Business in the heavenly places. * He knew the policy of evil would be very successful in keeping the knowledge of Sonship (and what that entails) from the body of Christ. * He knew that many of them who would be redeemed would love this present world more than that which He has prepared for them in eternity. * He knew that at the end of it all, only a small minority of people would actually be the fulfillment of what He had in mind when He put all this into motion in the first place; that only a fraction of men and women would be the sons and daughters that He purposed to have labor with Him. See just how committed He is to you when He has been willing to do this whole thing for a just few, to go to such great lengths to do it, and to do it to His (and His Son's) own detriment.

Romans 8:32	The Character and Essence of God - Issue 2 of 4: the Grace of God / Question 2: About instilling confidence in the curriculum / GH: Suffering Verse	32 He that spared not his own Son, but delivered him up for us all, how shall he not with him also freely give us all things? HOW SHALL HE NOT WITH HIM ALSO FREELY GIVE US ALL THINGS? The question part. Everything you are going to need to overcome whatever may be in front of you. If He has gone to the trouble to do the first 2 phrases, is there anything He would withold from you to keep you from being successful? The Sacrifice of His Son was the big commitment. He is saying I HAVE made the big payment. If there are a few other little things along the way, don't you think that I would give you those in order for you to make it as a son? ANSWER: He will. Based on what He has already done, is there anything you can think of that He is now going to hold out on you over? No. You know He is not going to hold out on you. Should give you confidence in your Father and in this curriculum to do what it says it is going to do. To remove any doubt that this is going to work. FREELY GIVE US ALL THINGS: All the things we need when those who are against us attempt to defeat us spiritually. We can have confidence that His grace is sufficient. We can be more than conquerors. We may be attacked but we are not sheep for the slaughter, we are more than conquerors through Him that loved us. When Paul lists principalities and powers in the list of things that may be “against us” he informs us that we have an ever-present provision for deliverance from these attacks (GH: Helmet of salvation from Romans 8:35-39).
Romans 8:32	The Character and Essence of God - Issue 2 of 4: the Grace of God / Question 2: About instilling confidence in the curriculum / GH: Suffering Verse	32 He that spared not his own Son, but delivered him up for us all, how shall he not with him also freely give us all things? FREELY GIVE US ALL THINGS: All the THINGS that you will need to be able to succeed in your Sonship life. If He delivered up His Son, is there anything that He would value more than that? Do you really think He is going to keep something else back that you need? He has already given you the biggest thing you can get. Because of that, you know that He is already given you everything you need to be successful in your Sonship life. HOW SHALL HE: The Father WITH HIM: Two ways to look at - How you see the prepositional phrase “with Him” will determine what you understand about this verse. Does the word “also” connect directly with the phrase “with Him” or not? That will decide what this phrase is pointing at. MM can see both ways but thinks the former understanding is intended. 1. We can see the verse reading this way: “Since God delivered up His Son for us all, how shall He not (along with giving us His Son) freely give us all things?” 2. If you separate the “also” from the phrase, it would read with this understanding: “Since God delivered up Is Son for us all, how shall He not (along with what He gave His Son) freely give us all the things we will also need too?” In other words, is the “also” something we are given in addition to God’s Son, or is the “also” referring to something that was given to God’s Son which is also given to us? 'With Him' is Father with the Son. They will both, through the Sonship curriculum, freely give us “all things” as we progress through the Sonship curriculum. That is to say, the Father and the Son are working in tandem, so to speak, to give us “all things.”

Romans 8:32	The Character and Essence of God - Issue 2 of 4: the Grace of God / Question 2: About instilling confidence in the curriculum / GH: Suffering Verse	32 He that spared not his own Son, but delivered him up for us all, how shall he not with him also freely give us all things? FREELY: Without hinderance/reservation, liberally, unreservedly, without restraint, to all comers. US ALL: When Paul says “us all” he is actually referring to a very small group of people who are engaged in the Sonship education. ALL THINGS: This is not supposed to be understood this way: “Well, since God is for me and no one can be against me, then God is going to freely give me (all things) money, prosperity, a good job, good health, the right business contacts, smart children, nice cars, a great house, etc. People go back to v31 and think God is for them and now He is going to give them all the things they want. MM says if you paid attention to Sonship and Paul, those ALL THINGS are the last things you would get. But don't worry, the reward isn't here, it's up there. Refers to all the things that God has done/will do to ensure that our Sonship education does IN us what He says it will do. The “all things” are referring to all the things we will need to ensure the success of our education, our edification and our vocational training. ALL THINGS that we will need as sons. Someone says good and bad. All the things necessary to make you succeed as a son. There are things He is going to do to make you successful in the curriculum, you just haven't gotten to them yet. EX Romans 8:26 and the Spirit making intercession for us is part of the ALL THINGS. If God has done all the things He has, in order for us to succeed as His sons, who in the world could possibly thwart that process? The answer was “no one.” As long as a son wants to be educated by the Father, the things God has done “for us” cannot be undone, cannot be reversed, cannot be stopped and cannot be overcome. Where are the ALL THINGS coming from? How are you going to get it? You are going to be given some things through the Sonship curriculum. He doesn't list the ALL THINGS either and there's a lot of things sitting in there. These are meant to be everything we need to be successful as sons. People want to use this verse to mean every single thing they can think of. MM asks did you get that Rolls Royce or that winning lottery ticket?

Romans 8:32	The Character and Essence of God - Issue 2 of 4: the Grace of God / Question 2: About instilling confidence in the curriculum / GH: Suffering Verse	32 He that spared not his own Son, but delivered him up for us all, how shall he not with him also freely give us all things? Is meant to put this issue to rest in your own mind: If you are looking at Romans 8:35 and think I don't know how I will go through these, you don't need to know. All you need to know is that God has put it in the curriculum and when you get here you'll never be tested in before you get there. Do you think your Father SPARED NOT HIS OWN SON BUT DELIVERED HIM UP so that it wouldn't work for you? There's no situation in your life that would keep this from working for you. MM says please do not underestimate the power of this curriculum. There is something that has been said that would limit the curriculum's ability to do its job, even though you have made the cry of ABBA FATHER and you want it to work. Can say it several different ways. MM wondered the exact thing. 'What if I waited too late in my life for Sonship to work for me?' When you say that, you are limiting the power of the curriculum to do its job. It will do its job, doesn't matter how late in life you start, you will be successful as a son. Don't confuse with 'I'm going to achieve one of those 24 seats'. You will succeed as a son. This curriculum is not going to fail and the guarantee is given to you when he says HE SPARED NOT HIS OWN SON, there is no way He's going to go to that length and allow some little circumstance to stand in your way of succeeding as a son or daughter. Included in this question is - we cannot limit this curriculum. We cannot get to the place where we say I've got a situation it won't handle. MM says it will. You could have problems in your life that you don't know how to deal with yet (SE Pt3-#20), but you will (GH: When you get the 4 decision-making skills).
Romans 8:33-35		3 obstacles to our Sonship, potential dangers to you continuing as a son or impact you as a son. MM used to think the WHOs were specific like this. This is the way that this gets taught. v33: you v34: you v35: devil MM no longer thinks these are specific. Because when the Bible uses the word WHO with regard to a specific individual, it is identified WHO the WHO is in the context. In these 3 verses, have a tandem of things that are done by the Father and the Son that are jointly doing.
Romans 8:33-34		There is no charge that will be leveled against you that will be able to stand that will disqualify you from being a son with an office in the creature. Last week driving so hard may have made it sound like it was a total lock. If someone laid a charge against you and you knew you were guilty/wrong/messed up and someone brought it up, what does that do to you? Group says discourages you, shames you, load of guilt. MM says think about how this will impact you. Think you can't get it right or get it working for you. Then, you think you have ruined it. If the charges have been dismissed, there is not going any condemnation. This thing is going to make you lose confidence and think you failed as a son. MM says no matter how bad you blow it up, you can salvage all of it. When you muff things up so badly that you could see yourself as a failure and in your own mind, condemn yourself, GH: Christ covered this in the DBR. Point: He is not quitting on you. He doesn't want you to quit on yourself. Don't quit on Him.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:33-34		The Father and the Son are going to get you to the place that no matter what you do, this is going to work for you. This remedy that they've got here. Your Father is not going to sit down with you and say I KNOW that you tried really hard, but this just isn't for you. He is suiting you for Sonship. You don't have it intrinsically in you (GH: the ability) to sit in one of those seats but He is going to put it IN you. v33: HoG: What the Father does in response to "charges" laid against us preserves our "heir of God" inheritance, while what the Son does in response the "condemnation"(v34) preserves our "joint-heir" inheritance. v34: JHI: Goes beyond simply giving you a place in the creature and making you part of the body of Christ. This aspect of your inheritance puts you in a position/office of authority in the creature. v33: Father's perspective: I took care of anything you could ever do to ruin your heir of God inheritance and you don't have to worry about a single CHARGE that is laid against you. v34: Son's perspective: When it comes to being condemned, because you have left something out, you are going to have to have My Perspective.
Romans 8:33-34		**The two ways a son can fail his Father.** **1. v33: By sin / CHARGE -- Because of sin.** **2. v34: By neglect of the doctrine in some way / CONDEMNATION** If you think about them the right way, will produce godly sorrow and grief in us. -- Beause of neglect. Neglecting the doctrine / Sonship life / the virtues that are supposed to be produced IN us. We will be sorry if we allow these things to happen. We cannot allow the charge or condemnation to force us into quitting our Sonship life.

Romans 8:33	The Character and Essence of God - Issue 3 of 4: the Justice of God	33 Who shall lay any thing to the charge of God's elect? It is God that justifieth. Probing Question 3: Matches Proverbs 2:7b - he is a buckler to them that walk uprightly. Notice that it does not say “anything,” but it says “any thing.” There is a difference. Question 3: WHO SHALL LAY ANY THING TO THE CHARGE OF GOD'S ELECT? God has already dealt with the issue of sin so that it cannot bring a halt to our Sonship life. God has designed, in advance, for our own failures. Context is not about your salvation. Context is about your sanctification and your Sonship. Said another way: “Is there anyone, who can call attention to the times you failed to function as a son, and thereby deem you unworthy of being God’s elect?” Even if you fail to conduct yourself as a son, no one can point out those failings and declare you to be disqualified or unworthy of being qualified for your position and office in the heavenly places. Because you “stand or fall” before your Father, not the adversary, not the world, not believers outside of Sonship and not even to other sons. What would someone be seeking to accomplish by laying a charge against you? - To deem you unworthy - To discourage you - To disqualify you - To discredit you Learn nothing you do will effect your HEIR OF GOD inheritance. The Father is really saying you don't really think that in doing everything that I DID and foreknowing and predestinating and calling and justifying and glorifying you that I AM going to let you come along and now derail this train? You can't. The only thing you can do is jump off the train and quit. You can't derail it.
Romans 8:33	The Character and Essence of God - Issue 3 of 4: the Justice of God	33 Who shall lay any thing to the charge of God's elect? It is God that justifieth. WHO SHALL LAY ANYTHING TO THE CHARGE OF GOD'S ELECT?: The problem/dilemma of WHO SHALL LAY ANYTHING TO THE CHARGE OF GOD'S ELECT is going to be solved by God justifying. Group interpretation: Who is going to say that you're not validated for your position as a son? Look at the way the question is formulated. MM says whoever the WHO is, the way the question is formed, they are outside of God's elect. You can't pin this down to one individual with certainty. MM says this is different than the way it is generally being taught - normally taught that the WHO is about you. MM says if the WHO is talking about you, this is a very awkward way of saying it. This WHO is anybody. Like the GH: implicit 'who' in Romans 8:31 (GH: no one). It's not a reference to any single individual, it is a reference to any individual. There is no charge that could be brought against you that would unjustify you. WHO: MM says it is not about an individual, it is about anyone at all. There's no identifier given at all (GH: Like 2 Corinthians 5:18). Otherwise, it is a matter of who we pick. God is not trying to make this confusing. The idea is that no one that can make that charge stick. There is no pronoun to identify the “who.” And if God meant us to understand that the “who” is really asking about us, then why would He not include that pronoun? That is what He did back up in v26-27.

Romans 8:33	The Character and Essence of God - Issue 3 of 4: the Justice of God	33 Who shall lay any thing to the charge of God's elect? It is God that justifieth. SHALL: MM says like asking 'who has the ability or is capable?' or 'who is able?'. Talking about capability, no one is capable of doing that. ANY THING: Covers any kind of charge that could be leveled against you. Not specific. Examples: - We are charged because we committed a sin - We are charged because we are not applying what we have learned in the education to our Sonship lives/learned but didn't apply - We are charged because of a misapplication of the education - We are charged because our commitment to the education is insufficient/not sufficient - We are charged because we complain under the suffering of this present time - We are charged because of some kind of immorality - We are charged because we do not trust the curriculum to do its job - We are charged because…you fill in the blank,GH: etc. There is a whole list of things you could be charged with, why it says ANY THING.
Romans 8:33	The Character and Essence of God - Issue 3 of 4: the Justice of God	33 Who shall lay any thing to the charge of God's elect? It is God that justifieth. WHO SHALL LAY ANYTHING TO THE CHARGE OF GOD'S ELECT? CHARGE: MM pulls two things out of the Smith and Crabbe definitions: 1. There is imputed guilt 2. It's most likely for moral conduct In Charles Smith's book on synonyms, it says this: Charge means "to lay upon a person a burden, specifically of imputed guilt, and this either legally or morally, generally or formally. The charge can refer to many things which are not of the specific nature of crimes; thus, a dereliction of duty or dishonesty, or a want of fidelity to one's self may be the object of a charge." George Crabbe adds: "Charge is from the word 'cargo' which implies to lay a burden upon someone. A "charge" may apply to crimes, but is most often used for breaches of moral conduct."

Romans 8:33	The Character and Essence of God - Issue 3 of 4: the Justice of God	33 Who shall lay any thing to the charge of God's elect? It is God that justifieth. EX You do something not very Christ-like and someone says 'and you call yourself a Christian!' This verse addresses the question 'What if I mess up?' Not talking about a trumped up charge, we are talking about a legitimate charge that could be brought against you because you had conduct that was unbecoming for a son. If someone was going to lay a charge against you because you acted wrongly, GH: the devil/the accuser would be the first in line to do that. MM would think that v33 would cover Satan's charge against you as well. Other possibilities: Christians outside of Sonship, the lost world...why he doesn't think any individual, there's no pronoun, why he just says WHO SHALL LAY ANYTHING TO THE CHARGE OF GOD'S ELECT? MM used to think this was Satan being the accuser of the brethren and looking to see if we are acting like we are supposed to. Now, he thinks the accusation comes against sons who are involved in the Sonship education. Because if folks don't know about Sonship, it is hard to accuse that of them. EX Can't get mad at a 4-year old because he can't drive a car but he does know how to pick up his toys, so you hold him accountable for what he knows. When a son goes through the education, learns something, and then doesn't do it, that is when the accusation comes.
Romans 8:33	The Character and Essence of God - Issue 3 of 4: the Justice of God	33 Who shall lay any thing to the charge of God's elect? It is God that justifieth. CHARGE: The “charge” being brought against you is not about your salvation (JUEL) but it is about your Sonship. - Who is going to declare you unworthy of a place in your Father’s Business? Answer: no one. - Who is going to disqualify you from a vocation in the creature? Answer: no one. - Who is going to point out your failings as though that somehow impacts you negatively? Answer: no one. - Who is going to point the finger of guilt at you? Answer: no one. The question is not 'are you going to fail at any time?' It is understood that you are not always going to get it right.
Romans 8:33	The Character and Essence of God - Issue 3 of 4: the Justice of God	33 Who shall lay any thing to the charge of God's elect? It is God that justifieth. The question is not about a illegitimate or bogus charge. It will be a true thing, something you really did mess up. The question is asking is there anyone that's able to call attention to the times that you've failed and thereby deem you unworthy of being part of God's elect and occupying your place in the creature? Even if you fail from time to time, no one is going to be able to point at you and disqualify you from being in that position that you are going to be placed in in the heavenly places. Should give you comfort. Why would someone see you mess up and lay a charge against you/What purpose would that be done? Group: To discourage you and get you to quit, either permanently or temporarily. To discredit you and make you look unworthy of the position that you're going to hold. MM says you can do 25 things right and 1 thing wrong and everyone pounces on the one thing that you did wrong. There should be comfort that ought to come from knowing that as you are out there living your Sonship life, if you muck this up, it's really going to be OK. Your Father is not going to throw it all away over this. The charge leveled against you is not that you are not saved, it is talking about you living as a son and being worthy to be placed as a son. Question really is: 'Who is going to declare you unworthy of a place in your Father's Business? Who is going to disqualify you from having a vocation in the creature? Whose going to point out your failings so that somehow you get impacted by that negatively? Whose going to point a finger of guilt to you?' -> ANSWER: No one.

Romans 8:33	The Character and Essence of God - Issue 3 of 4: the Justice of God	33 Who shall lay any thing to the charge of God's elect? It is God that justifieth. WHO SHALL LAY ANYTHING TO THE CHARGE OF GOD'S ELECT? GOD'S ELECT: Ties to THE CALLED ACCORDING TO HIS PURPOSE-v28. That's what the ELECT is about. GH: This is both the body of Christ (1 Timothy 5:11-14) and the believing remnant (Revelation 12:10). When you are the ELECT, you are chosen for a position or an office. MM says this fits Sonship perfectly. Chosen vs. ELECT: Choosing is an act of authority, it binds the one chosen. Election is a voluntary act; the elected have the power of refusal/you have the right to refuse. Election has in view the privilege of position or office. Both aspects are true of sons; to engage in Sonship is a voluntary act with a view to some position or office in the creature. Therefore, the “elect” of v33 refers to those engaged in Sonship, which is in perfect keeping with our context. Chosen can apply to people or things. Elected only applies to people. You can't refuse being chosen (GH: like the NFL Draft) but with election, you have the right to say no, like Sonship. You can say no, you don't want to be elected to office.
Romans 8:33	The Character and Essence of God - Issue 3 of 4: the Justice of God	33 Who shall lay any thing to the charge of God's elect? It is God that justifieth. IT IS GOD THAT: Telling you that you don't answer to the adversary or to the world or to anyone else, you answer to your Father. The comment following the question. MM says this is the tricky part of the verse. Saying there's going to be a charge leveled against you. The question is made to make you think that you don't have to worry about what someone else says. There's only one Person you need to worry about and that is the One that JUSTIFIETH. JUSTIFIETH: Still not talking about JUEL.
Romans 8:34-35		Question four is about the Son, so: Christ died, rose, and intercedes at the right hand of God so that we are not condemned in our own mind. But it is question five that tells you that no one can separate you from what the love of Christ has provided for you.
Romans 8:34	The Character and Essence of God - Issue 3 of 4: the Justice of God	34 Who is he that condemneth? It is Christ that died, yea rather, that is risen again, who is even at the right hand of God, who also maketh intercession for us. Probing Question 4: Matches Proverbs 2:8a - He keepeth the paths of judgment, Question 4: WHO IS HE THAT CONDEMNETH?: Has to do with bad Sonship decisions and the condemnation is about the failures of not wanting to (or not being willing to) respond properly or positively to issues in our Sonship curriculum and in our Sonship lives. That condemnation has to do with when we reject some doctrinal area and we balk at putting it to work in our lives. The good news is that this is fixable. All we have to do is go back, pick that doctrine up and begin to live out of it. Christ in his death and resurrection has made it possible for us to pick up anything that we have not been putting into practice and integrate it into our lives without losing everything up to that point.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:34	The Character and Essence of God - Issue 3 of 4: the Justice of God	34 Who is he that condemneth? It is Christ that died, yea rather, that is risen again, who is even at the right hand of God, who also maketh intercession for us. The problem/dilemma of WHO IS HE THAT CONDEMNETH is going to be solved by what Christ did by (4-part remedy for our condemnation): 1. dying, 2. being risen, 3. seated at the right hand of the Father, and 4. making intercession for us. v33 & v34 are connected. What is the connection between the CHARGE (v33) and the condemnation (v34)? Shortest question of the 5. WHO IS HE THAT CONDEMNETH: This is just a general whoever. There isn't going to be anyone who can condemn you. Possible answer is Satan, the body, the world, other believers - He will deal with these. The bigger answer is YOU. He'll ask you to look in the mirror and say I AM going to deal with that. Paul describes this to the Corinthians as STRAIGHTENED IN THEIR OWN BOWELS-2 Corinthians 6:12.
Romans 8:34	The Character and Essence of God - Issue 3 of 4: the Justice of God	34 Who is he that condemneth? It is Christ that died, yea rather, that is risen again, who is even at the right hand of God, who also maketh intercession for us. Learn because of those charges that may come against you and the condemation that comes with those charges, it will not effect your JHI. Ought to be a comfort that if you really mess up in your Sonship you don't lose everything. Though the Work that He did on the Cross, we now have the opportunity to be sons. Because of what Christ did in the DBR and His intercession at the right hand of the Father, because this is a heart issue you don't suffer any loss of that JHI. Should be a comfort to you that if you mess up, you can recover. WHO: The WHO here is a little different because of the pronoun HE. It does not say WHO condemns us. Different than v33. Because of that pronoun, we can see this is the self-condemnation that can take place. The charge against you is not going to stick but you can get to feeling so guilty about your failure that now your Sonship is being affected. CONDEMNETH: The kind of condemning this is talking about is the condemning that will go on in your mind. It's not that legal condemnation. This is reflexive and it about us. How you are looking at it. Greek word in your Bible appears 19x. 17x for the word condemned. Uses another word 2x. MM parallels condemn with damn and condemnation with damnation. GH: 17x and 2x respectively? Not referring to condemnation like in salvation. You are going to need more than information when this happens to you.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:34	The Character and Essence of God - Issue 3 of 4: the Justice of God	34 Who is he that condemneth? It is Christ that died, yea rather, that is risen again, who is even at the right hand of God, who also maketh intercession for us. CONDEMNETH (cont'd): Charles Smith: “Condemn – condemn applies to grave offenses and those who commit them. It is the solemn pronunciation of an adverse judgment, either formally or openly or in one’s own mind. He who condemns passes an adverse judgment with the consciousness that his expression of it will be followed by personal consequences. Condemn is simple, absolute and final. Condemnation implies that the time for explanation, defense and apology are passed. Censure or blame may be modified, condemnation is complete.” MM says this is talking about condemnation in the very legal sense of the term. Condemnation part of a trial is the sentence. If you think well if there is no CHARGE (v33), then there is no condemnation, then you missed the point of this. Would be true, but not how you are supposed to be looking at this. Condemnation here is not because a formal charge has been leveled against you. What you are being charged with in your life is a legitimate thing. You've done something for which you could be charged for conduct that was very unbecoming of a son. Even without any charge standing up, there can still be the kind of condemnation that this is referring to. Know the answer is 'no one' but just knowing that answer isn't going to cut it. You have to know this is the answer because of what follows the question. If you don't you may quit your Sonship life. May not seem like a big deal now, but will be when you get into the Sonship curriculum because it is the thing that is going to salvage you from being so discouraged and so defeated that you are tempted to walk away. Why did God give you 2 parts to deal with this issue? You will be able to make a huge mistake in your Sonship life, so big that you'll think, I have ruined it. But you will know that your JHI can still be salvaged.
Romans 8:34	The Character and Essence of God - Issue 3 of 4: the Justice of God	34 Who is he that condemneth? It is Christ that died, yea rather, that is risen again, who is even at the right hand of God, who also maketh intercession for us. It's easy to say what you will do about a situation when that situation isn't present, but when it comes around, you start reacting in the very way that you thought you wouldn't. Once it starts happening, it is too late to do anything about it. The best time to deal with this is up front and that's what your Father is doing now. Can't look at v34 as a repeat of what is given to you in v33. Charge <> Condemnation - two separate issues. Can fail your Father in two ways: 1. You can quit and walk away from Sonship. 2. You can pick and choose what you will and will not do in the Sonship curriculum until you have so many gaps and holes that an improper conduct results. His attitude is that you need it all in order to be completely conformed to His image. In other words, when you get to the point where you are thinking about declining some detail or feature of some Sonship skill, you need His viewpoint; His perspective.

Romans 8:34	The Character and Essence of God - Issue 3 of 4: the Justice of God	34 Who is he that condemneth? It is Christ that died, yea rather, that is risen again, who is even at the right hand of God, who also maketh intercession for us. CONDEMNETH: Condemnation may be about sin (but this was fixed in JUEL-can feel guilty), may be about something that you know that you shouldn't do, could be about not applying the curriculum (the one mostly in view), could be about mis-applying the curriculum. As you come through the curriculum, there is going to be a little feature or part of some Sonship skill that you will look at and say I don't want to do that. MM can already think of a couple. Some folks, because of their mindset or background, they will hit something and say I'm not doing that. Will be different for everybody (GH: the part you don't like). That is not in there as an extra or option, it is in there as a vital part of your education and you are really meant to get it all. Not like math problems in school where you say when am I ever going to use that? Point: None of that type of information in this curriculum. You are going to need it all. Therefore, when you come upon a problem, that's when this thing in v34 is going to begin to kick in. MM says that you can't treat the curriculum like a buffet line where you go through a pick and choose. When you get that mindset you will get this and leave that. Pretty soon, you have 15 things that you are decided to not put on your plate and those things begin to add up to make a huge difference now in your ability to put those skills into practice. You will have big gaps and big holes in what you understand and what you can do. Will reflect themselves in Sonship decisions. You have the liberty to look at part of the curriculum and say I don't want it and your Father is not going to be mad at you or give you a flat tire. But there are consequences to that type of action and He won't shield you from those consequences. As a son, if you decide there's some part of this doesn't taste good to you, you don't have to eat it. But by not getting it, you are going to encounter something that will give you a problem later on. MM says you will come to your broccholi on the curriculum plate. Condemnation is self-incrimination.

Romans 8:34	The Character and Essence of God - Issue 3 of 4: the Justice of God	34 Who is he that condemneth? It is Christ that died, yea rather, that is risen again, who is even at the right hand of God, who also maketh intercession for us. There will be Sonship decisions that will be extremely difficult to make just because of the circumstances in which they arise. For you to make the right decision and apply what you learned, for you to apply that to your life now and make that work, there will be some things that will be difficult/not easy to do. When you encounter the problem, the condemnation comes up, and you are going to have to have Christ's perspective and these 4 issues (GH: 4 parts to the remedy) to be able to solve that. Going to have to have His Attitude/Perspective is in these 4 things: 'I died to make this happen, I rose from the dead, I am at the right Hand of God, and I am making intercession for you'. That is His Attitude. Four Parts to the remedy - four things that Christ DID and is DOING - the last one is ongoing and can be taking place: 1. DIED 2. ROSE 3. RIGHT HAND 4. INTERCESSION: Someone standing in your stead, pleading your case Reason why something is being done by the Son here. Ties to the 5 steps of provision and TO BE CONFORMED TO THE IMAGE OF HIS SON-v29. When it comes to difficult Sonship decisions, Jesus had to do the exact same thing as a Son. Not everything was easy for Him. In Grace circles, there is a huge debate on if Jesus had to engage as a Son or live as a Son OR was He just made a Son after His Resurrection? MM says you know where he stands and we have looked at the scriptures. There's a 4-part remedy for our self-condemnation. Just as Christ demonstrated His Love for us to justify us to eternal life, He is also demonstrating His Love for us as sons.
Romans 8:34	The Character and Essence of God - Issue 3 of 4: the Justice of God	34 Who is he that condemneth? It is Christ that died, yea rather, that is risen again, who is even at the right hand of God, who also maketh intercession for us. **IT IS CHRIST THAT DIED: Part 1 of the 4 part remedy** The very first thing you are shown when it talks about that condemnation is CHRIST THAT DIED. (GH: MM just went through Psalm 22, Matthew 26:36-44, Mark 14:32-36, Luke 22:42-44 and the tough Sonship decisions Jesus had to make.) He made a Sonship decision that could even make this possible. If He hadn't done that, we would be totally undone. 1. IT IS CHRIST THAT DIED/The Death of Jesus Christ: When Jesus was facing His death/the Cross, He faced one of the most difficult Sonship decisions that He could make. It's not really what His flesh desired to do, but He did the Will of His Father. This makes Him empathetic to the difficulty of Sonship decisions you will have to make. You will have Sonship decisions that you are going to be faced with. You are not really going to want to do them, but as a son, there's going to be something available-the effectual working of the curriculum so you will do exactly what God the Son did. He died so you could be conformed to His image.

Romans 8:34	The Character and Essence of God - Issue 3 of 4: the Justice of God	34 Who is he that condemneth? It is Christ that died, yea rather, that is risen again, who is even at the right hand of God, who also maketh intercession for us. **YEA RATHER, THAT IS RISEN AGAIN: Part 2 of the 4 part remedy** RISEN AGAIN: The Resurrection is not just thrown in there for no reason. 2. YEA RATHER, THAT IS RISEN AGAIN/The Resurrection of Jesus Christ: The Resurrection of the Lord Jesus following His earthy ministry had Him promoted as a Son because of the success of His Sonship Life. Now that He has done what He has done on this earth, has died and successfully functioned as the Redeemer. He has risen from the dead, then He is promoted (GH: as a Son) to a place of full function in His Father's Business. ALL POWER IS GIVEN UNTO ME IN HEAVEN AND EARTH - Matthew 28:18
Romans 8:34	The Character and Essence of God - Issue 3 of 4: the Justice of God	34 Who is he that condemneth? It is Christ that died, yea rather, that is risen again, who is even at the right hand of God, who also maketh intercession for us. **WHO IS EVEN AT THE RIGHT HAND OF GOD: Part 3 of the 4 part remedy** (sitting) AT THE RIGHT HAND OF GOD: MM says the reason it is even mentioned is because that shows you the proximity of Him to the Father. 3. WHO IS EVEN AT THE RIGHT HAND OF GOD/Christ is at the Right Hand of God: Seated at the Right Hand of God. Two things: (1) This is a Position of Authority that He has gained as a Son. (2) Intercession can be made because He empathizes with the difficult decisions that we'll go through as sons. That intercession is that we do not quit. Since He died so you could be conformed to His image; and was raised from the dead, and is at the Father’s right hand as a Son who has received His Sonship promotion and position, He is in the position to make intercession for us in connection with whatever we are failing at or refusing to participate in.

Romans 8:34	The Character and Essence of God - Issue 3 of 4: the Justice of God	34 Who is he that condemneth? It is Christ that died, yea rather, that is risen again, who is even at the right hand of God, who also maketh intercession for us. **WHO ALSO MAKETH INTERCESSION FOR US: Part 4 of the 4 part remedy** WHO ALSO MAKETH INTERCESSION FOR US: MM says the INTERCESSION that the Spirit is going to make for us is still sitting out there in the future, when we come to something that WE KNOW NOT WHAT WE SHOULD PRAY FOR AS WE OUGHT-Romans 8:26. If Christ is making INTERCESSION for you now, what is that about? Point: Look at all the things in SE that point to the future - told about the creature, about not knowing what to pray for as you ought, about ALL THINGS working together for good-together with the Sonship curriculum, about some charges that will be laid against you, etc. Some of this could happen to you now, but most is going to happen when you really get into the education itself. What is the difference between a CHARGE being laid against you and condemnation? Normally see condemnation tied to salvation. There is also a condemnation in your sanctification (Romans 8:1). INTERCESSION: You could hear Christ saying something like this - I died, I rose from the dead, and as I am seated at the Right Hand of the Father, I am making intercession for you so that when those times come, you don't quit so you do succeed as a son.
Romans 8:34	The Character and Essence of God - Issue 3 of 4: the Justice of God	34 Who is he that condemneth? It is Christ that died, yea rather, that is risen again, who is even at the right hand of God, who also maketh intercession for us. 4. WHO ALSO MAKETH INTERCESSION FOR US/Christ makes intercession for us: What He is doing at the Right Hand of God. As He sits at the Father's Right Hand, He is making an intercession even when we blow it/don't do what we know we are supposed to do, there is nothing that you don't do, that you can't go back and fix. Your inheritance is not done away with because at one point, you decided not to do it. The Lord Jesus Christ functions in those times when we experience Sonship condemnation so that: - We do not quit - We go back and get what we missed - We do not destroy our joint-heir inheritance because we failed to conduct ourselves as a son; mainly our failing to engage in some feature of Sonship which we need in order to be properly conformed to the image of God's Son. MM says isn't God merciful? Just because we failed to conduct ourselves as a son in this instance, He does not look at that and say, OK you know what? We are just going to undo the whole thing. MM says he is glad for His Mercy. As a son, we will always have a chance to come back and do it right.

Romans 8:34	The Character and Essence of God - Issue 3 of 4: the Justice of God	34 Who is he that condemneth? It is Christ that died, yea rather, that is risen again, who is even at the right hand of God, who also maketh intercession for us. MAKETH INTERCESSION FOR US: When He is making intercession for you, you have this difficult Sonship decision. You will be tempted to say I am not going to do this/I don't want to do this. If you don't, then there's a part that is meant to conform you to the Image of God's Son that is not getting done IN you. Where you are saying NO to applying the curriculum. Sonship will make it so you will never again say, What will my Father do? But that doesn't guarantee that you will do it. You will come to that place where you have got to say this thing is an intregal part of me being conformed to the Image of God's Son. Oh boy, this thing is going to hurt, is distasteful, is NOT what I want to do and here is Christ making intercession to the Father, saying it this way. 'I know exactly what they are going through'. When someone is an intercessor, they intercede to stand between someone and a higher authority. When you get to that place where you are about to balk, get to something that will conform you to the Image of God's Son, Jesus is sitting right next to the Father and He is saying "I know exactly how that was'. It's His perspective because He is the One who went through it as a Son, He is the One that did it.
Romans 8:34	The Character and Essence of God - Issue 3 of 4: the Justice of God	34 Who is he that condemneth? It is Christ that died, yea rather, that is risen again, who is even at the right hand of God, who also maketh intercession for us. What happens when there is Sonship decision or there was something I was supposed to apply to my own Sonship life and I didn't do it? Then the condemnation sets in because you come to a place where that creates a huge problem and you are thinking I blew it. What if Jesus said no? MM says you only have 2 ways to go. Either this way saying I'm not going to do that, in which case, your Sonship will stop right there, the condemnation will set in, and make you say if I'm not going to do this stuff, why am I even involved in it? The other option is to go back, pick up what you opted out of before and move forward. No sense sitting around beating yourself up and having a pity party over it. When you go back and pick it up, the good news is that JHI that is at stake, can be held intact. Means you can leave something out, blow it, drive you to a place that you will quit or drive you to go back and if you go back, your Father says this whole thing is still there. The Son is making intercession for you so that you will succeed. Is an intercession of help and encouragement. When you are over in the education and in Sonship prayer and talking to your Father about things, you are going to be talking to Him about this issue. He is not looking for you to say I blew it (MM said like the 1 John 1:9 issue).

Romans 8:34	The Character and Essence of God - Issue 3 of 4: the Justice of God	34 Who is he that condemneth? It is Christ that died, yea rather, that is risen again, who is even at the right hand of God, who also maketh intercession for us. And the Father is not looking at you and saying/thinking you are just a big disappointment. No one is on your side anymore than the Father and the Son. GH: He is going to say go back and get going. Go back and get that thing and then move on. There's no omission on your part, there's no act of commission on your part, there's no part of the curriculum that you can refuse to engage in, there's no blunder you can make , there's no oversight, there's nothing you have done so badly that you can't go back and fix it. It can all be fixed. And if you don't realize that, you are going to come under that condemnation. Comfort: That JHI that was at risk is still intact (GH: if you get back in the saddle). MM says he may refine this later, but when you decide not to do something, it is almost like the Son says to the Father, don't yank that inheritance yet. They still have a chance to come back. It's not a condemnation coming from the CHARGES leveled against you in v33, but it is very closely associated with that. The adversary wants to utilize this and capitalize on this and if you are going to get down on yourself, he's willing to let you beat yourself into the ground over it. He didn't quit on you (GH: Matthew 26:36-44, Mark 14:32-36 & Luke 22:42-44), don't quit on Him.
Romans 8:35-39	GH: PoA verse	There are two lists given in this passage. v35 starts with a question which concerns us being separated from the love of Christ, and is followed by a list of “sufferings” which might make us think that we are not being dealt with out of love, but wrath: 1. List of things that may result in our suffering; 7 categories of the SoC (can come from SOPT too); LOVE OF CHRIST - v35 - In Israel's program, if you were suffering, GH: you knew you weren't keeping the law. Keep the law, get blessings. Think God is no longer dealing me out of His Love, He is dealing with me out of His anger. People still think this today. But Paul is introducing new doctrine. 2. List of things GH: that are attackers/adversaries - none on this list can separate you from that grace; LOVE OF GOD - v38-39 Switches from LOVE OF CHRIST to the LOVE OF GOD. If we are suffering and some entity is opposing us, God still loves us. He proves He still loves us, not by removing the suffering or attack, but by giving us a remedy for the attack. He gives us something that enables us to be sustained through the suffering, to endure the suffering without being overcome by it - the power of His grace. The token for when you are suffering is for you to have grace. Paul is telling us two things: 1. When you suffer, don't think it is like it was in Israel's program and you're being punished and God doesn't love you anymore because He is angry with you. These don't separate us from the LOVE OF CHRIST.

Romans 8:35-39	GH: PoA verse	2. But when you do suffer, the token of God's Love is His grace that allows us to endure those sufferings to the glory of God. To glorify God because that's His power, the power of His grace in us, and will result for an inheritance for us in eternity. You may not live out of that grace but you can't be separated from it, it's a guaranteed solution. The solution is God's grace that allows us to go through these sufferings. And you come out on the other side MORE THAN CONQUERORS-Romans 8:37. This is the power of God's grace to produce this in you as the doctrine effectually works in you, that's the power of grace. Nobody can separate us from that. He has listed every attack-v35 and every arena those attacks can come from-v38-39 and laying it all out in front of you so you can be persuaded that He has taken everything into account. Neither those attacks-v35 nor these venues-v38-39 are going to work.
Romans 8:35-39	GH: PoA verse	Romans 8:35 Romans 8:38-39 The list in v38-39 orchestrate the list in v35 with the goal of making you quit your Sonship life. LOVE OF CHRIST LOVE OF GOD TRIBULATION DEATH, LIFE DISTRESS ANGELS PERSECUTION PRINCIPALITIES FAMINE POWERS NAKEDNESS THINGS PRESENT PERIL THINGS TO COME SWORD ANY OTHER CREATURE How God deals with us Can't separate you from the grace that makes you patiently endure suffering to His glory Produces a godly thinking Godly living & labor (when things are not going right) Confidence in - heavenly Father Confidence in - His word
Romans 8:35-37		v35: FAMINE: Not fasting, starving. v36: This is the way most people think. v37: ALL THESE THINGS: The list in v35-the SoC. Additional considerations on Suffering: - Sufferings will pale when compared to the glory. (Romans 8:18) - All things are working for our good. But there's a group that this is true for. Not just those who have an emotional attachment to God but this is to them who are called according to His Purpose, that the Life of His Son might be in you, that you might finally be a complete son/daughter with the Life of Christ being in you. That's His Purpose. (Romans 8:28) - Suffering results in reigning with Him. That's THE REWARD OF THE INHERITANCE-Colossians 3:24 - Our suffering can bring comfort to others. MM questions his phrasing here. (2 Corinthians 1:6)

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:35-37	Sonship Suffering '25	He is not telling you something that is already in you because you're not there yet. Haven't even gotten to the education yet. v35: Starts out by giving you a list of sufferings. v35: TRIBULATION: Talking about mental tribulation or things that are happening to us internally. v37: MORE: We come through our sufferings stronger and more capable of handling the sufferings/adversity (handling the sufferings for the betterment of our edification) than when we started or before the sufferings began.
Romans 8:35-37	Sonship Suffering '25	v37: CONQUEROR: Not just THESE THINGS didn't defeat me. Means that you have gotten the victory over your opponent. Is an advanced status for a son or daughter who not only understands the Father's bigger picture of sufferings, but is also engaged in responding to sufferings out of that understanding. It is not natural to love God for allowing sufferings in our life. Neither is it natural to respond to sufferings like they are working together for our good; for these are things we must learn from the doctrine and then put it into practice. Paul showing where the doctrine is heading. We come through our sufferings stronger and more capable of handling adversity than before the suffering started. Capable of handling the sufferings means we are using the sufferings for our own edification. MM says this may sound radical. Means we have learned how to take those things that are sufferings and now use them for our good. Taking those things that would normally defeat us, normally destroy us, normally injure us, normally discourage us, and instead, turn that into something that actually know strengthens us and builds us and encourages us. That's a 180 degree turnaround and the world never looks at suffering that way.
Romans 8:35-37		We are being told ahead of time that certain attacks are out in the future for us. When those attacks come, do not focus on the attack, but rather on the provision that has been made for you by the love of Christ. And part of that provision is to remember that the very attacks that are meant to make you quit can be used to conform you to the image of God's Son! They can actually be a benefit.

Romans 8:35	Suffering = TRIBULATION … DISTRESS … PERSECUTION … FAMINE … NAKEDNESS … PERIL … SWORD / The Character and Essence of God - Issue 4 of 4: the Love of God / GH: Suffering Verse	35 Who shall separate us from the love of Christ? shall tribulation, or distress, or persecution, or famine, or nakedness, or peril, or sword? Given a list of sufferings. Gives an absolute confidence in our heavenly Father in what He has designed for us will absolutely do what He says it will do. He hasn't overlooked anything, He hasn't omitted anything, He hasn't kept anything from us that we need. He knows it all and has made that provision. The promise is: In all our tribulations, because of what takes place in our inner man, we can be more than conquerors through Christ. The promise of being MORE THAN A CONQUEROR (GH: Not about the outer man, about the inner man) is that we are spritually stronger and more capable at the end than we were when before the trouble started. **It is the very opposite of being victimized by our tribulations, we not only conquer them, we are made stronger, more godly, more edified, and more conformed by them. There is a Power of Grace in everyone of us to go through these attacks of the POE and to be able to OVERCOME-Romans 12:21 them**. Probing Question 5: Matches Proverbs 2:8b - and preserveth the way of his saints. Listing WHATs but asked who. Following the WHO question is a bunch of WHATs. Seven categories of sufferings that fall under the SoC, not things that are common to men (SOPT) or BONDAGE OF CORRUPTION. Don't look at this list and think this is what is going to happen to you. But it could. Can name some folks in the Bible like Paul. Cost him his life (SWORD). When all these things start happening, that is going to start affecting the thinking that they have. Instead of mentioning Satan, mentions the things Satan will use to make you think God has abandoned me.

Romans 8:35	Suffering = TRIBULATION … DISTRESS … PERSECUTION … FAMINE … NAKEDNESS … PERIL … SWORD / The Character and Essence of God - Issue 4 of 4: the Love of God	35 Who shall separate us from the love of Christ? shall tribulation, or distress, or persecution, or famine, or nakedness, or peril, or sword? Question 5: WHO SHALL SEPARATE US FROM THE LOVE OF CHRIST? Addresses the adversary's attempts to make us quit our Sonship life. 7 categories from mildest to most severe, in keeping with our advancement in the Sonship curriculum. BOTTOM LINE: Do not lose confidence in the curriculum when faced with the attacks of Satan. First time Paul talks about the SoC. Paul labels it in 2 Corinthians 1:5. Not referring to I am a farmer and it is not raining, that's SOPT. This is not the Dale Carnegie How to win friends and influence people. Paul tells them pretty early on what's going to happen to them. Fifth question - when you look at this list right now, you may say to yourself, I don't know how to deal with that and that might be a frightening prospect. If it is, MM is not saying that the confidence that you're supposed to get by the time you get to v39. When you get v39, you are not supposed to be able to look at that list and go, oh yeah, when that happens, I know exactly how that is going to be handled. MM doesn't think these verses alone can produce that IN you. The confidence he is trying to instill IN you is, all the things that he said might happen to me, I don't know how I'll go through that but I have confidence in the curriculum that will equip me at the time I go through them. WHO: Is Satan and the what's are the things Satan is using to accomplish his goal. Find out that there is an individual who is absolutely dedicated to using these 7 categories of sufferings to make you quit the thing that Christ loves (GH: THE LOVE OF CHRIST - the Sonship curriculum) and you are going to have to talk to your Heavenly Father about that.

Romans 8:35	Suffering = TRIBULATION … DISTRESS … PERSECUTION … FAMINE … NAKEDNESS … PERIL … SWORD / The Character and Essence of God - Issue 4 of 4: the Love of God	35 Who shall separate us from the love of Christ? shall tribulation, or distress, or persecution, or famine, or nakedness, or peril, or sword? Paul is asking can anything separate us from what the policy of evil throws at us? WHO SHALL SEPARATE US FROM THE LOVE OF CHRIST: There is someone who will attempt to do this. This phrase shows up again in the conclusion in v39 only LOVE OF GOD. Think of the Father-Son tandem we have seen to this point. MM sees this as no one can separate you from what Christ's LOVE has produced in order to make you successful as a son (GH: choice 1 below) because that Love of always spoken in the context of Him doing something. MM is not denying there aren't some things that He Loves (GH: choice 3 below) and MM is not denying that we don't love Him (GH: choice 2 below). The answer is: no one and no thing can separate us from what Christ has done for us out of His overwhelming love for us as sons. If we can understand God's Wrath this way why can't we understand His Love this way? That He has done some things that the 7 things in Romans 8:35 can't separate us from? Those things cannot separate you from what His Love has accomplished on your behalf to make you successful as a son. Should give you confidence. Even when these 7 things come, there is something that the LOVE OF CHRIST has produced that gives you a hope in the midst of a tribulation that you can still be successful as a son. That should give you confidence. Because if you don't have that confidence, you are wondering if you can get to the place that Paul was. MM is not saying that you don't want to be but knows what goes on in people's mind as they go through this thing. Tribulations are meant to rob you of the confidence that you have as a son so you don't look around and say well, they are going to make it but I don't know about me/but I'm not sure I can. This is supposed to make it so when you get through this you look at what all's been presented by these 5 questions and you say as long as I stay in this, I will succeed. This is the way this has been geared for my success.

Romans 8:35	Suffering = TRIBULATION … DISTRESS … PERSECUTION … FAMINE … NAKEDNESS … PERIL … SWORD / The Character and Essence of God - Issue 4 of 4: the Love of God	35 Who shall separate us from the love of Christ? shall tribulation, or distress, or persecution, or famine, or nakedness, or peril, or sword? As you think your way through the attacks listed, you have to train your mind to remember that this is happening as part of your Sonship. You are putting something on display for all of creation to see. The only way your heavenly Father would allow these kinds of things to happen to you is because it is for the mutual benefit of both Him and you. WHO: Is the adversary but it just asks WHO and doesn't say WHO it is. Didn't say WHAT. When it starts with a WHO and ends with a WHAT, we understand that there is someone using something to accomplish what they want. Could think maybe he should have said WHAT and not WHO. If you say the WHO is the adversary, MM thinks you are absolutely right. Satan is using people to accomplish the WHATs. When you suffer these things because of people, you can look at this and say WHO shall separate us from the LOVE OF CHRIST? You may look at this and go it is not Satan, it is his accomplices out here that are working. That's the one that you will see but either one is right. How would we know this is the adversary? Have we even been introduced to him in the Book of Romans yet? We are assuming some things. In Proverbs, saw the EVIL MAN and the STRANGE WOMAN. Satan is behind both of these. The WHO could be either of these. As you go through the curriculum, you will see details that you didn't when you first went through this. MM sees this as things can happen as a result of the SOPT OR as a result of a planned attack against you but it doesn't matter which one it comes from, there's a provision that gets you through that.

This is not talking about your love for Christ. This question is misunderstood. LOVE OF CHRIST: Two basic ways that people can view that phrase-this verse is not talking about either of these:~~ ~~1. Christ's LOVE for me/has for me~~ ~~2. My love of Christ (POE would not be able to stop us loving Christ-MM says even terrible Christians love Christ)~~ ~~3. Something that Christ loves, it is THEE Love of Christ, the thing that Christ loves more than anything else - His Sonship Life means everything, that's the thing He loves - everything is wrapped up in His Sonship Life (correct way)~~ WHO SHALL SEPARATE US FROM THE LOVE OF CHRIST: You realize that you have to positively and properly respond to the doctrine because if you don't, you will be at the mercy of an individual who is trying to separate you from the love of Christ. Then what follows is not WHOs but WHATs - TDPFNPS. Have to get to the godly skill of judgment (GH: Romans 13:12-14) before you really become a threat to the adversary (by casting off his WORKS OF DARKNESS-Romans 13:12 that He is depending on and needs to have working).

Romans 8:35	Suffering = TRIBULATION … DISTRESS … PERSECUTION … FAMINE … NAKEDNESS … PERIL … SWORD / The Character and Essence of God - Issue 4 of 4: the Love of God	35 Who shall separate us from the love of Christ? shall tribulation, or distress, or persecution, or famine, or nakedness, or peril, or sword? LOVE OF CHRIST: Mentioned 3x in Paul's epistles (2 Corinthians 5:14; Ephesians 3:19). LOVE OF GOD is mentioned more in Paul's epistles but not much more-5x. The LOVE OF CHRIST will make it so that your Sonship is enhanced and advanced by the seven issues of trouble in v35. You will be “more than a conqueror!” The ultimate ground that we are going to succeed as sons is resting in the LOVE OF CHRIST. What His LOVE has produced on our behalf as a son. If no one can separate us from that, then that means that remedy is always there, no matter what tribulations come along we will not only be about to go through them but we will endure them to the glory of our Father. That is the way it is supposed to happen. Remember this is supposed to give you confidence that this is supposed to succeed with you. Even though these provisions are there and nobody can undo them, you can ignore them/walk away/quit. But that still didn't do away with them or nullify them. You can quit and then later pick this back up and the remedy is still there. The troubles are trying to do something for which God has given you a remedy. No one is able to undo those things that His Love has provided for us. If someone fails at this, they are still a son. The provisions made for them to succeed are still there. Three things that this could be referring to; then need to add this phrase so it stayed within the context - 'as a son' because he is not just talking about general love. MM is not saying that any of these are not the right idea: LOVE OF CHRIST Interpretation 1. Christ's Love for us 'as a son' In addition to the context, it has to tie back in to the things we have already seen that are relevant and pertinent through this whole Sonship Establishment, Part 3. MM sees this as 'Christ's love for us'. But it is in a very particular way and has to do with your Sonship. You know this is not talking about who shall separate from Christ loving us. You know that will never happen. Out of His love for us, Christ has taken all the necessary actions to make us successful; those actions constitute the love of Christ.

LOVE OF CHRIST Interpretation 2. Our Sonship love for Christ 'as a son' If you have already made the cry of ABBA FATHER, it's not made it so you don't love Christ anymore. That is not really to goal of this. Goal is to make you stop your Sonship Life. (1) Have to have the perspective of the Father and the perspective of the Son toward what's being done. When you think it is this, you have reversed this to your perspective. (2) Our confidence is not to be in what we can do, but rather in what the Father and the Son can do. (3) Changes the whole perspective back to you and how you see it. He doesn't want you to see it from your POV, He wants you to see it from His POV. LOVE OF CHRIST Interpretation 3. Something Christ loves 'as a son' If it is who will separate us from something Christ loves, then you have to determine what that is. No object here and you have to figure that out. If you say the thing that Christ loves is the Sonship curriculum/life, MM agrees 100%. Not saying that Christ doesn't love the Sonship curriculum and He doesn't love the Sonship life. But the truth of the matter is somebody did get separated from that by those things. The Corinthians, churches in Asia, and people MM know have all quit Sonship (GH: So this can't be it). Can't be what the LOVE OF CHRIST is talking about. It shouldn't but it actually did. Every Pastor has the right to teach this passage the way he sees it. MM doesn't have any problem with that. GH: And vice versa. MM is not their T&G and v.v. But he does not have an answer for this if you ask him this question. None of the attacks of the policy of evil are more powerful than our godly edification. It should not have separated anyone – but the truth is, it did.

SHALL: Is not capitalized. Small case -s. Not a mistake. Is a technique used in the English language to frame the essence of the question but the sentence is meant to continue so that actually becomes 1 question. MM says like asking 'who has the ability or is capable?' or 'who is able?'. Talking about capability, no one is capable of doing that. Indicating the certainty of the inevitability of something happening in the future. The WHATs are the things the WHO is using to get you away from THE thing that Christ Loves. The list of the least to the greatest attacks of the POE. All in direct connection with your Sonship llfe. MM says doesn't start till you get to Romans 13:12 in the education.

TRIBULATION ... DISTRESS ... PERSECUTION ... FAMINE ... NAKEDNESS ... PERIL ... SWORD (may cost you your life, it did Paul and others): 7 categories that the POE will use against you as a son to separate you from the love of Christ and you are going to experience them in this order. These are 7 progessive categories of attacks/assaults/things within Satan's POE that he is going to utilize in that order to get your to stop your Sonship life / to walk away from this education. These 7 things are categories of sufferings and they are listed in the order which you will encounter them. For example, in Romans 13, there is the category of TRIBULATION that you will encounter from the POE that is made to make you quit your Sonship life. It's the mildest of the categories of sufferings. Doesn't mean you will say, this is nothing. It will be an attack on par with where you are at. It will be all that you can handle. You will be shown how to handle everyone of these 3 things in the curriculum. Will look at like Paul - TO LIVE IS CHRIST, AND TO DIE IS GAIN-Philippians 1:21. Each is an increase over the one before and realize all of these can come upon you as part of the SOPT(GH: Or SOC? Or both?). Put yourself in this position to imagine what it would be like. But don't over react and think I am just going to drop out of my Sonship now. Some people would say Paul had an advantage because he could go through some things that we may not go through as easily. MM says Paul is our ensample but that doesn't mean your education is going to be lacking. He is not giving you a list to terrify you, he is giving you a list in which you will pay the ultimate price for your Sonhip. You should be encouraged to know that the curriculum can enable you to do every single one of these 7 things to the glory of your Heavenly Father. Won't have to go into this thing trembling and quaking in your boots. You are going to go into this thing knowing that you are more than a conqueror. None of these things can stand between you and the provision that your Father is going to make that equips you to endure them. Not to just grit your teeth and endure them, but to actually go beyond that and rejoice in tribulations.

It's not you have more tolerance to endure more pain, but you have the ability to look at those things differently and you will hearken back to Romans 8. You will remember that ALL THINGS WORK TOGETHER FOR GOOD, you will know that even those things are working to conform you to the Image of God's Son. This is a benefit for you. Not just now but will be an eternal benefit for you when you get up in the creature. Look back and think while Satan sought to do his worst, the curriculum actually allowed me to take that and become a better son because of it. Taking the things meant to destroy you and turning them into the things that benefit you. The curriculum makes it that way. There is a rejoicing at what takes place IN your inner man that is more than whatever could take place in your outer man. MM is not saying the POE is taking these 7 SOPT things and making them worse, but what's at stake is worse. What is at stake is, the very life that your Heavenly Father wants you to have. That's the danger behind the POE. None of these thngs can separate you from what that LOVE has accomplished. Going through these things is not just going to benefit you now, not just oh, I endured something. But it has benefit for something later. None of the attacks contained in v35 can separate you from: - The five steps of provision (vv. 29-30) - The “all things-v28” both the Father and the Son will yet provide (GH: Romans 8:32? Or 8:31-35?)

TRIBULATION (mental attack): A lot of things can fall under this category. Not talking about anything that you could think of that you would call a tribulation. Very first thing this assembly will experience when we get to Romans 13:12 and the decision making skill of judgment. A mental attack to get you to question/second guess what you think about the doctrine. Is a general heading that includes a lot of different things. First step he is going to use to make you walk away from your Sonship life. Coming specifically because of Sonship. First thing in the list. But everyone of these 7 are some kind of tribulation. Almost everything in this list could be called a tribulation of some kind. There is a battle going on for your mind and that's why your Father wants you to learn to think like He does. This is a 'mental' tribulation. It is an attack that is geared to shake your confidence, make you doubt, to cause you to question. Doesn't matter what that is, the Father's ability, the curriculum's ability, or your ability. A general questioning and uncertainty. Makes sense if you are Satan. If someone finished their SE and starting the education, you want them to start doubting, is this really going to work, is this really going to happen for me. Why the SE is critical to get done before you ever start the education and you get that first attack when getting that third decision making skill. Mental in nature. They are meant to make you begin to question what you believe, to make you uncertain, to maybe cause you to question, to cause you mental confusion, so that you will kind of back off and not go any further. That's all Satan wants. But it's not intense.

TRIBULATION: Comes in the form of EVIL MEN who come into the assembly in a crafty way, won't identify or out themselves. EX You won't attract people by focusing so much on suffering, we need to tone that down a bit. End up either changing the message or dissolve the group. Only one other alternative - identify those EVIL MEN and expunge them from this group. We are going to have to have the discernment to be able to do that. The discernment is going to come from that previous education up to that point working in us. For this to happen, we have to be living out of the doctrine so that we become skilled at it.

DISTRESS (mainly mental or physical attack): A second category that will come to you in time. If the TRIBULATION attack doesn't work, he is going to ramp up to the next level of attack. Is a mental aspect compared to danger which is a physical aspect. The mental trouble from DISTRESS is a step up from TRIBULATION. Charles Smith: "Distress may be from either physical or mental cause, but in itself is more mental than physical; as distress does not imply bodily suffering. Distress may be independent of physical pain. It is a painful interference with the mind's calmness and activity; a combined feeling of suffering and helplessness. He who is in distress is distracted in mind and uneasy, not knowing wither to turn or how to procure relief." George Crabb: "Distress is the pain felt when in a strait from which we see no means of extricating ourselves. Distress always depends upon some outward cause; anxiety often lies in the imagination. Distress is produced by the present, anxiety respects the future. Distress arises from one circumstance or another." See the shade of meaning difference between STRESS and anxiety. Even though you are told about it now and know it in advance, Satan is very good a camoflauging all of that. When you have something going on with you physically and haven't figured out what it is, do you know how that can impact you mentally? Can really work on you.

PERSECUTION (physical attack or mental): Is not someone said something bad about me. Persecution involves an attitude of hostility with intent to produce some kind of harm or pain. The third step. Means that you are being singled out. No matter what has been said about us, we have not endured real PERSECUTION. This PERSECUTION will come specifically because of Sonship. When someone persecutes you because you are involved in Sonship and the only way it will stop is for you to quit your Sonship. If you quit then all of these will go away. Move from the mental turmoil of DISTRESS and into the physical realm with PERSECUTION. A lot of ways someone can be persecuted but that is going to be separated out. PERSECUTION can be both mental and physical. Persecution of a mental nature would be someone saying things. Can also be mild or severe physical things. Mild would be we are just sort of shunning you. A more severe would be the loss of your job or home. Could be part of the SOPT but need to understand they are also in the arsenal of the POE. POE can bring you to a place of poverty in the midst of a great economy for the rest of the people around you. Tougher to do in the US but there are areas of the world where it would be pretty easy to do. Our word “persecution” is from the French word “persequi” which means “to follow with hostility.” Therefore, to be persecuted means to be subjected to prolonged hostility and ill treatment; to be consistently harassed or annoyed.

Romans 8:35	Suffering = TRIBULATION … DISTRESS … PERSECUTION … FAMINE … NAKEDNESS … PERIL … SWORD / The Character and Essence of God - Issue 4 of 4: the Love of God	35 Who shall separate us from the love of Christ? shall tribulation, or distress, or persecution, or famine, or nakedness, or peril, or sword? FAMINE...NAKEDNESS: The basic necessities of life. You could lose everything in your Sonship. Don't panic. Doesn't mean that everyone of us will. If someone didn't have food and didn't have clothes, you would say that they were in poverty. 4. FAMINE: I need groceries. Financial calamity-don't have anything to eat. It is possible in an advanced stage of your Sonship for you to go hungry. EX Come to this non-Sonship church for this great job. You will never lack again. Don't have the ability for you or your family to eat right or as healthy as you would like. You have lost your income and whatever situation that unfolds. Now we are going to take the food off of your table. Sit down at a table with no food on it and watch your family go hungry (GH: the bravado goes away). Saying that you are starving for Jesus is not the way you would do this. Think of in terms of hunger. Can range from I'm not getting proper nutrition. Going through periods of time with hunger. This is a very physical thing. This one is different because it is a necessity of life. Can live with the first 3. When you start dealing with the necessities of life, gets serious where you may say can Sonship take me to here? Remember you haven't gone through the part of the education yet so you can deal with that. MM said this was the Corinthians problem. Saw what was happening to Paul and before they got to the doctrine to handle, they bailed out on this.

NAKEDNESS: Financial calamity-don't have anything to wear. Doesn't mean we are all going to become streakers. Talking about not having the ability to get clothing. When the apostle Paul is in the dungeon of a Roman prison, he is asking for a covering to keep from freezing down there. When he is writing, he knows perfectly well where all that is coming from. There is a way to undo all that. The inability to cloth yourself. Verse where Paul says he is NAKED AND HAS NO CERTAIN DWELLING PLACE-1 Corinthians 4:11. It's a category. Doesn't necessarily mean that you don't have any clothes, but could mean that you don't have proper clothing. If you live in an area that gets cold and you don't have the means to keep warm, that's going to be a problem. We consider food and clothing necessities of life so all this is really doing is adding on top of the other things that are happening. If you lost your income, may not eat the way you do now. May not cloth yourself the way you do now.

PERIL: Your life is in danger. MM references Paul's PERILS passage (2 Corinthians 11:26). Perils are dangers that your life is in danger, that there are things that are actually happening to you. When you get down to PERIL, you feel like you are being killed all the day long. Charles Smith: Peril is always immediate and personal. A man may be in danger of losing property but is in peril of losing his life. Danger denotes a thing while peril denotes a condition. That which is in peril is on the way to being destroyed. That which is in danger is on the way to being lost, forfeited or taken away. Peril is a physical thing. When you talk about necessities you are getting to the ultimate necessities. Can see PERIL is a category - 2 Corinthians 11:26. MM believes these are reserved for FES because you could lose your life in any one of those.

SWORD: Death - Paul got them all including the last one. Only for a fully educated son. If your life is ended because of the POE, it will only happen because you are a fully educated son. If anything other than the POE stops your life, you get a promotion. You don't get a promotion when the POE stops your life because you are already a fully educated son. Not telling you what WILL happen. He is telling you what COULD happen. Doesn't mean that you will get them all. You can't even start getting TRIBULATION until you get here in the curriculum (Romans 13:12). These are graduated. Don't get freaked out by the list. If you quit your Sonship, that thing will stop. Represents death. It is possible that you could even give your life for Sonship. Not to panic anyone. Satan can't attack you in any way until you have already received the doctrine to handle that attack. It's like being given a test - you can't be given a test till you have been taught the material. These things will never ever ever be given to you above where you are in your Sonship. Is when one of those PERILs succeed(GH: and kills you). SWORD means it got you and now you are done. Accomplishes what it was trying to accomplish.

People use these verses to teach eternal security. PROBLEM: Not talking about justification, talking about sanctification. Does mean what it says but it's not talking about your permanent position of being JUEL. God is not changing gears to do this big review over something He has already covered. 'Because of what MM sees, he cannot imagine anything that would make him walk away from this knowing the list Paul gives in Romans 8 of the things that may well come your way. God is not going to put His Hand between MM and those problems and stop them. It says WHO and then doesn't give you a bunch of WHOs, it gives you a bunch of WHATs. **The list of "whats" in the verse are the means by which he attempts to separate you from the love of Christ**. But it is a "who" that is doing it. The WHO is the adversary and those things listed there are the things that he is utilizing to get you to quit your Sonship education. When he says WHO SHALL SEPARATE US FROM THE LOVE OF CHRIST, at the end of the passage, he calls it the LOVE OF GOD. Those 2 terms are descriptive phrases that Paul is using to describe your Sonship education. Will see this when you go through the doctrine of it.

What adopted son doesn't know that Christ loves him? If you went through Romans 5, that's a settled issue and nothing is going to change that. Why even ask this question? Not talking about what's going to keep Christ from loving you. Even if you quit Sonship, He still loves you. This is talking about seprarating you from something that Christ loves and there's going to be an attempt to separate you from something else that He loves. MM translates 'Who shall separate us from the thing that Christ loves?' WHO: Is Satan and the list is the means that He is going to use to accomplish that. Answer is 'no one'. But that answer has to come out of an understanding of what this question is actually asking you. If you misunderstood the question but still accidently gave the right answer, when it came time to do work on that, you wouldn't be able to do that because you accidently gave the right answer. People think there's not anything that can happen to me that's going to make Jesus not love me anymore. MM says the problem is, it didn't say WHAT, it said WHO? This is not the Dale Carnegie How to win friends and influence people. Paul tells them pretty early on what's going to happen to them. Go from TRIBULATION then FAIMINE then NAKEDNESS and PERIL then SWORD. GH: WHO is also the people Satan used the POE. **Tribulations in Romans 5 are meant to make you ashamed. Tribulations here are meant to make you resign from your Sonship life. Like the LOVE OF GOD impacted Paul to not be ashamed of the gospel in Romans 5, the LOVE OF CHRIST is going to impact you to not throw in the towel against those 7 attacks**. Paul spends the most time on the last issue of God's love. Here is what he is doing: 1. Paul is underscoring the reality of God's love being for us 2. Paul is going to deal with another category of sufferings that are designed to: a. make you think that God doesn't love you like you thought He did b. make you want to go under another program in God's word where God will prove His love on the basis of delivering you

Romans 8:35	Suffering = TRIBULATION … DISTRESS … PERSECUTION … FAMINE … NAKEDNESS … PERIL … SWORD / The Character and Essence of God - Issue 4 of 4: the Love of God / GH: KEY POINT	35 Who shall separate us from the love of Christ? shall tribulation, or distress, or persecution, or famine, or nakedness, or peril, or sword? How God deals with us today is not about being delivered, but having the ability and capacity to endure sufferings, not in a stoic-type manner, but to the honor and glory of God. The issue today is the excellency of the power of God's word operating within our souls and spirits. It is the issue of the excellency of that power being put on display to the entire angelic realm and especially to Satan and his cohorts. It is the issue of the angels being educated in the capacity of God's Power to work within in such a marvelous way. Wisdom, power, authority and desire are the issues at stake in the contention between God and Satan. We members of the body of Christ, in this dispensation of grace, have the privilege to put on display to all creation (and especially the Adversary): - the superiority of God's Wisdom - the superiority of God's Power o in ways the Adversary has already been confronted with o in ways the Adversary has never been confronted with

God is making an impact in the face of the Adversary and we have been given the grand privilege of being a part of it. That is why MM keeps saying that it is a privilege to: - be who God has made us to be IN Christ - be a part of what God is doing in this dispensation of grace - labor with God in repudiating the Adversary and what he offers - endure sufferings to God's honor and glory

An assembly of fully educated sons is that the very opposite end of the wealth and prosperity movement (the closer you are to God the more blessings you will have). MM says this is tough to swallow, why the Corinthians did what they did. Saw what was happening in Paul's life. It's like volunteering to get beat up. MM says it is a privilege and an honor to be counted worthy to SUFFER WITH HIM-Romans 8:17. The most prized possessions you own may go away. Not guaranteeing they will, but it's a real possibility. MM says this is not a game. We are not playing at something. This is real business for all the marbles. The only time in his whole Christian life when he has been truly afraid of anything is when he came through this passage and understood the price that may have to be paid to stay involved in his Sonship Life. Before that, it was bravado and big talk, people say 'I'll go to hell and spit in the devil's eye'. MM says that's big talk when you are not standing there. You have underestimated the pressure that he is going to be able to bring to bear. You can't go into the Sonship education with just bravado. That will go away in an instant. But God is not throwing you in the lion's den without preparing you before you go in. As a son starting out with the POE, you are going to know what to expect. It won't be a surprise. This can only be handled by having confidence in the doctrine. Not the Dale Carnegie course to get people enrolled in Sonship.

Romans 8:35	Suffering = TRIBULATION … DISTRESS … PERSECUTION … FAMINE … NAKEDNESS … PERIL … SWORD / The Character and Essence of God - Issue 4 of 4: the Love of God	35 Who shall separate us from the love of Christ? shall tribulation, or distress, or persecution, or famine, or nakedness, or peril, or sword? Second part of the question where he begins to details the WHATs. These are categories of suffering. As you continue through Sonship, they are real possibilities for you to encounter. This list is not confined to the POE alone. All of thes 7 things could be experienced as part of the SOPT. Move from milder to more severe. People suffer these things and doesn't have to do anything with Sonship. In fact, doesn't have anything to do with their spiritual life at all. Difference in seeing this as SOPT or POE is what's at stake. No matter what you do with your Sonship, if it is part of the SOPT, that really doesn't change the circumstance. But when it is the POE, you will know, you won't be left guessing about it, you will know because you are an educated son, this particular affliction has come upon you and the only way to make that stop is to quit your Sonship. Doesn't mean Satan will do it forever. These things will come and go. That's the leverage trying to make you stop your Sonship. It is hoping to bring enough inconvenience and pain and problem into your life that you finally just throw in the towel to get some relief. MM statement that he says contradicts itself: MM doesn't want these things to just scare you to death, but MM does want us to have a healthy fear when we look at these things because that means you are seeing them for what they could be. See these for more than just a list. There are certain things Satan is allowed to do to a SIMPLE SON but he is not allowed to go beyond that. As you move to a YOUNG MAN to a WISE MAN, the attacks are going to escalate. MM believes when you get over the end of these 7 things, these would be attacks that would be reserved for a FES. Don't think you will start the curriculum and have to think, man, my life is on the line because of Sonship. Won't be the issue here. Each of the categories of attacks listed in v35 will work to enhance your Sonship! The effectual working of the curriculum that enables you to endure the tribulations, the distress, the persecutions, (all seven categories), each one is not only useful to you now, but it will also be useful in the heavenly places.

Question: How is going through the 7 things in Romans 8:35 going to profit us when we get out into the creature? Couple ways to answer: 1. What those produce in conforming you to the Image of Christ will benefit you out in the creature. Even though they are bad things here, they will work for your good later. 2. You are really going to be conducting spiritual warfare against principalities and powers. Doesn't just say Satan but you are making an impact against his realm. As you do that and you experience those tribulations as you advance as a son, **you are going to learn the particular way in which angels think. Since you are going to judge angels in eternity, you need to understand how angels think**. Angels do not think about things the way that you do. Not completely. If Satan is a created being, if he knows God is God and he knows what He has the ability to do and he is familar with the scripture where it talks about things he will do and what God will do in response to that, it begs the question - why do that or why not do something different? Because he doesn't think about things like you think about things - it's a different kind of thinking. As you get the 4 decision making skills and then subtilty, you will begin to get insight into how angels think. You are going to judge angels and administrate over them and to do that, you are going to have to understand how angels think.

Romans 8:35	Suffering = TRIBULATION … DISTRESS … PERSECUTION … FAMINE … NAKEDNESS … PERIL … SWORD / The Character and Essence of God - Issue 4 of 4: the Love of God	35 Who shall separate us from the love of Christ? shall tribulation, or distress, or persecution, or famine, or nakedness, or peril, or sword? The ultimate ground that we are going to succeed as sons is resting in the LOVE OF CHRIST. When He loved you, He wasn't just standing around, telling angels, you know, I AM really fond of these people. He wasn't just expressing a mere emotion about it. What was the result of His Love? Group says gave His Life. Mention COMMENDETH-Romans 5:8. By Romans 5:10, you come to the conclusion that He loves you without Him ever telling you that by what He did. It's more than just strong emotion. It's what He does. That's the expression of His Love for you as a sinner - that He wants to JUEL. MM says could say this is part of His Godly Charity. Just as God demonstrated His love toward us (in that while we were yet sinners, Christ died for us) in our justification, God has also demonstrated His love toward us as His sons in our sanctification. And He has demonstrated that love by, among other things, the five steps of provision listed in v29-30. Just as the tribulations of Romans 5 were designed to rob you of your joy and your hope, and silence you by making you ashamed of the gospel, the tribulations of Romans 8:35 are designed to rob you of the joy and excitement of being a son and put a stop to your Sonship. Just as the “love of God” in Romans 5 reversed the impact of the tribulations of the gospel, and instead of discouraging you they further established your hope (with regard to your justification), the tribulations of Romans 8 are not only no threat to your Sonship, but should result in you being more entrenched in your Sonship and more certain of its success than you were before! Just as the “love of God shed abroad in our hearts” produced the same understanding that existed in our Father’s heart about our justification, so does the “love of Christ” produce the same understanding that Christ has in His heart toward Sonship and particularly this list of opposing issues to our Sonship.

Romans 8:35	Suffering = TRIBULATION … DISTRESS … PERSECUTION … FAMINE … NAKEDNESS … PERIL … SWORD / The Character and Essence of God - Issue 4 of 4: the Love of God	35 Who shall separate us from the love of Christ? shall tribulation, or distress, or persecution, or famine, or nakedness, or peril, or sword? Paul is saying that for us believers in the DoGG, when those things happen to us, that is not an indication that we are being "separated from the love of Christ." GH: This is different than Israel/the law/blessings and cursings and the way most Christians look at things today - thinking God is no longer dealing with us out of His Love. If you are saved, He always sees you as IN Christ, regardless of what you have done. He is always looking at you in His Son. Should produce the truth in your mind that when these various sufferings take place, God is not the one doing it. We have been given all spiritual blessings in Christ, no matter what our conduct. No matter what bad things happen to us, those are not an indication that God is putting the curses on us. It is not God trying to get our attention. He is dealing with us under grace and not the performance system of the law. Point: If these things are happening to you, do not think that you have fallen out of favor (separated from the love of Christ) and God is punishing you. These attacks, if they are the SoC, are just the opposite, you are encountering them because you have been faithful. If you are suffering in this world, you need to understand this is not by the Hand of God but He is still dealing with you according to THE LOVE OF CHRIST.

Romans 8:36	Christ IN You = KILLED ALL THE DAY LONG / Suffering = KILLED ALL THE DAY LONG & SHEEP FOR THE SLAUGHTER / GH: Ungodly thinking	36 As it is written, For thy sake we are killed all the day long; we are accounted as sheep for the slaughter. Is the follow-up to v35. Normally, if someone is going through the things in v35, what is going to be their outlook? Despair. Verse comes out of Psalm 44:22. Psalm 44:22 quote leaves YEA. That is on the heels of the 7 categories of suffering in v35. Not the remedy, but part of the complaint. Paul quotes Psalm 44:22 because that is how the POE attacks in v35 are going to attempt to make you feel. Paul is trying to take the wrong thinking in Psalm 44 - MM says what else would they think after all? Not being treated as sons and Sonship thinking, but he inserts it right after the 7 POE attacks in v35. Paul is quoting Psalm 44:22 as a summation of their attitude toward the tribulations that came upon them. God attacking Israel who were not sons. The only thing Paul is after is what their attitude was when they underwent this. The attitude they had is the very opposite from the attitude that you are supposed to have, because you are a son. When bad things happen to people today, the normal response is oh, God, why me? MM joked that he even bargained with God in the old Systematic theology days. They didn't say, we are enduring the sufferings for your sake. MMs understanding was there was a purpose or motive that was happening to them. The fact that they were undergoing these things means God had a purpose behind it. Paul is saying don't even think that you are a sheep appointed to slaughter. Because if that is your thinking, will lead you to discouragement and dispair
Romans 8:36	Christ IN You = KILLED ALL THE DAY LONG / Suffering = KILLED ALL THE DAY LONG & SHEEP FOR THE SLAUGHTER / GH: Ungodly thinking	36 As it is written, For thy sake we are killed all the day long; we are accounted as sheep for the slaughter. AS IT IS WRITTEN: Written somewhere in the O.T. Paul says AS not 'for'. Had he written 'for', Romans 8 would have been the fulfillment of Psalm 44. Can't be: 1. Romans 8 to the body of Christ 2. No one knew about the body of Christ when Psalm 44 was written. The remnant will fulfill Psalm 44 out in the Day of Wrath. Paul writes AS. 'As' is a simile - that's the part of speech that shows comparison. EX Touched metal sitting out in the sun and it was hot as fire. You are not saying that is fire you are making a comparison of heat. 'Good as gold' doesn't mean that it is gold, just that it is valuable. Here's the AS: as you read back in the Psalms, as it is going to happen to them, it is going to happen to you. Read Psalm 44 and know what will happen in the DOGG. It's not the fulfillment of it but it is going to be just like it. It's the same both places because we are all going to be treated as sons and God is putting something on display with sons that children can not put in on display. Paul quotes from Psalm 44 “As it is written, FOR THY SAKE WE ARE KILLED.” He quotes from a passage in the Psalms about the remnant of Israel. It is simply because of who they were, (the remnant of Israel) for the Messiah sake, (for Christ’s sake) they were being killed(GH: 5th CoP-Install #5?). The adversary was after them and the same thing applies in this dispensation of grace. In fact there is more of a hatred for you as a member of the church the body of Christ because of the mystery of Christ. Paul realizes Satan is the one behind all of the “whats” listed in v35.

What he did know was the believing remnant out in the Day of Wrath were going to have the fulfillment of that. But when Paul looks at what is happening to us, he is reminded of something that was sitting back in the Psalms. Paul is saying that is similar to what is happening to us, there's a parallel issue here. He sees what is written back in the Psalms and lifts that thing out of Psalm 44 and puts it right there in Romans 8. He doesn't say FOR it is written. If he had used FOR, it would have meant the exact same issue back there is the exact same issue here. AS: It's a different issue but there is a comparison being made. Simile - tells you there is a comparison to be made between Psalm 44 and what he is writing about here, especially in v22. Why he pulls the verse out and brings it in here. AS and like are a part of speech called a simile. Are words that show comparison, so you get an understanding of something. MM says these words are often read over and not observed and it leads to a lot of doctrinal error. Do you see how “simile” is part of “similar?” You have to be careful not to ignore the similes in your Bible.

MAN OF UNDERSTANDING (Proverbs 1:5) has completed the curriculum, endured the SOPT and POE, and bears the scars of battle on his body. Not exactly the Dale Carnegie course in getting people into Sonship. Paul is not whining about it, he is making a statement. Is not part of the remedy, it is part of the problem (GH: As evidenced by the NAY at the start of v37). This is the wrong/ungodly thinking of the believing remnant in Psalm 44. You are supposed to know better than that. You already know better than that. You know ALL THINGS (that happen in life) WORK TOGETHER (with the Sonship curriculum) FOR GOOD (your benefit). This is not the talk of an educated son, that's the talk of someone who isn't even a simple son. Is not the solution, it is more complaining. Why v37 cuts off v36 with NO/NAY.

Romans 8:36	Christ IN You = KILLED ALL THE DAY LONG / Suffering = KILLED ALL THE DAY LONG & SHEEP FOR THE SLAUGHTER / GH: Ungodly thinking	36 As it is written, For thy sake we are killed all the day long; we are accounted as sheep for the slaughter. FOR THY SAKE: Talking to God. If you do something for someone's sake, you are doing it for their benefit. There is a benefit that your Heavenly Father is getting through your suffering. It is being done for His sake. This isn't about you. This is about something going on with Him. This is a huge issue that the adversary has completely covered up. God is saying you are not out there with nothing. I HAVE got you a GLORY on one end and a HOPE on the other. I AM going to produce a PATIENT ENDURANCE IN you but you need to understand that the suffering that you are going through is for My sake. May ask, how does this benefit God? But you understand when He is introducing this issue to you, He is going to give this to you in steps that you can actually wrap your mind around and get that settled, then He is going to move on to the next one and advance this doctrine. As it is written for them, that's how it is going to be for you. MM says he is not cold hearted. He does not ever want to see his friends and loved ones suffer. But he knows that God's Wisdom is doing something with his sons that is so much bigger than just fixing them that we have no idea what's really at stake. That's how successful the POE has been. Everything God has to put on display is wrapped up in that issue. Because of who we are, we will suffer the attack from the POE. GH: There is a purpose behind the sufferings. You benefit from the experience putting aspects of your Sonship into practice, but it benefits the Father too. Is saying that when you start feeling like the believing remnant will feel in the day of wrath (GH: or 5th CoP-1st installment?), when everything around them is falling apart and they are “confused” and disillusioned, you may well feel like you are being “killed all the day long.” You may well feel like a sheep accounted for slaughter. It may feel like you are out there under the attack of the Adversary and there is nothing you can do about it. But you are to know that what you are going through is for “His sake.”

WE ARE KILLED ALL THE DAY LONG; WE ARE ACCOUNTED AS SHEEP FOR THE SLAUGHTER: This is for His sake. It's not about us, it's about His cause. WE ARE KILLED ALL THE DAY LONG: Makes you want to ask - do we get a break? KILLED ALL THE DAY LONG: A terrible circumstance. Like BEARING ABOUT IN THE BODY THE DYING LORD JESUS-2 Corinthians 4:10 and FOR WE WHICH BELIEVE ARE ALWAY DELIVERED UNTO DEATH FOR JESUS' SAKE-2 Corinthians 4:11. SAKE: Word can have 3 different meaniings depending on how you are using it. 1. Purpose; motive: a quarrel only for the sake of argument 2. Advantage; good: for the sake of his health 3. Personal benefit or interest; welfare: for her own sake Charles Smith: “If I say, “I am doing this for his sake,” I mean that I am doing it because I have an end in view which I believe will be to his interest that I should accomplish.” WE ARE ACCOUNTED AS SHEEP FOR THE SLAUGHTER: That's the POE's attack against you. AS SHEEP FOR THE SLAUGHTER Paul is not whining about it, he is making a statement.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:37		37 Nay, in all these things we are more than conquerors through him that loved us. NUTSHELL: NAY: Do not ever think that the attacks against you are making you a sheep appointed to slaughter. IN ALL THESE THINGS: Refers to everything the POE can use against you (v35). Notice it says IN ALL THESE THINGS not 'from' ALL THESE THINGS. THESE THINGS: MM believes are the things in v35 because he just transitioned from a quote from the O.T. in v36. WE ARE MORE THAN CONQUERORS: More than we are victorious. A conqueror is one who has defeated an enemy. But we are “more” than that. Means that the very things used against us result in our benefit and advancement as sons; conforming us to the image of God’s Son. That means that the more than conquerors concept not only pertains to us now, as sons engaged in the education, but also in eternity future when we are out in the creature. MORE: The “more” is also a reference to the eternal benefit we gain by utilizing the curriculum to handle the attacks of the POE. THROUGH HIM: The “Him” is God the Father. Since it is “through” Him, this tells us that being made “more than a conqueror” is not something that we manufacture by “keeping a stiff upper lip” or by our own best effort; this is all accomplished “through Him.” The sentence could also have ended there, but it continues: “that loved us.” Means more than just we don't succumb to their attack but we come out stronger on the other side than when we went in. It actually benefits us and does something for us.
Romans 8:37		37 Nay, in all these things we are more than conquerors through him that loved us. THAT LOVED US: Which is contextually the love God has for a son and daughter who is engaged in the Sonship education. It is that love that has made the provisions for our success. It is that love that allows the POE to do what it does, all the while turning its attacks around and giving us a present and an eternal benefit from them. More than anything, He wants you to come up there and labor in His Business. That is all stemming out of that love. The effectual working of this doctrine has the power to take the worst things the adversary can do and turn them around and make you a better son because of it. This is the other element of being MORE than a conqueror. If you are delivered from anything, it won't be from the attack but from the effects of the attack. Got to be frustrating for the devil because everytime you do something to make them quit, you accelerate them as a son. This is important because you will continue to draw on this over the course of your Sonship life. You will say in all these things we are more than conquerors. You will draw on the reality of that. Realize you are benefiting from this, both now and in eternity. It makes no difference where the sufferings come from, whether they are the sufferings of this present time or the sufferings of Christ, the effectual working of the doctrine allows us to be more than conquerors in all of it. Why the verse is not cut off with a period after CONQUERORS: to emphasize that we are more than conquerors by something that God has done for us out of the provision of His love for us as sons. And that is exactly what we were talking about when we discussed what the “love of Christ” was about.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:37		37 Nay, in all these things we are more than conquerors through him that loved us. This is us cooperating. Remedy starts in v37 not in v36. Paul shows us that God has equipped us to handle and endure those sufferings just as the earlier doctrine equipped us to handle the sufferings of this present time. NAY, IN ALL THESE THINGS, WE ARE MORE THAN CONQUERORS: Paul's response to v35. NAY, IN ALL THESE THINGS: In the midst of all these things in v35. NAY: NO!!! Bible's strongest term for don't even think about it. Don't think about it that way. But he hasn't given you everything you need to know in order for the Life of Jesus to now be manifest in your mortal flesh. He is going to give you doctrine that will produce Christ dwelling in our hearts by faith. When that happens, it shows up in our mortal bodies. You are not just a sheep waiting for death, you are more than a conqueror through Him that loved us. Turns a corner from v36. If you are thinking about this like v36, you are thinking about this entirely wrong. NAY is emphasizing something particular.
Romans 8:37		37 Nay, in all these things we are more than conquerors through him that loved us. NAY: Comes from 2 Olde English words: 1. NE (not) 2. EI (ever) - put together in almost every language in the world would drop one of the vowels because vowels don't go together. NEI = NE + EI = Eventually became NAY in the English language. When you say NAY, you are not just saying NO, it is a much stronger word than that. You are saying 'not ever'. Paul immediately reverses v36 by saying 'not ever'. After the 7 categories of attacks in v35 and the wrong mindset in v36, he turns around and says NAY. IN ALL THESE THINGS: Note the list in v35. These things happen to us and it looks like we are KILLED ALL THE DAY LONG. GH: v35 list of 7. IN (the midst of) all these things (listed in v35): Not getting saved or delivered from them. WE ARE MORE THAN CONQUERORS: In the midst of being KILLED ALL THE DAY LONG and ACCOUNTED AS SHEEP FOR THE SLAUGHTER. MM would call that suffering. Most people would say that doesn't look like a CONQUEROR to me. We are going to take the POE attack that was meant to make us walk away from our Sonship and we're going to turn it to benefit our own cause. The biggest opportunity you have to be conformed to the image of Christ/accelerate your Sonship is when the POE attack comes against you and you utilize the doctrine to become more than a conqueror. So even though Satan did what he wanted to do to you it didn't have its intended effect on you. In fact, it turned out to do just the opposite of what it was intended to do. You will find yourself saying thank you for that one. We want to say, is there another way to get it? Don't test me or put me under the spotlight. When you say that you need God to come to your rescue, you are telling Him that He has prepared you insufficiently. He has told you that the attack can't come against you to a greater degree than you have advanced as a son (GH: 1 Corinthians 10:13).

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:37		37 Nay, in all these things we are more than conquerors through him that loved us. MORE THAN CONQUERORS: The world is not going to look at you and say wow, you are MORE THAN a CONQUERORs. They will see SHEEP FOR THE SLAUGHTER. Most believers will not look at us and say MORE THAN CONQUERORS. God, fellow sons, and some angels will see us as MORE THAN CONQUERORS. The patient endurance of the sufferings. Being more than a conqueror doesn't mean you put on an iron man suit and whip everybody. The majority of of our being conformed to Christ is going to take place when we are being attacked by the POE. God designed it just that way. It's a spiritual principle. If the POE is going to progressively use these 7 things in your Sonship life, notice how he comes to the end of this - in ALL THESE THINGS, WE ARE MORE THAN CONQUERORS. Is not just that you went through them, but you actually benefited by going through them. The thing that was meant to destroy you actually wound up making you stronger than the thing that was meant to beat you down. It actually built you up. Took what should have been and flipped it completely around. Most Christians would say if things started going badly for you and you couldn't live in a manner in which everybody had become accustom then things were tough for you. Because of the Sonship decision, the biggest critics would be saved people. They say they have a full parking lot, paying the bills, and God is smiling on them. They think that is how God is working in this age. What about the drug dealer in Columbia that has more money than any church in this state? MM says I guess he could claim God's blessing for that? How can it be proof of God's blessing for one and not the other? Some of these things are going to come against you. These oppositions are actually going to work to produce the exact opposite of what they were supposed to do, to do the effectual working of this curriculum. Instead of causing you to quit, it's going to make you more than a conqueror. It fast tracks your Sonship. There are some spaces on the Sonship board that you will zip right through and you will have gotten that only through the attack that was meant to make you quit. When the attack comes, you can say to yourself I am going to get ahead. MM said it is like your speed doubles. What got produced in that crucible of suffering has an instant pay off in your Sonship.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:37		37 Nay, in all these things we are more than conquerors through him that loved us. MORE THAN CONQUERORS: It doesn't matter what comes against you, the curriculum has the ability to make you more than a conqueror. Those things that come against you weren't meant to make you a conqueror, they were meant to conquer you. To make you quit. This curriculum has the power to take the very thing that is supposed to make you quit, to take that and make you MORE THAN CONQUERORS. It produces the very opposite of what the attack was supposed to produce. Only happens in a son that is not only educated but edified (God is doing all 3 parts of the edification if you simply believe/have faith). If anything comes against you and it did not have its intended effect, then you have conquerored it. MORE: Means that those things don't affect you the way they normally would, it means now they have actually turned to be your benefit and the wisdom of men cannot understand that, that the sufferings we go through in this life be to my benefit. Get into Romans 12-WISDOM and you will no longer look at like you used to look at this or like your friends look at this, you will look at like your Heavenly Father looks at this. You know why your friends react the way they do because all they know would lead them to say the thing we really want to get from God is relief from this suffering and nobody likes to suffer. God says I AM not going to put suffering on you but whenever it comes on you, I CAN finally put this on display and it is the thing that can only be put on display this way so it benefits Me as your Father. As a result, I AM going to turn around and make you more than a conqueror and it is going to benefit you. Taking the attack that was against you and turning it around to further your own cause. Like what somebody meant to injure you, actually helped you. If I use the doctrine against the POE, what was used to discourage me/beat me down/say uncle, that doctrine that effectually works in me actually takes the POE attack, turns it around to work it to my good to further conform me in the image of Christ, because I am properly responding to the attack. When I do that, I become MORE THAN a CONQUEROR in all these things.
Romans 8:37		37 Nay, in all these things we are more than conquerors through him that loved us. MORE THAN CONQUERORS: Did NOT mean that God was going to take away those attacks by the POE. Did NOT mean God was going to take away those sufferings. If we are MORE THAN CONQUERORS, it is not going to be in the outward man but in the INNER MAN. Become MORE THAN CONQUERORS by the process: 1. Presented the doctrine that comes from the word 2. Understand that doctrine 3. Believe that doctrine to be true 4. Trust (shade different than believe - might believe something is true but doesn't mean you are going to trust it) that doctrine that it will do what God said it would do = CHRIST DWELLING IN OUR HEARTS BY FAITHEphesians 3. Trusting the word/the Lord to produce that work IN us - the Lord will be doing that. This is us cooperating. Can produce a peaceful trust in the midst of a terrible circumstance.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:37		37 Nay, in all these things we are more than conquerors through him that loved us. MORE THAN (a) CONQUERORS: This is not to get beat up, it is to be MORE THAN CONQUERORS in the midst of all of this. MORE THAN CONQUERORS: We are supposed to be “more than conquerors through Him that loved us.” Therefore, you don’t need to fear the sufferings of Christ. When they take place, you don’t need to think that there is something wrong between you and God. Instead, you are given doctrine to keep you from thinking those things. What most folks never realize is that being more than a conqueror is much better than simply being delivered from the sufferings. Being more than a conqueror is better than never having to fight the battle at all because something comes out of being more than a conqueror that you cannot have unless you engage in the battle. Different mindset than v36. Because we are sons. Paul is telling you this in SE before you ever begin your education because he realizes that even though you know God is (GH: not) intervening, it still may look like we are kind of thrown out there for ourselves. He is now going to give you a wonderful remedy to produce the confidence in His curriculum - there's absolutely nothing that has been overlooked, it will handle everything that will come your way so like Paul you will say I AM PERSUADED. And the thing that will persuade you of that is to change your thinking from I've been left out on my own to fend for myself to know these are the things that will make us MORE THAN CONQUERORS.
Romans 8:37		37 Nay, in all these things we are more than conquerors through him that loved us. MORE THAN CONQUERORS: This exceeds just being victorious. It goes beyond that. 1. That which is against us works for our benefit. The attacks are designed to make you quit your Sonship life. They will actually, instead of being detrimental to you, the power in this Book/the Sonship curriculum is going to take those attacks as they happen to you and actually turn them around for your benefit. They are going to equip you in ways you couldn't be equipped without them. Why your Heavenly Father is not getting between you and those attacks. It's going to benefit you as a son. 2. Those attacks accelerate your Sonship. What you are trying to get done, they actually accelerate it, like someone pushed on the gas pedal. This is part of the MORE than conquerors. The benefits from these attacks will make you a better, stronger, more experiencced son. The benefit comes into play: - Now: you become a stronger son or daughter of your Heavenly Father. You get some experience under your belt and you know how to handle things. Makes you want to turn around and help somebody else. - Later: judging angels - it's your position

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:37		37 Nay, in all these things we are more than conquerors through him that loved us. MORE THAN CONQUERORS: MM says you are not MORE than a CONQUEROR just because someone says you are. You need the doctrine working in you for this to happen. If you don't have the doctrine that makes you MORE THAN CONQUERORS, all you are doing is producing something out of the energy of your flesh. Your Father is looking for you to live out of that doctrine and have the word of Christ dwell in you richly-Colossians 3:17. THROUGH HIM THAT LOVED US: God's Love to you is not tied to the circumstances you go through. God is not proving his Love toward you by the things which happen in your life. That is not the way to measure God's love. Pointing back to LOVE OF CHRIST-v35. It is that love that makes you more than a conqueror. What that love (the love of Christ) has accomplished on your behalf makes you more than a conqueror. It's the LOVE OF CHRIST that makes you MORE THAN A CONQUEROR. Paul is saying just like their thinking in Psalm 44:22 wasn't right, it isn't right here either. Because the next word out of his mouth is NAY. Is telling you that you are not sheep for the slaughter, you are more than conquerors.
Romans 8:38-39	VTP : Sonship 3 of n - Full persuasion of God and His Word; confidence in it / Summation of everything going back to v16	Forms the conclusion of the matter, the full persuasion of the mind. MM thinks everything in this list is a creature. List of creatures that will be against you and are working to make you stop your Sonship life. Paul lists 10 things that aren't even able to separate you from the LOVE OF GOD. Should give you confidence. Paul has gotten to the place that he knows these things cannot effect his Sonship life. But everybody that reads that may not be there. Paul is not making an intellectual statement (GH: like we are), he has gone through these things, he has seen the provision that was made for him to be able to handle the tribulations and distresses and persecutions etc. Those things were unfailing and he experienced that. He can come along and say at that point that I AM PERSUADED that none of these things are going to have any kind of an effect on his Sonship life that they were designed to have. There really is a remedy for that and the remedy works. It's one thing to say it academically and another thing to say I can tell you this works, I have been there. When the tribulations and distresses and persecutions begin to happen, there will be a natural tendency to get focused on the problem (GH: ungodly thinking) and forget about the remedy. You can't be separated from that remedy, it is always going to be there. There is no circumstance you can encounter in which it will not and that is supposed to make a difference in the confidence you have toward this. Are the final assessment of your Sonship establishment.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:38-39	VTP : Sonship 3 of n - Full persuasion of God and His Word; confidence in it / Summation of everything going back to v16	Based on the effectual working of v37, v38-39 cause you to draw a conclusion that is exactly what your heavenly Father is waiting to see and hear in you. People use these verses to teach eternal security. PROBLEM: Not talking about justification, talking about sanctification. Does mean what it says but it's not talking about your permanent position of being JUEL. God is not changing gears to do this big review over something He has already covered. This is what we have to be. You can't look at your circumstances and think God hates me, God doesn't love me anymore, God has abandoned me, God's CAST me OFF, God has disowned me if this doctrine is working in you, nothing that happens to you will make you think that. This is all there is but that's enough. True for a son or daughter that have a positive and proper response to the doctrine. It is possible that someone will throw in the towel under the attacks. He's not saying it can't do it, he's saying he is persuaded that it won't be able to do it. I'm convinced that it won't because Paul saw something in the doctrine that persuaded him about that. v38-39: Paul starts with a list of creatures who are against us, and he ends with a statement about their inability to separate us from the love of God. (Which is the grace to patiently endure the sufferings). May not first appear as a list of creatures but actually are. None of them possess the power to separate us from God's grace – which is the token of His love for us, when we suffer. Grace is our life jacket, it is our oxygen, it is our parachute; it is the answer to whatever is against us. Is which this time, is talking about the power of grace to endure. Gives us an absolute confidence in His word, that it will produce in our inner man exactly what it was designed to produce.
Romans 8:38-39	VTP : Sonship 3 of n - Full persuasion of God and His Word; confidence in it / Summation of everything going back to v16	Notice there are 10 things in this list. This is not a repeating of the 7 things in v35. He doesn't give you a bunch of details. Right now, all you are supposed to do is to just see these in a very general way. That's enough for you to get what He wants you to get out of this. These 10 things are the arenas/venues/places in which the POE can carry out those 7 categories of attacks. These are the means by which these various attacks can happen. Not the attacks but the way those attacks can come. Paul is not saying that these attacks won't be felt, he is saying that these attacks are going to produce something different than you would normally think that they are going to produce The persuasion is more than mental. It goes beyond that. You will be feeling it, you will be going through it, but in your spirit there is a PEACE because you realize what this is producing. MM mentioned the saying 'a peace in the midst of the storm'. It won't undo the storm but it will cause you to go through the storm very differently than everybody else. Notice each of these groupings are pretty comprehensive. All of these are venues from which the POE can carry out an attack. See the commonality in the first 3 of the 4 groupings.He is taking in the entire scope of what can be utilized by Satan. Paul is saying that I AM PERSUADED that not the HEIGHT power base or the DEPTH power base or anything between those 2 extremes are going to hae an effect on us. He could have said it doesn't matter what Satan has at his disposal, it's not going to work. But he didn't say it that way.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:38-39	VTP : Sonship 3 of n - Full persuasion of God and His Word; confidence in it / Summation of everything going back to v16	Four groupings or categories of things that go together: GROUP 1 - (2) NEITHER DEATH, NOR LIFE - sums up your life Talks about DEATH first because that seems like the ultimate worst thing that could happen. MM says for some people, it is easier to die for a cause than it is to live everyday for that cause. Today, you are in this world controlled by the prince of this world. You are parading Sonship around in his territory. Like going to enemy territory and parading yourself around in the open (GH: ARMOR OF LIGHT-Romans 13:12). DEATH: MM asks how do you like that one right out of the box? The threat of death can certainly make a person rethink their position about matters. MM realizes that “sword” and “peril” are part of the seven categories. The issue of death is meant to be the ultimate threat to make you back away from your Sonship life. MM thinks that this is talking about the creature with the power of death, but Paul is abbreviating it to just DEATH. Is the threat of DEATH enough to make some people go, wait a minute. It is intimidating to some that their Sonship life may cost them their life. NOR LIFE: Everything mentioned after this is a creature. Why it says NOR ANY OTHER CREATURE. LIFE: It is much less difficult to “die” for a cause than it is to “live” for that same cause. The longer you live, the more Satan can throw at you. The further you go in the Sonship curriculum, the worse the attacks get. Creature that is offering a LIFE OF PLEASURE-1 Timothy 5:6 and life of ease to get people to quit their Sonship life. POINT: Both death and life are arenas that Satan employs to work against you.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:38-39	VTP : Sonship 3 of n - Full persuasion of God and His Word; confidence in it / Summation of everything going back to v16	GROUP 2 - (3) NOR ANGELS, NOR PRINCIPALITIES, NOR POWERS - the angelic realm - Doesn't say THRONES or DOMINIONS (since they didn't rebel). - These are the top two in the hierarchy in God's government. (GH: old view) Have to do with more than the angelic realm, have to do with governmental authority/positions in the heavenly places, as well as references to the beings that occupy those positions. These are beings who are loyal to the Adversary. In the beginning, God created a government in the heavens. He divided it up and put a structure there. He put angels in charge of divisions of that government. The angels that are in charge of each of those divisions are called PRINCIPALITIES. All but 1 of those PRINCIPALITIES (GH: division heads) followed Satan's rebellion. When Revelation says a third of the angels joined him, he didn't just go out and get a third of the angels. He got the top third, the ones that were in authority. The ones who were in command. Was the first step to become the possessor of the heavens and then went on to become the possessor of the earth(GH: When Adam fell). He is talking about these governmental positions, these are the minions of the adversary that occupy these positions. He is not talking about that you are going to come into direct contact with fallen angels and demonic forces. That's not it. He is talking about who is behind the attacks. Notice that he doesn't say Satan. He talks about Satan's helpers. These principalities and powers have the ability to produce influence in this world. And when they do, they produce this influence in the CHILDREN OF DISOBEDIENCE-Ephesians 2:2. Different from the CHILDREN OF WRATH. When the attacks of the adversary come your way, they are going to be carried out by people. You are not going to get direct contact by principalities and powers. Will be in contact with the CHILDREN OF DISOBEDIENCE. This is another arena that these 7 categories of attacks that can be unleashed against you. Not every PRINCIPALITY is in the heavenly places. There are also human principalities of government. Part of the list of creatures opposed to us. They can't separate us from the LOVE OF GOD by giving us His all-sufficient grace to endure our sufferings. Principalities and Powers are the ones attacking us and we are supposed to make known the manifold wisdom of God to them-Ephesians 3:10.
Romans 8:38-39	VTP : Sonship 3 of n - Full persuasion of God and His Word; confidence in it / Summation of everything going back to v16	GROUP 3 - (2) NOR THINGS PRESENT, NOR THINGS TO COME These are connected together in time. Notice the past is missing because it is over. If you've come through it, that's behind you. No 'past' - once the attacks of the POE are behind us, they serve little purpose in leveraging us to quit our Sonship life. "What is' is happening right now. Will realize you are in THINGS PRESENT, things happening right now. Also be concerned with something eise - the THINGS (that are going) TO COME. Other things sitting out beyond that. MM talks about redeeming the time or how you spend your time. Either spend getting your Sonship education or spend it the way the world spends it (GH: COTW). Another aspect is PRESENT (happening right now - getting your education - Boot camp) and THINGS TO COME (happening in the future - out in the creature and removing Satan and his minions, undoing things, - get off the ship and put your boots in the water and climb up the beach). There is going to be war in heaven and you are going to administrate angels who are going to carry out that war. Have to undo the strongholds and then undo the BONDAGE OF CORRUPTION. The creature has been disabled and you are going to have to reverse that. MM says there's a time limit on casting out Satan and his angels. There's a time limit on removing all those strongholds. During the 42 months. Then during the kingdom, have another job that needs to be done and there's a time limit on that. 1,000 years is a long time but that's a big place up there. Understand the speed of light is too slow to move through the creature.

Romans 8:38-39	VTP : Sonship 3 of n - Full persuasion of God and His Word; confidence in it / Summation of everything going back to v16	GROUP 4 - (3) NOR HEIGHT, NOR DEPTH, NOR ANY OTHER CREATURE MM said this gave him some fits. HEIGHT: Spiritual wickedness in high places. Here singular HEIGHT refers to the heavens-Psalm 148:1, which refers to a plural HEIGHTS. When Paul talks about HEIGHT, he is talking about a singular place that he can refer to as HEIGHT. MM says it is the main one, the most powerful one, and the highest one. Something above you. Which of the HEIGHTS would be the main HEIGHT? In your Bible, the higher up it goes, the more important it is. Homes in the hills of Jerusalem - slums at the bottom but farther up in height, the farther up in price/prestige/social ladder. Built the Lord's house on the highest peak and the king's house the second highest. With this principle in mind, it's the same way in the heavens. The further along you are in your education, the higher up you are in the heavens. Not a coincidence that the top of your body is the head. GH: Jesus is at the top and Head of the body of Christ. Here is a list of things that may have come into your mind as you thought about the word HEIGHT: Tallness (stature, altitude, elevation) Pinnacle (summit, peak, top, apex, zenith, distance upward) Is a geographical place in the heavenly places by which Satan has now subjugated everything in the heavenly places. There is something in Satan's POE attacks called the HEIGHT and something he has called the DEPTH - one of those is above us and one of those is below us.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:38-39	VTP : Sonship 3 of n - Full persuasion of God and His Word; confidence in it / Summation of everything going back to v16	GROUP 4 - (3) NOR HEIGHT, NOR DEPTH, NOR ANY OTHER CREATURE (cont'd): DEPTH: Rulers of the darkness of this world. MM says this is at the bottom. Something below you. When you put HEIGHT and DEPTH together, you are talking dimensions. Width is the missing spatial dimension. A two-dimensional world would be flat. Need that third dimension to bring it up. Deepness (distance downward) Is his power base on earth by which he has subjugated the earth. POINT: Because width is missing, there has to be something more to HEIGHT and DEPTH than just dimensions. In relation to each other, HEIGHT and DEPTH are the very opposites of each other - one end of the spectrum and the other end of the spectrum. HEIGHT and DEPTH are antonyms. They mean the very opposite. When the two words are used together, they can certainly be used to describe dimensions. And dimensions usually point us toward a structure of some kind. This is not totally wrong. But you cannot be attacked by height in only its dimensional sense. The same is true of depth. Know so far: - These words (height, depth) are polar opposites of each other - They are two of the arenas (the settings/locations/places/spots) from which and by which the POE's attacks against us are launched - Whatever they are, there is something about height and depth that gives Satan a platform for his attacks against us Summary: Since height and depth represent extreme opposites to one another, and since these are all within Satan's purview to carry out his attacks against us, the basic (and for right now, the only necessary) thing to know is that these two words (height and depth) represent the entire spectrum of what Satan has available to him to use against us. All you need to know for effectual working to take place.
Romans 8:38	GH: PoA verse	38 For I am persuaded, that neither death, nor life, nor angels, nor principalities, nor powers, nor things present, nor things to come, At the end of the list, he says that he is persuaded that none of these creatures can separate us from the love of God. God loves us when we are attacked by these entities and we know that by His grace which produces the Life in us. His grace produces a patient endurance so that those sufferings are transforming us to be conformed to the image of His Son. MM says that the love of Christ (v35) is about one thing (how we are being dealt with), while the love of God (v39) is about another (the grace to deal with sufferings and opposition). Grace is the doctrine working in your inner man that allows you to patiently endure those attacks. Not just endure them but to be more than conquerors in them. MM says this is a conflict and you are going to need armor for that conflict - HELMET OF SALVATION-1 Thessalonians 5:8. By allowing us to be attacked God proves His love toward us by providing that all sufficient grace that allows us to patiently endure the sufferings. You can not only go through it but come out better on the other side than when we went into it. **If you have absolute confidence in the Father and absolute confidence in His word, if you do, that's the HELMET (OF SALVATION)**. We have a hope, a confident expectation that our heavenly Father will keep His word.

Romans 8:38	GH: PoA verse	38 For I am persuaded, that neither death, nor life, nor angels, nor principalities, nor powers, nor things present, nor things to come, Paul is saying he doesn't care what gets thrown at him, it is not going to make him walk away from his Sonship. The whole means for allowing the POE to do this is that is the means that you advance as a son. This is like weight training - it is not pleasant and there is some pain associated with it. But it is through those things that our Sonship is advanced and our conformity to Christ is enlarged and that is the way God intends for that to happen. MM says what all this is pointing towards. Paul's confidence is the confidence we should have. God has done everything necessary to ensure our success. There's nothing in heaven and earth, situation or person, which has the power to stop a son from being successful unless we let it. God has specific forms of doctrine to produce patient endurance. Paul is teaching two things here: 1) suffering is not a sign that God is no longer dealing with us out of His love, and 2) nothing can keep us from God’s grace, which is the proof of His love.
Romans 8:38	GH: PoA verse	38 For I am persuaded, that neither death, nor life, nor angels, nor principalities, nor powers, nor things present, nor things to come, FOR I AM PERSUADED: When Paul writes Sonship Establishment, he is a FES. There's a big difference between where he was in the curriculum when he wrote this and where we are now (SE-5 probing questions). Paul believed. There is some doctrine that persuaded Paul about this. This is also why when Paul talks about his persuasion, he brings in the issue of the angels, principalities, powers and all the other things such as height, depth, nor any other creature. This curriculum has the power to take the very thing that is supposed to make you quit, to take that and make you MORE THAN CONQUERORS. It produces the very opposite of what the attack was supposed to produce. Only happens in a son that is not only educated but edified (God is doing all 3 parts of the edification (Proverbs 2:6-9) if you simply believe/have faith). Paul is pointing this same thing towards being fully persuaded. This is the final checkpoint in Romans 8. Paul is persuaded that there is not a single thing that is at the disposal of Satan by which to launch his attacks against us that's going to be successful. It's all been taken into account. This is a comprehensive list. There's absolutely nothing that doesn't fall into this list somewhere. Need to talk to your Father and say you are persuaded or you are not. If you are not, need to go back into Romans 8 and get what you didn't get. You are going to ask the question - how do I know that this thing (GH: the Sonship curriculum) has worked in me. This is the checkpoint in Romans 8 to answer that question.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:38	GH: PoA verse	38 For I am persuaded, that neither death, nor life, nor angels, nor principalities, nor powers, nor things present, nor things to come, FOR I AM PERSUADED: Paul believed. It produces the very opposite of what the attack was supposed to produce. Paul is pointing this same thing towards being fully persuaded. There's a persuasion that has taken place based on the thing he has said to you prior. That's where that's going. To get that done, He is going to explain the WHYs and the HOWs of this and you have got be be able to know that. I AM PERSUADED: This is the marker/checkpoint that tells you if the things that have been said to you so far have been working in you. 1. Confidence in what your Heavenly Father says is true. 2. Confidence in His curriculum to accomplish what He said it will do. Being fully persuaded that what was written in this Book is going to be adequate to allow us to go through anything the adversary could throw our way. PERSUADED: When these virtues are properly functioning in your inner man, the result is that you will be “persuaded." This is Paul's conclusion to all of those things that have been said. The convincement (I am persuaded, as Paul will say) and the confidence (this is going to work for me) is founded upon the 'love of Christ'-v35 and the 'love of God'-v39. If you can be PERSUADED that none of these 10 arenas (GH: old view?->now creatures) or none of these 7 attacks of the adversary can stop God's provision for you to succeed as his son or daughter. That persuasion is to be to such an extent that you trust what your Father is telling you even when those around you and even your circumstances tell you differently. Paul could have just said, 'there is just nothing Satan can do' instead of saying all of this. There's a reason he included these (GH: 10) terms. He is bringing you to understand something more than the idea that oh, this just talks about everything. He is breaking it down into parts. Crabb = we are convinced by arguments, but we are persuaded by personal influence, persuasion is accomplished not so much by argument, but by drawing a person to be persuaded—persuaded also indicates that a certain course is determined to be followed—we are convinced of truths and facts, but we are persuaded to act & behave—you’re persuaded to do something.
Romans 8:38	GH: PoA verse	38 For I am persuaded, that neither death, nor life, nor angels, nor principalities, nor powers, nor things present, nor things to come, In the government of heaven, there are 7 layers to that government and 4 divisions. GH: 7 layers: Old View -> New View 1. His Throne far above 2. Principalities ->4 3. Powers ->5 4. Mights ->6 5. Thrones ->2 6. Dominions ->3 7. GH: Angels? GH: 4-divisions: thrones, dominions, principalities, powers

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:39	GH: PoA verse	39 Nor height, nor depth, nor any other creature, shall be able to separate us from the love of God, which is in Christ Jesus our Lord. THE LOVE OF GOD: This is not talking about God loving you. Misunderstood and misused verse. Mentioned 5x in Paul's epistles. **Manifested by all that He has done for us and given to us by grace, can never be altered by anything that happens, any circumstance that occurs, or by anyone outside of ourselves**. His Love for us will never diminish. It will never be taken away from us. We can never lose it by anything we do. Nothing else anyone else can do to it either. The ultimate ground upon which your HOPE and justification rest is the LOVE OF GOD. That's the ground, the measure of just how successful your justification is going to be. The LOVE OF CHRIST is the measure of just how successful your Sonship, which is part of your sanctification, is going to be. LOVE OF GOD: Not talking about none of these creatures would make it so God doesn't love you anymore. Is evidenced the power of His (all-sufficient) grace which enables us to patiently endure all those things which are against us. But all of these things in v38-39 certainly want to separate us from living out of God's grace. These creatures want you to not access God's grace but none of them can keep you from God's grace. They try to intimidate you or distract you so you get your eye on the suffering instead of grace. None of these creatures can separate you from the LOVE OF GOD which is in Christ. How do you get grace out of the LOVE OF GOD. How is God communicating when you are suffering. Does He say 'good luck with that'. He is going to give you the grace to not only go through it but to patently endure that to the glory of your heavenly Father so that when you come out of that suffering you are stronger than when you went in, that's what it is to be more than a conqueror. The creatures can't separate you from grace, this is the token of God's Love, this is how you know He loves you. People hear grace being preached and God not intervening in our circumstances and say God doesn't care. Sure He does and He shows you by giving you His grace. This is what makes you what you are designed to be as a member of the body of Christ.
Romans 8:39	GH: PoA verse	39 Nor height, nor depth, nor any other creature, shall be able to separate us from the love of God, which is in Christ Jesus our Lord. (3) NOR HEIGHT, NOR DEPTH, NOR ANY OTHER CREATURE These are two places or two venues or two arenas where Satan will launch an attack. #1. There's a main, most powerful seat in the heavens and there's a main, most powerful seat in the earth. Paul is talking about both HEIGHT and DEPTH because occupying a position of HEIGHT in the heavens makes certain abilities and capacities available to Satan to utilize in what he wants to do. Analogy: Guy is a mayor of a town and can do what the mayor can do. But he can't do what the governor can do. To do that, he would need to occupy the position of governor. The governor can't do with the President can do for the same reason. Satan wants to occupy THEE highest position. There is a throne up there that he wants to occupy that will make everything else in the heavenly places, not the third heaven where God is, but in the heavenly places, Satan wants to occupy the highest position so that everything under him reports to him. That's what he's after.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:39	GH: PoA verse	39 Nor height, nor depth, nor any other creature, shall be able to separate us from the love of God, which is in Christ Jesus our Lord. #2. There is also one in the heart of the earth (GH: the DEPTH one) that he had to have the second one because there are two realms at stake - the heavens and the earth. He has to have that position in both. That is what's represented by that PRINCE OF THE POWER OF THE AIR-Ephesians 2:2 and the PRINCE OF THIS WORLD-John 14:30. A “prince” rules over a defined domain and exercised authority over those who dwell there. A prince occupies a throne or a seat of authority in connection with the realm and the people he rules over. He is occupying that top spot in both of those in order to carry out what he's trying to get done. If you know that HEIGHT and DEPTH are venues that the POE will use to make you quit your Sonship life and the highest and the deepest are both occupied by Satan, there is an exalted place or a power base in the heavenly praces that everything else functions under and there is a power base in the earth and everything functions in submission to that. This gives him some capacities that any other position would not allow his to do (GH: the mayor-governor analogy). This is why God needs a way to reconcile both the earth and the heavenly places back to Himself because currently they are under the control of the adversary. When talking about HEIGHT and DEPTH, there's a place up here in the heavenly places and a place down here in the heart of the earth. When Adam sinned in the garden, that was the central location for everything on this earth. If you are Satan and you deposed Adam from being the monarch over the earth (remember Adam was to have dominion over everything - dominion is a term of rulership). He forfeited his rulership of the earth. If you are the adversary, you want to move into that place and you want to occupy it. But he was not allowed to do that. God put a cherub with a flaming sword and nobody's getting into the garden.
Romans 8:39	GH: PoA verse	39 Nor height, nor depth, nor any other creature, shall be able to separate us from the love of God, which is in Christ Jesus our Lord. (3) NOR HEIGHT, NOR DEPTH, NOR ANY OTHER CREATURE Satan is not only not allowed to get in the garden, he is not allowed to build a power base on the earth at all. So he is forced to build it IN/UNDER the earth. Satan has(GH: had?) keys in his pocket to death and hell. If you have the keys, you are in control of that. When Jesus resurrected from the dead, He had a couple keys in His pocket. He took the keys of death and hell. Taking those keys means there is a limitation on what the adversary can do. There is coming a day when He will depose Satan from the heavenly places and depose Satan from the earth. That will be the end of the POE. Satan has power bases where he can control everything in the heavenly places and everything in the earth. MM's translation: 'Nor Satan's power base at the height of the heavens (which gives him total control of the heavenly places) or his power base in the heart of the earth (which gives him total control of the earth) can separate you from the love of God which is in Christ Jesus'

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 8:39	GH: PoA verse	39 Nor height, nor depth, nor any other creature, shall be able to separate us from the love of God, which is in Christ Jesus our Lord. (1) NOR ANY OTHER CREATURE NOR ANY OTHER CREATURE: MM's default position was this is talking about the creature but it's not. How he came to this conclusion: - v39 starts out with “height” which refers to the top position (throne/power base) in the creature/heavenly places - v39 continues with “depth” which refers to the lowest (geographical, not in rank of power) power base in the earth - What these have in common is that they are positions of power that allow Satan full access to anything he decides to use against us He has full access to anything he decides to use against - full access to everything in the heavenly places and full access to everything in the earth because he occupies those positions of authority.
Romans 8:39	GH: PoA verse	39 Nor height, nor depth, nor any other creature, shall be able to separate us from the love of God, which is in Christ Jesus our Lord. - The “giveaway” is the use of the word “other.” OTHER forces us to think about CREATURE in a particular way. The use of the word “other” forces the last object to be something separate or different from the previously mentioned item or items and at the same time it is considered to be of the same “nature” as those items. OED – “other” – used to refer to a person or thing that is different from one already mentioned or known. All of the things mentioned have to be of the same “ilk” or the same nature. But a different item. ANY OTHER CREATURE: Tells us 2 things: 1. These two venues (height, depth) these two powerbases can rightfully be referred to as “creatures”. Discover there is a CREATURE within the Creature. Know DEPTH is not part of the Creature. 2. By extrapolation, “any other creature” is referring to “any other powerbase which is available to Satan.” Can substitute CREATURE with power base. Because these 3 are in a group, they have to match up, they have to be the same kinds of things.
Romans 8:39	GH: PoA verse	39 Nor height, nor depth, nor any other creature, shall be able to separate us from the love of God, which is in Christ Jesus our Lord. LOVE OF GOD: Started with LOVE OF CHRIST in v35 and finishes with LOVE OF GOD-v39. MM says recall his overview of how the Father and the Son over and over made provision for you to be successful. Showing you that your success is dependent on what they have both done on your behalf to ensure your success as a son. Neither those attacks-v35 nor these venues-v38-39 are going to work. As you go through the curriculum, you're going to be alerted to what's about to happen, you're going to be equipped to handle that, and nothing is going to be overlooked.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 9-11		Romans 9: Knowing that you are going to be thrilled with this Sonship education and what you are going to be thinking about, you are going to want to learn more about it. Don't get 4 verses into it until he faces you that you are not alone in Sonship. It is amazing to MM that people are obvilious to the dispensational change when Paul took 3 chapters to talk about it. We are not spiritual Israel. We are not Israel's replacement. We are not Israel in any form. We are members of the Church the body of Christ, who will get a glorified body and then take our positions in the heavenly places where Ephesians 2.6 says we are seated with Christ in heavenly places and we are going to have a heavenly vocation up there throughout the AGES TO COME. Israel is not going to be in the heavenly places and they don't get that kind of body because they are going to be on this earth in an earthly kingdom. Romans 9-11: Tell you that God interupted that program with Israel. He brought in that dispensation of grace, the Church, the body of Christ. He's got a program with them. But when He is finished, God is going to resume and complete His program with Israel. He is faithful to the promises that He made to them. He didn't replace them. The foundation for our exaltation (the dispensational change) but we do not get the details of it until we get to Ephesians, Philippians, and Colossians.
Romans 9-11	The lure of Israel's program	God had a program with Israel that was working all the way up to the stoning of Stephen in the Book of Acts. Dispensational Change - Paul explains in these 3 chapters / Nothing in the Book of Proverbs about this. Because it was the Mystery. Explains the dispensational change. He is going to explain: - what has happened to Israel - the interuption of the program with Israel - why their program was interupted - why it happened - here's what happened to them - details their **stumbling/fall/diminishing/cast away/come back(fulness)** - how long it got interrupted for - the fact that He has now introduced a new program - what's going to happen in this new dispensation that you are an adopted son in - what He is doing in that program - why He is doing it just that way

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 9-11	The lure of Israel's program	- that when this program comes to an end He is going to resume and complete His program with Israel - talk about the stumbling of Israel - the fall of Israel (Acts 7-Stephen stoning) - diminishing of Israel (Acts 8-28) - casting away of Israel - what to expect when this is over and Israel's program resumes - Israel is going to be restored and their program resumed, completed and they will be grafted back in - that He is going to restore that program in the future after He is through with us, and - God will establish His Kingdom on earth with them They are going to get grafted back in and God is going to resume and complete this program. He lays it all out for you so you understand it and won't fall into the errors so many preachers do today. People say God's through with Israel. MM says He is NOT through with Israel and if you read these 3 chapters, it becomes abundantly clear.
Romans 9-11	The lure of Israel's program	Romans 9 - 11: Should be considered by you, as part of your Sonship Establishment. There has been a dispensational change. Where Paul explains the dispensational change to the body of Christ. A lot of information in Acts that is not here because he is not telling you what the Jews needed to be told. He is telling you the program got interupted, here's what I AM doing now, and when I AM finished with this, I AM going to restart that program with Israel and bring it to a close. No one will have to tell you the DOGG is over - signaled by the Blessed Hope/you are caught out. What we learn in Romans 9-11: 1. What God has done with the nation of Israel. 2. His program with them is temporarily in abeyance. 3. We are now living in a new and different dispensation which was formerly kept secret.
Romans 9-11	The lure of Israel's program	Paul spells out here, that you don't see in Acts, is he makes it very clear that the body of Christ is NOT the replacement for Israel. God is not through with them. Makes it clear that when this DOGG has come to an end, God is going to graft the natural branches back into the tree and He IS going to complete His Program with Israel. Romans 9-11 - God has interupted His Program with Israel. He has brought in a DOGG in which Gentiles are on equal footing with the Jews. There is no Jew or Greek, there is no male or female, there is no bond or free. Not looking at any of those distinctions anymore. Looking at everyone exactly the same. - God is offering now by grace to Jew and Gentile alike. - When the DOGG is over, He will resume His Program with Israel. When He does: will have already gotten your glorified body will have already gone to the JSoC where He will assign your place in the creature - This is important because a lot of people think God is through with Israel forever. He's not, He's going to resume that program. He still has things He has to complete with that. The Day of Wrath has never yet happened.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 9-11		Romans 9-11 - God doesn't want you learning about the dispensational change by reading about it out of the Book of Acts. You will read Acts but there's things that are not contained in Acts that you have to know about because that's going to clue you in as a son, particularly about WHO you are and HOW you are supposed to conduct yourself and WHAT you are supposed to expect. Taught in Romans 9-11 about the dispensational changes in a way that God wants to communicate it to a SON and that wasn't done in the Book of Acts. People see Paul doing things early (raising the guy who fell asleep from the balcony when he was preaching; surviving the campfire viper bite) and think it's the DOGG so we must be able to do that. Didn't record these types of things in Romans - Philemon because there is another doctrine that you are supposed to be looking at. Have to understand two sets of people are being spoken to. 1. The Jewish remnant, the little flock has been hearing Peter preach, trusted Christ that He's their Messiah the Christ, and now Paul comes along and God suddenly interupts their program. God has to send a message that I HAVE interupted your program and things aren't going to work anymore the way that you think that they are supposed to work. 2. Send a message to Gentiles who used to be in the outside the wall of partition or separation because I HAVE torn that wall down and now I AM dealing with you guys. Two groups here and there is one group that is looking for a sign. God uses the sign gifts with Paul to authenticate his message to that people. But when he's talking to Gentiles, they are not looking for a sign from God, they're worshipping pagan gods. So Paul has a different message for them. He's going about it in a different way.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 9-11		There is something else Paul is doing with Israel. He's provoking them to jealousy. When the Jew, who used to have this exclusive relationship with God, all of a sudden sees God dealing with Gentiles and doing things that before only Jews could do, that provokes them to jealousy. It's important to get Romans 9-11 in context with the rest of the Bible so you don't go back and try and pull portions of Israel's program into the DOGG and try and live according to those things because this will kill your Sonship life and your Father knows this. So He is going to make a very clear mark where Israel is on this said and the church, the body of Christ is on this side and He's going to show you which side you're on and explain to you the whole thing so when you come out of that you are ready to go into the education and not have corrupted thinking still in your mind that would negate what you're about to be taught as a son. If you don't get this right, you are going to undo things with doctrine that doesn't really belong for today. Paul doesn't talk about the dispensational change till he gets to Romans 9. You should have understood the dispensational change from the Book of Acts. You did see the change in the Book of Acts but you don't know everything you need to know because Acts was written to the Jew to tell them about the stopping of their program. But you need someone to tell you about that from the standpoint of being in this program and that hasn't been done in your Bible yet. Before getting into the education, there's one more thing you need to know. There was an interuption of that whole program with Israel that was never known. It was kept secret and now you are going to get to know about it but you need to know that this is different from what was going on with Israel so as you go through the education, you are not tempted to go back and grab anything out of Israel's program and try and make that work for you today. As Paul will tell you, that will kill your Sonship life and that's what Satan is after. So Paul has to cover this so he takes 3 chapters to do it.
Romans 9-11		Romans 9-11: Paul gives you different doctrine but it is the same event as Acts. MM says that's a totally different view. Is about the dispensational change, not about Paul's tremendous burden for Israel to be saved. Two parties involved in the dispensational change: 1. Jew 2. Gentile Before, there was a wall of separation between them and the Jew was treated in a very particular way by God. Gentiles were on the outside - STRANGERS FROM THE COMMONWEALTH and ALIENS FROM THE COVENANTS and WITHOUT CHRIST AND WITHOUT GOD IN THE WORLD-Ephesians 2:12. That's where Gentiles were. But when this dispensational change came about, Israel's status changed-GH: See Romans 9 verse. If you are a Jew, you need to know if God is no longer working in His program with you and if you are a Gentile and God has now opened the door to Gentiles and He has taken down the middle wall of separation, the Gentiles would need to know that.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 9-11		So Paul gets a two-fold ministry: 1. he gets a command to go to the JEW FIRST and whenever Paul goes into a city, the first thing he does is go into the synagogue and he beings to preach to the Jew that very popular message (GH: MM joking) that God is no longer working with you the way you are used to. MM says it is any wonder they want to haul the guy out and stone him? 2. then he compounds that by saying not only is God not working with you all (the Jews), he has turned to the Gentiles and he's going to work with them. MM says that's just throwing gas on the fire. Paul knows this is not a popular message for the Jews but Gentiles were receptive and believed that message. It did want Paul said it was supposed to do in his ministry - it provoked Israel to jealousy. They were kind of possessive, that's our God, not the Gentile's God.
Romans 9-11	Outline	Romans 9-11 can be broken down into five major component parts: Major Point #1: • Romans 9:1-5: The declaration that God has not fulfilled his plan and purpose with Israel. God is not through/finished with Israel even though there is a new dispensation that He is introducing. He is saying that He hasn't done everything with Israel that He intended to do. Major Point #2: • Romans 9:6-33: The explanation of what has happened to Israel. Paul addresses the common misunderstandings and objections (objections are based on misunderstandings) for why God has not fulfilled His program and purpose with Israel. This second major point is divided into four parts/Three main objections: 1. Verses 6-13: OBJECTION 1 of 3: It seems as though God's word has had no effect on Israel and Paul's explanation. 1st Misunderstanding: Did God interrupt His program with Israel because it wasn't working; because the word of God did not accomplish what it was supposed to? ANSWER: Don't have to worry that it didn't all get finished, it will get finished. Leads to the second misunderstanding.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 9-11	Outline	2. Verses 14-18: OBJECTION 2 of 3: The charge that God has dealt with Israel in an unfair and unrighteous manner and Paul's answer. 2nd Misundertanding: What right does God have to interrupt His program with Israel when it wasn't yet finished? Why should they have to wait for the fulfillment of their program? 3. Verses 19-29: OBJECTION 3 of 3: Paul anticipates an objection to his previous two answers and his answer to this objection. 3rd Misunderstanding: If this is true, then why does God still find fault with Israel? Why did God not continue and bring His program with Israel to completion? If you look at these questions, it's not that the word of God failed/didn't do what it was supposed to do, then you would ask why does God still find fault with Israel? All of this is based on a person not understanding 3 things and Paul is going to explain those to us. 4. Verses 30-33: Paul makes a concluding statement based on what has been said from verse 6 up to this point. Conclusion: In view of what God has done, what is going to happen now? MM says remember Paul clears up objections before (GH: in Romans 6:14-7:25). Doing the same thing here.
Romans 9-11	Outline	Major Point #3: • Romans 10:1-21: The details of Israel's stumbling. This third major point has two parts to it: 1. Verses 1-13: Why Israel stumbled (and continues to do so). 2. Verses 14-21: Israel is responsible for her own stumbling. Major Point #4: • Romans11:1-29: Israel's present and future states. This major point is broken into five parts: 1. Verses 1-6: God has not cast Israel away forever and why. 2. Verses 7-10: God has blinded Israel. 3. Verses 11-24: Israel's fall is not permanent and why. 4. Verse 25: Israel's blindness is temporary and when it ends. 5. Verses 26-29: The fullness of God's plan and purpose with Israel is yet to come and is certain. Major Point #5: • Romans 11:30-36: What it should mean to us that God has temporarily set aside Israel and turned to us Gentiles.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 9-11	Misconceptions	God introduced a new dispensation and He's beginning to deal with people in a different way. There would be natural objections to that. Just because you Paul say it, someone would say, well you know, I'm not sure I believe that. When Paul is teaching the dispensational change, there's no doubt the Jews are upset about that. They don't want to hear it so they are not only going to raise some objections, but they tried to kill him time after time. But Paul has a real heart felt desire for Israel that they might be saved. When you get through, you will understand that: - God was perfectly just in interupting their program - God was perfectly just in showing mercy to the Gentiles - God was perfectly just in making Israel ACCURSED FROM CHRIST - God has done the exact right thing in making it so they they could be saved from the debt & penalty of their sin and also from the consequences of still being part of the apostate nation that is considered to be ACCURSED FROM CHRIST
Romans 9-11		Romans 9-11 (GH: Romans 10?) - Notice the objections covered are mostly Jewish in nature and a lot of what God is talking about has been to Israelites. Yes, Paul is our apostle. Yes, Paul is the apostle for the DOGG. God is having Paul talk about things from Israel's perspective is because they have a problem that we don't have. Their problem is - Is Jesus of Nazareth the Christ or not? They always believed that there would be a Messiah/from the OT scriptures that there would be a Christ. But when Jesus showed up He was rejected in their mind from being the Christ so they have a problem with that. Paul is addressing some issues that will cause the Jew to be able to see exactly what needs to be seen from their standpoint. We Gentiles didn't have that problem. If we believed in Israel's God at all, then we believe that Jesus was the Christ. We didn't separate it out. We were heathens and pagans and when we finally got introduced to the one true God, we didn't have that Messiah issue coming up. This is good for us to know because one day you may run into the very objections that Paul is detailing and you will have a real explanation for those things. These are the things that are winding up our establishment so we can get into the education and get started with that. Paul had a lot of opportunities to preach to Israelites. His custom was when he would go into a city, the first thing he would do was go to the synagogue and he would begin to reason out of the scriptures with those Jews. Sometimes it turned into a debate. There are two issues in Paul's message that he is bringing to the forefront: 1. JUEL: You need to be saved from the debt and penalty of your sin 2. Delivered from the apostate nation: You need to be delivered from the affects/consequences of being ACCURSED FROM CHRIST

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 9-11		The program with Israel didn't end at the Cross. At the stoning of Stephen, He sees Jesus standing at the right Hand of the Father. You would think that He was coming back for His Day of Wrath. Prophets said He was seated at the right Hand of the Father until He is coming back to make His enemies His footstool. When He stands it is to have His Day of Wrath and Stephen sees Him standing. But instead, He intercepts Saul of Tarsus on the Damascus Road, Paul gets saved, He is going to reveal to him the mystery of Christ, make him the apostle to the Gentiles, etc. **With the stoning of Stephen, you have the end of Israel's program. With the conversion of Paul, you have the beginning of the DOGG. Complete the program transition at Acts 28**. DIMINISHING: Getting less and less. ASCEND: Get into full gear. Paul with a two-fold ministry: 1. TO THE JEW FIRST: Going to Israel and preaching to them that God has stopped working with them as a people. They are no longer in a favored nation status. God is now going to go to Gentiles apart from Israel, not through Israel. Their program has been discontinued and they are in a diminishing condition. Things are not going to work for them the way they were. Apostles in Jerusalem need to be know they will not be preaching the kingdom and pushing people into the little flock. **Stopped at Acts 15 when Paul goes to Jerusalem**. GH: Or Acts 28 when Paul was in prison?
Romans 9-11		2. GH: TO THE GREEK We: - are not spiritual Jews - are not spiritual Israel - we don't get the covenants - we don't get the blessings - we don't get the promises - we don't get to go back into Israel's program and make a spiritual application for us or yourself and pipe it into the DOGG EX The pastor was like the O.T. Levites concerning the tithe. The tithe went to the Pastor and the offering, the giving above the tithe, went to the church. Pulling something out of Israel's program and making it a preversion in the DOGG. MM says you don't get to do that and how many times do you see that happen.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 9-11		The DOGG was part of the original plan no matter what Israel had done and at some point, He had to bring it in. God had to make this provision because it was His way to reclaim the heavenly places. This was always part of what He was going to do, repossess the heavenly places. The question is, why do it when He did? Why this timing? The circumstances make you think this was the right time. In that extension of mercty, they rejected that third opportunity, but even if they didn't reject Him, God would still have brought in the DOGG. **Nutshell: What God was going to do, He was going to do His Work with Israel, Israel was going to carry out this message to the nations of the world, and the nations of the world would come to God through Israel. They would be elevated to be the head of all nations (GH: TEACH ALL NATIONS-Matthew 28:19). They would be the mediator between God and the Gentile nations of the world. So when He came, He wasn't interested in coming as a blanket to the whole world, He was coming to establish His program with the nation that He would utilize to repossess the world. It wasn't that He hated Gentiles, it was this was the way that this was going to work. God never intended to bypass them to get a message to the Gentiles. Remember, the Bible said that Gentiles would see thy light and come to the Lord. That's the way that was going to work. But they crucified Him and in the extension of mercy, they rejected all 3 opportunities. When that happened, God changed the program, and Israel became ACCURSED FROM CHRIST. They no longer enjoyed the status they had before that.**
Romans 9-11	GH: Correcting Common Theology Errors	You are not Israel and you are not a part of Israel's program. 3 major/biggest errors that stem out of these 3 chapters - There are three major misconceptions about Israel taught from Romans 9-11: 1. God is permanently through with Israel. His has washed His Hands, they had their chance and He has thrown Israel aside now we have replaced Israel. MM says Paul doesn't teach you that, nobody in your Bible teaches you that. The teaching that God has permanently cast off the nation of Israel. They had their chance, they blew it; therefore, God is finished with them (Covenant theology). -> Correction: Romans 11:15. 2. (based on the first error) Because God is threw with Israel, we are 'spiritual' Israel and we get all of their stuff. Since God has cast off Israel forever, and since he made promises in the Old Testament, then those promises now belong to us, which makes us spiritual Israel. (Replacement theology). -> Correction: Romans 9:6-8. 3. The idea that is wrapped up in Calvinism and pre-destination (it is in your Bible just mis-taught as to what it is) that goes to the Jacob/Esau passage in Romans and say it's about what God does and God decides who He loves and who He hates and who's going to be saved and you don't have a choice in the matter, it's all up to Him. And if He chooses you to be Israel, then that's who you are. The answer to all 3 errors is sitting in Romans 9-11. - The error of Calvinism and Election. -> Correction: Romans 9:11. Romans 9:6-8 v6: THEY ARE NOT ALL ISRAEL, WHICH ARE OF ISRAEL: People look at this and go, see, not everybody that's part of Israel is Israel. What this is really saying is just because you are the seed of Abraham doesn't automatically make you the true Israel. They think it says you don't have to be Israel to be Israel, you can be anybody and be Israel.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 9-11	GH: Correcting Common Theology Errors	v7: NEITHER, BECAUSE THEY ARE THE SEED OF ABRAHAM, ARE THEY ALL CHIDREN: This supports MM's point. Just because you are THE SEED OF ABRAHAM doesn't make you children of God. v8: THEY WHICH ARE CHILDREN OF THE FLESH, THERE ARE NOT THE CHILDREN OF GOD: Just because you're a physical Israelite doesn't make you a child of God. v8: THE CHILDREN OF THE PROMISE ARE COUNTED FOR THE SEED: MM showing how (GH: spiritual Israel proponents) tie to WE BRETHREN, AS ISSAC WAS, ARE THE CHILDREN OF PROMISE-Galatians 4:28.
Romans 9-11	GH: GPPI verse	God is saying what I AM going to do for you is for the purpose of actually saving a remnant who are going to become the children of the Living God, who are going to be My people, who are going to be like the sands of the sea for multitude, who are going to be the GREAT NATION-Genesis 12:2, who are going to become the head of all of that. If you understand this, that He is going to fulfill this, then you understand what Paul is saying here. If you don't, you get carried away by these other winds of doctrine.
Romans 9-11	GH: IPF verse	Paul is letting us know that something has happened to Israel in connection to God bringing the dispensation of grace.
Romans 9		Romans 9: God is moving along during the program with Israel, not only from Abraham to creating the nation of Israel through the 12 tribes, but now He's moving through history and He has a job He is going to do with Israel - make them a great nation. When Satan rebelled, he decided that he was going to be the possessor of heaven and earth. He accomplished that to a great degree with the rebellion among the angels in the heavenly places. Then, Adam's sin in the garden, Satan becomes prince of this world and he puts into motion the COTW-Ephesians 2:2, which dictates the way people think / behave / conduct themselves / decide what's important / spend their time (most important). It influences all of that and as time goes on, it influences more and more and more. So much so, that let someone do something different than the way it normally gets done and people look at that and say, well, that's not the way this is supposed to happen (GH: 1 PM Sunday service during the Cowboy game). Doesn't matter if the Bible has no instruction on it at all. Point: Israel's program has been progressing and God has been doing some things all along til Acts 8, where God cuts off His program with Israel, at the stoning of Stephen (GH: Acts 7:54-56). He has not completed His program because what He wants to do is to utilize the nation of Israel to repossess the world back to Himself from the adversary. There is a plan and purpose for doing it that way. MM says God could fix it all with a snap of His Fingers, but that is not what He has chosen to do and there's a reason He has chosen not to do it that way. God then starts His DOGG. Everyone of these objections is based on a misunderstanding.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 9		From a Biblical theology standpoint from Genesis 1 up to Romans 9, God has not said anything about a DOGG or going to the Gentiles apart from Israel. So when He interupts that program, they don't have any information on whether or not He will resume that program. Jews have never received a single word about resuming their program because they never got a word about interupting their program. They automatically thought it was just going to go right along. They have got to be told I AM going to complete this, I AM going to come back and fulfill this and once they get that, they are going to say 'What about now?' after 20 years. They are thinking, we are going to die and be dead before this happens. God is thinking you have no idea, you are going to be dead a long time before this happens. Even though Israel's program is for God to reconcile the earth back to Himself and the Mystery program is for God to reconcile the heavenly places back to Himself, even though these programs are distinct, you have to see these programs as part of a whole. Like one garment that is seamless. There is an overarching purpose that puts both of these together as a SINGLE purpose. In the DoFT, He is going to take the things in heaven and the things in earth and bring them together into one under Jesus Christ, to be MOST HIGH, to be the Possessor of heaven and earth. Taking this one more step, so He can do out in eternity what He wanted to do when He first created all of this in the beginning. It is all taking us back to what God was originally wanting to do. All of this is nothing more than taking what Satan ruined and bringing it all back around and getting it done in the end. It comes full circle. Like one seamless piece of cloth, not a bunch of separate stuff. Yes, Israel's program is distinct and separate, MM has harped on this so much and he doesn't want us to ever go under their program. But he does want you to see that all of this is part of a single minded purpose that God had. This all must be done so that His final and absolute purpose and plan is achieved.
Romans 9		Paul had spent his ministry going into synagogues and telling them that Israel was no longer enjoying favored nation status, she had been accursed from God, she has stumbled and fallen and therefore God had blinded her, interrupted His program with her, and turned to work with Gentiles – not through her, but in spite of her. If you were a Jew living at that time, how do you think you would feel about that message? It was little wonder that Paul was labeled a liar. It was more than that; it was blasphemy. As a descendant of Abraham, it was unthinkable that God had cut them off. Now think about this also: Luke did not finish writing the Book of Acts until Paul was ready to be imprisoned in Rome. Therefore, they had no scripture to indicate to them that anything Paul said was true. There was no prophecy sitting back in the Old Testament and no gospel writing had alluded to any such event. What were they to think?

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 9	GH: IPF verse	v3: MY BRETHREN, MY KINSMEN ACCORDING TO THE FLESH: Paul is talking here of his brethren, Israelites. v4: ISRAELITES: v4: A list of things mentioned that were Israel's - MM says all these are given to Israel through covenants (GH: ?): * The adoption * The glory * The covenants - each provide for something different - the land, the kingdom, material blessings, spiritual blessing, etc. * The giving of the Law * The service of God * The promises v4: COVENANTS: Plural. v5: CONCERNING THE FLESH: Who Christ came for. The mystery here is He also made provisions for Gentiles.
Romans 9:1-5		Dispensational Change Part/Section 1 of 5: The DECLARATION that God has not fulfilled His plan and purpose with Israel. God had a plan to adopt Israel. He wanted to do that when I tell you He called them Israel My son, He wasn't just saying Israel's in the family of God. He was saying I'm going to utilize Israel in My Business on this earth. Paul can make this statement because he knows those things back there in Israel's program. Paul lists all these things.
Romans 9:1		1 I say the truth in Christ, I lie not, my conscience also bearing me witness in the Holy Ghost, Look at how Paul starts off. He is about to make an important point that you want people to understand is the absolute truth. He is bringing in everything he can to say I'm not mistaken about this, I'm telling you that this is true. He is drawing our attention that he is absolutely going to tell the truth about this. I SAY THE TRUTH IN CHRIST, I LIE NOT: Paul says this because it is going to sound like a lie. Most believers do not understand this concept (GH: this dispensational change) in their Bible. They don't understand that there has been a dispensational change. People think things are just rolling along the way they always have. So there's a natrual objection to say that may not be true. Why Paul goes to the trouble to say, I SAY THE TRUTH IN CHRIST, I LIE NOT. He knew people would hear this and say, well I don't believe that. Would have the same reaction in most churches today. The POE is working overtime to make sure people don't observe the dispensational change and they don't understand what God is trying to do in this DOGG. I SAY THE TRUTH IN CHRIST: Paul is saying as Christ as my witness. THE TRUTH IN CHRIST: Paul received this message from Jesus. To call Paul a liar was to call Christ a liar, which, if you recall from the gospels, the religious establishment in Israel had no trouble doing!

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 9:1		1 I say the truth in Christ, I lie not, my conscience also bearing me witness in the Holy Ghost, I LIE NOT: Paul uses 4x in his epistles. Every time we see this expression, something about his message or his apostleship is being challenged by Israel. He is saying I am telling you the truth. If you study this, realize that these are hot button topics. Things that people feel very strongly about and Paul knows they're going to think he is just lying about this. There are two reasons why someone goes to the trouble to emphasize that they are now telling the truth: 1) they lie all the time and now they want you to believe them, or 2) they have been accused of lying about some things. MY CONSCIENCE ALSO BEARING ME WITNESS IN THE HOLY GHOST: Anybody can say it but Paul is using all the terminology he came to let them know that what he is saying is true. THE HOLY GHOST: The third Person of the Godhead.
Romans 9:2		2 That I have great heaviness and continual sorrow in my heart. If you read this and not v3 you would wonder what is Paul so sorrowful about? Get the answer in v3. GREAT HEAVINESS AND CONTINUAL SORROW: Because of his destructive influence on the nation of Israel before he was saved. Instead of leading the way in receiving Israel's Messiah, instead of recognizing God's Christ sent to them, Paul rejected Jesus Christ and sought to punish those who believed in him. Yes, he felt sorry for persecuting the members of the little flock, but that sorrow concerned the effect he had on the unsaved element of the nation. By his actions, Saul injured both sides: the members of the little flock and the unsaved portion of Israel. In Romans 9:2, his sorrow concerned the damage he did against unsaved Israel.
Romans 9:3		3 For I could wish that myself were accursed from Christ for my brethren, my kinsmen according to the flesh: Verse is taught incorrectly - if Israel could be saved, Paul would be willing to go to hell. That's the way MM learned that verse. If you just glance at it, you think oh well, it means to not be saved and go to hell. That's not what Paul is talking about. One of those things you have heard all your life but MM says it is something different about. That is not what that verse is saying because he didn't say 'go to hell' he said ACCURSED FROM CHRIST. MM is not saying that Paul doesn't love his kinsman according to the flesh. He does. **This is a dispensational description of Israel's changed status**. This is a postiional description. If you go back through Israel's program, you continue to see the phrase GOD WAS WITH THEM. Doesn't say ACCURSED by CHRIST, it says ACCURSED FROM CHRIST. Don't mistake ACCURSED to mean the exact same thing everytime it is mentioned in your Bible. Seen this with many words. If someone was FROM CHRIST, means that they were with Him before. They are now ACCURSED FROM CHRIST. Used to be WITH Him and now they are FROM Him. On the other side of the coin - now GH: Israel is where Gentiles were. Before,Gentiles were accursed from Christ. Now, God is with the Gentiles. ACCURSED FROM CHRIST: Is not a phrase that describes going to hell, it describes their changed staus when the dispensation changed. Israel lost their position with God and they are not going to get that back until God resumes their program. The whole Israel program was geared to make Israel over the Gentiles and head of all nations. When the dispensational change came, they no longer enjoyed favored nation status.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 9:3		3 For I could wish that myself were accursed from Christ for my brethren, my kinsmen according to the flesh: Today, Israel has no favored nation status. Today, God is not doing a work with the nation of Israel. Today, God is doing a work with the body of Christ, made up of Gentiles. There are Jews in this body. Today, there IS NO JEW OR GREEK. MM says it has got to be one way or the other. You can't do them both. Because of this, Israel suffers BLINDNESS-Romans 11:25 in part. Means that there are a bunch of Jewish people who are going to see and understand and believe the gospel for today. That's the position they are in. The phrase that Paul uses to describe the position that Israel is now in with God. That's what the dispensational change did. Doesn't mean that they were condemned to hell forever, it was a change in the status of the nation, from God being with them to now them being ACCURSED FROM CHRIST. Not a 'curse BY Christ', that would be a different issue. Taught that Paul is saying he wishes he could go to hell if Israel could be saved. MM doesn't believe he is saying this. Paul wants Israel to get the things promised to her in v4. Paul is an Israelite, make no mistake about it. OED: Accurse: to pronounce a curse upon; to devote to perdition, evil or misery. MY KINSMAN ACCORDING TO THE FLESH: He is not talking about spiritual brethren. He's talking about flesh and blood generations here.
Romans 9:4		4 Who are Israelites; to whom pertaineth the adoption, and the glory, and the covenants, and the giving of the law, and the service of God, and the promises; He is extoling all of these things because Israel was promised an adoption. Israel was promised glory. Covenants were made with Israel. The law wasn't given to everyone, it was given to Israel. The service of God was given to Israel. When Christ came, He came to Israel. When that silence of God was over and John the Baptist showed up at the appointed time on the time schedule given by Daniel, he was preaching the kingdom is at hand. And the Messiah followed right after him at the correct time. He also preaches the kingdom is at hand. He sends out the 12 and tells them to preach the kingdom is at hand. He dies on the Cross and then resurrects, He goes back to the Father. Then at the appointed time, the feast day/day of Pentecost comes and the Spirit is poured out. Everything is happening like the O.T. prophets said it would happen. There is nothing new here. Peter said this is what was spoken by the prophet Joel - I WILL POUR OUT MY SPIRIT ON ALL FLESH-Joel 2:28 in the last days, Israel is entering her last days. And suddenly, there is no kingdom. God promised them something. It was all working right up to Acts 2. You have to be asking yourself, 'what happened to Israel?'. This is what Paul is answering in Romans 9-11. You have to answer this because if God promised Israel all of these things and have never gotten them, you would have to say to yourself how do I know what He has promised to me I am going to get? Everything that God promised to you about the glory and the creature and being part of a body and about being justified and about having a new identity in Christ and being made DEAD TO SIN-Romans 6:2 - He is going to keep all of that too just like He is going to keep all of that with them. Paul is saying He is not through with them and you haven't replaced them. God didn't break His promise and God didn't neglect His covenants. First covenant was unconditional - Abraham was passed out. Paul wants these things so badly for Israel that he could wish himself ACCURSED FROM CHIRST-v3.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 9:4		4 Who are Israelites; to whom pertaineth the adoption, and the glory, and the covenants, and the giving of the law, and the service of God, and the promises; WHO ARE ISRAELITES: Physically Paul was still a Jew. Spiritually Paul was a Christian. But Paul's spiritual status did not erase his physical status as a Jew. If there's any question about who his kinsman according to the flesh was , that tells you who that is. ISRAELITES; TO WHOM PERTAINETH THE ADOPTION: God meant adoption for Israel as well. He is being specific here. Not spiritual Jews. Israelites according to the flesh. ISRAELITES; TO WHOM PERTAINETH...THE GLORY: There is a glory that pertains to God's prophetic program. It reached its previous zenith during the days of Solomon, which turned out to be the "tip of the iceberg" of the glory of the future kingdom. GH: MM tying to Isaiah 64:4-5. TO WHOM PERTAINETH THE ADOPTION: Notice the first thing on the list - adoption. If you don't get this adoption thing, he tells you where to go back so you are able to see it. Israel was promised an adoption before us. Won't get their adoption till the New Covenant in the Millenium. Israel waits for their adoption. We are not waiting for ours. There is an adoption for Israel. Talks about a whole list of things including the ADOPTION that is for Israel. Their part in God's eternal plan and purpose is on this earth. THE GLORY, AND THE COVENANTS, AND THE GIVING OF THE LAW: That's Israel. We are "fellowheirs" with Israel in the sense that we are both "heirs" but they are not in the body of Christ with us.
Romans 9:4		4 Who are Israelites; to whom pertaineth the adoption, and the glory, and the covenants, and the giving of the law, and the service of God, and the promises; PERTAINETH: Didn't say the possess, it says they pertain to it. Look at the things that pertain to Israel. Shows that Israel doesn't yet have any of these things that are for them but they don't have them yet: * THE ADOPTION: The first thing out of the box. At the time Paul writes this, Israel had not received THE ADOPTION. Because their program was interupted, they haven't gotten THE ADOPTION to this day because God is not working their program. If a Jew is going to get THE ADOPTION today, he's not going to be doing it as an Israelite, he's going to be doing it as a member of the body of Christ. Once again, there's a strict adherance to the program. Israel will get that adoption when the DOGG program is completed, Israel's program is restarted, and He deals with them as sons and daugthers in the Kingdom. * AND THE GLORY: Haven't had this glory yet. Won't get till the Millenial Kingdom. MM tying to the promise of glory in Isaiah 64:4-5. MM says the glories of the kingdom can't hold a candle to the glory of the riches of Christ and this is what the body of Christ gets. * AND THE COVENANTS: MM thinks of the New Covenant. Get this in the Millenial Kingdom. MM jokes that he's sensing a pattern.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 9:4		4 Who are Israelites; to whom pertaineth the adoption, and the glory, and the covenants, and the giving of the law, and the service of God, and the promises; * AND THE GIVING OF THE LAW: Even though THE GIVING OF THE LAW was done in the past, when that law was given, God had particular blessings attached to that law that would not be realized by Israel on this earth because they couldn't keep that law. Will finally be realized in the Millenial Kingdom. The law is a multi-faceted issue that you just can't look at it as just one thing and one thing only. Has a lot of facets to it besides showing Israel they couldn't keep it. MM thinks this is the Mosaic law but wouldn't argue with someone who said it was Jeremiah 31. If a man could perfectly keep the law, he could justify himself before God, but he couldn't. Not just about THE GIVING OF THE LAW, it is about getting the blessings that are promised in that law that they never have come to own. * AND THE SERVICE OF GOD: Not talking about the sacrifices of the O.T. here, talking about carrying the message to the nations of the world. Israel has yet to do this. They have had their own struggle, let alone carrying it to the nations of the world. * AND THE PROMISES: Israel has yet to get all of the promises. Will get them out in the Millenial Kingdom.
Romans 9:4		4 Who are Israelites; to whom pertaineth the adoption, and the glory, and the covenants, and the giving of the law, and the service of God, and the promises; Paul is going to tell you outright when God talked about adoption in His desire/Heart, He wanted to adopt Israel as a son and put Israel to work in the earth doing His work, becoming the head of all nations, a kingdom of priests. He has this whole list of things that he says pertains to Israel. The very first thing is adoption ahead of everything else. Not an arbitrary list - in a specific order. Showing you when you get out of Romans 8 and how grand/glorious/exciting this is and how it is going to change everything, you turn the page and he says, hey, this is for Israel too! Why does God tell you this, with adoption first? If you had studied the Bible all the way through you would have already known that God intended to adopt Israel back there. God is taking you back to see something about adoption that pertained to Israel. There is a way adoption is structured. With adoption, like building a building - there's an order to it. Doesn't matter if you are building a wood home or brick home or concrete slab or pier & beam. Basic order to how things get done. What changes depends on what kind of home. Basic structure of adoption is the same in every program - Israel's program or your program. Paul didn't give you any structure for adoption in Romans 8. The doctrine that each program wraps around it is very different. The Mystery is the essential different doctrine. Have to know the adoption structure from Israel's program. Is not going to be repeated.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 9:4		4 Who are Israelites; to whom pertaineth the adoption, and the glory, and the covenants, and the giving of the law, and the service of God, and the promises; MM says Israel can't cry foul because God made a provision to deal with them differently if He chooses too. This different treating of them (GH: the DOGG) is not shortchanging them. If they want Him to treat them according to their program, they better buckle up, the ride is about to get really rough. What He did was He temporarily postponed and suspended that so He could reconcile them who were irreversibly as enemies, now reconcile them unto Himself. That's doing them a favor. They are so out of the thinking of what's going on here that they can't recognize God did them a big favor. Not only will Israel not be able to cry foul but neither will the adversary because what he was doing God interrupted. Everything God did He had the right to do and no one will be able to charge Him with unrighteousness.
Romans 9:5		5 Whose are the fathers, and of whom as concerning the flesh Christ came, who is over all, God blessed for ever. Amen. From what they will possess to who they are as Israelites. WHOSE ARE THE FATHERS: Abraham, Issac, and Jacob. WHOM AS CONCERNING THE FLESH CHRIST CAME: When CHRIST CAME, you would understand from the O.T. prophets and even from the teaching of John the Baptist that when CHRIST CAME, He came for Israel. It wasn't about the Gentiles back then. This was about God's chosen people Israel. God was going to use these people to reconcile the world unto Himself. AS CONCERNING THE FLESH: He means there are certain things that had to be done in order for Him to qualify to one day sit on the throne of David, establish that kingdom, and He had to be an Israelite. Not only that, He had to be from a particular tribe in Israel. The genealogies in Matthew and Luke had to be exactly right because those are the qualifications to sit on that throne. He wasn't just born into the world, He was infleshed into the line of the seed of David. This is also telling you that the reason He came was to do this work with Israel.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 9:6-33		Dispensational Change Part/Section 2 of 5: The EXPLANATION of what happened to Israel. See the declaration of God setting aside of Israel, God now working with Gentiles, and then Paul anticipates 3 objections that are going to be raised by people who don't believe that a dispensation has come about. Some charge God of acting unrighteously because He interupted His program with Israel before He fulfilled everthing that program was supposed to accomplish. Only one way for God to be considered unrighteous and that is if He never came back and actually fulfilled all those things with the nation of Israel that He promised from the beginning. Paul shows 3 O.T. scriptures to prove God is going to fulfill all those things with the nation of Israel that He promised from the beginning. Going back through these objections causes us to understand some things about what God has done with Israel in the past. God is doing 3 things with these objections: 1. Removing any kind of doubt that any one could bring up an objection that you will run into to say, well, what about this? You will be equipped with that answer. 2. You'll know that there is no way that you're going to take anything out of God's program with Israel and bring it in. 3. God is going to eventually come back and finish His program with Israel. Up till now, you haven't heard a peep about that. Keeps you from the error of replacement theology.
Romans 9:6-13	First Objection of 3: The word is Ineffective	Objection 1: It seems as though God's word has had no effect on Israel and Paul's explanation. FIRST OBJECTION-v6-13 - 'The word is ineffective': First objection said if God cut off His program with Israel and He is now dealing with someone different (not Israel but the church the body of Christ). In the body of Christ, everyone is on equal footing. No Jew or Greek, no male or female, no bond or free - it's all part of the body of Christ. The DOGG will continue till what we call the rapture, what the Bible calls the Blessed Hope. Then God will resume and bring to completion His program with Israel. A kingdom on this earth has not been set up yet. Neither has Israel become the head of all nations. God has not yet used Israel to be the instrument for the nations of the world to come back to Him. People say He didn't get accomplished what He wanted to accomplish, but He did. The word had been able to call out a people who are able to go into the Kingdom. God is saying I have been doing exactly what I meant to do up to this point.
Romans 9:6		6 Not as though the word of God hath taken none effect. For they are not all Israel, which are of Israel: NOT AS THOUGH THE WORD OF GOD HATH TAKEN NONE EFFECT: Here's the first objection/accusation. Oh, the word of God didn't do what it was supposed to do. If God's word didn't do what it says it would do, God is ultimately responsible for that. He is saying don't be thinking of this as THE WORD OF GOD HATH TAKEN NONE EFFECT. Yes we are free moral agents and we do mess it up. NOT AS THOUGH: You are to understand 'don't be thinking this way'. If God is interupting this program and Israel has yet to receive the 6 things talked about in the previous verses, if they crucified their Messiah, how can you say the word of God did its job? If You are stopping their program and they didn't receive the things they were supposed to receive, then evidently the word of God didn't do what it was supposed to do, then either: - God wasn't faithful to do what He said He would do OR - The word was ineffective to do what it was supposed to do

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 9:6		6 Not as though the word of God hath taken none effect. For they are not all Israel, which are of Israel: Notice in your SE these are the two issues: 1. What God says can be trusted and 2. His word is going to do what it says it would do. It's God's job to have the word do what it is supposed to do (should ring a bell - it's God's Job to have the Sonship curriculum to effectually work IN you - it's your job to believe it). The answer for everyone of the 6 things in the previous verses was they would get it in the Kingdom. They are looking at that and saying well, if the word was supposed to produce all of that in the Kingdom, it obviously didn't do it. Paul anticipates this and says it is not like the word of God didn't have the effect that it was supposed to have. He can say that because there is something else the word of God has been doing all through Israel's program that had to be done before it could produce that Kingdom. What the word was doing in Israel's program is not bringing in the Kingdom, it was producing something else before it would produce the Kingdom.
Romans 9:6		6 Not as though the word of God hath taken none effect. For they are not all Israel, which are of Israel: NONE EFFECT: What God's word intended to produce didn't get done so either God was unfaithful or His word was ineffective. Paul answers this objection and says the word hasn't been ineffective at all, it's been doing exactly what it was supposed to do all along - calling out of Israel and people that will go into the Kingdom. It had been doing that all along. FOR: An English word of logic - going to get an explanation. FOR THEY ARE NOT ALL ISRAEL WHO ARE OF ISRAEL: They may be a Jew, they may be a son of Abraham, but that's not enough to make them part of the true Israel. Because they weren't, God looked at them as THE REST-Romans ?:?, the apostate nation. THEY ARE NOT ISRAEL, WHICH ARE OF ISRAEL: The true Israel believes in the prophecized Christ, they are the Israel of God. Sounds strange and may be confusing to a Jew when he first hears this - he means just because you are part of the nation of Israel doesn't automatically mean that God considers you to be Israel. With Israel fallen, God is no longer concerned with ethnic backgrounds. If you are part of the little flock, you are Israel, the true Israel. But if you are unsaved, you are a heathen. Just because you are OF ISRAEL, doesn't mean you are part of the believing remnant or TRUE ISRAEL.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 9:6		6 Not as though the word of God hath taken none effect. For they are not all Israel, which are of Israel: Talking about two different things: 1. Little Flock 2. The word of God is calling out of the descendants of Abraham a group who are going to be qualified to go into the Kingdom. That's what the word of God has been doing. It hasn't been trying to bring in the Kingdom, it's calling out of this big group of the nation another group who will go into the Kingdom. They tried this with Jesus, saying we are the seed of Abraham and we don't need all of that and Jesus was telling them just being the seed of Abraham isn't good enough. If you think you are going into the Kingdom just because you are the seed of Abraham, you have a big shock coming. You need something more (John 8:33-44). What you have here is you have physically what is known as Israel, but God has a true Israel and He is going to start calling these people. You see it in the Book of Acts where THE HEATHEN includes unsaved Israel. Peter and Paul understand the concept that just because you are an Israelite doesn't make you part of Israel. Just because you are a natural born Jew, doesn't mean that you are part of the true Israel of God. Because there were unbelieving Israelites. Many times when God talks about Israel, He is not talking about the whole nation, He's talking about this group, the little flock, the believing remnant.
Romans 9:7		7 Neither, because they are the seed of Abraham, are they all children: but, In Isaac shall thy seed be called. NEITHER, BECAUSE THEY ARE THE SEED OF ABRAHAM, ARE THEY ALL CHILDREN: Just because you come from Abraham doesn't mean you're children. BUT, IN ISAAC SHALL THY SEED BE CALLED: Brings up Isaac because he had a brother Ishmael, who also came from Abraham. He's not going to inherit the Kingdom. There were 2 nations out of those two boys and just coming from Abraham wasn't good enough. So, you have to come from Abraham and Issac but there is another distinction on top of that in v8. IN ISAAC SHALL THY SEED BE CALLED: When Isaac is born, Abraham and Sarah are too old to have children. Remember, Sarah gives Abraham her handmaid Hagar and Abraham tries to do this in his flesh but God rejects that. When God said you are going to have a child in your old age, Sarah laughs. The name ISAAC means laughter. Got confronted her and she denied it. Told to name him ISAAC to remind yourself that you laughed at the promise of God. He was a child of promise.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 9:8		8 That is, They which are the children of the flesh, these are not the children of God: but the children of the promise are counted for the seed. You may be a blood descendant of Abraham through Issac, but that doesn't make you a child OF THE PROMISE. Not talking about a physical birth from Abraham. PROMISE: It's coming but you don't yet have it. Something is held out for you that you don't presently have. You have to believe that promise. Your faith has to be in something. Abraham's faith was in God saying I AM going to multiply your seed as the stars of heaven, I will make of you a great nation, and I will give you a land. Abraham's response was by faith Abraham left his own country and journeyed to a land that he knew not. He believed that promise. And when Isaac was born, he was going to sacrifice Isaac by faith. Hebrews said because he knew he was the CHILD OF PROMISE and even if he killed him, God would have raised him back up. That's how much he believed that promise. From the time of Abraham, God's word was working to do what MM said it had to do all along. The accusation is - well evidently God's word is not doing what it is supposed to do. Paul's going to say it's been doing exactly what it is supposed to do. Abraham did what he did because of the word that God spoke. Isaac did what he did. Jacob did what he did. There's those fathers talked about earlier in the chapter. All through Israel's history you can find those who did not follow the apostate element in Israel but what they did is they believed in the PROMISE. They would have been looking for Him but the nation, on the other hand, didn't want Him, they were going to crucify Him. The word of God was doing what it was supposed to do. It would be calling out a group out of that large group that would be fit for the Kingdom and it was all based on their faith in the PROMISE.
Romans 9:8		8 That is, They which are the children of the flesh, these are not the children of God: but the children of the promise are counted for the seed. THEY WHICH ARE THE CHILDREN OF THE FLESH, THESE ARE NOT THE CHILDREN OF GOD: Shows the division/wedge principle that it's making between them. Jesus talking to the children of Isaac and He is saying God can raise up these stones children, so that doesn't cut anything with God-Matthew 3:9. If all you had to do is be a child of Abraham through Isaac, if that's all he's talking about, then they could be a great nation as soon as they got their population up to a certain point. If just talking about the physical descendants of Issac, God is not talking about anything other than giving them a big group. But all of that big group is not going to make it into the Kingdom.
Romans 9:9		9 For this is the word of promise, At this time will I come, and Sarah shall have a son. Here it comes...this was the word of promise. Paul is trying to undo the (GH: ungodly) thinking that the word hasn't been doing what it was supposed to do and don't think God was unfaithful in what He said He would do. It's been doing what it's supposed to do from the time of Abraham. All through Israel's program, there have been children that have believed the promise that it's made to them. In this particular case, it was the promise of a child, but there's going to be other things that come after that.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 9:10		10 And not only this; but when Rebecca also had conceived by one, even by our father Isaac; The word of God is doing exactly what it is supposed to do, it is getting a people called out to go into the Kingdom. So don't think the word of God is of none effect. It's been perfectly effective, calling out those members from that larger group of physical Israel.
Romans 9:11		11 (For the children being not yet born, neither having done any good or evil, that the purpose of God according to election might stand, not of works, but of him that calleth;) HIM THAT CALLETH: The whole election is based on this. (GH Verse?)MM says he used to think this almost contradicts itself. But he is saying their fall is not the result of their stumbling. Reason why God stopped dealing with Israel as a favored nation and starting dealing with Gentiles because all along He was going to bring in this DOGG. MM says if they would have received Him as their Messiah and the nation had been born in a day, they could have avoided that Day of Wrath. MM says he doesn't know when the DOGG may have come then.
Romans 9:12		12 It was said unto her, The elder shall serve the younger. Calvinist jump in on the ELDER SHALL SERVE THE YOUNGER. And it gets worse in v13. Why can God say ahead of time that ELDER SHALL SERVE THE YOUNGER. This isn't talking about Israel's adoption here. Really just talking about the line from Abraham. He knows and He is making this decision based on the calling. Both of those are from Abraham and Isaac, Jacob and Esau. God knows that only one of them is going to respond to My Call. Only one of them is going to be a child of promise so to speak and that's going to be Jacob. Find in Esau's life that is exactly the way it is. So God is making a determination here, not based on GH: phyiscal lineage. Word of God is calling out the Isaac's and the Jacob's and the Hezekiah's and the David's and the others. They saw things afar off, believed in that promise even though they knew it was not going to be realized in their lifetime. That's what Hebrews 11 is all about.
Romans 9:13		13 As it is written, Jacob have I loved, but Esau have I hated. Comes out of Malachi 1. Calvinist say that God arbitrarily made this statement but you have already been given the criteria for this. One is going to respond to the call, one is not. One is going to believe, one is not. In the tribulation, one responding to the call is the believing remnant. A guy like Esau who doesn't believe and doesn't respond to the call is going to be part of the apostate nation. JACOB HAVE I LOVED, BUT ESAU HAVE I HATED: God knew what would happen and He choose to deal with them in accordance with that knowledge.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 9:14-18	Second Objection of 3: God is unrighteous	Objection 2: The charge that God has dealt with Israel in an unfair and unrighteous manner and Paul's answer. SECOND OBJECTION-v14-18 - 'God is being charged with unrighteousness': If God was accomplishing what He was supposed to accomplish, then is there unrighteousness with God? Where does God get the right to interupt this program with Israel before it accomplishes everything that it was supposed to accomplish? Paul is doing this because if Israel doesn't know that God is no longer working the way He used to work in the world, they would be continuing to expect God to do things today that He did back with Israel GH: before the interuption. The first two objectives don't hold water. Response to 1: God wasn't a failure with what He was doing with Israel, He was calling out them a people and it was a perfect success. Response to 2: God has every right to interupt His program with Israel. Paul will demonstrate through a couple different means that it is perfectly OK for God to interupt this program with Israel and it is perfectly OK for Him to turn and begin to work with the Gentiles. Learn that God was fulfilling another purpose. He had a program with Israel that was coming along and it went to the Cross and then to Acts 1-8. Just as He had made a provision back in the law to show mercy and grace to whomever He wanted, He not only did that with Israel (there were times that He should have brought the next CoP but He chose to show mercy and grace).
Romans 9:14-18	Second Objection of 3: God is unrighteous	Two reasons why this wasn't an unrighteous act for God: 1. You Jews can't gripe about working with Gentiles because you have been working this all along. 2. He had another purpose with the body of Christ to do in this mystery program before He resumes His program with Israel again. The only way God could be unrighteous is if He didn't fulfill His program with Israel. SECOND OBJECTION: If God's word has been doing what it's supposed to have been doing then God doesn't have a right to stop doing what He's doing with Israel. See the second objection, which is settled with two answers that Paul gives.
Romans 9:14		14 What shall we say then? Is there unrighteousness with God? God forbid. WHAT SHALL WE SAY THEN: See how Paul is referring that back up to what was just said. What he is about to say is built on v6-13. The next objection comes out of that, that God is unrighteous. He has no right to do the thing that He is doing. MM says people would rarely do this overtly but this is not as uncommon as you might think. There have been plenty of times where people have said or thought or even taught that God has no right to do what He did and that is tantamount to charging God with unrighteousness. Same type of tactic as being used in Romans 3:1-8 (GH: A VTP and the 4th of 4 excuses). If the word of God was doing exactly what it was supposed to do, how come God interupted the program with Israel? There are two parts that are the answer to this objection and both are found in the O.T. IS THERE UNRIGHTEOUSNESS WITH GOD? Here is the second objection. NOTE: First is well the word of God evidently didn't have the effect it was supposed to have. Paul says oh no, don't be thinking that. It's done exactly what it's supposed to do.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 9:15-16	Second Objection of 3: Sub-Part 1 - Moses	v15-16: Moses - Paul brings Exodus 33:19 to answer the objection that God has no right to interupt Israel's program. MM says note that He didn't limit this to Israel. This can be done to anybody. Just as He was merciful to Israel (think of the number of times in the Book of Judges during the 1st CoP that is says 'but God was merciful and raised up a judge to deliver them from their enemies-can only be done based on the provision God made back at Mt. Sinai-Exodus 33:19). God is revealing something about His character, about His goodness, that allows Him to deal with people out of grace and mercy. And for us Gentiles who were NOT part of the promises or the covenants or the Commonwealth of Israel, God by the dispensational change, has every right to stop what He's going here and be merciful to us. He is saying to Israel, you have been the beneficiaries of this thing over and over and over and now that I AM going to do it with the Gentile, you can't suddenly call foul because you've enjoyed the benefit of this and you took it. So now that I AM doing it with someone else, you can't say that I AM being unfair or unrighteous because this is not a new thing.
Romans 9:15		15 For he saith to Moses, I will have mercy on whom I will have mercy, and I will have compassion on whom I will have compassion. This now includes the Gentiles. I WILL HAVE MERCY ON WHOM I WILL HAVE MERCY: Paul quoting WILL SHEW MERCY ON WHOM I WILL SHEW MERCY-Exodus 33:19. MERCY: First occurrence in the Book of Romans. Quoted from Deuteronomy (, when God says this to Moses, He did rescue us from trouble and He did show us mercy. COMPASSION: Counterpart to compassion is indifference. Worldly way to look at compassion is to see it as sympathy or one who is suffering and the desire to relieve it, to take pity. Is a mental attitude or feeling. Godly way is a willingness to invest whatever is needed to heal the hurts of others because of their godly love for them. If we are not willing to do that, they we do not have compassion.
Romans 9:16		16 So then it is not of him that willeth, nor of him that runneth, but of God that sheweth mercy. WILLETH...RUNNETH: God talking back to Israel. God is saying that I didn't bring in the dispensational change because of something that Israel did or didn't do. He just decided to have mercy on the Gentiles and that's what He did. So Israel now understands that when God says I WILL HAVE COMPASSION ON WHOM I WILL HAVE COMPASSION-v15, they look back and say You were only supposed to have compassion on the Gentiles through us. That's true so in their program that's how it will work. God knows if I AM going to have compassion on the Gentiles, He has to bring in a new dispensation or He'll violate the old one. See, God can't oppose Himself. God has reserved the right to be gracious and merciful to whomever He wants, including us Gentiles and He has every right to do with us what He has also done for Israel. This straigthens out the first part of the misunderstanding that says 'God had no right'. He has every right to show mercy to whomever He will. GOD THAT SHEWETH MERCY: **Know that if God is showing mercy, someone is in trouble**.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 9:17-18	Second Objection of 3: Sub-Part 2 - Pharaoh	Pharoah: Paul quotes Exodus 9:16. - He wants to put His Power on display. - He wants His Name to be declared throughout all of the earth. Just as with Pharoah, God has another purpose He has to achieve before He achieves His final purpose for this program (GH: Israel). This other purpose is (GH: which needed Him to show mercy to Gentiles, bring in another dispensation, and be accomplished BEFORE the first one) the reconciliation of the heavenly places. He has to bring in a whole other dispensation so He doesn't violate what He was trying to do with Israel. Satan and his cohorts will be kicked out of the heavenly places and God's sons and daughters will take their place. Ours has to come after the Cross because the redemption has to take place. We come out of it under grace and not under the law. Also has to happen before the 5th CoP starts because it is that time that Satan and his minions are kicked out of heaven and cast down to the earth - WOE TO THE INHABITERS OF THE EARTH AND OF THE SEAT FOR THE DEVIL IS COME DOWN UNTO YOU, HAVING GREAT WRATH, BECAUSE HE KNOWETH THAT HE HATH BUT A SHORT TIME-Revelation 12:12. Before you get delivered, I HAVE to exalt My Name and My Power. The only place you can bring in the DOGG is between the Cross/1-Year extension of mercy and the 5th CoP/5th installment. MM says he has never heard Romans 9 preached this way and it is not the common way to look at this. There is a way that God would be unrighteous in interupting His program with Israel and that is if He never came back and fulfilled it. He has to come back and complete the Israel program and get both the heaven and the earth back.
Romans 9:17		17 For the scripture saith unto Pharaoh, Even for this same purpose have I raised thee up, that I might shew my power in thee, and that my name might be declared throughout all the earth. HAVE I RAISED THEE UP, THAT I MIGHT SHEW MY POWER IN THEE, AND THAT MAY NAME MIGHT BE DECLARED THROUGHOUT ALL THE EARTH: Paul quotes HAVE I RAISED THEE UP, FOR TO SHEW IN THEE MY POWER, AND THAT MY NAME MAY BE DECLAED THROUGHOUT ALL THE EARTH-Exodus 9:16.
Romans 9:18		18 Therefore hath he mercy on whom he will have mercy, and whom he will he hardeneth.

Romans 9:19-29	Third Objection of 3: Why does He yet find fault? Who has resisted His Will?	WHY DOTH HE YET FIND FAULT? FOR WHO HATH RESISTED HIS WILL?: This is the THIRD OBJECTION. Paul anticipates an objection to his previous two answers and his answer to this objection. THIRD OBJECTION-v19-29-: If God's word has been doing exactly what it has been supposed to do all through Israel's program all along...remember the idea is it was because they were so rebellious He really cut off Israel's program to accomplish a different purpose. They were rebellious. His word was still calling out a little flock. If His word was successful. God wasn't unjust interupting this program, if He didn't do this because of what Israel did or didn't do, then why does He still find fault with Israel? With the third objection, there are 3 issues that need to be straightened out. Give you the keys to the last/third objection. 1. Quote out of Hosea 1. 2. Quote out of Isaiah 10. 3. Quote out of Isaiah 1. Unfortunately, this (GH: the dispensational change) is still a mystery (GH: to most people), even though Paul writes 3 chapters to prove it to you. This is a critical thing to understand. The third objection is based on the first two answers. It's like one more question now. MM thinks not only a Jew would ask, but a member of the believing remnant would ask because they were promised a kingdom. Answer to the third objection - everything God promised to do He is still going to do.
Romans 9:19		19 Thou wilt say then unto me, Why doth he yet find fault? For who hath resisted his will? Jews are doing something that they have done throughout their whole history. They are whining and complaining and griping and murmuring. EX God raised up a deliverer to get them out of Egypt and they end up whining and complaining about that. Same with Red Sea, wilderness with nothing to eat->feed them manna, then well it is manna and we want quail, etc. He has something to accomplish here that they didn't know about. Paul is now going to take several O.T. passages and bring them to their attention to answer them out of their own scriptures so they understand some important things. He is going to use 4 questions to begin to guide their thinking before he gets to the O.T. scriptures.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 9:19		19 Thou wilt say then unto me, Why doth he yet find fault? For who hath resisted his will? THOU WILT SAY THEN UNTO ME: MM says that is perfectly worded. Paul knows as soon as he answers the second objecction, he's going to come along and say I know what you are going to SAY THEN UNTO ME. THEN: Tells you that it is referring you back to the answered objection, like well then. Important to see it is part of charging God with unrighteousness. It's a little different from that, but it is part of it. God has already shown that He is not unrighteous for stopping the program or showing grace and mercy to the Gentiles. But He would be unrighteous if He didn't complete what He said He would do with Israel. If God is going to put Israel temporarily aside and begin working directly with Gentiles, He has to bring in a different dispensation, He has to start another program. He promised through Israel's program that they would be the light of the Gentiles. He can't void that program. So if He is going to do it differently, it makes sense to need a different program. MM says terrible analogy but football coach's ability to walk out on the field during a play and during a time out. As long as the clock is ticking on Israel's program, God just can't bypass them and go to the Gentiles without violating His program. God has to whistle a time out so He can go show grace and mercy to Gentiles without violating His Program with Israel. These are questions that are not being asked by those who are objecting, these are questions that are being asked by God to get their thinking going in a particular way. There are two questions.
Romans 9:19	QUESTION 1 OF 4	19 Thou wilt say then unto me, Why doth he yet find fault? For who hath resisted his will? QUESTION 1 of 4: WHY DOTH HE YET FIND FAULT?: Why is God still going to the Gentiles? Why are we still ACCURSED FROM CHRIST? At this point, they know: 1. God has stopped their program - they are accursed from Christ. He had to if He is going to turn to Gentiles apart from Israel. 2. God is now dealing with the Gentiles This DOGG wasn't based on anything that the Jews did or didn't do, it was part of the original plan of God from the foundation of the world. If you are a Jew, you are wondering, OK, He set us aside, He made us accursed from Christ, why is He still doing it(WHY DOES HE YET)? Why is this continuing? Why is He still going to Gentiles? Why are we still ACCURSED FROM CHRIST? Why is this still going on? Why hasn't He come back? Why is He leaving us in this position? He did it, lets end it and get back to us. We get it...He stopped our program, turned to the Gentiles, He wasn't unrighteous, He made a provsion for it...but we are wondering how come He doesn't get back to us? This could lead to discouragement and He doesn't mean for it to lead to that. From the time Paul writes Romans 9 to the time Paul was saved on the Damascus Road/stoning of Stephen was about 20 years. MM says if it seemed that way after 20 years, what about asking this question after 2,000 years?

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 9:19	QUESTION 2 OF 4	19 Thou wilt say then unto me, Why doth he yet find fault? For who hath resisted his will? QUESTION 2 of 4: FOR WHO HAS RESISTED HIS WILL?: The obvious answer is no one stood in the way of God doing that. But this is one of these questions that you don't just need to know the right answer, you need to know WHY it's the right answer. Who stopped Him from doing it (GH: restarting His Program with Israel). Know that nobody can. They are wondering how much longer are we going to do this (GH: DOGG)? If you are Paul, you answer with the purpose behind the program. If they did, they would have known that God is doing something here and when that gets done, He'll restart their program. It's on God's Time not man's. Paul is going to say, I'm going to teach you not to complain about what God does, how He does it, or how long it takes Him to do it. Because if you are a Jew, a member of the believing remnant, and still living, you are thinking time is running out on me. I'm going to die and He is still going to be in this program with Gentiles. Jews didn't have any ideas about God's purpose with Gentiles. They did know about the creation but really didn't understand the concept of the creature or humans sitting up there in the heavenly places. Knew Satan had a realm up there (Daniel talks about it) but it never occurred to them God would have to do something about it. Jews are saying we didn't stand in your way, you got it done. Why not get back to this program?
Romans 9:20		20 Nay but, O man, who art thou that repliest against God? Shall the thing formed say to him that formed it, Why hast thou made me thus? Notice the series of 4 questions that follow the THIRD OBJECTION starting in v20-24. NAY BUT, O MAN, WHO ART THOU THAT REPLIEST AGAINST GOD?: Who do you think you are? To reply against someone means to complain about. SHALL THE THING FORMED SAY TO HIM THAT FORMED IT, WHY HAST THOU MADE ME THUS: This is kind of audaicious. If He hadn't made you you wouldn't be here to gripe. SAY TO HIM: MM thinks “speak” has to do more with official teaching, while “say” just has to do with everything else.
Romans 9:21	QUESTION 3 OF 4	21 Hath not the potter power over the clay, of the same lump to make one vessel unto honour, and another unto dishonour? QUESTION 3 of 4: HATH NOT THE POTTER POWER OVER THE CLAY, OF THE SAME LUMP TO MAKE ONE VESSEL UNTO HONOUR, AND ANOTHER UNTO DISHONOR?: If a potter has a lump of clay, can't he do what he wants to with it? GH: POTTER reference is found 2 places (Jeremiah 18) in the O.T. Paul doesn't say AS IT IS WRITTEN to take you back there but if you are a Jew and you are paying attention when he says this, something does come to your mind. POWER: **If you have the power, you have the authority. Not just bigger so I can do it, it is I have the right, I have the choice**.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 9:22-24	QUESTION 4 OF 4	QUESTION 4 of 4: Fourth question is a very long question - What if God decided to do this? MM believes that these first 3 questions are guiding your thinking in a certain way and then when he gets to this fourth one, it's kind of putting it all together in one lump about the answer to the objection. SUMMATION: What if God, instead of showing His wrath and making His Power known, which He was willing to do decided instead to put up with (endure with much longsuffering) those who were worthy of the day of wrath, (Israel in Acts 8) so that He could put on display (make known) the glory of the Sonship education (the riches of His glory) on us Gentiles (the vessels of mercy) which God planned from the beginning (afore prepared unto glory) us, who have made the cry of ABBA, FATHER (us, whom He hath called) whether we be Jew or Gentile. In this DOGG, Jew and Gentile have the ability to say YES to being a son.
Romans 9:22-24	GH: Ties to Romans 13:12	MM tying to Romans 13:12 and the ungodliness of apostate Israel and the ungodliness of the world reaching a zenith right before God brought in this DOGG. v22: WHAT IF GOD, WILLING TO SHEW HIS WRATH, AND TO MAKE HIS POWER KNOWN: MM says He was willing to do this. But 'what if' He ENDURED WITH MUCH LONGSUFFERING? v22: ENDURED WITH MUCH LONGSUFFERING: MM says we are not 20 years in the DOGG. Only 2 ways to take this: 1. How long of a time He has been suffering 'describing how LONG' 2. The extent of the ungodliness that He is having to put up with 'describing how BAD' MM says if He is saying this after 20 years, what do you think He is thinking after 2,000 years? MUCH LONGSUFFERING: God was at a place where He couldn't take it anymore and He was ready to judge the world but instead He brought in this DOGG. MM says that is MUCH LONGSUFFERING. He is enduring these VESSELS OF WRATH FITTED TO DESTRUCTION. LONGSUFFERING: Doesn't mean He is not angry anymore or that He is not going to judge the world. It means that He has postponed responding to the things that have provoked His wrath in the first place. Doesn't mean God is not angry anymore. He is postponing what He is going to do about things that are provoking His anger. God didn't hold off on His Wrath because they weren't worthy, He held off on His Wrath because He was introducing this DOGG.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 9:22	GH: Ungodliness	22 What if God, willing to shew his wrath, and to make his power known, endured with much longsuffering the vessels of wrath fitted to destruction: What if God, who was willing to show His Wrath and make His Power known, He was willing to do that but what if He instead of doing that, He endured with much longsuffering that nation that was worthy of that wrath? What if He put that wrath off and endured with them? Paul is saying when the world got to this place, it was worthy of judgment. MM asks if God had reached the place where He said I AM going to have to do something about this, why is He waiting 2,000+ years? If they are FITTED to be destroyed, if they are at that place, **the only reason God would put that off is because there is something more important that needs to be done**. It's not that God isn't angry or He doesn't care about sin in the DOGG, but He has chosen to deal with the world by HIS GOODNESS-Romans 2:4. Means that we as saints are also supposed to look at the world with longsuffering. Means that God is trying to get them a message, and we're going to have to be involved in getting them that message. God is forestalling judgment by dealing with the world under grace, this dispensation of grace is known as a time of longsuffering. Longsuffering in God is being longsuffering in demonstrating his wrath against sin. ENDURED WITH MUCH LONGSUFFERING THE VESSELS OF WRATH: It's not that God is not angry with sin, but He has chosen to deal with the world with LONGSUFFERING. ENDURED WITH MUCH LONGSUFFERING: Means He held it off. This LONGSUFFERING was for their benefit. Talking about this DOGG. There's a more important reason that He is doing this.
Romans 9:22	GH: Ungodliness	22 What if God, willing to shew his wrath, and to make his power known, endured with much longsuffering the vessels of wrath fitted to destruction: LONGSUFFERING: MM says it really was LONGSUFFERING because now folks that were not going to be saved in Israel's program can now be saved and be part of the body of Christ like Paul. Group says patient, does not mean: - God is no longer angry - He has changed His Mind about whether or not they really deserve His wrath - Satan's POE is no longer being effective in the world so He doesn't have to judge it anymore putting up with something, enduring something. Not the only time 'longsuffering' is used by Paul. Peter tells the Jews that Paul tells us why things aren't happening (the Kingdom of God is at hand) as soon as we anticipated. Peter uses 'longsuffering'. Not going to impute your sins to you - offering you a time of longsuffering grace. But if you leave this life in an unjustified position, I will impute everyone of those sins back to you at the judgment. Plus a bonus - they despised the Grace of God.

Romans 9:22	GH: Ungodliness	22 What if God, willing to shew his wrath, and to make his power known, endured with much longsuffering the vessels of wrath fitted to destruction: HIS WRATH: Means that God is willing to pour out His Wrath on the world, willing to do that. MM says means that the world is worthy to have that Wrath poured out on them. VESSELS OF WRATH FITTED TO DESTRUCTION: Another moniker to describe mankind's tendency to wrath. Talking about people. Saying they are literally fit to be destroyed. The condition of men before God brought in the DOGG. VESSELS OF WRATH: God promised WRATH to Israel. That was part of their program. When God interupted the program with Israel, they were worthy of having the last part of the 5th CoP come upon them. Instead of being worthy of that wrath, God said I AM going to be longsuffering with them. They deserved that wrath at the Cross, at the stoning of Stephen...and the world deserves that wrath today. When this time of grace is over, the world will still be deserving of that wrath. The CHILDREN OF DISOBEDIENCE-Ephesians 2:2, Colossians 3:6. FITTED TO DESTRUCTION: If you get a coat fitted, it is made just for you. This WRATH is just for them. FITTED:Especially prepared - like you deserved God's wrath so much you were specially made to receive God's wrath. However FIT the world was to be destroyed at the end of Acts 7, by the time the DOGG is over, it will be even more FIT and His wrath will burst upon the scene. When you are FITTED to something, you are made for it.
Romans 9:23	MP : Blessings - Spiritual (GH: ?) / RICHES=Wisdom & Understanding	23 And that he might make known the riches of his glory on the vessels of mercy, which he had afore prepared unto glory, MIGHT MAKE KNOWN THE RICHES OF HIS GLORY: To us. From Romans 8:14-15, He has been talking to us as sons. Still in SE. MM proposes that the RICHES OF HIS GLORY is the GLORY associated with our Sonship life. That He wanted sons and daughters and He wants to show that. THE RICHES OF HIS GLORY: How Paul describes the HID TREASURES-Proverbs 2:4/FINE GOLD-Proverbs 3:14 in the doctrine from Romans 13:11 on. Received after we trusted Christ. A spiritual thing, not a physical thing. RICHES: Wisdom & Understanding. Will buy merchandise that is better than the merchandise of FINE GOLD-Proverbs 3:14/great wealth. MM says when you spend the RICHES to buy the merchandise, you still have all the RICHES. You didn't diminish the RICHES. VESSELS OF MERCY: We are, the Gentiles. This is talking about us Gentiles. HE HAD AFORE PREPARED UNTO GLORY: Means that He had already been thinking about this. Shows this is not an accident, this was part of the plan from the beginning and it had to be. What if Israel had believed all along and the CoP didn't need to happen? God would still need a way to reconcile the heavenly places. This had to be part of the plan. But He knew this would happen with Israel and He put this (GH: the DOGG) in just the right spot. He didn't just decide this at the Cross or at the stoning of Stephen. Romans 16 is going to tell you He decided this when He founded the world.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 9:24		24 Even us, whom he hath called, not of the Jews only, but also of the Gentiles? NOT OF THE JEWS ONLY, BUT ALSO OF THE GENTILES: QUESTION 4 OF 4. The body of Christ today is made up of both Jew and Gentile. When you talk about Jew and Gentile together, Paul uses the phrases THE FELLOWSHIP OF THE MYSTERY-Ephesians 3:9 and THE ONE NEW MAN-Ephesians 2:15. Jew and Gentile have an opportunity now to be part of something that God prepared before no one knew anything about, something that He certainly kept secret.
Romans 9:25-27	GH: GPPI verse	Even Paul bears witness to the fact that God has not cast away His people forever. MM tying to Hosea 1:10. v25: Wrong interpretation is to think WERE NOT MY PEOPLE is us. v25: AS HE SAITH ALSO IN OSEE: v25: OSEE: Hosea. From Hebrew to the Greek, there is a spelling change, like Elijah to Elias in the N.T. Saying it's this Anglo-Saxon people that live in England and America that are the tribes of Ephraim and Manasseh. This is called British Israelism and it's alive. This is not what Paul is talking about, he is talking about Hosea 1:10. They are going to be His people again. For a while, you won't be and then you will be. I AM going to purge all that apostate element out. v26: THEY BE CALLED THE CHILDREN OF THE LIVING GOD: MM tying to YE ARE THE SONS OF THE LIVING GOD-Hosea 1:10.
Romans 9:25		25 As he saith also in Osee, I will call them my people, which were not my people; and her beloved, which was not beloved. AS HE SAITH ALSO IN OSEE OSEE: Greek rendering for the Hebrew Hosea. The N.T. rendering of Hosea.
Romans 9:26		26 And it shall come to pass, that in the place where it was said unto them, Ye are not my people; there shall they be called the children of the living God.
Romans 9:27		27 Esaias also crieth concerning Israel, Though the number of the children of Israel be as the sand of the sea, a remnant shall be saved: ESAIAS: New Testament rendering for Isaiah. The N.T. rendering for Isaiah. THOUGH THE NUMBER OF THE CHILDREN OF ISRAEL BE AS THE SAND OF THE SEA, A REMNANT SHALL BE SAVED: That's the SHORT WORK-v28.
Romans 9:28		28 For he will finish the work, and cut it short in righteousness: because a short work will the Lord make upon the earth. FOR HE WILL FINISH THE WORK: This spells it out for you, doesn't it? CUT IT SHORT...SHORT WORK: Is not in reference to time, it is in reference to a number and is a reference to the remnant-see v27. Instead of the whole nation turning to God and doing what God wanted the nation to do, you get that.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 9:29		29 And as Esaias said before, Except the Lord of Sabaoth had left us a seed, we had been as Sodoma, and been made like unto Gomorrha. LORD OF SABAOTH: Not the same thing as the Lord of Sabbath. SABAOTH is actually term that shows up one other time in Isaiah 1. Means the LORD OF (angelic) HOSTS, referring to His heavenly army. SODOMA, AND BEEN MADE LIKE UNTO GOMORRHA: If the Lord had not kept a SEED or remnant, we would have wound up like this. Would have been totally and forever destroyed. This shows God's intention again that He is going to finish what He started with them because they are looking at that recognizing the natural way this would have worked is we would have been wiped out. But God made a way for them not to be wiped out. God never tells them how long He's going to take to do that and that was one of their complaints. Why is it taking Him so long? But the reason God is taking so long is that there is something that God is meaning to get accomplished.
Romans 9:30-33		Chapter ends with 4 verses that talk about Israel's stumbling over recognizing their Messiah properly. Paul makes a concluding statement based on what has been said from verse 6 up to this point. Passage shows that it is Israel's own fault that they wind up in the position that they are in (ACCURSED FROM CHRIST-v3). They won't be able to point the finger at God and blame Him but they're responsible for winding up in this condition.
Romans 9:30		30 What shall we say then? That the Gentiles, which followed not after righteousness, have attained to righteousness, even the righteousness which is of faith. Context, at the Tower of Babel, before Abraham, before Israel, there are just the nations of the world...Satan has been working hard to get men on the earth from worshipping the true and living God to following his COTW-Ephesians 2:2 and worshipping him. He was vastly successful at that. When you go over to the Book of Genesis in Chapters 9-10, Paul comments in Romans 1 saying the people got to a place that they did not want to retain God in their knowledge anymore. Paul says GOD GAVE THEM UP...GOD GAVE THEM UP...GOD GAVE THEM OVER in Romans 1. At Babel, God consigned the nations of the world over to the adversary to do whatever he wanted them to do. God says I AM going to wash My Hands of them, I AM done with them. God says fine, you want to live like that? I WILL give you up to that, I WILL give you over to that. Happy day for the adversary because he thinks he is winning. But the next thing God does is He finds this guy named Abraham, calls him to leave his country, makes an unconditional covenant with him, and He says I AM going to raise up a great nation out of you and I AM going to use that nation to be a blessing to the nations of the whole world. That's the promise of the Abrahamic covenant. So when you read THE GENTILES THAT FOLLOW NOT AFTER RIGHTEOUSNESS, they practiced idolatry, were entrenched in it. Remember and have in your mind Paul on his apostolic journeys. See these people are entrenched in idolatry and false gods. Sees the people that got consigned over to idolatry all the way back to the Tower of Babel. He doesn't run into any Gentiles that are worshipping the true and living God (GH: prostylytes?). They were pagan idolaters to the core, that's what we were. If there hadn't been a dispensational change, we would all be worshipping some false god set up somewhere. Those Gentiles, which were so far away from God and have been all this time, they have now attained UNTO RIGHTEOUSNESS WHICH IS OF GOD. MM says now that would provoke a Jew to jealousy. THEN: He just got through talking about dealing with the objections so he says WHAT SHALL WE SAY THEN?

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 9:31		31 But Israel, which followed after the law of righteousness, hath not attained to the law of righteousness. Israel was trying to follow AFTER THE LAW OF RIGHTEOUSNESS, but they did NOT ATTAINED it because they were trying to do it under their own power under the law. Israel did not attain to righteousness because they sought it by the works of the law. They couldn't perfectly keep the law. God didn't want them to go under that law and He gave them 3 opportunities to change their mind about that.
Romans 9:32		32 Wherefore? Because they sought it not by faith, but as it were by the works of the law. For they stumbled at that stumblingstone; WHEREFORE?: Why? MM wants to make this clear. (GH: Peradventure) A man could justify himself before God without the free gift of grace if he could perfectly keep the law from the day he is born to the day he dies. But you already know that's impossible, that cannot be done. FOR THEY STUMBLED AT THAT STUMBLINGSTONE
Romans 9:33		33 As it is written, Behold, I lay in Sion a stumblingstone and rock of offence: and whosoever believeth on him shall not be ashamed. Context: Reason why it was such an OFFENCE and such a STUMBLINGBLOCK (Isaiah 8:14; Romans 9:33) is because of the doctrine that was taught by Israel's religous leaders to all the people of the nation about how to perceive or how to think about the prophecized Messiah or Christ that was so entrenched with them and in their thinking. When Jesus shows up, they weren't seeing in Him what the Pharisees and scribes had made them to understand that they should have been looking at. In other words, Jesus was appearing as something totally different so the automatic reaction for them was to say He can't be the Messiah, He can't be the One because when that Guy shows up, here's what we know about Him. He didn't fit the bill on any of that. But what they didn't do is they didn't go back to the Scriptures themselves because the Scriptures painted a very different portrait of what the Christ was going to be like and it wasn't the one the Pharisees were putting forth. When even John the Baptist begins to wonder if Jesus if the prophecized Christ and he sends a message to Jesus to inquire about that. This is how powerful this doctrine had beome in the minds of the people.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 9:33		33 As it is written, Behold, I lay in Sion a stumblingstone and rock of offence: and whosoever believeth on him shall not be ashamed. AS IT IS WRITTEN: Tells you something else is sitting back in the Prophets. I LAY IN SION A STUMBLING STONE and A ROCK OF OFFENCE: They stumbled because the crucified their Messiah. But this is not where they fell. STUMBLINGSTONE AND ROCK OF OFFENCE: Paul shows them why they are accursed from Christ-v3. ROCK OF OFFENCE: Paul quoting from Isaiah 8:14. Prophets talked about Israel's Messiah coming onto the scene and when He showed up He was going to be that ROCK OF OFFENCE. Means that the issue of Him was going to be something that was going to cause them to stumble and fall. OFFENCE: With a C not an S. With an S, would be an offense on a football team. Normally think of something that is insulting or derogatory. In the Bible it means to strike against the feet or to stumble. OED: Offence: 1. To put a stumblingblock in someone's way in order to make them fall.
Romans 9:33		33 As it is written, Behold, I lay in Sion a stumblingstone and rock of offence: and whosoever believeth on him shall not be ashamed. ROCK OF OFFENCE (and 1 Peter 2:8) and how the Pharisees protrayed the coming Messiah as the opposite of what Jesus actually appeared to be. They portrayed him as a rich, political, influential powerful. princely person of authority that would come in and put down Israel's enemies and do all of that. That was not at all what the scriptures portrayed Him to be-see Isaiah. ROCK OF OFFENCE OR 'stumbling stone' (STONE OF STUMBLING-1 Peter 2:8). In the minds of the people, whatever the religious leaders of Israel would have done, the nation would have followed their lead. Just as the nation believed that they should be looking for a Messiah in a particular way, that hindered them from really seeing Jesus as the true Christ that He was. Some still believed. There was sufficient evidence there through the miracles He performed and the Message He preached and the things He fulfilled in the O.T. scriptures-everything was back there, even though they have misrepresented Him. All of those things about His birth, He would be called a Nazarene, how He would be rejected, etc. were there. If they were hnoest, they could have seen past the veil of the Pharisees put up to hide who Jesus really was. The issue that was really the STUMBLINGBLOCK (Romans 14:13-23) that He's the ROCK OF OFFENCE so their stumbling takes place over the fact of who He is - Jesus of Nazareth the Christ. He is the ROCK OF OFFENCE so the STUMBLING takes place over who He is. Is He the Christ, is He Israel's Messiah? That's the STUMBLING issue. Three opportunities in Acts 1-7.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 10	GH: IPF verse	v3: GOING ABOUT TO ESTABLISH THEIR OWN RIGHTEOUSNESS: What Israel was trying to do under the Old Covenant. v3: HAVE NOT SUBMITTED THEMSELVES UNTO THE RIGHTEOUSNESS OF GOD: No man can do this. The problem for them is the problem for us. We are all undone sinners. v4: CHRIST IS THE END OF THE LAW FOR RIGHTEOUSNESS: He is the Mediator of the New Testament. v12: THERE IS NO DIFFERENCE BETWEEN THE JEW AND THE GREEK: In the DOGG, the national distinction for Israel has been removed.
Romans 10:1-21		Dispensational Change Part/Section 3 of 5: DETAILS concerning Israel's stumbling. Gives us details of Israel's status and condition when they stumbled over that stumblingstone. The words ISRAEL and SAVED appear several times in Chapter 10. Sometimes when he is talking about ISRAEL being saved he is talking about individual Israelites out of the nation. Other times he's talking about the nation as a whole and it's important to recognize which time He is doing what. When you get to the word SAVED, sometimes he's talking about being saved from the debt and penalty of your sin as in being JUEL but sometimes he's talking about being saved meaning delivered from something. Important to recognize which of those times he is talking about as well. MM says this chapter is a very abused chapter in your Bible because GH: a lot of things taken out of context. Has 2 parts: 1. v1-13: Has to do with Israel's stumbling over Christ, that ROCK OF OFFENCE. Has to do with WHY Israel has stumbled, WHY they are in the position of being ACCURSED FROM CHRIST-Romans 9:3. 2. v14-21: Has to do with WHO is responsbile for that and Israel itself is responsible for that. Israel is responsible herself for the condition she finds herself in. God's Plan and Purpose for Israel - 2008 Study - can't re-cover that in this study.
Romans 10:1-13		Chapter 10 - Part 1 of 2: Why Israel stumbled (and continues to do so). Answer the question why Israel stumbled. What Paul is saying is this condition that Israel is in, it's because they ignored the righteousness which is by faith and they tried to produce their own righteousness. They'll never be able to produce their own righteousness.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 10:1-4		God is saying because Israel wanted to be righteous by keeping the law, then they were saying we can make ourselves righteous in our own efforts. That's self-righteousness. God calls self-righteousness an abomination in other places in the Bible. Self-righteousness means I don't need what You have done, God, I can do this on my own. That's exactly what Israel did when they agreed to go under the law. It's not that they weren't interested in God. It was just that they were interested in God on their terms, their righteousness. If the only thing you are doing is emulating what you think God wants, that is you producing your own righteousness. Isaiah told Israel your (self-) RIGHTEOUSNESS ARE AS FILTHY RAGS - Isaiah 64:6. MM says really and truly we don't have any but we get confused. We think as long as we do good stuff, we are righteous. God says if you are doing good stuff in your own energy it's as bad as unrighteousness, it's like filthy rags. MM says WWJD was the wrong way to look at things. This is not about you figuring out what He would do and then trying your best to emulate that. That is self-righteousness. Means you are ignorant, like like Israel. v3-4: If you are a believer, you can't count on the law to make you righteous. Christ is the end of the law for righteousness. You're never going to please God by the law. That's why Christ came. You weren't going to please Him even before you got saved by the law.
Romans 10:1	MP : Blessings - Spiritual (GH: ?)	1 Brethren, my heart's desire and prayer to God for Israel is, that they might be saved. People say that Paul had such a burden for His people that he wanted them to be saved. MM is not denying that. What he's saying is there's a whole nother issue that is just as weighty that got overlooked here. Paul's prayers are overwhelmingly spiritual. MM mentions it is not enough to just pray for them to be saved. There's more to it than that. THEY MIGHT BE SAVED: That's what Paul wants. Justification (past tense of our salvation). SAVED: Talking about individuals within the nation of Israel. The SAVED has a two-fold application: 1. JUEL/To be saved from the debt & penalty of their sin - BELIEF/HEART issue 2. To be saved from or delivered from the consequences of being ACCURSED FROM CHRIST. Things are happening as a consequence of them no longer holding the position they used to have and he not only wants them to be saved from the debt & penalty of their sin, but he wants them to be saved from those consequences as well. Delivered from being blinded, from being deaf from hearing certain things.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 10:1	MP : Blessings - Spiritual (GH: ?)	1 Brethren, my heart's desire and prayer to God for Israel is, that they might be saved. This two-fold application runs right down through the chapter. There are two issues going on here for Israel and it is important for us to see this because these have been used in churches in the DOGG to formulate a doctrine that is not Biblical and we've heard it all of our lives. Paul is talking about individual salvation. Paul is saying that He has a real burden - he's praying that Israel will come to know Christ and that they will be delivered from the effects of that apostate nation of being ACCURSED FROM CHRIST. The Jew no longer has 'favored nation status', they are on the same level we are on and Paul is trying to solve this hangup that they have about who the Christ is. Once someone is saved, they are no longer a part of the apostate nation. And because of that, that means they also have the opportunity to be delivered from the things that are included in with that apostate nation. This is individual salvation from both of these. Paul is also including salvation from the debt and penalty of sin. He wants them to be saved spiritually but he also wants them to be saved/delivered from the consequences of being part of that group that is ACCURSED FROM CHRIST. This is a theme that we will see throughout Romans 10 and he is going to break them apart and show them to us in detail.
Romans 10:2		2 For I bear them record that they have a zeal of God, but not according to knowledge. Cover the main spiritual problem that Israel has. They have ZEAL but not according to knowledge. There is something that they needed to know. ZEAL OF GOD: Think this is a good thing at first. But their zealousy is misplaced. Just because a person is excited doesn't mean they have the right thing in mind. BUT NOT ACCORDING TO KNOWLEDGE: Paul explains - this is misplaced ZEAL.
Romans 10:3	GH: Zeal verse	3 For they being ignorant of God's righteousness, and going about to establish their own righteousness, have not submitted themselves unto the righteousness of God. Zeal verse. False fervency. THEY BEING IGNORANT OF GOD'S RIGHTEOUSNESS, AND GOING ABOUT TO ESTABLISH THEIR OWN RIGHTEOUSNESS: MM says that will never fly with God. We can't Christianize our own righteousness, but it really has to be the effectual working of the word/doctrine that is actually producing something IN us. IGNORANT OF GOD'S RIGHTEOUSNESS: There was something about God's righteousness that they didn't know. THEIR OWN RIGHTEOUSNESS: By trying to keep the law and produce their righteousness under the law.
Romans 10:4		4 For Christ is the end of the law for righteousness to every one that believeth. The law has come to an end for those who believe. MM asks do you realize how difficult it is for people to do away with the law? He's talking about Gentile believers. People mistakenly think that there are parts of the law that we are supposed to keep. When Christ came, He did function as that Redeemer. He did provide for a righteousness which is by faith, not by anything they would work to accomplish.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 10:5		5 For Moses describeth the righteousness which is of the law, That the man which doeth those things shall live by them. This is the righteousness that is in the law. If you're going to do the law, you're going to have to live by that law and you're going to have to keep that law and you're going to have to keep it perfectly. Paul tells them there is a righteousness by faith and not by works of the law. A man can justify themselves before God...just have to perfectly keep the law every day that you are alive. Impossible. Can't interpret this as 'I'm going to do my very best to keep the law. I am giving it my all'. That's not good enough. When Paul says there is a RIGHTEOUSNESS BY FAITH, they should have been 'Thank God' because we can't do this other (GH: keep the law). If someone is honest, they would look at the law and look at their life and say 'I can't do it. There's no way'. That is what God was waiting to hear from them. Back at Sinai, He was waiting even.
Romans 10:6-8		Paul is taking you back to the O.T. once again. MM says a lot of grace circles just preach Paul's 13 epistles. But Paul is counting on the fact that you know some things back in Israel's program. How many times have we gone back on AS IT IS WRITTEN and he takes you back. If you don't know what is back there, you will really be lost with the point that he is trying to make. GH: Paul sorta-quotes Deuteronomy 30:10-14.
Romans 10:6		6 But the righteousness which is of faith speaketh on this wise, Say not in thine heart, Who shall ascend into heaven? (that is, to bring Christ down from above:) Paul is using the same terminology as Deuteronomy 30:12 but now he's talking about Christ and the sacrifice for sin that's taken place. THE RIGHTEOUSNESS OF FAITH SPEAKETH ON THIS WISE: MM said you could say, do you know what God wants today? Someone says well, if we need redeeming, someone needs to go up to Heaven and bring Christ down and Paul answers with nobody needs to go up to Heaven and bring Him down, He has already come. He is going to describe the righteousness that is by faith. SPEAKETH ON THIS WISE: GH: It sounds like this. SAY NOT IN THINE HEART: MM thinks “speak” has to do more with official teaching, while “say” just has to do with everything else.
Romans 10:7		7 Or, Who shall descend into the deep? (that is, to bring up Christ again from the dead.) WHO SHALL DESCEND INTO THE DEEP: GH: Paul quoting WHO SHALL GO OVER THE SEA FOR US-Deuteronomy 30:12. Changes to WHO WILL DESCEND INTO THE DEEP from WHO SHALL GO OVER THE SEA-Deuterononmy 30:12 because he is not talking about going across to another country to get the law, he's now talking about the capstone of what the redemption was about, the Resurrection. MM says remember David in the Psalm-WILL NOT LEAVE MY SOUL IN HELL, the scriptures were there about the Resurrection of the Messiah. Paul is saying nobody needs to pull Him up from the dead because not only has He come down, He has already come up from the dead. Here's the beginning of it and here's the end of it and everything in between, He has fulfilled all of that. He is having them see themselves in the same light that they saw Israel in TIMES PAST just making excuses.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 10:8		8 But what saith it? The word is nigh thee, even in thy mouth, and in thy heart: that is, the word of faith, which we preach; THE WORD IS NIGH THEE: Ties to IT IS NOT HIDDEN FROM THEE, NEITHER IS IT FAR OFF-Deuteronomy 30:11. Don't act like you don't have it, here it is. You have it right in front of you. it is NIGH UNTO THEE. Paul is saying when you hear me preach this gospel that I'm preaching, don't be saying this - well, if Christ is going to deliver us, who's going to go up and get Him out of heaven and bring Him down as though He hasn't already come. Or who's going to go down into the deep and bring Him up from the dead as though He hasn't already resurrected. **You already have this word that I'm preaching because Christ has already come down, He's already come up from the dead. You can't say we're waiting on Christ**. MM says it another way. Don't be waiting on someone else for Christ becaue these things have already been done. **The problem is they didn't believe that He has already made the sacrifice, they didn't believe He's risen from the dead. That is the issue or hang up**. There's no need to go around to try and find another message. Christ has already come, He's already done what He's supposed to do, it's right here in front of you so there's no need for anything else. THE WORD OF FAITH, WHICH WE PREACH: This is a message for Jew and Gentile, doesn't matter who you are.
Romans 10:9-10		Still in the context of v6 (GH: Don't need to bring Him down or bring Him up - already been done). People took these verses to mean that you need to believe and then come down in front and make a public confession of Christ. MM is trying not to say too much about that. Paul is not coming back after Romans 1-5 and talking to you on how to be saved today. You got all of that back there. He doesn't need to come along in Romans 10 and say let me show you how to be saved. He's already covered that. What he is dealing with now is something that a Jew needs to be aware of. For a Jew, there was a package of salvation. There was the spiritual salvation and the deliverance from the physical circumstances.
Romans 10:9		9 That if thou shalt confess with thy mouth the Lord Jesus, and shalt believe in thine heart that God hath raised him from the dead, thou shalt be saved. IF THOU SHALT CONFESS WITH THY MOUTH THE LORD JESUS: This is a direct reference to saying I know who He is, He's the Messiah, He's the Christ. They need to confess because there is coming a time in their program during the day of Wrath that if they don't then all of the troubles that are going to come upon the lost world are also going to come upon them. MM says think about Revelation and the sun burning, the droughts, demon locust coming out of the bottomless pit, men's hearts failing them for fear - will truly be a terrible time. He is saying there is one way from those things overtaking you too. If you try to fly under the radar and not tell anybody your a believer, God says fine, I AM going to treat you just like the unbelievers. Yes, you are JUEL so when you die, you'll be saved. But believe Me, you are going to suffer all things that the apostate nation is going to suffer. Two parts: 1. Saved from the debt and penalty of sin-believing in your heart 2. Saved from the effects of the day of Wrath out there-confessing with your mouth

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 10:9		9 That if thou shalt confess with thy mouth the Lord Jesus, and shalt believe in thine heart that God hath raised him from the dead, thou shalt be saved. CONFESS WITH THY MOUTH: Delivered from the apostate nation - Second aspect of SAVED. If they confess Jesus Christ, they are putting themselves at risk in front of the apostate nation. Ties to WHOSOEVER SHALL BELIEVETH ON HIM SHALL NOT BE ASHAMED-Romans 10:11. If you believe He was raised from the dead, they knew who you were talking about, that you believe that Jesus of Nazareth was the Christ. That He was that common Man and not that high-brow nobility that the Pharisees put forth. Gentiles never had an issue over the True God and who is Jesus Christ, we never knew the True God. We were pagan idolators. The only way we know the True God is through Jesus Christ. That issue is settled for us. But for a Jew, you can believe in Israel's God, but have an issue about who is the Christ. This is what this issue is about. That's what's at stake here. There are two issues being brought to the surface: 1. I'm going to believe in Him as the Christ 2. I'm going to make a stand in front of the apostate nation about who I believe is the Christ - that will cost you something (Today in this DOGG/country, not really)
Romans 10:9		9 That if thou shalt confess with thy mouth the Lord Jesus, and shalt believe in thine heart that God hath raised him from the dead, thou shalt be saved. SHALT BELIEVE: GH: JUEL - First aspect of SAVED. THOU SHALT BE SAVED Just picked out one part of the DBR because Paul is talking about what Israel would do even in their program. The little flock is still living but they are continuing and diminishing and you have the rise of the Gentiles. There's a two-part transition going on here.
Romans 10:10		10 For with the heart man believeth unto righteousness; and with the mouth confession is made unto salvation. WITH THE HEART MAN BELIEVETH UNTO RIGHTEOUSNESS: This is JUEL but that is only half of it here. There is something a Jew is supposed to confess. But that is only half of it. There is something a Jew was supposed to confess. MM is not talking about today. But at that time there was something a Jew had to confess and if he didn't confess there was a consequence. He didn't lose his salvation. His salvation got taken care of when WITH THE HEART MAN BELIEVETH UNTO RIGHTEOUSNESS. GH: Had to CONFESS WITH THY MOUTH THE LORD JESUS. MOUTH CONFESSION: Delivered from the apostate nation - Second aspect of SAVED. If a believer pretends they are a rejector of Christ, still saved but all those things the apostate nation will go through will fall on him. Jesus talked about this in Matthew 10:32. MM says it is kind of like the wheat and the chaff. All of those who really believe, God will sort them out from those that did not. Says that is not exactly the intent of this passage.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 10:11		11 For the scripture saith, Whosoever believeth on him shall not be ashamed. WHOSOEVER BELIEVETH ON HIM SHALL NOT BE ASHAMED: Ties right back to the end of chapter 9. This is the issue for a Jew. For Gentiles, that really doesn't matter. We don't really know that many people who go, 'oh, you believe in Jesus? Well, He's the wrong Christ'. MM says that's the whole issue from v9-10. Are they willing to confess with their mouth? There would be a price to be paid one way or the other. If you don't confess Him, you will experience everything that the apostate nation experiences and God is mad at you. If you do confess Him, then the apostate nation will be mad at you and you are going to be ostracized. MM says do you fear God or man? BELIEVETH NOT BE ASHAMED: Reminds of how SHALL NOT BE ASHAMED-Romans 9:33 ends. MM says this is all in the context of this.
Romans 10:13		13 For whosoever shall call upon the name of the Lord shall be saved. MM says this verse is not part of the Romans Road, really talking about Israel. WHOSOEVER SHALL CALL UPON THE NAME OF THE LORD SHALL BE SAVED: But when you get to us in the DOGG, Paul uses salvation in a different way (GH: than the physical salvation pattern for the nation of Israel). Paul quoting SHALL BE DELIVERED-Joel 2:32 excepted changes one word. One is a physical deliverance and one is a spiritual salvation. NAME: Two aspects of the NAME OF THE LORD: 1. Who He/God is 2. What He can do
Romans 10:14-21		Chapter 10 - Part 2 of 2: Israel is responsible for her own stumbling. Focuses on it is Israel's responsibility for being in the condition they're in. They're the ones that they need to blame for stumbling over that ROCK OF OFFENCE. There's another objection that comes out of the second part of this chapter. Whose responsible or whose fault it is that Israel is in this condition.
Romans 10:14-15		MM says growing up in church, he heard this verse preached over and over again that God was calling people to the mission field and this is the passage they used at the mission conferences. MM not saying that God wouldn't be happy with people going to the mission field but this is not what this verse is about. You should use the appropriate passage to do that. This is not it. If you make the passage a call to missionary work, you have entirely missed why Paul even goes to the trouble to ask these questions because these are the questions that a Jew is using to excuse Himself from not stumbling at this ROCK OF OFFENCE. He is saying, hey, how was I supposed to know? It's not my fault/line of thinking. BTW, they did hear and Paul is going to tell them. They did know. This is a smoke screen. Thinking this is a call to the mission field completely misses the context of what we're going in Romans 10.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 10:14		14 How then shall they call on him in whom they have not believed? and how shall they believe in him of whom they have not heard? and how shall they hear without a preacher? MM translation: How are we supposed to call on someOne that we didn't believe in and how we were supposed to believe in Him when we didn't even hear of Him and how we are supposed to hear of Him when no preacher came along to tell us about Him and how is a preacher supposed to come along except somebody should have sent him and God should have done that. HOW THEN: Takes you back to what you got in the previous verse - FOR WHOSOEVER SHALL CALL UPON THE NAME OF THE LORD SHALL BE SAVED-v13. Excuse: If we didn't believe that He was the Christ, why should we call on Him? HOW THEN SHALL THEY CALL ON HIM IN WHOM THEY HAVE NOT BELIEVED: Excuse: It's not our fault that we didn't call on Him because we haven't heard of them. Not going to hold water. Reply: It is your fault you didn't believe in Him. HOW SHALL THEY BELIEVE IN HIM OF WHOM THEY HAVE NOT HEARD: Excuse: It's not our fault that we didn't believe Him becuase we didn't hear of Him. HOW SHALL THEY HEAR WITHOUT A PREACHER: Excuse: It's not our fault we didn't hear about Him, there was nobody preaching about Him. Somebody had to send a preacher and guess whose fault that is? God's. Continue to grasp for straws. Anything to excuse themselves. This is the excuse the Jew is giving for not calling on the Lord, it is NOT a call to the mission field. It is an excuse for why they didn't believe in Jesus. MM is not against the mission field, just saying use the verses that apply. You're holding us accountable for God's failure to do His part.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 10:15		15 And how shall they preach, except they be sent? as it is written, How beautiful are the feet of them that preach the gospel of peace, and bring glad tidings of good things! MM translation: If we had only heard about Him we would have surely believed it. Paul is the one writing it but he is anticipating what they are thinking. He is putting words in their mouth and setting them up. He wants them to say YES. AND HOW SHALL THEY PREACH, EXCEPT THEY BE SENT: They're saying You didn't send anybody. Like didn't send any apostles. MM said Jesus gathered 12 of them. GH: Rejected what the prophets and the apostles told them. SENT: GH: MM not big on Greek or Hebrew words but Greek is apostlo which has a definition of 'sent one'. The definition of an apostle is a sent one. AS IT IS WRITTEN: Tells you we're going back to the O.T. - Isaiah 52. HOW BEAUTIFUL ARE THE FEET OF THEM THAT PREACH THE THE GOSPEL OF PEACE, AND BRING GLAD TIDINGS OF GOOD THINGS: Paul is answering the complaint that God didn't send a preacher. Isaiah is saying that there is going to be a preacher, there is going to be someone publishing glad tidings. MM says there are references all through your O.T. that talk about God is going to send someone with a message and it's going to be heard. So that repsonsibility at the end, that God didn't send anybody or they didn't preach or you didn't hear it. **God sent plenty, but you killed them (prophets) and persecuted them (apostles). Problem was you didn't believe it and that's going to be on you**. That's the way this comes back to Romans 10. GLAD TIDINGS: Good news or gospel. MM pointing us to all the FAME verses and Paul is saying 'you've never heard of Him? Really?'
Romans 10:16		16 But they have not all obeyed the gospel. For Esaias saith, Lord, who hath believed our report? Next objection - well, He sent some guys but not everybody heard. MM says there wasn't anybody that didn't hear. WHO HATH BELIEVED OUR REPORT: The problem isn't that they all didn't hear it, the problem is they all didn't believe it. Paul quoting Isaiah 53:1. Paul is saying, this thing was told to you.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 10:17		17 So then faith cometh by hearing, and hearing by the word of God. Paul explains why they rejected the message in Isaiah's day and in Jesus' day as well. FAITH COMETH BY HEARING, AND HEARING BY THE WORD OF GOD: God has put a process in place whereby people will be saved when this happens. This is how the heart is opened up (Acts 16:13-14). MM says this is the righteousness which is of faith. Ultimately, what your faith is in is what you are told in this Book. The law told them they needed this righteousness, but it could never produce it for them because they couldn't keep it. But now Paul is coming along and talkng about a righteousness that they can get and that righteousness is solely by faith in Jesus Christ. MM says when it comes to Paul bringing this message up, the Jew doesn't want to take responsibility for winding up in the condition they are in. MM says what is taught today is religion just like what Israel had and when Christ came that was supposed to be something different. Parallel with Sonship. GH: EX We earnestly desire for the Blessed Hope because on this day our FAITH and HOPE give way to 'sight'. FAITH COMETH BY HEARING HEARING BY THE WORD OF GOD You have faith that this body is going to be redeemed because the word told you.
Romans 10:19-21		Paul is telling us exactly when God is interupting His program with Israel. He didn't interupt it when John the Baptist came, He didn't interupt it when Jesus was in His earthly ministry, He didn't interupt it at the Cross, He didn't interupt at the extension of mercy, He interupted it AFTER that year's extension of mercy. Paul quotes Isaiah 65:1-2.
Romans 10:19		19 But I say, Did not Israel know? First Moses saith, I will provoke you to jealousy by them that are no people, and by a foolish nation I will anger you. PROVOKE YOU TO JEALOUSLY: God was using Israel’s things (Paul's signs & wonders to authenticate his message) to provoke them to jealousy. But miraculous interventions only confirm the truth for those with honesty of heart. For everyone else, it hardens their heart. Parting the Red Sea did not edify the nation of Israel. They whine and complain about not being back in Egypt, they make a golden calf when Moses is out of sight, and they worship the gods of the Babylonians. Miraculous interventions will not edify us either. NO PEOPLE: GH: Not God's people Israel - Gentiles.
Romans 11		Don't jump over/bypass the main issue that will hinder your Sonship education. MM says at the end, Paul is going to kind of bring it back to the DOGG in Chapter 11. He's not going to give you all the details of it, get that in the curriculum, but he is going to lay a foundation. You have two things going on that are happening at the same time: 1. The diminishing/shutting down of the little flock 2. The rise of the Gentiles Will be clear that God has not cast His people away. That's a different issue. When you cast something away, it's like you have something and you are through with it and you throw it to the side and you are not going to pick it back up. You've thrown it away. God is not going to never deal with them. He has stopped their program and it will stay stopped for as long as the DOGG goes. But will start that back up when the DOGG ends. Paul will talk about our place in the midst of all of this.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 11		Romans 11: - v1-10: Israel's PRESENT state/condition/status. - v11-29: Israel's FUTURE state/condition/status. - v30-36: How we view things now, this dispensation of grace. Talks about the way we are supposed to think about this dispensation. How we are supposed to view the things we are being shown here. Recap: - We acknowledge that there's been a dispensational change. - We understand what God has done with Israel. They have had a change in status and they are now accursed from Christ. - Not thinking any of Paul's 'GOD FORBID' thoughts: God has cast away His people forever. - If you are thinking like Paul is thinking you have MUTUAL FAITH-Romans 1:12 with him.
Romans 11	GH: GPPI verse	Even Paul bears witness to the fact that God has not cast away His people forever. Paul testifies that God will one day resume His program with Israel. v1: GH: Of course not. v11: SALVATION IS COME UNTO THE GENTILES, FOR TO PROVOKE THEM TO JEALOUSY: Where we are in this passage. That's us. v12: THE FALL OF THEM BE THE RICHES OF THE WORLD: When God stopped His program with Israel and said I AM going to offer to Gentiles that used to be strangers from the covenants of promise, without hope and without God in the world. I AM offering the grace to come in. v12: THEIR FULNESS: v23: SHALL BE GRAFTED IN: He stopped their program. They're blinded in part, but when that program is over, He will graft them back in. The people He said were not His people are now going to be My people. GH: More ties to Hosea 1.
Romans 11	GH: GPPI verse	v26-27: This is what He is going to do. Point: What we're talking about is not God replacing Israel, replacement theology, which says the church has replaced Israel. Not true. Paul says they got put on hold, this has become a great thing for you Gentiles, when this is over, God is grafting them back in. And you're going to see this remnant become that people that God intended them to be. v26: ISRAEL SHALL BE SAVED: v27: THIS IS MY COVENANT: v27: TAKE AWAY THEIR SINS:

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 11	GH: IPF verse	Discover the God has put all of His dealings with His people temporarily on hold until He completes this new thing that He is doing in the DOGG. Those who were under Israel's program (such as the apostle John) and were part of the "little flock," were not automatically transferred into the One New Man after Paul came on the scene. They were part of Israel's program and their position would not change. They may have lived into the beginning years of the dispensation of grace, but they were not part of the church, the body of Christ. They received the "gift of the Holy Ghost" but they did not receive "all spiritual blessings in Christ." They believed the preaching of the kingdom. They were promised a resurrection but not a glorified body. As part of the Israel program, they were connected with God's purpose for this earth and not with His purpose for the heavenly places as in the Mystery Program. v5: THE REMNANT: The 'diminishing' remnant living in the beginning of the DOGG. v6: Grace and works are mutually exclusive and therefore cannot be combined in a single justification. How we know there are two justifications for Israel. Grace and works exclude each other, they nullify each other. v9: LET THEIR TABLE BE MADE A SNARE: Paul quotes LET THEIR TABLE BECOME A SNARE-Psalm 69:22. The old table is now a "snare" and a "trap" to the apostate nation. The table be made a snare is associated with a Covenant that waxed old and has been replaced and has vanished away and God has given them a new one.
Romans 11	GH: IPF verse	v9: THEIR: Talking about them, the nation of Israel, not us. v9: TABLE: Not the Lord's Table. See Exodus 25:30. The table with the shew bread and the (Old) Covenant that provided for it. If you are going to practice the things in connection with the Old Covenant, that is going to be a stumbling block and a snare and a trap for you. v9: A RECOMPENSE UNTO THEM: Something they deserve. v11: THEY STUMBLED, THAT THEY SHOULD FALL: Talking about Israel. Historical account in Acts 9 - 28. v11: THROUGH THEIR FALL, SALVATION HAS COME UNTO THE GENTILES: With Israel's rejection of the Spirit in Acts 1 - 7, God brings in the DOGG. v11: TO PROVOKE THEM TO JEALOUSLY: This DOGG does provoke them to jealousy. v12: HOW MUCH MORE THEIR FULNESS: There is going to be a FULNESS for Israel after their program is resumed and they're set up in their kingdom and the nation is purged. Happens when He sets up His Kingdom and they are made the head of all nations, when salvation and blessing come to the Gentiles through the agency of Israel. In this DOGG, our salvation and blessing comes outside or apart of the agency of Israel.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 11	GH: IPF verse	v12: They are fallen, diminishing, and then made full. v12: THE FALL OF THEM: See the interruption/suspension of the program with Israel. Not a permanent position for Israel. Corrects Covenant Theology that says Israel is fallen and God is through with them and we the church are the assumers of their program, covenants, and promises. Paul makes it clear this is not the case. v12: THE DIMINISHING OF THEM: Comes in as those who are part of the “little flock” outlived their program. As long as some members of the little flock lived, there was a diminishing concept at work. No one else was being added to their number (the little flock) in the dispensation of grace. They are living into the DOGG even though their program was put on hold. Are not going to make it in the body of Christ. MM says Peter, James, and John were not promised a glorified body and are not believers in the gospel of the grace of God. They are still apostles to Israel, the Circumcision, particularly the little flock. The DIMINISHING is the little flock, they die off over time. Still part of the Circumcision, still obeying the law, still doing everything they were already doing but doing it in the grace age. They are out here in the DOGG and have no program. They continue to practice the rituals of the law. That's what they know. They continue to believe the gospel of the kingdom. Peter even talks about this in his epistles, that this is the reason things are not progressing like you thought they would, because this is what's happening. He explains that God through the apostle Paul has put in a parenthesis between where they were and where they eventually are going to be. Then he tells them what to do in the mean time. Peter, James, and John are never going to be part of the body of Christ and they are never going to function in the heavenly places.
Romans 11	GH: IPF verse	v12: THEIR (Israel's) FULLNESS: The revival of their program and the subsequent setting up of the kingdom of heaven on the earth. He is purging out the apostate nation and refining a people unto Himself. . He acknowledges their fall, so his point is that they will not remain in that condition. Eventually, at the end of the Dispensation of Grace, God will resume His program with His people, Israel. Paul uses the analogy of the natural branches (Israel) being broken off and the Gentiles (wild olive tree branches-v17) grafted in. Then he says that there is coming a day when God will graft the natural branches (Israel) back in again. He is also saying don't get lifted up because you replaced the natural branches, because you are going to be taken out and the natural branches are going to get grafted back in again because God is not through with them. v22: ON THEM WHICH FELL: The Fallen. v22: IF THOU CONTINUE IN HIS GOODNESS: Not talking about losing your salvation. Talking about this program. v??: As long as we are doing what we are supposed to do - carrying that word of reconciliation and publishing the manifold wisdom of God and the world is receiving that message, this dispensation will continue. When that stops, there's no reason to continue this program anymore. Then God will bring this DOGG to a close, the BLESSED HOPE-Titus 2:13 will take us out, and then because He was already standing, the Lamb will go then and open the first seal on the seven seal book and start the day of wrath. v23: SHALL BE GRAFTED IN:

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 11	GH: IPF verse	v23: GOD IS ABLE TO GRAFT THEM AGAIN: MM says this recants covenant theology, which says the church, the body of Christ, is the replacement for Israel and we get their promises and covenants and all that. That the church has replaced Israel. That's replacement theology or covenant theology. That's not true because God is going to take the natural branches and graft them back into their own olive tree. When He does, this dispensation will be over. v24: The people that He started with are the people that He is going to wind up with when He completes this program. v24: HOW MUCH MORE SHALL THESE: v24: BE GRAFTED ITNO THEIR OWN OLIVE TREE?: v25: BLINDNESS IN PART IS HAPPENED TO ISRAEL, UNTIL THE FULNESS OF THE GENTILES BE COME IN: v25: FULLNESS: Has to do with us discharging our ambassadorship and the world receiving the message that we give. v26: ALL ISRAEL SHALL BE SAVED: v27: FOR THIS IS MY COVENANT UNTO THEM:
Romans 11:1-29		Dispensational Change Part/Section 4 of 5: Israel's PRESENT state and FUTURE state.
Romans 11:1-25		Answering the question around the ending of the DOGG. Paul sets forth the illustration of an olive tree. The natural branches are Israelites. There came a time when God broke off the natural branches and grafted in the Gentiles because when God temporarily interrupted His prophetic program, He broke off some of the natural branches (unsaved Israel). We might think that God broke them off to make an opportunity for the Gentiles. Well, that is WHAT happened, but that is not WHY it happened. - Olive branches grafted in are Gentiles in the DOGG. By being grafted into the tree, Gentiles had an opportunity to be saved but doesn't mean that they are saved. If they exercise faith, they became part of the body of Christ. - The Tree of God's Goodness is the opportunity to have access to God by faith. - The broken off branches are the unbelieving Israelites. - The 'root of Jesse' is Jesus Christ.
Romans 11:1-6		God has not cast Israel away forever and why.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 11:1		1 I say then, Hath God cast away his people? God forbid. For I also am an Israelite, of the seed of Abraham, of the tribe of Benjamin. HATH GOD CAST AWAY HIS PEOPLE: When Paul asks this question, he is talking about Israel's PRESENT state. Paul's answer is GOD FORBID. Undos the idea that God is through with Israel or that we've somehow replaced Israel. CAST AWAY: Is a phrase to describe something that you are through with and have no use of. If there is something you are going to use in the future, you don't throw it away. You hang onto it. GOD FORBID: That you should even think that. FOR I ALSO AM AN ISRAELITE, OF THE SEED OF ABRAHAM, OF THE TRIBE OF BENJAMIN: Following this denial, Paul gives the reason why. His argument why God is not finished with Israel. MM says that's the response he expected, using himself as an answer for this. If God was all through with Israel and He has cast them away forever, then why would He use Paul, an Israelite, as the apostle to the Gentiles. Why wouldn't He just raise up a Gentile? Paul is saying God can still deal with an individual Israelite just like He deals with an individual Gentile today. Giving us the idea that because God interupted that program, He can come back and restart that program. He can.
Romans 11:2		2 God hath not cast away his people which he foreknew. Wot ye not what the scripture saith of Elias? how he maketh intercession to God against Israel saying, GH: Killing the idea that God is so mad with Israel and He can't do anything with them so He has thrown them away. HIS PEOPLE WHICH HE FOREKNEW FOREKNEW: God knew how His people were going to respond. The prophets wrote about a remnant so God knew all about that. He knew exactly how this was going to go. WOT YE NOT WHAT THE SCRIPTURE SAITH OF ELIAS WOT YE NOT WHAT THE SCRIPTURE SAITH: Paul is pointing them back to the scriptures. WOT YE NOT: Another way of saying, 'Don't you know?' ELIAS: Elijah HE MAKETH INTERCESSION TO GOD AGAINST ISRAEL: He didn't say 'for' ISRAEL, he says AGAINST ISRAEL. Elijah did make an intercession AGAINST Israel.
Romans 11:3		3 Lord, they have killed thy prophets, and digged down thine altars; and I am left alone, and they seek my life. The indictment against Israel. They have done everything against You that they could possibly do, MM says with a tear in Elijah's voice, I'm the only one left and they are trying to kill me. God has an answer for this and Paul is reminding them of this. Being a Gentile is no longer a disadvantage as we now have our own apostle and message.
Romans 11:4		4 But what saith the answer of God unto him? I have reserved to myself seven thousand men, who have not bowed the knee to the image of Baal. Paul quoting 1 Kings 19:18. MM says in the same way that Elijah is thinking about himself, God is thinking about His people.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 11:5		5 Even so then at this present time also there is a remnant according to the election of grace. The response to GOD has CAST AWAY HIS PEOPLE is God always has a remnant. I can't throw them away for if I throw them away and never come back to them, I have thrown the remnant away with them. When God interupted their program, there was a remnant. **Remnant examples**: - 12 spies went into the land, 10 came back with bad reports and Caleb and Joshua were the remnant. - Carried away to Babylon, there were Daniel and his 3 boys. They were faithful but they were a remnant. - There was a remnant during Jesus' earthly ministry. Not everybody aposticized and God will use a remnant. EVEN SO REMNANT ACCORDING TO THE ELECTION OF GRACE: MM says hasn't this always been the case. ELECTION OF GRACE: Those who have called on Him who have believed. That's the remnant. Remember, faith cometh by hearing and hearing by the word of God.
Romans 11:6	Grace facet/definition: As a free gift; not earned or by merit	6 And if by grace, then is it no more of works: otherwise grace is no more grace. But if it be of works, then it is no more grace: otherwise work is no more work. Companion verse is Romans 4:4. Grace and works are mutually exclusive and cannot be combined. Why 'grace + works' can't be the means for salvation in any dispensation. Know that grace and works are incompatible. You can't put them together. It's impossible to do that. Because if you have to work for it, it is no longer grace. And if it is grace, you can't work for it. If it is a free gift, there's no way for you to earn it. And if you have to earn it, there's no way that it's a free gift. Means you don't deserve it and you don't earn it.
Romans 11:7-10		God has blinded Israel.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 11:7-8		This is the message that Paul is giving to the Jews to tell them your program has been interrupted and until the fulness of the Gentiles be come in, that program is not going to resume. He uses the term blindness over and over again. Paul is saying just as unbelief didn't allow them to enter back there (Deuteronomy 29), that is the reason that your program has been interupted and your blindness has been put back on again. It is because of unbelief again. Same issue...they didn't enter into My Rest back then and here's an opportunity for the kingdom again and they're not going to enter into that kingdom again, they're going back under blindness. Paul is teaching them that during this DOGG they will not be hearing or seeing the things of their kingdom. The signs and wonders that Paul performs at the start of the DOGG are NOT signs of the kingdom and his message is not that the kingdom is at hand, his message is the gospel of Christ, the gospel that concerns the DBR of Jesus Christ. Paul is making this analogy between what happened to them before to what has happened to them now. He is saying just as this was true back then, this is true here now. Paul is going to say, you stumbled once again, you had an opportunity once again and through unbelief you stumbled at this opportunity. You are not going to hear and see the things concerning your kingdom. Therefore, in the DOGG none of that is happening for them. Today, it would not be pleasing to God at all for anyone to be preaching about the kingdom because that is not what God is doing today. Blindness is not about Jews not receiving Jesus as their Savior and understanding the gospel of the grace of God. That's not what this blindness is about. It's not seeing and hearing the things that pertain to their kingdom. There is no opportunity for the kingdom on the table for Israel today. MM says that has been cleared off and God has reset the table with something entirely different. He is not doing that program with Israel anymore and that's the blindness and the darkness that's being talked about in the scripture. GH: Blindness happens after the extension of mercy.
Romans 11:7		7 What then? Israel hath not obtained that which he seeketh for; but the election hath obtained it, and the rest were blinded. There are two groups being spoken of here: 1. ISRAEL HATH NOT OBTAINED THAT WHICH HE SEEKETH FOR: Group that didn't get it - the rest. 2. BUT THE ELECTION HATH OBTAINED IT: Group that got it - the remnant. THE REST WERE BLINDED: The main component, not the only one, but the main component of the position of being ACCURSED FROM CHRIST-Romans 9:3 is that you are blinded. Not that you can't see with your eyes, but again, two kinds of blindness: 1. Spiritual blindness - you hear it but you don't get it. 2. Other aspect of the blindness is not that your physical eyes can't see, it's that they won't be given the opportunity to see
Romans 11:7		7 What then? Israel hath not obtained that which he seeketh for; but the election hath obtained it, and the rest were blinded. There were things the Jews were looking for and because you are blinded, you are not going to see that anymore. In this DOGG, they don't see it. They can't see it. There is nothing for them to look at and say oh, here's what God is doing. It's not their program. It's not working in that way. WHAT THEN: In view of what he just said, WHAT THEN? We have seen this phraseology before. There's the remnant and then there's the REST. The remnant is that which HATH OBTAINED (GH: Remnant=THE ELECTION). BLINDED: Is the main component. Part of the consequences of being part of the apostate nation.

Romans 11:8		8 (According as it is written, God hath given them the spirit of slumber, eyes that they should not see, and ears that they should not hear;) unto this day. Paul quoting from Deutereonomy 29:4. There's something that happened with Israel in the past that he's going to call to their rememberance. He's going to show them what God has done with them in the DOGG is not really too much different from what He has done with them in the past. By giving Israel that spirit of slumber and by putting a blindness on them, God is doing with them exactly what has happened to them before. In other words, God has done this in the past. Why He did it in the past is the same reason He has done it to them here. He is going to make a parallel issue here. No one can look at this and say how does God get the right to do this, God is actually able to do this and there's already been a precedent set for that. ACCORDING AS IT IS WRITTEN: Know there has been a previous time of Israel's stumbling a previous time of their blindness that came as a result of that stumbling. Recorded in Deuteronomy 29. **First stumbling took place as they were about to go into the promised land**. The children of Israel came out of Egypt, they camped at Mt. Sinai, they went under the law, and they journeyed right to the edge of the promised land. They chose a ruler from one of each of the 12 tribes. Those 12 men went into the land to scout out the land, like a reconnaissance team. They were supposed to go in and see how everything was, and the Lord told them to do that. See the geological lay of the land - mountain area, flat plain, etc.
Romans 11:8		8 (According as it is written, God hath given them the spirit of slumber, eyes that they should not see, and ears that they should not hear;) unto this day. They were supposed to scout out the people who were already living in that land. We're they dwelling in tents of cities behind walls? How they fortified themselves, how they were prepared to defend themselves. Supposed to gather this evidence and come back and report. Ten of the 12 reported that yes this is a land flowing with milk and honey but that whole land is full of giants and we are grasshoppers in their sight. They did not believe that God would be able to give them the land, their vote was to not go into the land because of their unbelief. Even though two said we can do it the majority held sway. When they decided they couldn't go in, they were affecting something that God was attempting to do with them and what He was going to do. GH: The purpose of the Abrahamic covenant. He promised Abraham's descendants a piece of land because they were the people that God is going to use to reconcile the earth to Himself. He wants to take them into that land, give them that land, and then He's going to pour out his blessing on them. He wants such things to be happening in that land that the rest of the nations around them would look at what was happening there and say there is no god like Israel's God. Look at what's happening to them? God was going to pour out on them such a blessing that everyone would sit up and take notice of what was happening there. Then He would send that message out to the nations of the world about the true and living God.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 11:8		8 (According as it is written, God hath given them the spirit of slumber, eyes that they should not see, and ears that they should not hear;) unto this day. The natural thing is, God is going to put them in a land and showcase them to the rest of the world and then send out a message and by that He would reconcile the world unto Himself. This will take place again out in the Kingdom after the day of wrath. When they came back instead of just reporting on that land and trusting God would do what He said He would do, GH: they didn't believe. He was building a track record - the plagues that fell on the Egyptians and not the Israelites, provided water for them in the wilderness, provided manna for them to eat, etc. These were all demonstrations of God's ability to do for His people what they could not do for themselves. That's why He brought them out of Egypt with a mighty arm because He was showing I can overcome your enemies, I can protect you, and all of those Jehovah compound names were indicators of the things that God would do for them. When they balked at going into the promised land, they were balking at the establishment of the kingdom and what God had been doing with them up to that time, is preparing them to go into the land and get that kingdom established and then send that message out, carrying that message of God's kingdom out to the whole world. That is what God wanted to do with them and that is what they balked at. They just couldn't get that done. Paul is bringing this up in their thinking because there's a similar issue that Paul is going to bring up. Because what has happened to Israel that has resulted in the condition they're in today in the DOGG and he is going to use it to show the blinding that they are under now is just like the blinding they were under before. Also, the reason they are under that blinding is the exact same reason they they were under that blinding before. They stumbled the first chance to go into the land and they stumbled at Acts 1-7. Because of their unbelief, God put a blindness on the nation. The blindness is with regard to that kingdom. They are no longer going to hear the things about their kingdom, they are no longer going to see the things concerning their kingdom. When they go into the land after Deuteronomy, they are not going in with the idea that God is going to establish His kingdom with Him. GH: This is going to be very different than it would have been had they believed initially.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 11:8		8 (According as it is written, God hath given them the spirit of slumber, eyes that they should not see, and ears that they should not hear;) unto this day. There are things that are no longer able to be seen and there are things that are no longer able to be heard. GH: No longer hear the gospel of the Kingdom preached. Today, even the churches that don't understand grace, preach the Cross and not the kingdom. GOD HATH GIVEN THEM THE SPIRIT OF SLUMBER, EYES THAT THEY SHOULD NOT SEE, AND EARS THAT THEY SHOULD NOT HEAR: Quoting Moses in the O.T. - from Deuteronomy. They came out of Egypt, received the law, were going to go into the land, sent in the 12 spies, 10 of 12 came back with a bad report, etc. The first time they heard about the kingdom and that they were going to go into that land, they said there were giants in that land and they were like grasshoppers. God looks at that unbelief, and in His anger says 'You will not enter into My Rest'. That rest referred to the kingdom. POINT: They stumbled at the preaching of a kingdom and instead of believing God, instead of going in, they balked. Then, Moses quotes this to them. They will no longer see the signs that point toward the kingdom and they are no longer going to hear about that kingdom. 40 years are up and rather than going into the land, you have been blind and deaf unto this day. Moses tells them they are still in this condition, even when you go into the land now. Because you are going into the land, God is not fighting those battles for them. And they do lose some battles and they do get whipped. Things are not happening like they would have if they would have trusted God to do what they could have not done for them themselves and gone in initially.
Romans 11:8		8 (According as it is written, God hath given them the spirit of slumber, eyes that they should not see, and ears that they should not hear;) unto this day. They thought that they could produce it. There was a 'stumbling' that happened when they were first presented with the opportunity to establish the kingdom that God had promised them. They didn't believe and they balked at the promise of God so they were blinded and deaf from the 10 to 12 spies bad report to the time of John the Baptist when he and Jesus and the apostles preached the kingdom. They didn't stumble after the Cross. The stone didn't get laid down until after the Cross. Means the ROCK OF OFFENCE is in Acts during that extension of mercy. The nation stumbled over that ROCK OF OFFENCE and because you did, the same way you were blinded and deaf back there, you are now going to be blinded and deaf just like they did when they finally went into the land. The reason why God brought in the DOGG was that Israel stumbled at that ROCK OF OFFENCE. When Jesus showed up, preaching the gospel of the kingdom. During Jesus' ministry, preaching the gospel of the kingdom. During the interlude of mercy, preaching the gospel of the kingdom.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 11:8		8 (According as it is written, God hath given them the spirit of slumber, eyes that they should not see, and ears that they should not hear;) unto this day. THAT THEY SHOULD NOT SEE: Because you rejected (GH: the promise of God) you will be blinded and deaf for the time of the DOGG. Won't see a single sign about your kingdom. Everyone going around today talking about the signs is calling your apostle a liar. Paul said you would not see the signs or hear the gospel of the kingdom preached today. Paul is saying that God is not throwing them away forever, I still have something to do with them. There is still something that will be completed with them. The miracles that Paul is performing are not signs of the kingdom because his message is different. He is not preaching the kingdom. His message is God stopped your program and now He is working with Gentiles. They are not signs of the kingdom, they are signs that his message on the dispensational change is true. They are blinded from not only the things of their kingdom, they were blinded from what God was doing in this DOGG. Try to explain this to a lost Jew today, that God is working with Gentiles apart from the Jew. They are blinded to that. But if a guy gets saved, he sees it. He can hear it and he can see it.
Romans 11:9		9 And David saith, Let their table be made a snare, and a trap, and a stumblingblock, and a recompence unto them: Paul continues this (GH: blindness) comparison to show what happened to Israel during this DOGG. Paul quoting David in Psalm 69:22. The rejection of the thing that was meant for their good (GH: the extension of mercy/3 opportunities to repent) and should have been something they rejoiced over and was a benefit to the nation of Israel is not going to be something that is going to be disheartening, not just to those who are unsaved but for those members of the believing remnant. Because when God interupted that program, the kingdom is no longer at hand. Israel is no longer in the final stages of her program. If you were one of those members of the believing remnant that was alive one year after the Cross, here's what you realize. I no longer have an opportunity, the kingdom is no longer at hand, and you don't know how long this DOGG is going to run, you don't have any idea if this is going to resume in your lifetime or not. Looking back, we know that this DOGG has run for 2,000 years. It was bad news for those who were lost because the outworking of God's program with Israel didn't take place, but especially for the believing remnant. A STUMBLINGBLOCK: That which was for their benefit is now a stumbling block to them. STUMBLINGBLOCK: GH: Ties to the STUMBLINGSTONE in Romans 9.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 11:10		10 Let their eyes be darkened, that they may not see, and bow down their back alway. Paul is quoting David in Psalm 69:23. LET THEIR EYES BE DARKENED: Talking with respect to their program. Israel is no longer seeing the things of their program. Recap: 1. They don't see what God is doing today with Gentiles, but the real darkening of their seeing is, they don't see the things of their program being accomplished anymore. 2. They don't see those prophecies being fulfilled, no matter what someone tells you on their TV or radio program. 3. They do not see the things of their kingdom, the signs of their kingdom are not being produced today in the DOGG and it will continue till God brings the DOGG to a close. AND BOW DOWN THEIR BACK ALWAY: Means all the way down. MM says if someone is bowing down their back you get the idea of a heavy load or heavy burden being placed on them. MM says this is where their apostacy has brought them. That is there recompense, that's their compensation for their unbelief. ALWAY: Doesn't mean all the time, it means to the fullest extent.
Romans 11:11-24		Israel's fall is not permanent and why.
Romans 11:11-12		Context is what happened to Israel and their program. Paul knows you have come through the Book of Acts. He gives you 4 words - **How Paul presents right division** in Romans (Romans 11:11-12): 1. Stumbling: Crucified Jesus and missed 3 opportunities during the 1-year extension of mercy. 2. Fall: Acts 7 and stoning of Stephen 3. Diminishing: Still a little flock. God has to come along and tell Peter and the remaining apostles you are not going to evangelize anymore the gospel of the kingdom, you are going to quit preaching it, and your churches are going to begin to shut down. Not part of the body of Christ, part of the little flock. There is no little flock anymore. MM says diminishing was genius on God's part. Hebrews-Revelation are Books written for the little flock when their program resumes. God says I AM going to have all those books written right here. Peter, James, John, and Jude write them. Because once the DOGG is over, they will already be in place. 4. Fulness In the Kingdom

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 11:11-12		Here's the 4 terms that describe everything that is going on in Romans 9-11. 1. v11: Stumble: They stumbled at not seeing Jesus as the Christ at the extension of mercy, which ended at the stoning of Stephen (Acts 7:54-56). 2. v11: Fall: At the end of Acts 7, the end result of the stumbling is the fall. That program comes to a stop. Doesn't mean that there are no members of the little flock still around, there are. And it doesn't means the apostles aren't still around, Peter's still there. There's things going on but as far as what God is going to do with His prophetic program with the nation of Israel, that has come to a grinding halt right here and that's the fall. 3. v12: Diminishing: Describing the gradual process in which God does several things: (1) He stops adding to the little flock. (2) ??? 4. v12: Fulness: Happens when they get the New Covenant. Has to be after the tribulation for that to take place.
Romans 11:11-12	GH: SIIP Verse	The time of Israel's fulness is yet to come; it is not going to be done during the dispensation of Gentile grace. Their program cannot resume until the BLESSED HOPE-Titus 2:13. If their fall has been riches and they're diminishing has been riches, how much more is it going to be when they're fulness gets here? Talking about it like it is yet future. When he asks HAVE THEY STUMBLED THAT THEY SHOULD FALL?, he is not asking have they stumbled. They have. He's asking "is Israel going to be now permanently cut off from the position that they held? Is God done with them? Is he through with them? Are they ever going to see the promises fulfilled that were made to them and the covenants; are they going to see those fulfilled?" Paul's answer God forbid! God is not through with Israel, so the point here is we are not Israel's replacement. We never have been, never intended to be. God is not finished with Israel. v11: THEY: Talking about Israel. v12: THE FALL: The interruption of Israel's program. v12: DIMINISHING OF THEM THE RICHES OF THE GENTILES: The DOGG. v12: HOW MUCH MORE THEIR FULLNESS: Doesn't come until the resumption of Israel's program.
Romans 11:11-12	GH: SIIP Verse	v12: THEIR FULLNESS: Is yet future. Consists of: * The brief period of time between THE BLESSED HOPE-Titus 2:13 and the start of the 5th installment * The final/5th installment in Israel's program * The time commonly referred to as the Tribulation or "time of Jacob's trouble" or 'Daniel's 70th week" * The fulfillment of all the covenants called for, which would include the remaining mandates of the Davidic Covenant * Includes the D and A mandates. - The deliverance mandate is part of Israel's fulness - The avengement mandate is part of Israel's fulness - The purging out of the rebellious element in the nation is part of Israel's fulness

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 11:11-12	GH: SIIP Verse	* The Lord's return at the Great and Terrible Day of the Lord (His 2nd Advent at the Armageddon Campaign) * The establishment of the millennial kingdom on the earth, with Israel functioning as that "kingdom of priests" and "holy nation," just as God said they would be. - the mandate of the King - the mandate of the Blesser Point: Their fulness is still yet to come; they have fallen already; they've been diminished already; but their fulness is still waiting.
Romans 11:11		11 I say then, Have they stumbled that they should fall? God forbid: but rather through their fall salvation is come unto the Gentiles, for to provoke them to jealousy. He is saying God isn't the one that is making them do that. When Paul is asking this question he has 2 things in mind: 1. Talking about the reason for their fall - what's the reason for the fall? The reason they fell is not because they stumbled. 2. This is not the way that God is going to leave them. Yes, they stumbled. Yes, they fell. God interupted their program but that's not going to be their permanent condition. That's going to change. God may have broken off the natural branches (Romans 11) and grafted in the wild olive branches (Gentiles). But God said don't get lifted up because there is going to be a day when I AM going to put the natural branches back in. STUMBLED: Took place during the extension of mercy. FALL: When God interupted the program. God didn't yank them out in a rapture. He allowed them to continue to live their life. When people are saved during the DOGG, they were not part of the believing remnant, if you were Jew or Gentile you were going to be part of the body of Christ. The believing remnant is alive for a while but eventually they die off. DIMINISHING: It's going away. MM says he used to read this verse and thought man if the Jews hadn't of rejected Him, we'd be in trouble. But this is not why God brought in this DOGG at all.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 11:11		11 I say then, Have they stumbled that they should fall? God forbid: but rather through their fall salvation is come unto the Gentiles, for to provoke them to jealousy. STUMBLED THAT THEY SHOULD FALL? GOD FORBID: The fall is not forever. FOR TO PROVOKE THEM TO JEALOUSY: Paul's ministry was supposed to provoke Israel to jealousy. But Satan has carefully crafted a counterfeit substitute that uses Israel's program/things of Israel to provoke Gentiles/believers to jealousy. So you have Gentiles going around, trying to be as Jewish as possible because they think that is the way to gain God's favor and be special. MM sees that and understands they do not know what God has done for them. Paul was supposed to provoke Israel to jealously, not the other way around - the observance of days, the rudiaments of the world - they were impressed with that and that looks really neat. People are enamored with Israel, saying I wish God dealt with me like Israel. MM says I don't. He was dealing with them in the physical signs and wonders because He was dealing with them as children. Their forgiveness was in line with them being under the law. Paul said Israel expected to save themselves by their own works. Paul follows up with a second GOD FORBID (other in v1) in the chapter. HAVE THEY STUMBLED THAT THEY SHOULD FALL: Paul is not saying they didn't stumble because he also said they stumbled. The issue is not did God set aside for Israel, He did. MM takes us back to the second objection in Romans 9. The only way He could be righteous is if He never came back and did anything with them.
Romans 11:11		11 I say then, Have they stumbled that they should fall? God forbid: but rather through their fall salvation is come unto the Gentiles, for to provoke them to jealousy. FALL...FALL: MM talking about the controversial nature found in this verse. Makes you wonder did they FALL or not? Seems to at first say they did not fall and then it says through their fall salvation has come to the Gentiles. To solve this issue, realize the FALL wasn't a permanent condition. Have to keep in mind that their FALL wasn't permanent. TO PROVOKE THEM TO JEALOUSLY: God was using Israel’s things (Paul's signs & wonders to authenticate his message) to provoke them to jealousy. But miraculous interventions only confirm the truth for those with honesty of heart. For everyone else, it hardens their heart. Parting the Red Sea did not edify the nation of Israel. They whine and complain about not being back in Egypt, they make a golden calf when Moses is out of sight, and they worship the gods of the Babylonians. Miraculous interventions will not edify us either. JEALOUSLY: You want someone to be jealous because you want them to pay attention because you don't want that to be over. And God is not through with Israel and He does intend to be working with them once again.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 11:11		11 I say then, Have they stumbled that they should fall? God forbid: but rather through their fall salvation is come unto the Gentiles, for to provoke them to jealousy. HAVE THEY STUMBLED THAT THEY SHOULD FALL: MM says this is 2 things: 1. The fall is not a result of the stumble. The reason why God interupted His program is not because they stumbled. They did stumble but He didn't bring about their fall because they stumbled. MM says the majority of the nation when the program resumes will continue to reject Him. The world and Israel had come to a place where if He didn't interrupt that program and bring the world into a position of being reconciled unto Him, Daniel's 70th week is the only thing left staring at them. God says instead of pouring out My Wrath on them which in this program I AM bound to do and substantiated by His own prophets, there is something I MADE a provision for at the Cross that no one knew about. That I could suspend this program and bring the world into a whole new status based on something My Son did on the Cross. Now the world can be reconciled unto Me as long as I want to do it. RATHER THROUGH THEIR FALL SALVATION IS COME UNTO THE GENTILES: Salvation has come to a people that once were WITHOUT GOD and FAR OFF. 2. The condition that Israel now finds themselves in is not permanent. Their FALLing condition is not going to be that was forever. Paul says that through Israel's (talking about the nation) fall, salvation is come to the Gentiles. Israel lost their privileged status and now they are down with the Gentiles. And what we need to know is that after Israel's fall, Paul will use "Gentiles" to describe any lost person regardless of their being a Jew or non-Jew (Gentile).
Romans 11:12		12 Now if the fall of them be the riches of the world, and the diminishing of them the riches of the Gentiles; how much more their fulness? IF THE FALL OF THEM BE THE RICHES OF THE WORLD: Before, Gentiles were in a terrible condition. Not only Gentiles, but the apostate nation. This is because of grace. Paul was a beneficiary of Israel's fall. THEM: Israel. THE DIMINISHING OF THEM THE RICHES OF THE GENTILES: Because as Israel is DIMINISHING, GH: the DOGG is rising. HOW MUCH MORE THEIR FULNESS: You are richer today because of Israel's fall and diminishing. Paul is saying, when they reach their FULNESS, there's going to be even more riches. God is saying if through their fall someone received riches and through their diminishing after the fall someone received riches, can you imagine the riches that you will have when God allows them to reach their fulness. He is not saying you are going to get riches in Israel's program. What he is saying is Israel, coming to their fulness in God's plan and purpose with them is actually going to contribute to your riches. How? God is going to take the things of the earth and the things in heaven and bring them together into Jesus Christ. This makes you richer because it does things you could never do if you just reclaimed the heavenly places. HOW MUCH MORE THEIR FULNESS: In the AGES TO COME.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 11:12		12 Now if the fall of them be the riches of the world, and the diminishing of them the riches of the Gentiles; how much more their fulness? THEIR FULNESS: The same people who fell are the same people who are going to be brought to fulness. When he talks about FULNESS he is not saying your conditions are going to improve a little bit over how it is now, he's talking about taking all of the promises and all of the covenants and bringing them to pass. That's their FULNESS. Israel's FULNESS will come to pass when all 5 mandates of the Davidic covenant have been performed by them. FULNESS: In the Kingdom.
Romans 11:13		13 For I speak to you Gentiles, inasmuch as I am the apostle of the Gentiles, I magnify mine office: Paul says I am the apostle to the Gentiles. Paul's our guy for us Gentiles living in this time. I SPEAK TO YOU GENTILES: The word “speech” is kin to “speak.” There is even a subtle difference in “talking” and “giving a talk” where one has a more official capacity to it. I AM THE APOSTLE OF THE GENTILES: Paul is God’s spokesman for this DOGG. He is the authority. All throughout the Bible, God has a spokesman and in the DOGG that is Paul. THE APOSTLE OF THE GENTILES: Paul, like the original Twelve, was appointed to the office of apostle by the Lord Jesus Christ, Himself. I MAGNIFY MINE OFFICE: This is what Paul was doing. There were a lot of people who didn't want to believe that Paul was a genuine apostle so God, during that JEW FIRST ministry, gave him all the signs of an apostle. He performed every kind of work that any apostle ever performed and he was magnifying his office so that he would be seen for exactly what he was.
Romans 11:13	GH: GPPI/EoM verse	13 For I speak to you Gentiles, inasmuch as I am the apostle of the Gentiles, I magnify mine office: According to this verse, if you are a Gentile, Paul is your apostle. I AM THE APOSTLE OF THE GENTILES: Paul testifies that God has called him to be the apostle to the Gentiles. I MAGNIFY MINE OFFICE: God has Paul “magnify his office” so that the focus would be on the great dispensational change that had taken place when God temporarily set aside His program with Israel and introduced the mystery program.
Romans 11:13	Non-MBI	KB: Paul is the apostle of the Gentiles. A distinct and special office. He is our apostle as members of the nations. Paul is our apostle from God today.
Romans 11:14		14 If by any means I may provoke to emulation them which are my flesh, and might save some of them. PROVOKE TO EMULATION: Paul is taking the same PROVOKE THEM TO JEALOUSLY and following up on it here. MM uses the old boyfriend illustration again. MY FLESH: Israel AND MIGHT SAVE SOME OF THEM

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 11:15		15 For if the casting away of them be the reconciling of the world, what shall the receiving of them be, but life from the dead? The same ones that got cast away are the same ones He is going to receive again. Same as 'they didn't stumble, they did stumble' earlier in the chapter. Now 'He didn't cast them away, now He did cast them away'. You got the same answer again. v1 is a permenant casting away. v15, He did cast them away. Problem is people read this and say the Bible contradicted itself. They don't understand that the very same word or phrase can be used to describe 2 different things. MM says standardizing terms is dangerous. **In order to give the world an opportunity to be reconciled, God had to have His people fall, that program had to be interupted because if it wasn't, reconciliation wasn't on the table it was IMPUTING THEIR TRESSPASSES UNTO THEM-2 Corinthians 5:19. This is the opportunity to be reconciled.** IF THE CASTING AWAY OF THEM BE THE RECONCILING OF THE WORLD, WHAT SHALL THE RECEIVING OF THEM BE, BUT LIFE FROM THE DEAD: Paul is an Israelite, make no mistake about it. IF THE CASTING AWAY OF THEM BE THE RECONCILING OF THE WORLD: WHAT SHALL THE RECEIVING OF THEM BE, BUT LIFE FROM THE DEAD: THE CASTING AWAY OF THEM BE THE RECONCILING OF THE WORLD: Didn't we see in HATH GOD CAST AWAY HIS PEOPLE? GOD FORBID-v1?
Romans 11:15		15 For if the casting away of them be the reconciling of the world, what shall the receiving of them be, but life from the dead? THE CASTING AWAY OF THEM BE THE RECONCILIATION OF THE WORLD: Paul said “the casting away of Israel (the temporary cessation and abeyance of the prophetic program) be “the reconciling of the world.” What happened when Israel fell, when Israel was “cast away,” when God interrupted their prophetic program and set it aside? Saul of Tarsus got saved, the body of Christ was formed, the DoGG began; the start of the mystery, the tearing down of the middle wall of partition – all of those things began to take place when Israel was “cast away.” Saying the temporary ceasing of their program and God beginning to work with Gentiles would be the reconciling of the world. Stumble: Christ Fall: Suspension of their program CAST(ING) AWAY: MM says at least 3 ways to look at this: 1. Like a piece of trash that you are getting rid of permanently. CASTING AWAY: He's not dealing with them anymore. Haven't been cast away permanently, that's Covenant Theology.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 11:15		15 For if the casting away of them be the reconciling of the world, what shall the receiving of them be, but life from the dead? 2. When you are on a ship and the ship goes down and you make it to an island you are CAST AWAY. Means you are isolated from which you previously had access to. 3 Crabb's Cast Away - the idea of putting aside or laying from one's self. MM says that God has put aside Israel. THE RECONCILIING OF THE WORLD: Talking about interuption of the Israel program and the WORD OF RECONCILATION-2 Corinthians 5:19. When He brings in a DOGG, suspends His program with Israel, and breaks down that middle wall of partition, He now deals with Jew and Gentile on the same level. Now, He is giving ever individual an opportunity to be reconciled to Him. WHAT SHALL THE RECEIVING OF THEM BE: How you know that CAST AWAY is not a permanent condition? There is going to be a RECEIVING OF THEM. RECEIVING: Basically just the opposite of CAST AWAY. Means that they are going to come back.
Romans 11:16-24		MM calls these a complex set of verses. Two things are being set forth here: 1. God has already provided for Israel's restoration. 2. It is a very easy thing for Him to accomplish that. Said a better way, in restoring Israel, God can not only do it, He can do lots of things, He can justly and lawfully restore Israel without violating anything He has said before. He is just in doing it. Basic premise: God did something in the beginning that made something holy and everything that came from it was holy. God has a tree that He has declared to be set aside for Him and that makes it holy. It's going to have some branches that are supposed to produce fruit. Several things you could call the tree. - One is a tree of God's goodness. - This is the tree of special attention. - This is the tree of Him nurturing. - This is the tree of Him cultivating. - This is the tree of His grace.
Romans 11:16-24		It is not the tree working with the nation of Israel today. He broke off those branches. It doesn't matter what branch gets plugged into this tree, it is going to be a recipient of being part of the tree of God's special attention. He broke some branches off, and the branches from the scraggly, malnourished, insect eating wild olive tree, and He takes those branches and puts them into this tree. The wild tree represents Gentiles before the dispensational change. We were just out there on our own. Whatever is grafted into this tree is cared for, cultivated. These branches have a different status than these wild trees. Whatever branch plugs in there is going to get that goodness and get that special attention. Just because you are in that tree doesn't make the tree the body of Christ anymore than Israel being in that tree making Israel the tree. STORY: MM & Billie bought 3 apple trees that have 5 different kinds of apples on them. Branches from 5 different apples are grafted into the same tree. One branch is Johnathan apples, one is Gala, one is Red Delicious, one of them is Golden something. They will get the ability to bear fruit from the root.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 11:16		16 For if the firstfruit be holy, the lump is also holy: and if the root be holy, so are the branches. This whole aspect is about being HOLY - set apart. Doesn't mean righteous. God is setting apart something for His use. That's why the vessels that were in the Tabernacle were considered holy. They weren't to be used for anything else. GH: The words root and branches don't appear in the Penteteuch in the context of the feast days. God made the FIRSTFRUIT holy. When they waved the loaves before the Lord, those loaves were considered to be holy because they came from a LUMP of dough from which those loaves were made. PRINCIPLE: God did something that was considered to be holy and we are going to call that the root system (MM drawing a stick tree with roots and branches). - Because of what He produces, there is a tree here. - What comes from this ROOT manifests itself in the BRANCHES. - The BRANCHES are holy because the ROOT is holy. The BRANCHES are sustained and fed by the ROOT. God established this process by having you think that I AM the one that established the FIRSTFRUIT harvest and made it holy so everything that comes from that ROOT is also holy. So the LUMP of dough (GH: see wave offering and heave offering commentary) is holy and the TWO WAVE LOAVES are holy.
Romans 11:16		16 For if the firstfruit be holy, the lump is also holy: and if the root be holy, so are the branches. IF THE FIRSTFRUIT BE HOLY, THE LUMP IS ALSO HOLY: Those two loaves that were waved were holy because they came from a LUMP that was holy that the LUMP came from a FIRSTFRUIT that God declared holy. So everything that comes from that is holy. They are not holy because you baked them in your oven at home, they're holy because they ultimately come from the FIRSTFRUIT which God declared to be holy. IF THE ROOT BE HOLY, SO ARE THE BRANCHES: He switches from FIRSTFRUIT & LUMP to ROOT & BRANCHES. Paul is not really interested in teaching you about the feast day. The way he is saying it, he's assuming you already know some things about the feast day. What he is doing is he is putting a principle in motion that because of something God did at the start, everything that came from that had the benefit of what God did. In other words, if it was a holy convocation of FIRSTFRUITS, then the LUMP was holy, the wave loaves were holy, but they weren't holy because of what some man did, they were holy because of how it all came from what God did. You could make a spiritual application and say as you live your sanctified life out of your new identity GH: IN CHRIST, you are holy not because you are living out of the energy of your flesh, but you are living out of what your Father provided. If you are living out of what He provided, if the root is holy, then the branch is holy. FIRSTFRUIT: Identify as one of those feast days. LUMP: Only occurs 2x in the O.T. and both times a lump of figs. ROOT BRANCHES

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 11:17		17 And if some of the branches be broken off, and thou, being a wild olive tree, wert grafted in among them, and with them partakest of the root and fatness of the olive tree; Paul is establishing that God did something that was holy at the start and it went out to everything from that. Then he is going to say that some of these branches got broken off and then he is going to come along and say why did I do that? Paul has gone to a lot of trouble to tell you, don't ever think you're part of Israel, you are something completely different. BRANCHES BROKEN OFF: He has been talking about their new status of being ACCURSED FROM CHRIST-Romans 9:3 through unbelief. They have been set off in the wild and on their own. BRANCHES: That's Israel. Means the tree is NOT Israel because we have been grafted in. If the tree is Israel then you have been grafted into Israel.
Romans 11:17		17 And if some of the branches be broken off, and thou, being a wild olive tree, wert grafted in among them, and with them partakest of the root and fatness of the olive tree; THOU: Gentiles. Is an individual Gentile, not talking about the body of Christ. THEM (Israel). WILD OLIVE TREE: GH: Scrawny, not a lot of leaves. A wild tree is not being taken care of, it is just out there on its own. Nobody planted it or nurtured it or fenced it from all the things that would harm it. Nobody is watering it or fertilizing it, it's just wild. It's just happening all on its own. There is a tree and the root of it is established by God and from that root of this tree coming up are branches and there are branches that come off and the wellness of those branches depends on that root. This is the way it always works. POINT: The tree is not Israel. If you make this tree Israel you have just undone everything else Paul has done.
Romans 11:18		18 Boast not against the branches. But if thou boast, thou bearest not the root, but the root thee. BOAST NOT AGAINST THE BRANCHES: He's talking about the branches that were broken off. Don't boast against the branches that were broken off. **Don't get lifted up and say, Israel blew it and we are so good God just put us in there. We were not. We were a WILD OLIVE TREE**. Don't be thinking that they were so bad and you were so good. THOU BEAREST NOT THE ROOT, BUT THE ROOT THEE: You don't bear the root, the root bears you and if you become anything it is because of that root.
Romans 11:19-21		GH: He didn't break off the Israel branches for you, He broke off Israel branches because of unbelief. Don't get too cocky. It's a warning to not be lifted up with pride but it is actually more than that.
Romans 11:19		19 Thou wilt say then, The branches were broken off, that I might be grafted in. Is the warning the Paul gives to us Gentiles. They were broken off so you could be grafted in because God is not going to have both branches in there at the same time. THOU WILT SAY THEN: Paul is saying, let me guess what you, a Gentile, are going to say. THE BRANCHES WERE BROKEN OFF, THAT I MIGHT BE GRAFTED IN: MM says this is WHAT happened, but not WHY it happened. They say 'He quit working Israel so that He could work with us Gentiles' but that's not WHY.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 11:20-22		If you studied using a Biblical theology, when you came to things in the scriptures, it would be like a lightning bolt. Imagine not knowing anything ahead of time and then discovering the aspect of the mystery that we call the rapture. As we have come through the Sonship material, we have seen some things that have been WOW type things but almost have to see it through the lense of Sonship for the WOW impact to take place. Otherwise, you are just reading that verse with the old understanding/standpoint and it doesn't WOW you at all. v20-22 Nutshell/Evidence: Jesus died for all. God wants all to be saved. For everybody that's saved, He wants all to become sons and daughters. Don't have to ask to be a son but have to make the cry of ABBA FATHER to accept the invitation. If He wants everybody to become sons and daughters, then this (GH: God being arbitrary) doesn't work. Because if You stop it, you are doing something that is counter to what You have made clear that you want to do. God wants us to go all the way through the education if we will do it. MM says it doesn't make sense to take sons and daughters in the midst of that and say 'times up'. When nobodys coming in the Store of God's goodness anymore and participating in what He wants accomplished in this DOOG, then He's perfectly right and just to close the doors.
Romans 11:20-22		v20-22 Nutshell/Evidence (cont'd): If MM is right, the DOGG remaining open is on our shoulders. And if it is, is this not an issue to FEAR about. Because there are people that are depending on you that don't even know they are depending on you because you have this FEARful responsibility. This lines up with why this Sonship education is important and why we are involved in it. MM says what comes to his mind is this - we already know that our Father is going to put His Business into our hands in eternity. We will have real responsibilities in the creature. They are not small or insignificant to what He wants accomplished. If He is not just giving us the illusion of laboring with Him, they are real. If they are real, it really does matter if we can perform them or not. We will be given positions of such a nature and God has set it up this way that what God desires to see accomplished will depend upon us doing our jobs. What we will do in the creature will not just be for show without any real substance to it. God has not made it so that if we fumble the ball, it won't make any difference because He'll come along and fix it Himself as if our part doesn't really impact the success of what He wants to Do. What MM is getting at is that we are an integral part of this from the beginning.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 11:20-22		v20-22 Nutshell/Evidence (cont'd): If MM is correct about what Paul is saying in v22, then what we're doing right now is Sonship practice for what comes later. If we are THINKing about this properly, then we realize that if God breaks off His program with the Gentiles it will be because we didn't do our job to CONTINUE IN HIS GOODNESS. That job is being sons and daughters in and continuing in the Sonship education. You can be in the education and just go through the motions and not really commit to it like we discussed back in SO - the 3-fold commitment: 1. Honest Attendance 2. Interactive Learning 3. Thee top priority - that's not enough. He can look at that and count that as nothing is going on. If He is going to put it in our hands up there, is it really that big of a stretch to say that we're going to do some apprenticeship type training and that He has put something in our hands down here. What we are doing down here, you don't have to be a FES to do, all you have to do is stay in the education as a son. The time He could break the program off and not violate what He's trying to do by grace or in an attempt to get sons and daughters is to wait until the the POE is successful in shutting Sonship down. Then the Father can look at and say, there's not many coming into the store anymore, I MIGHT as well close the doors or change the product and now we are going to do the Israel product. The way MM understands the passage forces the body of Christ to take responsibility for what God is seeking to accomplish here during the DOGG. No, we are not the authors of grace but we are partners with God in this thing. Better yet, we are SONS with what He is doing in this DOGG. God is not just going Maverick on us and we are just along for the ride. Just as He depended on His Son to do His part in Israel's program, He is depending on SONS to do their part in the mystery program. Honing these Sonship skills is part of our apprenticeship training - by continuing in that which HIS GOODNESS provides to us in this DOGG then God will continue to extend that Goodness.
Romans 11:20-22		v20-22 Nutshell/Evidence (cont'd): It's a privilege but a fearful privilege that God is putting the ball in our hands and trusting us to continue what He began with the apostle Paul. It started with Paul and now we are in God's goodness and will be in His goodness if we CONTINUE in that goodness. If we don't, OTHERWISE THOU ALSO SHALL BE CUT OFF. MM thought maybe he got this all wrong and if he did, what did he do to us - that God is kind of operating all on His own and He's not looking at what's been going on down here, He is just deciding. You will have thought your responsibility was more than it was. But MM says doesn't this run counter to what we have been trained as sons anyway? Think about the AGES TO COME and the WISE COUNSELS and the things He is going to put in our hands, this is not a stretch to MM. If MM is right, it is NOT be afraid because the DOGG is coming to an end because MM is not afraid of that. The fear will be it came to an end on his watch, that he would be part of the problem. If you don't think there is an external reason, you are saying God will just say, let's cut this off. MM knows that His Father is patient. 2,000 years of a DOGG to the Jewish mind is way too long. You need to get back to us. But to our Heavenly Father, if what He wants to see done is being done GH: then the DOGG will continue. The correct (GH: godly) thinking on our part should be that your continuance as a son or daughter is what makes this DOGG, the Father able to look at and say, let's CONTINUE this on. There was still a believing remnant when God broke off His program with Israel so it doesn't have to be every last one of them in unbelief.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 11:20		20 Well; because of unbelief they were broken off, and thou standest by faith. Be not highminded, but fear: BECAUSE OF UNBELIEF THEY WERE BROKEN OFF: What God did with Israel was not something arbitrary. He did it in response to something they were failing to do. (GH: MM showing why CONTINUE IN GOD'S GOODNESS means there will be something that triggers the end of the DOGG and not just God decides to end it.) Because they didn't believe, what God was trying to accomplish with His program with Israel, they were not cooperating with that and because of that, He interrupted that program. God did not break Israel off for no reason, He broke them off because of unbelief. He is responding to something when He does that. MM says he wrote 'Israel deserved to be broken off because of their unbelief' but then thought, no, they deserved the day of Wrath. Here's a bunch of Jews that had rejected Christ and instead of plunging them into the day of wrath, the tribulation, He brings in the DOGG. Those same Jews who rejected Jesus being the Messiah are going to get another chance under grace to be saved. MM says it's a mercy. MM not using the word mercy arbitrarily because it is about to show up 4x in 3 verses. The WHY God interrupted Israel's program. God cut off the natural branches because of Israel's unbelief. After everything God had done with the nation of Israel so many remained in unbelief, so, by interrupting the program, God cut off the natural branches and gave Gentiles an opportunity to be saved. THOU STANDEST BY FAITH: They got broken off because of unbelief but you stand by faith, you exhibited it, it plugged you in there. That's how you stand. That your standing is that faith that you exhibited. BE NOT HIGHMINDED, BUT FEAR: Here's another one of those exhortation warnings. GH: Similar to BOAST NOT AGAINST THE BRANCHES. There are more in here than these. We have a tendency to read right over these but don't make that mistake. Paul is saying in the next verses, you guys can get broken off too in unbelief for the same reason they got broken off, from unbelief. - Paul warns the Gentiles that if they are found to be in unbelief, God will break them off (by changing the program back to the prophetic program) and continue His work with the nation of Israel. Unbelief ends both programs. When Gentiles get to this point, God is perfectly just in withdrawing His offer of grace pulling out the body of Crist and resuming His program with the nation of Israel and it is all because of unbelief. That's going to be the key.
Romans 11:20		20 Well; because of unbelief they were broken off, and thou standest by faith. Be not highminded, but fear: They are in there for a particular reason because there is a danger that is the natural tendency of the way things are going to go. Paul is going to correct that danger. MM thinks these are the **2 aspects we ought to fear**: 1. Fear, for others, for what takes place once the DOGG ends and this program is broken off - We are not afraid because we will be raptured out and miss wrath, get a glorified body, given a position in the heavenly places, HoG, JHI etc. - FOR GENTILES: When the branches get broken off and Gentiles get grafted back into that wild olive tree they will be worshipping every god but the True and Living God. - FOR JEWS: The Day of Wrath 2. The fear, on behalf of ourselves, for failing in our responsibility to our Father - MM interprets CONTINUE IN HIS GOODNESS to mean to continue to participate and cooperate with what God is accomplishing by putting us into His goodness in the first place. God isn't just being good to us to be good to us, He has a reason/purpose behind His goodness. From Romans 8:14-15, He has been talking to sons that have made the cry of ABBA FATHER.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 11:20		20 Well; because of unbelief they were broken off, and thou standest by faith. Be not highminded, but fear: BE NOT HIGHMINDED, BUT FEAR: MM says everytime a negative gets told to you, he turns right around and tells you what to do. MM says it is not enough to know what NOT to do, you have to know what TO DO. To the best of his knowledge, MM doesn't believe the NOTs are are meant to stand on their own. Can't find where Paul has told us NOT to do something without telling us what to do. FEAR: That fear is to bring to your mind we're in a position of special status with God right now, but that position is not always going to be there. There's going to come a time when those Gentile branches are going to be broken off and those natural branches are going to be be grafted back in. That is going to happen. The colon after FEAR tells you that v21 will have the details of this fear. That is something you have to get right because we have learned from the relationship with Israel under the law was one of fear. But as sons, we don't look at God and fear so it is not talking about the relationship. MM says the way that this gets taught is that God could cut this off at any moment. He's not looking for anything on our part or anybody else's part. One day, He's just going to cut it off. MM says but if that were true, then you should also find a verse where Paul says that you should fear dying. Paul tells you the direct opposite in Philippians 1:19-25. MM says it is funny he used the word CONTINUE in v25.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 11:21		21 For if God spared not the natural branches, take heed lest he also spare not thee. If God didn't spare the natural branches in this tree, don't get so lifted up and think that you're not going to be in any danger of being broken off. Says later will come a day when He will graft the original/natural branches back in. Don't think that you are there permanently, there's going to come a time when even those branches are going to be broken off and I AM going to put the natural branches right back in (GH: at the Blessed Hope). IF: Not indicating maybe He did and maybe He didn't. He is showing you how true a statement is. As real as it was that He didn't spare Israel, the same reality is He may not spare Gentiles either. TAKE HEED LEST HE SPARE NOT THEE: This is the another exhortation warning. In a short amount of time we have gotten 3 warnings (BOAST NOT..., BE NOT HIGHMINDED..., and this) about how we are supposed to be thinking about this issue of Israel and what God has done for them. If God had not done what He did with this DOGG and grafted us into the tree of His Goodness then we would still be out in the wild olive tree. We'd still be steeped in paganism. We'd still be given over to the adversary. We'd still be in darkness. TAKE HEED: Pay attention, be careful. Usually, there's a consequence of not taking heed. MM says many people teach that if you don't do what you are supposed to do, you will lose your salvation. We already know that Paul is writing to saved people. Paul is not talking in the salvation sense, he is talking about the program and who God is working with. That's what's at stake here, not individual salvation. No one in Israel or in the body of Christ is losing their salvation. Israel is now accursed from Christ, no longer having that favored nation status in the world, and they've stumbled and they've fallen and now they are already diminished. Paul comes along and tells us they are in a blinded condition. Verse doesn't say TAKE CARE. You have to see the word HEED-v21, which is paying attention to the consequences of your actions and trying to avoid those consequences. Because if God is just going to do it any old time, you don't need to take heed. If God is just arbitrarily doing it, why would you need to TAKE HEED?
Romans 11:21		21 For if God spared not the natural branches, take heed lest he also spare not thee. TAKE HEED (cont'd): EX: Take heed that the people you are running with don't corrupt you vs. Take care that you don't slip down. Care has something immediate, it is what's happening to you. TAKE HEED has something in the future in mind. -- Crabbe's: A man is required to take heed, a child is required to take care. Heed exercises his understanding in taking heed; care exercises his thoughts and senses in taking care. 'Heed' looks to the remote and probable consequences of his actions and endeavors to prevent the evil that may happen, while 'care' sees principally to the thing that is immediately before him. By taking heed we can avoid the consequences of our actions. HEED: Crabbe's - to attend and it applies to matters of importance and one's moral charactcer. care: Crabbe's - is solicitude (attention or concern to matters of minor import) to matters of minor import. HE ALSO SPARE NOT THEE: This is the consequence. In other words, we Gentiles will be broken off too.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 11:22		22 Behold therefore the goodness and severity of God: on them which fell, severity; but toward thee, goodness, if thou continue in his goodness: otherwise thou also shalt be cut off. Here's a verse where we did something different than everybody else. This dispensation will be "cut off" because of unbelief! It does not end with revival, it ends in apostasy when no one wants to trust Christ as Savior. GOODNESS AND SEVERITY GOODNESS: See GOODNESS twice back in Romans 2:4. You are getting My Goodness / Grace / My working with you / My special attention / Me putting a fence around you and plugging you into a root system that sets you apart for Me - HOLY. When God consigned us over to the adversary God said I AM not done, I AM not giving up and letting Satan win. I AM going to have a people of my own creation and so there the natural branches are plugged into the tree of God's goodness. From the very beginning, they (GH: Israel) had His attention. Remember Jesus in the extension of mercy/fig tree parable in DIG ABOUT...BEARS FRUIT-Luke 13. Up until this time, Israel has never known anything except being plugged into the tree of God's Goodness. They have never known anything other than God working with them. That's what makes them the natural branches. God says I AM going to start working with someone in particular, I WILL do it with Israel so He creates this tree of His Working from a holy root, which means Israel was supposed to be set apart for God. Remember they are supposed to be a holy nation, a royal priesthood, a kingdom of priests.
Romans 11:22		22 Behold therefore the goodness and severity of God: on them which fell, severity; but toward thee, goodness, if thou continue in his goodness: otherwise thou also shalt be cut off. But those branches got broken off from unbelief. We were Charlie Brown Christmas tree branches (GH: scrawny), but God said I AM going to plug you into this tree and look what you can become from this root. In your sanctification, God is setting you apart to be part of what He is doing in the heavenly places just like Israel was set apart to do what God was doing on this earth. Says this DOGG will get cut off because of unbelief. There will come a time in this world, where the world at large is just not going to believe that gospel message anymore. Makes MM think this will end, not because of events taking place in the world, but because of unbelief. **POINT: God broke off Israel, He put us Gentiles in, we're now the recipient of God's goodness to us, it won't always be that way but one day we'll be broken off and the natural branches put back in and God will start working with them again**. SEVERITY: Represents the breaking off of their (GH: Israel's) program. SEVERITY: Crabb: "Severity springs from principle and is often resorted to necessity. A severe master imposes a burden in a manner to enforce obedience. A harsh man is always severe but with injustice. A severe man is not always harsh. Severity is always necessary in the army, in a school, and the like for the preservation of good order. Severity threatens heavy consequences to those who do not comply. MM says severity in an unjust way becomes harshness.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 11:22		22 Behold therefore the goodness and severity of God: on them which fell, severity; but toward thee, goodness, if thou continue in his goodness: otherwise thou also shalt be cut off. THEE: Gentiles IF THOU CONTINUE IN HIS GOODNESS: Taught that we'll CONTINUE IN HIS GOODNESS until the end of the DOGG. MM asks who didn't know that? We read it and we don't put ourselves in our place. Before we were CAST OFF / WITHOUT HOPE AND WITHOUT GOD / STRANGERS FROM THE COVENANTS OF PROMISE / ALIENS FROM THE COMMONWEALTH OF ISRAEL (Ephesians 2). As soon as this DOGG is over and the Gentile branches get broken off, they go back to the wild olive tree. They get re-consigned over to the adversary. IF: A conditional word. Kids ask can I go out and play? IF you have cleaned your room. You placed a condition on it. THOU: Puts the condition on us. But we have to understand what it means to CONTINUE IN HIS GOODNESS. CONTINUE: Crabb: The sameness of action without interuption; to remain in the sameness of place or situation; to keep on with the same as that which was preceding. MM says if that is the case, there's been an unbroken line (GH: of people doing Sonship) from Paul till this day and that is very encouraging. When that gets broken, we can expect this DOGG to come to a close. OTHERWISE THOU ALSO SHALT BE CUT OFF: MM is looking at this like there is something else we need to do. MM doesn't believe the preaching of grace is enough because if it was enough to keep the DOGG going, that GH: does not necessarily produce sons and daughters. So it has to go beyond that. Clifford said when Satan shuts down Sonship in the world, there will be no reason to continue doing the program - MM agrees.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 11:22		22 Behold therefore the goodness and severity of God: on them which fell, severity; but toward thee, goodness, if thou continue in his goodness: otherwise thou also shalt be cut off. You have never known a day in your life that you haven't been plugged into that tree, whether you were lost or saved, God is not imputing men's sins unto them in the DOGG. Why evil men can make more money than you / have better health than you / have an easier life than you / get away with their crimes. GH: They have despised God in the context of Romans 2:4. They threw it out like it didn't mean anything, it was worthless. They were just in it for them. They have never known what it feels like to be a Gentile who's been consigned to the adversary. God has put you back out on your own in the middle of the wild for whatever to happen and now Israel is plugged back into the tree of His Goodness. You don't know anybody alive today that can describe what that is like. Before this change we were worshipping idols and pagan gods and we were superstitious and we worshipped everything but the one true God. As soon as God pulls those branches back off and put the natural branches back in and we are back out there, people are not going to be looking at an event called the rapture and say, oh I need to get my life right, they will be consigned back over to the adversary and they are going to run headlong into the wrong direction because now they are going to be accursed from Christ / broken off in unbelief & cast away / without hope and without God. MM says when this (GH: DOGG) is over, things are changing drastically. Don't take this for granted. Don't be high minded but fear, lest thou also be broken off. Don't get to thinking about yourself more highly than you ought to think because there is a day coming when this is going to change. When we get to the end of this DOGG, God will break us off when we no longer continue in His Goodness. Continue means without interuption. MM thinks people who just think you are going to continue to get the goodness of God until doesn't give it to you anymore. Thinks everyone gets that. He doesn't disagree but thinks this is too elementary for what's going on with this passage.
Romans 11:22		22 Behold therefore the goodness and severity of God: on them which fell, severity; but toward thee, goodness, if thou continue in his goodness: otherwise thou also shalt be cut off. IF THOU CONTINUE IN HIS GOODNESS: MM says here's another example where he is going to teach differently than the way that this gets taught normally. We Gentiles have God's goodness - can be taken in 1 of 2 ways: 1. As long as God continues to give us His goodness - Way it gets taught: if God allows you to continue to get goodness. MM says not an untrue statement but do you really need to be told that? Why not? - Goes without saying - shouldn't have to be told that. - Issues of severity and goodness - when God broke off the natural branches it was because of unbelief (v20). There is something we are not going to do. Something we are not going to get done that will make God look at this and say, now I AM breaking the Gentile branches off and I AM going to put the natural branches of Israel back in. GH: Breaking off doesn't impact salvation or anything like that, He is just breaking off any further opportunity. The program with Gentiles will be broken off and the program with Israel will be put right back in.

Romans 11:22		22 Behold therefore the goodness and severity of God: on them which fell, severity; but toward thee, goodness, if thou continue in his goodness: otherwise thou also shalt be cut off. - He has previously informed us of our temporary status, He has already told us that Israel is not going to be broken off forever Learned in Romans 9 about a charge that God is dealing unrighteously with Israel and the only way God could be unrighteous with Israel is if He didn't come back and fulfill everything He said He would do. Paul says He may have interrupted that program but He will come back and fulfill it. Learned in Romans 11:1 God hath not cast away His people permanently or forever. Learned in Romans 11:12 that not only does Israel have a stumbling, fall, and diminishing but they have a FULLNESS (takes place out in the Kingdom). So we know that we will not continue in this position forever. Israel still have a FULLNESS to be obtained to. Learned in Romans 11:15 that there's not just a casting away of them but that the RECEIVING of them.
Romans 11:22		22 Behold therefore the goodness and severity of God: on them which fell, severity; but toward thee, goodness, if thou continue in his goodness: otherwise thou also shalt be cut off. Point: The Gentile program cannot continue forever if He is going to complete Israel's program. If you just think that we are going to have God's goodness for as long as God gives us His goodness, you've already come to that conclusion over and over before you got here. MM doesn't just think God is just giving us a redundant verse here to say you guys are not going to be in this position forever. Of course we are not. We've already come to grips with that and know that. Ignores in importance of the IF - MM believes it is putting a burden of responsibility on us toward the goodness. Doesn't say 'if He continue His goodness', it says 'if thou continue in His goodness'. The latter is something that we are doing. Israel had something to do with continuing and we have something to do with continuing. 2. As long as Gentiles continue in that goodness - in response to something we are going to do. When we don't, then will have the end. MM thinks that it is this one. All MM did was take the words out of the verse. Need to determine what does it mean.

Romans 11:22		22 Behold therefore the goodness and severity of God: on them which fell, severity; but toward thee, goodness, if thou continue in his goodness: otherwise thou also shalt be cut off. CONTINUE IN HIS GOODNESS: Two ways of looking at that - MM thinks that both are necessary - doesn't it make sense that He wants both of them done (GH: you were given spiritual fitness): Sub-part 1. The message of grace continues (about your Justification): If this one is true, it means as long as Gentiles continue to publish the message of grace and Gentiles continue to receive that message and believe that message, then we will be continuing in that goodness of His grace. If true, the DOGG could go on for a very long time. Sub-part 2. The outworking of grace continues (about your Sanctification): MM says he is not talking about producing the message of grace but about what that message of grace is meant to produce - SONS AND DAUGHTERS. Sons that know they are sons and they are being educated as sons. They are actually engaged in the Sonship curriculum. MM says remember the old way of thinking - we just want to see people get saved. MM says He is not just giving you an opportunity to be saved, because the reason for being saved is not that end result of what He wants. He is saving you for something more, even better. That's why you have those 2 inheritances and the JHI is where your Father really wants you to go because that is the thing that brings Him glory and shows Him to be the rightful possessor of heaven and earth. Shows Him as qualified to be the MOST HIGH. MM says you do have to have this because without the message of grace, you are not going to produce any sons. MM is saying it is not just #2 but the package of #1 and #2. Verse is saying we get goodness if we continue in that goodness and that's what we (GH: Monahans/GR) are doing. As long as we are doing this, then this Grace age will continue.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 11:22		22 Behold therefore the goodness and severity of God: on them which fell, severity; but toward thee, goodness, if thou continue in his goodness: otherwise thou also shalt be cut off. God is looking for an interruption. Once this process has stopped and there's no need to keep going, that means He's saying you'll continue to get goodness for as long as you continue in that goodness. That means from Paul onward, there has been an unbroken line of Sonship. People want to know who was it, where did they live, but we don't know about them. There's always been sons and daughters, always someone who has understood this and MM believes this thinking. Look at it this way - if there are no Internet or technology like Paul's day, how many people would know about this group? Very very few. Someone in upstate NY doing this could say, I don't know of anybody else and be telling the truth. MM jokes just like Elijah. MM doesn't know how many it takes doing Sonship for the to consider that God is continuing in His goodness. MM says he looks at the dark ages and we probably dodged bullets in the middle ages. The church had just corrupted and became nothing but a set of observances that man had created, and not to be part of that central core religion was to be considered a heretic. They burned heretics at the stake and accused them of being in league with the devil. If a woman was accused of being a witch, the test was to throw her in the water. If she floated she was made of wood and that made her a witch. If she sank to the bottom she was not a witch. It was the longsuffering of God that allowed that opportunity to still be available. Continue in Sonship - even though that happens individually there are two ways to do it: 1. In a general reference to Gentiles - As long as Gentiles in general are continuing to go through this then the program won't be broken off. MM thinks it is this one. 2. In an individual reference to GH: individuals? - If you make it about individuals, you would be saying the branches are individuals and broken off at different times. But we don't see branches broken off at different times. There could come a day when Satan shuts down every Sonship work and you are back to no more grace.
Romans 11:22		22 Behold therefore the goodness and severity of God: on them which fell, severity; but toward thee, goodness, if thou continue in his goodness: otherwise thou also shalt be cut off. STORY: Bob Summers and the less than 2 minutes olive tree and it looks like something in a painting. Tree of GOD'S GOODNESS, took the words right out of the verse. MM says everybody wants to make the tree Israel. Because they are the natural branches, they think the tree is Israel. The problem is, if the tree is Israel, when we are grafted in, we are grafted into Israel. Israel was called the natural branches because they got nothing but GOD'S GOODNESS from the very beginning of their program. God made a covenant with Abraham and promised to make of him a great nation. From him, Isaac, from him, Jacob, from him, the 12 sons. They have always had this place of special attention with God. I WILL make them the head of all nations...bless them...multiply them...give them a land. He's going to set up a kingdom with them. And through them, the word of the Lord would go forth to all the other nations of the earth. So they are the natural branches, not because the root and the tree is Israel, the root and the tree is GOD'S GOODNESS. This is the tree of God's working, it's the cultivated, cared for, dug about, pruned, fertilized, watered tree (compared to the scraggly wild olive tree = Gentiles). It is who He is paying attention to. If He grafts us in, it doesn't make it a Gentile tree, it is still the tree of God's Goodness. MM says to him this makes perfect sense without violating anything else that Paul is saying.

Romans 11:22		22 Behold therefore the goodness and severity of God: on them which fell, severity; but toward thee, goodness, if thou continue in his goodness: otherwise thou also shalt be cut off. CONTINUE IN HIS GOODNESS: Only 2 ways to interpret this: 1. We will continue to experience the goodness of God for as long as He gives it and when He stops giving us Gentiles His goodness, then His program with the Gentiles will be cut off. MM says this is what everyone else is teaching but he's not saying they have to teach it the way that He does. This is NOT an untrue statement but MM thinks this goes without saying. This is like you will continue to have gas in the car as long as there is gas in the car. Does that tell you anything? What they are saying is is that God is just going to arbitrarily cut this program off one day, not based on anything outside of/external to Himself, just because He decided that. MM doesn't see that, doesn't see Him working arbitrarily. MM sees him always working in connection with a plan and purpose. MM says it is fine to believe this, he just doesn't think this is everything contained in the verse. If you believe this, you have to teach that every moment of every day, you are a snap of your fingers from this thing (GH: DOGG) being over and the day of Wrath coming on the scene. If MM is wrong and this is the way it is, you don't have a promise of even tonight. 2. Our continuing to experience the goodness of God in this DOGG is contingent upon something external to God Himself. This is the way MM sees this - then God broke off His program with Israel, was it because of something with Israel or did He just decide to do it? He broke it off because He observed their unbelief, they were broken off in unbelief. God has not acted capriciously ever, there is a track record that everything He has done has had Wisdom behind it and always in accordance with something else that was happening. It's not random.
Romans 11:22	GH: Spiritual Warfare verse	22 Behold therefore the goodness and severity of God: on them which fell, severity; but toward thee, goodness, if thou continue in his goodness: otherwise thou also shalt be cut off. THEM WHICH FELL, SEVERITY: Talking about Israel. God dealt with them with severity under the Law. When you sinned, you got the punishment during your lifetime. But today, God is dealing with the world under grace which means that instead of God visiting our iniquity upon us, He is dealing with us out of His goodness and mercy and longsuffering. Now, sin often does bring consequences but MM calls it the reproofs of life. When you do wrong things, wrong thing will result, and those may be consequences that you will feel. If a guy steals something, he may get caught and pay a price for that. God is not specifically orchestrating individual judgments on people because they've sinned. TOWARD THEE, GOODNESS: In the time past of Israel's program, God used punishments to bring the Israelites back to Him. But today, in this dispensation of grace, God is not using punishments, but His longsuffering and goodness to bring people to Him. Teaches us the very opposite of generational curses. Point: Now, Go is dealing with the whole world with mercy and goodness and forbearance and longsuffering, not doing specific individual punishments because people have done sins.
Romans 11:23		23 And they also, if they abide not still in unbelief, shall be grafted in: for God is able to graft them in again. ABIDE NOT STILL IN UNBELIEF: He has a condition on them being grafted in and that is that they ABIDE NOT STILL IN UNBELIEF. But we already know from the O.T. prophets that they are not all going to ABIDE NOT STILL IN UNBELIEF (example is Zechariah 13:8).

Romans 11:24		24 For if thou wert cut out of the olive tree which is wild by nature, and wert grafted contrary to nature into a good olive tree: how much more shall these, which be the natural branches, be grafted into their own olive tree? HOW MUCH MORE SHALL THESE, WHICH BE THE NATURAL BRANCHES, BE GRAFTED INTO THEIR OWN OLIVE TREE: God is saying if I could take the wild olive tree branches and graft them in, it's not going to be anything to put the natural branches back in. It's the tree those branches belong in. He's trying to overcome the objection of 'well, I don't see how God is going to do that'. The answer is you could see He did it with you, that's much harder to do it with you than to do it with them.
Romans 11:25-27	GH: GPPI verse	v25: THIS MYSTERY: A mystery refers to something that was not made known. God kept this dispensation a mystery until He made it known to Paul. v25: BLINDNESS IN PART IS HAPPENED TO ISRAEL UNTIL THE FULNESS OF THE GENTILES BE COME IN: Paul explains to us that the blindness that has been brought upon Israel is temporary. When God has completed His program with us Gentiles, then He will lift the blindness that has happened to Israel and resume His program with them. This age will end just as it started, without sign, warning or prophetic event. No one saw it coming and no one knows when it will end. It began with the Lord appearing making a return to the earth to deal with Paul and it will end with the Lord making a return to the earth to catch away the body of Christ. This “catching away” is called the Blessed Hope or in the common vernacular, “the Rapture of the Church.” Since the Rapture was part of the mystery that was revealed to Paul, we know that the only place we can find any scripture which pertains to the Rapture is in Paul’s epistles. This BLINDNESS is going to continue until God is through dispensing grace in the DOGG. And God has made this mystery known to Paul, Paul writes Romans - Philemon and now it is made known to us.
Romans 11:25-27	GH: GPPI verse	v25: FULNESS OF THE GENTILES BE COME IN: MM says people are trying to predict the rapture all the time. When will the FULNESS OF THE GENTILES BE COME IN? When will this DOGG be over? We don't know. It came in without any sign or warning and it's going to go out without any sign or warning. No one was able to predict it or see its coming. MM says it is common to take scriptures outside the Pauline epistles and try and apply them to us Gentile Christians today in the DOGG. This causes quite a bit of confusion. v26-27: Have not yet been fulfilled. Israel has suffered that blindness. All Israel has not been saved. Ungodliness has not been turned away from Jacob. God has not yet taken away the sins of Israel. This is a quote from Isaiah speaking of what things the Lord will do after the completion of his day of wrath and He starts His kingdom. v26: ALL ISRAEL SHALL BE SAVED: At the conclusion of this mystery program, God will resume and complete His program with Israel. This is going to happen.
Romans 11:25-26		v25: I WOULD NOT, BRETHREN, THAT YE SHOULD BE IGNORANT OF THIS MYSTERY: On the the 7 essential doctrines that Satan loves to prevert. v25: Notice two groups in the passage. One group is blind and the other is not. You can't be both, addressing error 2. v25: THAT BLINDNESS IN PART IS HAPPENED TO ISRAEL, UNTIL THE FULNESS OF THE GENTILES BE COME IN: The UNTIL shows that God is not through with Israel, addressing error 1.

Romans 11:25	Doctrine : Essential Doctrine 3 of 6: The Dispensational Change (Israel and the Mystery) / GH: Mystery Verses - Component 1: God has interupted the Israel prophetic program & has begun to work with Gentiles	25 For I would not, brethren, that ye should be ignorant of this mystery, lest ye should be wise in your own conceits; that blindness in part is happened to Israel, until the fulness of the Gentiles be come in. Talking about what God has done to bring in this DOGG and then He warns them this isn't going to last forever. The blindness that's happened to Israel is in part. It's not permanent. There is a fulness of the Gentiles that going to come in and when it does, this is going to revert back and God's going to finish His program with Israel so don't get the thinking of being wise in your own conceits, don't get to thinking that your the end of all of it and God doesn't have anybody else He is doing anything with. That's a pride issue. FOR I WOULD NOT BRETHREN, THAT YE SHOULD BE IGNORANT: When Paul uses this terminology, that is one of Satan's pet areas of attack from the POE and you have got to take notice of that. You can't just read over it lightly. Means that there's an issue at stake. Here's an area where Satan is working harder on than other things to get the confusion and the corruption done in the minds of people. There are 6 times that Paul uses this phrase. When Paul points this out, this was not only a specialized attack from Satan back then, it continues to be an area of specialized attack today. If you are talking 'Israel and the Mystery', what is the one thing that churches don't know about today? It's what's happened to Israel and the introduction to the mystery. MM say how many TV preachers are up there saying if we want God's blessing, we're going to have to be a friend to Israel like their program is still in operation. MM is not saying they are not well-meaning, he has been there. Well-meaning but misguided. The other part of the mystery Satan's working really hard to keep a mystery is in Romans 9-11 where Paul talks about Israel being set aside and the DOGG and God working with Gentiles.

Romans 11:25	Doctrine : Essential Doctrine 3 of 6: The Dispensational Change (Israel and the Mystery) / GH: Mystery Verses - Component 1: God has interupted the Israel prophetic program & has begun to work with Gentiles	25 For I would not, brethren, that ye should be ignorant of this mystery, lest ye should be wise in your own conceits; that blindness in part is happened to Israel, until the fulness of the Gentiles be come in. MYSTERY: First time Paul uses this word. First time you encounter the word MYSTERY. God describes something, He gives you the details of it, He explains it, and then at the end He names it. This whole thing is about the mystery but he is talking now about a particular aspect called the mystery GH: and that is Israel is blinded until the DOGG completes. LEST YE SHOULD BE WISE IN YOUR OWN CONCEITS: MM says yes there is an element of pride and arrogance, but it's more than that. If you were coming through your Bible you would have seen this phrase over and over. Will see this phrase come up again in BE NOT WISE IN YOUR OWN CONCEITS-Romans 12:16 (don't be wise in your own conceits towards fellow members of your assembly) in your education. Here it is program to program-Don't be wise in your own conceits toward Israel. Right now, he is talking about how you view yourself in this DOGG and what is going on. There is a natural tendency to think about yourself in a certain way and that is going to produce a wisdom but it is NOT godly wisdom. The warnings Paul gives in the previous verses is trying to undo (GH: correct) a prideful and arrogant (GH: ungodly) thinking.

Romans 11:25	Doctrine : Essential Doctrine 3 of 6: The Dispensational Change (Israel and the Mystery) / GH: Mystery Verses - Component 1: God has interupted the Israel prophetic program & has begun to work with Gentiles	25 For I would not, brethren, that ye should be ignorant of this mystery, lest ye should be wise in your own conceits; that blindness in part is happened to Israel, until the fulness of the Gentiles be come in. The type of thinking that says we're better and Paul wants to undo that. He is undoing it now by comparing program to program. Paul is concerned about us getting WISE IN OUR OWN CONCEITS because that is going to give rise to a problem that will hinder our Sonship education. This is very important. Why this is one of the DON'T BE IGNORANT/essential doctrines, because Satan is working overtime to make this happen. You will think you are talking out of a wisdom but it won't be godly wisdom, that is being WISE IN YOUR OWN CONCEITS. If you don't get an understanding of this and settle this issue, when you get to the education your whole understanding is going to get corrupted and it's going to give you a problem in your Sonship. When you do not succumb to the natural tendency to be WISE IN YOUR OWN CONCEITs, you now have the ability to start viewing this time differently. When this (GH: FULNES OF THE GENTILES BE COME IN) ends, 2 things are going to have to happen: Sub-part 1. Either the message of grace is going to stop being given OR Sub-part 2. People hearing the message of grace are going to stop responding. That day is coming but it is not here today. **The nature of grace is, as long as there is a response, you don't get cut off**. That's what's being talked about in the FULNESS OF THE GENTILES. People see all that is happening in the Middle East and think it's a sign of the rapture. MM is telling you that it is not. The rapture is not happening today. Because grace is still being received in the world. If God would stop it when people would have still received it, it's not grace.

I WOULD NOT, BRETHREN, THAT YE SHOULD BE IGNORANT OF THIS MYSTERY: GH: Exhortation around Essential Doctrine 3 of 6: Romans 11:25 – The Dispensational Change (learn about Israel and the Mystery) - Don't see this, won't see the need to rightly divide the word. 6-7x Paul says I WOULD NOT BE YE IGNORANT of this and then he gives you a subject matter. Should set an alarm off in your head. These are the areas that Satan is working the hardest to cause ignorance. Highlights 1 verse but broader passage introduces the dispensational change. Understand that Paul's epistles are TO you and ABOUT you. Blindness is part of what happened to Israel, until the fulness of the Gentiles be come in. Until this BUT NOW period Paul talks about in Ephesians 2, until that period, until this DOGG has come in, Israel is going to continue to be blinded. Blindness to Israel until God completes what He is doing with us Gentiles. MM for many years thought like everybody else. He did understand that we were going to be raptured out before the tribulation. At least he got that part right. Always thought the rapture was imminent. No longer thinks the rapture is imminent.

UNTIL THE FULNESS OF THE GENTILES BE COME IN: Israel's blindness is temporary and when it ends. 3 ways to look at this. 1. May be referring to a NUMBER. There are seats up there in the heavenly places and you've got to be looking at that and thinking there are only so many seats that need to get filled. 2. God is looking at a particular TIME. MM says we have settled it is not this. 3. The entirety of the Gentiles who are going to participate in Sonship. When you got all that you could get, that would be the fullness of the Gentiles. MM reminds about FULNESS as it relates to Israel. Will reach their FULNESS-Romans 11:12 in the Kingdom - implies when they have become what God had intended them to be when He created them. Would include getting all the covenants, all the promises. MM thinks this is until the Gentiles have become what God intended us to be. THE FULNESS OF THE GENTILES BE COME IN: Is the mystery of Christ. When Israel's blindness will be over.

Romans 11:25	Doctrine : Essential Doctrine 3 of 6: The Dispensational Change (Israel and the Mystery) / GH: Mystery Verses - Component 1: God has interupted the Israel prophetic program & has begun to work with Gentiles	25 For I would not, brethren, that ye should be ignorant of this mystery, lest ye should be wise in your own conceits; that blindness in part is happened to Israel, until the fulness of the Gentiles be come in. FULLNESS OF THE GENTILES: Don't get this confused with the TIMES OF THE GENTILES-Luke 21:24-takes place during the Israel Program. FULLNESS OF THE GENTILES takes place during the DOGG and FULLNESS means He has done everything with Gentiles He is going to do. He has filled it up. It's all He is going to do. There's not anything more to be done. You're going to run out of the cup now because it's full. The FULLNESS OF THE GENTILES will be when this DOGG has run its entire course and now we're at the Blessed Hope and that's the end of the DOGG. He is saying the Israel is blinded until this time comes. This is a definitive statement that tells you don't start looking for this thing to reverse itself while this program is still going on. MM says this is important because God stopped the Israel program at the stoning of Stephen and you had the diminishing of Israel and the rise of the Gentiles - a transition because the little flock was still here. The difference with the the DOGG is that there doesn't need to be a transition because we won't be here. Is the rapture - part of the Mystery. THE GENTILES BE COME IN. Have to understand what that phrase is talking about. Today, people think they see indicators that we're going to be raptured out very soon. You can go back centuries and find people looking at events in the world and using that this is proof that the coming of the Lord is about to happen. This world is always getting worse. This world was worthy of judgment back at the end of the extension of mercy in Acts 7. Why Christ postponed what we deserved to give us now, without sin being imputed back to us an opportunity to respond under grace. GH: DOGG is completed. Because of this, Israel suffers BLINDNESS-Romans 11:25 in part.

Romans 11:25	Doctrine : Essential Doctrine 3 of 6: The Dispensational Change (Israel and the Mystery) / GH: Mystery Verses - Component 1: God has interupted the Israel prophetic program & has begun to work with Gentiles	25 For I would not, brethren, that ye should be ignorant of this mystery, lest ye should be wise in your own conceits; that blindness in part is happened to Israel, until the fulness of the Gentiles be come in. BLINDNESS IN PART IS HAPPENED TO ISRAEL: This is not saying that some people in Israel are going to hear the gospel and be saved and some are not, so the blindness is in part. He is talking about this whole thing about breaking off of their program and they are blinded. He says they're blinded IN PART, not meaning part of them are blinded, all of them are blinded. Not seeing the things of their program or the things of the kingdom. They are blinded IN PART because this is not permenant. It's not a permanent blindness. MM says thinking God blinded some of them sounds Calvinist and selective. Their blindness is in part (GH: temporary) until the fulness of the Gentiles be come in. It's not about some of them, it's about all of them up to a particular time. This is one of the 7 essential/'don't be ignorant' doctrines that Paul raises to our attention because the Adversary's emphasis on them. This one is called 'Israel and the mystery'. A failure to understand this will produce a false wisdom which Paul describes as WISE IN YOUR OWN CONCEITS. This is not just describing an attitude of pride or arrogance, but it includes thinking: - You are more capable than you really are - You have a right to more than you do, that you have right to some things that you really don't have right to - You are generally unteachable - when you are WISE IN YOUR OWN CONCEITS, they not only don't want to hear what someone else has to say, they only want to think what they have to say. - You are not only unteachable, you are not admonishable MM jokes that he is a connoisseur of crow based on the teachings he has had to reverse in the past.

Mystery Commentary: Paul is preaching Jesus Christ according to the revelation of the mystery. He was preaching this message since it was revealed to him and finally, Paul begins to write the message in letters which are inspired by God. THIS MYSTERY BLINDNESS IN PART IS HAPPENED TO ISRAEL BLINDNESS: The wrong idea is with respect to the gospel and the IN PART says only some get saved. Some people in blinded and won't receive the gospel. Looks like God is picking winners and losers. If you think this, you are a Calvinist. MM says BLINDNESS is not to the gospel but to the prophetic program and the IN PART is the temporary suspension. Once God interrupted the prophetic program and brought in the DOGG, none of them were seeing their program because it is no longer enforced. It has been suspended but will be resumed. Some think the blindness is to the truth of salvation or with respect to the gospel and the IN PART is only some are going to get saved. Or some people in Israel are blinded and won't believe the gospel. MM thinks the BLINDNESS (the interruption of the prophetic program) took effect at the stoning of Stephen in the book of Acts. And that cessation of the outworking of prophecy will remain in effect until “the fulness of the Gentiles be come in.” You will know when the fulness of the Gentiles is come in because the Blessed Hope will have taken place and we will be gone.

Mystery Commentary (cont'd): IN PART: They think the 'in part" is saying that only some of the Jews have been blinded. Therefore, they think the Jews who are blinded will reject Christ as Savior, and the ones who are not blinded will trust Christ as Savior in this DoGG. MM does not believe that view is correct for a number of reasons, one of which being that it smacks of Calvinism. MM believes IN PART is pertaining to a partial period of time in which Israel has been blinded in the sense that God's prophetic program with Israel has been temporarily interrupted. It is "in part" in the sense that it is not permanent. They are "blinded" to their program, not the gospel. They are blinded in that they can't see it working – because it is not working right now. Now, we are in the DoGG. God isn't picking winners and losers of who will be in the body of Christ. UNTIL THE FULNESS OF THE GENTILES BE COME IN: Until what God is doing with Gentiles is completed. When this completes, their blindness will be over. UNTIL: Tells you this is a time element.

Romans 11:26-27		v26-27: Paul is talking about a time in the future - ALL Israel will be saved. But won't some Jews take the mark of the beast and reject the Messiah? Bible says most people will reject Jesus. How can Paul say ALL? Because he is talking about true Israel, the nation that brought forth fruits. The apostate nation, unbelieving Israel, is no longer going to be considered Israel. Going to be considered heathen.

Romans 11:26		26 And so all Israel shall be saved: as it is written, There shall come out of Sion the Deliverer, and shall turn away ungodliness from Jacob: There is something that is going to happen but not until the FULNESS OF THE GENTILES comes in. Then God will resume and complete His program with Israel. **Paul quotes Isaiah 59:20 but uses DELIVERER since the REDEEMER has already come. DELIVERER is the next mandate of the Davidic covenant after Redeemer**. ALL ISRAEL SHALL BE SAVED: MM says people read this and think, oh, all of Israel will be saved but that is not what this is about. Too many passages in your Bible tell you they don't all get saved. He has defined the salvation for you in the passage. Paul says in Romans 10:1 that his heart's desire for Israel is that they might be saved. Then, here he says ISRAEL SHALL BE SAVED. When Paul speaks about Israel and salvation, it is in more than 1 way. At some point, he talks about salvation from the debt and penalty of their sin. In other ways, he is talking about saving Israel from not their sin, not the spiritual aspect but from physical consequences that make come their way. Just before the Kingdom, just true Israel. In the sense of delivered.
Romans 11:26		26 And so all Israel shall be saved: as it is written, There shall come out of Sion the Deliverer, and shall turn away ungodliness from Jacob: Two things that you need to sort out in your mind here. 1. We are talking about physical salvation, not spiritual salvation. 2. ALL ISRAEL is not the entire nation, you know that is not true. Some are going to be under them (GH: the judgments). The context here is the remnant. Here. Paul is talking about the true Israel, the whole remnant. AND SO ALL ISRAEL SHALL BE SAVED: MM says the first thing that pops into people's heads is that every Jew is going to turn to Christ. It's the way he used to see it. He thought they would go through the Tribulation and then when Jesus shows up, all the Jews were going to look at Him and every Jew was going to say 'oh, it's our Savior, we crucified Him, we are so sorry'. ALL ISRAEL SHALL BE SAVED: Not talking about saved from the debt and penalty of their sins, that got done when they trusted in the Redeemer. He is saying that complete salvation that's now going to take up with the Deliverer and all the rest of the Davidic covenant mandates is going to happen and bring you to your fulness. If you are an Israelite at the end of Daniel's 70th week, ALL ISRAEL SHALL BE SAVED or delivered. He is going to provide that deliverance when He turns away ungodliness from Jacob and when He takes away their sins. All happens right before the kingdom. This is not everybody getting saved like JUEL, this is all true Israel. ISRAEL: Not talking about every Jew, talking about all of the real Israel, the remnant. Remember, THEY ARE NOT ALL ISRAEL, WHICH ARE OF ISRAEL-Romans 9:6.

Romans 11:26		26 And so all Israel shall be saved: as it is written, There shall come out of Sion the Deliverer, and shall turn away ungodliness from Jacob: SHALL BE SAVED: Saved from being a part of that apostate nation. GH: This is national deliverance, how God views them. He is not looking to see who is a Hebrew, He is looking to see who is that SEED OF PROMISE, who by faith has believed the message. That's who He considers to be Israel. The apostate nation is considered to be part of the heathen of the world. Most people read this and say the whole nation of Israel is going to be saved. MM used to see it that way. Not talking about being a Jew, talk about being part of the remnant. AS IT IS WRITTEN THERE SHALL COME OUT OF SION THE DELIVERER: Happens at the Second Advent. (GH: last half of the week?) DELIVERER: One of the mandates of the Davidic covenant. Delivered from the judgments that are falling on the world during the day of wrath. In addition to being JUEL, there is something additionally they have to do. They have to make a stand against the corrupted doctrine of the apostate nation. If they say YES, I believe Jesus is the true Messiah but they act like their their still part of the apostate nation and participate with them in the animal sacrifices, God says yes, your faith will justify you unto eternal life but you're going to undergo all the punishments that are going to fall on the rest of the nation. If you are going to pretend to be one of them, you're going to get dealt with like you're one of them.
Romans 11:26		26 And so all Israel shall be saved: as it is written, There shall come out of Sion the Deliverer, and shall turn away ungodliness from Jacob: It's possible for someone to get intimidated and take the mark and if they do, they are going to get the same judgments as those that are not JUEL. MM says there are 3 places that are a close quote to this: 1. THE SALVATION OF ISRAEL WERE COME OUT OF ZION-Psalm 14:7 2. OH THAT THE SALVATION OF ISRAEL WERE COME OUT OF ZION-Psalm 53:6 3. REDEEMER SHALL COME TO ZION-Isaiah 59:20 This is the verse everybody goes to but you need to notice something about it. Couple things: 1. Paul uses DELIVERER but Isaiah uses REDEEMER. Different functions/subjects. When Isaiah wrote, none of them had happened. But when Paul wrote, the Redeemer function had already taken place. 2. Different direction: Paul says COME OUT OF ZION. Isaiah says COME TO ZION. Different directions. 3. Paul says TURN AWAY UNGODLINESS FROM JACOB. Isaiah says TURN FROM TRANSGRESSION IN JACOB. Different transgression issue.

Romans 11:26		26 And so all Israel shall be saved: as it is written, There shall come out of Sion the Deliverer, and shall turn away ungodliness from Jacob: Mystery Commentary: Tells us that after the fulness of the Gentiles be come in, “all Israel shall be saved.” That does not mean that every single Israelite will be saved. We know from other scriptures that most Israelites will reject the truth of salvation. What is being said here is in reference to all of believing Israel; the remnant. This is just to realize that there will be a time when God will resume His program with them and bring it to a conclusion under the New Covenant (my covenant-v27).
Romans 11:26	GH: SIIP Verse	26 And so all Israel shall be saved: as it is written, There shall come out of Sion the Deliverer, and shall turn away ungodliness from Jacob: AND SO ALL ISRAEL SHALL BE SAVED: At the end, when the program is completed, all of saved Israel will receive the full benefits of the New Covenant. Note see the COVENANT-v27 reference in the next verse. ALL ISRAEL SHALL BE SAVED: Is not talking about everybody in the nation putting their faith in the Messiah.
Romans 11:27		27 For this is my covenant unto them, when I shall take away their sins. MY COVENANT: The New Covenant. SHALL TAKE AWAY THEIR SINS: Provided for by the New Covenant(I WILL FORGIVE THEIR INIQUITY, AND I WILL REMEMBER THEIR SIN NO MORE-Jeremiah 31:34). MM says won't happen till the kingdom. TAKE AWAY THEIR SINS: Happens in two phases: 1. Believing remmant out in the day of Wrath 2. When the rest of all the saints of Israel are resurrected at the beginning of the kingdom and God is going to give them the New Covenant and they are going into the Kingdom with their sins forgiven. Need this because everyone that died before the Cross, God remitted their sins or put the payment on hold until the Redeemer could come and pay the price for those sins because their faith back their counted that redemption on their behalf and made them righteous. Means the sins that were remitted are now forgiven and I AM not going to remember them anymore. They will be taken away and they can count on this. This is different than for us. Our sins got taken away as soon as we trusted Christ.
Romans 11:28		28 As concerning the gospel, they are enemies for your sakes: but as touching the election, they are beloved for the father's sakes. AS CONCERNING THE GOSPEL, THEY ARE ENEMIES FOR YOUR SAKES: MM says this is a standing that they have been made to have for our sake that we could get the gospel. BUT AS TOUCHING THE ELECTION: He is talking about all the promises that God made to them and all the covenants that He made to them, those are the things that God determined. BELOVED FOR THE FATHERS' SAKES: All those things I promised them back there, I AM going to do every one of them. FATHER'S SAKES: Notice both words are plural and the little 'f'. FATHER'S: The ones God made the promises to. The fathers of the nation of Israel, not God the Father.

Romans 11:29		29 For the gifts and calling of God are without repentance. STORY: When MM was in Bible college, he would hear people say God called them to preach and I didn't want to preach and I ran from God and God whipped me and whipped me till I finally gave in. Then someone would quit the ministry and people would quote this verse. MM laughs and says that belongs to Israel. MM says when he was in Bible College, this got misinterpreted, misapplied, and misused in just about every way you could ever imagine. Those gifts and calling have to do with God's program with Israel. WITHOUT REPENTANCE: God has not changed His Mind about what He's going to do with Israel.
Romans 11:30-36		Dispensational Change Part/Section 5 of 5: What it should mean to us that God has temporarily set aside Israel and turned to us Gentiles.
Romans 11:30		30 For as ye in times past have not believed God, yet have now obtained mercy through their unbelief: Starts the third and final section of Romans 11 and is how we are supposed to be thinking about this. FOR AS YE IN TIMES PAST HAVE NOT BELIEVED GOD: We didn't in the TIMES PAST Israel program, we Gentiles didn't believe God. TIMES PAST: Most of the time, refers to God's Program with the nation of Israel. In Romans 9-11 it references something that was happening in the world - the COTW. MM says these 2 are connected. Once the program resumes, God will view both the same, like the DOGG never happened. YET HAVE NOW OBTAINED MERCY THROUGH THEIR UNBELIEF: Israel was BROKEN OFF because of their unbelief. We got the benefit of plugging into the Tree of His Goodness and now we get His mercy. YET HAVE NOW OBTAINED MERCY: Before we didn't believe God but now we have obtained mercy. NOW OBTAINED MERCY: Saying through Israel's unbelief, you guys (Gentiles) have now obtained mercy. MERCY: **OED Mercy - 1. forbearance and compassion shown by one to another who is in his power and who has no claim to receive kindness; kind and compassionate treatment in a case where severity is merited or expected**.
Romans 11:31		31 Even so have these also now not believed, that through your mercy they also may obtain mercy. THROUGH YOUR MERCY THEY ALSO MAY OBTAIN MERCY: The Jews may have rejected Him in their program, but now that we are getting mercy, they also may obtain mercy. The mercy is not just for us, it's for everyone. They also have an opportunity to get mercy. They needed it because they were made ACCURSED FROM CHRIST-Romans 9:3.
Romans 11:32		32 For God hath concluded them all in unbelief, that he might have mercy upon all. HE MIGHT HAVE MERCY UPON ALL: Where MM gets God interupted the program was a mercy. You should look at this and say the Mercy of God is really making a big impression on me because I see what God did in this. He may have broke them off and as far as Israel's program goes, it's ACCURSED FROM CHIRST-Romans 9:3, but every Jew that's ever lived in the DOGG has had the mercy of God at His disposal and he's had the ability to respond to that mercy in faith. MERCY UPON ALL: Because everybody needs it, everybody is in a predicament.

Romans 11:33	MP : Blessings - Spiritual / RICHES=Wisdom & Understanding	33 O the depth of the riches both of the wisdom and knowledge of God! how unsearchable are his judgments, and his ways past finding out! Paul's definition of wisdom. Compare with Proverbs 3:13-21. MM says you can almost hear the emotion in his voice. O THE DEPTH OF THE RICHES BOTH OF THE WISDOM AND KNOWLEDGE OF GOD: He is extoling how brilliant God is to have done it the way He's done it. MM's prayer shorthand is 'God's great Wisdom'. THE DEPTH OF THE RICHES BOTH OF THE WISDOM AND KNOWLEDGE OF GOD: How Paul describes the HID TREASURES-Proverbs 2:4/FINE GOLD-Proverbs 3:14 in the doctrine from Romans 13:11 on. RICHES: Wisdom & Understanding. Will buy merchandise that is better than the merchandise of FINE GOLD-Proverbs 3:14/great wealth. MM says when you spend the RICHES to buy the merchandise, you still have all the RICHES. You didn't diminish the RICHES.
Romans 11:33	MP : Blessings - Spiritual / RICHES=Wisdom & Understanding	33 O the depth of the riches both of the wisdom and knowledge of God! how unsearchable are his judgments, and his ways past finding out! THE RICHES BOTH OF THE WISDOM AND KNOWLEDGE OF GOD: Received after we trusted Christ. A spiritual thing, not a physical thing. HOW UNSEARCHABLE ARE HIS JUDGEMENTS, AND HIS WAYS PAST FINDING OUT: MM says it was a mystery. You couldn't go back and find that out. RICHES BOTH OF THE WISDOM AND KNOWLEDGE OF GOD: MM says this is how we are supposed to look at it. Isn't God a Genius to do it the way that He did it. Later Paul gives it a title-THE MANIFOLD WISDOM OF GOD-Ephesians 3:10. Where would we be if He hadn't done it? We'd be stuck out in that wild olive tree. HOW UNSEARCHABLE ARE HIS JUDGMENTS: He is talking about His judgments and His ways in doing this dispensational change, they're unsearchable. They are past finding out because it was a mystery. You can't go back through the O.T. scriptures and find.
Romans 11:34		34 For who hath known the mind of the Lord? or who hath been his counsellor? Answer: no one. OR WHO HAS BEEN HIS COUNSELOR?: Who has told God, let me tell You how this ought to be done. Obvious answer is nobody.
Romans 11:35		35 Or who hath first given to him, and it shall be recompensed unto him again?

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 11:36		36 For of him, and through him, and to him, are all things: to whom be glory for ever. Amen. Context: What God has done in this DOGG. He brought it in, the genius of how He did it, and the glory that is going to be His because of that. Focus comes down: 1. DOGG-v5-7?? 2. God's genius in getting it done-v33 3. The glory that God is getting in getting that done-v36 MM says God is going to receive eternal glory from what is taking place in this DOGG, therefore, Paul BESEECHes us in Romans 12:1.
Romans 11:36		36 For of him, and through him, and to him, are all things: to whom be glory for ever. Amen. This is another reason MM doesn't think He will cut this thing off before it is through giving everything it's got to give. Every son you cut off glory that's going to the Father. You know the Father is waiting for FES. Paul is trying to describe this in every way possible - FOR OF HIM, AND THROUGH HIM, AND TO HIM: It's all from Him, about Him, through Him. It will be TO HIS GLORY.Three prepositional phrases: 1.. OF HIM: He is the Author of it. He is the One who had the Wisdom to think this thing up. Just read verses on who counseled or advised Him. This is His. 2. THROUGH HIM: He is the One carrying it out. He is the One making sure this gets done. 3. TO HIM: Sounds like this whole DOGG is toward Him. Means this thing is in perfect accordance with the way He mapped this plan out to begin with. This is not God changing His Mind because Satan headed Him off at the pass with the firstplan, this plan was in place from the very beginning. It's still in motion doing exactly what He wanted it to do. You may look at it and say like the Jews (well, I guess God's word wasn't doing what it was supposed to do), but God's DOGG is doing exactly what He wanted it to do. ALL THINGS: All the things pertaining to the DOGG. MM says not all things like buttered popcorn and ball parks. It's all things in this context. Not talking about everything you could name on the supermarket shelf, he's talking about these things pertaining to this DOGG. TO WHOM BE GLORY: FOR EVER: Tells you how long. God will have eternal glory because of what He did with the DOGG.
Romans 11 -> 12		**NOTHING ABOVE THIS IS THE EDUCATION THAT ALLOWS YOU TO FUNCTION WITH HIM IN THE HEAVENLY PLACES. Not what you are being qualified to do there. All of the above is the necessary education to be now educated as a son.**

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12-16		NOTE: MM says a lot of these words are not in the text but it is what is being described. Five core features (or attributes) of godly love. These are: Romans Education Part 1 - Sonship Checkpoint (Romans 12:1-2) - Function: Readiness Assessment - assess how ready we are to start the education • Godly Commitment: Romans 12:1-2 Otherwise it is just data. GH: Commitment is needed for LOVE. MM says our love for our Father and His Business means we are committed. • Committed/Commitment [If I have not charity, I am nothing-1 Corinthians 13:1-2] When we make a commitment to our Father we are committing to be transformed by the renewing of our mind and that means that we will take on what He loves (what He values and esteems) for the same reasons.
Romans 12-16		WISDOM: Romans Education Part 2 - Wisdom (Romans 12:3-16) • Godly selflessness: Romans 12:3-8 • Selflessness [Charity...seeketh not her own-1 Corinthians 13:5] The next part of the transformation changes how we think about ourself. • Godly kindness: Romans 12:9-10 • Lovingkindness 'Charity...is kind-1 Corinthians 13:4] The next part of the transformation come by transforming the way we think about and treat the saints. • Godly tenderness: Romans 12:13-15 • Longsuffering/Meekness [Charity...suffereth long-v4...is not easily provoked...endureth all things--1 Corinthians 13:4, 5, 7] We value & esteems the opportunity for our enemies to come to Christ more than the satisfaction of immediate justice.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12-16		JUSTICE: Romans Education Part 3 - Justice (Romans 12:17 - 13:7) • Godly meekness: Romans 12:17-21 * Charles Smith: Meekness: Differs from mildness, gentleness, and softness in being never applied, like them, to deportment (MM: your behavior/conduct), but only to the temper or character. It is a theological virtue; but with the world at large it is not in favor(MM: the world doesn't like it); when has been imposed upon it the idea of excessive submissiveness (MM: no backbone, cowardly - that's a wrong definition for meekness). Meekness results from the absence of arrogant self-will or self-assertion. It is the quality which meets not violence with violence MM: RECOMPENSE TO NO MAN EVIL FOR EVIL-Romans 12:17a. • Godly benevolence: Romans 13:1-7 • Propriety [Charity...doth not behave itself unseemly--1 Corinthians 13:5] We value and esteeem the ordinance of God which leads us to be subject to government and lead a quiet and peaceable life. Propriety: Means proper conduct. MM's definition: Is conduct befitting the situation or circumstance properly. If you are going to a wedding you dress up because there is a proper conduct that fits the occasion. Going to the beach, you don't put on a tux. OED: Propriety: Fitness, appropriateness, aptitude, suitability; appropriateness to the circumstances or conditions; *conformity with requirement, rule, or principle*; rightness, correctness, justness, accuracy. MM says if there is something we V&E then our conduct reflects that. Why you don't use fragile and sentimental things for every day use. If you V&E government, then your conduct will properly be fit to the ordinance of God.
Romans 12-16		JUDGMENT: Romans Education Part 4 - Judgment (Romans 13:8 - 14) • Two sayings - 1. Obligated to love 2. Love works no ill: Romans 13:8-14 These are the things that we V&E because our Father does and we V&E them for the same reason that He does. 4 Decision Making Skills: You will be able to make decisions in every area of your life within the Will of God. That's something that every believer wanted back in the systematic theology days. Everyone wanted to know what was God's Will, I have a decision to make, what does God want me to do? You have liberty as a son/daughter to make that decision but your not making that decision blindly, your Father is actually educating you. Wisdom and Justice are spelled out to you very plainly. Judgment and Equity you have a bunch of guidelines and you're going to have to being to determine things for yourself. These are getting into an area where you can become a real threat to Satan and what he wants to do. Not that you weren't before but you still have a lot to learn.

Romans 12-16		EQUITY: Romans Education Part 5 - Equity (Romans 14:1-15:7) Romans Education Part 6 - Final Issues (Romans 15:8 - 16:27) - Romans 15:8-33: A reiteration of the dispensational change and Paul's special apostleship in connection with it. - Romans 16:1-16: Paul is going to talk about his godly love for the saints at Rome - talking and demonstrating. - Romans 16:17-20: Paul's warning and instruction to them concerning Phase 1 of the POE against them (and us). - Romans 16:21-27: Paul underscores the design and purpose of this epistle. He is making sure that that we are stablished.
Romans 12-16		MM says you could respond but for something more important, meekness says I'm going to NOT respond.) or force with force or clamor with clamor, but endures provocation and submits to wrong. MM says meekness doesn't mean that you are afraid or that you are cowardly but that you have chosen to endure the wrong that has been done to you and not to exchange violence/evil for violence/evil. Choosing our Father's POV and not the world's POV. We V&E what our Father wants to do in the life of our enemy more than we want to see them be punished for what they have done.
Romans 12-13		Our (transformed) relationship to: - the God the Father - Romans 12:1-2 * Presenting our bodies a living sacrifice; POE wants you to look at God in a different way: 1. delivering you from every bad circumstance & that He is supposed to do that - the body/ourselves - Romans 12:3-8 * As being an integral part of a body and how we are to serve one another. In Sonship, realize you are no longer an individual but you are part of a body and you have an obligation to function as part of that body so the body as a whole can do what it is supposed to do. Esteem others greater than ourselves. The education of others should come ahead of yours. - the individual/all the other saints - Romans 12:9-16 * View the saints of this assembly as so valued and so esteemed by us that our goal is to advance and increase the other people in this room. - our enemies - Romans 12:17-21 - the government - Romans 13:1-7 - our neighbor - Romans 13:8-10 - our time/time - Romans 13:11-14 Every part of our life is going to be covered by Paul.

Paul doesn’t name them. But, if you were to stop and analyze what is taking place in your inner man, you would likely put these names to their working. **Obey the doctrine -> Get edified unto godliness**
Romans 12-13	God's Operations	Romans 12:1-2: Our relationship to God, the attribute is that we are committed to Him, we're going to present our bodies a living sacrifice. And we want to be transformed by the renewing of our mind and there is an operations in that one with God that we are going to function as his son. That's **the operation - the development of you as a son**. God has an operation that He is utilizing to trying to get you to be a son. Romans 12:3-5 or 8 or 10?: Second operation is about the local assembly. Selflessness is the major attribute of godly love and you are learning that you are part of a body, you are not a lone ranger out there trying to serve God on your own by yourself. You've got to learn this within the framework of the body and the other members of that body have to be more important to you than you are. This is the second operation. He is teaching us this here so when we get up there we won't all be just lookinng at Him like huh, what do we do? Romans 12:9-10? The relationship to the other saints, they may not be part of the local church, and how we treat them with godly lovingkindness. KIND/KIN = how you feel about people who are part of your family. Romans 12:12-21: About our enemies and the Lord gives us instructions on it. These are personal enemies, they are not just enemies that are opposed to Sonship. We are being an ambassador in hopes that the gospel is going to make a difference in these people. If they are already saved and don't love you, then you will be an ambassador as far as bring a son is concerned.

Romans 12-13	God's Operations	Romans 13:1-7: Government and the attribute that went along with that. Learning how to be a citizen. Because government has a role in the plan and purpose of God. Romans 13:8-10: Learned about our relationship with our neighbor. When you learn about that relationship and the love you are supposed to have with your neighbor. The operation of God is He is teaching us how to be a good neighbor. Maybe they are not part of your church. Maybe they are not part of the body of Christ. Maybe they are just someone that you are around. They are not an enemy, just someone that you are around right now. Romans 13:11-14: Our relationship with the adversary. We will be MORE THAN CONQUERORS-Romans 8:37. We will be in contention with him and suffering an attack from him. After you are told to CAST OFF THE WORKS OF DARKNESS, the very next things you are told is PUT ON THE ARMOUR OF LIGHT. Another way to say this is A GOOD SOLDIER OF JESUS CHRIST-2 Timothy 2:3. You are involved in a conflict with God's worst enemy. All of the above are God's operations. MM doesn't want you to say what is God doing in this? Most of the operations are about you and your impact on others. But in this second component of judgment, you are now going to engage in an operation that actually now impact the adversary.
Romans 12		After He's taken you through the Orientation, the Establishment, the dispensational change, and now you know things are going to be different for you in this age than they were in Israel's program. v4-5: God uses the physical body as an analogy of what the local church is suppposed to be. Work of ministry includes 2 issues (1 Timothy 2:4): 1. Give the gospel to the lost 2. bring those newly converted people into the local assembly/Edify the saints unto godliness/with an end toward godly edification (so important to carry out God's operations in the DoGG) Where this assembly gets changed. You are going to be faced with offices. Every single one of us and God is not picking your office. The Spirit is not going to lead you to an office. As an adult son with liberty in decision making, your Heavenly Father is going to show you all of the offices that are available that make up this single body and you're going to get to decide for yourself which of those offices you want. If you see most of the offices are already filled except 1 that you are not excited about, are you obligated to take that one? MM doesn't answer. You'll choose offices based on your character lining up with that saying, that really suits me. When it comes to implementing your Sonship decision-making skills, both the evil man and the strange woman are working to get off the right path and on paths of darkness.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12		Paul is going to talk about a variety of life issues. - He is going to talk about being a citizen of country and responding to those who are in authority, whether they be on the local, state or federal level. (Romans 13:1-7) - He is going to talk about being a husband or a wife. He is going to talk about being a parent to children. (Ephesians 5:22-6:4) - He is going to talk about being an employer and an employee. (Ephesians 6:5-9) - He is going to talk about living with your neighbors. (Romans 13:8-10) In all of the various relationships that make up your life, you are going to choose a "path" to walk for each one of them. They are "paths of judgment." You are supposed to "judge" which path you should take with regard to each of the aforementioned areas. Your instruction in wisdom, righteousness(GH: justice), judgment and equity give you the capacity to know every good path. Satan can't try and make you quit your Sonship yet and the world doesn't care if you are in Sonship and your flesh doesn't know the difference. The adversary knows but he is being held in check (GH: till Romans 13:12).
Romans 12		MM says Paul has had a real economy of the way he is saying things. In other words, there's a lot of information that's packed into this chapter. 1. He starts out by beseeching us and it's the mercies of God that are motivating us to do the things that he is asking us to do and what we are being asked to - the first thing - is to present our bodies a living sacrifice. By that, we know that there's going to be some physical suffering that we're going to endure because we live in a fallen world. We realize God is not going to wave a magic wand and ward all that off. That's not what's being talked about by our apostle in this DOGG. 2. Our mind is going to be renewed, we're going to get to thinking about things in a very different way - this is the first aspect of godliness. The second aspect is to begin to live the way God would live if He were in your situation. Once these 2 parts get established in us, then the third part comes up and that is our ability to labor with God in what He is doing. We have the grand privilege of not just laboring with Him now on this earth in areas that are specific but we also have the ability to labor with Him one day in the heavenly places in eternity. That's a great privilege that's been extended to us because He's made us part of His plan and purpose. 3. We started thinking about: - v1-2: our relationship to God differently - we need to conform our thinking to the way our heavenly Father thinks - v3-16: our relationship to other saved people differently - ability to V&E certain things - our Father's Business, each other - the godly love we have for each other is supposed to transform this assembly - v17-21: our enemies differently - moves us into the area of godly justice - what are God's norms and standards for our conduct and behavior.

Romans 12	GH: Groundwork from MM you need going into the education	Everything you do requires groundwork. Have to learn the alphabet before you read and write. Study today is almost like a break from Sonship and is necessary foundation work or background work that's going to let you see this thing the way your Father sees it. This Cause this Purpose this Business that our Heavenly Father is conducting right now that will take us to the Business that will be done in eternity, that is the issue at hand. MM should have said a couple of things back then and he will say them now: - We know that God loves us. We know that God loved us when we were sinners (He sent His Son to die) and if He loved us that much when we were sinners, He loves us that MUCH MORE when we belong to Him (Romans 5:8-9). He loves us in spite of everything about us. People have different personalities, people like different foods, people have different ideas on how the world should run, people have different priorities - notice your Father doesn't come along and correct anyone of those in order to love you. - Right after we make the cry of ABBA, FATHER-Romans 8:15, He introduces us to His Business and that chance we have to be JOINT-HEIRS-Romans 8:17 in it. We see the GLORY THAT SHALL BE REVEALED IN US-Romans 8:18 up there. We see those SUFFERINGS have an affect in our inheritance in this Business. We see the creature has a HOPE-Romans 8:21 that it will one day be delivered from THE BONDAGE OF CORRUPTION-Romans 8:22 by us. It is waiting for that. We see the creature waiting to be delivered into the glorious liberty of the children of God-Romans 8:21. We see we are getting a redeemed body for His Business-Romans 8:23. We see we are CALLED ACCORDING TO HIS PURPOSE-Romans 8:28 or Cause. We see nothing will separate us from the LOVE OF CHRIST-Romans 8:35 (MM asks can you think of anything Christ loves more than the Father's Business?)

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12	GH: Groundwork from MM you need going into the education	This is all about/all pointing to His Business. He is resting everything on us. (GH: MM tying in Romans 12:11). The new identity makes it possible to live for God but it doesn't force us to live for God and doesn't guarantee we'll live for God. Point: **We have to remember what we are doing in every situation in life and remember WHY we are doing it and it is our Father's Cause that has to be in the forefront of our mind**. - We are to see that all of the things that are happening to us, not just some of the things, all of the things that are happening to us are meant for our Sonship skills/education to be put into practice and that is going to train us for what we'll be doing in the creature. God is doing something now in this DOGG and He is not doing the material things. MM realizes you couldn't just stand up and say this a lot of places, it would be a problem. Running out of gas, flat tire, scratchy throat, etc. are not Him. Because we live in a fallen world and we all suffer from the SOPT, GH: we realize God is not putting His Hand between us and our outward circumstances. Today, God is doing something in the Heavenly Places even though Satan controls them for the most part and it is his minions that are in control in those positions of principalities and powers. MM is trying to set the stage so we can see the bigger picture for this. Things to understand: 1. When God created the heaven and the earth, He always seperates those 2 out, there's a pattern to that - THE HEAVEN AND THE EARTH-Genesis 1:1 (singular) - THE HEAVENS AND THE EARTH-Genesis 2:1 (plural - in Genesis 1, God makes a division so there's actually 2 parts to it now or 2 heavens) - THE HEAVENS AND OF THE EARTH-Genesis 2:4 - THE EARTH AND THE HEAVENS-Genesis 2:4?
Romans 12	GH: Groundwork from MM you need going into the education	We would say universe for everything but God separates those out and He separates those out every time for a reason and understanding that reason will shed light on what we are doing in Romans 12. This pattern is still in play outside the Creation account - looking at them separately: - HEAVEN AND EARTH-Exodus 20:11 - O YE HEAVENS, AND I WILL SPEAK; AND HEAR, O EARTH-Deuteronomy 32:1 - LET THE HEAVENS BE GLAD, AND LET THE EARTH REJOICE-1 Chronicles 16:31 (notice instructions go to both) - HEAVEN...THE EARTH-Nehemiah 9:6 - ABOVE THE HEAVENS...ABOVE ALL THE EARTH-Psalm 57:11 - THE EARTH...THE HEAVENS-Proverbs 3:19 - HEAR, O HEAVENS, AND GIVE EAR, O EARTH-Isaiah 1:2 MM says this is not just that poetic, Elizabethian King James English. It's not poetic, it is teaching us something and it is there for a reason. POINT: Everywhere He mentions this, God never lumps them together into a single term (GH: What about THE WHOLE CREATION-Romans 8:22?). God does talk about them corporately.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12	GH: Groundwork from MM you need prior to going into the education	MM draws the whole creation on the white board. Heavens: Three heavens: - Third Heaven: The abode of God. Already there when the action of Genesis 1 took place. The angels are already in place. Is out beyond the creation of the heavens and the earth. Wouldn't know anything about the THIRD HEAVEN unless it was recorded in the Bible. MM believes the Bible teaches us it was already in place. Here's what MM knows. No man has ever peered into the third heaven. Scientists would say the universe is never ending but not according to the Bible. It was a created thing that certainly doesn't reach everywhere because there are areas that these heavens don't reach and don't include. There is something that would keep you from looking into the third heaven anyway, the Bible says it's like a MOLTEN LOOKING GLASS-Job 37:18 or it's a mirror and you're not made to be able to see that anyway. - Second heaven: We call it the universe, outer space, but God never calls it that, He calls it THE HEAVEN or THE CREATURE. Could call this the CLOSED firmament of the heaven. Have the sun, the moon, and the stars (Genesis 1:17) in a heaven. You are not going to function out there like you are going to function in the first heaven. When you get out there, you will need some things just to be able to survive out there. IN THE FIRMAMENT OF THE HEAVEN-Genesis 1:15.
Romans 12	GH: Groundwork from MM you need prior to going into the education	When God created the second heaven, He created a government and He established that government in the second heaven. MM slicing the second heaven circle drawn around the earth into 24 slices. MM says this has some relevance to you because this is where you are going to spend eternity if you know the Lord Jesus Christ and are part of this DOGG. You are going to get a glorified body and go to work up there. He divided up the created heaven to establish a government and in that government here's what you have - everyone has a PRINCIPALITY. There are also POWER, THRONES, MIGHTS, DOMINIONS (GH: new order: thrones, dominions, principalities, powers, mights) - all of these are mentioned in your Bible as positions of authority that God established in His government up there in the heavenly places. The 4 decision making skills we are getting as sons and when you learn about governmental justice, you're going to learn the purpose behind the structure of government. Government is a divine institution and God is the Creator of government. There are several things that God is the Creator of and we call those divine institutions. The divine institutions have a very specific thing that they are supposed to be doing in accordance with why God created them. God created government to do something and He tells us in Romans 13:1-7 exactly how a son is going to live in any government on the face of the earth, even if it is a Muslim-controlled country. God created His government (GH: in the heavenly places), but God created human government for a purpose. When God created His government in the second heaven, this is before Lucifer rebelled. God didn't have in mind punishing evil when He created government so government now has another purpose that will include that.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12	GH: Groundwork from MM you need prior to going into the education	That's why governments pass the laws and enforce the laws at every level. Now man has tacked on a bunch of stuff in addition to what God created government to do. But every goverment in the world is doing this one thing and that is to control chaos and if it doesn't do this, it won't last and will be taken over by someone who is. It has never failed to be that way. As long as government does this one thing, you can practice your Sonship, even over in the Middle East where they don't necessarily appreciate Christianity. Understanding the government of God is foundational to understand godly governmental justice in Romans 13:1-7. Just like there is a federal government and state goverment and local government, GH: government in the heavenly places is set up like that as well. - First heaven: Is literally the atmosphere around the earth, where the birds fly. OPEN FIRMAMENT OF THE HEAVEN-Genesis 1:20. Earth: MM says the creation isn't everything, it is just that which God created in which He was going to place mankind. He could have created all this in the beginning but there's a plan and purpose for this. If you are building a house and you know how many kids you are going to have, you are thinking I'm going to need more than 1 bedroom. This is what God is doing, He is planning in accordance with a purpose that He needs to accomplish out there. So Satan comes and he has a plan, he wants to be possessor of heaven and earth. What Satan means in Isaiah 14:14 when he says I WILL BE LIKE THE MOST HIGH. To do this, the very first thing he does is he starts a rebellion in the second heaven. Revelation says he drew a third of the angels to rebel with him.
Romans 12	GH: Groundwork from MM you need prior to going into the education	But the third he got to rebel with him aren't just any angels, he targeted the ones that are in authority and that have control of all of the government of God (PPMTD->New: TDPPM) because they can control the heaven. When Satan is done, he gets every single space (GH: of the 24 spaces) but 1. Only 1 principality (top guy in each of the 24 areas) refuses. The only one that did not follow Satan's rebellion. Satan would like to get that last one because if he can, it would be much easier to hold onto control of all of the heavens. But he is not just after the heavens, he is after the earth as well, these are two different realms, why the Bible talks about him separately. Just because he has the heaven doesn't mean he automatically has the earth, it's a different realm. So he comes to the earth, puts that temptation out there and Adam falls, who was supposed to subdue the earth and have dominion over it. When Adam falls, he no longer does that. Remember, he was suppose to subdue every living thing that flew in the air, swam in the sea, or was on the land. Today, find out where you are on the food chain, go to certain parts of this earth or certain parts of the sea. There are predators on this earth. Adam loses control but someone else gets it. Because of this, Satan earns two names: - For the heavenly places, THE PRINCE OF THE POWER OF THE AIR-Ephesians 2:2 - For the earth, THE PRINCE OF THIS WORLD-John 12:31, 14:30, 16:11

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12	GH: Groundwork from MM you need prior to going into the education	These are the 2 names that tell you that even though Satan has sort of stolen possession of the heaven & earth and controlling the heaven and earth, and he has these 2 names that indicate that. God knew everything before it happened. He knew Satan would rebel. There's a necessary purpose for Him letting Satan do what he does. God didn't ordain for Satan to rebel and He didn't say I AM going to create a rebellious angel that's going to be evil. But He did give those angels an ability to make decisions. If you love God, is it because He makes you OR because you choose to? Which brings Him more glory? Do you want your kids to love you because you are going to wear them out if they don't or do you want your kids to love you because they really love us in their heart. This is what every parent is after. When Satan rebels in the heavens and he gets control and then gets Adam to rebel and he gets control, everything he is doing from that point forward is solidifying his hold on the heaven and the earth. If Satan could get control of the whole heavens and get control of the earth and put those together, you have no idea how hard it would be to reconcile those back away from him. That's what he's trying to do and what God has chosen to do is to repossess the heavenly places back to Himself and to possess the earth back to Himself, but He has not chosen to do it by His omnipotent power. He has chosen to do it by using 2 weak, fragile entities. For the earth, He has chosen the nation of Israel to reconcile the whole earth back to Himself. This has been an ordeal. He created them, He brought them into existence, He gave them a land, He performed those miracles on their behalf, and what did they do? They worshipped other gods, they broke His laws, rebelled against Him, in the Temple they lost the word, the OT scriptures and one day when they're doing a cleanup somebody finds a Book containing the O.T. scriptures. They bring it to the king and they go what is this? MM says this is almost beyond belief. Then the King reads it and says oh my goodness, this must be the word of the Lord? How far are you from God when you have turned His Temple into a house of prostitution and it's been that way so long that when they for all intent and purposes, let's call it find a Bible, nobody knows what that is? That's been an ordeal but **God says I CAN snap My Fingers and I CAN do this and I CAN repossess the earth. Satan and all of his cohorts will be in the lake of fire. I CAN end it all. But see, that is the boast that Satan makes. Yeah, You are bigger and tougher than everybody else but the truth is, people would rather live in my world than Your world, God**.
Romans 12	GH: Groundwork from MM you need prior to going into the education	That's Satan's boast. And God is saying, you know what, I DON'T have to use my omnipotent power, I WILL show you I AM: - the only One qualified to be possessor of heaven and earth - the only One worthy to be possessor of heaven and earth - the only One/nobody else can do with the creation what I can do and I don't have to miraculously intervene here in the physical circumstances to get it to turn out My Way. I DON'T have to override you, I CAN make this happen and we'll all play by the same rules and we'll see who deserves to be the possessor of heaven and earth. The Bible says at the end of that, EVERY MOUTH WILL BE STOPPED-Romans 3:19 and even Satan and his cohorts will have to admit that He alone is worthy to be possessor of heaven and earth. He alone is worthy to be God. That's the cause that your Father has invested in. Why MM thinks there are 24 areas in the heavenly places and all but 1 fell, which means Satan has almost total control. People may say, wait, wasn't Satan defeated at the Cross.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12	GH: Groundwork from MM you need prior to going into the education	MM says, indeed, defeat was procured right there at the Cross. But God hasn't repossessed the earth back to Himself, has He? Before He does that, there's something that He must to do to allow for the repossession of the heavens. Because Israel, in their program, is only promised a kingdom on this earth. If you repossess the earth back to Yourself but all the heaven still belongs to Lucifer, what good is that? He IS the Creator of heaven and earth, not just earth. It's all going to be His. And that's where we come in, the body of Christ. We are the ones being prepared to reconcile the heavenly places back to Him. So He HAS got 2 realms, 2 programs, Israel on earth and the church the body of Christ in the heavenly places. God is saying He is not going to miraculously intervene in what is going on with us in order to get what I AM trying to get done accomplished. But it will get done as a result of something Satan can't do and that is CONFORM YOU TO THE IMAGE OF HIS SON-Romans 8:29, not by the snapping of His Fingers or the waving of His Hand but by the effectual working of His word you get conformed to the Image of his Son. As this happens you begin to think like He does, see things His Way so that when you get up there you will labor with Him in what He is doing. MM thinks the government of God is divided into 24 sections. Lucifer's rebellion captured all but 1. MM talking Revelation 4 and the 24 elders with crowns. Of the 24 principalities, MM believes 12 have a direct correlation to the earth, not saying they are on the earth, but they are directly connected to the kingdoms of this earth which occupy geographical areas.
Romans 12	GH: Groundwork from MM you need prior to going into the education	These 12 kingdoms occupy geographical areas on the earth just like the 12 occupy geographical areas in the heavenly places. On the earth, when God finishes His Program with Israel out in the Kingdom, He is going to take the earth and divide it up into 12 geographical areas. 12 because each of the 12 areas are going to be under the dominion of one of the 12 tribes. So 12 of these 24 seats are going to correspond to those 12 areas on earth. Those 24 elders are the ambassadors from the Throne Room of God to each of those 24 divisions of His Government. These are guys who are IN the Throne Room, listening to the Father knowing what He wants and they are not just representative but you could say the ambassador to each of the rulers that are out there in the 24 divisions of the government out there. This is how MM gets 24 of them (GH: principalities). 12 of the 24 correlate to the earth (GH: Deuteronomy 32:8) and the 12 tribes. The whole earth is going to be separated according to THE NUMBER OF THE CHILDREN OF ISRAEL. We have already seen PRINCIPALITIES from PERSIA and GRECIA-Daniel 10:20. If 12 of the PRINCIPALITIES have a direct connection to the earth and the other 12 are connected to the way the heavens are divided up. GH: Most myths and fables started out with an element of truth.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12	GH: Groundwork from MM you need prior to going into the education	Think about the 12 major signs of the zodiac. There's an O.T. reference - MAZZAROTH-Job 38:32 that references these. MM drawing the earth and an ellipse around it with all the 12 constellations from Virgo all the way around to Leo. In addition, you have the little constellations associated with the 12 big constellations called decans. Each of the 12 major constellations has 3 more decans attached to it. All of these together give you a picture of what is happening up there. The story of God starts in the stars. Starts with the Virgin Birth of the Savior (Virgo). MM says this is all Israel's program but it ends with the Second Advent of Jesus Christ coming back to set up His Kingdom. Revelation calls Him the Lion from the tribe of Judah (Leo). The whole story from His Birth to the Cross to everything, everything is in those stars. Astronomers today want to change the star charts to something else. But they don't ever change the names of the stars and the names of the stars are very revealing. - EX Gemini, The Twins has to do with the dual nature of the Lord - God in the flesh yet very man. - EX Scorpio has a red star in the middle pictures the Redeemer. Find out that star name is talking about the Redeemer.
Romans 12	GH: Groundwork from MM you need prior to going into the education	They can prevert the picture and connect different stars but the star names don't change. Point: The whole universe gets divided up by those 12 constellations. What a coincidence that 12 for the earth and 12 for the heaven make 24 and there's your 24 seats. With elders wearing crowns of gold because they are royal emissaries to every section of God's government in the entire creation. That's where the 24 come from. This is also why Jacob had 12 sons. God had this whole thing figured out from the beginning-Matthew 25:34. When God does something on earth is it is because there's already a reflection of it up in the heaven. The things that are there in the heaven are first, the things that are here follow. If Satan owns 23 of the 24 divisions and we know why MM thinks there are 24, and if God is doing something up there right now, what is it He is doing and how is that getting done? What does He intend to have going on up there because there is an impact that is made that He intends to have made in the heavenly places. MM says Romans 12:12 is the very heart of that invisible impact that God is making in heaven in the invisible realm and He is doing it with us (GH: the body of Christ). And Romans 12:12 is the heart of that matter. We have to stop thinking about this wrongly and have to start thinking about this properly. God is not manipulating things down here so it will all turn out.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12	GH: Groundwork from MM you need prior to going into the education	He is going to give us grace to go through those things and it is us responding properly to that grace in our lives to every circumstance of life that make that impact up there. The Power of His Grace is not just snapping His Fingers to change it all up, the Power of His Grace is that you can go through this thing as His son in such a way that something happens to those principalities and powers up there that affects them. God is not doing it by His omnipotence, He is doing it through earthen vessels that are nothing more than the product of His word effectually working in their inner man and He is not going to make that happen, you have to choose to do that. This is the thing that will undo Satan's realm. God says you want to know about my manifold Wisdom and you want to know about the Power of My grace, I can take these earthen vessels which are no match for the angels up there and I can turn them into something that is absolutely going to repossess every inch of those heavenly places back to Me and I AM not going to have to miraculously intercede on their behalf one single time. Satan does not own a power like that. MM says he is not qualified to be the possessor of heaven and earth, only our Father. **Every time we refuse that grace and respond to our situation like the world, that advances the adversary's cause. And when we respond to it the way our Father says, it advances His Cause. MM says there is a battle going on here. Paul said that we're not wrestling against flesh and blood, we're wrestling against principalities and powers**. You will never see the impact (GH: that you are making) while in this (GH: fleshly, unredeemed body with sin in its members) body. God had an overall purpose for creating the earth and the heaven. He created that with something that He wanted to accomplish in mind.
Romans 12	GH: Groundwork from MM you need prior to going into the education	For the earth, He wanted to set up a residence where He could dwell, not outside of, but in the midst of His Creation. He was going to extend His Righteousness into the heavens and all of that is meant to accomplish something. Even though we know God was going to do that, Satan comes along. orchestrates a rebellion in the heavenly places, all of the principalities but 1 rebelled with him, and followed him in that rebellion. So God is not going to (GH: yet) be able to accomplish what He wanted to do with the heavens. And now, with the fall of Adam on this earth, Satan has arrested control of the heaven and the earth and he has something he is going to try and do with that. Though God had the Power to immediately cast Satan into the lake of fire, in His Wisdom, not an oversight, there is wisdom in the way He is doing this, He finally chose to reconcile the earth back to Himself using a people of His own creation, the nation of Israel. When He decided to do that, He made covenants and promises in connection with that so that there is going to come a time, not through God snapping His Fingers and suddenly making everything line up again, but through His people GH: He would reconcile the world back to Himself. For the heaven, He will use the body of Christ. But we are just people and something needs to be done with us to be able to do that. Before God can use Israel to reconcile the earth back to Himself, because they are from Adam and Adam fell and everyone from Adam is born with a sin nature, Israel, in and of themselves, is not capable of doing what it takes to reconcile the earth back to God.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12	GH: Groundwork from MM you need prior to going into the education	They are not even capable of producing righteousness that is acceptable to God and they certainly are not holy. So God has to solve the problem of their spiritual fitness. He has to do something now to make them spiritually fit to be utilized by Him to reconcile the earth. The same thing is true for us. We may have heard the gospel (GH: of Christ) and received Jesus as our all-sufficient Savior, but just because your sins are forgiven, doesn't mean you are fit to reconcile the heavenly places back to God. It takes more than that. Because the forgiveness of sin comes out of your justification. MM points us back to Justification and everything we got as part of it. But there's another piece of the equation that has to be filled in, there has to be a way for you to live for God in the details of your life, in a way that not just pleases Him or is acceptable to Him but we have to be able to produce a righteousness that is on par with God's own Righteousness. Even more than that, it actually has to be His Righteousness being performed in us. Man, by himself, can't do this. But God did something for us. In addition to giving us a perfect justification, God gave us a perfect sanctification. This means we now have everything we need to produce this righteousness everyday. We really can live for God. Just because Satan rebelled and usurped control of the heavens and the earth, God did not abandon His Plan of what He wanted to do with them. He is still going to get this done but not by and overact of His supernatural power. God has the Power to snap His Fingers and fix it all but He has chosen not to do that. When you trusted Jesus Christ to be your all-sufficient Savior, He saved your soul and spirit but NOT your body.
Romans 12	GH: Groundwork from MM you need prior to going into the education	That was not an oversight, it was part of a wise plan. By not redeeming that body allows for something to happen. So that sanctification that we have been given has 3 parts - new identity IN Christ (old identity in Adam): 1. We have been made DEAD TO SIN (before we were slaves to sin) - Romans 6:2; Romans 6:11 2. We have been made ALIVE UNTO GOD (before we could not produce righteousness that was acceptable to God) - Romans 6:11 3. We were made to be adopted sons & daughters (before we followed the COTW) - Romans 8:14-15 God had a Purpose when He created the heaven and the earth. That Purpose got sidelined when Satan rebelled. But God did not abandon that original Purpose. He decided instead of just doing something by His Power, instead He was going to use the nation of Israel to reconcile the earth and the body of Christ, that was kept a secret before, to reconcile the heavenly places. To do this, people in both programs need spiritual fitness (perfect justification and perfect sanctification). But living for God out of our sanctification is not automatic.
Romans 12	GH: Groundwork from MM you need prior to going into the education	There's no magic behind it. God is saying I HAVE given you what you need and I HAVE given it to you as a free gift of grace, but you are going to have to do something with that. The third part of that process is adoption - we have been given the SPIRIT OF ADOPTION WHEREBY WE CRY ABBA FATHER-Romans 8:15. If you understand you are adopted and you understand what Biblical adoption is (not western adoption), you realize that everything changed: - No longer being treated as children but now being treated as adults. God now views you differently. Adoption changes things. - No longer under tutors & governors but now you are under the Father. - You are given liberty in decision making. You get to make your own decisions. These things are all in line with the purpose of adoption, which is to labor with your Father in the family Business.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12	GH: Groundwork from MM you need prior to going into the education	If you are an adopted son or daughter of an earthly father, you should now expect some things to happen, knowing what adoption is. - He's going to talk to you about the business itself. - How do you do it (GH: Do the business or operate the business?). The father is thinking I have to teach him all aspects of the Business. - He's going to teach me everything that he knows, starting with the basics and progresses from there MM says these are the very things that Sonship presents to you. People don't get that there's a curriculum but you should expect a curriculum. None of your textbooks use the word curriculum as they are giving you instruction and neither does the Bible. They start out with the basics or where you are and they take you on from there. You get told about the business, you would expect that. You get told your part, you would expect that. The issue of our adoption changes almost everything. If something changes, it implies it's going to be different than what was happening before. MM wants to show us the change because it is kind of fuzzy. God's Work with us as adopted sons and daugthers is not the same as His Work with Israel. The nature of the relationship as we as members of the body of Christ is different than the nature of the relationship that God had with Israel. God did, from time-to-time, supernaturally intervene in the circumstances of the nation of Israel on their behalf. He did that to their benefit and to their punishment, He did both. When they went under the law, which is a performance contract.
Romans 12	GH: Groundwork from MM you need prior to going into the education	If we do good and keep the law, there are good things we should expect. And if we don't keep this law, then there are certain punishments that we should expect. They were all listed - we'll get rain for our crops, we won't have these diseases, our livestock will be plentiful, etc. MM says because people are familiar with the I WILL concept in Leviticus 26 today, they automatically assume that when something bad happens to them, God is punishing them. They also assume that if something good happens, God must have done that. God must have supernaturally orchestrated that so He must be happy with me. Israel didn't have to assume these things because God told them outright (GH: Levitcus 26). The change is unlike Israel, we have no promise of physical blessing just because we are good. MM says this idea is so entrenched with us (GH: the body of Christ). Books and sermons titled 'Why do bad things happen to good people?' assume that we are under a law type of program. They think if you are living for God, then you are not going to have the heart ache and the problems and the pressures that other people will have. Preachers preach this idea. The body of Christ has no such warnings around what you will get if you live for God or what you will get if you don't. That's why it is grace and not law. The one way in the DOGG to not please God is to get a law and try and keep it. You have put your spiritual life to death by that. Obedience to sanctification is not automatic so we are exhorted to do some things and exhorted to NOT do some things.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12	GH: Groundwork from MM you need prior to going into the education	With none of those exhortations do we get a warning that says 'if you do this or don't do this, this is what is going to happen to you'. GH: Since you don't read in your epistles that God is working in your outward circumstance, to believe that He is today you have to assume He is treating you like He is treating Israel. That would be a tragic mistake because: 1. It's not true. 2. That kind of thinking will destroy the elements of your Sonship that are critical to why God is doing what He is doing the way He is doing it today. The reason God adopted us and the reason He didn't redeem your body and the reason He didn't give us an exhortation warning or a promised blessing with those exhortations is all for a purpose. To assume He is doing what He is not doing destroys that purpose. MM says he knows that Rome wasn't built in a day and it takes time to purge that old thinking out of our mind. There is a big difference between how God is dealing with us today and how He dealt with Israel. For Israel, God established a physical pattern with which He was going to deal with them and He follows that pattern throughout their history. When Abraham is promised a seed, that's a physical seed, he is promised descendants. He is going to make of him a great nation (GH: Genesis 12:1-3), and later talk about how many there is going to be. When He did that, He created a distinction between them and every other people on the earth.
Romans 12	GH: Groundwork from MM you need prior to going into the education	If you weren't Israel, doesn't matter who you were, you were Gentile. The whole earth gets divided up that way. That's a physical distinction. Since God is going to have a physical people, He is going to need a land to put them in (Genesis 15:18-21). This is a physical, material land. Can go over and stand on it. God set a pattern of physical to be able to deal with them. The last thing is when Jesus came, God didn't just put Him into the world accidently, but He put Him into the world as an Israelite (John 1:11). Jesus was born as part of the tribes of Israel and that was a physical distinction. When God did all this, not only did He set the precedent that I AM going to deal with you in a physical way, He was also going to talk to them about salvation in a phyiscal way. MM is not saying there is no spiritual aspects to Israel. But MM's point is the relationship that Israel had with God was physical in nature - they were a physical people in a physical land. When God was only dealing with Israel, that was a physcial distinction that He was making. When Jesus came, He came as one of them. Our connection with Jesus Christ is not physical at all, it's spiritual (GH: 2 Corinthians 5:16). This is the way we know Jesus Christ. It is not a fleshly, physical relationship, it's a spiritual relationship and we are in a spiritual body in Jesus Christ. This one body in Christ, although we're in physical bodies, this singular body and it's relationship with each other is spiritual. MM teaching Ephesians 2:11 and giving another example of the physical nature of the relationship Israel had with God-the circumcision.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12	GH: Groundwork from MM you need prior to going into the education	The sign for Israel was circumcision and that was a physical sign. An event that every male child was circumcised on the eighth day. That's the way that it was in Israel and it was a physical thing. Our relationship to God is not physical but spiritual. We have a spiritual CIRCUMCISION (CIRCUMCISION MADE WITHOUT HANDS-Colossians 2:11). God is no longer dealing with people according to the physical BUT NOW He is dealing with them according to the spiritual so it doesn't matter who you are physically. When He is talking about taking Jews and Gentiles and making no difference between them (ONE NEW MAN-Ephesians 2:15), He can no longer be talking about a phyiscal issue. The reason why He said there is no more Jew or Gentile, no more male or female, these are phyiscal characteristics. God is now looking at us not from the physical but from the spiritual and the phyiscal doesn't matter anymore. Whereas Israel has a physical land that they are going to occupy, OUR CONVERSATION IS IN HEAVEN-Philippians 3:20. Where Israel will occupy the physical land, we will occupy the heavenly places (OUR CONVERSATION IS IN HEAVEN-Philippians 3:20). MM says the whole idea here is our relationship is not based on the phyiscal, it is based on the spiritual. God even spoke to Israel about the issue of salvation like it was a physical issue and He set a pattern for that. Israel got the phyiscal with the promise of the spirtual and we get the spirtual with the promise of the physical. Israel has been captured in Egypt for 430 years.
Romans 12	GH: Groundwork from MM you need prior to going into the education	Yes, Joseph rose to power and his God was exalted but Joseph dies and a Pharoah comes in who doesn't know Joseph or Joseph's God - he is Satan's man. He is going to begin to persecute the Israelites and put them in what the Bible calls THE IRON FURNACE-Deuteronomy 4:20. They aren't just going under bondage, they will eventually be exterminated. God says it's time to deliver those people out of Egypt and so He does that with the plagues. Finally Pharoah says ya'll get out. They gather the people together and they journey out and get to the Red Sea. They have the Red Sea on one side and Pharoah and his army on the other side and he is coming to wipe them out. The people starting whining to Moses - why didn't you leave us in Egypt, we were better off in Egypt, can't believe you brought us out here in the wilderness to die. They doubted what Moses and God was doing. Moses response in SEE THE SALVATION OF THE LORD-Exodus 14:13. They will see this salvation with their eyes because it is a phyiscal salvation. Physical salvation from a physical enemy. There was a physical threat made against them by a phyiscal enemy and God provided a phyiscal deliverance. They are going to see this with their eyes - God's going to open up the Red Sea, they are going to go across on dry ground, when Pharoah and his army come in God closes the waters and kills them off and they see that physical deliverance. That physical salvation is a pattern that God is going to continue to use with the children of Israel.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12	GH: Groundwork from MM you need prior to going into the education	Examples of the physical pattern (making the water drinkable at Marah-Exodus 15:22-26; manna in the morning and quail in the evening-Exodus 16:6-15; The Lord's rebuke of Sennacherib's boast and saving Jerusalem-2 Kings 19). But when you get to us in the DOGG, Paul uses salvation in a different way-WHOSOEVER SHALL CALL UPON THE NAME OF THE LORD SHALL BE SAVED-Romans 10:13. This is a spiritual salvation and that can't be seen with your eyes, that's invisible. Paul quotes SHALL BE DELIVERED-Joel 2:34. One is a physical deliverance and one is a spiritual salvation. When Israel talked about salvation, they always thought about it in a physical way. When we talk about salvation, we think about it in a spiritual way. MM is trying to show the contrast here. Even when God talks about you being saved, not from the debt and penalty of your sin, but from the effects of the POE, that's still a spiritual issue. When Satan is trying to get you to quit and you don't because of the doctrine saved you from the intended effects of that POE, that happened in your inner man. That was a spiritual salvation. God is dealing with Israel in a very phyiscal way and He is dealing with us in a very spiritual way. When the POE attacks us, God is not putting His Hand between the POE and us. Our salvation is not the physical, material kind. Not blocking that is Wisdom because it is producing something in your inner man that conforms you to the image of His son. Nutshell: If He did put His Hand up there and block the POE from its attacks, He would be blocking the very thing that He is trying to get accomplished IN you.
Romans 12	GH: Groundwork from MM you need prior to going into the education	To ask God to save you from your outward circumstance is to ask God to stop doing the thing that He wants to do more than anything else. What you should be saying is Lord, I want this outward circumstance to work to conform me to the image of Your son because that's way more important than fixing my outward circumstance. MM says it is important to point out there is a spiritual salvation in Israel's program and you see this back in the prophets in Jeremiah 31-the New Covenant. All of the elements of the New Covenant are spiritual in nature. None are physical. Nothing about the land or the seed of the throne or the kingdom in the New Covenant. It's all spiritual in nature, no physical elements to it whatsoever. Israel gets the New Covenant in the kingdom. Paul understood this in writing WHEN I SHALL TAKE AWAY THEIR SINS-Romans 11:25-27. This gets done out in the kingdom. GH: In Israel's TIMES PAST program, there was a physical salvation. In the future, there will be a spiritual salvation out in the kingdom. Today, you have Christians running around claiming that there are signs going on for them all the time. They're interpreting circumstances to produce their own signs because God is not giving them any. The signs were not willy-nilly, God told them what the sign would be and uses THE LORD HIMSELF SHALL GIVE YOU A SIGN; BEHOLD, A VIRGIN SHALL CONCEIVE, AND BEAR A SON AND SHALL CALL HIS NAME IMMANUEL-Isaiah 7:14. He told them ahead of time what that sign was going to be. Another example was Jesus and the sign of Jonah (3 days and 3 nights in the whale's belly & Son of Man be 3 days and 3 nights in the heart of the earth).

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12	GH: Groundwork from MM you need prior to going into the education	The sign, if it is a legitimate sign, is one stated by God. He said this is a sign to look for, He didn't say go around and look at your circumstances and invent a sign because every religion in the world does that. You don't have to be a Christian to do that. Someone in the class said 'that's man's corruption'. Just like they codified the Babylonian Talmud during the 400 years of silence they are inventing their own stuff today. **Israel got the physical in their present (GH: TIMES PAST) with the future look to the spiritual. We (body of Christ) got the spiritual in our present with the future look to the physical (GH: get your redeeemed/glorified body at the Blessed Hope and that is a physical thing)**. MM says see how those are swapped? If God wanted to change your outward circumstance, He would have given you your glorified body when you got saved. He chose NOT to do that for a reason. If we don't see that reason, we don't see His Cause, we don't understand what He is doing with us, and our prayers and thoughts are going to be contrary to the very purpose of not doing that. MM says this sermon will get you fired in most churches because everything he was ever trained to do as a preacher was to pray for folks to get well. Sometimes you get well, sometimes you don't and we all come under something and we die.
Romans 12	GH: Groundwork from MM you need prior to going into the education	Point: If this issue isn't clear for us, when we get into Romans 12:12, there will come a circumstance into your life that instead of seeing a HOPE that you can REJOICE in that makes you PATIENT IN TRIBULATION, you're going to ask God to make you the exception to the rule. Now, you're going to be thinking and conducting yourself and talking to Him to contradict the very thing He's trying to accomplish IN you. Asking God to do that (GH: fix your outward circumstance) will never conform you to the image of His son, you are torpedoing your own Sonship. We have to stop thinking about things like we are back in Israel's program. If any of this is lingering in your mind, the POE will get you in the corner where you begin to second guess the doctrine and you will succumb to the effects of the POE. The doctrine is meant to save you from that. God worked with Israel in the physical so much that they even equated salvation as a phyiscal thing, a physical deliverance from their enemies. God is going to do the spiritual work with Israel out there when the benefits of the New Covenant get placed on them. That future phyiscal is a hope for us. If God is interested in doing something spiritual with us, He is strengthening our inner man. When someone believes in Israel's TIMES PAST program, say during the earthly ministry of Jesus, they're preaching the gospel of the kingdom, someone believes that gospel and their sins were remitted. The Bible would call it remission of sins. The remission of sins means that the penalty of consequences of sin has been postponed because the Sacrifice hadn't taken place yet. God couldn't wipe a person's sins away because that Sacrifice hadn't been made.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12	GH: Groundwork from MM you need prior to going into the education	Up until this point, the only sacrifice they had up to that point was the sacrifice of bulls and goats. Only the Blood of Christ can take away sin TO PUT AWAY SIN-Hebrews 9:26. But remission is different than taking away sins, it's not the same thing. The blood of bulls and goats couldn't take away sins like the Blood of Christ can (Hebrews 10:4). This is proved by the Day of Atonement that had to be repeated every year. Jesus only had to die on the Cross ONCE and He not only covered all the sins that had been performed up to that point but He also covered all the sins that had yet to be. That One Sacrifice had the Power to put away sins forever. In the New Covenant, it says I WILL FORGIVE THEIR INIQUITY, AND I WILL REMEMBER THEIR SIN NO MORE-Jeremiah 31:34. This is when He has chosen to do this with Israel. See the genius of God bringing in the DOGG following the Cross. If He is going to deal with us in a spiritual realm, we have to be spiritually fit, with perfect justification and perfect sanctification. That can only be given to someone who has experienced the full benefit of the Cross - forgiveness of sins, reconciled to God, we're no longer enemies, we've been sanctified, made DEAD TO SIN, ALIVE UNTO GOD - see the genius of God waiting and not doing it earlier? If He would have brought the DOGG in before the Cross He wouldn't have been able to deal with us the way He is today. When God dealt with Israel in their physical, He was showing them the only One that can intervene for them physically is the only One that can intervene for them spiritually.
Romans 12	GH: Groundwork from MM you need prior to going into the education	So if God is dealing with us in the spiritual and He's strengthening us IN our inner man, how does He get that done, how does He appropriate that? When God is dealing with us in the spiritual, there are SPIRITUAL BLESSINGS-Ephesians 1:3 and God has already given you ALL of them IN Jesus Christ. You got them when you received Him as your all-sufficient Savior. There is not 1 spiritual blessing that any of us are lacking (Ephesians 1:3). You may not do anything with it but He still provided it. There's no spiritual blessing left to be given to you and all of them were given IN Christ Jesus. Paul lists them in Ephesians 1:4-14 and there is not a physical thing in this list - all are spiritual. So there are no more spiritual blessings to be given. There is nothing waiting for you other than the redemption of your body. **Whereas Israel was trained to fight physical foes, we are trained to fight spiritual foes (Ephesians 6:12). Today, God is not demonstrating his omnipotent power in the physical realm, He is demonstrating a greater power in the spiritual realsm and that is the Power of His Grace**. That's the Power now, the power that strengthens us in our inner man (Ephesians 3:16), that's the power that does that. In the epistles, Paul is writing to the church, the body of Christ, he is only talking about the spiritual aspect of things. Need to understand this (GH: that God is not working in our outward circumstances) for Romans 12:12 to effectually work IN you.
Romans 12	GH: Groundwork from MM you need prior to going into the education	If He wanted to fix all of this, it would have been easy. It's after the Cross we're given spiritual blessings. If He wanted to fix your sickness and your fatigue and your bad eyesight and that pulled muscle, He would have just redeemed your body too. He has the Power to do that but did He make any exceptions? MM says the guy that believes this, when he breaks his leg, takes 6-8 weeks to heal. The atheist, then he breaks his leg, takes 6-8 weeks to heal. If God is in the business of healing today, he's doing a poor job of it. At least half of the people in the room are wearing glasses. When it doesn't happen, they say: 1. You didn't have enough faith 2. You have sin (or secret sins, unconfessed sins, generational sins or sins of the fathers in your life (MM says the only place you can find a verse for this is back in Israel's program - MM stresses the importance of RDW)

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12	GH: Groundwork from MM you need prior to going into the education	MM says he used to believe all this. Recounts the Hawaiian party getting the gospel out and the cold front hitting. Q: What about the physical circumstances? A: We are given: - The HOPE of a REDEEMED body in the future (which should produce a REJOICE-ing) - ties to Romans 12:12a - The SPIRITUAL strength IN our inner man (which should produce a PATIENT endurance) - ties to Romans 12:12b Once you understand what God is doing in the spiritual, if you really understand it, you won't be choosing the physical. you would RATHER GLORY-2 Corinthians 12:9 in the spiritual work because you realize what it is producing is so much better. MM says if you are involved in Sonship or even just living in this world, suffering is going to be part of your life. So if God is not intervening with us in the physical way but He is intervening with us in the spiritual issues, how do I utilize His Grace, how do I get strengthened in my inner man?
Romans 12	GH: Groundwork from MM you need prior to going into the education	MM says he thinks those are the great questions and as soon as he tells you HOW to do it, you should ask what should I expect that to do in me? When I get strenghtened in my inner man, what is that actually going to do? Because if you are injured in a car accident, you are not automatically expecting God to make your pain go away. What should we expect from this strengthening in our inner man? MM ties together two parallel passages - Ephesians 5:18-25 (FILLED WITH THE SPIRIT-v18) and Colossians 3:16-21 (LET THE WORD OF CHRIST DWELL IN YOU RICHLY IN ALL WISDOM-v16) with these two phrases being two sides of the same coin. FILLED WITH THE SPIRIT doesn't mean you are filled with the Spirit, you got the Spirit as part of your salvation package in Romans 5:5. **This is the Spirit being the mechanical means to fulfill you with the WORD OF CHRIST and have it effectually work in you to produce the following:** **- Edifying you unto godliness.** **- Strengthening you in your inner man (by the word dwelling in you)** **- Conforming you to the image of God's son**.
Romans 12	GH: Groundwork from MM you need prior to going into the education	These are all things that the word is doing. The word will do all 3 of these but you are not the one doing this, the Spirit is. Your part is to believe that word. When you say 'I want to be strengthened with might in my inner man', you are going to be told something that takes you back to Romans 12:12. The 3 things in Romans 12:12 are going to happen but you are not going to manufacture those out of your flesh, that is something the Spirit does, but He only does it in response to us believing the doctrine. God is not dealing by physical distinctions anymore - NEITHER JEW NOR GREEK, THERE IS NEITHER BOND NOR FREE, THERE IS NEITHER MALE OR FEMALE-Galatians 3:28.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12	GH: Groundwork from MM you need prior to going into the education	God does not give wisdom by: - just inserting an idea into your head/puts an idea out of thin air in your head about some decision - that's what people think James 1:5 says. There may be times that a thought comes out of the blue but God is not giving you that thought. The only way you get an idea from God, if it is from Him, is because of something you learned in His word and you made some observation about that or got some idea from that. - guiding me and giving me a peace about the decision He wants me to make. MM says there are plenty of things we had a peace about that were absolutely wrong and we have learned them to be wrong. EX sacrments, water baptisms, sprinklings, confessing your sins (1 John 1:9). There things members of the body of Christ knew and things the remnant heard were true and didn't have a peace about them. EX 'Go and sell everything you have and give it to the poor, them come follow Me'. MM says did the rich young ruler have a peace about that? EX Learn about your exalted, glorified position that you will get through suffering. What God is doing in this DOGG requires Him to NOT heal you. - during the course of the day, you cross paths with someone and they're going to say something that happens to be connected to the issue I am thinking about and that will be His way of giving me the answer - closing off circumstances of certain things so you can't choose the wrong thing - He will open up the door He wants you to go through and close the door to the things He doesn't. - open doors He wants you to go through and close those He does not. MM says this is a preversion of Revelation 3:7-8.
Romans 12		Is divided into component parts because it is doing several different things. **Please see 'Sonship : Curriculum Workbook Overview' in the Commentary section**.
	Prayer : Education Prayer: Pertains to Christ IN You (GH: ???)	Start of that education - through 2 Thessalonians.
Romans 12:1-13:10	God's SILVER-Level Wisdom	Is God's SILVER-level (Proverbs 2:4) wisdom/education. Working and getting an income/pay check. Romans 12:1-2: Our commitment to our Father and His Business Romans 12:3-16: Our education in the 2 components of godly wisdom Romans 12:17-13:7: Our education in the 2 components of godly justice Romans 13:8-10: Our education in the first component of godly judgment

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:1-13:7	GH: Decision Making Framework v2 (merged with v1)	Sonship Decision Making Process: MM says this is not a (GH: Law like) list but have to do something to translate what you know into your everyday conduct. Wants you to start thinking about these things on your own and not spell out every last detail for you. We have to get skillful at asking these types of questions. They are in your Heavenly Father's Mind for everything that He is deciding and they've got to start being in our mind as well. MM says when developing this list he recounted times that he should have asked this question or that question. These are things right in the scripture that MM thinks are supposed to guide our thinking. MM says you could double this list. There's a lot more questions to ask out of these but these are the kinds of things that have to start being in our thinking. Can ask the questions in more areas than the one it's in the context of. Can be SELFLESS in more areas than Romans 12:3-8 and can be longsuffering in more areas than just dealing with your enemies.
Romans 12:1-13:7	GH: Decision Making Framework v2 (merged with v1)	COMMITMENT: Is the decision I'm about to make: - going to negatively impact my commitment to my Father? EX Not coming to class. MM says it is easy to make a decision without realizing how it's impacting these areas. v1-2 - in line with presenting my body a living sacrifice? You realize there are things that are going to happen to your physical body that your Father is not going to intervene for. EX Call people up to pray for you. v1 - reflect the renewed thinking I have been taught? EX To know what God is NOT doing today or knowing you are not more important than the body. v2 - going to help or hinder me in participating in my Father's Business? EX Attending class or passing on a Sunday afternoon activity that would keep you from attending class - proving the will of my Father? In what way am I putting His will on display? MM says what we are learning really is His will and we are putting that on display when you have a decision to make. Very valuable question to ask. If it does, then look at questions under Romans 12:3-10.
Romans 12:1-13:7	GH: Decision Making Framework v2 (merged with v1)	SELFLESSNESS: Is the decision I'm about to make: - is this decision selfless? v3 - for my benefits or for the benefit of the body? MM says it is OK to make a decision that benefits you but brings in LOVE WORKETH NO ILL TO HIS NEIGHBOR-Romans 13:10. Remember you are not a lone ranger, you are part of a body and can't be thinking of yourself more highly than you ought to think. We need the other members of the body for this thing to work the way that it is. v4-5 - reflect that I'm part of a body? v4-5

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:1-13:7	GH: Decision Making Framework v2 (merged with v1)	SELFLESSNESS (cont'd): - result in my PARTICIPATING in this body? MM says imagine walking to the back to pick up a piece of pizza and all the members of the body working together and then imagine the feet saying I'm doing my part. The more we become a body the more we benefit but the more 'the feet' in this example negatively impacts us. v4-5 - in COOPERATION with the other members of this body? EX the feet saying I'm doing my own thing. v4-5 - SERVE the other members of the body? v4-5 - RESPONDING to situations of the other members of the body? v4-5 - does this decision result in me laboring with my Father in filling an office? v6-8
Romans 12:1-13:7	GH: Decision Making Framework v2 (merged with v1)	LOVINGKINDNESS: Is the decision I'm about to make: - exhibit LOVINGKINDNESS? EX Helping someone without being asked. v9-10 - motivated by the 'brotherly love' that I have for someone? v10 - am I responding to situations of the other members of the body? - promoting my fellow saints? MM says IN HONOUR PREFERRING ONE ANOTHER. Is this really doing something to advance the other saints? v10 - does this decision demonstrate my care for my fellow saints?
Romans 12:1-13:7	GH: Decision Making Framework v2 (merged with v1)	Business?: - is this honoring the other members of my body? - reflect any SLOTHFULNESS on my part to engage in my Father's Business? v11a - with godly enthusiasm (FERVENT IN SPIRIT) or am I being reluctant? MM says there's a lot of things he does that he knows ought to be done but they are not always done with fervency of spirit. MM says most people are like actors in a play, if you set the stage they will act their part. EX Whether you say 'it's a beautiful day' or 'man, it's hot out' people will fall in line. v11b - engage me in serving the Lord? v11c

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:1-13:7	GH: Decision Making Framework v2 (merged with v1)	Patience?: - reflect that I'm rejoicing in hope? Way not to do this is whining that your body doesn't work like it used to. Have to realize that it's under the bondage of corruption. v12a - reflect my patience in tribulation? MM says a lot of decisions we make are because we are impatient in the midst of something we are not enjoying. v12b - stem from what I have been praying about? You understand that Sonship prayer gets involved in those things. If I'm making a decision to do something about that, then that's a godly decision. v12c - help or encourage those who are not as far along as me? ??? - reflect that I am distributing to the necessity of the saints? v13a - reflect that I am given the hospitality? v13b ??? - does this decision help or encourage those who are not as far along as me? v16
Romans 12:1-13:7	GH: Decision Making Framework v2 (merged with v1)	JUSTICE: Is the decision I'm about to make have anything to do with those who don't like me or are persecuting me: - PROVIDE THINGS HONEST IN THE SIGHT OF ALL MEN? v17 - indicate that I'm being longsuffering? - forgoing justice in order to accomplish something of greater value than seeing my offender punished? v19 - taking advantage of opportunities to HEAP COALS OF FIRE on the head of my offender? v20 - reflect that I'm being overcome of evil? v21 - reflect that I'm overcoming evil with good? v21
Romans 12:1-13:7	GH: Decision Making Framework v2 (merged with v1)	PROPRIETY: Is the decision I'm about to make: 13:1-7 - reflect that I understand God's purpose behind government? - show that I'm looking at government for reasons other than my Father's? - are my actions defined as GOOD or EVIL?

Checkpoint before you begin the next section in the Book of Romans. If you don't pass this checkpoint, it doesn't do you any good to go on. Have a checkpoint that once you pass that checkpoint, you are ready to begin the education proper. Ton of information that if you don't understand it, you won't be able to pass this checkpoint properly. Justification...Sanctification...Exaltation - Mercies taught in Romans 1-11. (Huge) Checkpoint to have to say YES to your Heavenly Father. Not hiding anything from you - you will know what it means to be a living sacrifice. Exhortation before you get to the education. This exhortation should be exciting you to do something, supposed to be animating you and exciting you to do something - make you hop up and down to get started in the Sonship education. Serves more than just an exhortation, it actually serves as a checkpoint. Look at like the security check point before you are allowed into the airport to start flying out with these 4 decision making skills. When you show up at the Airport, you have to produce an ID and a ticket and all that has to be valid and then they will look at you. POINT: If you are going to get into this section of Romans and for you to get there and get it to work, you've got to go through the checkpoint. MM says don't look at as some overbearing cloud of burden that you are going to have to trudge your way through. Checkpoint #1: Romans 12:1 - Purpose: To determine our readiness to begin the Sonship education Checkpoint #2: Romans 12:9a - Purpose: To determine our readiness to move to the next FORM OF DOCTRINE-Romans 6:17 (did that previous doctrine start working in me?)

How having your mind renewed, godly thinking. God doesn't have 1 little path for you - this is who you got to marry, this is where you work, this is where you go to school. There are people who are determinist that think God has only one perfect will mapped out for you and if you ever get off that track you will never get back on. Contain 2 Sonship checkpoints: • These checkpoints determine if we are ready to move on to the education • How we respond to these checkpoints tells us if all the necessary doctrine is adequately working IN us. • These checkpoints are the “tests” by which we know if we are ready to advance to the next category of doctrine

Romans 12:1-2	RE 1: Romans 12:1-2 - Relationship to God: presenting our bodies a living sacrifice / The Sonship Education Checkpoint / GH: Promotion 2 of 3 / VTP : Sonship ? of n - Education	We must not separate the great truths of Romans 12:1-2 from the everyday details of our lives. - what has been done for us and given to us as a free gift of grace - the elements of our new identity in Christ - so grand that no thoughts we could conjure up on our own could ever attain unto what has been done to us and for us - not only have we been forgiven every sin but we have been given the very righteousness of Jesus Christ as our standing before God - our estrangement from God has been changed from enemies to sons! - we have been given a sanctified status whereby we have been made dead to sin and alive unto God so that we could truly serve God out of what He has done and not in the futile efforts of our flesh - to cap that sanctified status off, we have been given the Spirit of adoption in connection with being offered the chance to go to work with our Father in His Business! We must learn to import the great Sonship truths into the small details of our everyday lives.
Romans 12:1-2	RE 1: Romans 12:1-2 - Relationship to God: presenting our bodies a living sacrifice / The Sonship Education Checkpoint / GH: Promotion 2 of 3 / VTP : Sonship ? of n - Education	Final instructions before beginning the education proper. Designed to do something very specific - designed to test us and make us sure that we're ready to move to the first FORM OF DOCTRINE-Romans 6:17. There are two exhortations - one in each verse. Dual Purpose: 1. As a post-doctrinal exhortation (an exhortation that comes AFTER the past or previous doctrine has been presented to you), it looks backward, as a checkpoint to ensure that the previous doctrine has done its job IN us. Checking you out on what has been presented to you. Identifying the things that you already need to understand and they are going to come into play immediately. Looking back at previous critical doctrine that has already been taught to us in the Book of Romans to make sure that we understand it and have the ability to function out of it because that is going to be a necessary foundation for things that are yet to come. They are going to be built on top of that. It's a checkpoint. If we don't have this, what you are going to learn is not going to be connected to anything. If it is all disconnected, then there is no natural flow to the doctrine whereby we really get edified unto godliness. v1 is looking back on your Sanctification and Establishment doctrines. 2. As a pre-doctrinal exhortation (an exhortation that comes BEFORE the future doctrine that is going to be presented to you), it looks forward to ready us for the doctrine to follow. Checking you out on what you should expect from the things that are coming. v2 is looking forward to future doctrine.

Romans 12:1	VTP : Sonship 4 of n - Presentation of our bodies = YE PRESENT YOUR BODIES A LIVING SACRIFICE / Checkpoint 1: To determine our readiness to begin the Sonship education	1 I beseech you therefore, brethren, by the mercies of God, that ye present your bodies a living sacrifice, holy, acceptable unto God, which is your reasonable service. Checkpoint #1: Romans 12:1 - Purpose: To determine our readiness to begin the Sonship education - What this verse is asking you to do, you have already done. You have the opportunity to have already done it. This is not something new. Is asking us to demonstrate that we are prepped and ready for the Sonship Education to begin. We are asked to recite, before God in prayer, our understanding of 3 specific issues which have to do with our sanctification and report to Him on how well they are working in us. In a nutshell, those three issues concern: 1. our ability to deal with sin by walking after the Spirit, 2. to make the intelligent and honest cry of Abba, Father and 3. to be fully persuaded of the integrity of our Father and His word. Checkpoint before you begin the next section in the Book of Romans. Ton of information that if you don't understand it, you won't be able to pass this checkpoint properly. Beseeching them to offer themselves as a living sacrifice is based on something Paul is calling the mercies of God. It is something specific he has in mind and he expects you to understand what it is. **If you don't know what those mercies are, there will come a point that it becomes a living sacrifice, you will think God is asking for too much. You are not going to go through this. These mercies are the basis for which you commit yourself to be this living sacrifice**.

Romans 12:1	VTP : Sonship 4 of n - Presentation of our bodies = YE PRESENT YOUR BODIES A LIVING SACRIFICE / Checkpoint 1: To determine our readiness to begin the Sonship education	1 I beseech you therefore, brethren, by the mercies of God, that ye present your bodies a living sacrifice, holy, acceptable unto God, which is your reasonable service. I BESEECH YOU THEREFORE BRETHREN, BY THE MERCIES OF GOD: I am going to ask you to do something on the basis of these mercies. BESEECH: Is a form of asking but it includes an element of urgency to it. When you read that Paul is "beseeching" you to do something, think of it as though Paul is saying, "I am about to ask you to do something which is very important." That way you are thinking about "beseech" properly. George Crabb: Is a species of asking (beg, solicit, entreat, implore, etc.). Beseeching has an urgency to it while entreating is more argumentative to persuade by strong reasoning. A kind parent will sometime beseech an undutiful child to lay aside his wicked courses rather than plunge him deeper into guilt by an ill-timed exercise on authority. Paul is beseeching in view of (GH: these go from wide to narrow): - WHAT God desired to accomplish by bringing in this dispensational change - the genius of/manifold wisdom of God in HOW God brought in this dispensation of grace to us Gentiles (GH: O THE DEPTH OF THE RICHES BOTH OF THE WISDOM AND KNOWLEDGE OF GOD-Romans 11:33) - His GLORY in connection to this DOGG (GH: TO WHOM BE GLORY-Romans 11:36)

Beseech us to: 1. present our bodies in a particular way 2. GH: AND be not conformed to this world, be transformed by the renewing of your mind-godly thinking. THEREFORE: In view of something else you've already seen. Refers us back to the Sonship Orientation and Sonship Establishment doctrines. Paul is saying the things that I have been talking to you about all along here. Referring you back to the Orientation and Establishment doctrines. These forms of doctrine, in Romans 1-11, will serve like pieces of armor to protect us from certain “untruths” that are designed to destabilize us, shake us and remove us from the truth. Do not underestimate the ability of Satan’s untruths and the ability of some circumstances to make you doubt and become uncertain. These doctrines are meant to fully persuade you so that you are not “shaken in mind” about these foundational truths. The doctrines in Romans 1-11 are foundational and necessary which is why we refer to them as “establishment doctrine.” They will establish you and they will stablish you. Can't jump to Romans 12 - that is a mistake. You need the establishment doctrine to get the benefit of the education. If you don't get the establishment doctrine, you will quit. Know that it is referring to something that came before. Means Paul is beeching us based on something we already talked about. Just talked about the dispensational change. George Crabb: "Therefore - for this reason; marks a deduction." MM says you can apply the THEREFORE to any of the 3 prepositional phrases about God in Romans 11:36. Will change everything you understand about v1 although you don't realize it yet.

BRETHREN: **Commonly, we would say this refers to "saved" people/saints, but in this case, MM takes it to refer to those who have made the cry of "Abba, Father," been established as sons, who understand the role of the Dispensation of Gentile Grace and the necessity of the future resumption of Israel's program**. Is a warning to anyone who is tempted to jump over the first eleven chapters of Romans hoping to shortcut their way to the education. MM begs you, do not do that. Make sure you cover everything completely and in order. The word BRETHREN gets used in a lot of ways but there's a context to this. Like minded people. Not talking to Jews, he has been talking to Gentiles for a while. Think a fraternity or brotherhood of sons. He is saying you people are thinking about it the same way I'm thinking about it. We are brothers in this. MM takes this to be more than those who have been JUEL. MM's understanding is that these "brethren" are those who have followed Paul right up to this point; they have made the cry of Abba, Father and gotten themselves fully established as sons. In other words, they recognize they are fellow sons. Operation of v1-2: Transforming us by renewing our mind. He's building the Character of His Son in us, He's conforming us to the image of God's Son. That's part of the process and He is using all things to work together for good. This doesn't happen in a vacuum. There's a way that is meant to happen.

MERCIES OF GOD: Taking you right back to your sanctified status and the MERCIES that were given to you in connection with that. The *MEANS*. This is not a vague reference to God's mercy. This is not a general way of referring to God's mercies, but this **has in mind three specific mercies - Justification...Sanctification...Exaltation** - Mercies taught in Romans 1-11.. We can be grateful for those things and love Him for those things and that's the deepening and then the other things, that's the abounding of the love that is going to be necessary to have for Him when we get to Romans 12:3. **The more you love God, the more likely godly love can be generated in you. The greater your love for Him, the greater your capacity to love others like your Heavenly Father loves them**. Everything that was given to you IN Christ. Are all the things that were given to you IN Christ. From Romans 4 (GH: Romans 3:26?) up to now, you have been learning a bunch of mercies that have been given to you. Don't pray for them, don't ask for them. Automatically given to us even when we didn't even know we had them. Then Paul tells us about them and then explains them to us. Once you understand what they are, you have a much bigger appreciation for them. The way to learn about them is to compare them to what you were in Adam. **Look at what you were before and what you were after and that contrast helps us appreciate what has been done**.

MERCIES: Plural - more than one. These are the basis for how Sonship prayer gets itself underway. GH: Encapsulates all 19 things we got when we trusted Jesus as our all-sufficient Savior. You are going to make a 3-fold presentation-the 3 ways we will present ourselves before the Lord that indicate that the past doctrine is up and running in us. This is what qualifies us to move on to the education in the first FORM OF DOCTRINE-Romans 6:17 in v3.: 1. YOUR BODIES A LIVING SACRIFICE (points to DEAD TO SIN and ALIVE UNTO GOD) 2. HOLY 3. ACCEPTABLE UNTO GOD It's on the basis of these 3 mercies that we are being asked about these 3 separate issues. Looking back at previous doctrines, Paul didn't call these mercies when he talked about them. This is 3 ways we will make a presentation to the Lord.

MERCY: Something that is given to you. You need it but don't necessarily deserve it to have it. What makes it a mercy. Given to you that you really need that is helpful to you and is given to you on the basis of not that you earned it but that the Giver wanted to extend it to you. Are the basis by which we deepen and broaden/abound our love for Him by understanding who He is, and we appreciate all that He has done for us. We have to respond properly: 1. means we have been able to identify them/know what they are 2 we understand something about them so 3. we can appreciate what we have 4. express to our Heavenly Father in prayer through a real conversation to thank Him for all those mercies and pray for them to work IN us, naming them, talking to Him about them because we understand them. Knowing these things are building the Father-son relationship in our adoption. Do the mercies one at a time. When we love Him for these MERCIES then He can call on us to make our REASONABLE SACRIFICE and we will go YES.

MERCY (cont'd): Mercy: Normally, you think about as someone has committed a transgression and justice demands a payment but instead mercy is extended to them or a pardon of some kind for an offense. This is not what mercy is in this case. - OED: Mercy (in this context): 6. a gift of God, the good things which one has received from God that which calls for special thankfulness. There is a whole list of things we received from God. We received these mercies the moment we trusted Christ as our all-sufficient Savior. But you didn't know you got them, there's no way you could feel it or know it when you got saved. The only way you would know that is for Paul to write about it and tell you about them.

These all have an impact on our love for our heavenly Father which is the first of the two issues upon which hang all the law and the prophets**. Are the good things which are given to us by God in response to our faith IN Christ. They are important because they are the basis for presenting our bodies unto God. We should talking to God about our understanding of what they are and why they were given to us, along with an expression of our gratitude for them. MERCIES OF GOD: Sonship checkpoint: The MERCIES (GH: 8) which are the basis we are asked to PRESENT our BODIES a LIVING SACRIFICE. These MERCIES are particularly pertaining to our new identity IN Christ - the 8 that relate to Justification and Sanctification. Can still be grateful for the other things on the treasure map. Haven't covered the IN Christ Exaltation MERCIES yet so Paul is not expecting these to be working IN you yet When He asked you to present your body a living sacrifice, it is on the basis of who we now are and those things have to become a reality for us (GH: JUST & SANCT MERCIES). Show you really have had a change in nature of who you are at the very core of your being. He took all that stuff in Adam which was true for us and He nailed it on the Cross and gave us a new identity IN His Son. These are the particular MERCIES (GH: the 8 JUST/SANCT ones) that need to be focused on in our prayer life so just pick one.

Romans 12:1	VTP : Sonship 4 of n - Presentation of our bodies = YE PRESENT YOUR BODIES A LIVING SACRIFICE / Checkpoint 1: To determine our readiness to begin the Sonship education	1 I beseech you therefore, brethren, by the mercies of God, that ye present your bodies a living sacrifice, holy, acceptable unto God, which is your reasonable service. MoG (cont'd): If you only have 2 minutes or if you have 20 minutes, doesn't matter. Just pick one and begin to think about that and have a conversation with your Father about one of these 8 issues. We've got these MERCIES at work so we can really present our bodies a living sacrifice because of who we now understand that we are and in the details of those things we understand. And because we value what has been done and we have an appreciation for that. What Romans 12:1 is asking us to do is our reasonable service. We have to know these things (GH: MERCIES) and be skilled in these things so we can have an intelligent conversation with our Father that expresses what we do understand about that and what He is doing and allow that to develop a love in us that both deepens for the thing we're already looking for and then abounds to the things that we do not. All are critically important. If He leaves 1 out, you are in trouble. Whole thing is dependent on Him. People look at a lost guy who is honest, moral, good parent, but when God looks at him, he is not righteous. If your identity is in Adam, you can never be righteous. The measuring stick is God. You can be righteous in your conduct because He has made you the Righteousness of Jesus Christ, not the other way around.

MERCIES: First time Paul uses the plural of mercy in the Book of Romans. When you have mercy for someone, it's because you have looked at what someone else is going through and it has affected you because of what you saw them going through. That produced this mercy. Group says empathy. Mercy: Crabb: "Mercy is from 2 Latin words which produce an affliction of the heart signifying the pain produced by observing the pain of others." 1. Mercy denotes the disposition or act of forbearing to inflict pain by the exercise of power. God exhibits mercy toward us as offenders and God shows us mercy by forgiving our sins. He wasn't obligated to be merciful but He was. EX Also, a judge can show mercy on a guy who is guilty. MM talks about 'forbearing to inflict pain' where someone has done something, they've been an offender, they deserve a consequence and mercy says we're not going to give you that consequence. We're going to forbear to do that because the pain isn't just physical pain, it's whatever the punishment is.

Mercy can also be extended to someone who is in trouble, whether their own fault or any other cause. If you can alleviate that trouble, that's a mercy. **Mercy requires / Anytime there is mercy:** **- Some 'offense' has been committed OR** **- Some 'trouble' has come upon someone** EX Kid with no money is slobbering at all the candy in a store and you give them a dollar, that's mercy. If the kid has $15 and you give him $1, that's not mercy just more goodness. Group says that's dumb. Every goodness is not a mercy. You got mercy when you got saved (GH: 3 justification mercies). These are each mercies because everyone of them solves a problem we had. Gave you more than justification. Gave you sanctification because even though you are forgiven that doesn't give you the power to live for God or do anything pleasing for God. So He comes along and gives you sanctification. Gives you 3 things to solve your problems. These represent your new identity IN Christ and you are supposed to live out of your new identity.

YE PRESENT YOUR BODIES A LIVING SACRIFICE: Presenting your BODIES A LIVING SACRIFICE is not the same thing as YIELDing YOUR MEMBERS. **Presenting your body a living sacrifice is when we rightly respond a suffering**. MM jokes not the Dale Carnegie course here for How to Win Friends and Influence Believers. Paul is not going to make any bones about it. He's going to call it your reasonable service. You realize that the thing that prepares you for this education is the commitment to present your body as a living sacrifice. All that is written in Romans 8 is designed to get you to say YES when you get to this point. PRESENT YOUR BODIES A LIVING SACRIFICE: **The *MOTIVE*. It is on the basis of the 'mercies of God'. If you don't know what those mercies are, you will not be able to present your body as a living sacrifice**. Not going to happen. Begin to talk to your Heavenly Father about these mercies. Need the mercies to effectually work IN us. Need to spend time in prayer with your Heavenly Father individually. Don't pray generically. That's just a general reference to them. You want these things to really work IN you. Will revolutionize your prayer life and more quickly than you think but only if you do it. You are going to be called to present your body a living sacrifice and it's going to be on the basis of these mercies of God. If this has been working this way, all **3 relationship prayer goals (love, knowledge, gratitude)** will be working IN you. Then Romans 12:1 won't be a problem. You will be going, yep, I'm in. I'm willing to do that because these things have worked in you. We cannot afford to fake it. Has to be real for us. Can't be hubris or thinking of yourself more highly than you ought to think. Most people say you are supposed to present yourself a living sacrifice. That's not what he said.

PRESENT YOUR BODIES A LIVING SACRIFICE: Means that you understand what: - He's wanting to do with this unredeemed body. - He's doing by allowing it to be under the BONDAGE OF CORRUPTION. - You are saying YES to this. There's some immediate and some eternal benefit for this, not only to you but also to your Heavenly Father. MM says you can't really go into the education without fully understanding this and you are going to live out of that. You are cooperating with what God is allowing to happen to your body. Just because we you don't want to present your bodies doesn't mean the sufferings will stop. MM laughs about the number of people that preach He is the God that heals and read the text with glasses. If you don't present your body a living sacrifice, you will avoid one type of suffering, the sufferings of Christ because if you are not willing to present your bodies that way, you are not going anywhere in the education. The attack from Satan designed you to stop your education. You can quit and avoid those.

PRESENT: Is more formal than just saying 'I'm here'. It has ceremony to it. Present involves a more formal act than “to give” which means this is something we are expected to do before God in prayer; this is the 3rd Volitional Testing Point. When you present either something or someone (yourself, in this case), this isn’t just a simple ‘giving’ of yourself to your Father so He can begin to instruct you. The expectation is that you will go to your Father and in a private ceremony (so to speak), just between you and Him, where you will formerly present yourself for approval and acceptance (by enumerating to Him your measure of understanding and function in each item of the Sonship Checkpoint. The word “present” makes this not ordinary or common (that would be simply ‘giving’) but this implies a formal giving over of yourself with a specific view or anticipation of something to now take place. The presentation has 3 components to it. These three components are the issues which we must have an understanding of and which must be at work in us before we signal to our Father our readiness to begin our education by the presentation of our bodies. 1) a living sacrifice 2) holy 3) acceptable OED - OED: present – 1a) to bring or place before, into the presence of, or under the notice of another; to introduce, especially formally or ceremoniously; before a sovereign or other superior. 1b) to bring before or into the presence of God; to dedicate by so bringing: 1c) a candidate is said to be presented (or to present himself) for examination; one who has passed a university examination…

BODIES: The SACRIFICE has something to do with our BODIES. Have to go back into Romans 6 to find the connection. 1. DEAD TO SIN-Romans 6:2, 11 2. ALIVE UNTO GOD-Romans 6:11 3. NEWNESS OF LIFE-Romans 6:4 is the ability/allows us to present our BODIES A LIVING SACRIFICE. The NEWNESS OF LIFE is the fact that live have been made DEAD TO SIN and ALIVE UNTO GOD. **The unredeemed part of you. Your soul and spirit are taken care of. He is asking you to present that one part of you that didn't get redeemed so that the Life of Jesus Christ could be lived IN that**. Two components to that: 1. Present our bodies a living sacrifice-v1 2. Be transformed by the renewing of our mind-v2 Another reason you are presenting your body a living sacrifice is because that outward man is perishing and when you present your body to God in that way, enduring power allows you to handle all kinds of suffering, whether SOPT or SoC.

Romans 12:1	VTP : Sonship 4 of n - Presentation of our bodies = YE PRESENT YOUR BODIES A LIVING SACRIFICE / Checkpoint 1: To determine our readiness to begin the Sonship education	1 I beseech you therefore, brethren, by the mercies of God, that ye present your bodies a living sacrifice, holy, acceptable unto God, which is your reasonable service. A LIVING SACRIFICE, HOLY, ACCEPTABLE UNTO GOD: These three issues are actually the measure of our understanding about three doctrinal issues which signal that we are ready to begin our education. And when MM says "ready," He means they signal that all the required groundwork is in place. This presentation is so that our education can now get underway; so we can begin receiving instruction that will produce all three aspects of godliness in us. Paul does not go to the trouble to explain or define any of the terms. Knowing the progressive nature of the doctrine as it is presented in a Biblical theology, the lack of definition tells us we have already encountered these three issues previously. By presenting our bodies in accordance with these three issues, we are demonstrating that we are ready to begin our education; we have the necessary preliminary doctrines working in us. LIVING SACRIFICE: **A living sacrifice is exactly who we have been made to be IN Christ. That is why it is our "reasonable service**." Will have in your mind that list of things Paul gave you in Romans 8. As we live in accordance with what God has made us to be IN Christ, as we refuse to yield our bodies to sin, but yield the members of our bodies to God because that is who we have been made to be in Christ. SACRIFICE: An O.T. sacrifice was a ritually slaughtered animal. Every sacrifice had it's head cut off. WHICH IS YOUR REASONABLE SERVICE: REASONABLE SERVICE: What should be done.

Romans 12:1	VTP : Sonship 4 of n - Presentation of our bodies = YE PRESENT YOUR BODIES A LIVING SACRIFICE / Checkpoint 1: To determine our readiness to begin the Sonship education	1 I beseech you therefore, brethren, by the mercies of God, that ye present your bodies a living sacrifice, holy, acceptable unto God, which is your reasonable service. LIVING SACRIFICE: Normally in the Bible, you think of SACRIFICE as the slaughtering of an animal to make an offering to God. But that can't be it because you are asked to be a LIVING SACRIFICE. Romans 6:1-8:13 doctrine. How do be a LIVING SACRIFICE-two steps: 1. Reckon that we are DEAD TO SIN (RECKON YE ALSO YOURSELVES TO BE DEAD INDEED UNTO SIN-Romans 6:11) and ALIVE UNTO GOD-Romans 6:11 (Two components of our sanctification). Dealing with sin in our members by means of the doctrine. 2. Yield our members as instruments of righteousness instead of servants to sin - Romans 6:13 MM says note what Paul says in Romans 6:12. **Just presenting your bodies a living sacrifice is not enough. Instead of allowing your body to be a servant to sin, you allow it to be a servant of righteousness unto God**. The way to show God to present yourself a living sacrifice is to demonstrate the fact that you know what it means to reckon yourself to be DEAD TO SIN and that you are yielding your members as instruments of righteousness, the members of your body. That's how you present yourself. Look a Romans 6:13, Romans 6:19, Romans 6:22 which ties this together. This is testing you to see if the things written in Romans 6 were understood by you and you have the ability to practice that in your everyday life. Doesn't mean you will be perfect. This is a Sonship decision that all of us will make. There are areas you can get better but if you understand the doctrine and not a stranger to it, whether you are in a position to move on is your decision. This will take you time through the week and why Sonship will never catch on as the next big thing because it requires something of us.

Romans 12:1	VTP : Sonship 4 of n - Presentation of our bodies = YE PRESENT YOUR BODIES A LIVING SACRIFICE / Checkpoint 1: To determine our readiness to begin the Sonship education	1 I beseech you therefore, brethren, by the mercies of God, that ye present your bodies a living sacrifice, holy, acceptable unto God, which is your reasonable service. OED: sacrifice - Primarily the slaughter of an animal as an offering to God or a deity. This, however, cannot be the correct meaning for two reasons: 1) Paul is not talking about the sacrifice of animals, but of our bodies 2) Paul is not talking about slaughter, as we are still alive **In any sacrifice, something is being surrendered for the sake of something else**. And that fits perfectly with OED definition #4. OED: sacrifice: 1. The giving up of something of value for the sake of something that is of greater value or importance. MM says you see this in baseball - a guy hits a sacrifice fly/bunt. 2. Surrendering a possession to God. MM says more applicable - your body is a possession.

OED: sacrifice - 4a) The …**surrender of something valued or desired for the sake of something having a higher or a more pressing claim**… **The more pressing claim is to be educated by our Father as His adopted son or daughter**. What we are surrendering to that end is our bodies. **When Paul beseeches us to present our bodies a living sacrifice, he is asking us to allow the Spirit to take possession of our bodies for His use**; that use specifically being for us to be dead to sin and alive unto God in our daily function. That we yield our members to righteousness and not to sin because God has made us to be a new creature IN Christ. When you understand this issue and you begin to live out of it, you will be able to go before your Father in prayer, and present your body as an instrument of His righteousness and that is what it means to present your body a living sacrifice. We used to be servants to sin but now we yield our members (bodies) servants to righteousness unto holiness.

Being a LIVING SACRIFICE: - Involves understanding and living out of our new identity of being dead to sin and alive unto God. - Means we understand we are no longer servants of sin, but we reckon ourselves to be servants of righteousness (we are yielding the members of our body unto righteousness). - Means we are producing fruit unto holiness. - Means we understand that producing fruit unto holiness is not going to be done by keeping the Law, but will be by grace through faith; living out of our new identity in connection with our sanctification. - Means that with regard to sin, we “mind the things of the Spirit” (we are dead to sin and alive unto God) and when we do, the Spirit dwells in us to quicken our mortal bodies and produce functional life. Because of our sanctification, we have to have the ability to replace sinful, carnal thinking, sinful conduct & behavior and the works of our flesh for a godly thought process, a godly conduct and a godly lifestyle. - Means we want to get grace abounding in our functional life.

Praying about your understanding of a living sacrifice: • Tell God what it means to be a living sacrifice. • Explain to God how it works; explain the process. Praying about your function of being a living sacrifice: • Tell Him how well you are doing functioning as a living sacrifice in your everyday life. • Give Him an example of when you were a living sacrifice. • Give Him an example of when you were not and how you can handle that differently in the future. We need to ask ourselves: • Is there something I need to work on here? • Have you talked with God about that?

SACRIFICE: What are we actually sacrificing? God is not just asking you to give up stuff. He is asking you to give up inferior stuff so He can give you better stuff. - We are sacrificing a lower life (temporal/material) in order to gain a higher life (spiritual). MM says higher in every way you can imagine. - We are sacrificing the pleasures of things in order to gain the pleasures of life (the fruit of the Spirit - because you will take this with you). MM is talking about that higher life. Give up a life dedicated to the getting of things to a life dedicated to having the pleasures of life that your Father intends for you to have. If that sounds attractive, it's because it should. - We are sacrificing the temporal to gain the eternal, because you are taking that with you. Not taking your boat, your fishing rod, not taking your business. MM says when you look at this, it doesn't look like too much of a sacrifice. But it is to people because we are enamored with shiny objects instead of the genuine thing. MM tying this to PUTting OFF THE OLD MAN and PUTting ON THE NEW MAN-Ephesians 4:22-24. Doesn't mean you can never buy a set of golf clubs but when your life consists of things you possess, you are now living your life for things.

The pleasures of things: EX new car, promotion, boat, house - nothing wrong with these but if that is what you are living for. If there is a physical thing you need to be happy, you are finding pleasures in things. Your Father is asking you to trade in the pleasures of things. The pleasures of life: to experience genuine, unconditional love, to know true joy and contentment every day. Fun: Is fleeting. Go to Six Flags and get on a ride and it's fun. But the fun is over when the ride is over. People are always trying to do stuff to have fun. Joy: Stays with you, different than fun. OED: is a vivid emotion of pleasure that arises from a sense of well-being and satisfaction; the feeling or state of being highly pleased or delighted. Fruit of the Spirit: What would you give: * to experience genuine, unconditional love * to experience true joy and contentment every single day

A LIVING SACRIFICE: First time this terminology shows in the Book of Romans so either Paul has to explain it here or there is something sitting back before to give you a clue. -- **If it is A LIVING SACRIFICE, it means it is going to happen every single day**. If it was a dead sacrifice, it would just happen once. MM asks doesn't this LIVING SACRIFICE describe what our bodies are going through here? When you present your bodies a living sacrifice, you are understanding that these things are going to happen to you and your Heavenly Father knows they are going to happen and he is not going to short circuit them. **By presenting your bodies, you are saying I understand what You are doing by doing this and I understand what it means to You and I understand what it means to me and I'm good with that**. Like the cry of ABBA FATHER saying yes, I want to be a son or daughter and be educated, your Father is nailing some things down with you to make sure the answer is still yes. You are going to have to say YES, I'm on board with this. I get it. If it is a living sacrifice, that is the way that we are going to conduct ourselves.

A LIVING SACRIFICE (cont'd): So when these things happen, we have to remember that this is an opportunity to accelerate your Sonship. God is not so interested in what's happening in your outer man, He is interested in what's happening in your inner man. The more things that happen to your outer man give increase on what's happening to your inner man. He is going to give us His grace to endure afflictions unto His glory. If He would have redeemed your body when saved, there would be no way to put this aspect of the power of His grace on display. Paul said WHEN I AM WEAK, HE IS STRONG and His Power is made manifest. That's what He wants to do. Leaving us in these unredeemed bodies was His design because what happens to our bodies can benefit our inner man. How things that happen to our body can benefit our inner man: - When we respond rightly to the sufferings that we go through, that is the Power of God's grace working in our lives that is shown to the whole creation. - Only God can do that. That is a power that Satan doesn't have. Only a son can really understand that.

A LIVING SACRIFICE (cont'd): - When you present your body a LIVING SACRIFICE, you are given grace to endure. When those things happen to your body, because who you have been made to be, you understand that God is not going to bail you out of it. - You understand there is something that reflects Your Glory that is being done in me and that is a much bigger issue than than me being well right now. - The worse things happen to you, the more that is manifested to that glory and that becomes a very big issue. Because you understand it and you are not fighting against that. Because it is not only giving glory to your Father, but it is benefitting your inner man, because you learning how to handle these things better and better. Analogy: Like getting on a bike, the more you do it the better you get at it. That grace in your life gets put on display. You have to THINK about what this is. **Commitment #1: Father, I am presenting my body a living sacrifice unto You in cooperation with what You are doing in this DOGG; allowing the power of Your grace to be put on display in my body to endure the sufferings unto Your glory**. Even if you don't present your bodies, the sufferings are still going to happen. You are allowing it because there is an eternal benefit to me and to You. He is not hanging you out to dry.

A LIVING SACRIFICE (cont'd): The Spirit is taking the doctrine and working in your inner man for the purpose of conforming you to the Image of His Son. He is putting His Wisdom in you. He's preparing you for the job you are going to have in eternity to labor with Him. All of this is more valuable than just being delivered from physical circumstances. The only thing that sufferings can do is kill you. When you die, all the suffering is over. MM says he knows this is in Israel's program but Jesus said FEAR NOT THEM WHICH KILL THE BODY- Matthew 10:28. There is something great at stake here that is beyond that. God wants to take what is in His Heart and write it on your heart. He wants to take His Wisdom and renew your mind with His Wisdom. He wants to conform you to the Image of His Son. He wants all those things happening to work together for good . At the end of this process, you will know what has been done in you, in your soul and spirit is way more valuable than alluding the physical problems even if they killed me. Because once this body is dead it will be replaced with a glorified body that you will have for eternity. You are trading temporary suffering, which is but for a moment, for something that is of eternal value, eternal glory. One of the reasons the sufferings are not worthy to be compared to the glory that shall be revealed in us. The sacrifice is of giving of something of importance, you are going to give this body as a living sacrifice in order to get something else that is of greater importance.

HOLY: Your body is considered HOLY when we YIELD YOUR MEMBERS SERVANTS TO RIGHTEOUSNESS UNTO HOLINESS-Romans 6:19. You do that just as Romans 12:1 asked you to do out of the MERCIES OF GOD, out of your new identity IN Christ. MM says when we look at HOLY in the Bible we understand that HOLY means 'to be set apart to the purpose for which a thing was created'. HOLY carries the idea of something that has been dedicated to God. MM says remember the vessels in the tabernacle and then the temple were considered holy, they were dedicated to the service of God. HOLY: OED: holy – 1) Kept or regarded as inviolate from ordinary use, and appropriated or set apart for religious use or observance; consecrated, dedicated, sacred. 3a) of persons: specially belonging to, commissioned by or devoted to God By presenting ourselves as “holy,” we are not presenting the members of our body as “instruments of righteousness” or something like that. We have already done that as part of presenting ourselves a living sacrifice.

HOLY (cont'd): **The reason you have a Bible in your hands is God means to take the forms of doctrine in your Bible and have them effectually work in us in such a way that we get transformed and our actually daily lives begin to rise to the level of our sanctified status IN Jesus Christ. We start behaving like you have been made to be IN Christ**. Giving you a perfect sanctification makes it so that you can actually live for God. If you weren't given that status IN Christ you'd never be able to do it. But God has given you that status so that you can live for Him and then He has given you the world that allows things to transpire in your inner man so that you start to live out of that status that you were given when you trusted Jesus Christ as your Savior. Because we were given that new identity in Christ, we were set apart and that's what this HOLY is about. By studying this word and being edified by it we are being made holy in function - that's the process. You had something that happened immediately and fully and irrevocably and that you are made HOLY in your status. But now you are going to be made HOLY as part of a process that allows you to function or live out of that, out of that sanctified status, That's where you want to get because when you get to the heavenly places that's what you're going to need, that's the only thing you are going to take with you when you go, is what has happened in your inner man. So there's a setting apart. You have the lost world, you trusted Jesus Christ, you got set apart, but you got set apart in status and you find out that now you can be set apart in function, the way you live. That's what the effectual working of the word is all about. When you made the ABBA FATHER-Romans 8:15 and said YES to the opportunity to be educated in your Father's Wisdom and install His Wisdom in you. HOLY/Set apart for the purpose you were created - the thing we were created to become. In God's Wisdom He didn't do it as soon as you trusted Christ and He taps you with a magic wand and suddenly you are spiritual and holy. It doesn't happen this way.

ACCEPTABLE UNTO GOD: Is “someone who is worthy to be received.” Received into God’s Simple Son Education. The person is “acceptable” or “worthy” to get into this education is one who has passed the second volitional testing point in Romans 8:16-39. This Testing Point is comprised of two aspects: absolute confidence in our Father and also in His word to produce in us His wisdom and the character of His Son. We are “acceptable” because we are presenting ourselves to our Father on the basis of the prerequisite doctrines. Those doctrine work as our credentials or qualifications to be entered into the Simple Son education. ACCEPTABLE: Worthy to be offered to Him. You can present something to God but that doesn't mean that it is worthy to be offered. MM said in the O.T., sacrifices had to meet a standard. You couldn't just sacrifice one that was about dead, He wanted the best of the flock. The unsaved world is one big glob of humanity but when you trusted Jesus Christ as your all-sufficient Savor you were made HOLY IN Christ. You were set apart from that lost world and now you were in another group of people who have been JUEL. At that time you received some things - JUEL, SUFL (the elements of spiritual fitness). No unsaved person possesses those things. When you were made holy IN Christ it is because you were 'set apart' by sanctification. Received a perfect sanctification as far as their status IN Christ. So when God looks at you, He sees, not our old identity in Adam, He sees our new identity in His Son Jesus Christ and that new identity has component parts to it.

OED: acceptable – Capable, worthy or likely to be accepted or gladly received; hence, pleasing, agreeable, gratifying or welcome.

REASONABLE: In anticipation of beginning our education, the reasonable thing for us to do is demonstrate our readiness for that education by presenting ourselves to our Father as both knowledgeable and functional in the necessary, prerequisite doctrinal issues; **our sanctified status of being dead to sin and alive unto God (living sacrifice), our adoption as sons (holy) and our absolute confidence in God and His word (acceptable unto God)**. Shorter version: In anticipation of our education and in demonstration of our readiness to begin it, the sensible thing to do is demonstrate our knowledge and function in our sanctified status with regard to sin (living sacrifice), our adoption as sons (holy) and our absolute confidence in God and His word (acceptable). All of them need to be working IN you. Just pick one. EX Adoption - Father I want to build my relationship with You so I am going to talk to you about my adoption, which is one of the mercies that You have given me. Talk about WHAT each mercy is. For example, adoption is becoming a son, getting to work in your Father's Business, special relationship, etc. Talk about what you know about each mercy. Adoption is voluntary, identifies me as an adult son to your heavenly Father, not everyone takes advantage of it. Father I know you adopted me and I understand adoption to be a special relationship with you, a relationship whereby I can participate in Your Business. Goal of adoption is to install our Father's Wisdom in you so you are capable of laboring with Him in His Business. We become capable of learning to think like He thinks and learning to do things His way. Adoption involves an education we're led through Paul's epistles by the Spirit. Adoption requires a commitment to that education. Commitment includes: 1. Honest attendance 2. Interactive learning 3. THEE top priority

Paul is asking us to "present our bodies" a living sacrifice on the basis of "the mercies of God.**" Those "mercies" include (but are not limited to) the aspects of our new identity IN Christ. Have to be able to do this or it (GH: the education?) won't work. Relationship prayer is meant to begin to discover the depths of who He is and what He has done for you. When you discover that, then your love for Him does deepen and abound. Those are the basis for our service. A lot of preachers read this verse as PRESENT yourselves A LIVING SACRIFICE. But it says BODIES. You are going to need the MERCIES OF GOD working IN you in order to do it. This decision is predicated on the MERCIES OF GOD. In view of all the MERCIES OF GOD, he is beseeching us to present our bodies, which is our REASONABLE SERVICE. Not just asking you to do it, no matter what that entails, you will be able to do it. **If the MERCIES are working IN you, you can present your body a living sacrifice. Another way of the ABBA FATHER cry**.

MERCIES OF GOD - CATEGORY #2 - Non-identity Mercies: Not out of your new identity IN Christ but still got them • Our liberty in Christ o Freedom from fear motivation - thankful that I don't have to serve You because I am fearful what You will do to me Freedom from the bondage of the law - now serving Him out of grace Freedom from serving out of fear - if you were in bondage to the law you did serve out of fear because if you didn't do the right thing, consequences happened o Freedom from the rudiments of the world (Colossians 2:8, 20; Galatians 4:3) - if you are under the rudiaments of the world, you are acting like a child, not like an adult son Freedom from a strictly regulated “religious” lifestyle - in which you observe days, months, times and years, and you use rituals, ceremonies and observances (such as water baptism, physical circumcision, holidays (holy-days), Sabbaths, dietary regulations and so forth) - Israel was under this o Freedom from governorship and limited decision-making - if you don't have liberty IN Christ, you are being told what to do like a child. A child doesn't have enough sense to know on their own. May think they do. Freedom from tutors and governors (Galatians 4:2) - T&G hired by the father and they told the child what to do As a son you get to make decisions on your own; decisions that are made in light of your Heavenly Father instructing you out from the pages of His word and not from the opinion of men or any other competing system of wisdom.

MERCIES OF GOD: If it is a mercy, it's not something you earned or deserved, it's just something that was given to you anyway. You didn't earn any of this you earned the very opposite. There are a ton of them and you have heard about everyone of these. On the basis of the fact that: you got forgiven I have given you the perfect righteousness of My Son I gave you perfect sanctification I JUEL I gave you My Spirit **On the basis of ALL that you have been given, I AM asking for you to do something now in light of that**. He is going to turn around and say WHICH IS YOUR REASONABLE SERVICE. This is not something more than you should be doing. This is exactly what you should be doing. In light of what God has given you. You will be asked to present your body A LIVING SACRIFICE, which means you have a certain attitude about GH: it?

THE MERCIES OF GOD: Include the SPIRITUAL BLESSINGS in Ephesians 1:3-14. On the basis of the MERCIES OF GOD, I AM going to ask you to present your bodies a living sacrifice, on the basis of these mercies. But if you don't know what these mercies are or what basis we are being asked to do this. 4. **A mercy is not something that you deserve, it is something that is needed and is just given**. If we don't have GH: the justification mercies, there is no eternal life. If we don't have the sanctification mercies, nothing we will do will ever amount to anything that is acceptable to God. There will be no real service to God. The basis upon which our education is built are the doctrines of our Sanctification (the elements of our new identity in connection with it), Sonship Orientation (VTP #1: the cry of Abba, Father) and Sonship Establishment (VTP #2: our implicit trust in God and His word to succeed in making us functionally into the sons He has made us to be in Christ and called us to be in our conduct.) Knowing about or even being grateful that God showed us mercy is not an indicator or initiator of our desire, enthusiasm or heart to be educated as an adult, adopted son or daughter, but these three issues (GH: A LIVING SACRIFICE, HOLY, ACCEPTABLE UNTO GOD) are all of those things.

MERCIES: OED Mercy - 6. An act by God to His creatures, an event or circumstance; a gift of God, a blessing. One's mercies, the good things which one has received from God. Include: (1) all the elements of our new identity IN Christ (2) As we progress through the education, Paul will mention doctrinal "mercies" which we will be given later on. These are not what were given to us IN Christ, but rather what will be produced by Christ IN us. How not to think about the MERCIES: - Don't think of this as God's mercy towards us and His compassion towards sinners. - Don't think that Paul is beseeching you to present your body a living sacrifice simply because God was merciful and offered you salvation instead of justice. - It seems entirely out of place that Paul would beseech us on the basis that God has withheld His wrath and offered us mercy. - Simply knowing that God has been merciful is NOT sufficient to signal our readiness to begin our education as sons. Simply knowing or being grateful that God extended mercy is not the foundation upon which our education edifice will be built.

We know what is in the package of benefits given to Israel under the title, the sure mercies of David, but what is the package of benefits to us as adopted sons and members of the body of Christ? • The benefit of having a new identity IN Christ in connection with our justification unto eternal life. • The benefit of having been given the Spirit. • The benefit of having a new identity in Christ in connection with our sanctification unto functional life. • The benefit of no longer being under the law, but now being under grace. • The benefit of unlimited and unrestricted access to God. And especially: • The benefit of being adopted as your Father's adult son (or daughter) and all that means as opposed to childhood. • The benefit of liberty in Christ as opposed to limited decision making • The benefit of being an heir of God and the very real possibility of being a joint-heir with Christ.

NUTSHELL FOR THE VERSE: I: Paul, your apostle sent here specifically to write down the scriptures that you are supposed to live by. BESEECH YOU: To urgently ask you. THEREFORE: **In view of what God desires to accomplish by bringing in this DOGG and in view of His genius and accomplishment and in view of His glory in connection with it** - what God is doing in this DOGG. BRETHREN: That we are likeminded with common interest. Like minded saints who are one the same page in this area of their Sonship. BY: Through the agency or means of. THE MERCIES OF GOD: What you received in your sanctification (context of what we are studying). MM says it is by these 3 things will will be able to do what he is beseeching us to do. You will never be able to do the things he is about to ask you any other way. If you are doing it out of what He provided for you, you are doing it out of the power of His grace. If you do it out of the power of your flesh, He rejects that. He is about to ask you to verify or present yourself, asking you to say I have done this, I have done this, I have done this, and I have done it by the means of that (GH: MM points to the 3 sancification mercies). You are going to go to Him on your own, not here and tell Him I did this one, I did this one, I did this one, and then your Father will say step through the gate son, you are ready to start the education. MM says it is a presentation of something that you will have already done. The components of your new identity IN Christ. The components of our justification and especially our sanctification.

NUTSHELL(cont'd): YE PRESENT YOUR BODIES: Keep in mind you just came out of dispensational change and this is a way that you are presenting your body. By presenting your bodies you are making a Sonship decision. He wants to do something with our unredeemed bodies that brings Him glory. These bodies still have sin dwelling in their members because they weren't redeemed, they didn't get purged out. You are going to live out of that new identity IN Christ and that is not living out of the flesh but after the Spirit, after the things the Spirit did when He baptized you into the DBR of Christ and identified you with each one of those things. When we are asked to present our bodies a living sacrifice it is in connection with something that God is doing in this DOGG. What God is doing in this DOGG is different than what He did in the law when Israel's program was in effect. PRESENT YOUR BODIES: That unredeemed part of you.

NUTSHELL(cont'd): MM says if you don't have your justification down, you need to settle that before going into the education. Otherwise, it will hinder the curriculum's ability to do its job. MM suggesting that this week you say to your heavenly Father that you are presenting yourself in these 3 ways and that you understand that You have given me a sanctified status that I got when I trusted Your Son as my Savior and the reason I am going to be able to say no to sin is because that's not who I am anymore. You made me that way, You gave me that new identity and the reason I'm going to be able to live unto You/ALIVE UNTO GOD is because I can now YIELD my MEMBERS AS SERVANTS TO RIGHTEOUSNESS-Romans 6:19. This is who I am now. Go from not that anymore to who you are. If you understand that and can function out of that, you are good. MM says even lost people say no to sin but the critical difference why. You have to think about this on purpose. The sooner that you get this process down the easier that edification is going to happen. **God does care WHY you did something. He is not just looking at WHAT you did, He is looking at WHY you did it**. We are doing it out of what He has provided for us, out of His Righteousness, not our own righteousness. MM says he remembers a group of people that foolishly thought they could produce their own righteousness and God said OK, I AM going to deal with you out of this law contract to prove to them that they could not produce this on their own. MM says getting over into the education, you know people in the world who are selfless but they are not selfless for the same reason your Heavenly Father is selfless and why you're doing what you are doing is the critical difference. One of those is going to be out of what your Father provided for in the death of His Son and then given to you as a free gift of grace - please live out of that because that will make you like Me. If you have no desire for godliness or 'god likeness', MM promises that this education will not work for you. Your motive has to be right. When we made the cry of ABBA FATHER, we were saying YES to the offer of being able to function now in connection with our status. I want to be educated, I want your Wisdom in me. **ACCEPTABLE has to do with having absolute confidence in my Father and His word. to edify me**.

NUTSHELL(cont'd): YOUR BODIES: What is in view here. We know our bodies are UNDER THE BONDAGE OF CORRUPTION-Romans 8:21. We know our BODIES (what MM put together when he thought about this passage): - We know that suffering qualifies us to be 'joint-heirs' with Christ (GH: both types of suffering) - We know that this body will go through the SOPT and we know that God is not going to intervene in that - We know that sufferings cannot be compared to the glory which shall be revealed in us - We know our bodies are under the BONDAGE OF CORRUPTION - Because of that BONDAGE OF CORRUPTION, we groan for the redemption of our bodies (MM jokes the older you get the more you groan for that) - That is our HOPE and we are to patiently wait for it - We know that our bodies will suffer under the attack of the Adversary (tribulation, famine, nakedness, etc.)

NUTSHELL(cont'd): PRESENT YOUR BODIES: Didn't say present yourselves, present your bodies. Present your body in 3 ways - MM says these are 3 different issues - 3 presentations of our body: 1. AS A LIVING SACRIFICE (status): If you've been living out of the DEAD TO SIN & ALIVE UNTO GOD doctrine, that is being a living sacrifice . The reason we can say NO to sin is because we have been given a new identity IN Christ. Charles Smith: Sacrifice denotes the depriving of one's self of something for the purpose of consecrating it to God. It is so devoted as to be transformed or lost to one's self. In another sense: The key to getting this right is to properly understand which meaning of the word sacrifice is involved. 2. HOLY (status AND function): If you were being ALIVE UNTO GOD, you were being HOLY. Live out of the sanctification given to you as a free gift of grace. Edification or being conformed to the Image of God's Son. 3. ACCEPTABLE UNTO GOD: When you got on board with being a son, your Father looks at that and says that's ACCEPTABLE right there. All 3 of these things that you are supposed to present. Not asking you to do something you've never done, asking you to do something that you should have already been doing. If you have already been doing these 3 things you should have already been doing, you are ready to move onto the next level. ANALOGY: It is like you have been in basic training and you are ready to report for duty.

NUTSHELL(cont'd): 3. ACCEPTABLE UNTO GOD (cont'd): Our third presentation. Takes us back to prior doctrine in the past that will allow us to measure our worthiness or readiness to get into the education. Based on the OED, MM says someone who is ACCEPTABLE is 'worthy' to be 'received' into the education. This is what the checkpoint is about. This is the final step of God checking us out. MM says it is not because He will know, this is so you will know, so you can have confidence to know that the things that we need to be able to proceed into the education, we understand those things and we understand how to function out of them. Presenting ourselves as ACCEPTABLE means the doctrine in Romans 8:16-39 has convinced you that it has produced an absolute trust and confidence in two things: 1. You can absolutely trust God, that what He says He will do, He will absolutely do that. Not just is He trustworthy. You have to understand to the extent that He is trustworthy. The biggest objection we will have is not that we doubt God's ability, it's that we doubt our ability. But the education is not resting in our ability. All of this is going to be provided by our Heavenly Father, offered to all of us equally and it's just going to be a matter of do you want it or not. It is not that you are going to have to go produce something, this word is designed to do that. In our Sonship Establishment, He is creating a level of trust where now we not only understand where this is going and what we should expect from it but we should be anticipating this, what's going to be happening, especially when we get out of this checkpoint.

NUTSHELL(cont'd): 3. ACCEPTABLE UNTO GOD (cont'd): There will come a time when you will actually see that this word actually is transforming you and you are being conformed to the image of God's Son. You are going to get so familar with this process that is it going to be an understanding going on when extra motivation kicks in and now you're actually going to be looking for way to accelerate this process. It will be the thing that you have been looking for your whole Christian life. Once you see it come to pass, it makes you eager to continue that process and as you do that transformation starts to increase and when you see that that spurs you to continue to do it. It's kind of a cycle where it feeds off itself. There is coming a day in the future, not the same for everybody, that the light will come on and you see it and you will never be the same after that. It's imperative that you have an absolute trust in your heavenly Father and what He says and that this is actually good to work for you. 2. You can absolutely trust His word. You understand that word will do the thing that it was designed to do. Doesn't matter - young or old, what your IQ is - doesn't matter. This is the last piece of the puzzle.

NUTSHELL(cont'd): WHICH IS YOUR REASONABLE SERVICE: MM says remember what Romans 6 is about? Whom will you SERVE? MM says Romans 12 is not asking you to go do anything you shouldn't have already been doing. What this checkpoint is for is if there's anything you missed, anything you didn't understand, any gap, all of that gets filled in right here. He is going to take care of this. It's not too late to get them. That's how you know you are ready because the things He has been giving you, you've got them. It stands to reason that these things would be in place before you get to v3. Only makes sense if you understand there is an education in 4 decision making skills in Romans 12:3-15:7. "In anticipation of beginning our education, the reasonable things for us to do is demonstrate out readiness for that education by presenting ourselves to our Father as both knowledgeable and functional in the necessary, prerequisite doctrinal issues; our sanctified status of being **DEAD TO SIN and ALIVE UNTO GOD (LIVING SACRIFICE), our ADOPTION as sons (HOLY), and our absolute confidence in God and His word (ACCEPTABLE UNTO GOD).**" Abbrev: "In anticipation of our education and in demonstration of our readiness to begin it, the reasonable thing to do is demonstrate our knowledge and function in our sanctified status wirh regard to sin (LIVING SACRIFICE), our ADOPTION as sons (HOLY), and our absolute confidence in God and His word (ACCEPTABLE).' REASONABLE: OED: the ordinary thinking faculty of the human mind in a sound condition; sensible.

NUTSHELL(cont'd): 3 Aspects - we can't do any of this - the Spirit has to do it. All of it fits in the context of being a son. We are given grace to endure as a son because that's different than just trying to hold out when you're going through something. Need to be able to understand your Sanctification and Establishment and function out of them. 1. **Body - A LIVING SACRIFICE: grace to endure - THINKING about the suffering the way your Father thinks about it** (Romans 6:1-8:13) NUTSHELL: Our bodies are being A LIVING SACRIFICE when we rightly respond to suffering. Are you willng to cooperate with what I AM going to allow to happen to your body and live that way every day, that's A LIVING SACRIFICE. 2. **Body - HOLY: yielding your members (Romans 6) - LIVING** - MM says body isn't really holy, it is producing fruit unto holiness; unredeemed body is not holy in and of itself; it brings Him glory because it is something that no one else but God can do (Romans 8:14-15). You are presenting your body as HOLY and you're yielding your members as a son. NUTSHELL: Our bodies are considered HOLY when we YIELD YOUR MEMBERS SERVANTS TO RIGHTEOUSNESS UNTO HOLINESS. Are you willing to give Me your body to YIELD YOUR MEMBERS to Me so that I can produce FRUIT UNTO HOLINESS, that's HOLY. 3. **Body - ACCEPTABLE** - LABOR - GH: servant Gentiles (Romans 8:16-39) NUTSHELL: Your body is ACCEPTABLE TO GOD when the Spirit quickens it after you have become Spirit minded. It's about who you have been made to be IN Christ. It is because those things that I'm going to do this.

Romans 12:1	VTP : Sonship 4 of n - Presentation of our bodies = YE PRESENT YOUR BODIES A LIVING SACRIFICE / Checkpoint 1: To determine our readiness to begin the Sonship education	1 I beseech you therefore, brethren, by the mercies of God, that ye present your bodies a living sacrifice, holy, acceptable unto God, which is your reasonable service. NUTSHELL(cont'd): Are you willing to be SPIRITUALLY MINDED so My Spirit can QUICKEN that body and produce something that is ACCEPTABLE to Me? When you do that, the Spirit quickens your mortal body and He allows it to now produce a righteousness that God looks at and says I AM perfectly pleased with that, that's compatible with Me because He produced it. If you do it for any other reason - following the law or some Christianized version of the law or out of obligation or duty - that's being carnally minded GH: and produces FRUIT UNTO DEATH. That means nothing to Me. MM says this is producing righteousness out of a body that has sin dwelling in its members. Doesn't have anything to do with suffering, it has to do with putting your Sonship skills to work in your daily life. You will yield your members to do that. WHICH IS YOUR REASONABLE SERVICE: REASONABLE: OED-reasonable: 1) fair and sensible 2) able to reason logically 3) as much as is appropriate or fair --- MM says if this is your reasonable service, this is something that you ought have expected. Charles Smith-reasonable: In accordance with common sense or common experience. --- MM says if you just got through being told you were a son and then you got established as a son and then you were told about the dispensational change, you should understand what God is doing in this DOGG, when you are told to PRESENT YOUR BODY, your response ought to be that's what I think is reasonable/exactly what I ought to do. No. 1: MM says it goes beyond what you ought to do, it's really what you should be wanting to do at this point. He is saying, here is all I HAVE done for you, before we start the education, I NEED you to come to Me and say YES, I want this. You may not always do it but that is your desire.

NUTSHELL(cont'd): You're going to come to your Father and say yes, I understand what You are doing about these bodies and I understand that your glory is at stake in that and I'm going to cooperate with that. It's going to happen to you anyway. Being a living sacrifice means you understand some things, you see the bigger picture of what God is doing in this DOGG. - It was for a purpose that God did not redeem your body. - God's purpose is to put the Power of His grace on display in us. - That Power demonstrates something no one else can do - it equips us to endure any sufferings even those that are unto death to His glory which means they have the opposite of their intended effect. - <No. 4> No 2: I want to produce a righteousness unto holiness. No. 3: You ought to want your body to be acceptable unto Him. That should be your desire. MM says this is too academic - it has to be alive for us, it has to be a real thing. As your begin to get these Sonship skills, you will know this is exactly what I need to be doing. When God can check you on these 3 things, He can say you are ready to move to the education.

MM asks have you made that commitment to present your bodies a living sacrifice? MM says this is done by a son with intelligence, who is able to come to his Father and say I understand this body is going to suffer the SOPT, I understand this body is under the BONDAGE OF CORRUPTION, I understand this body is going to be the focus of the attacks from the adversary, your body is going to be a sacrifice to those things. You aren't going to moan and complain and cry about the physical things that are happening to your body, you understand that by responding to those things rightly, your Father is actually building your inner man. You are getting the better benefit and better than having your back quit hurting because you learned to respond by the power of His grace working in your life. That's much more important to Him. It's not that He doesn't care about your body, one day He'll redeem that body, but not today. Today He is putting the power of His grace on display IN us. We are going to cooperate with this process and present our bodies A LIVING SACRIFICE. We are not going to whine and question God and say oh, why me? MM is NOT saying don't fix the things you can fix. Have a headache, take an aspirin. Muscles sore, put on some Bengay. Point is there will be things happening to your body you won't be able to fix so instead of complaining and moaning about then, you present your body a living sacrifice and get the good out of this IN your inner man that your Father means to have done. We are going to be responding to that, saying God I understand you are doing a work of grace IN my inner man here that's going to be much more valuable than my body not hurting me today. Then you're going to present your body as HOLY by yielding your members as instruments of righteousness unto God.

Engaging in relationship prayer has a real impact in our ability to pass this checkpoint that looks BACKWARD at the doctrine that comes before it. Because if that stuff is not working IN us, we are not going to be able to do what v1 asks us to do - PRESENT OUR BODIES A LIVING SACRIFICE. If we don't pass this checkpoint, it won't do you any good to go through the education. Relationship Prayer has to do with being able to pass the checkpoint in Romans 12:1. Connection between relationship prayer and the MERCIES OF GOD. **Three results of Relationship Prayer (1. Acknowledgement 2. Understanding 3. Develop the relationship) not only constitute the basis of our service to God, but more specifically, our sacrifice, which is the "reasonable" aspect of our service**. In other words, Relationship Prayer is part of the process whereby we are able to present our bodies a living sacrifice of Romans 12:1. In view of everything we have been given in Christ (the mercies of God) and particularly in view of those things which concern our adoption as sons; we are asked to signal our readiness to begin our education by presenting our bodies a living sacrifice. The presentation of our bodies in Romans 12:1 is the third time we have been asked to do something in response to what we are being offered. The presentation of our bodies is the signal that we are ready to get our education underway. But this is not merely us saying that we are ready. The presentation of our bodies involves an understanding of some issues which indicate that our presentation is an informed, intelligent decision which we are honestly and sincerely making. In order to begin our education, our Father is waiting for us to do something which demonstrates we understand the commitment we are about to make to our own education.

Romans 12:1	VTP : Sonship 4 of n - Presentation of our bodies = YE PRESENT YOUR BODIES A LIVING SACRIFICE / Checkpoint 1: To determine our readiness to begin the Sonship education	1 I beseech you therefore, brethren, by the mercies of God, that ye present your bodies a living sacrifice, holy, acceptable unto God, which is your reasonable service. The result of having these mercies established in us - produce 3 VIRTUES that will be ever increasing and deepening: 1. Our LOVE for God will increase/Develop (learning more things about MERCIES you already know about) an ever increasing LOVE for God (GH: and abound [learning about new MERCIES you didn't know about]) He is going to generate IN us His LOVE for the purpose of us now thinking about the other members of this assembly because that's what Romans 12:3-8 is, generating godly love for the other members of this assembly. 2. Our KNOWLEDGE of Him will be of such a nature that it creates a (GH: Father-son) relationship We appreciate Him for who He is and we understand about that. Paul talks about THAT I MAY KNOW HIM, AND THE POWER OF HIS RESURRECTION (Philippians 3:10). The more you know Him, the greater the appreciation for who He is. 3. Develop GRATITUDE for what has done for us. For all the things that God has done for us.

Romans 12:1	VTP : Sonship 4 of n - Presentation of our bodies = YE PRESENT YOUR BODIES A LIVING SACRIFICE / Checkpoint 1: To determine our readiness to begin the Sonship education	1 I beseech you therefore, brethren, by the mercies of God, that ye present your bodies a living sacrifice, holy, acceptable unto God, which is your reasonable service. Romans 12:1 is asking us to: 1) Present our bodies a living sacrifice by knowing how to overcome sin by the first two components of our sanctification and produce a righteousness God is well pleased with 2) Intelligently present ourselves as "holy" in the sense that we know what being an adopted son is all about and we have said "yes" to the opportunity By saying, "intelligently present," MM means to say that we should have an appreciation for at least 3 general components: 1) What adoption as an adult son is going to mean for the son - It means the son understands: (1) the nature of the relationship from now on: a real Father-to-son relationship! (2) the purpose of Biblical Adoption: a father installing his wisdom into his son so that the son would labor with his father in all his father's business. (3) the 3 basic features of Sonship liberty: 1) Freedom from fear motivation. 2) Freedom from the rudiments of the world. 3) Freedom from governorship and limited decision-making. (4) As a beneficiary of the New Covenant, God has made the son spiritually fit through JUEL and SUFL (GH: confirm this is correct) Understanding those four issues give the son a foundation for being an adopted son means.

Honest Attendance: You are coming to church for the right reasons. You are coming to understand this word because you want this word to work on you. 2. Interactive Learning: If I have a question or there is something I'm not sure of, I'm not going to leave here until I get it. 3. Top Priority: You are going to have to make time for your edification and do it on purpose. It's a matter of priority.

Romans 12:2-16		It is not uncommon for Paul to make a bunch of contrasts. Don't do that, do this; don't think that, think this; don't act like this, act like this. Romans 12:2		2 And be not conformed to this world: but be ye transformed by the renewing of your mind, that ye may prove what is that good, and acceptable, and perfect, will of God. Going to be told some things about what to expect and where this is going because God doesn't want to trick you to get you onboard and then later you go, oh well, I didn't even know what this is what we were doing. You are going in with your eyes open. Nutshell: Should be the thing we desire more than any other; to be educated by our Father to think like Him, to be able to do things the way He does them, and to be trained to labor with Him in what He is doing. This second aspect of the checkpoint is to acknowledge to God that you understand that His Will is not be conformed to this world: but to be transformed by the renewing of your mind, that you may **prove (put on display)** every aspect of godliness; or "what is that good, and acceptable, and perfect, will of God." Describes how our lives should be from now on. A functional Sonship life is one which will not be conformed to this world. A life which is not conformed to this world is a life which we, as sons, must be committed to. See 2 major components in this verse broken by a colon. The first one is a negative (what not to do) and the second one is a positive (what to do). What comes after the colon is connected to what comes before the colon. Once you understand the first part, what follows is the details that fills in from what you understood from the first part. All of that goes together. It's explaining how it is going to be for you from now on, things are about to change. You go to your Father and present your bodies in those 3 ways in v1, now everything is about to change. By doing v2 He's going to tell you that what you're going to encounter in the education is run absolutely counter to things that have been integrated into your own thinking and your own behavior and if He doesn't warn you about it, GH: you will stumble. When you read something and it runs so different from what you have thought from years and years, your first reaction will be I don't believe that. Recall your SE to convince you of 2 things: 1. What your Father says is true-you can trust what He says 2. You can trust the curriculum to produce IN you what it is supposed to
Romans 12:2		2 And be not conformed to this world: but be ye transformed by the renewing of your mind, that ye may prove what is that good, and acceptable, and perfect, will of God. The education that we are going to receive as a son or daughter is going to do two things for us - see the mind aspects: 1. A negative - it's going to keep us from being conformed to this world - it's going to change that 2. A positive - it's going to transform us by renewing our minds (the Sonship education that allows you GH: to think like God & PROVE WHAT IS THAT GOOD, AND ACCEPTABLE, AND PERFECT WILL OF GOD) Godly edification describes the process of renewing our mind. See how failing to get that renewed mind would result in an inability to think, live, and labor with your Father.

Romans 12:2		2 And be not conformed to this world: but be ye transformed by the renewing of your mind, that ye may prove what is that good, and acceptable, and perfect, will of God. PICTURE: Unsaved guy - dead spiritually; dead in trespasses and sins. Reflection of a skeleton. When he trusts Jesus Christ as his all-sufficient Savior there is a change that takes place with him. All of a sudden now he is JUEL and he has been made us alive in His Spirit. So he looks the same on the outside but there is a new man on the inside. Reflection of a new person. As you begin to be transformed on the inside and edified unto godliness, you begin to have Christ formed I you. Reflection of Christ. Looks like you are IN Christ and you are but MM really means for the figure to be a reflection of your inner man. Godly actions are going to follow this renewed thinking where now he is going to begin to function out of that. MM says the world is always putting pressure on us to be conformed to this world, so BE NOT CONFORMED TO THIS WORLD, which will happen as the word effectually works in us. It's not a magic thing. It is understanding what the verses say and then on purpose, thinking in line with those verses and that word will do its job to do the transformation, that's its job. MM says Satan is so good at his POE that most people never see what is going on, they never see his hands at work at all. BE NOT CONFORMED TO THIS WORLD BUT BE YE TRANSFORMED BY THE RENEWING OF YOUR MIND: What is happening going through this as He teaches you to think like He THINKS. So your thinking lines up with your Heavenly Father's thinking. MM said this used to look like a generic thing to him. Now, you not only understand that is the EVIL MAN, the COURSE OF THIS WORLD Paul calls it. He is warning you about that first major opposition.
Romans 12:2		2 And be not conformed to this world: but be ye transformed by the renewing of your mind, that ye may prove what is that good, and acceptable, and perfect, will of God. AND: Tells us the checkpoint is not finished. Means that the checkpoint is not over at the end of v1. BE NOT CONFORMED TO THIS WORLD: BUT BE YE TRANSFORMED: MM says everytime a negative gets told to you, he turns right around and tells you what to do. MM says it is not enough to know what NOT to do, you have to know what TO DO. To the best of his knowledge, MM doesn't believe the NOTs are are meant to stand on their own. Can't find where Paul has told us NOT to do something without telling us what to do. BE YE TRANSFORMED BY THE RENEWING OF YOUR MIND: Renewing of your mind has to do with a whole different way of thinking. That's the TRANSFORMATION that's going to take place in us. BE YE TRANSFORMED: The POSITIVE response to the doctrine. TRANSFORMED: The process of removing all the junk (GH: natural, fleshly wisdom; wisdom of this world/of men) and replacing it with godly thinking/the doctrine by THE RENEWING OF YOUR MIND. THAT YE MAY PROVE: The PROPER response to the doctrine.

Romans 12:2		2 And be not conformed to this world: but be ye transformed by the renewing of your mind, that ye may prove what is that good, and acceptable, and perfect, will of God. BE NOT CONFORMED: Paul warns us not to allow the world to form our character to make us like it is. We are no longer to think and live in accordance with the world. Our thinking is going to be completely different. The world is "ungodly" in that it does not think like God, it does not do things God's way and it does not labor with God to accomplish His purposes. And we must know that this is not limited to evil, sinful actions. This also includes attempts to do good things (even serving God) in the energy of our flesh. CONFORMED: MM says think of it like a mold. The world tries to pour you into a mold. The world is constantly pressuring use to conform. But instead of being conformed to this world, we are meant to be conformed to the image of God's Son. Satan tries to conform us to the COTW. The course of this world serves the purposes of the Adversary. The thinking of the course of this world promotes Satan's thinking. Ungodly thinking is meant to produce ungodly actions. CONFORM: OED-conform: 1) comply with rules, standards, or laws. 2) be similar in form or type Anything that is not done God's way is ungodly. OED: conform – 1) having the same form or character; similar 2) exhibiting harmony or agreement, in accord

Romans 12:2		2 And be not conformed to this world: but be ye transformed by the renewing of your mind, that ye may prove what is that good, and acceptable, and perfect, will of God. BE NOT CONFORMED TO THIS WORLD: What we are not to be conformed to is how the world thinks. The world has a different way of thinking about things than a son thinks. MM gives the example of GH: the universe and how the world thinks about it versus how a son thinks about it. Your thinking has already started to be altered even before you start the education. God doesn't like the way the (GH: ungodly) world thinks. MM says if you are not thinking like your Heavenly Father, this is ungodly thinking. Ungodly thinking will not allow you to labor with your Father. It's our thinking that affects our conduct and our thinking & conduct, that practiced conduct is what gives us that experience to later labor with our Father. If your thinking is wrong, that will affect your conduct. And if your conduct is wrong, there is no way that you are going to be equipped and prepared to labor with your Father in the heavenly places. Paul is saying don't get to thinking like the world thinks because when you do, you are beginning to think like someone else, the one that put the COTW into motion. The world has a way of exerting pressure on a son to think about things the way they think and to spend your time the way the world spends their time. If you don't, you are looked at as quite an odd ball. This ungodly thinking is thinking exactly the way the adversary has programmed this world to go which means that you will be thinking like the adversary, you will be doing things his way without really intending to. You will be laboring with the adversary with what he is doing in the world. No son wants to be a part of that. MM says this world has made inroads into our lives far more than you might imagine. MM not giving examples so we don't get some law going on. This is something that you and your Heavenly Father will come to grips with in your Sonship life. MM doesn't want to be your T&G and tell you what those things are. MM says that the world has made an impact in your thinking. If you are not aware of this, there may be a problem that will be difficult for you to overcome as you get into the education. MM is trying to warn us. Unless you realize the world has made real inroads into your thinking, you are going to be reluctant to what your Father is going to tell you. Unless you really begin to see this for what it is, you are not going to be very motivated to change that. The way you think has to run on the rails of your Heavenly Father's Wisdom.

Romans 12:2		2 And be not conformed to this world: but be ye transformed by the renewing of your mind, that ye may prove what is that good, and acceptable, and perfect, will of God. BE NOT CONFORMED TO THIS WORLD (cont'd): A functioning Sonship life cannot be conformed to the world. Replace what you learned in the world with something that He wants you to have in your thinking because the world is ungodly (MM using the strict definition of this). When you call the world ungodly, most people think of something evil and wicked and malicious and has the devil attached to it. These things would certainly qualify as ungodly. But the other side of the coin is critical. Ungodly not only includes evil/sinful/etc. but also includes serving God out of the energy of our flesh (self-righteousness [saying I don't need God to do this, I can do it on my own-you are making yourself God], as noble as your intent may be). Ungodly means that God is not the author of it. We don't live by a bunch of rules of what you should not do, but by what you should do. We think we are doing God service but when we get to the JSoC, all of that is going to be burnt to smithereens. God wants to know WHY you are doing what you are doing. **The only thing that makes it godly is doing it out of something that He has provided**. Why you have to start thinking about that on purpose. Not faking it because you are trying to integrate something into your life that you cannot do naturally. You have to begin to do it on purpose. You have to learn about it and then you have to practice it. It's not faking it, it is learning to do it the right way. Then one day, in the spirtual sense, you just create muscle memory and it just becomes the way that you live, it's just the way you think, and all of a sudden you are naturally doing that. Boy, your heavenly Father is waiting for that and so is the creature. This is what the creature is anticipating, it is what it is waiting for - THE EARNEST EXPECTATION OF THE CREATURE-Romans 8:19 to waiting for us to demonstrate that we can actually do this.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:2		2 And be not conformed to this world: but be ye transformed by the renewing of your mind, that ye may prove what is that good, and acceptable, and perfect, will of God. STORY: Milt used to celebrate Christ's birth in September because on December 25, shepherds were not watching over their flocks in the hills because it's winter time in Israel. Had a birthday cake that said 'Happy Birthday Jesus' and where they lived, people thought Hispanic Jesus. Jesus was born during the Feast of Tabernacles. MM says no matter what you know about that, the world is not going to change that. Doesn't matter what you show them in the Bible. There is a thinking and behavior that the world has now codified and you will just have to line up with it. MM says this is just an example. The world has done this type of thing in a whole lot of ways. He is going to now show you how to think differently. You will discover areas of your life that the world penetrated into your thinking and it came out of your behavior. Now your Father is going to ask you to no longer be conformed to this world but transformed by the renewing of your mind. THIS WORLD: He didn't say the world. There are things that have been put in place in this world that are making us think a certain way, that regulate our behavior a certain way. Told this because this world has made inroads into our life more than we can imagine. It actually determines how we think about things we do and how we'll spend our time. You begin to change that by renewing of your mind. This is already changing in some areas, like what you think about what you see when you look up at the stars at night. Don't look at the way you used to. You understand it's a creature and you are going to be in that creature and the condition it is in now is under the BONDAGE OF CORRUPTION. You're going to give life to that creature. That's already taking place. THIS: When you use the words THIS and that, it is almost like it is being personalized. EX 'the book is not a very good book' vs. 'THIS book is not a very good book' - the latter is emphasizing that in a different way. BUT: One of those English words of logic that your Father uses to guide your thinking. BUT is a corner word that is about to take you in a completely different direction. Instead of being conformed to this world, He is going to ask you to go in a completely different direction. This renewing of your mind, this transformation is what we are now going to engage in.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:2		2 And be not conformed to this world: but be ye transformed by the renewing of your mind, that ye may prove what is that good, and acceptable, and perfect, will of God. BE YE TRANSFORMED BY THE RENEWING OF YOUR MIND: Will be accomplished by the various forms of doctrine in Paul's epistles. When Paul introduces the education by telling us that we are going to be transformed by having our mind renewed, we all underestimated just how much transformation needed to take place with us. Probably none of us understood just how much wrong thinking was already in us. When Paul writes Romans 12:2, he has things in mind that never even occurred to us, at least not yet. TRANSFORMED BY THE RENEWING OF YOUR MIND: Means you are going to make a change from an old way of thinking to a new way of thinking. This is why we call this an education, it's impacting the way you think and how you understand things and it's giving you information you didn't have before. That's what the RENEWING OF YOUR MIND does, **it's actually your heavenly Father's Wisdom being instilled in you**. TRANSFORMED: This transformation begins with the renewing of our mind; a change in our thinking. Our mind is the natural starting place for this transforming to take place because our thinking is the foundation upon which will be built our godly living and godly labor. The only way to be conformed to the image of God's Son is by the Sonship doctrine working in you. Nothing else can accomplish that. We are going to be transformed - FROM: a natural, ungodly man, with ungodly thinking, ungodly conduct and with no natural capacity to labor with God. - TO: The image of God's Son so we may prove 3 aspects of God's will.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:2		2 And be not conformed to this world: but be ye transformed by the renewing of your mind, that ye may prove what is that good, and acceptable, and perfect, will of God. Crabbe - transform: To put into another form. Transformation is commonly applied to that which changes its outward form but sometimes the word is applied to moral objects. Charles Smith - transform: 1. The normal and permanent change in these forms of bodies which is a result of internal laws of growth. MM says like the transformation of a caterpillar into a butterfly. 2. A moral change in character such as a sinner transformed into a saint. OED-transform: A transformation is a marked change in nature or in form or in appearance. When Paul talks to us about being transformed, there's a marked change that is taking place. Means that the change has been dramatic. Bigger shift in our thinking that will be drastic. A drastic change in the way you think about things, in your POV, in your perspective. That drastic change in the renewing of our mind is going to be in our thinking. That is what transforms us, the renewing of our mind. What gets transformed is our thinking, not getting transformed into a butterfly. To think like the sons we have been made to be. Our thinking will line up with our new identity of adopted sons of our Heavenly Father. Think how perfect that is and how tragic if it doesn't take place.TRANSFORMED: The number one definition of "transform" has to do with the changing the physical shape of something. But we are not changing in physical shape. So the 1b) definition is the one to look at: OED: transform – 1b) to change in character; to alter in function or nature. So, the transformation that is supposed to take place is into something that is the opposite of what the world would make of us. When we got our new identity in Christ, we were transformed in nature. But now, we are being asked to be transformed in accordance with that new identity in Christ.

Romans 12:2		2 And be not conformed to this world: but be ye transformed by the renewing of your mind, that ye may prove what is that good, and acceptable, and perfect, will of God. CONFORMED and TRANSFORMED are not talking about the same thing but they are connected. Conformed to the Image of God's Son is the final goal but it is a process. - **Being CONFORMED TO THE IMAGE OF GOD'S SON is the pre-destined goal**. - **Being TRANSFORMED BY THE RENEWING OF YOUR MIND is the means to the goal**. The way this is going to get done is the Sonship education (the instruction that you are going to receive as a son). It is going to install your Father's thinking IN your inner man, IN your mind so that your thinking lines up with your Father's thinking. And the change from what it used to be to what it's going to be you are being TRANSFORMED. BY THE RENEWING OF YOUR MIND: To get you thinking like your Heavenly Father thinks. Is the process that TRANSFORMs you. RENEWING OF YOUR MIND: Changing the way we think about something. **So you can learn to think like God**. Because of the renewing of your mind, you're going to prove/demonstrate what His Will is. How do you know God doesn't already map you out? Control what car you buy. Man has free will but taking it further, you have liberty as a son. **Putting God's Will on display is an awesome responsibility**. Through the Sonship education, you will start to see this thing the way your Father sees it. You are thinking differently.
Romans 12:2		2 And be not conformed to this world: but be ye transformed by the renewing of your mind, that ye may prove what is that good, and acceptable, and perfect, will of God. RENEW: There are a couple of ways to understand the word “renew.” Sometimes we “renew” in the sense that we “remind” ourselves of something we already knew; we renew our thinking. But there is also a sense in which renew means “to revise; to change.” And that is the OED’s number one definition for “renew.” Paul is saying RENEW is 'revising/changing'. This renewed thinking is the catalyst for our transformation because that renewed thinking will not only manifest itself in what we think, but, if responded to properly, it will also manifest in our conduct. RENEW: OED: Renew – 1) To do over again, revise 3) To restore, set up again 5) To go over again, to repeat, relate afresh 6) To replace by some new or fresh thing, to change, make a change in OED-renew: 1) to re-establish after an interuption 2) to give fresh life or strength 3) to extend the validity of a license or contract 4) replace or restore something broken or worn out -- MM says the world has certainly broken our thinking

Romans 12:2		2 And be not conformed to this world: but be ye transformed by the renewing of your mind, that ye may prove what is that good, and acceptable, and perfect, will of God. Mind really needs to be renewed. All the damage this world has inflicted on our thinking is going to have to be repaired. Because it's an -ING, it's a gerund and it implies an ongoing process. It not only happens today but it continues to happen. Will cause you to live godly and labor godly. Quote: Whoever controls the mind controls the man. The renewing of your mind can only be accomplished by the word of God. It's talking about a wisdom that you just couldn't change your mind to on your own. You would never come up with these things unless your Heavenly Father taught you. Not just talking I got smarter or did some things to up my IQ or I got more education or I heard someone brilliant talk about this. These aren't the way transformation comes to you. This transformation happens because of your Father's Wisdom and no man automatically knows that wisdom. That comes out of a wisdom that no man has ever possessed. Our Father is transforming you with the doctrine by the renewing of your mind. He is getting us thinking differently on all kinds of things. All the sections (GH: or FORMS OF DOCTRINE) are different relationships on the basis of how we V&E (GH: godly love, not the warm fuzzy kind you naturally feel for family members), a conscious decision that we are making to value someone or something and place that kind of importance on it. Every thing we have encountered in Romans 12 to this point (GH: through v16) is talking about a particular relationship that we're having and it's based on what we love or what we value and esteem. This doctrine will begin to transform our thinking so that we actually can labor with our Father here on this earth and later labor with Him in eternity up in the creature.

Romans 12:2		2 And be not conformed to this world: but be ye transformed by the renewing of your mind, that ye may prove what is that good, and acceptable, and perfect, will of God. THAT YE MAY PROVE WHAT IS THAT GOOD, AND ACCEPTABLE, AND PERFECT WILL OF GOD: Could have been a period after mind, but the verse is not finished. Your Father is going to change your thinking, you are going to get godly thinking. Once you get these 4 decision-making skills, you will learn to become very adept with making decisions with them. And because you are able to think like your Father and see it from His perspective and now you got it working IN you to produce all of that at every decision point you will know exactly what your Heavenly Father would do if He was in your position. Better than that, you would not only know what He would do, you would know why He would do it. You ought to have expected that when you got to the end of v2. MM remembers when we used to wonder about or seek the Will of God not realizing we had the ability to know it. The education you are going to receive as a son, the instruction in your Father's Wisdom, if that gets installed in you - here's what he is saying...I'm beseeching you not to be conformed to this world, but to be transformed by the renewing of your mind that... Your Father's will is not a prayer issue, it's a Sonship issue. If you got His thinking in your inner man, you'll be going here's what my Father would do and here's why He would do it. MM says how good is that? It's almost the Apex of Christian thought isn't it? YE MAY PROVE: What this education is all about; to equip us to make decisions on our own and "prove" His will. Does not mean that God is going to tell us His will. Knowing His Will is a byproduct of the education. He wants us to make decisions on our own and know His will on our own. By your actions/decisions you are going to PROVE His Will. PROVE WHAT IS THAT GOOD, AND ACCEPTABLE, AND PERFECT, WILL OF GOD: MM says people who say 'I want to know God's will' have it backwards. You are going to prove/demonstrate that as an adult, educated adopted son.

Romans 12:2		2 And be not conformed to this world: but be ye transformed by the renewing of your mind, that ye may prove what is that good, and acceptable, and perfect, will of God. PROVE: To demonstrate or to manifest (bring it to life, show it off, put it on the display window). You will prove the Will of God. We just think PROVE is to mount an argument to defend a point. Not the way PROVE is used here. Means to demonstrate it to engage ourselves in it. Being tested. You are going to prove what is His Will. Because you are going to know it and in your liberty, you are going to make decisions that prove God's Will. His Will, like prayer, is the same way. Not a Sonship issue but an education issue. A checkpoint that you have to say YES to before He will teach you the 4 decision-making skills the rest of the Book. Amazes MM the people who preach on these chapters and write commentary on these chapters and have no idea what they are about. Prove God's will by what you decide. Didn't use the word know. To try it and prove it would do what it said it would do. 'Bought a yoke of oxen and I must go to prove them' story (Luke 14). Part of what PROVE is is to ascertain. This education will allow us to not only know God's Will, but also to demonstrate God's Will at every decision point. Once you get this education, you won't be asking what should I do or what is God's Will? This issue then is, is that what you are going to do? Because He is never going to take away your freedom as an adult son to make your own decision. But if you are the type of son that wants to bring glory to his Father, if you are a son who is really after your Father's Heart being written on your heart, all you really need to know is what is my Father thinking and why is He thinking that? This will guide what you do from this point on. To take something and put it to the test to make sure it does what it said it does. You will be able to take a decision and weigh it against the things you have learned as a son against each option you see. Evaluate each option by the education that you are going to get. You are going to be putting God's Will on display in your life. Requires this education to be Commitment #3: Thee Top Priority in your life.
Romans 12:2		2 And be not conformed to this world: but be ye transformed by the renewing of your mind, that ye may prove what is that good, and acceptable, and perfect, will of God. THAT: Another English word of logic that in this case points you to purpose. For the purpose of OR in order that... PROVE (cont'd): OED: prove – 1a) to make trial of, to put to the test; 6) to give demonstration or proof of by action To “prove” is to “demonstrate.” So what are we demonstrating? That last phrase that begins with, “that ye may prove…” is a purpose statement. Paul is about to tell us the reason for being transformed - we are being transformed for the purpose of demonstrating three aspects of “the will of God.” We are going to be able to tell God what His Will is. We will determine, based on the education given to us in God’s word, God’s Will in a situation or circumstance. That is adult Sonship thinking and decision-making. If we are conformed to the image of God’s Son, then we will demonstrate that (prove that) in three particular ways. PROVE: **If PROVE is putting on display, then you are putting on display the WILL OF GOD. IF that WILL is in His word, then you are putting His word on display IN you**. George Crabb - Prove: To prove something is to make it known. MM says the Bible also uses the word MANIFEST, if something is made manifest, it is shown, it's able to be seen. MM says he likes to use the phrase 'put on display' because we are making known or putting on display to the principalities and powers.

Romans 12:2		2 And be not conformed to this world: but be ye transformed by the renewing of your mind, that ye may prove what is that good, and acceptable, and perfect, will of God. PROVE (cont'd): Making something manifest or putting on display or demonstrate 3 particular aspects of His Will - GOOD, ACCEPTABLE, and PERFECT. We are not CONFORMED TO THIS WORLD but we're TRANSFORMED. God is going to use his word to RENEW our MINDs so that we can demonstrate or make manifest or put on display 3 aspects of His will. When God talks about His Will in this Book you know it is His Will for every member of the body of Christ. There's no individualized will in here, if it is for one member it is for every member. So when we get over into the doctrine, don't say to yourself, 'well, that's not for me.' No, it's all for you. If they say 'well, what about God's individualized will like all those decisions?'. Those are Sonship decisions. Will of God or Sonship decision? - Where am I going to go to college? -> Sonship decision - What am I going to study when I get there? -> Sonship decision - Who am I going to marry? -> Sonship decision - What type of work am I going to do in my life? -> Sonship decision MM says we are always looking for a sign, we want God's individualized will. If you are looking to make a decision that way, the Bible becomes a very big Book. How about giving me a chapter? Do you need to pray about something? How do you know it's God's Will? 'He'll give you a peace about it'. They took that a signal that God gave them the OK. The real answer is it is a Sonship decision. If it is written in this Book, it is God's will for every believer.
Romans 12:2		2 And be not conformed to this world: but be ye transformed by the renewing of your mind, that ye may prove what is that good, and acceptable, and perfect, will of God. PROVE (cont'd): Prove or put on display 3 particular aspects of God's will (GH: 3 body concepts): 1. **GOOD: godly thinking** - aspect 1 of God's Will- not your best intentions and what you think, but what He thinks. Often juxtaposed with evil. 2. **ACCEPTABLE: godly living** - aspect 2 of God's Will - edification comes from godliness. Means it is well-pleasing. For ACCEPTABLE, you are not doing anything different, it how you are thinking about it, it's your point of view. 3. **PERFECT: godly labor** - aspect 3 of God's Will - capable of laboring with your Father. Could look at and say laboring with your Father is the perfect Will of God. These 3 aspects are the means by which we will receive our education. God wants everyone of us to do this - to put on display in our daily life the thinking of our heavenly Father, the ability to do something His way, and then He is going to come along and give us a very specific task in which we will be able to take those things - thinking & living - and accomplish something very specific - laboring with Him. MM says in a way, this is the practice field. This is how you learn to kind of do it but it is not the practice field in that we are laboring with our Father here it is a real labor and He needs it to happen. Learn a process and when you get to the heavenly places you apply the same process.

Romans 12:2		2 And be not conformed to this world: but be ye transformed by the renewing of your mind, that ye may prove what is that good, and acceptable, and perfect, will of God. GOOD AND ACCEPTABLE AND PERFECT: MM doesn't believe these are just 3 terms or adjectives that are thrown in there to flower up the Will of God. Not just saying some nice things about God's Will. These words are describing aspects of God's Will in that all 3 of them together represent the totality of the Will of God. The thing you are being told here is this is what the Sonship education is going to do for you when it renews your mind. You are not only going to know it but you are going to put it to work in your life. There is an idea that these correspond to the 3 components of godliness - MM doesn't think this is wrong but not what He is after here. WILL OF GOD: This verse doesn't say God is going to tell you what His Will is. You find the WILL OF GOD in the word of God.
Romans 12:2		2 And be not conformed to this world: but be ye transformed by the renewing of your mind, that ye may prove what is that good, and acceptable, and perfect, will of God. GOOD: The “good” will of God concerns our thinking. The “good” will of God concerns the start of our transformation process; the “renewing of your mind.” Renewing our mind is not all there is to our being transformed; it is the beginning of it. The first aspect of God’s will as it concerns our being “godly” is for us to think like God thinks. The Sonship education is what makes our mind “good.” And when we put godly thinking on display, that is God’s “good” will for every saint. This godly thinking is what replaces the corrupt, evil and worldly information that occupied it before. That is called “the renewing of our mind.” The good will of God is describing the effects of the education on our thinking. ACCEPTABLE: Acceptable focuses on the part of our education which allows us to demonstrate our godly thinking in our conduct and behavior. This is the way we live; godly living. This kind of living is acceptable unto God. OED: acceptable – capable, worthy, or likely to be accepted or gladly received; hence, pleasing, agreeable, gratifying or welcome.
Romans 12:2		2 And be not conformed to this world: but be ye transformed by the renewing of your mind, that ye may prove what is that good, and acceptable, and perfect, will of God. PERFECT: The last one, of course, has to do with godly labor. The “labor” has to do with a particular thing that God is working to accomplish in this world through His sons and daughters. The godly living has to do with any and every way that we can incorporate the godly thinking into our conduct. Based upon the godly thinking and living, the son can labor with God in a way that has “perfection” to it. When a son is able to emulate the Father in all that he (the son) does, that godly labor is said to be “perfect.” That is what it means to 'come unto a perfect man'-Ephesians 4:13. **The PERFECT WILL OF GOD is when a man takes that renewed (good) thinking and the resultant (acceptable) behavior, and utilize them in some aspect of God’s Business (labor!)**

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:2		2 And be not conformed to this world: but be ye transformed by the renewing of your mind, that ye may prove what is that good, and acceptable, and perfect, will of God. Three issues: 1. The effectual working of God's word is to conform us to the image of God's Son 2. Our conforming to image of Christ is necessary if we are to be capable of laboring with God 3. The process whereby we are conformed is what makes us into the godly creatures we were made to be Five 1. God's word to us is an education curriculum that produces edification (unto godliness) 2. Godly Edifying takes place as God's word effectually works in us 3. As we are edified, we are conformed to the image of God's Son
Romans 12:2		2 And be not conformed to this world: but be ye transformed by the renewing of your mind, that ye may prove what is that good, and acceptable, and perfect, will of God. 4. That edification is the "transformed" that we are exhorted to be in Romans 12:2 ("be ye transformed") 5. The transformation process makes us into the godly creatures we were designed to be To sum those up together, the purpose behind our creation, the reason we have been adopted is so that we might possess godliness; that we might be godly (like God) in our thinking, living and labor. And the accomplishment of that is what our Sonship education is all about. Recap: - Satan's COTW is working to conform us to his works. - Instead, we should be conformed to the image of God's Son. - We are transformed by the renewing of our mind, which is replacing of our old ways of thinking with our Father's way of thinking. - Paul uses "Prove" to say that are to demonstrate or put on display, the 3 aspects of God's will.

Romans 12:2	Non-MBI - TBC	2 And be not conformed to this world: but be ye transformed by the renewing of your mind, that ye may prove what is that good, and acceptable, and perfect, will of God. Point to the 3 aspects of godliness: 1. GOOD (thinking-Will of God): The effects of the education on my thinking. 2. ACCEPTABLE (living-Will of God): Can or may be accepted. Can be gladly received of received with pleasure. Well pleasing to God. The idea of being pleasure to your heavenly Father is the epitome of your life as a son and daughter of your heavenly Father. THIS IS MY BELOVED SON IN WHOM I AM WELL PLEASED-Matthew 3:17. Matters greatly to a son. Webster 1828: A man makes himself ACCEPTABLE by his services and civilities. In other words, he makes himself ACCEPTABLE by what he does. Focuses on the ability we're going to have to gain in our edification as sons that are going to determine the Will of God in an ACCEPTABLE manner or way of manifesting that GOOD thinking in the conduct & behavior of our lives and the details of the way we live. This is a son that is operating on the thinking that I TAUGHT him as a Father and he is doing exactly what I WOULD do if I were there Myself doing it. 3. PERFECT (labor-Will of God): Means finished, complete, wanting nothing as a perfect likeness or a perfect work. That PERFECT WILL OF GOD is the ability to take that good thinking and acceptable behavior and incorporate them into PERFECT labor. So God can say - that is a measure of perfection.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:3-Galatians	Curriculum for a SIMPLE SON	SC (Sonship Curriculum/Education Proper) - Is the actual start of the education/curriculum proper. Curriculum for a SIMPLE SON. Education to make you a SIMPLE SON. Learn the 4 decision making skills. Educated in the 4 judgmental, godly decision-making skills that are attributed to rulers and kings. 1. WISDOM 2. JUSTICE 3. JUDGMENT 4. EQUITY - Taught in this order from more than 1 standpoint. Given wisdom in making decisions by applying different kinds of godly wisdom, wisdom from a different vantage point. Take godly wisdom and subdivide it into aspects. EX for justice - how do I live under the government that I happen to live in. In US, we live under a democracy and have some freedoms but there's also some things we don't like. How do we respond to that government? Another kind of justice is what do we do when someone doesn't like us and they are doing things to demonstrate it even if you never did anything to them? How do you deal with that? At the end, you will and are expected to be a SIMPLE SON if you go through this properly. The bulk of the decisions you're going to have to make as a son of your Heavenly Father, right here and right now on this earth, are going to be either: - wise or foolish decisions (if your decisions are not made out of godly wisdom, your Father counts what you're using to make the decision as foolishness) - just vs. unrighteous decisions - judgmental vs. decisions that lack proper evaluation of the facts - equitable decisions vs. self-centered, selfish decisions The 3 commitments to your education (Honest Attendance, Interactive Learning, The Top Priority) have to be in place before you get to here and start the education proper. If they aren't something is going to happen to you to knock you out of the saddle.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:3-15:7	Doctrine : BREASTPLATE OF RIGHTEOUSNESS-Ephesians 6:14	Education in 4 broad Decision Making Skills that each have component parts - (GH: LEVEL 1, PHASE 2) Romans Education ends in 15:7. Four component parts of Sonship skills that your Heavenly Father wants you to get. These 4 are the only things you are taking with you when you leave this life. Where you are in that will determine your vocation in the heavenly places in eternity. First thing God is going to do is to train you to think like He thinks so that you won't have to pray and ask Him what is Your will, you are going to know it. When you start getting into godly wisdom, this is where the EVIL MAN is going to turn up the heat. If you come out of the Romans 12:1-2 checkpoint going 'Yes, I am going to do this': 1. I am going to present my body as a living sacrifice 2. I am going to prove what is that good and acceptable will of God. As soon as you say that and we start the education proper, the EVIL MAN is going to come up and MM is going to tell you what it is about. The world is now going to make you an offer about what you are going to do on Sunday afternoons from 1-3. Mark it down. EVIL MAN has one objective - how you spend your time. Will either spend it on Sonship or something else. When you learn these, you are going stop asking the question 'What is God's Will in some situation?' because you are going to know. - Wisdom has 6 components parts - There is no college or educational institution on earth that will give you what is in Romans 12-16. There are counterfeits, but you are not going to get that. Any saint (son) is offered the opportunity to be more; to be a joint-heir with Christ, or, to be a Simple Son. But before you can engage in the education that makes you into a simple son, you must first go through “pre-school” to make sure you are qualified for “Simple Son School.”
Romans 12:3-15:7	GH: Godliness Doctrinal Pattern	Godliness: The doctrine breakdown goes even further. - Godly Thinking: Part 1: Point out incorrect (GH: ungodly) thinking (Sometimes pointed out in the initial exhortation of the exhortation->doctrine->post-exhortation sequence) - usually common thinking Part 2: Give you the correct thinking - Godly Living Part 1: (Normal wrong way) Part 2: (Right way) - Godly Labor Part 1: Part 2: MM uses the analogy of building a house, with every section you add you connect it to others, the overall house becomes stronger. None of this doctrine stands alone and doesn't have anything to do with the rest of it.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:3-15:7	GH: Godly Love	Why we are being instructed in godly love first - You need to be able to know: - The detailed 'case study' presentation of wisdom will not work. If God was going to give you every scenario, how big would this Bible be? And how difficult would that be? He didn't just do it for that reason. He has to show you something about it, not a list of DOs and DON'Ts, but principles. - The first things first issue of learning to V&E what our Father does. Have to learn your numbers before you learn math or you are not going anywhere. - The instruction is the necessary first issue for doing our work in the creature. There's no instructions on how to remove the creature being subject to vanity of being under the bondage of corruption. It is not a case book. He is giving you every skill you are going to need to look at every situation and say here's what's wrong, here's what needs to be fixed, here's how I am going to fix it, and here's why I know it needs to be done this way. MM says if you have the ability to do that, you don't need a case book. STORY: Before MM was a preacher, he was pre-law. Was going to law school and was going to practice law. Since he was in LA was going to Tulane until all of that got derailed, much to his mom's chagrin, till she discovered his ministry aspirations were not fly by night. He would look at law books and there are case books in law and they contain all these different cases and how the rulings went and what all that was based on. These are setting a precedent. But case book studies can't do it for this.
Romans 12:3-15:7	GH: Godly Love	Features: Like SELFLESSNESS Components: Like 12:3-8 and 12:9-16. The components are not the same thing as the feature. EX: Wisdom: 2 Features; 6 Components Justice: 1 Feature; 3 Components Judgment: 1 Feature; 2 Components Equity: 2 Features; 1 Component (MM may want to correct) When it comes to the edification of the body of Christ, there were/are…Gifts/Offices: • Then, spiritual gifts; now, the perfect, the more excellent way of offices • Then, the Spirit chose; now, we choose • Then, diversities of gifts; now, diversities of offices These offices are designed to fit with the various…Administrations: • Now, the offices are designed to minister to the needs of the Lord (which are the “needs” of the body of Christ) • This is where we manifest those four body attributes of participate, cooperate, serve and welfare -> RESPOND

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:3-15:7	GH: Godly Love	Reasons to love God: - Saving you - Finding reasons in the scripture - Increasing and abounding - Educating you - Giving you an educational curriculum - Adopting you - Giving you a new identity IN Christ (can you name those aspects) - For sanctifying you - For making it possible for you to be edified unto godliness
Romans 12:3-15:7	GH: Godly Love	- For His word - Appreciate the ability of God's word to effectually work in you - For the DOGG - For liberty IN Christ - Treating you like an adult instead of a child - For not intervening in the physical circumstances of your life - For the Power of His Grace to enable your inner man to be renewed while your outward man perishes - For conforming you to the image of His Son - For His wisdom and that process whereby it takes place Failure to love God in these ways either stem from not knowing about these things or from loving the things of this world more than the things of God.
Romans 12:3-15:7	GH: Godly Love	GODLY LOVE: Core features (SKTMB) are those aspects of love that are put into practice all the time, every day, with no exceptions. Our Father never means for those features to not be in our minds and behind our actions. For example, selflessness, kindness, etc. are always part of our decision-making, when they are applicable. Non-core features (S, PS) are those features that only come into play when the situation requires it. For example, there is no reason to limit your liberty when there is no weaker brother or offense to him. There is no need to sacrifice when there is no need to sacrifice. In other words, these are features of love we have generated in us, but they are not automatic; they depend upon the particular circumstance. These non-core features are more nuanced and they require a level of discernment; more so than the other Sonship skills. The edification process: 1. We hear the word 2. We understand the word 3. We believe the doctrine to be true 4. We engage our Father in prayer in connection with the doctrine 5. We meditate on the doctrine and look for ways to implement it into our everyday lives

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:3-15:7	GH: Godly Love	The doctrine that makes us think like our heavenly Father thinks and it not only gets us to think what He thinks, it causes us to think the same thing for the exact same reasons and that's important. Thinking about it for the same godly reasons that He is thinking about it - this is an important distinction. MM says this takes more than just showing up on Sundays, this has to be something that we are engaged in during the week. It needs to be part of your prayer life. How this gets integrated into our soul. Need to judge everything from the truth of His word.
Romans 12:3-13:7		Is where we find the portion of God's word which produces the five core features of godly love and charity. We have that doctrine because there is a mystery which allows us Gentiles the privilege. But those features of godly love cannot be generated in us by simply knowing about, standing for or defending the mystery. It is because of the mystery that it is possible for us to be transformed in our inward man, so that we take on the very life of Christ, but we must not confuse the two. **If Paul's doctrine is not working in us to produce a love for God, a love for our fellow saints, a love for the members of the body of Christ outside of our local assembly, a love for our neighbor and even a love for our enemies, then Christ is not being formed in our inner man – and THAT is the goal, not the mystery. The mystery is the vehicle God has chosen by which Gentiles may be saved apart from the agency of Israel and by which we Gentiles are given the opportunity to be conformed to the image of God's Son**.
Romans 12:3-13:7		The Five Core Features of Godly Love 1. Godly selflessness as taught in Romans 12:3-8 2. Godly lovingkindness as taught in Romans 12:9-10 3. Godly tenderheartedness as taught in Romans 12:13-15 4. Godly meekness as taught in Romans 12:17-21 5. Godly benevolent goodness as taught in Romans 13:1-7

Romans 12:3-16	Doctrine: Godly Wisdom / Sonship Decision Skill No. 1: Godly Wisdom	**Please see 'Mechanical Means : Godly Wisdom' in the Commentary.** **Please see 'Mechanical Means : Edification Process' in the Commentary.** Romans Education, Part 2 - Wisdom Godly Wisdom - First FORM OF DOCTRINE Taught how to LOVE the other members of the assembly you are part of because that's the easiest group to start with. God doesn't start with teaching you how to love your enemies. **4 Operations of God in the Local Assembly:** **1. Provide for the edification of the saints - accomplished by the offices of Pastor and Deacon** **2. Provide for the sustenance and maintenance of the local assembly - accomplished by the office of giving** **3. Provide for local church orderliness - accomplished by the office of ruling** **4. Provide for the well-being and relief of the saints - accomplished by the office of mercy** Don't think about godly wisdom out of Israel's program, letting your mind travel over to Proverbs and think of wise tid bits. This is godly wisdom that allows you to make decisions according to the Will of God. You are not going to get 6 wise sayings but what you are going to get is a doctrine. By the time you get through you will know how to view all men. Does the local assembly first because it is a huge issue. This is a huge issue but not the one we want though. We want the one where sparks fly and fireworks go off in the air. God says this is the one that makes My fireworks go off and this is the one we are going to get. Get to the end of the first section of godly wisdom and you're going to have 6 components of charity of godly love working IN you and it's not emotional love but I'm going to value & esteem what my Father does.

Romans 12:3-16	Doctrine: Godly Wisdom / Sonship Decision Skill No. 1: Godly Wisdom	Not going to understand using man's wisdom, have to understand in the context of what is being done in scripture. Say we are in Level 2, Phase 2 of our education and someone new comes through the door. First knee-jerk thought/tendency for the assembly to think about themselves in comparison more highly than they ought to think. Tendency to look at people behind you in the curriculum and think that these folks can't add anything to edify me. MM says that is part of the POE. Beginning of the 4 Sonship skills. Not a list of DOs and DON'Ts. Each one is a principle and you are going to use that principle and apply it to all kinds of situations. Go to your Heavenly Father and tell Him what you are thinking. Ask your Father to search your heart to either get a confirmation or a denial of that. Use the principles to work the first problem and use them to work the second problem. When you get an answer, you will try and go do that. The unsure part with most of you. It takes a teacher that knows what they are doing to teach abstract principles. Abstract principles are some of the hardest things to get down. While you may not know it by looking, these constitute the “hidden treasure” that most every Christian is looking for. 1. Wisdom: 6 component parts of godly love given to you in order. 2. Justice: Good and evil 3. Judgment: Many good options 4. Equity: Preferring another over ourself so that when we make a decision it is ultimately for their good even if it costs us something to make that decision. You will see that you can apply things in different situations. It will work for more than what is in the verse. You won't know what to ask for but be at peace because the Spirit will make intercession for you. What the searching is the heart is about.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:3-16	Doctrine: Godly Wisdom / Sonship Decision Skill No. 1: Godly Wisdom	The Education of God's Wisdom: When God instructs us in His Wisdom, He does so by installing in us certain virtues. These virtues comprise His wisdom; they are the guiding principles behind His Wisdom. These are not just any virtues, but they are various aspects of His love. God's Wisdom is rooted in and springs from His love because godly wisdom is the application of His love. If we are to have God's wisdom, it must take place the same way with us. Preparing to Love like God Loves: The prep work for loving like God loves, for obtaining godly wisdom, involves loving God. Before you can love like God loves, we must first love God. When we talk about loving God, we are not referring to some general feeling we have about God and we are not talking about loving Him simply because He saved us. In order for godly love and charity to be installed in us, we must love Him for more than saving us. This is why we made such a big deal out of the Relationship Prayer and the mercies of God. We love Him: - because all things work together for our good. (Romans 8:28) - for the process which makes us more than conquerors. (Romans 8:37) - for the sufficiency of the doctrine to work in us in the midst of our sufferings. - for adopting us. (Romans 8:15) - for treating us like adult sons and daughters. - for educating us and installing His wisdom in us. (GH: Romans 12:3-16 OR Romans 12:3-Romans 15:7) - for the excellency of His power which works within us. (2 Corinthians 12:7) - as our Father who is training us for work in His Business, as a Father with whom we have a close, intimate relationship as His sons.
Romans 12:3-16	Doctrine: Godly Wisdom / Sonship Decision Skill No. 1: Godly Wisdom	Paul follows the exact same pattern as Proverbs 1 (GH: WJJE). This order has already been set up by our heavenly Father. It's a very important order. MM says you have to do first things first, whether you are in the Israel program or Mystery program. Basic things have to be established right off the bat. This format is exactly the way Paul is going to introduce it to us. Because they do not understand the greater importance of the spiritual things God is accomplishing: - people would rather be healed than have the excellency of His power at work in them. - people would rather have God intervening in the circumstances of life than to have the life of Jesus Christ made manifest in the midst of life's circumstances. - people would rather serve God in the power of their flesh than have the word of truth effectually working in them. And about the only thing they love God for is for saving them from hell. **Making Godly Love the Priority**: In our instruction in godly love, we are being equipped to fulfill the second great commandment love thy neighbor as thyself. And we are expected to do so without putting ourselves under the Law! Without the features of godly love being installed in us, we have no chance of fulfilling the righteousness of the law. If we are going to love the way our Father loves, it will be with charity. What we will see is that love and charity are connected, but they are not the same thing. In a nutshell, **charity becomes the reason for doing what we do**. Today, by means of His more excellent way, God is producing charity in the lives of His sons and daughters.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:3-16	Doctrine: Godly Wisdom / Sonship Decision Skill No. 1: Godly Wisdom	Paul is saying in 1 Cor. 13 that a guy could have any of the gifts operating in him, but without godly charity, those things are worthless. **Charity is a mental attitude of our valuing and esteeming of others being manifested in Christ-like actions toward them. Or, to say it another way, godly charity is when we think, say or do anything toward another because we have learned to value and esteem them the way our Father does. We value and esteem other members of the body because they are necessary to our training for eternity**. Our Father has designed for us to work together in more than just a positional sense, but in a practical sense. Our function together as a local assembly is designed to be a working model for the entire body of Christ in the heavenly places. We value and esteem other members of the body because we need them just as they need us. We realize each member of the body has a real role to fulfill; a role which is necessary and vital to the rest of the body. We value and esteem the other members of the body because our godly labor depends on it. Our godly labor in connection with our Father's operations in the world, as well as the achievement of His objectives for the body of Christ, are only possible as we possess the components of His love and discharge them with godly charity. Our own work is useless unless we properly value and esteem one another. The only way we can function to the benefit of the body is if we genuinely value every member and the functional life of their office. The realization of these things work so that we cherish one another all the more and treat each other accordingly (such as: serving one another, etc.). As we cherish one another, we are motivated to behave "selflessly" toward one another. **Love tells us what to be: selfless. Charity tells us why we act selflessly; we value and esteem them for who they are in connection with God's plan and purpose. Godly love tells us what to think and how to act. Godly charity tells us why to think or act that way**.
Romans 12:3-16	Doctrine: Godly Wisdom / Sonship Decision Skill No. 1: Godly Wisdom	The purpose of God installing His godly Wisdom in us so we think like He does is: 1. will allow us to labor with Him. 2. not conformed to the world (godly thinking would prevent this) - Romans 12:2 3. give us His perspective 4. give you a renewed mind - Romans 12:2 5. so you can know His Will (MM says Romans 12:2 doesn't use know it uses PROVE) The "flow" of the doctrine: • Romans 12:3-8, generates the first feature of godly love within us; selflessness. This is learned and put into practice within the local assembly, especially by the outworking of the various offices. • Romans 12:9-10 expands that love within the local assembly by the feature of lovingkindness. • Romans 12:11 moves from the church to the outside world, firstly in one's work (business). • Romans 12:12 moves our love outside of the workplace into the world at large where we encounter others in the circumstances of life. • Romans 12:13-15 expands our love into tenderheartedness as we encounter both the saints and the lost in our everyday lives. Word WISDOM doesn't show up anywhere, but it is about wisdom. In a stroke of genius, demonstrating God's great ability as a Teacher, God is now going to teach us the very things we need to learn about godly wisdom but He's going to do it by addressing another subject. A lot of things mentioned here in this passage.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:3-16	Doctrine: Godly Wisdom / Sonship Decision Skill No. 1: Godly Wisdom	When you love something or someone, we place a high value on it/them. We value and esteem it greatly. May not be of value to anyone else - EX ancestoral hand-me-down. Your Father will teach you to V&E the same things that He V&Es, and vice versa. There will be things you thought were important, that you invested time, value, and money into, that you will discover are not very important to your heavenly Father. What you V&E needs to match what your Father V&E. What the renewing of your mind is going to do. Remember this doctrine sitting in these verses that is meant to transform the way we think and impact our everyday conduct and behavior so that we are learning the Sonship decision making skill of Wisdom. It's the thinking process that we are all going to be utilizing when we get into the heavenly places. We want to learn and put this into practice here and now. When God makes a wise decision that decision is made out of something that He knows and understands. When He writes what is on His Heart on our heart, we are going to do the same thing. It won't be oh, we memorized a wise thing to do. That's just data. You will be able to operate or live out of something that is in you where you will be able to look at all those decisions and put them through GH: these filters. This first piece of the education is a huge deal to your heavenly Father. It's way bigger and way more important than you might imagine. It is so critical that in order for you to get up there and do anything in the creature, you have to have this. If this is all you have, you will be able to do something up there.
Romans 12:3-16	Doctrine: Godly Wisdom / Sonship Decision Skill No. 1: Godly Wisdom	We must acknowledge: - Godly love can only be brought about by the working of the last 12 words in v3. This is the only place you are going to get this. - There's no way we could already possess it and there's no we we could have produced it on our own anymore than you could produce your own justification or sanctification. - Have to acknowledge the way that we think about ourselves and the way in which we think about other saints is naturally and inherently wrong. - The wrong thinking that needs to be exposed and corrected which is exactly what v3 begins to expose for what it is. It's the thinking that conforms us to this world. Then it is going to correct that thinking and give us the godly thinking that is supposed to replace it. - The thinking we now possess needs to be replaced with the godly thinking of our heavenly Father. There's a way He looks at it and it is important for us to look at it like He looks at it. - But before we can replace the natural, ungodly thinking, we must admit that we are all guilty; not one of us is the exception. - ***Ungodly thinking is an obstacle to your education as His son.* Will keep you from being educated as the son that you are**.

Romans 12:3-16	Doctrine: Godly Wisdom / Sonship Decision Skill No. 1: Godly Wisdom	If we are to "reign with Him" in the heavenly places (2 Tim. 2:12), these attributes of godly love will be the foundation for godly rulership. MM describes wisdom as the attributes of godly love. If you are going to be making wise decisions then the very first thing we need to understand is what our Heavenly Father V&Es, what He loves. We also have to understand WHY He loves that. When we love what He loves for the same reason He does, that is wisdom. Think of this as the very first filter that all of our decisions will go through as we make wise decisions. Means we will take the information we learn in v3-16 and we're going to have to apply that to every decision. - You've already learned the 4 body attributes and realize that is the way we are going to function with each other. - Then we learned that godly love is selfless. When you're making a decision, you have to make a decision with that in mind. - Then we learned that godly love is kind. Used a word used earlier in your Bible called LOVINGKINDNESS. This is what the scripture wants you to have come into your thinking so it can effectually work IN you. We are going to know the things that God thinks are important and know WHY He thinks they are important. Notice He doesn't give us a list of things to love. He is teaching us the WAY He loves, not just love this and let it go at that. He is really teaching us HOW to do that. Not just being taught WHAT to think, now we are being taught HOW to take that thinking and put it into action.
Romans 12:3-16	Doctrine: Godly Wisdom / Sonship Decision Skill No. 1: Godly Wisdom	Each of these verses deal with a particular context: In v3-10, Paul deals with our attitude toward the local assembly. In v11, Paul deals with our attitude toward business In v12, Paul deals with our attitude toward tribulations In v13, Paul deals with our attitude toward the saints/giving In v14, Paul deals with our attitude toward our enemies (those that do not like us) In v15, Paul deals with our attitude toward others' circumstances In v16, Paul deals with our attitude toward those of "low estate"
Romans 12:3-16	Doctrine: Godly Wisdom / Sonship Decision Skill No. 1: Godly Wisdom	The Wisdom of love: The first way God makes decisions is based on what He values and esteems or what He loves - once you know, it tells you some things about making decisions - Our love is for the other members: Selfless - Our love is in line with who we are: Fidelity - Our love defines what we hate: Discernment - Our love for the assembly is like family: Lovingkindness - Our love is for the other saints: Honour - Our love motivates us in service: Enthusiasm - Our love reassures us in tribulations: Patience - Our love meets the needs of others: Benevolence - Our love welcomes others: Hospitality - Our love blesses our enemies: Good Will

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:3-16	Doctrine: Godly Wisdom / Sonship Decision Skill No. 1: Godly Wisdom	- Our love shares in the condition of the other saints: Empathy - Our love guides our thinking toward others: Equity - Our love has no place for pride: Humility Just because you can see how MM derived the above, what does that mean practically? MM says we have to be able to do something with this now. If this is a decision making skill that we are learning, he wants to give us a way to be able to utilize it for that because we have to start building within ourselves to help make godly decisions. There are a hundred different ways to ask these questions but in making decisions, we ask: - Am I thinking of myself more highly than I ought to think? (when I'm about to do or say something, am I thinking of myself more highly than I ought to think?) - Does this action properly portray how I value and esteem (love) another member of my body? (does what I'm about to do or say really reflect how I feel about someone? If it doesn't, start talking like a son.) - Am I discharging my office in this assembly? (giving, ruling, mercy) - How do I feel about those things which are detrimental to our assembly and their edification? To those things which promote it?
Romans 12:3-16	Doctrine: Godly Wisdom / Sonship Decision Skill No. 1: Godly Wisdom	- Does this decision I'm about to make demonstrate the affection of family for the other members? (MM jokes not 'Hatfield and McCoys family') - How can I promote and advance the edification of others? - Is my attitude one of reluctance or enthusiasm as I serve the Lord? - Does my response to suffering reflect that my hope is real? - Am I being patient in tribulation or am I complaining? - Am I continuing instant in prayer for those needs I'm aware of? - Through my physical supply, am I meeting the needs of others? - Am I being hospitable in this assembly and in my own home? (If you are inviting folks, it ought to be with those purposes in mind) - Am I properly responding to my enemies? - Does this decision reflect the equitable way I am to think about the other members? - Am I humbly serving those who are not as far along as I am?

Romans 12:3-10	Paul deals with our attitude toward the local assembly	GH: Key Concepts Offices - Edification - Bishop, Deacon - Material or Practical (can be edification) - giving, ruling, mercy **Two motives that guide everything that you are doing - THE WORK OF THE MINISTRY-Ephesians 4:12:** **1. Preach the gospel to the lost** **2. Edify the saints** When we value and esteem one another, we strengthen the assembly. CHARITY: V&E one and other for the same reasons your Heavenly Father does. Godly love and charity: Value & esteem my fellow members/neighbor/colleague/etc. made manifest by my Christ-like actions towards them. Not an emotion, a decision based on what God has told you in His word.
Romans 12:3-10	Paul deals with our attitude toward the local assembly	Need all 8 verses to get godly love established in you. You are going to need all 8. Don't think 'I need to memorize a bunch of stuff'. That's just information. What this is is vocational training. When he tells you how to think about this, your job is to put this to work in your life. Get this in your inner man. This is not about you memorizing a bunch of educational facts because it won't do you any good. Will go through godly love 7 times by the time you get to the end of your education. It's not a review, you have had things added to that over and over again. Where we begin studying the education that will make us the sons and daughters that our heavenly Father desires us to be. The very first thing we learn out of the box is WHAT to V&E and HOW to V&E the other members of this assembly. Corporately, we have been given a charge by our Father and that is to labor with Him in His Business.
Romans 12:3-10	Paul deals with our attitude toward the local assembly	GH: SELFLESSNESS vs. KINDNESS Romans 12:3-8 Review (produces a BODY type thinking -> causes us to exist as a real church - we function as a body by virtue of the OFFICES) - Our love is to be selfless (focused on those that are in this assembly) - We view ourselves as members of the same body - We cannot do this alone; we need the entire body to labor with our Father - We are guided by those 4 body attributes of participate, cooperate, serve, and respond - It is out of the offices of giving, ruling, and mercy that we labor with our Father for the benefit of the entire body (these practical need offices are the ones that get left behind - these are what bring a church into existence) This is the purpose the local church was created and until we start to function in line with the purpose, we're just a group of people doing something else.

Romans 12:3-10	Paul deals with our attitude toward the local assembly	Romans 12:9-10 Review (produces a FAMILY type thinking -> causes us to have intimacy of relationship???) - In order for our love to be like our Father's, we must couple selflessness with kindness - Godly lovingkindness means that we abhor the evil and cleave to the good that happens to the other members of this assembly - We are to be affectioned to one another like we are family - Being affectioned means that we have each other strongly in mind, we participate in each other's pains and pleasures, and we enjoy being in the company of the other members of this assembly We need these two things - God is not giving us labor just for the sake of being busy or proving to Him that the doctrine is working IN us. He is giving us godly labor (the offices and the labor in v9-10) so it is preparing us to do the things in this local assembly that we have to do in the creature. If we don't do it here, we won't know how to do it there.
Romans 12:3-10	Paul deals with our attitude toward the local assembly	List of things we have gone through together or will go through together in the future - this really will be a band of brothers or commonness for us here: - WE ARE BURIED WITH HIM BY BAPTISM INTO DEATH - Romans 6:4 - Part of our new identity IN Christ but all of us encountered that - WE ALSO SHOULD WALK IN NEWNESS OF LIFE - Romans 6:4 - We are supposed to do this together - WE ARE KILLED ALL THE DAY LONG - Romans 8:36 - We are going to go through the POE together - WE ARE ACCOUNTED AS SHEEP FOR THE SLAUGHTER - Romans 8:36 - We are going to be in this fight together - WE ARE MORE THAN CONQUERORS THROUGH HIM THAT LOVED US - Romans 8:37 - This is a corporate thing, this group is going to go through this that way
Romans 12:3-10	Paul deals with our attitude toward the local assembly	- WE ARE MADE AS THE FILTH OF THIS WORLD, AND ARE THE OFFSCOURING OF ALL THINGS UNTO THIS DAY - 1 Corinthians 4:13 - This is the way the world is going to view us, creating another bond within this group as we encounter these things - WE LIVE UNTO THE LORD - Romans 14:8 - This is the mindset we are going to have together - WE DIE UNTO THE LORD - Romans 14:8 - WE ARE THE LORD'S - Romans 14:8 - WE ARE LABOURERS TOGETHER WITH GOD - 1 Corinthians 3:9 - MM says if anyone ever questions where do you get the idea you are going to be laboring together with our Father, here it is. - WE ARE MADE A SPECTACLE UNTO THE WORLD, AND TO ANGELS, AND TO MEN - 1 Corinthians 4:9 - We have all these things in common - WE ARE FOOLS FOR CHRIST'S SAKE - 1 Corinthians 4:10 - MM says this is exactly how the world is going to consider us.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:3-10	Paul deals with our attitude toward the local assembly	- FOR WE ARE UNTO GOD A SWEET SAVOUR OF CHRIST - 2 Corinthians 2:15 - MM says this is how God looks at us as a whole, we are actually going to be that to Him and we are going to be that jointly, corporately. - WE ARE TROUBLED ON EVERY SIDE...WE ARE PERPLEXED - 2 Corinthians 4:8 - This will happen to us altogether - WE ARE AMBASSADORS FOR CHRIST - 2 Corinthians 5:20 - MM says this is really something that we are called to do - WE ARE HIS WORKMANSHIP - Ephesians 2:10 - MM says this is the way that He looks at us. He is working on us, doing the things that allow us to labor with Him. If someone would ask Him, 'God, what have you been doing?', God could point at us and reply 'There is My Work right there.' - WE ARE MEMBERS ONE OF ANOTHER - Ephesians 4:25 - WE ARE MEMBERS OF HIS BODY - Ephesians 5:30
Romans 12:3-10	Paul deals with our attitude toward the local assembly	This is not an exhaustive list of the WE references that are going to happen to us but what you are being shown here is God pulling back the curtain a little bit, showing you the kind of unity or brotherhood thing that glues us together. What we are going through, we are going to go through this together. This is one of the reasons why we can't do this on our own because we are going to need the support of the rest of this assembly. It is possible for people to work toward the same goal without having any interest in each other. But it can't be that way for us because there is something we are going to encounter that's going to make this necessary for us so this is not an optional thing, this is something where every single saint in this assembly has to look at the other saints here and say those folks are like family. That's the way we're going to be looking at each other. SELFLESSNESS and KINDNESS go together as the first 2 features of godly love. Means the way we V&E each other. There's a semi-colon at the end of v10. MM is convinced that v10 encapsulates the godly labor but the semi-colon means there's something else connected to this.
Romans 12:3-10	Paul deals with our attitude toward the local assembly	Instructions on what we'll need to do with ourselves before we can ever do the things with the creature that are going to need done. 1. 'Bringing a body into existence' - The body is brought into existence by the functioning of those offices. This is not delivering the creature from THE BONDAGE OF CORRUPTION. This is talking about when we get up there with the entirety of the body of Christ, we're going to need that whole body functioning as a body. There will be millions spread from one end of the universe to another and we have to bring that into existence as a body. 2. 'Strengthening or sustaining that body' - See each other in the relationship of family and say that issue of kindness and the labor IN HONOUR PREFERRING ONE ANOTHER. Promoting from within this assembly the other members by the faithful discharge of their office so that we strengthen and increase this assembly from within itself. Now we have been brought into existence, we have to be able to sustain ourselves from within.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:3-10	Paul deals with our attitude toward the local assembly	MM says this is the necessary foundation that has to be laid before we can be taught to do anything with the creature. People see SELFLESSNESS AND LOVINGKINDNESS and say yeah, we do that and think you wouldn't even need to be a believer. MM says it is not the same thing. The world can't reproduce what your Father is doing. If it could, there's be no reason to write it in your Bible. Also, this is not just a good idea on how to live, we are now being taken through a process whereby our thinking begins to change and our living lines up in accordance with that thinking and that qualifies us to labor with our Father. MM says there were people in this room who were SELFLESS and KIND before starting Sonship. But this is God bringing a church into existence in accordance with what He created it to be. We live out of our new identity IN Christ, not by keeping a set of rules but we serve Him by living out of His grace. That's not something we manufactured, that's what He gave us. We couldn't manufacture it on our own. When we live out of that, God looks at those things and calls those things righteous. If we do the exact same thing in the energy of our flesh, He calls that death. MM says now they look the same on the outside GH: but they're not. POINT: We see SELFLESSNESS and LOVINGKINDNESS around in the world but that doesn't means it has been generated by something that our Father has established in us.
Romans 12:3-8	RE 2: Romans 12:3-8 - Relationship to ourselves/the body: being part of a body & how we serve one another / Component 1 of 5 for Godly Love for members of the local assembly - First FORM OF DOCTRINE FOR GODLY WISDOM - Core Feature No. 1: Selflessness	The OPERATION we are accomplishing with these OFFICES is that we are bringing this body into existence as a real church. Taught how to LOVE the other saints/saved folks/like-minded people. May not be living in the same city or country. There's a particular way you are supposed to look at them and feel about them. First component of 5 components of godly love. Every body knows what human love is - there's a love for your children which is different than love for your parents which is different than love for your spouse which is different for love for your friends. You will never learn godly love apart from Romans 12:3-8. You will not be taught it unless you get it from here. 1. It is not found anywhere else. 2. By understanding this form of doctrine, that is what gets godly love generated IN you. That is what produces it IN you. When it is first produced IN you, it is kind of fragile. It is not like all of a sudden I have all of it I could ever have. The Bible talks about abounding in love. Generates in us the first component of 5 components of godly LOVE. MM says first time through summarized this as SELFLESSNESS. Danger of saying it that way is we have had times in our lives where we were (GH: human) selfless. There is a difference between human selflessness (not a bad thing) and godly selflessness. In order for you to labor with your Heavenly Father in eternity to come in His Business, you are going to need more than the human version of selflessness, you're going to need His version of selflessness because His version changes you in a way that this one (GH: human selflessness) does not. You can be selfless because you care about or love someone and it is going to be about them, not you. Lost people do that too. Don't have to be saved to have human selflessness. Go to the book store, the self-help books are full of this kind of advice. But the only way we're going to be selfless is for us to manufacture it. Can be human selflessness and then not.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:3-8	RE 2: Romans 12:3-8 - Relationship to ourselves/the body: being part of a body & how we serve one another / Component 1 of 5 for Godly Love for members of the local assembly - First FORM OF DOCTRINE FOR GODLY WISDOM - Core Feature No. 1: Selflessness	The aspect of godly love that produces a godly version of selflessness that comes because of the doctrine. 1. The doctrine has established that IN you 2. You learn that doctrine 3. Believe that doctrine 4. Live out of that doctrine As you are living out of godly selflessness/love, it will need change from one instance to the next, it will be constant. God wants to produce this IN you. Godly selflessness doesn't operate like human selflessness because it doesn't operate the way godly selflessness does, because it is not doing it for the same reasons that human selflessness does. It's doing it for the reasons God Himself is selfless. No one in the world, no matter how evil they were, when they trusted Jesus Christ as their all-sufficient Savior they understood the gospel, that God would say no. Human selflessness doesn't operate that way because humans look at that for an entirely different reason. He is not asking us to LOVE people out of our own human love more than we have before. When he is talking kindness he is not asking us to be kinder than the standard human kindness. These are not bad things, not evil BUT not godly. Not enough. How righteousness can you make yourself in order for God to say you have justified yourself? It's impossible. In the same way, you cannot manufacture sufficient love and kindness and all of those other attributes in Romans 12 on your own because God is expecting a level that we cannot in and of ourselves achieve. If you preached this in most churches, it would be the last time you ever preached there. How dare you insult our great human endeavors! MM says he is not insulting them. MM says when these things get done, when you LOVE, it is not a version of human LOVE, it's about the godly version/His version. You will absolutely know when godly love is being generated IN you because you will now be doing something for a very particular reason and it is a reason you have never operated out of before. It's the reason it is going to be given to you in the word and when you live out of that, that is how godly love gets generated.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:3-8	RE 2: Romans 12:3-8 - Relationship to ourselves/the body: being part of a body & how we serve one another / Component 1 of 5 for Godly Love for members of the local assembly - First FORM OF DOCTRINE FOR GODLY WISDOM - Core Feature No. 1: Selflessness	First component of godly love is built on His version of being selfless and it doesn't come from any of those human reasons - love, see a need, etc. It comes from a whole different reason. Human love doesn't operate this way, only God's version. We want that working IN us. You know a bunch of stuff, but this is the very first step that qualifies you to do anything in the creature. The first FORM OF DOCTRINE (GH: always has the think/live/labor pattern) that you will learn in the education proper. Doctrine that belongs to a local assembly. Not trying to be selflessness, it is having the doctrine working IN you and living out of that. Notice the 3 sentences. v3 is one long sentence talking about godly thinking. Next sentence is v4-5 and then 6-8. MM says the grammar always means something. The first thing your Father does is tell you how to think about it. The second thing is how to implement that thinking into your daily life. The third thing is to tell you how to take that and labor with your Father in something He is doing. You can use it in your life and God is not necessarily doing that. This is the pattern you look for - godly thinking, godly living, and godly labor. The more you do it the more skilled you get at it. This is telling you about godly love and it can all be summed up into one major feature about godly love - selflessness. Godly love is selfless. MM says that he has watched plenty of selfless people in the world. Some of us grew up in homes where Mom's never ate a hot meal by the time she sat down. Watched father's sacrifice things to make life easier for their kids. Watched people go to war for this country and put their life on the line. While these are all selfless acts, it is not what your heavenly Father is talking about. You can't naturally produce godly selflessness. It is only accomplished by the effectual working of these verses in your inner man. If it could get done by the world your Father wouldn't need to give you an education. You just got your first test because the natural man reacts against this. If you think the world can produce anything that your Father is thinking and laboring it, you are mistaken. It cannot. You are just as likely to do that as you are to justify yourself. We have already learned we can't do this on our own. Why MM can't just point to Romans 12:3 and just say be selfless with everybody and just move on. It takes all 8 verses to get this done. And it is not a little box that once it gets done you set it in the corner. It is part of the house you are building. It's the floor plate you are nailing to the floor and you are going to build some stuff on top of this. This is not just so you can do things here. You are going to need it when you get to the creature.

Romans 12:3-8	RE 2: Romans 12:3-8 - Relationship to ourselves/the body: being part of a body & how we serve one another / Component 1 of 5 for Godly Love for members of the local assembly - First FORM OF DOCTRINE FOR GODLY WISDOM - Core Feature No. 1: Selflessness	Designed to equip us for the task that we got assigned in Romans 8:19-23. Deeply impacted you because it changed the way you look at the sky and you understood what you were going to be doing. There is a job this education is equipping us for. Knew you were going to be involved in that. Paul is telling us he has given every single one of you the job of getting this done but we'll all not do the same thing to get that done. Because of the body thinking injected into all of this, your part is just as important as every other part. STORY: MM had a cassette tape player that broke. Opened it up and it had all these gears and springs. Easy to think the most important piece is the playing head but if any of these pieces don't work, the whole thing doesn't work. STORY: Dead battery on a car - the whole car is worthless. THE MEASURE OF FAITH to do this has been given to everyone of us. There's no supervisor or manager that is checking in to see if we are staying up with it. The first thing you understand is no matter what you're doing in that creature, and there's going to be a lot of things to do, everyone of those things is necessary in order for that to get done and you can't look around and say well, the one that did this was the most important. Like anything that involves a Team. If the other team members don't do their part, things can't work the way they're designed to work. MM doesn't like to use the word Team because Sonship goes way beyond this. If you get up there and do think of yourself more highly than you ought to think, this is not going to work. Right now, we are not specifically delivering the creature from the bondage of corruption, but you will get so good at it you won't think about it anymore. How does knowing this keep you from thinking of yourself more highly than you ought to think and make you see everybody else as part of the body and how does this establish the equality that MM was talking about earlier? Every single member of this assembly is to have an office. MM doesn't get to assign it. God is not going to tell you because you have liberty in your decision making. MM says you are coming to class in the laboratory to start working. This (GH: room) is where that (GH: the work in the creature) is made possible.

"Form Godly Love in your inner man': Starts the wisdom section with thinking. Taught what NOT to think and what to be thinking. Later he is going to give you a form of doctrine. He is going to talk about the thinking in connection with that form of doctrine. Then at some point He is going to tell you this is how you are going to labor with Me in thinking this way. **v3-8 enable you to do v9-LET LOVE BE WITHOUT DISSIMULATION**. Think of this education as an edifice or a building or a house. Everything is connected to other things in that house. Nothing in the education is standalone. It is all connected to something else. Now we are in the education: - It has to be more than just hearing MM talk. - There has to be more than this just being data in your mind that not actually showing up anywhere. We need more than the classroom, we need the laboratory. The classroom is where you learn the information but then you need the laboratory where you take what you learned and you go do it, you put it to practice. How this shows up in our labor and conduct. Because if this doesn't get there, this is not going to work the way it's supposed to work. MM's flashcards is the laboratory for your thinking. There's an element of this education that is going to make the difference between this really working in us and just kind of knowing about something but knowing how to implement it we don't really ever do.

Romans 12:3-8	RE 2: Romans 12:3-8 - Relationship to ourselves/the body: being part of a body & how we serve one another / Component 1 of 5 for Godly Love for members of the local assembly - First FORM OF DOCTRINE FOR GODLY WISDOM - Core Feature No. 1: Selflessness	The first part of our godly wisdom is we V&E each other based on the fact that we are all to labor with the Father as one body IN Christ in this church as preparation for laboring with Him in the heavenly places in eternity. We are not a number of different people all doing a number of different things with a number of different objectives, but corporately, we're working together as one body. As a body, we are to all participate, cooperate with, serve, and respond to the other members of the body. MM says think of it like an natural body, if you have part of the body that says I'm not working today, how much that affects everything that you could do or would do and what kind of burden that places on the other members of the body. Sometimes you can't help that, you strain your foot and have got to take the weight off of it and the rest of the body has to work really hard just to do the things it normally would do with no effort. We are all to participate out of the offices we found in Romans 12:6-8 and it is up to you to decide which of those offices you'll participate in and to what degree you'll participate in. As a son, you are certainly given liberty. We're going to cooperate with other members of the body, we will serve other members of the body, and we'll respond to other members of the body. These are the 4 body attributes we always have to have in our mind as we function as one body IN Christ. The first major attribute of the godly love which we are to have for each other is selflessness. Every member of the assembly is to occupy one of the offices listed in Romans 12:6-8 and labor with God to the benefit of the other members of the assembly as you function out of that office. Our ongoing job is to take the information we have learned in v3-8 and do something with it in this assembly. It's not enough to just read v3-8 and say OK, I got it, what's next? Because it hadn't done the job it is supposed to do until we take that information now and actually integrate it into our living and then into our labor. The local church is the primary place where our Sonship skills get put into practice and the offices are the primary means by which we labor with God in the local assembly. See that if this is the primary way I'm going to start laboring with my Father this is how important it is then that I engage myself in one of these offices to some extent. With every piece of doctrine, we are to have a two-fold response: a positive and proper response to the doctrine. **Two-fold response that is a complete process:** **1. A POSITIVE response (the THINKING) pertains to the mental understanding of the truth that has been presented to you. It means that this is now in your thinking.** **2. A PROPER response (the doing: LIVING & LABOR) has to do with your actions based upon that thinking. That is to say, you can no longer just think about what you have learned, now you have to DO SOMETHING with it!**

Romans 12:3-8	RE 2: Romans 12:3-8 - Relationship to ourselves/the body: being part of a body & how we serve one another / Component 1 of 5 for Godly Love for members of the local assembly - First FORM OF DOCTRINE FOR GODLY WISDOM - Core Feature No. 1: Selflessness	The doctrine you are taught is not meant for you to be able to change your circumstances. The doctrine is not a tool that you utilize to change your circumstances so things turn out better. MM says this analogy will break down very quickly but the doctrine is like a pill that you ingest that actually does something to you from the inside. The way most preachers teach doctrine today is if you do this and this and this your whole situation or circumstance will change. The doctrine is not meant for that. The doctrine is meant to take root in you and your circumstances may or may not change, but that doctrine now does something to transform you from the inside that now it doesn't matter what is happening on the outside. These are not synonyms but they're all part of the same process of something happening and all describing that same kind of thing. - Edifying - Effectually working in you - CONFORMED TO THE IMAGE OF HIS SON - WRITTEN ON THE TABLES OF YOUR HEART: It's more than just in your heart, it's gone a step beyond just being information that you've got in your head. MM believes the break-down is people not understanding this two-part response to every doctrine you have heard or going to hear. This list above doesn't take place without this two-part response taking place. You have liberty as a son to do all, part, or none of this. Before we can really move on, all of Romans 12:3-8 requires us to give a positive and proper response to the doctrine. Nobody is going to ride herd over you or come along with a notebook and see what you did today to properly respond to the doctrine. By means of that two-fold response, the doctrine becomes a fixed and permanent part of our mind and we begin to live and labor out of that doctrine as we put it into practice. We have to see it and then begin to live out of our new understanding that we've been given.

Romans 12:3-8	RE 2: Romans 12:3-8 - Relationship to ourselves/the body: being part of a body & how we serve one another / Component 1 of 5 for Godly Love for members of the local assembly - First FORM OF DOCTRINE FOR GODLY WISDOM - Core Feature No. 1: Selflessness	This is how godly edifying takes place which is the single most important goal of the local church. It is the thing that it is after and that's the end result. The danger is and churches have done this all along, is thinking that if I know/memorized/familiar with some verses, that's all I really need. Most Sunday sermons, when folks walk out the door, there isn't anything they need to do with that. You just heard some stuff and there's no real application of that. MM believes that's why a generation dropped out of church because it wasn't in their mind relevant. We were learning the Bible for the sake of learning the Bible and to a generation, that wasn't good enough because it isn't helping me at all. It looked like it didn't have anything to do with what was going on in their life. In Sonship, you will be able to make decisions that are perfectly in line with your heavenly Father's Will and there's going to be a practical application of that every day. By applying it, you are learning the skills and honing the skills that you are going to be called on to use when you get up in the creature in your glorified body. That's a practical application. All you are really doing is you are rehearsing for the day that you get to the heavenly places. You are either going to be skilled or placed in a position commensurate with what you're able to do. Until we're doing both of these (GH: POSITIVE & PROPER responses), that word hasn't done the job God intended for it to do and you're not finished. MM says there are people who have memorized whole portions of the Bible and they have no idea what it's applied to. It's not enough to say I'm kind of familar with the passage, the question is what is that doctrine asking you to do as a son that you are going to start putting that thing into practice in just that way. The first FORM OF DOCTRINE for godly wisdom: Godly Selflessness. The reason it is the first one is until it gets done, you really can't adequately function out of the next ones because this one is fixing something about us so that we can respond to others the way we're supposed to. But we have to correct something in our own thinking about ourselves. This is really important that we get this down. This is the first step to being conformed to the image of God's Son and that should be exciting to us that we are going to do something that will produce that result. Will be observable and measureable in us. MM says you have to understand the terms as Paul understands them. People pick up their Bible and think of something different.

Romans 12:3-8	RE 2: Romans 12:3-8 - Relationship to ourselves/the body: being part of a body & how we serve one another / Component 1 of 5 for Godly Love for members of the local assembly - First FORM OF DOCTRINE FOR GODLY WISDOM - Core Feature No. 1: Selflessness	Post-doctrinal exhortation: MM is not just teaching you, now he is exhorting you to do something with this. This will take time for you to mull over these offices and say in what way you are going to operate out of these offices. It's simple right now but it's going to get more refined. When we look at these offices and say this is where I'm going to function, once we do, we will have for the first time begun to operate as one body IN Christ, exactly what we were meant to do. Taking this information and doing something with it is how the living words of the living God live in you. This is how that happens. That's the effectual working of His word in you. The more you do that the more that word does its work in you. The offices are not separate from our education as sons and daughters, they are the outworking of our education. While anyone can instruct us to be selfless, God's version of selflessness can only be acquired from Him. And since the way He generates selflessness in us is by means of His word working in us, then godly selflessness can only be acquired from Romans 12:3-8. The word of God is not merely motivational; it is not just admonishing us to be selfless. It is meant to be the means by which we become selfless. The doctrine not only provides the desire to be selfless (there is the motivation) but at the same time, it provides the power to produce godly selflessness in us. We are not just deciding to be selfless, but we are deciding to align our conduct and behavior with the godly thinking given to us in God's word. Selflessness is only godly when it is applied the same way and for the same reasons as our heavenly Father. By the instruction of Romans 12:3-8, we learn: 1) to value and esteem the members of our local assembly, and 2) to do so for the same reasons God does. The easiest place to learn and apply the doctrine is within a body of like-minded believers. It is worth understanding that selflessness is not actually something we do as much as it is an attitude which influences what we do.

This pattern consists of 3 separate parts and it is identical to the 3 aspects of godliness. The pattern of the education: Romans 12:3: godly thinking: the difference in the thinking is the motive - why is it that we are doing what we are doing. Romans 12:4-5: godly living: We should be looking for ways in our every days lives to live out of that new thinking. We should be consciously making an effort to find way to take that new thinking and have it result in a conduct in our everyday life. This is what the renewing of our mind is all about, that's what it is meant to produce in us. Romans 12:6-8: godly labor: At first glance it may appear that living and labor are the same. Once you get the godly thinking and godly living down, then the scripture is going to come along and give you a specific way in which you can actually labor with your Father in an operation that He wants to accomplish right now in this DOGG. This is something specific that God wants you to do. On the analogy that this is a practice field for the heavenly places, this does not mean your labor here is not important or not necessary. It is critical in nature. You are putting your Sonship skills to use but there are some things that absolutely must take place and the way God is going to accomplish that is through the members of His body, through godliness being at work. What God is doing in this DOGG is dependent on us, the members of the body of Christ. The forms presented after will be built on this one.

Because in the word we have been taught to think like our Father and then to now live out of that godly thinking, we are now qualified to labor with Him in what He is doing. He doesn't want us to be guessing about that because His goal is the whole edification process is the process by which we become godly. He wants us to V&E the other members of the assembly like He V&Es them - **MEMBERS ONE OF ANOTHER-Romans 12:5. Three things involved in this:** **1. Interconnected: supposed to be connected to one another to function together as a body in the various OFFICES that are able to do something.** **2. Interdependent: means we are counting on the other members to do the things that they are supposed to do to make this body function properly** **3. Mutually existent: because a body can't just be one member** MM says this thing was built for a body, not for an individual. v6-8 are the miniumum number of OFFICES that have to be functioning in a local church in order for it to accomplish what God designed the local church to accomplish. God V&Es these members not just because they are a bunch of individuals who happen to show up in the same room, but that when we assemble ourselves together we function out of OFFICES just like the members of your body functions in a single OFFICE.

God's operations or the things that He is trying to accomplish through the local church are only accomplished as that church begins to function as MEMBERS ONE OF ANOTHER-Romans 12:5 to fulfill THE MEASURE OF FAITH-Romans 12:3 to labor with their Father to the accomplishment of God's operations. This is a motive the world doesn't have. The world would say, yeah when we show up at church we give in the offering plate because we don't want the lights shut off. MM says of course we want the lights on, but the motive behind saints who are thinking about it the way their heavenly Father is thinking about it goes beyond let's keep the lights on. It's the love that we have for God, that ever abounding love for Him that manifests itself in this way. When you find out what your heavenly Father wants to accomplish, you want to get in on that because you love Him. And because you love the other members. MM says emotionally, he doesn't feel about us the way he feels about Billie, but when it comes to V&Eing you, that's a decision he can make. V&E is an attitude that you now have towards the other members of this assembly. But it is not charity until that translates into your Christ-like actions toward them. If it isn't manifested toward them, it's not really charity. As we respond positively and properly to the doctrine, the character of Jesus Christ is being formed in our inner man and this SELFLESSNESS becomes part of the godly character that we begin to operate out of and function with. Want to be motivated by the doctrine, because then Christ is formed in us. As we pull back the curtain we want less of us and more of Him. That's LOVE that is WITHOUT DISSIMULATION-Romans 12:9. Didn't start in Romans 12, is part of a process that we should have had all along. Goes all the way back to the MERCIES OF GOD-Romans 12:1.

The goal that God wants to accomplish in us - God wants to produce the Life of His Son in us because that was how mankind was created to function and live in this world. Without the life of God in man, man is no longer man. Doesn't mean you are not a person, but you are no longer who you were originally created to be. Also talking about saved people here. In Adam, we lost the image of our Creator and as a result, we lost our humanity. When MM says we lost our humanity, we lost that which makes us uniquely different from every other creature that God created. We lost that which allowed us to be the very pinnacle of God's creatures and justification alone is not enough to replace all that we lost in Adam. We needed justification, but justification puts us IN Christ. We need that, but we also need Christ IN us. This is the other side of that coin. This is a sanctification issue. So, if God is not in the man, then he is no longer who God made him to be. MM trying to show why this process is so important. ISSUE 2. The process whereby that goal gets accomplished: We can even be saved, but if we are not allowing the Life of Jesus Christ to be lived in us, to be made manifest in us, then we still haven't recovered everything that we lost in Adam. Jesus came to make sure that both of these parts get done. So He dies on the Cross to reconcile us to God - there's your justification. Then in our sanctification, He wants to live His Life in us and through us. Unless Christ is living IN us, there is nothing we can do that is acceptable to God. We're doing it in the energy of our flesh and that's not acceptable to the Lord. Our righteousness is nothing but the filthy rags of self-righteousness and therefore the goal of studying the things we are studying is that we might be able to say, just like the apostle Paul in Galatians 2:20. How do we reach this goal? By engaging in a process that is described in the word of God. The process is not magic, that process is not something God does for us without our knowledge or our involvement. The MERCIES-Romans 12:1 working that way. When you trusted Jesus Christ as your all-sufficient Savior, you got the righteousness of Jesus Christ imputed to you. You didn't know it when it happened, you had to hear about it. But God did it and He just took care of it. This is not that way with Christ living His Life in us. It is not an automatic thing that just happens because God does it and He doesn't even need you to know about it in order for Him to do it. We not only have to know about it, we have to be involved with it. We're part of that. This process involves His word and our response to that word and the Work of the Spirit to transform us in our inner man and conform us to the image of God's Son. In Adam, we lost that image. In Christ, we get that image back by being conformed to His image and we're going to regain what we lost and that's CHRIST IN YOU-Colossians 1:27.

STORY: MM throwing his circular saw across the yard and walking to the shed to get another one and Billie is sitting on the porch asking 'is that how a son is supposed to react?' And then you have another choice about getting defensive about that and bring up a time when Billie didn't do so well. Admitted that he was really sorry for not living out of the doctrine and Billie said she was sorry she said that. MM jokes that he said that she should be. It's easy to get involved in something without thinking about what is my ultimate godly reason for doing this. MM says he is going to have to rely on the fact that you got this concept down and you're doing your own work in your own life and not just do it because it needs to be done but to do it because you: - you love your heavenly Father - V&E your fellow members - want to labor with Him - want to see His operations accomplished for those godly reasons.

Romans 12:3-8	RE 2: Romans 12:3-8 - Relationship to ourselves/the body: being part of a body & how we serve one another / Component 1 of 5 for Godly Love for members of the local assembly - First FORM OF DOCTRINE FOR GODLY WISDOM - Core Feature No. 1: Selflessness -	Like so many areas of our Sonship life, the degree that we engage in the doctrine is kind of an indicator of where we are. So it's an indicator of: - our love for our heavenly Father - is that love increasing and abounding? - the condition of our heart - our desire to labor with our Father, that we truly have a desire to do that - what we think about the other members of this assembly When it is not a big deal to you to engage in an OFFICE for the godly reason that are given to you in scripture, you are saying people aren't important to me and you are not V&Eing the other members of this assembly. And if you are not V&Eing the other members of the assembly then whatever you are doing certainly isn't being done with godly charity. We know doing things without godly charity is worthless to God. It doesn't put on display His Character at all. You're just showing the world's version of it. God is saying you've got to be different from that and it is showing in our esteeming the other members of the local assembly. It shows how much we love our fellow saints. It is an indicator of how much that doctrine is working in our inner man. It's an indicator of our own edification. If you look at your OFFICE and discover you are not discharging that OFFICE within this local assembly, not discharging that office for godly reasons that are given to you in the scripture? You don't quit, you stop and go back and make a decision to begin to do those things for the godly reasons that are given to you. Just make a decision. Don't wait for a flood of emotion to overcome you so you will go do it, do the godly thing on purpose. MM says he sees people that already have this doctrine working in them. Sees people doing the godly labor and haven't even gotten to the verses yet. The doctrine is working in them and it is producing that next natural thinking in them which causes them to then act on that thinking. When we begin to do the labor of v10, that is when this assembly gets galvanized together in a real unit with singleness of purpose like a body with all the members working together. The Bible talks about that body being FITLY JOINED TOGETHER AND COMPACTED-Ephesians 4:16. It's the godly labor in v10 that really gets this going. You begin to see the cohesiveness of this and that's when it becomes a single body. MM is encouraged because he already sees this.

Sometimes SOPT are irritations sometimes they are inconveniences. Sometimes they are difficult but just last for a little while. Sometimes they are life changing and everything about your life changes - dread disease, death of a loved one, etc. Not all are catastrophic but some are. Principle: Learn to live out of the doctrine in the little things because thank God every day does not offer a catastrophic suffering. You may be in this place one day. MM says if you wait until the big test comes along to start living out of this it won't help you. It will be too little, too late. Whenever MM is teaching the doctrine, he is always glad that we don't need it right then. Because when you are in the middle of a storm, that's really the only thing that has your attention. When someone is laying in a hospital bed and they may or may not make it, that's a really bad time to teach them doctrine. And to do it at a memorial service like yesterday (6/26/22-Billie RIP) is a very inappropriate time. You can mention it but this is not the time to do it. The (classroom) is the time to do it. BTW, don't you want to give the godly response to every detail of your life and not just the big ones? This is how you learn to do it. You get it in the everyday stuff and you get it working and then you have some experience with it so when the big thing comes along you have something to draw on and that is very important. Why? Because if you wait, not only do you not have experience and skill with the doctrine, but something bad will happen and when that catastrophic thing comes, you will lose your desire to live out of the doctrine to overcome that circumstance. It will affect you that way. If people don't have a desire to recover, you can't make them no matter how much you care about them. Think of this as, every day, putting on bits of doctrinal armor that allows you to now not be so affected. You may say these are little things, I've got that, but you don't really want to live your life out of the power of your flesh, even in the little things. You want to default to the doctrine so that godliness is the response to everything and you only get that by doing that (GH: living out of the doctrine). It's not magic. It's not a faucet. It's not I haven't turned the faucet on in 10 years and now I need grace fast. But that's not going to work.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:3-5		Paul is describing the nature of the relationship that we're to have with each other and so what is in our thinking. The godly thinking of Romans 12:3-5: - All have THE MEASURE OF FAITH-Romans 12:3 - as THE MEASURE OF FAITH progresses in our thinking and we really begin to understand the implications of this, that gets us to thinking that we are in this together. MM implores don't let that just be data. We are in this together but simply knowing that can't be enough. - We are a body - We have a relationship with each other as members of the same body. What we are going to have to do in relation to that is going to have to follow up on just knowing about that. Means we are working together as members of the same body toward the same goal. Our Father is the One that is going to give us that goal to the accomplishment of His Will. The nature of that relationship is a body. There's a tendency to just get information in your head but it never translates into anything. MM is not asking you to pretend it's true, when it gets done right we will actually now be able to see how this body corporately is going to be able to labor with God. See the whole reason we were given the measure of faith to begin with. See that will be able to accomplish something for the godly reasons that God Himself has to accomplish His Will in a specific area. See how necessary that other members of the assembly are and how connected we are and how we are truly functioning as a body. MM goes back to the simple illustration of picking up a pencil and everything it takes for different members of your body to perform that act. Just like your body didn't come into the world with all skills intact and they had to be developed as it grew, so will this body. There are things this body can do when it is assembled together when it cannot do any other time.
Romans 12:3-5		- Selfless thinking - pertains to the other members of this body. - We make a decision to V&E the other members (based on them being part of the same body we are a part of) - God's Plan and Purpose calls for us to be a body but there's a particular way that the members of a body think about each other. Knowing we all have the measure of faith and we are all part of the same body and that selfless thinking is supposed to be generated in us now causes us to view the other members of this body in a particular way. MM asks when is the last time you said I really understand the importance of this person and the value they bring to this assembly because they are a necessary part of this body and I understand their function that gives them that value and importance. **You don't V&E someone for all of their good qualities, you V&E someone for the same reason your heavenly Father V&Es them**. MM says this is a process and a sticking point. - We manifest it in our Christ-like actions toward them - We are a body that is supposed to function a way to accomplish some very specific things. This has to translate into godly action or we will be right back where we have been. We are doing things because of this (GH: doctrine). We have to start thinking about ourselves this way. MM says when you get into the heavenly places with all the other members of the body of Christ, there won't be any lone rangers. You will all be part of the body of Christ spread all across the creature. He is counting on us knowing how to function as a body and if we can't do it here where we are looking at each other, how will we ever do it as we're spread across the universe? This is the trial run. When you get up there, you don't have to relearn it. Just do what you already know. That's the value of this.

Romans 12:3	Godly Thinking - Talk about us being selfless	3 For I say, through the grace given unto me, to every man that is among you, not to think of himself more highly than he ought to think; but to think soberly, according as God hath dealt to every man the measure of faith. Has 3 objectives to it. 1. **Dispel ungodly thinking**. Not talking about evil thinking, just talking about natural (human) reasoning. It doesn't come from God, therefore, it is not godly. Thinking of ourselves more highly than we ought to think is part of the natural human reasoning. To think of yourself more highly than you ought to think (Romans 12:3) is to sin against God and against our fellow members of the body of Christ. GH: pride 2. **To establish sober thinking. To think godly**. 3. **To generate godly love in the form of the first feature - godly selflessness**. This has to be the first core feature out of the box. Because if you can't get selflessness generated in you, everything else you do is going to be tainted. This has got to be handled right out of the box. This is what the doctrine is designed to do. Godly love is NOT some kind of emotion that magically appears and all of a sudden you are extra fond of somebody that you really didn't care that much about before. The kind of love being generated in us is called charity. The Bible uses both words - love and charity. **The cycle: When edification takes place, it results in charity and when charity takes place, it results in edification. They feed off each other. Once you get this process going, MM says it's almost like a perpetual motion machine. Need to understand the difference between the godly version of a character trait and a worldly version of a character trait**. The way we get taught this doctrine and we go all the way through v3 GH: you may find your (human) version of selflessness needs to change. MM says it is really evident how God is not teaching us this. He is not just saying that we need to put others first but one of the differences will be why we're going to put people first. He wants to generate this thing in us where we don't think of ourselves more highly than we ought to think. He is going to produce that by the last 12 words, according as God hath dealt to every man the measure of faith.

Romans 12:3	Godly Thinking - Talk about us being selfless	3 For I say, through the grace given unto me, to every man that is among you, not to think of himself more highly than he ought to think; but to think soberly, according as God hath dealt to every man the measure of faith. First part of the verse is how NOT to think and the second part of the verse is how to think. Begin to start hearing some things and reading some things from your heavenly Father that will run diametrically opposed to what you have thought about them before. Will be uncomfortable for some, you are not going to like that at all and will balk at this new way of thinking about things. MM knows that people like to resist change so he is warning you about this now. The four decision making skills are the warehouse from which you will draw your knowledge and make decisions here and now but in the heavenly places later. Your Father has got to change your mind about thinking the way the world thinks to thinking the way He thinks. The world has made great inroads and you have to recognize it for what it is. The knee jerk reaction is to hang onto the ungodly thinking. If you do that, you can jeopardize having your Father's thinking at work IN you. MM is telling you now before you face that sacred cow that you refuse to put on the altar. That thing you are not willing to change is not worth robbing yourself of your Heavenly Father's Wisdom. Godly thinking is looking at things from His perspective and you will see yourself begin to do this. But then there will be other things that are so counter to what you have read/believed/done for years that you will resist that. You have to make a decision here and now on what your apostle is besceeching you to do. This is a checkpoint-2 . What you need to be willing to do.
Romans 12:3	Godly Thinking - Talk about us being selfless	3 For I say, through the grace given unto me, to every man that is among you, not to think of himself more highly than he ought to think; but to think soberly, according as God hath dealt to every man the measure of faith. Wrong thinking and wrong living will never produce right labor. Some things may make good sense, but that's according to the world and not God. Some of these things are couched in Christian terminology and they have been a part of that system of what church does today. Because we have gotten used to that, we can't see anything else. EX The weekly format of a church service. Come to Monahans and they say it doesn't feel like church because there is something engrained in them saying this is what church is supposed to be. Get ready for the education to take your sacred cows out of the barn and slaughter them. That's the price you will pay to get the real Wisdom, not the counterfeit wisdom. This will allow you to labor with your Father because that's where your position is going to be. For some of you, your inner man is already being prepared for the education. Won't be chunked out into the education and shocked with all this information with no preparation for it. Your Father has been building in you an implicit, unshakable trust and confidence in what He says to you is true and its best. You will have to allow yourself to be corrected by the word of God. You may have to learn to do a complete about face and go in the direction your Father is going because He and that world corrects you. From now on, NOT being conformed to this world is the direction that you are going to head in. It's going to be a process, it's not going to happen in a moment. Will happen in stages and in steps. The longer you go, the more things you will discover to be not conformed to, because it wasn't the type of thinking your Father has given you. Talks about us being selfless. The way God produces His love within us is by giving us information. As we begin to think out of that information (doctrine) we are able to generate loving thoughts about the other members of our assembly. (These are the same loving thoughts that God Himself has in His mind about us.)

Romans 12:3	Godly Thinking - Talk about us being selfless	3 For I say, through the grace given unto me, to every man that is among you, not to think of himself more highly than he ought to think; but to think soberly, according as God hath dealt to every man the measure of faith. Godly Thinking - don't think this way, think this way. The reason you love others in your local assembly has to be for the very same reason your Heavenly Father loves them. God doesn't love you because you are a good person or have good character qualities or have a likeable personality. The love being generated IN us is the same love that are Heavenly Father already possesses. First component is given to you in this form of doctrine and the key to it is sitting in the phrase ACCORDING AS GOD HATH DEALT TO EVERY MAN THE MEASURE OF FAITH. Not talking about SAVING FAITH, he is talking to saints. This is the first thing that gets generated IN you to get you to thinking about the other people in this room the way your Heavenly Father thinks about them. As you think about the other people in this room, this is what you should have coming into your mind. Why you want to CONTINUE INSTANT IN PRAYER-Romans 12:12c so you are constantly being reminded of that doctrine so when we are tempted to say 'did you see that top Sarita had on Sunday?' (foolish, worldly, not godly thinking) you are able to curtail what you were going to say and say that is not thinking about her in the way that I was taught and if I am going to be like my Heavenly Father and function with Him up there, I am going to have to live out of this doctrine. Means my thinking is now not whatever comes into my head. That will work against you in the heavenly places. You are going to be different and the things that are very important to your Heavenly Father will become very important to you and v.v and that will make you stand out like a sore thumb because this world is not anywhere close to godly - wants to talk tolerance and political correctness but the world is not godly.

Romans 12:3	Godly Thinking - Talk about us being selfless	3 For I say, through the grace given unto me, to every man that is among you, not to think of himself more highly than he ought to think; but to think soberly, according as God hath dealt to every man the measure of faith. How we learn to live in real-time so that Christ can dwell in our hearts, that His Life might be made manifest in these mortal bodies, His Life put on public display IN us. There is no greater privilege than that. MM says it doesn't get much easier than this because Paul uses the word 3x in the verse. Before you can ever live right you have to think right. Critical verse because this is where godly selfless love gets generated in us and it gets done by the last 12 words in the verse. The effectual worrking of any of this is by you making a conscious decision to do something and then operating out of that. This is when you can look at the person beside you and you can think about them the way your Heavenly Father thinks about them. That means it's not because they have a personality that you get along with or because you are married to them or you are related to them, but it is because you realize that they are important to this group/local assembly and they are as important as any other member because they have been given THE MEASURE OF FAITH. What the last 12 words of v3 are supposed to generate in us. You look at everyone as important to this assembly as anyone else. When this sinks in but don't expect fireworks to start going off. The further the education goes, you will look back one day and say even though I knew it was true back then, I had no idea just how true that was. Realize it is more true now than it was then because I understand more about it. MM says he has always thought the Bible was important and always wanted to have it because it's the word of God but when you find out Sonship is in and it is the only way to get it, then all of a sudden it is way more important. Don't worry about the old thinking creeping back because you have been given everything you need to keep that type of thinking from getting control. Through your new identity IN Christ you can put all that aside. When you do, that's SOBER THINKING.

Romans 12:3	Godly Thinking - Talk about us being selfless	3 For I say, through the grace given unto me, to every man that is among you, not to think of himself more highly than he ought to think; but to think soberly, according as God hath dealt to every man the measure of faith. When your Father looks at saved people, He is looking at them like GH: NO RESPECTOR OF PERSONS-Romans 2:11. He doesn't like Bob better than Tom and then He'll do something for Bob. He has dealt to every man the MEASURE OF FAITH. What He has done for one, He has done for everyone of them. Point: Don't think of yourself more highly than you ought to think because God has dealt to every man the measure of faith. If you thought God was working in our physical circumstances today, if God healed Bob, He would have to heal Tom. Here's what we know. In the phyiscal realm, not everybody is getting it, which means God isn't the one doing that. Sometimes, your body has the wonderful ability to get well and it does but there are a lot of factors involved in that. Some folks get well faster because they weren't as sick. One of the ways you can tell what God is doing is that it will be dealt to everyone equally. Today, people think, why did God heal Bob but not me. Here's the point - God didn't do anything for Bob that He didn't do for you. IN Christ, it is grace. You don't have to deserve it/earn it/can't work for it. He's just going to give it to you. Good way to know if God did something - did every believer IN Jesus Christ get it? If the answer is NO, then no, He didn't do it because He would have violated the very first thing He educated you in. Everywhere MM turns he is faced with people who have gotten nothing but a steady diet of erroneous teaching about how to live for God and he is tired of it. Godly love will be generated and then expand to areas outside of this assembly. Post-doctrinal exhortation: The only way we can love others the way God loves them is to first love Him. First FORM OF DOCTRINE in Romans that follows the GH: godliness pattern (think, live, labor) and they are taught in that order. It is meant to generate IN us godly (not a copy of the human version) love and later charity is going to be generated IN us for the other members of this assembly. **To think of yourself more highly than you ought to think is to sin against God and against our fellow members of the body of Christ**.

Romans 12:3	Godly Thinking - Talk about us being selfless	3 For I say, through the grace given unto me, to every man that is among you, not to think of himself more highly than he ought to think; but to think soberly, according as God hath dealt to every man the measure of faith. There will be other groups that the next FORMs OF DOCTRINE are going to talk to us about, how we are supposed to think about them and how we are supposed to live out of that new thinking in accordance with that. Then eventually how we'll labor with God out of that is to practice for what we will be using when we get into the heavenly places, the entirety of the body of Christ with the ability to work together as one body. There's a version of God's Love for others that gets generated out of us but that does not come out of the blue. The ability of this to happen comes out of something else you should have been developing (GH: the MERCIES). **His Love IN us toward others is coming out of the love that we have for Him, that's the seed bed. That seed bed is our love for our Heavenly Father. What's going to spring out of that seed bed is His Love IN us for others. If we don't have an abounding love for our Heavenly Father we will not be able to have the love that we're supposed to have for others**. Why we have to love Him for more than just saving us. Dependent on all 18 of the Romans MERCIES, not just the 8 JUST/SANCT ones (v1). The more you love God the more that will be able to spring forth from that. Some areas we love God a lot for and some areas we are still in the process of loving God for. Produces selflessness; take it with us to the heavenly places; the effectual working of the word to produce the Character of Christ IN us. A process of a lot of intentional actions. When you understand that **LOVE is an informed decision and it comes out of KNOWLEDGE/JUDGMENT (Philippians 1:9)**. Same thing Paul said to the Philippians he could have said to the Romans. The more you learn, the more godly love you will be able to put on display. Make decisions based on what He is doing. Godly love won't only come into play when we're suffering, it's going to come into play a lot. Every decision we make will go through this filter. And the next 4 components of godly love are all sitting in Romans 12. When it gets out of that it's going to go through the filter of justice and its components. Then it's going to go through the filter of judgment and its components. Then its going to go through the filter of equity and its components. By the time you through all the 4 filters, you're going to look a that and say here's the decision my Heavenly Father would make and here's exactly why because of this component over here and this component over here. Maybe 1 or several or combinations.

Romans 12:3	Godly Thinking - Talk about us being selfless	3 For I say, through the grace given unto me, to every man that is among you, not to think of himself more highly than he ought to think; but to think soberly, according as God hath dealt to every man the measure of faith. You have already been given something whereby those selfish thoughts come in, to deal with those selfish thoughts out of what you were taught in your sanctificaction and your new identity IN Christ. Being DEAD TO SIN and ALIVE UNTO GOD is at the heart of your sanctification. It is how you are going to live for God. Like a coach drawing it up on the board and saying this is how we are going to do it, don't worry about the play. Then they go out on the field and walk through the play and then they run that play over and over and over so it will be natural when that play is called. It gives players a measure of confidence on this because he has run this play 150x in practice. When a selfish thought comes in, because if your sanctification, you are able to say no. My Father doesn't V&E this thought so I'm going to put it aside, I'm going to put it to death. Doesn't mean that the old thinking will never show up again but when it does, you have a way to deal with it out of your new identity IN Christ because that is the only sure way to get it done. At the end of v3 you will have godly love generated in you for the first time in your life because the thing that generates godly love are the last 12 words of v3. If your love for anything doesn't stem from the last 12 words in v3, then it's not godly love. That's how different this is. View it like our heavenly Father views it. EX Neighbor is sick and their grass needs mowing. Mowing it is selfless and love but it is not godly selflessness or godly love. If someone mows it out of godly selflessness, someone watching that can't see the difference between the two. The first was just mowing grass. The difference is in your THINKING. It's the motive behind it. This is why you have to learn His Thinking, see it from His POV. Because the way the natural man thinks about it isn't the way that He is thinking about it. It's not a bad thing to be here for the honor and glory of our Father or that you want this education because He V&Es it so you V&E it, but you haven't learned v3 yet. You couldn't know till our Father taught us. The only thinking we got was the thinking we got being part of this world. Now He is going to say I want you to look at this the way I look at it and when you do, its His thinking its godly thinking. It's a happy by-product that you are going to get an education and labor in the creature and bring glory and honor to the Father. MM is trying to separate in our minds what we understand about godly thinking and the world's version of that thinking.

Romans 12:3	Godly Thinking - Talk about us being selfless	3 For I say, through the grace given unto me, to every man that is among you, not to think of himself more highly than he ought to think; but to think soberly, according as God hath dealt to every man the measure of faith. FOR I SAY: MM says it is like he is stepping into the role of being the mouthpiece for the Father and now the education is going to begin in earnest. THROUGH THE GRACE GIVEN UNTO ME: He is saying because of what was taught to me, I'm now going to turn around and say it to you. What's been taught to him, he is about to tell us. TO EVERY MAN THAT IS AMONG YOU: Book of Romans is written to the church in Rome (Romans 1:7) so we should look at this from the view point of the local assembly. Says this because every man that is among them has the wrong thinking. He's going to point out their problem. Talking to the people in that group at the church at Rome. The context is a local assembly and it is critical for you to recognize that. Bad news is that everyone of us has a problem. It's an uncomfortable truth and it is talking to every single one of us. There are no exceptions. We are all in the same boat. EVERY MAN THAT IS AMONG YOU: Talking to a local assembly of believers. That local church (includes remote/Zoom members). The doctrine starts here and then it is going to branch out to others. EVERY MAN: Context is the saints, not just the lost people in the world. Same with THE MEASURE OF FAITH. NOT TO THINK OF HIMSELF MORE HIGHLY...BUT TO THINK SOBERLY: MM says everytime a negative gets told to you, he turns right around and tells you what to do. MM says it is not enough to know what NOT to do, you have to know what TO DO. To the best of his knowledge, MM doesn't believe the NOTs are are meant to stand on their own. Can't find where Paul has told us NOT to do something without telling us what to do.

Romans 12:3	Godly Thinking - Talk about us being selfless	3 For I say, through the grace given unto me, to every man that is among you, not to think of himself more highly than he ought to think; but to think soberly, according as God hath dealt to every man the measure of faith. **There are two edifications going on here:** **1. Yours** **2. The rest of His body/this assembly- your primary purpose for being here in the room is for this to happen (otherwise you are looking out for number 1**). You can't just come in here and say 'well I'm going to get my edification, I don't know what everyone else is going to do'. **You have to say the No. 1 reason I'm there is for the edification of everyone else**. There are two edifications going on here and you will begin to care more about theirs than you do about yours because you value every one of them. This is how this is going to change us. The godly aspect is from our view of our heavenly Father. It's body thinking - it's thinking like your Father. You can't manufacture this on your own. MM says mutual edifying comes into play here. If you don't have this type of thinking you won't be able to function in the creature. MM says when your body starts fighting over parts of your body, what happens? It falls apart. We are part of a single fabric - interconnected or interwoven. We are so interconnected with each other that when we assume our positions in the creature with no bickering, no jealousy, no selfishness, no pride, no envy, being able to crucify those thoughts and operate out of our godly thinking... MM says what could government do if from the President to the dog catcher it all worked in perfect harmony without dispute or jealously or politics but everybody had the best interest of the people they governed at heart and they knew from their Father what that interest was and they all worked in concert. How different would a country be? That's what you are going to be doing in the creature because you are comprising the government of that creature. You are going to be in a position of authority and working with other members who have to be thinking like you're thinking and they have to value you as much as you value them.

Romans 12:3	Godly Thinking - Talk about us being selfless	3 For I say, through the grace given unto me, to every man that is among you, not to think of himself more highly than he ought to think; but to think soberly, according as God hath dealt to every man the measure of faith. NOT TO THINK OF HIMSELF MORE HIGHLY THAN HE OUGHT TO THINK: MM says not every time but the vast majority of the time, Paul points out the wrong thinking and then gives you the right thinking. He tells us what NOT to think because that is the natural thinking that goes on in us. He points that out so we recognize that type of thinking as a problem. He is going to say here is the problem and you have to recognize it as a problem. Because if you don't, you won't abandon that thinking. You can't have both of these thinkings going at the same time. Can't have wrong thinking and right thinking happening simultaneously. We think what could this be but we are not thinking about it like our Father thinks. He is saying don't be HIGH MINDED-v16. None of us could know this until our Father taught it to us, we would have never done this on our own. NOT TO THINK OF HIMSELF MORE HIGHLY (arrogant, superior, for example) THAN HE OUGHT TO THINK (GH: Selflessness): Before he tells you WHAT to think, he corrects the old (GH: incorrect/ungodly) thinking which is wrong. Very first thing you get in the education affects your godly thinking. First component in your godly wisdom is to get you thinking in a certain way. Points out incorrect thinking. MM said is not talking about 'I am more important'. Should have seen that one coming. Look at the admonition that Paul warns about at the beginning of Romans 12. Don't get carried away. What you are about to learn is only going to make you one-dimensional. **If we looked at each other as the Image of God, you would not think of yourself more highly than we ought.**
Romans 12:3	Godly Thinking - Talk about us being selfless	3 For I say, through the grace given unto me, to every man that is among you, not to think of himself more highly than he ought to think; but to think soberly, according as God hath dealt to every man the measure of faith. BUT TO THINK SOBERLY, ACCORDING AS GOD HATH DEALT TO EVERY MAN THE MEASURE OF FAITH: Because of the comma, we know there are a couple of components to this second part. By the time you get to the end of v3, you should have godly love operating in your thinking because you can't live out of something that is not in your thinking. Then you will see it in practical use in v4-5. MM says this doesn't mean that you will never have another selfish thought. THINK SOBERLY: Gives you the correct thinking. SOBERLY is more than being serious. You can't THINK SOBERLY if you don't know THE MEASURE OF FAITH. **Sober thinking is selfless thinking. It's not thinking of yourself more highly than you ought to think but it's actually thinking about others and their value to the body**. Is describing the kind of sober thinking we are supposed to have in us as sons. It's a different kind of thinking. This is not the kind of thinking the world does. It's not thinking seriously, the world seriously thinking on a lot of things. Sober thinking is also different than a lot of members of the body of Christ think. Sober thinking is not under the influence of the world. “Sober” thinking is in agreement or harmony with something. Sober thinking is realizing that God has assigned a job in His Business to every member of this assembly; a job that will directly train us for the work we will be doing in the heavenly places. And it is this thinking that is meant to produce a particular thinking about the other members of this assembly and that thinking is what generates the first core component of godly love (what our Father values and esteems) in our inner man.

Romans 12:3	Godly Thinking - Talk about us being selfless	3 For I say, through the grace given unto me, to every man that is among you, not to think of himself more highly than he ought to think; but to think soberly, according as God hath dealt to every man the measure of faith. NOT TO THINK OF HIMSELF MORE HIGHLY THAN HE OUGHT TO THINK (cont'd): We're naturally selfish and we have to be taught to think otherwise. Will show us to be selfish in some ways that we really didn't know we were selfish, we didn't realize that. When we think of ourselves more highly than we ought to think, we are not living out of our new identity IN Christ. The ungodly thinking that is naturally in us is directly opposed to who we are IN Christ. He really did make you somebody new; when He saved you, you are really are somebody new. Problem is you don't know everything you need to know on how to conduct yourself that way. Like being elected to go to office in Washington. There's a set of protocols that you now have to observe and until someone told them to you, you wouldn't know them. You have to learn to think and act like the person that you have been made to be (GH: IN Christ). God is asking you to change your thinking from worldly thinking to godly thinking. We don't mean to think of ourselves more highly than we ought to think, it is not our intention to do that, but once that godly love is produced in us, realize we will have an impact, not just on ourselves, not just on angels, but we're going to have an impact on every member of this assembly.
Romans 12:3	Godly Thinking - Talk about us being selfless	3 For I say, through the grace given unto me, to every man that is among you, not to think of himself more highly than he ought to think; but to think soberly, according as God hath dealt to every man the measure of faith. We are going to be interwoven with each other to such an extent that when somebody is gone, the rest of us are going to feel that. MM is equating it to 'empty nest syndrome' but it will be worse than that. The mutual edifying that goes on and the brotherly love that will go on between the members of this assembly will pull us together to such an extent that when somebody is out, we'll all feel that as though you were missing a real part of your body. There is something that is going to transform this body (GH: of believers) and we are going to begin to think of each other very differently and meet together very differently and what we do is going to impact all the other members of this assembly. You have to start thinking, I'm not just here for me, I'm here for the benefit that it gives every other member in this assembly. Right now, you may think it really doesn't impact too much if you are here or not but it's going to get to a place where you won't be able to say that anymore. It impacts more than we think. Some in the body deciding they are not going any further would be like your arm deciding at 5 years old I'm not going any further. When you think of yourself more highly, you think - group says proud, elitist, arrogant. GH: Should think not just humility but selflessness. Less self, not self-centered.

Romans 12:3	Godly Thinking - Talk about us being selfless	3 For I say, through the grace given unto me, to every man that is among you, not to think of himself more highly than he ought to think; but to think soberly, according as God hath dealt to every man the measure of faith. MM says most people think this verse says 'according as God hath dealt to every man enough faith to be saved' but that's not what this is talking about. How to think soberly (MM says you already know how to do this): ACCORDING AS GOD HATH DEALT TO EVERY MAN THE MEASURE OF FAITH: Last 12 words of v3: 1. Define sober thinking 2. They generate godly love IN you Just because we have been selfless in some ways in the past doesn't mean we fulfilled this verse. If the last 12 words in the verse weren't driving you then you weren't doing it out of Romans 12:3. The world's version of selflessness is not good enough. We not only have to be selfless we have to be selfless for the exact same resons that our heavenly Father is and now He has given us one. Any selfless act that comes from anything other than what the doctrine has now taught us and we are now living out of , that's not what God is after. Critical to get this part right. If we don't think selflessly, it produces an attitude of pride and pride is something that works some terrible things in us, the dangers of what it will generate in us. It's a big issue to God and one that really deserves our attention. GOD HATH DEALT TO EVERY MAN A MEASURE OF FAITH: People read and think, well God gives some people a lot of faith and other people just have a little of faith. Not what is going on here. Remember the context. This is starting your education. Also see a positive and proper response to all 3 segments listed in this doctrine. DEALT: God is the one giving it out.
Romans 12:3	Godly Thinking - Talk about us being selfless	3 For I say, through the grace given unto me, to every man that is among you, not to think of himself more highly than he ought to think; but to think soberly, according as God hath dealt to every man the measure of faith. The first issue to be dealt with is this 'pride' issue so that we are not tempted to reject the words of God. We understand that we are all guilty of thinking of ourselves more highly than we ought to think. Why we needed to get rid of that pride and get that godly selflessness working in our inner man. If you are thinking more highly of yourself than you ought to think, implies that your thinking of others less highly than you ought to think. He is going to swap those so we really do begin to see each other as more important than ourselves. We are going to be given a means to do that with the last 12 words of v3. SOBERLY: Charles Smith - Sober: 1) Character that is un-tempted to excesses of any kind 2) the opposite of intoxicated, so that a man may be called sober who is not a drunk 3) Serious A man can be drunk with power and under its influence. So if you are thinking soberly, you are not under the influence of pride.

Romans 12:3	Godly Thinking - Talk about us being selfless	3 For I say, through the grace given unto me, to every man that is among you, not to think of himself more highly than he ought to think; but to think soberly, according as God hath dealt to every man the measure of faith. Thinking of yourself more highly than you ought to think is thinking under the influence of pride. '-ly' is the contraction for the word 'like'. SOBERLY = Sober like = not under that influence. MM does think there is a way to be proud in a godly fashion of being a son of your Father. There's a godly way to think about yourself (not beat yourself down and demean yourself) and there is a godly way to think about others. Sober thinking: - is not under the influence of the world. - is not selfish. - is not just Christian thinking. EX WWJD at the core was not a bad idea but at the core it leaves it up to you to determine what would Jesus do. MM says Jesus would do the Will of His Father and the only way you would know that would to be instructed as a son and know these things.
Romans 12:3	Godly Thinking - Talk about us being selfless	3 For I say, through the grace given unto me, to every man that is among you, not to think of himself more highly than he ought to think; but to think soberly, according as God hath dealt to every man the measure of faith. ACCORDING AS: Not ACCORDIING to, because then you would have to follow it up with a present tense thing. This is in the past. ACCORDING: Root word is 'accord'. Accord root word is cord. AS GOD HATH DEALT: Notice the past tense - HATH. Because He did it back then, it's not going to have to be redone. OED: accord – 1) to bring into agreement or harmony; to agree. Webster's 1928: CORD: Is a string or a small rope composed of several strands twisted together. MM says ACCORD is going to produce that same body type thinking that we've been talking about before. 'Body type thinking' gets the focus off of us and gets the focus on EVERY MAN. When you have selfless thinking, then you're not thinking toward yourself you're thinking about others. He is saying I don't want you to think about yourself, selfish thinking, I want you to be selfless, I want that thinking to be about EVERY MAN THAT IS AMONG YOU. That's the rest of the members of the body. This assembly is a body and we are supposed to be thinking about each other in a particular way. The word ACCORDING is going to actually lend itself to 'body type thinking' because the root is cord - a number of strands twisted together to serve a common purpose. You never go buy a cord and say I need cord with separate twisted strands, you think of it as a single unit. That's the thinking, that selfless thinking is now going to be us thinking about we are not just a bunch of people that are here, it's a lot of single strands twisted together. We are going to be intertwined.

Romans 12:3	Godly Thinking - Talk about us being selfless	3 For I say, through the grace given unto me, to every man that is among you, not to think of himself more highly than he ought to think; but to think soberly, according as God hath dealt to every man the measure of faith. 'Chord': In music the union of 2 or more sounds forming an entire harmony as a third, a fifth, an eighth (an octave), which are perfect chords or consonancies. There are notes that are in harmony with each other and when you hit a chord, you're hitting those notes that are in harmony and they sound right. If they don't sound right, you have dischord. Means something is out of harmonic with the rest of what's being uttered that can be used as dischord. 'Chorus': When you have a chorus, you have a lot of voices coming together in a melody that's harmonious. No one voice is the most important, you need all of them. Many can produce something that one could not. The word ACCORDING ought to set you up that there's something here that is common, something that is in harmony, something that had the whole group, not one because it is never about the one. If you have a cord, that's not a single strand. If you have a chord, that's not a single note. It's a series of notes expressing a harmony here. It's changing our thinking from 'it's about me getting my Sonship' to 'it's about the whole group getting their Sonship'. According means agreeing with or corresponding to or matching or consistent with or exactly or suitable. You can use according in all of these ways. It is going to tell you exactly what is going to produce that SOBER THINKING.
Romans 12:3	Godly Thinking - Talk about us being selfless	3 For I say, through the grace given unto me, to every man that is among you, not to think of himself more highly than he ought to think; but to think soberly, according as God hath dealt to every man the measure of faith. DEALT: Root word is deal. There's precision here - there's a reason he didn't say 'given'. MM says when you are DEALT something, there are exceptions but it **is something major or great or costly or of great significance**. EX dealt a devastating blow. You wouldn't say he was dealt a minor injury, he suffered a minor injury. MM says we have almost lost the ability to realize how these words are used, we are losing it very quickly. Never use deal for small - never say a little deal, say big deal or great deal. Could just give something that is not a big deal. When you are dealing something you are handing it out (like dealing cards) or dispensing them. The word DEALT emphasizes the greatness of significance of what God has bestowed to every man. George Crabb: DEALT: Always denotes something great and cannot be coupled with any epithet that does not express much. It is common to speak of a great deal of money. MM says wouldn't say received a small deal of money, would say a small bit of money.

OED: dealt – to distribute, share. POINT: DEALT is going to be a major thing, a big thing. EVERY MAN: **Not every man in the world, he's talking about two contexts:** **1. every man in the local assembly** **2. every member of the body of Christ** (GH: because we will be working with them in the creature) The only way it wouldn't apply to you is if you were part of this local assembly but you had never trusted Jesus Christ. If He has given this to every single one of us, means that everyone has a purpose. Everybody is as important as anybody else. It's like a chorus, you have to have them all. Because this is dealt to every man, nobody is better than anyone else in this regard. And nobody is worse than anyone else. He's making an equality among this church. He is leveling the playing field. He is making it so that we all have the same MEASURE OF FAITH. This sober thinking is in line with something that God has dealt to every man the measure of faith. We have to understand what He did when he dealt to every man the measure of faith and when you understand that, that's what produces godly love. Sober thinking is in perfect harmony with what God did.

MEASURE OF FAITH: Where the power of these final 12 words rest. Since it is not defined in this passage, you know that something has been said to you before. MM says it showed up between Romans 8 verses 16 to 39. The HOW is out of our new identity IN Christ from Romans 6:1-13. By this means, put this godly love into action in your life. **This is your new identity - live out of that.** **This is the first steps to you being conformed to the image of God's Son.** **This is the very first step to making godly decisions.** **This is the very first step to knowing how to prove the will of God.** **This is the first step to being transformed by the renewing of your mind.** **This is the first step to no longer being conformed to this world.** **This is the first step to getting godly wisdom.** Because of this, MM can't overemphasize how crucial this step is because it's on this first step that the rest of the things are erected, it's all connected so we have to get this right.

Romans 12:3	Godly Thinking - Talk about us being selfless	3 For I say, through the grace given unto me, to every man that is among you, not to think of himself more highly than he ought to think; but to think soberly, according as God hath dealt to every man the measure of faith. MEASURE OF FAITH: Not talking about your faith, not talking about how much faith you have, this is talking about something that God has dealt to every man. Faith here is NOT trust, like we put our faith IN Christ. Not talking about God trusting in something. This is that use of FAITH MM has showed before - **it is the faithful performance of God to dispense/DEALT something to every man**. Back in the old days, MM thought if you're saved and have faith IN Christ so everybody got that faith. But he is not talking about saving faith here. Here is another thing about this; **because the training and the education are already written in His word, then God is teaching all of us the exact same way**. He is not saying one thing to some of us while saying another thing to others of us. The "measure of faith" when it comes to our education is the same for every man. Once again, we see that God is not playing favorites, but treating every member of the body of Christ equally. **The measure of faith necessitates our choosing one or more offices and faithfully performing them. By allowing us to choose our offices, our Father is entrusting us with the care and maintance of His body. It is His church and He has made us caretakers of it. It's His prize possession and He expects that we value it like He does**. This church is how He will carry out His work and we are charged with knowing what His works are and carrying them out in a godly fashion. This verse should generate in us 'selfless giving'. Reason why we are being diligent is the MEASURE OF FAITH that has been entrusted to us as part of the Lord's body. The reason we are being diligent is because the first core feature of godly selfless love has been generated in us for the other members of the assembly. Knowing that God has dealt to every man the measure of faith is meant to get you thinking about the importance of your fellow saints (and thereby affect our estimation and treatment of them).

MEASURE OF FAITH: We have all been dealt the MEASURE OF FAITH. **SomeOne has assigned a job or responsibility to you and counting on you to get done. Trusting us to labor with Him in His Business**. We are members one of another. God has given to everyone the "measure of faith". Everyone has a role to fulfill in the body and they are just as valuable as anyone else. 1. We are interconnected 2. We are interdependent 3. We are mutually existent Selflessly value and esteem the other members of the body. We value all of the members for the same reason your Father does. We are to labor corporately with our Father in a local assembly that becomes the practice field for up there. Not designed for the lone ranger. Labor is the accomplishment of God's labor in this dispensation of gentile grace. Conform us IN the inner man so we can labor with Him. The word should effectually work in us so we do the things that God would do. Our godly labor, we are supposed to look at in terms of the office. **Motivated by:** **- Doctrine: Let the doctrine be our motivation.** **- Father's operations**

THE MEASURE OF FAITH: Our Father has dealt this to every single one of us. When we understand what the MEASURE OF FAITH is, that understanding is going to produce SOBER THINKING in two different ways: 1. It's going to allow us to have godly selfless love toward other members of this local church 2. Keep us from thinking of ourselves more highly than we ought to think. This is what makes this a big deal about being instructed in godly love just this way. There's 2 major ways this is incorrectly taught: 1. God has given everyone the measure of faith which means everybody has the ability to put their faith in Jesus - MM says you can argue this point but not from this verse 2. They look down in the following verses, they say God has given everyone a measure of faith so that they can do whatever they are supposed to do and that's the measure of faith. MM critique's Abbott's commentary. Then shows Clarke's commentary. It's the type of help you can get in any self-help book. These are not body thinking at all.

Romans 12:3	Godly Thinking - Talk about us being selfless	3 For I say, through the grace given unto me, to every man that is among you, not to think of himself more highly than he ought to think; but to think soberly, according as God hath dealt to every man the measure of faith. This is the only place that THE MEASURE OF FAITH shows up in your Bible so the easy way (GH: of first mention for interpretation) is out. When Paul talked about this issue before, he didn't call it this but he described it. Hints about THE MEASURE OF FAITH: a. Since Paul does not define THE MEASURE OF FAITH here in Romans 12:3, then we know to look somewhere previous to this in our Bible. You have already been given a frame of reference of what THE MEASURE OF FAITH is about. MM gives the example of 1 Corintians 15, 1 Thessalonians 4, and naming the rapture the BLESSED HOPE in Titus 2:13. Even told about it before in Romans 8:23. He gave you that MEASURE OF FAITH before but He didn't call it that. Before He said I need you to see the measure of hope that I HAVE given to every man. When you see that, it is supposed to effectually work IN you. To say it is really true. b. If God has given this MEASURE OF FAITH to every man, then that means we all have it. Means we are all the same in whatever this MEASURE OF FAITH is. God is setting up equality among the saints here. MM says his position is no more important than anyone else's. The only thing he is trying to do is to get you all the way through the education.
Romans 12:3	Godly Thinking - Talk about us being selfless	3 For I say, through the grace given unto me, to every man that is among you, not to think of himself more highly than he ought to think; but to think soberly, according as God hath dealt to every man the measure of faith. THE MEASURE OF FAITH is an English idiom (IDIOM: a phrase where the words together have a meaning that is different than the dictionary definitions - up to the hilt, lose your head, jump in feet first, put the brakes on, when in Rome do as the Romans do). You don't recognize it as such because it doesn't get used much anymore-used to be used in our country but it fell out of use. There was a time in our country when everyone understood what this expression was about but it came into disrepute in the period of time in which this country was involved in slavery. A measure of faith was used to describe something within that it took on a bad connotation. MM is going to use a couple ways to illustrate it, he's not going to use the slave way to illustrate it. 1. Employer-Employee or Master-Servant or 2. Father-son: A perfect Sonship term when used this way. It has to do with someone in authority charging someone who works for them or under them in the pecking order with a job or a responsibility. They are not going to be looking over this person's shoulder to make sure they do it, and they're not appointing anyone else in between them to make sure it gets down. It's strictly up to the person that they're given it to and by their own initiative they're kind of turned loose on their own.

Romans 12:3	Godly Thinking - Talk about us being selfless	3 For I say, through the grace given unto me, to every man that is among you, not to think of himself more highly than he ought to think; but to think soberly, according as God hath dealt to every man the measure of faith. To get this done, that's called the MEASURE OF FAITH. A father owns a business and assigns something to his son and says it's up to you to get this done because I'm not going to come and harass you about it and I'm not going to send someone to check on you to find out. MM says He could say I AM putting My Faith in you. This is in perfect accordance with Sonship because you want to do it. When a father first adopts his son for the purpose of training him in the business. One of the first things the father does is he brings the son in and sits him down and he lays it out. He says this is what you need to understand. We are all given a job to do. We don't have a manager or a supervisor or a middleman or a micromanager or a foreman or anybody that overlooks that process for you. In the Bible terms, you don't have a tutor or governor, nobody is riding herd on that for you. THE MEASURE: This is the job I'm given to do. FAITH: The performance of that job. This service, this thing your Father has given you, has dealt to you, this job He's given you do to is not supposed to be done because you think someone is watching (NOT WITH EYESERVICE-Ephesians 6:6; NOT WITH EYESERVICE- Colossians 3:22). The world just says it's the right thing to do. It's the right thing to do and there's a reason it's the right thing to do and it ties into THE MEASURE OF FAITH. THE: Not 'a' but THE.
Romans 12:3	Godly Thinking - Talk about us being selfless	3 For I say, through the grace given unto me, to every man that is among you, not to think of himself more highly than he ought to think; but to think soberly, according as God hath dealt to every man the measure of faith. MEASURE OF FAITH: **A duty or job or responsibility that is faithfully discharged in our Heavenly Father's Business**. It's to LABOR with your Father. It is the responsibility we have been charged with to labor with your Father. **It is God that has dealt that responsibility to each of us equally. God gave it to every member because you have to have every part. When He is putting a body together, He needs all parts**. You shouldn't see it any differently than if God the Father visibly walked into this room and walked up to every single one of you and said I AM charging you with the responsibility to labor with Me. Seeing it with your eyes and hearing it with your ears shouldn't mean any more than what you read at the end of v3. GH: Everything up to this point are things you have been given (Just, Sanct, Redeemed body, new identity, adoption), all these things have been done for us, there's only one thing you have been given that requires you to do something and that's THE MEASURE OF FAITH. Another way to look at is you were given all these things so you could labor with your Father. The way God is getting us to think about us properly and the other members of the assembly properly and the other members of the body of Christ properly is by these words. We've all been given the same MEASURE OF FAITH. Produces that godly love. Can look around and say you love the people in this room because we've all been DEALT the same MEASURE OF FAITH. The bond built by the people in this room is going to supersede any bond that any worldly organization has ever enjoyed and there have been some pretty significant ones. Will go beyond that and that's where we are going with this.

Romans 12:3	Godly Thinking - Talk about us being selfless	3 For I say, through the grace given unto me, to every man that is among you, not to think of himself more highly than he ought to think; but to think soberly, according as God hath dealt to every man the measure of faith. THE MEASURE OF FAITH: Has to do with our godly labor. This is not describing God giving us faith or giving us the gift of faith or anything along those lines. Knowing that God hath dealt to every man the measure of faith will result in establishing the truth in our minds that we actually are members together in one body so that our behavior reflects that truth as we interact with each other. When someone is given a "measure of faith," it means: - that someone in authority has given them a job to do - that they are being counted on to do their job without someone standing over them to make sure they do it - charging someone with the responsibility to do something under their own direction but also to hold themselves accountable to fulfill the task in accordance with the one who assigned it. "The measure of faith" is your heavenly Father trusting you to labor with Him by the performance of a job that He wants accomplished. Imagine that your Father comes to you and says, "I have a very important job I want you to do. I am trusting you to do this and I am not going to do it for you. If you don't do it, then it will not get done." NUTSHELL: **The measure of faith is trusting someone to perform an assigned task with fidelity**. Is driving home the understanding that God has dealt to every single son, the responsibility to labor (and labor well!) with Him in His Business. The "measure of faith" is when someone is being entrusted with the responsibility to faithfully do what they were asked to do. From God's point of view, the measure of faith is the expectation that we steadfastly perform our task in accordance with the intent in which it was given. And when that job is faithfully discharged, then that person is said to have "all good fidelity." Specifically, our measure of faith is that our Father has entrusted every member of this local assembly to labor with Him in His Business right now in this local assembly.
Romans 12:3	Godly Thinking - Talk about us being selfless	3 For I say, through the grace given unto me, to every man that is among you, not to think of himself more highly than he ought to think; but to think soberly, according as God hath dealt to every man the measure of faith. THE MEASURE OF FAITH (cont'd): Where godly love gets generated in us. It's not an emotional love, it is a volitional love. You are choosing to V&E other members of this assembly because we have all been given the same MEASURE OF FAITH, which is our responsibility to labor with our Father. It's not a sentimental type love, but it is choosing on purpose to V&E other members of the assembly because you recognize they are part of this body and they have been given the exact same measure of faith that you have been given. Been given the same responsibility to labor with our Father. May do it in a different office but that office is needed as any other office. You can like someone but you have to love them for a different reason than that. Have to love them based on what was given to you in Romans 12:3. POINT: You have to love ALL of the members of the local assembly based on v3. If it is hard for MM to do this, he's thinking it might be the same way for you. The question is how does that thinking get translated into some action on your part? Have to do it and do it and do it and then you don't have to consciously think about it, your just operating out of that automatically so that to get it wrong we would have to stop and think about something else to get it wrong on purpose. Take that godly love out of our thinking and put it into our living and once you have it in your living you are qualified to labor with Him because you know how to do it.

Romans 12:3	Godly Thinking - Talk about us being selfless	3 For I say, through the grace given unto me, to every man that is among you, not to think of himself more highly than he ought to think; but to think soberly, according as God hath dealt to every man the measure of faith. THE MEASURE OF FAITH (cont'd): Is trusting someone to perform an assigned task with fidelity (high fidelity is a sound that was faithful to or as close as you could get to the original recording - being faithful to what the one who assigned the task wanted done). Not only complete a task but do it in a way that the One who assigned it wanted it done. Comes in a couple of pieces: 1. Taking personal responsibility for a task: When someone gives you THE MEASURE OF FAITH, they are asking you to take personal responsibility for a task. - To labor with God: Every saint has been given THE MEASURE OF FAITH which means every saint has been assigned a task for them to personally be responsible to discharge with fidelity or faithfulness to how that task should be done. The general heading is to labor with your Father. The godly thinking is that we understand that God has assigned to every member a task that were supposed to take personal responsibility for and that task in some way is to labor with our Father. MM says this is easy. There are people that have been doing things for years that qualify you to labor with God. The difference is we just didn't understand that's what that was, we didn't see it for what that was supposed to be. MM trying to encourage us. Don't have to change anything but understand WHY you're doing what you're doing. **Once the motive comes out of the doctrine, it becomes godly labor**.
Romans 12:3	Godly Thinking - Talk about us being selfless	3 For I say, through the grace given unto me, to every man that is among you, not to think of himself more highly than he ought to think; but to think soberly, according as God hath dealt to every man the measure of faith. THE MEASURE OF FAITH (cont'd): Does not have to take place within the context of a church or any kind of spiritual context. Could take place in a very secular environment where someone who is in authority comes to someone else and says I have a job/assignment/task I want you to do or something I need you to do but I'm not going to be able to get involved with it and I'm not going to be able to do it so I need you to handle it and just take it on yourself to do it. You could say this in the human realm but MM is translating this to the realm between us and our heavenly Father. THE MEASURE OF FAITH is the ability to say to someone I have a particular task or job for you to do. He is not going to badger us about or look over our shoulder. Doesn't mean he is going to leave you so alone that you can't talk to Him in prayer about that and use your relationship with your heavenly Father in the discharge of the THE MEASURE OF FAITH. Point: If we don't do this then it is not going to get done. This is not a pretend or made up or positional assignment. It's a real task. Does not means that God has given everybody some degree of the ability to trust Him. The phrase the indicated that something has been entrusted for you to do and God is depending on you to do that.

Romans 12:3	Godly Thinking - Talk about us being selfless	3 For I say, through the grace given unto me, to every man that is among you, not to think of himself more highly than he ought to think; but to think soberly, according as God hath dealt to every man the measure of faith. Doesn't want us to get a year down the trail and then we have to stop and come back. Let's get it done right here right now. If we can't do this, godly love cannot be generated in any of us. When you care about someone, don't you look for opportunities to tell them what they mean to you? Not emotionally, gushy but we really do value each other based on v3. More than something you say to someone or scribble down, this is going to have to start being in our conversation enough times until it really is true. Like getting on the bike. 'When I realize that you are a critical part of a group to labor with our Father, I love you even more'. 'Look around and realize it will take every one of you to get this done therefore I V&E you because this singular work together'. 'Realize remote members you never have seen, know they are part of the body of Christ and know they are needed in the creature so we V&E them'. Godly love comes out of what God is doing with us as an assembly, then that godly love has to get generated in us. MM says the commonness bounds you together. This right here (our local assembly) is the microcosm or the miniature of the creature, what we learn to do here and how we learn to do it is the only thing we are going to take with us where we get into the creature so this has got to get done here. Knowing that we have all been given the same MEASURE OF FAITH allows us to think about them the way our Heavenly Father thinks about them. That's what He's trying to get done.
Romans 12:3	Godly Thinking - Talk about us being selfless	3 For I say, through the grace given unto me, to every man that is among you, not to think of himself more highly than he ought to think; but to think soberly, according as God hath dealt to every man the measure of faith. FAITH: The responsibility to do a job in His Business. **When we discharge that job properly, we have "kept faith" with our Father. If we do not, we have "broken faith" with Him**. But, he has dealt to "every man" the measure of faith. George Crabb - Faith: Acting true to the faith which others repose in us. A breach of faith is a crime that brings a stain on a nation; for faith ought to be kept even with an enemy. No treaty can kept with him who will keep no faith. Webster's 1928: Faith: faithfulness; fidelity, a strict adherance to duty and fulfillment of promises MM says Webster's is exactly the way the word is used here - you have been dealt a MEASURE OF FAITH by your Heavenly Father. We cannot begin Romans 12:3 until we love God for being our Father, sanctifying us, adopting us, educating us, edifying us, treating us like adults and giving us liberty in Christ. And we cannot love Him for these things unless we know some things about them; what they are, why they are given to us, how they work, etc. The more we know, the greater our appreciation for those issues. The greater our appreciation, the more depth of our love for God for those things. Because Romans 12:3 (the Sonship education) will not fully work in us unless we first love God in the ways which are listed in the paragraph above (at a minimum). Loving God in those various ways is requisite to our edification.

Anticipations: 1. Anticipate the Education: We should anticipate a progressive education, since that is part and parcel of what Biblical adoption is all about. 2. Anticipate the pattern of doctrine: The pattern for our education/edification; thinking, living and labor. (These three aspects constitute the "form" [consists of 3 parts] of the doctrine.) 3. Anticipate the first Sonship Skill: We that we are going to be taught the godly decision-making skill of wisdom. **The Sonship skills are only obtainable by a motivation to be like God in our own hearts and minds**. Any other motivation will end in failure in one form or another. Is the beginning of the doctrine that teaches us to value and esteem others the way God values and esteems them, and then conduct ourselves toward those people the way God conducts Himself toward them. Two main objectives: 1. To dispel the ungodly thinking that's already in us. We all think of ourselves more highly than we ought to think and that kind of ungodly thinking does not allow for godly love to exist. Therefore, it must be taken care of first. If we do not take care of this, then we will not possess godly selflessness but we will possess pride. Pride rejects grace! Pride (selfishness) will end in the rejection of God's words. 2. Just like Paul can say to every saint in Romans 8 that we know not what we should pray for as we ought to think, he can also say to every saint that we are not thinking about the other members of our assembly correctly. The only way to keep our minds from being under the influence of this world is to think godly; to think in accordance with the doctrine given to us here in Romans 12.

Romans 12:3	Godly Thinking - Talk about us being selfless	3 For I say, through the grace given unto me, to every man that is among you, not to think of himself more highly than he ought to think; but to think soberly, according as God hath dealt to every man the measure of faith. Godly thinking: - Who? Every saint - What? Given/Dealt the MEASURE OF FAITH. Supposed to impact your thinking about the other members of the assembly which we are a part. - Why? To labor with God/our Father. Not about the offices. You can do plenty of things/ways to implement the doctrine into your everyday living. This is the way you are supposed to do that so you really get a handle on how to utlize this doctrine and make it practical in your everyday life. When your Father comes along and says I HAVE something very specific that I AM trying to accomplish in My Business and I WANT you to labor with Me, this is the godly labor. Taking the experience from the godly living and you are translating that into a very specific task. - Where? In the/this assembly/local body. There is something designed to take place among the folks in this local church that is in response to THE MEASURE OF FAITH for us to labor with our Father ins some very particular ways. - When? Should start now. Not something down the road, can do with the doctrine we are looking at right now. Learn how we all function together as a body. Tells us that we are in a particular relationship with each other.
Romans 12:3	Godly Thinking - Talk about us being selfless	3 For I say, through the grace given unto me, to every man that is among you, not to think of himself more highly than he ought to think; but to think soberly, according as God hath dealt to every man the measure of faith. Summary: - All of us have been dealt THE MEASURE OF FAITH. All of this is based on the accomplishment of our Father's Will. Based on the relationship that we have with Him. - We are part of a body: Based on the relationship that we have with each other. - We are being taught 'selfless' thinking. v3 talks about us being selfless. - We are making the decision to value & esteem each other and fellow members of that body. - We manifest it in our actions toward them. This doesn't become godly charity until it gets manifested in our actions. v4-5 talks about the particular way in which that selflessness gets manifested as members of a body.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:3b	Godly Thinking	3 For I say, through the grace given unto me, to every man that is among you, not to think of himself more highly than he ought to think; **but to think soberly, according as God hath dealt to every man the measure of faith**. What is sitting in these last 12 words is going to demonstrate to us that every single individual in this room, we are going to look at this same. There are no small or insignificant members in this assembly. Part 1: BUT TO THINK SOBERLY Part 2: ACCORDING AS GOD HATH DEALT TO EVERY MAN THE MEASURE OF FAITH: MM thinks this is a description of what sober thinking is. MM says when we get to the end of these 12 words, the light will come on for every one of us as far as the effectual working goes. This is not just thinking - I've got to think of other people first or I've got to be more selfless than ever, because that's exactly the kind of thing that the world understands. There are people in the world that are promoting these things that are in the education and that you can have every one of them and God doesn't need to be part of the equation. The world has a brand of this. MM says what a waste of time this would be if we were just taught what the world has taught a million times? Because of who we were in Adam, because these bodies are unredeemed and have sin dwelling in their members, no matter how good our motives were, it dies as soon as it comes off of the tips of our fingers and becomes unacceptable to our Father.
Romans 12:3b	Godly Thinking	3 For I say, through the grace given unto me, to every man that is among you, not to think of himself more highly than he ought to think; **but to think soberly, according as God hath dealt to every man the measure of faith**. This is why you were given a new identity so this body could produce holiness that is acceptable to Him because it is the thinking behind it that makes all the difference in the world. That's where the critical difference is. That's the same thinking the lost world has and our thinking has to be really different from that. Truth is, you can reject a selfish thought and choose to do something that is selfless for a lot of different reasons. MM is not saying there isn't some degree of virtue in the worldly version of selflessness, but that's the best this world has to offer and that is not good enough for your Heavenly Father if you are going to be thinking like Him and equipped to do His work because His work requires His thinking not this world's thinking. You can't take the smartest people in the world and put them in the creature because they will never be able to think about it like He thinks about it. When you get out into the creature, this issue of godly love is absolutely paramount for us to do what we are going to be doing there. We won't be able to accomplish what we need to accomplish thinking that way and putting ourselves in line with that thinking. Godly love is not a standalone doctrine. It has to be integrated into every thing that you are doing. There's coming a time where you are going to have to make decisions about things when you're going to have to make decisions about things in order to see your education really produce what it's supposed to produce in you.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:3b	Godly Thinking	3 For I say, through the grace given unto me, to every man that is among you, not to think of himself more highly than he ought to think; **but to think soberly, according as God hath dealt to every man the measure of faith**. ACCORDING AS GOD HATH DEALT TO EVERY MAN THE MEASURE OF FAITH: Understand two things about this: 1. God has dealt to you THE MEASURE OF FAITH. You are charged with the responsibility to labor with Him in some way. 2. God has charged everyone else in this assembly with the same MEASURE OF FAITH. Doesn't mean they have to do what you do because there is more than 1 way to labor with God. This is supposed to change the way you think about others in the assembly. Instead of looking at each other and liking someone for this or that, look at each other GH: through this lens. This is just the tip of the iceberg in your thinking. Get through the rest of the 4 decision making skills, look back at this and it will mean so much more because you are looking at it with a more mature eye. You are going to care about other members this way because this is why God cares about other members. Because God has dealt to them the MEASURE OF FAITH. When we V&E each other and this takes it's full effect it will knit this assembly together and compacted (GH: not physically, our hearts). Many have been laboring with God and just need to see it for what it is and think about it in a godly way. If you refuse to labor with God, He is not causing bad things to happen to you. Two terms: - Kept the faith: Laboring with God - Broken faith: Refuse to labor with God This is NOT about God giving us faith, NOT about God giving this person this much faith, NOT about God giving different measures of faith. He doesn't say A MEASURE, says **THE MEASURE. It's all the same, like how God deals with us under grace. God is giving everyone the same personal responsibility to labor with Him**. Like FAITH OF CHRIST is when Jesus carried through on the responsibility that was given to Him, what we are being asked to do is to carry through on the responsibility that is given to us. Don't think of it as an obligation or a job, think of it as a privilege.
Romans 12:3b	Godly Thinking	3 For I say, through the grace given unto me, to every man that is among you, not to think of himself more highly than he ought to think; **but to think soberly, according as God hath dealt to every man the measure of faith**. We have all been dealt THE MEASURE OF FAITH-Romans 12:3: Means that every member has a job. But don't think about it in an individualized basis - I've got THE MEASURE OF FAITH. You have THE MEASURE OF FAITH. They have THE MEASURE OF FAITH. MM says he doesn't want us to think about it that way. Think of a body. Let's say God forms a body and there's lots of members in that body. He points to the hand and says you guys have a job to do in connection with that body and everything you do is in connection with that body. Says the same thing to the feet. THE MEASURE OF FAITH is in connection with every other member and we're just playing a role. Can be a huge role in what the body is doing or could be a minor role in what the body is doing. MM says when God made our body, He didn't give all the members their choice. Like the spiritual gifts, the Spirit decided who got what. But now, in the body of Christ, we're going to be able to choose some things. That's part of the liberty we have a adult sons and daughters. Every member of the body has a job. THE MEASURE OF FAITH: You have a part or role to play within your assembly. Together they provide for everything the Lord needs to happen in the local assembly. Offices work toward the sustaining and maintaining and the advancement of the local assembly.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:4-6		**Operation: Edification of the saints (God means that to be carried out within a local assembly or body of believers that meet together)**. This whole thing is geared to happen in a body. MM says you can't get this Lone Ranger mentality because this thing is not built with the eye being the only member of the body. If your body is just one big eye, how is it going to move around or hear or speak? Everyone has an operation that God is trying to get done.
Romans 12:4-5	Godly Living / Emphasis on OFFICES	Godly living/acting instruction - take the godly thinking and provides a natural outlet for it in conduct and behavior. Talk about the particular way in which that selflessness is manifested; as members of a body. GODLY LIVING: Group says ONE NEW MAN. MM says there is a way we should act as a whole body. Talking about the local assembly. Not just using the analogy of a body, he's saying he didn't say you're like a body or your as a body. You will view other members of the local assembly like you view your physical body. MM asks how would you like to do without your hand for a week? What if someone came up to you and said what part of your body would you like us to cut off? What would be your first response? None, because you value every part of your body. This is how you are going to begin to feel about the people in this room. These 33 words are at the heart of what it means to be a member of the body of Christ. It is these words that actually allow for godly charity to exist. Charity, as you recall, is manifesting a particular attitude by our actions. Since this is the godly actions (living), then this is where that godly charity is made manifest.
Romans 12:4-5	Godly Living / Emphasis on OFFICES	It is here that we are being introduced to the kind of relationship we have with all the other sons in our assembly, for God's plan and purpose calls for us to be a body. Understanding… • We are all part of the same body • We will occupy different offices • Every office is useful to the entire body Romans 12:4-5: Emphasis on OFFICES. Just as the members of our physical bodies occupy different offices, so it will be in this church. 1. We will accomplish those operations by means of the "offices" which we will occupy in this church. These offices will not be automatically working in us as they were in those who had the gifts. 2. We know what God's operations are because God has written them in His word; specifically the portion of His word that is to us and about us (Paul's epistles) and even more specifically, in the portion of Paul's epistles where Paul is instructing us about this very issue; Romans 12. You don't get a supernatural gift given by the Spirit, you get to choose an OFFICE as a son. You don't have partial knowledege. THAT WHICH IS PERFECT IS COME-1 Corinthians 13:10.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:4-5	Godly Living / Emphasis on OFFICES	Just like in the members of our physical body, there is no room for pettiness or the kinds of things that divide us. Our Father expects more from us than for us to just be good people trying to do the best that we can because our best has never been good enough. The minimum is Christ in you. This is really what we're after. Need to settle the issue once and for all that what we are engaged in is more important than the little differences that folks might otherwise bicker and argue over. Those things are not worth it. Have to know that the POE is going to try to make that happen at some point so to be forewarned and forearmed we are going to have to lay aside the tendency of the flesh. and become a godly people. We can't succeed without each other, it's going to take all of us and we understand that. When one person in the body is not doing their part, when they're dragging their feet, it is going to affect the whole group. Because we don't want to run off and leave people in the dust. We want everybody to make the trip together. We are better with the whole group moving along together. Figure out who we are going to serve - yourself, the adversary, or the One that loved us and redeemed us and adopted us and blessed us with all spiritual blessings in Christ Jesus and made us spiritually fit to be utilized in His Plan and Purpose. This is God's Will for everybody because He has told it in His word.
Romans 12:4-5	Godly Living : 4 Body Characteristics	After understanding v3, there are thoughts that ought to be coming into your mind. There are some body characteristics that we have to be thinking about because they're going to be integrated into our living with each other when we come into these walls. Before you get out of v5 is an exercise and learning to think about what you're taught because not every single thing is going to get spelled out for you. You're going to have to learn to see this and to see it you are going to have to think about it. Those thoughts ought to lead you somewhere (GH: body thinking). If everybody is part of a whole, if everybody is important, if we're all those strands wrapped together to make a single cord, how you look at each other has to go outside yourself. - When you look at someone, they have the same responsibility, you want them to succeed in that. - Look around the room and think to yourself I really want these folks to succeed. - That should make you think, how can I help them? You are going to get to the place as you go through the education that you are thinking about it and you're carrying these thoughts out and everything is not going to get spelled out for you every step of the way. Churches may read the words in the Bible and say oh, we are a body but MM says that you have to get beyond that. But when you put this into this group and start putting it into this group and living out of that, it becomes extremely profound. This is how you are supposed to start thinking about this. All of us have an opportunity to now do a job with our Father that is equally important to Him. One job is not any more important than the other, and this is the way we are going to start looking at this.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:4-5	Godly Living : 4 Body Characteristics	The way you start looking at this leads you to start thinking about some other things that are critical for body living and body thinking. Our body has a lot of members and they don't all do the same thing or same job or (GH: in this case) same office. MM says he uses the terms OFFICE and job interchangeably. They all have a single function - to bring life and function to this entire body. No matter what job it's doing, isn't it all working to do that? You should look around at the other people in the room and know that your job is to bring life and function to this body no matter what part you play. That's what you are doing. And you will be doing the same thing in the creature. This body thinking is not just the first thing out of the box, it's something you're going to be faced with all the way through the education because it is the very foundation of what we are going to be doing. When you read that everyone of us was dealt THE MEASURE OF FAITH, we're all doing the same thing - we're discharging this responsibility to labor with our Father. Now you understand we are laboring with our Father no matter what part you have and because God has dealt to everyone of us THE MEASURE OF FAITH, what you learn next is that you are going to labor with Him and the first place is right here in this assembly. This isn't just the place of your instruction, it's the place where you put that instruction into practice and that means the first time you make a decision out of godly wisdom you will do it within these 4 walls because this is the first way He will teach you about it. God has designed this local church to be the major training ground for our work and our decisons and our labor. You will get to practice on your fellow members. **When you put your hand on the assembly door, you will think I'm coming to work**. You will look so forward to what gets done here that when you come in the door, you will be saying I'm ready to do this.
Romans 12:4-5	Godly Living : 4 Body Characteristics	Two verses, separated by a colon, one sentence. MM says this is godly living, but when he first looked at it, he thought it was thinking because he didn't see too much doing. But then you see that in v3, it's doing something very different from v4-5 and what's happening in v4 and v5 are very directly connected. v4 and v5 make sense to go together. Contain the body characteristics that you are supposed to be thinking about. Makes the analogy between the physical body (v4) and the local assembly (v5). You've got to start thinking what's going on in your physical body. He uses the term body because that is a perfect fit to what you are supposed to be doing in the creature. As a body that is able to work together as a single unit. We are the church, the new creature now and we're going to bring life and function to that creature. When He talked to Israel, He did not talk to them as they were part of a body. He talked to them as if they were part of a nation. That's the perfect fit because if they are going to be that great nation and the head of all nations and the whole world is going to be influenced by them, you know what God wants doing in that nation. But when you get up there, He doesn't need a nation, He needs a body. The body is a perfect fit for us in the heavenly places. The features of a body that we have to get in our thinking is not listed in this passage. If this assembly doesn't get them, we are missing a part of the very core of what we've got to have operating in us. And if we don't have it operating in us here, we can't carry it with us to the creature. He's not telling you these are the characteristics you have to have.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:4-5	Godly Living : 4 Body Characteristics	He's counting on the fact that when you see v4-5, you will say oh the same things that make my body function properly are the very things that will make this body function properly so all I have to do is think about these things. There is a specific number of these. There are 4 fundamental body characteristics that you have to identify here. All 4 are found in 1 Corinthians 12:12-27. If we come out of v4-5 and don't get these 4 body characteristics in our thinking, we're going to wind up with the same serious problems that the Corinthians had and that almost destroyed their assembly. You have over 200 bones in your body and hundreds of muscles and tendons and ligaments and organs. You have complete systems in your body. You've got a pulmonary system that allows you to breathe air and oxygenate your body and kicks carbon dioxide out. Who would have thought to do that except God? You've got a circulatory system, the blood that carries oxygen to every part of the body. It's got things in it that if it senses things that are foreign to the body, this the body attacks it and tries to kill it so it doesn't invade the body. You have platlettes in the blood stream and they rush to the site of the bleeding and they branch out and interlock and form a clot. You have all of this happening in you every moment. You don't even have to think about it. v4 and the first part of v5 are giving you a framework to put your godly thinking in. You've got this godly selfless thinking generated in you and now he's going to say let me now tell you how you're going to put that into your living (last part of v5). Imagine your Father saying to you, let Me tell you how to take that thinking and how you're going to put that into your living.
Romans 12:4-5	Godly Living : 4 Body Characteristics	Just as this is true of your physical body (v4), this is now going to be true of this body/local assembly which is now going to be referred to as ONE BODY IN CHRIST. 4 attributes of a normal physical body that allows the members to do all of it well. The descriptive terms that describe the relationship that all the members of your physical body have that allows your body to function. Originally, MM came up with a list of 7. Realize the others are extensions of the original 4. The word OFFICE will be the key to discovering at least 1 of these. They are true whether you are lifting your arm OR running a 100 yard dash. Even at work when your body is asleep at night. When you wake up in the morning and if those 4 things are not there, you will not be able to get out of bed. It's simple when you look at your human body but when you look at an assembly of people that's the last thing that you think about. In order to be ONE BODY IN CHRIST, an assembly has to have these 4 body characteristics going and it is critical they do all right. What is important is that we learn to function with each other according to these body attributes. When you ask an average person what does it mean to be a member of a church they would say on the church roll, baptized, joined. When you ask an average person what does it mean to be a member of the body of Christ, they would say saved, rapture, etc. The way those members function with each other when we're assembled together as a body, that's the key. Need your body to have these attributes just like we need this assembly to have these attributes.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:4-5	Godly Living : 4 Body Characteristics	These attributes bring 'life and function' to a body. There's a huge difference between a church that knows a bunch of doctrine or a church that just comes to praise and worship and a church that is educated as sons and daugthers. These 4 attributes aren't accidently at work in any church unless they are consciously aware of them. STORY: Fire men all dressed up in a shiny truck and stand by while a building burns. Show up at the scene and didn't put out the fire but did you notice how clean the truck was. If you are not getting educated in godly wisdom, what's the point?' All you are doing now is a bunch of religion. You are doing things that your flesh feels good about but your Father is not interested in that. MM says he wishes someone would have told him this years ago. It is important to identify these 4 body attributes because if you don't identify them, you won't be aware of them, and if you're not aware of them they can't be in your thinking, they can't be in your living, and if they are not there, you can't labor with your Father. These 4 attributes are the means by which you are going to labor with your Father in v6-8, they are going to actually bring a living union between members into existence. In order for us to ever be what God intended a local of assembly of believers to be, that's when it actually starts right here. A church is not a church until these 4 things are up and running in it. All it is is one more group that happens to use the Bible to do some things but it's not the thing that actually allows it to be one body. There's a big difference between an assembly operating as a body with these 4 characteristics in it and a group just getting together to look at things in the Bible.
Romans 12:4-5	Godly Living : 4 Body Characteristics	We are not studying the Bible for studies sake, you're studying the Bible because of something you are going to be doing in eternity. This small group is a microscopic sample of that group that is going to be in the creature. What we are going to learn to do here among ourselves is the exact same thing you are going to have to do when you get up there, when you're delivering the creature from THE BONDAGE OF CORRUPTION or reversing that the creature that was made SUBJECT TO VANITY. What we are about to engage in is exactly the same thing that has to be in our thinking and in our living and in our labor up there. This is where you get to practice. Look around the room and think they are my guinea pigs, I'm going to practice on them, this is how I'm going to sharpen my skills and we are going to get it wrong together and we are going to get it right together. When it starts clicking, you will understand what Paul is saying in v4-5. It's only when the members of the body are assembled in one place can the body do something that it could never do any other time. Will change the way that you look at this. Will show up in Glen Rose and feel like you spent the last 2 weeks without your hands. It will be beyond fellowship, you're going to feel like this is the reason you're here on this earth. At the end you will say I don't want to go home. What would you do if your body only assembled yourself once every 2 weeks? Having members dispersed all through north Texas are just a bunch of members, not a body.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:4-5	Godly Living : 4 Body Characteristics	If the whole body was just 1 member you wouldn't be able to do anything except what they one member's office allowed it to do (1 Corinthians 12:17). That whole body by definition has to have a lot of different members. The body is not in competition with itself. Every member of the body knows: - what it is supposed to do. **- because I have a particular use to the body, I must participate.** **- because all members are interdependent, I must cooperate.** **- because other members will have needs, I must serve the other members of the body.** **- for the good of the body, I will look to the welfare (->RESPOND) of the other members at all times (in times of rejoicing and in times of suffering.)** The realization of the body attributes of Participate, Cooperate, Serve and Welfare are meant to activate godly selflessness. They bring to mind how we are to conduct ourselves and the motives behind those actions. These four attributes should be familiar to us by our constant meditation upon them and our time in prayer about them. Those prayers can include our desire for these attributes to be at work in us. The four body attributes of Participate, Cooperate, Serve and Welfare: - are meant to activate godly selfless doctrine. In other words, thinking about those attributes should cause us to value and esteem the other members of our assembly the same way our Father does. - bring to mind how we are to conduct ourselves and the motives behind those actions. Learn through the body attributes we cannot do it alone, we've got to have this whole body participating and cooperating and serving and responding in order for this to work the way it's supposed to.
Romans 12:4-5	Godly Living : 4 Body Characteristics	Why would we need to see what we would consider the carrying out of what would be considered an ordinary job as functioning out of an OFFICE? Almost any business has an Accounting department. Every church has someone who does book keeping. See this as the discharge of an OFFICE because: 1. This is how your heavenly Father sees it because it is within the framework of the local assembly. He has some operations in accordance with those offices. 2. By thinking about it as an OFFICE it reminds us that we are part of a body and the attributes that we are supposed to have as part of that body. (1) Participate: If one of your members say I am not participating today it impacts your day. If one of your feet say I'm not going anywhere, I'm not working, GH: that will be an impact. (2) Cooperate: Someone can say I'm going to participate but I'm not doing what the other Members of the body are doing. I'm doing what I want to do. (3) Serve: We serve one another as we participate, we cooperate. (4) Look out for the welfare of one another. (GH: MM changed from WELFARE to RESPOND). 3. They are the means by which our Father's operations are carried out. These 3 help set our motives to be godly. You have to have a godly motive for godly thinking.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:4-5	Godly Living : 4 Body Characteristics : No. 1 - Participate	Four body attributes - we can't allow this to fall through the cracks. These are going to create a bond unlike any brotherhood or fraternity or club because it is rooted in godliness according to a purpose that your heavenly Father had in mind when He created man to begin with: 1. Participation (1 Corinthians 12:14-19) - The first body attribute is to PARTICIPATE for the good of the assembly. Because we have a use, we must PARTICIPATE. It demands that you participate; you really do have a use and a purpose. Means there is no more sitting on the sideline saying well, I'm not the hand so I'm not of the body. When you realize that you do have a use or a purpose this demands that you participate in this body. You can't stand on the sidelines anymore and let the rest of the body carry your load. When one part of the body is missing or not functioning and the rest of the body has to compensate is a handicap. Your foot never goes on strike because it can't be the hand. Charles Smith: Participate: To take a part, share or portion in common with others. Participate implies a more perfect unity or feeling of community or possession, hence it is followed not by 'of', but 'in' (GH: you participate 'in'). Two persons may partake of the same dish, but they participate in each other's feelings, convictions, joys, or sorrows.
Romans 12:4-5	Godly Living : 4 Body Characteristics : No. 1 - Participate	George Crabb: Participate: We partake of that which please ourselves, but we participate in that which pleases others. MM says that is almost body thinking right there, isn't it? The body needs every member to step up and do its part. If a body is going to successfully function, it needs all hands on deck and needs every hand to participate. If you know you are having a use and you go I'm not doing it you are crippling the body. What if your hand said, I'm just not going to be part of the body anymore, I'm just going off somewhere else. **WRONG THINKING: Because of my office, I'm not part of the body. If I'm not part of the body, I don't have to do anything.** **RIGHT THINKING: My office is part of what makes up a body and therefore I must 'pull my weight,' by participating. If I do not participate, I handicap the body!** MM says people who say maybe God doesn't want everyone participating in Sonship is like God saying maybe God doesn't want your whole body working together. Participation is the FIRST hallmark sign of a son and also of an assembly which is qualified to labor with God. *** Our role in the body is we have to PARTICIPATE, the body is depending on us.** **** Because I have a particular use to the body, no matter what my office, I must PARTICIPATE.**

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:4-5	Godly Living : 4 Body Characteristics : No. 2 - Cooperate	2. Cooperate (1 Corinthians 12:20-22) - Because we need every other member we must COOPERATE. You can PARTICIPATE and do your own thing, so you must COOPERATE with all the other parts of the body. **WRONG THINKING: There are some members of the body which I do not need.** **RIGHT THINKING: I need every other member (even the 'feeble' ones-1 Corinthians 12:22) in order to properly labor with my Father here (in this local assembly) and in the future (in the creature). Therefore, for the good of the body, I must cooperate with other members.** Cooperation is the SECOND hallmark feature os a son and also of an assembly which is qualified to labor with God. Interdependence is not a conduct. That function can't get done unless those members COOPERATE. MM says these first 2 are 2 sides of the same coin. I've got to participate, but it's not me doing my own thing, what I'm participating in is in cooperation with the body. These are the first 2 body attributes are now going to start taking place in this assembly. Before you can get it right out there, you have to get it right in here with people who understand exactly what you understand. If we can't effectively labor with our Father without every member participating and without all of us cooperating together, but all of that is with the body in mind. *** Our role is to COOPERATE, that's the body working together.** **** Since a body depends upon all its members, I must COOPERATE.** We will cooperate, in our office, with every other member so that we may assist them in the performance of their office. We are supposed to be looking at the other members and determining how we, performing our office, can help them perform their offices. That is a deliberate cooperation. This is what selfless thinking produces.
Romans 12:4-5	Godly Living : 4 Body Characteristics : No. 3 - Serve	3. Serve/Servant (1 Corinthians 12:23-24a) - The 3rd attribute ends right here at the colon. This third body characteristic is wrapped up in these members noticing something about other members' need and doing something. GH: Attribute ties to OFFICE in Romans 12:4-5. If you hold an OFFICE it tells you something about your relationship to everyone else. When you have an OFFICE, you are a SERVANT of the people. The word OFFICE tells you the members of that body are going to serve one another. When we see another member with a need, when someone with no such need gives of themselves to meet that need, they are SERVING. Your pancreas doesn't get one kind of blood but your eyes get a good kind of blood but they all get service with the same blood stream. The blood stream is serving the whole body. *** We are going to SERVE when we see a need.** **** Because there will be other members who have needs, I will SERVE those other members of the body.**

Romans 12:4-5	Godly Living : 4 Body Characteristics : No. 4 - Respond	4. RESPOND or responsive (1 Corinthians 12:24b-26) - MM says we are really vibrating in tune with what's happening with that member, whether it be good or bad. Group says harmony or responsive. We all respond when something bad happens to a member and we all rejoice when something good happens to a member. We are interested in the WELL-BEING or WELFARE (MM corrects - these are not conduct - changes to RESPOND) no matter if he's suffering or if he's been honored. We are responding with his WELL-BEING. MM says that is in harmony and that is in accord. Caring doesn't necessarily include you doing anything. This is all a selfless action always with someone else in mind. EX Linda wins the lottery we all go on a cruise because you wouldn't want to leave your hands and feet at home. *** We are going to RESPOND to whatever the other members are going through.** **** For the good of the entire body I will appropriately and purposefully RESPOND in accordance with whatever happens to the other members of to produce their well-being.** We may come up with better terms over time but these encapsulate what we need for now. These body attributes are the things that have to be in our minds, not only as we meet together as a body and have to be in our minds as we live in this assembly, but they're in our minds when we make decisions. We will never put these things aside, don't be thinking you are putting these 4 words on the shelf and we are done with them. MM can't tell us how to start putting these 4 things into work because if he starts writing what we are going to do, he is writing a law up on the board and he just created a tutor and governor for us. You will have to determine how you're going to behave with these 4 body attributes with the rest of the members of the assembly. When you come into the building, are you looking for physical things that need attention? Am I really looking at the other members of the assembly and wondering what I can do spiritually to meet the needs of the folks of this assembly? We are not just going to do them just to do them, we're going to put them into practice here and then in eternity.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:4-5		MM says there will be a tendency or temptation to just see the information as data. We are transitioning from the godly thinking to the godly living. Not just facts in our head but something that really has to translate into our godly living which means we have to integrate it into our practice. v4 gives us in illustration by which we can understand v5. v4 talks about our physical body. You have different members of your physical body - hands, ears, feet, and a whole lot of things going on inside of you. All of those members have a different job. In the same way, God is going to introduce something to us. Just like your body has a lot of different members and they're all designed to do a specific thing and they all work together to accomplish an overall objective. MM says he has used stories of how numerous parts of your human body work together to accomplish simple tasks. If any of your members don't do their job, the objective doesn't get done or doesn't get done optimally. Everything is working in concert and that is what God is training us to do. He is going to give us the tasks and then we're going to fill our roles in the accomplishment of that. Why being part of an assembly in one way or another is so important. The connection of the members of being just a brother or sister in Christ goes way beyond GH: the tag of being fellow Christians. **There's an interconectedness and interdependency that now allows us to now actually exist as a body and that's not what people in church normally think of**. We will look at this as being the necessary component to be able to labor with our Father. MM says when we reviewed these verses before he doesn't think we had this information in our head, it never really translated into this body labor, this corporate laboring with our Father. MANY MEMBERS IN ONE BODY...EVERY ONE MEMBERS ONE OF ANOTHER: In Christ, we have a mutual solidarity: WE ARE MEMBERS ONE OF ANOTHER-Ephesians 4:25. MM says this ought to be the reason we SPEAK EVERY MAN TRUTH-Ephesians 4:25 with each other.

Romans 12:4	Godly Living: Talking about your physical body - many members/body parts have not the same office/function	4 For as we have many members in one body, and all members have not the same office: MM says right now you may not realize: - how connected you are to the other members of the assembly - how dependent you are to the other members of the assembly Knowing it is the start and then beginning to act this way on purpose is how that becomes part of your godly living. When we first read something and get it explained and we understand it, that doesn't mean we have the fulness of all of that. Don't let that stop you. It is designed to be like anything else you do. The more you do it, the better you do it, the more comfortable you are with it. It then becomes automatic because you are being transformed. You will V&E the other members of your assembly because God has given every one of them THE MEASURE OF FAITH. You realize that in order to labor with your Father there is a connected issue and a dependent issue that is going to have to not only be in our minds but also in our conduct. ONE BODY: Context is the local assembly and learning how to love the other people in this assembly. Supposed to think about them the same way as your heavenly Father does for the same reason He does. In this case it is because He has dealt to every man THE MEASURE OF FAITH. It's not enough to copy what He does, why you're doing it to match WHY HE does it. This is how you get godliness, how it gets formed in us. Not about us trying to emulate this. Sonship tells you the WHYS. Most Christians do what they are told to do but your Father is not after that. Your Father wants to your have the ability to function as His son/daughter and make those decisions without having to be told. We are supposed to encourage one another, to help one another, to love one another, to genuinely care for each other, and to be there for each other.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:4	Godly Living: Talking about your physical body - many members/body parts have not the same office/function	4 For as we have many members in one body, and all members have not the same office: Is talking about our physical body, that's all that is talking about. The verse is not that hard, all it is saying that in your body you have a lot of different members all doing something. He is talking about what this local assembly is supposed to be or how it is supposed to function. FOR AS WE HAVE MANY MEMBERS IN ONE BODY: Talking about the analogy that we make with our own physical body. WE HAVE MANY MEMBERS IN ONE BODY: He is talking about your physical body. The body is made up of all kinds of members because it takes all of those members to make up a body. WE: Talking about the local assembly. MANY MEMBERS IN ONE BODY: Your body has a lot of members and all of those members work as a single unit. When Paul tells you the heavens is a creature, he is telling you God means it to operate just that way. ALL MEMBERS HAVE NOT THE SAME OFFICE: We have some ears and some eyes and some arms and some legs. They all had different spirtual gifts (GH: especially, at the beginning of the DOGG). MEMBER: A member of a body has job to do which allows the body to function properly. That is why a body has different kinds of "members." We have hands, feet, eyes, ears, etc. and we need them all in order to function fully. And that is at the heart of the expression, "the measure of faith;" a job which is given. As we push the old ungodly thinking out of our minds and replace it with the godly thinking (the renewing of our minds) it will result in us realizing that "in Christ" we really have been made to be members one of another in the same body.
Romans 12:4	Godly Living: Talking about your physical body - many members/body parts have not the same office/function	4 For as we have many members in one body, and all members have not the same office: The intent of this new thinking is: 1) to wake us to the reality of our involvement in our Father's Business and 2) the realization that this is our first opportunity to labor with God in our own local assembly. We will labor with God by the fulfilling of an office within this local assembly. This is our "on the job" training. We are about to learn something which we can immediately put into practice. We do not have to wait until we get into the heavenly places in order to participate in our Father's Business, we are expected to do so right now because the local assembly IS the Father's Business. No, we will not all discharge the same office, but we all have the same responsibility to discharge our office. We are all given the measure of faith to labor with God in His Business. Here is the first part of the analogy: Just as we have many members in our own body (hands, feet, etc.) and just as the members of our own body do not have the same office. Just as our human body is made up of many members, so the body of Christ is made up of many members. Just as the members of our body have an "office," we also, as members of Christ's body, have an office.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:4	Godly Living: Talking about your physical body - many members/body parts have not the same office/function	4 For as we have many members in one body, and all members have not the same office: OFFICE: Don't usually think of your foot having an office. Newer versions use the word 'function'. MM says it is more than a function, look at it as a responsibility. Job or function. Is a mode of acting or a doing of a thing. The way we think of it is a position or a seat of government. Notice our office is in connection with our being IN CHRIST. Don't think of it as I'm going to a building and sitting behind a desk and I've got a window behind me and a credenza. Not talking about that. He's talking about a function but the way we're looking at this is that we are part of a whole, we are part of a body and our function is within that body as we fufill that function that becomes the discharge of an office. Back then, the Spirit decides who would get a particular gift. OED: office – 2) That which one ought or has to do in the way of service 4) A position or place to which certain duties are attached; a position of trust or service under constituted authority An OFFICE is 'a place from which a duty is performed' (when people say when I get back to the office). An OFFICE is usually held or entrusted or dealt to a person so we can be appointed to an office or they can be elected to an office. By using the word OFFICE rather than function, the word imposes responsibility. You have a responsibility to bring life and function to this body. Your teeth, foot, ear, etc. all have a responsibility.
Romans 12:4	Godly Living: Talking about your physical body - many members/body parts have not the same office/function	4 For as we have many members in one body, and all members have not the same office: An OFFICE is bestowed upon a man from his qualifications. MM says it is really hard for the foot to be an ear. An OFFICE is a place of 'trust or faith'. Something that has been vested in you. An office imposes a task of some performance. If a guy is appointed or elected to an office, then people expect him to do something when he gets in there. He makes promises about what he's going to do when he gets in. An OFFICE impacts that we always have something to do because as long as you're in that office you're supposed to function within whatever that office is designed to do. An OFFICE is always assigned by another. Doesn't matter if it's elected, it's assigned by many others. An OFFICE is always performed by one with the intelligence to do. An OFFICE is 'given'. (group) George Crabb: The word office is sometimes employed in the same application by the personification of nature which assigns an offer to the ear, to the tongue, to the eye, and to the like. MM said you would have thought that he read Romans 12 and 1 Corinthians 12.

Romans 12:5	Godly Living: Talking about the local assembly and making the analogy to a physical body / The 4 body attributes from 1 Corinthians 12	5 So we, being many, are one body in Christ, and every one members one of another. WE, BEING MANY, ARE ONE BODY IN CHRIST: We V&E (value & esteem) the other members just like our Father does for the same reasons He does. They are important to us because they are important to Him. We value them because He values them and for the same reasons He values them. We realize we can't have a body without many members; it takes us all to function as a body. And since we are going to be a body in eternity in the heavenly places, it makes sense for us to learn to function in the local assemblies right now. Now he is going to make the analogy off of v4. Means the very things you know about a physical body are the things that you now find out about this body and everyone members one to another. WE, BEING MANY
Romans 12:5	Godly Living: Talking about the local assembly and making the analogy to a physical body / The 4 body attributes from 1 Corinthians 12	5 So we, being many, are one body in Christ, and every one members one of another. ONE BODY IN CHRIST: Learn for the first time that you are one body IN Christ. We know that we are IN Christ so this is not a new thing for us. Everyone within these 4 walls is ONE BODY IN CHRIST. GH: This is what that BODY IN CHRIST doctrine in Ephesians builds upon. Didn't just say ONE BODY, said ONE BODY IN CHRIST. Start thinking about ALL the members of the body of Christ no matter where they live in the world. You may never meet them or know them but you are going to be in the heavenly places with them. We get this first run (GH: practice) with the other members of this assembly that we do know and interact with. Just as this physical/human body has many members, this body that we are in a body relationship with each other also has many members. The scripture refers to these as offices. Think of these offices being in connection with the fact that we are IN Christ, we are one body IN Christ, and so these offices are discharged just that way. Because we are IN Christ, we have a very unique relationship with the other saints. Means that we will learn to labor corporately for/with our heavenly Father. One of the purposes of this local assembly is to train its members to labor with God in His Business and the major reason for that is God making us ONE BODY IN CHRIST is to produce a certain kind of relationship with each other - out of that relationship we will labor corporately with our heavenly Father.

Romans 12:5	Godly Living: Talking about the local assembly and making the analogy to a physical body / The 4 body attributes from 1 Corinthians 12	5 So we, being many, are one body in Christ, and every one members one of another. AND EVERY ONE MEMBERS ONE OF ANOTHER: We are acting as their representative, their ambassadors acting on their authority. When people come into this assembly, when we get to this part of the education, will view them as a vitual/essential/needed part of a body. It means that we value and esteem the other members of our assembly because we are: - we are **interconnected** with every other member of this body/assembly, OED: interconnected - fastened or linked together - we are **interdependent** upon every other member of this body/assembly, and OED: interdependent – reliance upon each other - we are **mutually existent** with every other member of this body/assembly. OED: existent – depending on something else for existence [in this case, existence as a body] This living union relationship is made up of four major characteristics. There are four in our physical body and there must be those same four in the assembly.
Romans 12:5	Godly Living: Talking about the local assembly and making the analogy to a physical body / The 4 body attributes from 1 Corinthians 12	5 So we, being many, are one body in Christ, and every one members one of another. AND EVERY ONE MEMBERS ONE OF ANOTHER: MM says we are supposed to be members one of another, that's part of the renewing education that we get. This is how we are supposed to feel about each other. GH: Remember you need every part of your physical body, same with the local church body. EVERY ONE MEMBERS ONE OF ANOTHER: Is what exactly is being described in the 4 body attributes in 1 Corinthians 12:12-26.Technically speaking, that's the godly living. The phrase that makes it all come together. To incorporate all of those basic body attributes that have to be in us. Why does your mouth go 'Ouch!' when you step on a sandbur barefoot? This isn't just the body's mouth. It's the hand's mouth. It's the foot's mouth. It's the leg's mouth. When one member suffers, they all suffer with it. MEMBERS ONE OF ANOTHER: We realized we are interconnected, interdependent, and mutually existent with every other member of this body. We put those 4 body attributes into action among ourselves as we labor in our offices. Reason being diligent is because is because **we see the work of our office as being done 'in the Name of the Lord'. When something is done in someone's name, it is being done for them, being done on their behalf**.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:5	Godly Living: Talking about the local assembly and making the analogy to a physical body / The 4 body attributes from 1 Corinthians 12	5 So we, being many, are one body in Christ, and every one members one of another. MEMBERS ONE OF ANOTHER (part of a body): Need to think about whatever office you are going to occupy as being a contributing part of what the body as a whole is doing. When you decide what you're going to do in an OFFICE this is the type of thinking that needs to be in our minds. The fact that we are MEMBERS ONE OF ANOTHER means that we're all part of a body and that's how we identify. MM says if Sarita picks up a marker that he drops he doesn't thank her hand. Get this kind of thinking in your head now so when you get to the heavenly places it is automatic for you. You've already been doing it. Selfless V&E other members (the right attitude): The hands are glad the body has some feet and the feet are glad the body has some eyes. Things get rough if any of those don't work. God uses the physical body to make the analogy for the local assembly and then extrapolates that to the entire body of Christ when it assembles up in the creature. Let's say you are in an accident and lose your foot. It's dead. How important is it for you to function as part of the body? When you understand that you are part of a body that is demanding participation that when you withdraw yourself from that body, you're like a foot that has been cut off. Your desire should be to graft you back into your place. But we don't think of it that way.
Romans 12:5	Godly Living: Talking about the local assembly and making the analogy to a physical body / The 4 body attributes from 1 Corinthians 12	5 So we, being many, are one body in Christ, and every one members one of another. When you don't understand the spiritual significance of functioning as part of a body, you can withdraw yourself and it's no big deal. But to the rest of the body, it's a big deal. MM believes spiritually it is just as deadly to withdraw yourself from the spiritual connection that allows you to function as part of a body. When you get into the heavenly places, it's not going to be how many of you want to be part of a body, you are going to be part of the body. He is not going to ask you do you want it, He is telling you how it is. What would it be like to be separated from that in the heavenly places, that would be terrible. When you start thinking about this properly you'll start feeling the same way. There will be something in you that makes you selflessly V&E the other members. We are mutually existent - means one member can't be a body on its own, we need all the members to constitute a body. In Romans 12, we got the minimum number of members that would actually constitute a body. When we V&E the other members, we really care what is happening with them. MM says he is not chiding anyone, this is how our thoughts ought to be about this. If you can separate out and it's no big deal, you know that you are not thinking about it the way your Father is thinking about it. If it is no big deal to you, that's an indicator of something really not clicking. But you don't know about it though until you hear about that.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:5	Godly Living: Talking about the local assembly and making the analogy to a physical body / The 4 body attributes from 1 Corinthians 12	5 So we, being many, are one body in Christ, and every one members one of another. If your body could talk, it would say sure wish we had that foot back. This is how we need to be thinking about our local body of believers, which includes Zoom/remote members. We want to bring you into this body and we want you to have an office and we want you to function. When you do that, you are being a great benefit to every member of the body. And when you don't, you are making it harder on the other members. - Labor corporately with our Father, especially when it comes to this local assembly because it is a body. - Accomplish God's Operations: As we labor corporately we are accomplishing God's operations. That's the WHY we are doing it. His Operations constitute His Business that He is carrying out right now in this DOGG. - Godly Labor: Office Function: Our godly labor whereby we are accomplishing God's operations is meant to take place as we function out of our OFFICE. There is something that you are doing that is assisting the whole body but it may be something different than what other members are doing and that word kind of defines that for us.
Romans 12:5	Godly Living: Talking about the local assembly and making the analogy to a physical body / The 4 body attributes from 1 Corinthians 12	5 So we, being many, are one body in Christ, and every one members one of another. Godly Thinking: What does it mean to be part of a 'living union relationship'? I am part of a 'living union relationship'. MM says there are a lot of things tied into this but 3 big ones - why we V&E each other. Just having this data in your head is not enough unless you start to live out of this so this actually begins to get itself established in us. NO 1 - INTERCONNECTED - we are interconnected with every other member of this body/assembly, OED: interconnected - fastened or linked together We are interconnected - we are not meant to go off and be independent or as MM says the Lone Ranger just doing our own thing, we're really designed to be able to function together as a body. We are part of a whole just like members of our body. Three major issues we have to have in our thinking: 1. Because we are in a living union relationship with each other it means that we are part of a whole - the nature of being part of a body. Think about the members of your physical body - are part of a whole. None of those parts alone constitute a body but it is all of those together that are able to do that. 2. When it says that we are a 'living union relationship', we are joined in a common effort. Means that we are all working toward the same goal and it's not one that we dream up, it's one that our heavenly Father is going to give us in His word.

Romans 12:5	Godly Living: Talking about the local assembly and making the analogy to a physical body / The 4 body attributes from 1 Corinthians 12	5 So we, being many, are one body in Christ, and every one members one of another. 3. What we do/Our actions effect every other member. You can see these in a physical body but this doesn't always translate for us. Just the intellectual knowing these things is not enough for this to actually become a reality. MM says people in this room GH: have had some socialization of this. But many in the body of Christ are not aware of this kind of relationship. Respond to one another in a way and responding to members of the body of Christ in another way because they don't understand this passage. NO 2 - INTERDEPENDENT - we are interdependent upon every other member of this body/assembly, and OED: interdependent – reliance upon each other We are interdependent - this has two main issues to it. 1. We're going to rely on each other in in two particular ways: (1) to perform our functions - we are counting on the other members doing the part that they're designed to do. Counting on others to do their job. (2) to assist us in our particular function (from time to time) - sometimes you need some help. Counting on others to help us get our job done from time to time.
Romans 12:5	Godly Living: Talking about the local assembly and making the analogy to a physical body / The 4 body attributes from 1 Corinthians 12	5 So we, being many, are one body in Christ, and every one members one of another. ANALOGY: Using your foot to open a door/gate. Not really the foot's job. Or push it open going backwards with your butt. MM says he never hears from the foot 'I'm sick and tired of doing the arm's job'. They never resist the whole body just works. This is the type of relationship that we are talking about as members of the same body. The foot doesn't have to say 'I've officially become the hands today'. It just happens in a moment. It just assisted another member in a job that it would normally do but needed help. NO 3 - MUTUALLY EXISTENT - we are mutually existent with every other member of this body/assembly. OED: existent – depending on something else for existence [in this case, existence as a body] Means one member can't be a body on its own, we need all the members to constitute a body. We can't exist as a body without all these other parts. That's what makes us a body. If you found a cut off finger in a field, you wouldn't say your found a body. MM says it doesn't matter how important a function may be of some member of the body - eyesight is pretty important. People are blind but still function. We are not all going to do the exact same job although there are some things every member will participate in. There are differences in the members of our physical body and there will be differences within this assembly and differences in the body of Christ. Not only expected but necessary. Selfless thinking causes to us to look at the other members of the body and realize there there are some differences between us and those differences are good because that allows all the OFFICES to be filled which is the way it ought to be.

Romans 12:5	Godly Living: Talking about the local assembly and making the analogy to a physical body / The 4 body attributes from 1 Corinthians 12	5 So we, being many, are one body in Christ, and every one members one of another. NO 3 - MUTUALLY EXISTENT (cont'd): When you are looking at your physical body you wouldn't want everything to look like a foot and you would be glad for that. This is the basis which we V&E each other / godly charity. With every doctrine that we are learning, even when we get it mentally and begin to live out of it, there's going to be a deepening of every one of these doctrines. In other words, the longer we go through these and the longer we engaged in it, there is going to be more depth to this than at the beginning and this is the way that it should be. MM says he knows this is true from his own life. The love he has for people in this assembly has deepened beyond what it was previously. His love for us has broadened itself and deepened itself because he has come to a greater appreciation for how valuable you all are and your he should be thinking about you. He is coming to realize to a greater and greater degree how valuable all the members of this body are, here and remote, and how he should be thinking about you and the application of the doctrine allows for that godly love to broaden and deepen. Reviewing the doctrine we have been through caused him to have a greater appreciation for all of us. MM tells the story of the lady with frostbite on her foot and she was concerned because a member of her body is at risk. When this doctrine really begins, we will start thinking about it just that way - that each person is a member of this body.
Romans 12:5	Godly Living: Talking about the local assembly and making the analogy to a physical body / The 4 body attributes from 1 Corinthians 12	5 So we, being many, are one body in Christ, and every one members one of another. NO 3 - MUTUALLY EXISTENT (cont'd): We can say the words but when this really begins to work in us, now something gets manifested by our Christ-like actions which demonstrates the reality of that doctrine is beginning to work in us. When every member sees the value of the other member and appreciates them for the part they play in the body, that's the V&E principle. This is how this gets generated and this is also how that godly love for them begins to deepen and broaden because every member has a usefulness to the body and every member has a value and that selfless thinking that's supposed to be generated in us causes us to realize the usefulness and the value of every other member. Doesn't matter they are not an eye or a hand. MM says if there are little things going on in our bodies all the time that it's a very delicate balance and if that doesn't work right, all of a sudden you have pains and discomforts that you have always taken for granted. The selfless thinking that allows us to appreciate what everyone else is doing without being envious of what it is they do without any strife or bickering or jealousy or those kinds of things. Think about members of your body and how absent it is of all this type of things.

Romans 12:5	Godly Living: Talking about the local assembly and making the analogy to a physical body / The 4 body attributes from 1 Corinthians 12	5 So we, being many, are one body in Christ, and every one members one of another. Selfless Thinking: The kind of thinking selflessness thinks (Sober, selfless thinking) - What your Father has done by dealing to every man the measure of faith is He has given us all an assignment of laboring with Him out of the godly love that we have for Him and for each other. - 'I V&E them': Think about how essential the other members are to the success of the body and we're going to see them as important. We will V&E them and for their office. I see their usefulness. If you're in a physical body the hand says, I get it, I need a foot. Until we realize what it is we're going together, right now it is a academic exercise. - 'We are members one of another': We recognize we are members one of another and we have to start thinking about that because this is how this gets generated in us because it will come right out of the scripture. Just like a plant in the ground that needs care and nurturing and watering, when you get godly love first generated in you, you need to treat it like that. That new plant needs to have some care and more looking after and doing some things that will cause that thing to mature and really become something.
Romans 12:5	Godly Living: Talking about the local assembly and making the analogy to a physical body / The 4 body attributes from 1 Corinthians 12	5 So we, being many, are one body in Christ, and every one members one of another. Selfless Thinking (cont'd): When you first get godly love generated in you, you need to treat it like that new plant. It needs to have some care and some looking after and doing the things that will cause that thing to mature and to really become something. MM says when godly love really gets generated in us and this thing is starting to really happen, you may not be at a place where it is your automatic default but working to get there, when that is working, we don't allow the actions of someone else to change our love for them. Not talking about an emotion. Talking about V&E them for who they are and what they do in the body. MM could do a whole deal on offenses but there's plenty already in the Bible and there is no place in the body for that. If our physical body ever began to act toward all the other members the way most church members act with each other, MM says we wouldn't be able to function properly a single day. We have to cultivate this attitude and understand WHY we are doing it - because our Father has given to everyone of us the measure of faith.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:5	Godly Living: Talking about the local assembly and making the analogy to a physical body / The 4 body attributes from 1 Corinthians 12	5 So we, being many, are one body in Christ, and every one members one of another. Selfless Thinking (cont'd): He means for this to be carried out within the relationship of a body and He means for that to be done with godly charity and the way it becomes selfless is when we begin to V&E the other members for what they're doing in the body and we do that by putting that thinking into practice. These offices are not pretend offices and they are not just positional offices, these are bringing our positional status IN Christ into practice. Bring our everyday standard up to our position IN Christ. The measure of faith is our Father assigning us the task of laboring with Him in some way and that labor that we're going to be doing. And if don't do it, He is not going to bypass us and do it out of His own omnipotence. It just will not be done. It's a real job and a real assignment.
Romans 12:6-8	Godly Labor / Emphasis on GIFTs	**Please see 'Comparison : The Spritual Gifts vs. the Operation of God' in the Commentary.** **Please see 'Comparison : Gifts vs. Offices' in the Commentary.** Godly Labor Instruction (practice field for the heavenly places) GH: of the practical offices-designed to take your new thinking with that outlet of conduct and behavior and put it into a function that is working together with an operation that God has in effect. Every single doctrine in Paul's epistles from Romans 12:3 all the way to the last Book he writes is given to you this way. Every doctrine starts with your godly thinking (It advances how to put that into practice in a godly way), godly living, and godly labor. Not one exception in 13 epistles. That is how you spiritually discern this Book. If you read through this passage and your eyes don't look at that and go there's my godly thinking and there's my godly living and there's my godly labor, you are like the natural man who cannot spiritually discern this Book. Not only does the natural man not get it. Most saved people don't get it. MM will take you through Romans 12 and you will see it work this way, over and over and over. MM knows that godly wisdom is broken down into 6 different components because he found this (GH: The thinking/living/labor pattern) 6 different times. Cover the main edification offices of the Bishop and the Deacon. None of these were sign GIFTS, these were edification gifts. The offices are the vehicles by which the 4 body attributes are going to now get put into practice. You will see real ways to do this but you need to be thinking about these things. Where we start laboring with our Father.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:6-8	Godly Labor / Emphasis on GIFTs	See another list of GIFTS. You understand that the reason Paul is using the word "gifts" in vs. 6 is because at the time Paul writes the book of Romans, the spiritual gifts were still in operation. You might ask, "If the gifts are no longer in operation, why then are we looking at this list?" Good question. The reason we are looking at this list is because the operations which are being accomplished by these "gifts" are still in operation today. These "gifts" represent the operations that continued on after the spiritual gifts ceased. We will accomplish those operations today, not by the "gifts of the Spirit" but by the "offices" of a body. Compare the list of Corinthians with the one of Romans. While they contain many of the GIFTS in the other list, they are slightly different. - 1 Corinthians 12: Apostle, Prophet,Teacher, Miracles, Healings, Governments, Helps, Tongues - Romans 12: Prophecy, Ministry, Teaching, Exhorting, Giving, Ruling, Mercy. The difference is a stroke of genius of your Heavenly Father. Paul wrote this to the Romans while the spiritual gifts were still in operation, Paul hadn't completed writing all of the doctrine yet so there was no way to know it any other way. At the same time, Romans has to have some good for those that would come along in the DOGG after the GIFTS were done away. The way these gifts are listed is the absolute, perfect way, regardless of when you were living, it can edify you.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:6-8	Godly Labor / Emphasis on GIFTs	Note the 7 gifts listed here - Bible calls these gifts. We commonly refer to these as spiritual gifts. When Paul writes Romans, the GIFTS were still in operation. Now, they are no longer in operation, You're supposed supposed to be thinking about OFFICES.

GIFT	TYPE	OPERATION	OFFICE	DOCTRINAL DIRECTIVE
1. Prophecy	Static	Edification of the body	Pastor	proportion of faith
2. Ministry	Static	Edification of the body	Pastor/Deacon	wait on
3. Exhortation	Static	Edification of the body	Pastor	wait on
4. Teaching	Static	Edification of the body	Pastor	wait on
5. Giving	Dynamic	Local church orderliness	Giving	with simplicity

Sustaining/Maintaining the body - provides for continuity for the body - to provide for the sustenance & maintenance and continuance of this local church / Purpose: Carriying on THE WORK OF THE MINISTRY

6. Ruling	Dynamic	Local church orderliness	Ruling	with diligence

Organizing the body - provides for order to the body - to provide for the orderliness of this local church / Purpose: Create an atmosphere to best take place

7. Mercy	Dynamic	Spiritual well-being of the saints	Mercy	with cheerfulness

Maintaining the body - provides for repair or restoration of the body (maintenance is what keeps something from breaking down) - to provide for the comfort and relief and well-being of the members of this local church / Purpose: Their edification will continue to take place

You know in looking at this:

- There's a real order to this. They are not just randomly listed out.
- Every single one has a purpose behind them.
- Look for opportunities to combine the list into groups

If this assembly is going to labor with its Father, you have to understand something critical about these gifts.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:6-8	Godly Labor / Emphasis on GIFTs	The education of these 3 verses is going to allow every one of us to understand every one of those offices: - What they are - How they function and you will know just by looking at it if you are best suited for this or if this is naturally up your alley. MM says and you will look at others and say and those are not up your alley. God is not asking you all to have the same personality, He is just asking you to be part of the body. MM says this will be an intelligent, educated decision that you're going to make on your own about this and God is not going to choose it for you and now you are stuck here. You are going to choose. You will find that your office is going to be fluid. They will naturally flow into something else that the body will need at that particular time. They are not the static offices of Pastor and Deacon because they are different. You will see these offices being approprate to what this assembly needs at the time it needs it so you're not really stuck with something like this is all I'm ever going to do. PROPHESY...MININSTERING...TEACHING...EXHORTING...GIVING...RULING (Administration)...MERCY: See everyone of these gifts fall into 2 of the 5 operations covered in 1 Corinthians 12:6. This is because all 5 of those operations are now longer needed. These are more like a category description under which come many offices. EX One is God is now working with Gentiles. MM says no one doesn't believe that, the problem is nobody believes there was a time when He wasn't. POINT: That operation is no longer needed. Also, the operations with Israel are done. But 2 of those operations are going to be consistent throughout the DOGG.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:6-8	Godly Labor / Emphasis on GIFTs	Everything in the list above can fit into 1 of these 2 operations. This list is different than the list in Corinthians because now you are being taught to labor with your Father in a local assembly. They all fit in either of these 2 operations. Your office will be for one or the other. Two differences between now and then: 1. We don't have a guy giving it to us IN PART, we have the completed revelation of scripture. 2. The spiritual gift of the Holy Spirit gave that gift to whoever He wanted to give them. The difference for us is we are going to get to choose which offices (not gifts) we occupy because you are going to labor with your Father out of your office and it is going to take all of these offices to get this to be a body. You can assist others in their office. MM believes the same thing may happen in Heaven. When you choose your office, you can change but you have to go through v6-8 before you can choose an office. We are not putting a badge on you, it will be between you and your Heavenly Father but you are going to do it for the benefit of the assembly. Seeing that the more excellent way has replaced the spiritual gifts, you must realize that the choice of office is yours and yours alone. These verses work in conjunction with that gift so the recipient is able to labor with God and the scripture actually guided that. The Genius of God is He doesn't have to change this now that the MORE EXCELLENT WAY has replaced those IN PART, spiritual gifts. We are going to be able to benefit from the same passage of scripture and it has application for us today. These 7 gifts are divided into 2 groups: 1. Communicating the word (PROPHECY, MINISTRY, TEACHETH, EXORTETH) - systematic theology would say things of a spiritual nature - MM says things that work toward edification 1) The edification of the body / Education of the body 2. Local Church orderliness (GIVING, RULING, MERCY) - systematic theology would say things of a material nature - MM says things that work toward material and organization 2) Local church orderliness / The order and function of the body
Romans 12:6-8	Godly Labor / Emphasis on GIFTs	Prayer for Choosing an Office • My office is part of the measure of faith entrusted to me • My office is the means by which I serve the Lord • My office must be chosen with godly charity • My office must be chosen selflessly o My office assists others in their offices o My office benefits the whole assembly o My office furthers the goals of this assembly o My office helps provide for the existence of this assembly • My office must be with simplicity (under giving) • My office must be with diligence (under ruling) • My office must be with cheerfulness (with mercy)

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:6-8	Godly Labor / Emphasis on GIFTs	The mechanics of how we choose an office is: • Pray: Talk to your Father about what you can do (not for Him to give you a "sign" indicating which office He wants for you, but to activate the doctrine in you as you think about what to do) • For example, the doctrine should remind us to: o Do this office with godly thinking of Rm. 12:3 (every office is our measure of faith; our job which the Lord is trusting us to do) o Do this office as unto the Lord (because we serve the Lord by serving His body) o Do this office with godly charity (4) o Do this office selflessly: - How can my office benefit the offices of others; how can it help them get their job done? - How can my office benefit the assembly as a whole?
Romans 12:6-8	Godly Labor / Emphasis on GIFTs	- How can I add value to this body? - How can I (directly or indirectly) further the goals of this assembly? o Do this office with simplicity - With no ulterior motive - With no strings attached - Without requiring recognition While we can look around and see many things that need to be done, it may be that there is more to do than we can participate in. We can whittle that list down by: • Assessing our Abilities - asking ourselves what special talent/skill we may have that others may not and choosing an office with that in mind • Prioritizing - looking at the most pressing or most important needs and focusing on them first Choosing an office is a Sonship decision which needs to be done by prayer and the doctrine.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:6-8	Godly Labor / Emphasis on GIFTs	Unlike the Roman saints at the time Paul writes this, we didn't get a supernatural gift that was given by the Spirit, we're going to get an office and that office is going to come out of our understanding of the completed word of scripture. Instead of just being given to us, we are going to make a wise, informed, intelligent, Sonship decision of which office you are going to function out of. It's out of your office that you will labor with your Father. As we turn our attention to these verses, realize that what we are about to do is the very first step toward what will ultimately fulfill God's plan and purpose when He created the heaven and the earth to begin with. MM says what a grand privilege this is. And we're going to get to put His Wisdom to work in the heavenly places to fulfill that grand design that He had in the first place. This is how big this is so MM wanted to call it to our attention because it is training us to sit in these rulership positions in the heavenly places. So the most powerful of God's operations are going to be at work in this local assembly. This is our first opportunity or step in getting all of that accomplished. This is exactly what the local assembly was designed by your Father to do. MM says this would sound very strange to most churches but this is first, a classroom, and second, a laboratory where we take those things learned in the classroom and put them to work in the same way we are going to put them to work up there. This is where training takes place for what is going to happen in eternity. These offices are not offices for offices sake.
Romans 12:6-8	Godly Labor / Emphasis on GIFTs	These offices are what make a local assembly. There are other offices that we will discover as we advance through the curriculum but these are the ones that have to be in place in order for us to actually function, no matter what our size is - whether it is 6 or 60 people. These are the offices that have to be filled. Have to remember behind these, there are operations that God is wanting to continue to accomplish throughout the DOGG. Every assembly has a certain set of offices and as it grows more of them are going to emerge. Some are temporary in nature but will be needed by that assembly at that particular time. The reason is because that's the way the creature is. There's going to be situations that you're going to find yourself in the creature in which the thing is all going to change and if you are just kind of stuck with only one way to do it GH: will have problems. MM is not going to tell you how that will change. Will be up to you to decide for yourself. This is a requirement for us to do when we get into the creature, is to look at a situation and understand how to change what we are doing in order to seal with that. You have to get used to being able to make those kinds of decisions. Right at the start, you won't always make those decisions right. What's coming along is you being able to make a decision about your office based on what you perceive. May sound hard but you are going to get there. MM says this (local assembly) is a microcosm of the creature and what's going to happen up there is going to happen here. You will get educated to choose an office and you will get educated to NOT choose and office. You'll not only know which ones you want, you will know which ones that you don't want. These are the verses that allow this to be more than a classroom. These are the verses that allow us to accomplish real godly labor.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:6-8	Godly Labor / Emphasis on GIFTs	MM says all 7 of these are very general descriptions of an office. Are fluid and meant to be very generic. Uses MERCY as an example. There are a whole lot of ways that you can show mercy. When you learn about these OFFICES the way you think about church is going to change again. MM says for most believers, going to church is what you do because you live in the Bible belt of America. People equate going to church with being an American. You won't look at church because that's what we do. You know that there's a much greater purpose behind being here. You know all the things you have learned and what that's headed toward, it's something more than well, it's just kind of what we do. We are in a living-union relationship and it is meant to be that way. When the spiritual gifts were given, every member of the church got one of those gifts but they only got one. You are not going to be given an office, you are going to choose an office and you are going to have the ability to chose as many of those offices as you want to choose. This is another advantage of THE MORE EXCELLENT WAY-1 Corinthians 12:31 over the spiritual gifts. When it comes to this church becoming what God creating local churches to be, it will never be accomplished unless we learn to function as a body.
Romans 12:6-8	Godly Labor / Emphasis on GIFTs	First 4 are for the edification of the assembly. Does NOT mean there is not mutual edifying going on. Shouldn't surprise you that the first 4 offices fall under this but doesn't mean that others couldn't teach others. Talking about an office and the responsibility to discharge that office. These are the bare minimum for what it takes a local assembly to properly function. To actually do the job that it was designed by God to do when He created this. The church is a divine institution, which is something that God specifically ordained. Each one of the divine institutions is a venue or an arena in which you're going to be taught some things about your Sonship life. The primary way you are going to put these Sonship skills into practice is in a local church, within an assembly. This is the first fundamental way that you learn everything and then it's going to branch out from there to other places, including those other divine institutions. MM says Zoom members can participate in offices that have a direct bearing in this local assembly even through you don't physically show up here. We will have to get creative in order to do that. Remote members not only have the ability to sit in on the session and participate you actually have the ability to function in a real way with this assembly.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:6-8	Godly Labor / Emphasis on GIFTs	Then..... ...Now 1. PROPHECY BISHOP/PASTOR (static office, one that doesn't change; doesn't tell you everything you do but there are qualifications in the Bible for this office) - MM used to shy away from the term BISHOP but both are fine. Under the spiritual gifts, the one with the gift of a Prophet would supernaturally receive a revelation from God concerning God's word. He would speak that word to the assembly before it was ever written down. The supernatural gift of PROPHECY gets replaced with the completed revelation of scripture. The closest thing to what a prophet was doing is the office of "pastor" or "bishop." Today, the Bishop is responsible for properly handling the word of truth, teaching it correctly and exhorting the assembly in connection with it. 2. MINISTRY BISHOP (if there is a small group with no deacons)/DEACON (also qualifications for a DEACON is 1 Timothy 2, they're almost identifcal to a BISHOP) - Two jobs that a DEACON is suppposed to stand shoulder-to-shoulder with the PASTOR and do: 1. Helps people through the edification process. If new people come in, someone has to know where they are and help them get caught up. MM says think about new folks that come in the door when we are in Romans 14. Doing the same job as the PASTOR is to the assembly only working with individuals to catch them up. 2. Maintain a viligant lookout on the POEs attempt to make inroads into this assembly. Stand shoulder-to-shoulder with the PASTOR to make sure the adverary doesn't come in and ruin the assembly and get it corrupted in its understanding of the doctrine. MM says this is a huge job, men that not only need to understand the doctrine but they need to understand the POE. - The deacons assist the bishop in maintaining the integrity of the assembly and protecting the assembly from the POE. 3. TEACHING BISHOP (static office) - APT TO TEACH-2 Timothy 2:24 - Under the spiritual gifts, another stood up to exhort and yet another stood to teach. But all of these fall under the purview of the Pastor in the more excellent way. 4. EXHORT BISHOP (functioning sort of as a father) - EXHORT-2 Timothy 4:2

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:6-8	Godly Labor / Emphasis on GIFTs	Summation of the Practical/Material Offices: The second 3 are the fluid, dynamic, not static, changing offices providing for that local church orderliness. Don't think lightly of these because these are MUSTs if this assembly is going to do what it is supposed to do. It will take all of these offices being occupied GH: for us to operate as a body. These offices are occupied by those who do not hold offices which are static. These will ebb and flow with what they are doing now and what they are going to do later. The three categories of giving, ruling and mercy will have more specific offices under them. The local assembly is a place where the discharge of those offices takes place first. While you are still concerned with your edification unto godliness, now you begin to see the outworking of your edification as a benefit to the rest of the saints in your assembly by means of the office you hold. You now see yourself as part of a body and not just an individual; you are part of a whole assembly with a part to play, so to speak. The last 3 gifts are all done WITH something. One of the reasons we are not given a list of all the practical needs is because not every assembly has the same practical needs. Some needs every assembly has in common, but other needs vary from assembly to assembly and even vary from time to time within the same assembly. This is why Paul uses general terms such as "the work of the ministry." 5. GIVING: It does take giving to sustain a work. See your giving as more than keeping the doors open. See it as an opportunity, because of what we are doing here, as godly labor and serve the Lord. Giving with the overarching idea to meet a need, of the assembly or its members. Saying I can give of myself to meet this particular need. This benefit will be to this corporate assembly or it might be to just one member of this assembly
Romans 12:6-8	Godly Labor / Emphasis on GIFTs	Nutshell: The 3 Practical Offices: - GIVING - Sustaining the body - provides for continuity for the body - to provide for the sustenance & maintenance and continuance of this local church * GIVING: The first general operation of God is to provide for the sustenance & maintenance and continuance of this local church. God wants this assembly to sustain itself so that it can continue. Anything that we do with this operation in mind constitutes godly labor. - RULIING - Organizing the body - provides for order to the body - to provide for the orderliness of this local church * RULING: The second general operation of God is to provide for the orderliness of this local church. - MERCY - Maintaining the body - provides for repair or restoration of the body (maintenance is what keeps something from breaking down) - to provide for the relief and well-being of the members of this local church * MERCY: The third general operation of God is to provide for the relief and well-being of the members of this local church. God wants those who suffer to find their comfort and relief among their fellow members. It is through the offices of mercy that the spiritual and physical well-being of the members is provided. To occupy this office means you are going to be on the lookout for that and you are going to be involved in that. Sometimes, the body may require 2-3 members to get something done like your actual body. More than finances, can involve time and effort to get things done. Are meeting some material need of the assembly or of someone in the assembly.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:6-8	Godly Labor / Emphasis on GIFTs	By means of the local assembly that God wants to: • provide a classroom for the progressive education of its members, the end goal of that education being to make the saints into godly people who can think, live and labor like God (edification). • make all men see what is the fellowship of the mystery • to impact principalities and powers in heavenly places • to put the excellency of God's power on display • to impact the community it resides in (as the pillar and ground of truth-1 Timothy 3:15) • to be the practice field for the heavenly places where we will function with the entire body of Christ to accomplish our Father's eternal purpose, etc. A local body of believers is made of many members operating out of various offices because those offices are the means by which the operations of God are carried out! When you think of an office, then think about it being created to carry out an operation God wants accomplished. Thinking about every job as an office sets our motives to be godly (as opposed to the natural human reasons for doing things).
Romans 12:6-8	Godly Labor / Emphasis on GIFTs	Godly thinking about every office: • This is my measure of faith□ • This is how I serve the Lord • This is how God's operations get done As we perform our offices, we must continually evaluate: • Why we are doing what we are doing? • Are we doing it with godly charity? • Are we doing it selflessly? • Are we giving with simplicity? Ruling with diligence? Showing mercy with cheerfulness?
Romans 12:6-8	Godly Labor / Emphasis on GIFTs	You have the Father, Son, and Spirit involved in everyone of these labors (using GIVING as an example): - Firstly, through the word of God, giving is made available to you as an office - and that is under the administration of the Spirit. You read that in the word and know that's an office that needs to be filled by persons in this assembly. That's made available to us as an office under the administration of the Spirit. Just as He gave the spiritual gifts, He is now going to lead you to these offices. - Secondly, it is an office that ministers to the very body of the Lord, as this assembly is part of the body of Christ. Can't look at it and say, well, He is the Lord, He doesn't need anything. The way we minister to Him is by ministering to this body. - Thirdy, it is an office that accomplishes an operation of the Father which is local church orderliness. What we learn here, we take to the creature. What He knows you're going to need in the creature, He is going to make it part of here so He puts this office of giving just like these others.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:6-8	Godly Labor / Emphasis on GIFTs	Church Orderliness: There's a multiplicity of ways in which you will give of yourself to the benefit of this assembly that are specifically accomplishing an operation that your Father wants done in that operation. That this body is maintained, sustained, and there's an order to it. We have to have these here because we have to have them up there. This has to be what it is supposed to be for the creature to be what it is supposed to be. There is going to be order up there that's going to be sustaining the creature and maintaining of the creature. Need to see this as more than, oh well, we are just giving. It is one of the 3 offices that is the bare minimum to accomplish this operation. If we are lacking in any of these, we're not going to get this operation done the way it is supposed to be done. Group/Karen says this ties into godly selflessness and having a love for the rest of the assembly. Move from 'I'm here to get my edification' to 'I'm here for this body's edification' and they are here for your edification. MM says it reminds him of couple counseling - each one is looking out for the other and each one is sacrificing for the other. When you get polarized and say it's just me, none of that works anymore and no one wants to be the first one (when I see them make an effort, I'll start trying). Once the worldly thinking has gotten engrained in someone and then they hear something that runs counter to that, they don't like that. Bring it up before we have the problem. Nobody has their feelings hurt yet. At some point, this has to be bigger than your feelings. Later, when your feelings are hurt, MM can go I told you about this. These are the offices we are going to labor with our Father so we need to be familar with these. Just because you don't fill the static office of Pastor or Deacon, doesn't disquality you from anything in the creature. Don't think that because you are not the Pastor that you cannot sit in a position of rulership anywhere in the creature. The local church that has these offices functioning in it is designed to do something. When you observe what these offices are, now you are really understanding what the offices are.
Romans 12:6-8	Godly Labor / Emphasis on GIFTs	Bishop: It's the doctrinal directive of all the qualifications of a PASTOR to be able to teach the word. A Pastor or BISHOP is not a prohet, they are not speaking with a supernatural unction that is given to Him by God. Learn there are 7 offices that make up this church, the body. The parts you have to have for a body to actually function as a body. Realistically, you could lose a hand or an eye and still function. You could be blind and still function in many areas. There are 2 types of offices: 1. Static or Education offices: - Pastor - Deacon 2. Dynamic offices - not static, not unchangeable - practice these office among each other: - Giving - Ruling or Administration - Mercy

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:6-8	Godly Labor / Emphasis on GIFTs	OED: Office 1) Something done toward any one; a service, kindness, attention. Chiefly with qualification, as good, kind of office; office of kindness. - MM notes the second core feature of godly love - lovingkindness in Romans 12:9-10. An office is a kind service toward someone else. 2) that which one ought, or has, to do in the way of service; that which is required or expected. 2a) duty toward others; 2b) duty attached to one's station (MM adds - our station as a member of the body of Christ)...a service or task to be performed; business function, one's part. - MM sees 'duty attached' and thinks THE MEASURE OF FAITH-Romans 12:3 that was given to us.. - MM sees 'business' and thinks of our Father's Business. What we are supposed to be involved in. - MM sees 'function, one's part' as perfect because we are part of a body. It's a part we have to play in the function of the whole. MM says if you look at these definitions, he's not talking about some room in a building with a window you are looking out. Not the way office is understood. This definition really fits in with everything we have been looking at so far.
Romans 12:6-8	Godly Labor / Emphasis on GIFTs	Transition into the supernatural gifts at the beginning of the DOGG and then the transition out of those gifts into the offices: - Gifts were the supernatural abilities that were given by God and the Spirit decides who got what. - Offices are not some kind of little room where you work. Not even the No. 1 definition in the OED.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:6-8	Godly Labor / Emphasis on GIFTs	PROPHET: Would receive a revelation from the Lord. Something that he did not previously know at all and then he would repeat that to the assembly as a whole. Would be important for the assembly to meet together if the prophet was exercising their GIFT. EX Romans 3:19-20 - important for an assembly that didn't have Paul's epistles to hear this. People will look back and say people were saved by keeping the law but today we are saved by grace. Prior studies have shown exactly what an O.T. Jew needed to do to be JUEL. We looked at the public ministry of Jesus and what an Israelite needed to believe in order to become a member of the little flock. We have looked in the DOGG what a person today must believe. No where is someone justified by the law. NO FLESH-Romans 3:20 - he is not limiting this to the DOGG. NO FLESH gets saved by keeping the law. Takes you all the way back to Adam. After a prophet would declare that verse or some passage, he would sit down and that would be the end of it. That's the admonition of the prophet - to only limit himself to the specific information that is revealed to Him by the Spirit. God is going to use others to be able to complete the edification process. Today, no one has the gift of PROPHECY because we don't need a guy to stand up and say 'hey, the Lord...' but people still do this. MM recalls a guy saying that God revealed to him that there were 9 persons in the Godhead. Everything God intended to say has already been recorded and the canon of scripture has been closed off. If you think God is still revealing extra biblical truth, you should glue a bunch of blank pages at the end of your Bible and start adding those. If that is what you think, then evidently God is not through with His word. The problem is what God revealed contradicts itself. Today, the closest think we have to a PROPHET who speaks the word is the OFFICE of a BISHOP or as we commonly refer to it, a Pastor. Both of these words are used in your N.T (Ephesians 4:11). It's not up to MM to come and make it up for you, we've already got it written in our Bible sitting in front of us. A Pastor or BISHOP is not a prohet, they are not speaking with a supernatural unction that is given to Him by God.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:6-8	Godly Labor / Emphasis on GIFTs	MM says that the discharge of these OFFICES is not so rigid and in many cases much more casual than MM has explained previously. We get to chose our OFFICES but it is not as rigid but more on a case-by-case basis. Can happen in a moment in time. Doesn't have to stop and tell the butt or the foot to push open the gate for the hand. You will see things where you say let me slide in here and help out. It's not, 'well that's not my office', the body doesn't think like that. Doesn't want to comment we are choosing offices to be this strict, rigid, official thing. MM says he can see the entire body engaging in an office, sometimes for a long time and other times for a short time. People are already doing these things, just need to view them now as the fulfillment of THE MEASURE OF FAITH-Romans 12:3 that our Father gave us to labor with Him corporately as a body. See what we are doing as part of a whole ad it is the fulfillment of our Father's will in this DOGG. Because it's THE MEASURE OF FAITH, He is counting on us to do it and if we don't, it just won't get done but it will be up to us. As you become aware of things that need to be done, there is the possibility that one day you might get overwhelmed, there's more to do than you can do, there are more needs than you can meet, there are more things to be involved in than you can be involved in. If you are limited in time and limited in resources, you have to pick and choose what you are doing to do. MM says as far as this local assembly goes, we need to be able to determine what our Father's operations are and focus on those because that is what He wants done. Churches involve themselves in lots of things that don't forward any of God's operations, the reasons He created the local church to begin with. The reason He had Paul plant local churches. Churches today don't fulfill those operations but they do lots of stuff and they're very organized and it's very complex. MM says first things first. We will follow the scripture that will lead us to look at our Father's operations and then the fulfillment of those operations.
Romans 12:6-8	Godly Labor / Emphasis on GIFTs	Think about engaging in the OFFICES in light of what a local assembly is designed to do. Obvious but gets overlooked. Local assembly is designed for more than a classroom and a place that education takes place. The local assembly is designed for more than that. It's not just so we come together in one place and have an economy of teaching going on - MM doesn't have to come to individual houses. We are assembling here to accomplish a very particular purpose and once we know what that purpose is we'll be able to identify these basic offices that make up what ought to be in our mind as we decide what OFFICES we are going to function out of. At this point, we will be able to begin to function out of these offices in the way that they were designed to be put into use. The OFFICES provide for us to do something for the sake of the whole body so this kind of thinking has to be in our mind from the very get-go, for the sake of the entire church and for the sake of accomplishing our heavenly Father's Will. These various offices are meant to train us and prepare us to be able to function together as a body but to be able to accomplish some greater operations of God out in the future as our education progresses. GH: MM teaching on the local assembly the the purpose/goal of a church (1 Timothy 3). Need to have these things in our mind when we choose or don't choose an OFFICE. Understand what your Father is trying to accomplish here. It is His Work. It's a big deal to Him and if it is a big deal to Him, it ought to be to us. If this is the way He is going to get this done, ought to have meaning for us as well.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:6-8	Godly Labor / Emphasis on GIFTs	The way we labor with our Father using this doctrine is out of the various OFFICES listed that every member is supposed to occupy. When the entire body of Christ is gathered together in the heavenly places, every member of the body of Christ is going to have a function. So this is the practice field for that. A Pastor today covers the 3 of the 4 edification offices: - prophet - teacher - APT TO TEACH-2 Timothy 2:24 - exhorter - EXHORT-2 Timothy 4:2 Also can be a minister.
Romans 12:6-8	Godly Labor / Emphasis on GIFTs : Recap	OFFICE: How we labor with our Father to the accomplishment of His purposes, His Operation, and His Business. Many of you are already functioning in an OFFICE you are just not thinking about it that way yet. MM wants to change the way you are thinking about that. Talk about examples of what would constitute an OFFICE and then what is motivating us to do those things. People will know who he is talking about but he is doing it for the good of everyone who is listening. As MM says 'as you do this or you do that', be sure what is motivating you is one of these things. There should be something to motivate you to do what you are doing. We are training ourselves not to be good people, but to be godly people. A lost person can be a good guy but he can't be a godly guy. Good is not good enough. Godly is the minimum but it is also the maximum. - Doctrine: You begin by thinking about the doctrine and let that be your motivation. * You are thinking 'what is God trying to accomplish?' MM says He has some operations that He is trying to accomplish. There are two main ones. There are lots of others that are kind of sub-sets. The two main one in the DOGG: 1. Get the gospel out to folks so they can be saved 2. Building up of the saints/edification
Romans 12:6-8	Godly Labor / Emphasis on GIFTs : Recap	This is the work of the ministry that the church is called to do. Related - we need to stop thinking about church as a building. Church is its people. Before any of us got here today, this was not a church, it was an empty building. Now, the church is here. The building was here all along. MM says if you don't get this right, there are some verses that when you read them you will be thinking about the building. The meeting that takes place at the building is for the purpose of facilitating the edification of the saints. It's where we teach the word, get an understanding, get our questions answered. Also, when we meet together, we are able to make an impact in the community where we are as we become THE PILLAR AND GROUND OF TRUTH-1 Timothy 3:15. We are motivated by the doctrine. It is supposed to make you aware that when you're doing something you're accomplishing your heavenly Father's operations. Keeps us on track because if it is not accomplishing His Operations, we've got to ask ourselves the question why are we doing it? MM talks about the fire station story. We have to constantly keep God's Operations top of mind. Don't spend time and money on things that don't help accomplish His Operations. * (How much we love God) Also find motivation in how much we love God for what He has done for us. Romans 12:1 called them THE MERCIES OF GOD. Why relationship prayer is so important because thinking about these things and truly understanding what He did and knowing how critical they were. Everybody is thankful they aren't going to hell. Not saying that one isn't important. But that's not nearly all He did. He did more than just forgive our sins. He imputed the righteousness of His Son into us and He gave us that identity IN Christ.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:6-8	Godly Labor / Emphasis on GIFTs : Recap	This is not a big deal to most people because they don't understand how critical this is. Without that righteousness, you will never become what you are supposed to become without that righteousness. You need your sins forgiven to go to heaven but you also need a perfect righteousness. You also need to no longer be an enemy of God. That's why you need the Atonement. You now have peace with God. That's how critical those are. MM says he is so impressed with God knowing exactly what we need in our justification and in our sanctification. But if the relationship with Him isn't a big deal, then that access isn't a big deal. If you don't understand how critical this is you won't appreciate it for what it is. One of your motivations is man, I really love God and out of my gratitude and love for Him, because of these mercies, that's why I'm doing what I'm doing. * (How much we love our fellow members) The doctrine teaches us how much God values & esteems the other members. All of you are a big deal to Him. You are supposed to V&E other other members to the same degree He does. And why wouldn't we, if we are all truly members of a body and we need all these members functioning. Miss members of the body and the body function is impaired. * Doctrine is producing a desire for the life of Christ to be made manifest in us to God's glory. We want the wrold to see that. That's a motivator. These are the motivations that the doctrine is instilling in our inner man. Don't just think there are a lot of doctrines, there are. Those doctrines are using these motivations to point you in a lot of different ways.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:6-8	Godly Labor / Emphasis on GIFTs : Recap	Whatever OFFICE you do, be motivated by the doctrine: - you care what your heavenly Father is accomplishing and you want to be part of it - be motivated by the doctrine - love God and have some gratitude for all of those mercies that He gave you, even when you didn't even know you needed them - do it out of the doctrine - do it because you love the other members - you selflessly V&E them for who they are in the body - whatever you do, do it out of the doctrine - do it because you have a desire to have the Life of Christ be made manifest in you, not so you can be a big shot but because this redounds to God's glory If you are not doing your OFFICE for one of these reasons, you need to stop doing it for whatever reason and start doing it for one of these reasons. The Bible calls it the renewing of your mind. You can change your motivation. You can change the reason you are doing it. That's not faking it. There is a higher purpose than just being a good guy and just like to help people. Those are great human values but for sons/daughters there's a higher purpose and you can change to that higher purpose. When you start doing it for these reasons, that's a marker that edification is happening in you. If you do it for reasons other than the above, one day you will quit. Examples: - John Fredrick (HOU)/Eric Fleming (PA)/Michael Brooks (Austin): Started a Zoom group because they want folks to hear about the mystery / understand right division Want the edification of God's people and because you love God and you love the members of the body of Christ and you want the life of Christ made manifest in you. Let these be the reasons you are doing what you are doing. We think if you are not behind the pulpit preaching the sermon you can't be involved in edification - not true. Can't mention them all because there are Zoom groups everywhere.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:6-8	Godly Labor / Emphasis on GIFTs : Recap	- John Shallenberger (Ft. Worth) - group meeting on Sundays; also donates his time to the Bible Institute for graphic arts/artwork - not directly connected to edification but gives a professional look to our work - Carson & Julie Hastings - group meeting during the week - Group of ladies (Jane Bleth?, Cindy, Karen) wanted to get Sonship prayer down concerning the mercies - practice Sonship prayer - Children's Ministry (Adam & Anna; Cindi W.-WA; Armando-SC; Derek & Sonya Mallers-Canada) - writing kids songs to melodies they already know - Rune (Norway) teaching grace doctrines and Sonship - Mark Behm (Video Producer) - may not directly in itself be edifying but it does assist in edification because the recordings go all over the place - Neil & Linda (AZ) - Cleans up everything that would be a distraction and then adds intros and outros, identifies the lessons. Use these from here on out. - Lula Stock (FL) - ordered MM's DVDs and then shared them with people Education: The acquiring of knowledge and information. If all you have is a bunch of facts rolling around in your head and it never gets to your heart where now you begin to live out of that, that's really not any good. vs. Edification: What we are really after is to be conformed to the image of God's Son or for the life of Jesus Christ to be lived in and through us so that is what we're after.
Romans 12:6-8	Godly Labor / Emphasis on GIFTs : Operations of OFFICEs	The office of the Deacon is supposed to be on the lookout, to be observing, and to be looking at the assembly in which he is apart, and to be noticing things so that he can actually involve himself to the edification of the saints. The qualifications of a Deacon are almost identical to that of a Pastor. The things that make for a really good waiter in a restaurant are the same kind of things that make for a really good Deacon in a church. The only difference is one is dealing with physical things and one is dealing with spiritual things. The OPERATION of MINISTERING: - Primary OFFICE: Deacon - Primary needs met: Spiritual/Edificational - Doctrinal Directive: WAIT on their MINISTERING MM says this day churches do not understand the function of a Deacon and Deacons themselves do not understand their biblical function. The primary function, the main focus of the OFFICE of the Deacon is to be watching out for the edification of the saints and to involve himself in the benefit of that edification taking place. Means he has got to be observant. Also, there will be times when the POE is going to assert itself and people are going to be suffering and he needs to be on the lookout for that as well so he can intervene to comfort and aid those folks in whatever way he can.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:6-8	Godly Labor / Emphasis on GIFTs : Operations of OFFICEs	It's a spiritual ministry. POINT: Every Deacon should be thinking about their OFFICE just like that it is for the benefit of every member, specifically in the area of their edification. Deacons can do other things. Pastors can do other things. But they can only do other things when it is not detrimental to our main purpose. EX MM could spend a week at the church pulling weeds, planting flower beds, painting the doors, and then show up on Sunday not ready because of these other things (that would be detrimental to his main purpose). Don't abandon the more important job for the less important job. Can't happen. Pastors and Deacons always have to make sure that we are always at the ready to anticipate the edification needs of this assembly and to be on the watch for those kinds of things. Maybe the parking lot needed cleaning up but it would mean he abandoned the more important job for the less important one and that can't be. The OFFICEs of Pastor and Deacon always need to be ready to anticipate the edification needs of the assembly and be on the watch for those kinds of things. Analogy to all of us as members of the body of Christ - whatever OFFICE you are operating out of to be looking at the rest of the assembly and thinking about how your OFFICE benefits and helps them and be on the lookout for that. This is something that ought to be in the minds of every saint but it's really a directive for a Deacon. This issue of WAIT is to be read into all these other OFFICES that are about to be mentioned, just the way it is written will tell you that. Read v7 and you can tell it applies to WAIT on his teaching.
Romans 12:6-8	Godly Labor / Emphasis on GIFTs : Operations of OFFICEs	The OPERATION of TEACHING: - Primary OFFICE: Pastor - Primary needs met: Educates the Saints - Doctrinal Directive: WAIT on his TEACHING - Sometimes MM gets a communication that someone didn't really understand something like he intended. This is a clue to him to come back and around and make that a little clearer. He has to be on the lookout, has to be observing, has to be watching. MM says he has to have an idea on where they are in relation to the doctrine that's been presented to them and with KINDNESS instruct them. For AEP facilitators, it is important for you to gauge were people are who are going through your area/domain in relation to the doctrine being presented and it is important to be able to ask questions from time to time to make sure people can demonstrate that they are thinking about that properly. Especially important in AEP because the way it gets shortened up is not the way MM does things repeating them over and over until he feels like everybody's got it and then we don't have to look anymore. Can't do in the AEP. There's going to be a real economy in the way those lessons are structured. Every sentence is going to be important and build on the previous. Facilitators will need to train themselves to be observant of the group in front of them and in how much they really understand the doctrine. Deacon does not have to be APT TO TEACH. Not in his list of qualifications but he can. Main application is for Pastor but when we have families, it is the parent's responsibility to teach their kids. Can also have studies in your home. OR HE THAT EXHORTETH, ON EXHORTATION: Again, waiting is implied here.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:6-8	Godly Labor / Emphasis on GIFTs : Operations of OFFICEs	The OPERATION of EXHORTING: - Primary OFFICE: Pastor (MM says not exclusive - AEP facilitators may need to be able to give a proper exhortation from time to time. - Primary needs met: Respond to the doctrine - Doctrinal Directive: Wait on his exhorting - to be on the lookout for the proper time and need for someone to be exhorted. The job of the Pastor is not only use exhortations in connection what is written in the word but to be able to craft some exhortation to be able to help people. There are a couple kinds of exhortations: 1. Pre-doctrinal exhortations: Sets you up for the doctrine you are about to get. EX primer coat - helps the paint/doctrine stick. EX BRETHREN, I WOULD NOT HAVE YE IGNORANT OF - 7 Essential Doctrines. 2. Post-doctrinal exhortations: Helps you apply that doctrine and see its practical function in your life. Both of these help people respond properly to the doctrine. MM says when it comes to the SoC, we can all WAIT or be on the lookout for that and be able to exhort someone in a godly way. Also falls under Bishops and Decons and it continues to accomplish the very things your heavenly Father wanted to get accomplished.
Romans 12:6-8	Godly Labor / Emphasis on GIFTs : Operations of OFFICEs	He did it first with spiritual gifts but this edification issue did not go away at the completion of the word of God. It's still taking place even though there are no spiritual gifts. God wants His saints to be edified. 1. Has to be in His written word. 2. God's word has to be understood and it has to be learned. Happened under the spiritual gifts but now under THE MORE EXCELLENT WAY-1 Corinthians 12:31. 3. God wanted to accomplish edification by the exhortations that accompanied the teaching ministry under the gifts. Different people did different things. But today falls right under the purview of the Pastor. He has to be APT TO TEACH and EXHORT WITH ALL LONGSUFFERING-2 Timothy 4:2. All 4 (prophesy, ministry, teaching, exhortation) today fall under the Bishop and Deacon but don't think you won't be able to utilize as you grow in grace and this assembly really begins to be FITLY JOINED TOGETHER-Ephesians 4:16 and becomes THE PILLAR AND GROUND OF TRUTH-1 Timothy 3:15.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:6-8	Godly Labor / Emphasis on GIFTs : Operations of OFFICEs	MM says once you get the godly thinking and once you get the godly living down, up and running in you, then you come along and you can do godly labor. It is important that you get skilled in the first two so that the godly labor really does take on what it is supposed to be, what it is supposed to accomplish. As you begin to get skilled, you will find ways to apply these OFFICES in ways that are not mentioned in the scripture. Talking about the divine institution of the local church or the local assembly. This is the context we are learning things and putting them into practice. But MM doesn't want you to think you can't look at other divine institutions and put those into practice there as well. Of course you can. Others like Family, Marriage. If you can take selfless godly love and put it to work in your marriage and family it ought to be that way. MM says there are a hundred things lurking out there to capture our time and focus and attention and it won't be Sonship it will be the normal affairs of life. These things can side track us if you are not careful. Marriage and family are things that are close to home, work is up there as well. These are the things that affect us as much as anything else. If you are fulfilling an OFFICE in a local assembly so that that assembly might be able to continue and maintain itself to do the work of the ministry which is giving the gospel to the lost and the edifying of the saints at the same time you can put those same principles to work in another divine institution to the accomplishment of the success of that. There are purposes in marriage and family as well. Because these are the things that are closest of us, they have the abilty to impact us to the greatest degree. Bottom line - things happen in our marriage life and in our home life that can really affect how we spend our time and where we put our focus. Don't allow these things to cause you to lose focus on your Sonship life. The SOPT are real for all of us, they are coming in the future. Don't allow that to distract this part of your (GH: Sonship) life. Thinking - you V&E the education, the saints, the assembly it is taking place in, being a part of it. As you go from one FORM OF DOCTRINE-Romans 6:17 to the next, you will look at and say, wow, that's the natural next step, and it is.
Romans 12:6		6 Having then gifts differing according to the grace that is given to us, whether prophecy, let us prophesy according to the proportion of faith; When you get to v6 you are going to be laboring with your Father. Showing the natural transition from the IN PART-1 Corinthians 13:9 ministry to THE MORE EXCELLENT WAY-1 Corinthians 12:31. GIFTS: When Paul uses the word GIFTS here, those supernatural gifts were in operation. But with the completion of the word of God, those things came to a stop and they ceased. When the Book of Romans was written, the GIFTS are still in operation so it is appropriate for him to say this. At the beginning of the DOGG. God took various things that originally were intended for Israel and He gave them to Gentiles to demonstrate to the nation of Israel that He was beginning to work in a different way, that He was no longer following that prophetic program with the nation of Israel being a favored nation status but not He had dropped Israel to the level of Gentiles and now He is dealing with us. The Spirit would choose what everybody would do and you would operate out of that. No one looked at that and said I don't want that gift, I want this other gift. But the Spirit chose that gift for a reason and assigned that. GH: Today, the issue is not GIFTS, but OFFICES. Paul introduced this term in the previous verse. These GIFTS and OFFICES all achieve the same operation. God didn't give spiritual gifts to do something cool or neat or miraculous. He gave the GIFTS for a couple of reasons, not the least of which is for the edification of the body. If there are no scriptures written yet, how can you be edified by the scripture? You can't.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:6		6 Having then gifts differing according to the grace that is given to us, whether prophecy, let us prophesy according to the proportion of faith; GIFTS (cont'd): But God didn't leave them without a way to understand truth and to live out of it so He gave someone the gift of a prophet and they were able to speak the word of God as the Spirit gave them utternace and that was trustworthy. Then there was another in the assembly who was given the gift to teach. It wasn't the prophet's job to teach that word. Then you have another guy whose job was to exhort them on that basis of what they got taught. But when it comes to OFFICES, there's a couple big differences: 1. The GIFTS were just based on what God gave them. But when it comes to OFFICES, that is now based on the completed word of God. Now you have it all. That's why Paul said in Corinthians these guys had these gifts WE KNOW IN PART, AND WE PROPHECY IN PART-1 Corinthians 13:9, they were only given pieces. BUT WHEN THAT WHICH IS PERFECT (MM says means complete, not sinless) HAS COME, THAT WHICH IS IN PART SHALL BE DONE AWAY-1 Corinthians 13:10. Says YET SHOW I UNTO YOU A MORE EXCELLENT WAY-1 Corinthians 12:31.
Romans 12:6		6 Having then gifts differing according to the grace that is given to us, whether prophecy, let us prophesy according to the proportion of faith; GIFTS (cont'd): 2. There was a primary operation that God wanted to accomplish back then and that primary operation was the edification and spiritual maturing, the growth in grace of the saints. Until Paul wrote his epistles, there had to be some way to get this done. But once the word is complete, now we understand that it's the effectual working of the word in our inner man that edifies us unto godliness. We don't have the GIFTS now. Can't say GIFTS were better, God said it wasn't better, it was in part, it was partial. They only got bits and pieces of it. If God is giving it to you without you having to know it beforehand, don't you see the greater benefit of having to go through that process and having to learn that yourself. When the Bible said JESUS GREW IN WISDOM AND IN STATURE-Luke 2:52, He wasn't born with that, He went through that same edification process that we go through.
Romans 12:6		6 Having then gifts differing according to the grace that is given to us, whether prophecy, let us prophesy according to the proportion of faith; GIFTS (cont'd): POINT: GH: All of those lists because they have either some edification or practical to the advancements of the edification purpose in a local assembly. The ones in 1 Corinthians not listed here, they were the sign gifts that were given to Israel and in this DOGG, God is not dealing with Israel the way He was before so there's no need to continue those operations. It makes sense if you are not doing something anymore, why have those gifts in operation? God is not foolish about that kind of thing.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:6		6 Having then gifts differing according to the grace that is given to us, whether prophecy, let us prophesy according to the proportion of faith; WHETHER PROPHECY, LET US PROPHESY ACCORDING TO THE PROPORTION OF FAITH: As the doctrinal directive in Romans 12:6 says only say that part, that PORTION that was revealed to you. This is all that means. So if you had the supernatural gift and you were going to prophesy, then you just do as we're talking about here. PROPHESY ACCORDING TO THE PROPORTION OF FAITH: The doctrinal directive of a PROPHET. Means that he was only supposed to say that which was supernaturally revealed to him without adding anything to it or giving his opinion about it or trying to exhort someone or trying to teach someone about it. He is supposed to stick to the script. Only say that which is revealed to you. THE PROPORTION OF FAITH: For the supernatural GIFT of a prophet (what has the Spirit given you), means he should present only the portion of the word he was given by the Spirit. Resist the urge to include anything more. He would only speak that word and that directive would also mean resisting the temptation to go beyond his own gift. He's not the exhorter, he's not the teacher, etc. These are separate GIFTS that are meant to work in harmony with one another.
Romans 12:6		6 Having then gifts differing according to the grace that is given to us, whether prophecy, let us prophesy according to the proportion of faith; THE PROPORTION OF FAITH: For the OFFICE of a Bishop/Pastor (what has the Spirit worked in you), he would present only the portion of the word to which he is attained in his own understanding and practice. If that portion of the word has not be edifying to him then that should not be the portion of the word that he is presenting to his assembly. THE PROPORTION OF FAITH is not about how much faith he has, it is not about how much faith God has given him, but we understand FAITH this way, in the sense that we have seen it many other times before. THE PROPORTION OF FAITH for a Pastor today is that PORTION of scripture which he has faithfullly responded to in his own life. That will of course, continue to grow as he grows in grace. So that THE PROPORTION OF FAITH is that part that he has been entrusted with, that he has responded to. The PROPORTION of the scripture that he has been faithful to. What a Bishop should be preaching and exhorting and teaching is that portion of the scripture which he has faithfully responded to, that's THE PROPORTION OF FAITH. So he must proclaim the word, he must be APT TO TEACH, and he must exhort in connection with that. For a Pastor he's not given anything supernaturally. The PROPORTION OF FAITH to him means that each Bishop is to proclaim and teach, which is what PROPHESY is. The OFFICE of the Bishop/Pastor has all these GIFTS (PROPHESY, TEACHING, EXHORTING) rolled into 1. Just as the prophet with the supernatural gift was to confine himself to the functions of his gift and not attempt to add to it, the Bishop is to proclaim the word of the Lord unmixed with the wisdom of men and the wisdom of this world - we preach the word and that's it.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:6		6 Having then gifts differing according to the grace that is given to us, whether prophecy, let us prophesy according to the proportion of faith; THE PROPORTION OF FAITH: GH: MM tying this to a Pastor today in the DOGG. MM thinks there are two components for a Pastor: 1. FOCUS - he restricts his teaching to the word - the focus in the word, not all the other stuff. Here we have 1 job - to preach and teach the word of God, that's it. Everything else about our life doesn't matter, it doesn't belong here. MMs opinion on our foreign policy doesn't belong here, although he has them. He wants to make sure what he is preaching and teaching is ultimately for your edification. That's what we are trying to focus on. MM says there are guys that will read a verse and then make a spiritual analogy for 40 minutes and you hear nothing more about the Bible. That's up to them. Just like a PROPHET restricts his comments to the word, MM believes a Pastor ought to restrict his comments to the word.
Romans 12:6		6 Having then gifts differing according to the grace that is given to us, whether prophecy, let us prophesy according to the proportion of faith; 2. A PROPHET is only supposed to speak what is revealed to him. Similarly, a Pastor would only be preaching and teaching that part of the word that is working to some degree in him, he has to know it. Why it dangerous to get a sermon from just anyone. MM says as a young Pastor, he taught about things he didn't have any personal experience with. Sometimes you are taking someone's word for it. If a guy is pastoring a Sonship church, he needs to be out ahead of his congregation because he needs to know this for himself. Does this work or does it not? Have you seen it in your own life or not? This is why the ideal situation of a Pastor is to be a fully educated son because he can talk about any of it. If not a FES, there are some things you have to look at and say, I'm not there yet. Like numbers (Sonship Orientation) -> count (skill Attainment) -> add (Romans 12:3-8) -> subtract -> multiplication -> division -> ratios -> fractions -> decimals -> algebra -> geometry -> trigonometry - not memorizing every problem, you are learning a concept that you can apply to any problem. MM asks if you are going to be a Trigonometry teacher, which one can you afford to skip? People want to run over to Ephesians and ask a question about fractions when you are learning addition. The curriculum is meant to build on itself just like we build on math. We don't want to skip it in math but we want to skip it in the Bible. What we should be after is that step-by-step progression of the word working in us. Instead, we're after answers. A kid can know what half of a pie is but doesn't mean he understands the concepts to deal with fractions.

Romans 12:6		6 Having then gifts differing according to the grace that is given to us, whether prophecy, let us prophesy according to the proportion of faith; PROPHESY: IN PART = given a small piece vs. looking at this word that is complete and given in an order. GH: What the Corinthians did in part to edify each other but we now have to completed word of God and not just the PARTial word from a PROPHET. It's not just limited to those who had the supernatural gift, anybody can do this. MM talking about the Wisdom of God and the timeless nature of the passage. ACCORDING TO THE PROPORTION OF FAITH: Instructions that go along with PROPHESY. THE PROPORTION OF FAITH: All the prophet would do is say out loud what was revealed to him. He did not give an exhortation in connection with it. He did not teach what his prophecy meant. He simply gave the word of God for others to hear. That is what is meant by the phrase, “according to the proportion of faith.” In other words, the prophet only knew what was revealed to him. In other words, the proportion of faith refers to the specific information that was revealed to the prophet. Think about faith the same way we talked about faith back up in v3 when we said GOD HATH DEALT TO EVERY MAN THE MEASURE OF FAITH. When you stand up and tell everybody what was revealed to you, you may only say that which was revealed to you. That's THE PROPORTION OF FAITH. You can't give your opinion or give your commentary or say let me teach you something on this. They couldn't do this because the gift of teaching was given to somebody else.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:6		6 Having then gifts differing according to the grace that is given to us, whether prophecy, let us prophesy according to the proportion of faith; PROPHESY ACCORDING TO THE PROPORTION OF FAITH: This qualifying instruction limits what the prophet could do with the spiritual gift. If they gave their opinion, it was an abuse and misuse of the gift. There was a limit to the number of prophets that would get speaking because then the one with the gift of teaching would stand up and say something. Then someone with the supernatural gift of exhortation would stand up and exhort everybody with regard to this information. You can see how it was in bits and pieces but it all sort of came together. Today we have someone that is going to exercise the office of going through this scripture. MM thinks others could do it. The phrase THE PROPORTION OF FAITH applies to us today. If you are going to read the scripture today, people want to give their opinion, usually back in Israel's program, and take off from their in this non-Biblical rant that is trying to whip everybody into shape. This is a misuse of the office and unfortunately this goes on a lot. Just as the prophet was not supposed to add anything to what the word said, it is not up to MM to add anything to what the word says, although he says that gets done all the time today. With the arrival of THE MORE EXCELLENT WAY, we have no more need for that because we have the completed word of God. Today, violating THE PROPORTION OF FAITH would be preaching things out of the scripture that really are not part of the scripture. EX Read a scripture and then give you somebody's pop psychology. MM says he is not going to get up and teach a 12-step program, that's not scripture. Even though they are trying to help somebody, this phrase won't allow MM to do this. Why what goes on here (GH: Monahans) has to be from this Book and why he's not interested in preaching all of those other things. From time-to-time, there may be something happening in the world he has an opinion about and he may feel strongly about but that's not what we are doing here. What we are doing here is getting educated as sons and daughters to get the decision-making skills that we're going to put to work in the creature.
Romans 12:6		6 Having then gifts differing according to the grace that is given to us, whether prophecy, let us prophesy according to the proportion of faith; PROPORTION: OED: proportion: A proportion or part in its relation to the whole; a comparative part, a share; sometimes simply, a portion, division, part. For a prophet, that revelation given to him by the Spirit. If the scripture wasn't revealed to him he shouldn't be talking about it. For a Bishop, the part or portion of the word that is working in him. If the word isn't working in him he shouldn't be talking about it. The Pastor would only prophecy about those things that he had an understanding of so that he could help the members of the assembly by answering their questions and talking about the effectual working of that portion of the word. The directive here is he would present only the portion of the word to which he is attained in his own understanding and practice.

Romans 12:7		7 Or ministry, let us wait on our ministering: or he that teacheth, on teaching; OR MINISTRY, LET US WAIT ON OUR MINISTERING LET US WAIT ON OUR MINISTERING: Look at the defining phrase here. MM says it doesn't mean just chill out and don't do anything. The word WAIT is used in a different way - think about when you go to a restaurant and have a good waiter. WAIT ON OUR MINISTERING: Deacon - **The "wait on" issue is applied to ministering, teaching and exhortation**. WAIT: OED: 3A) to watch, keep one's eye open, observe constantly, to look out for, watch for 3B) to take charge of, care for (interests of others) 3C) to remain in readiness for, to await, to be in store for; 4b) to act as a watchman; 5b) to remain in readiness for, to await; to be in store for; 7h) To remain in readiness for some purpose - In the sense of a waiter. Vigilant and observant watching the table to care for a person's interest to remain in readiness for some purpose to be aware
Romans 12:7		7 Or ministry, let us wait on our ministering: or he that teacheth, on teaching; WAIT: To be on the look-out and to anticipate things. MM says if you have to go hunting down a waitress to get your tea glass refilled, she's not waiting on you very well. But MM also doesn't want someone hovering over his shoulder. But there's a line here that says I'm looking at the things and anticipating things. **The "things" that make for a great waiter also make for a great deacon. The difference being one is concerned with the physical while the other is primarily concerned with the spiritual**. These are folks that are looking out at the members of the assembly and at the assembly as a whole and they're looking for ways to minister to the assembly. To not only look out over an assembly, see a need and meet it, but to anticipate things that are going to be needed. What a waiter in a restaurant is supposed to do - they are looking to fulfill what you are there to do. Notices your tea glass is getting down and they already are filling it back up. When the table is full of plates and some are empty, he picks the empty ones up. This is a guy that when it comes to ministry that is looking at the edification of the saints and making that process happen from his work behind the scenes. This is a very valuable office. Don't think members are limited to the practical offices, they can be involved in edification offices if they choose to do so.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:7		7 Or ministry, let us wait on our ministering: or he that teacheth, on teaching; MINISTRY: Second one in the series. MM says it looks pretty broad and it is, especially when you compare it to the others. Greek word for MINISTRY is where we get our word DEACON from. When MM talks about the deacon in connection with the MINISTRY, that is a natural fit because of what the word itself actually means. This is a spiritual ministry that has to do with the edification of the saints. In connection with that, there are 2 main edification offices that are active today in the DOGG: 1. Bishop or Pastor 2. Deacon MM says whenever you talk about ministry, that's a pretty broad title. There's nothing really specific there. MM tying this to a Deacon today in the DOGG. A Deacon doesn't have to be able to stand up and preach the word (although he can). But his qualification is to be able to say he is involved in the edification of the saints. One of the jobs we have identified for a deacon is when someone new walks in the door in Monahans, GR, or on Zoom and they don't have the background, we have to catch them up so that one day they can actually be a functioning part of this assembly.
Romans 12:7		7 Or ministry, let us wait on our ministering: or he that teacheth, on teaching; We have to have something in place that will catch them up. **This is an opportunity, no matter who or where you are, to engage in the edification of the saints. The OFFICES that anyone can participate in and if you are going to be a functioning part of an assembly - to fulfill an office and be a functioning part of a body.** OED: Wait - to attend to a business or duty. MINISTER: There are a lot of ways in which you can minister. OED: Minister - service, ministration, administrate. OED: ministry - 1) The action of ministering; the rendering of service; the performance of any office or labor for another. Putting that all together, those who “minister” (which has spiritual issues primarily in mind), the deacon is one who is always on the lookout for the spiritual good of the assembly of which he is a part.
Romans 12:7		7 Or ministry, let us wait on our ministering: or he that teacheth, on teaching; HE THAT TEACHETH, ON TEACHING: The gift/office is that of teaching God’s word. In the local assembly, this primarily falls under the duties of the bishop. (WAIT) ON (HIS) TEACHING: Pastor

Romans 12:8		8 Or he that exhorteth, on exhortation: he that giveth, let him do it with simplicity; he that ruleth, with diligence; he that sheweth mercy, with cheerfulness. **Please see 'Definition : Offices : Practical' in the Commentary.** 3 Practical Offices: 1. Giving: Romans 12:8 2. Ruling: Romans 12:8 3. Mercy: Romans 12:8 The function of the Practical OFFICES: - the OFFICE of GIVING is like 'the hands of the body'. The hands are the means by which we often give. People say 'can I lend you a hand?' Operation being carried out by our GIVING: The continuance of the local church but not just continuing for the sake of continuing, but the cotinuance of the local chrtuch to accomplish the two aspects of the work of the ministry. - the OFFICE of RULING is like 'the eyes of the body'. We SEE an area that needs the OFFICE of RULING and we are going to take on that responsibility. Operation being carried out by our RULING: Nutshell: Local church orderliness - bring order and structure to the church because they indirectly affect our ability to edify the saints so this thing works the way it is supposed to work.
Romans 12:8		8 Or he that exhorteth, on exhortation: he that giveth, let him do it with simplicity; he that ruleth, with diligence; he that sheweth mercy, with cheerfulness. Practical OFFICE and its operation - all 3 come back to THE WORK OF THE MINISTRY-Ephesians 4:12 - GIVING really works for us to be able to accomplish both phases of the work of the ministry through the sustanance and maintenance of the local church. - RULING comes along and says lets add some structure and organization to this so we have the best possible circumstance/atmosphere for that work of the ministry to take place. - MERCY is involved in the *maintaining of the spiritual well-being of the assembly*(nutshell), specifically by providing/supplying comfort & relief to those whose suffering may adversely affect their ongoing edification or the living of their Sonship life. Both practical OFFICES are indirectly making it possible for the local church to carry on the work of the ministry.
Romans 12:8		8 Or he that exhorteth, on exhortation: he that giveth, let him do it with simplicity; he that ruleth, with diligence; he that sheweth mercy, with cheerfulness. THE OFFICES: OFFICE — GOD'S OPERATION — PURPOSE Giving — Sustain/Maintain the church — Carrying on THE WORK OF THE MINISTRY Ruling — Provide order within the church — Create atmosphere for edification to best take place Mercy — Bring comfort/relief to those who are suffering — Their edification will continue to take place

Romans 12:8		8 Or he that exhorteth, on exhortation: he that giveth, let him do it with simplicity; he that ruleth, with diligence; he that sheweth mercy, with cheerfulness. HE THAT EXHORTETH, ON EXHORTATION: MM hopes that you will exhort others but there's an office that has to be able to do that. MM says remember SO and the pre- and post-doctrinal exhortations. He's not just giving you the doctrine, he is exhorting you. This also primarily falls under the purview of the bishop. Exhortations: - can encourage others to continue in the faith and things like that - alert us to the importance of something we are about to hear - inform us as to the practical application of what we have been taught. While there are exhortations in the scriptures themselves, it is the bishop's job to craft appropriate exhortations for those in the assembly. EXHORT: To encourage someone to continue, to urge them to do that which is right and proper. Whenever the exhortation is being given, that's from the standpoint of a father that the exhortation is given. Not just that of a son. Very fine line between exhorting someone and becoming their T&G. You can't just tell them what to do, but you're urging them to do the right and proper thing.
Romans 12:8		8 Or he that exhorteth, on exhortation: he that giveth, let him do it with simplicity; he that ruleth, with diligence; he that sheweth mercy, with cheerfulness. 3 practical offices for the local assembly / Doctrinal Directive - Operation: Each office accomplishes an operation that God intends to have done: **1. Giving: HE THAT GIVETH...WITH SIMPLICITY:** Giving - Romans 12:8 / simplicity - sustenance and maintenance of the local assembly so it can do the work of the ministry When you give an offering so that this assembly can continue, remember it is done for godly reasons. Giving is a way in which we can labor with God to accomplish one of His operations. EX dump the trash, clean off whiteboard, make coffee, bring in TP or paper towels, put up window film, clean a restroom - do all of those as 'unto the Lord'. The way we serve Him is by serving His body. All of these are opportunities to labor with our Father.

Romans 12:8		8 Or he that exhorteth, on exhortation: he that giveth, let him do it with simplicity; he that ruleth, with diligence; he that sheweth mercy, with cheerfulness. **2. Ruling: HE THAT RULETH...WITH DILIGENCE:** Ruling - Romans 12:8 / diligence - bring orderliness to what the local assembly is doing **3. Mercy: HE THAT SHOWETH MERCY...WITH CHEERFULNESS:** Mercy - Romans 12:8 / cheerfulness - Operation of the office of mercy: maintaining the spiritual well-being of the assembly, specifically by providing comfort and relief to those members who are suffering in a way that may adversely affect/impact their continued edification or the discharge of a godly life (so their edification is not negatively impacted-supposed to have godly love for these folks and we want their edification to go forward). Each office accomplishes an operation that God intends to have done. Offices of **compassion (attitude we have toward someone) and comforting (behavior or action toward them)**. Not talking about a violation of the law. When any kind of suffering interferes with someone's education or prevents them to live out their godly life.
Romans 12:8		8 Or he that exhorteth, on exhortation: he that giveth, let him do it with simplicity; he that ruleth, with diligence; he that sheweth mercy, with cheerfulness. HE THAT GIVETH, LET HIM DO IT WITH SIMPLICITY: People think of tithing or giving or finances but MM says that there are other ways that fall under the office of giving than just financially. There are a lot of ways that you will be able to give and actually fill that office and many of those ways will not have anything to do with money whatsoever. Giving with no strings attached. Once you give, it is between you and the Lord. It is not up to you. I did what I'm supposed to do. That attitude has to be in all of us if this is going to work. If you start giving with strings attached, there are going to be divisions, godly love is going to go away, selflessness is not going to come into play, there's going to be lack of cooperation, everything will fall apart on this. MM says the Lord is so wise - He can put it in a nutshell can't He? If you are going to give, give it away and forget about it. This is godly giving. The way God does it. Notice he didn't just say giving is the next OFFICE but he gave us some additional instructions. Nutshell: Giving with SIMPLICITY is the mental attitude that we're supposed to have a we discharge the OFFICE of giving. To do it with SIMPLICITY is the instruction. See a couple of things: 1) This is an opportunity to serve the Lord by serving His body! 2) We have an opportunity to fulfill one of our Father’s operations which He wants to accomplish. LET HIM DO IT WITH SIMPLICITY: The doctrinal directive for godly giving.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:8		8 Or he that exhorteth, on exhortation: he that giveth, let him do it with simplicity; he that ruleth, with diligence; he that sheweth mercy, with cheerfulness. Unlike before, now we are "waiting" in the sense of constantly on the lookout for ways to meet the practical needs in the assembly out of your office. Now, we are participating as a member of the body to the benefit of the body as a whole or to the benefit of another member. Your office under the "giving" umbrella (no matter what kind it is) is geared to sustain the very existence of this assembly. And that is body thinking! SIMPLICITY: With no strings attached/without conditions - that's how God gives. Give with the right attitude (cheerful) for the right reasons (not for recognition or reward) without any strings attached. Talking about me. This is my responsibility. This is my measure of faith. Attitude of you toward the church. Perform the task for the godly reason and not fleshly reason. More to giving than money. Give for the reasons your Heavenly Father, would, not for the reasons the world would. Everytime you give, even if a small thing or dismissed. Learn to do for the godly motive. Do these things on purpose and these things have the power to transform us. Everyone participates in in some form or fashion. Office that can really work to increase our edification. We have no ulterior motive, no recognition required, and no conditions to our giving. Must be done with godly love and charity for the benefit of the whole assembly. This is the way every office should be discharged. Something is supposed to make you cheerful in your attitude towards giving. Why God had Paul establish local churches in each city. Charity - we value and esteem others and it translates into Christ like actions towards them; not just nice thoughts. Don't do this naturally. Have to constantly look over your motives to make sure not worldly. Everytime you give, this is a chance to labor with your Father.
Romans 12:8		8 Or he that exhorteth, on exhortation: he that giveth, let him do it with simplicity; he that ruleth, with diligence; he that sheweth mercy, with cheerfulness. SIMPLICITY: OED: Simplicity: the quality of or possessing the attributes of being simple simplicity = singleness; straightforward; no ulterior motive; with no "strings" attached; without requiring recognition. The word simple technically means: without folds, singleness, plain and uncomplication in form and nature, humble and unpretentious, undivided. NOT referring to SIMPLE as not being very bright/smart. If it is truly giving with simplicity, truly godly, if it's motivated out of godly, selfless love, then it is 'humble and unpretentious' and giving without the requirement of being noticed. Today, most people give so their name can be printed at the back of the program or etched on a plaque and put somewhere on a wall or that a building might be named after them or a road (like Bob Summers MM jokes). You are to give with simplicity and think about it the way your Heavenly Father thinks about it. You are going to have to think like He does and do the things that you do for the reason that He does because if you don't, He'll reject that.

Romans 12:8		8 Or he that exhorteth, on exhortation: he that giveth, let him do it with simplicity; he that ruleth, with diligence; he that sheweth mercy, with cheerfulness. SIMPLICITY: OED: Simplicity: 1a) the state or quality of being simple in form, structure, etc.; absence of compositeness, complexity (things that are added), or intricacy. 'No restrictions' (don't do something) 'No conditions' (no IFs) 'Unreservedly' (give but want it to go to something) - MM says what he is saying is SIMPLICITY, that root word of simple, is something that doesn't have things added on to it. That's why it says 'absense of compositeness' or in other words, parts to it or complexity or intricacy. Because he is talking about what it is and what it isn't here, MM tried to boil it down. 2) ...straighforwardness; also, absence of affectation or artificiality; plainess, naturalness. - MM says this is being plain on its face and not having all these extra things added to it. 5) absence of ornament or decoration; freedom from useless accessories. - MM says when something is simple, it is just the plain thing, all of itself. It doesn't have a bunch of stuff added to it. It actually doesn't have anything added to it. If you were eating ice cream, this would be vanilla, not vanilla with sprinkles which would be complexity or not vanilla with carmel. Giving with simplicity is giving with no strings attached (without 'complexity' or 'accessory'). Don't add our stipulations. Out of selfless love. If not done with simplicity, then it is not a genuine labor which God can utilize in our Sonship training. Giving is a form of selflessness.
Romans 12:8		8 Or he that exhorteth, on exhortation: he that giveth, let him do it with simplicity; he that ruleth, with diligence; he that sheweth mercy, with cheerfulness. Our giving needs to be done with a certain mental attitude so that we give with SIMPLICITY (no strings attached, no conditions, no reservations). If our giving is not marked by “simplicity,” then it is not the result of godly, selfless love and is inconsistent with body attributes. Absent simplicity, our giving is “ungodly living” and “ungodly labor.” Without simplicity, we are thinking of ourselves more highly than we ought to think. The joy in this kind of giving comes from knowing we are laboring with our Father in His Business and being trained to labor with Him in the heavenly places. If our giving is not done with simplicity, then it is not a genuine labor which God can utilize in our Sonship training. Godly giving, which is giving with SIMPLICITY: - Functions in the background - Giving is generated by selfless love (for the benefit of someone else) - Demand no recognition - Has no strings attached to it (EX Well, I'm going to give it but here's my conditions) - Is being done for the good of the body (either an individual member or the body as a whole - MM says both are OK) Can be one-time or continual giving - both are done under the same criteria.

Romans 12:8		8 Or he that exhorteth, on exhortation: he that giveth, let him do it with simplicity; he that ruleth, with diligence; he that sheweth mercy, with cheerfulness. Defining SIMPLICITY: - No restrictions: because those would be complications, those would be the things that are supposed to be absent. - No conditions: without restrictions and no conditions. Giving without any strings attached. If someone says 'I'm going to give but...' they are adding complexity, they are adding something to that. They are a reservation there. - Unreservedly: our giving is not based on anything other than the simple desire to give and not based on a set of instructions or conditions. MM says if you think about it this way, it really changes the way we give, at least in some instances. If our giving is really a result of godly selfless love and it doesn't have any strings attached, MM points to an example because God Himself gives just this way. When God offers salvation, it is offered to everyone with no restrictions and no conditions. When Christ died on the Cross, He made a provision for any and everyone to accept that offer of salvation.
Romans 12:8		8 Or he that exhorteth, on exhortation: he that giveth, let him do it with simplicity; he that ruleth, with diligence; he that sheweth mercy, with cheerfulness. Various ways of giving - ways we are going to be able to give: 1. Money 2. Time 3. Talent 4. Resources EX Milt making coffee. Don't need coffee to be edified. If he makes that coffee out of godly love for the saints that's another way to manifest that. Everytime he makes coffee, because he is reminded how he V&Es these saints, the character of God's Son is being built in him just a little bit more and more. When you realize this, you want to do these types of things more and more. These don't have to be big things, all of them count. Counts when it's godly labor and also when it's just godly living. Will be able to see other ways to apply these principles even though the Bible didn't tell you anything about that. Giving as godly living: Giving as an expression of how we V&E others which IS NOT directly connected to the accomplishment of God's operations is considered to be part of our godly living. EX Upload to DropBox. Giving as godly labor: Giving as an expression of how we V&E others which IS directly connected to the accomplishment of God's operations is considered to be part of our godly labor.

Romans 12:8	Formula : Godly Giving (Nutshell)	8 Or he that exhorteth, on exhortation: he that giveth, let him do it with simplicity; he that ruleth, with diligence; he that sheweth mercy, with cheerfulness. Nutshell: The formula for godly giving: We selflessly give (money, time, talent) With simplicity (unconditionally) and godly charity (manifest our V & E of other by our Christ-like actions) Out of the Doctrine (Romans 12:8) To accomplish Our Father's Operations (maintenance & continuance of the local church - later will spread out to other areas) To carry out the work of the ministry. 1. Gospel to the lost - MM doesn't see this happening. 2. Edify the saints - What the Romans study has been about. MM sees this happening. Thus fulfilling the measure of faith (12:3) By our laboring together with God (as we give cheerfully).
Romans 12:8	Formula : Godly Giving	8 Or he that exhorteth, on exhortation: he that giveth, let him do it with simplicity; he that ruleth, with diligence; he that sheweth mercy, with cheerfulness. The Complete Formula for godly Giving: * We Selflessly Give (money, time, talent) Because of the nature of giving, MM is not looking at this like IF we give because it is not all about money. Some is about our time, some is about our abilities. Not so much about IF we give but WHEN we give, let's do it with SIMPLICITY. All of our giving ought to be godly. And the natural tendency of a saint who is growing in grace is to give. As you look at what we are supposed to be doing as saints in this assembly and members of the body of Christ, we're all going to give one way or another at various times. Giving with no conditions, no restrictions, without reservation or strings attached - means your giving is selfless. We are not giving for recogntion, for acknowledgment, for promotion, etc. God has put together this marvelous system of how this body is supposed to function and when we do it, we are supposed to do it for godly selfless reasons that do not seek some sort of accolade or acknowledgment that do not seek for some kind of accolade or acknowledgment.

Romans 12:8	Formula : Godly Giving	8 Or he that exhorteth, on exhortation: he that giveth, let him do it with simplicity; he that ruleth, with diligence; he that sheweth mercy, with cheerfulness. * With Simplicity (unconditionally) Without strings attached, doing it for the godly reasons - to accomplish our Father's operations in this local church. MM says but there has to be something more than this. Even the world can give with no strings attached, you don't have to be a Christian to do that. * And Godly Charity (manifest our V&E) We perform our giving in a very particular way by thinking about how much your heavenly Father V&Es the other members of this assembly that you are a part of. That we give with 'godly charity'. This forms the godly reason that we are doing what we are doing. The world has their own reasons, which may be nobie but they are not godly. If we are going to have the Life of Jesus Christ made manifest in our mortal flesh (2 Corinthians 4:11) then it is not just by the energy of our flesh trying to produce some good or spiritual stuff, but it is actually now allowing the word to work in our hearts so that the same things that motivate our heavenly Father are motivating us. That's when the Life of Jesus Christ can be made manifest in us. MM says this is critically important because otherwise all we have is a facsimile of what's going on and not the real thing. * Out of the doctrine Romans 12:8 If we are really going to treat each other the way that we are supposed to, it's not you trying to manufacture it. It's these things written right here (GH: Romans 12:3-8) and say that's what I'm going to live out of. That's a decision that you make, not sitting around waiting for it to somehow magically happen but deciding that's the reason I'm going to do it, that's going to be my motive.

Romans 12:8	Formula : Godly Giving	8 Or he that exhorteth, on exhortation: he that giveth, let him do it with simplicity; he that ruleth, with diligence; he that sheweth mercy, with cheerfulness. * To accomplish Our Father's Operations (the continuance and maintenance of the local church) This is what godly giving accomplishes. This is what He is after. Giving with SIMPLICITY and godly charity generates that in us. He wants this local church to continue and to function properly. MM says he is not talking about the physical building but you could certainly include that in there. We're giving so that our Father's will can be accomplished in the world. If we care about Him, then we certainly care about that. * To carry out The work of the ministry Don't think about giving like 'yeah, we've got to pay the water bill'. The real godly motive is so that the work of the ministry can continue to be accomplished because that's part of what our heavenly Father is doing. Change our motive from the simple physical thing that everyone looks at and let's get this to the very core of why God even created the local assembly to begin with. * For the purpose Edifying the saints This is the work of the ministry. This has to be the reason that we do it. * Thus fulfilling THE MEASURE OF FAITH * By our Laboring together with God If you learn to give for the godly reasons that your heavenly Father is teaching you, to give for the very reasons that He does, that is training you for the work that you will one day do in the heavenly places. When you are seated with Christ in the heavenlies and up there in the creature, GH: you will have an idea on what to do.

Romans 12:8	Formula : Godly Giving	8 Or he that exhorteth, on exhortation: he that giveth, let him do it with simplicity; he that ruleth, with diligence; he that sheweth mercy, with cheerfulness. * As we give Cheerfully MM is not going to step aside and talk about generating your own good attitude about giving. That's backwards. Doesn't want to say when you give you should be happy about it because him telling you doesn't make you any happier. The only thing that truly changes our attitude about what we're doing is the reason we're doing it. If we care at all about what God is doing in the world and the work of the ministry is important to us at all, you will give cheerfully. One of the things this doctrine is designed to do is to change our table of likes and dislikes to match our heavenly Father's likes and dislikes. As you move through the doctrine and allow the doctrine to work in you and transform you, you will find some things that are a really big deal to you that are going to begin to fade and they are not going to be a big deal anymore because you will come to understand they are not a big deal to your heavenly Father. There are other things that you weren't so keen on but you will find they are important to Him and they are going to become important to you. The saying 'like Father, like son' is exactly what your heavenly Father is after here. If we are going to be godly that means it's not going to be our best imitation of Him, it's going to be Him in us, it's going to be the Life of His Son being lived in us. When it comes to giving, we don't give because that's what we do, we're looking beyond that. We are now giving because we really do love God and what He is trying to accomplish is really important to us and we realize the importance and role that we play. It's not a pretend thing. It's not I really need you to do it but if you don't I HAVE got it. It's not made up. We realize if it is going to get done, He is going to do it through the saints. It is the opportunity to labor with Him. The only way to change your attitude for being begrudgingly is to think about what's being accomplished by it.
Romans 12:8	Formula : Godly Giving	8 Or he that exhorteth, on exhortation: he that giveth, let him do it with simplicity; he that ruleth, with diligence; he that sheweth mercy, with cheerfulness. If your heavenly Father means anything to you, if your fellow members mean anything to you, if His Work means anything to you, then all of a sudden all that takes on a whole new meaning. That's the joy part of that. It's a joyful thing for MM to see edification happening in the life of people. There's nothing better to him that to see people maturing in the faith and obeying the scripture and living their lives in accordance with that. Nothing gives him more joy than that. The benefit - we don't do it for personal gain but there are benefits that come from godly giving. Not only the joy that you're accomplishing something on the behalf of your heavenly Father, but also knowing the more you participate in the godly aspects of any of these offices, even when it doesn't look or feel this way, you are being conformed to the image of God's Son. It happens little by little. There is a joy and a benefit because what God designed to happen to you is actually happening. It's not a benefit in the way I get stuff but it's a benefit in who you are becoming and that you can actually be the godly person that God designed you to be when He did those things for you. Of all the practical OFFICES, the OFFICE of giving is one where every single one of us is going to participate in, one way or another.

Romans 12:8	GH: 1 Corinthians 16 Commentary	8 Or he that exhorteth, on exhortation: he that giveth, let him do it with simplicity; he that ruleth, with diligence; he that sheweth mercy, with cheerfulness. Paul instructs us to give in proportion to what we have. Someone may ask, how much am I supposed to give? The answer is: how much do you want to give? This is one of the advantages of living debt-free; you have a greater capacity to give. Giving can be a real source of joy when it is done in a godly way. There can also be times of giving sacrificially, when the need arises. Most people have no trouble giving when it doesn't really affect their ability to live in the manner to which they have become accustomed to. And while I am not advocating poor stewardship, sometimes we can give "above measure," (more than we would usually give and makes us tighten our belt for a while) not for what we might get out of it on the back end, but simply for the joy of giving and meeting the needs of others in ways that encourage and edify them. We deem what we are giving important enough that it really costs us to do that. MM believes that your giving will be counted by the Lord to their account at the judgment seat of Christ as an area of their edification. MM says he constantly finds ways to give where nobody know about it (not trying to toot his own horn). STORY: MM tells of giving $2,500 that was saved for a house payment to a BR church building program and they also sold their TV and gave the proceeds. When it came to fruition, they were really glad to have a part in that. MM says they did not give so that God would give it back to them. Biggest way to tighten your belt is the way you eat. MM is not suggesting practicing bad stewardship or not paying your bills because you are giving your money away, but he is saying that every now and then, when you think it is the thing to do, you give beyond what you can do. It can be the most satisfying thing.
Romans 12:8		8 Or he that exhorteth, on exhortation: he that giveth, let him do it with simplicity; he that ruleth, with diligence; he that sheweth mercy, with cheerfulness. HE THAT RULETH, WITH DILIGENCE: Ruling is not the type of ruling that a Pastor or Deacon does because the Pastor and Deacon have to do with the edification of the assembly, not talking about that. It's talking about other issues. Being given a role of overseeing or managing something within an assembly. Could be a one-time deal or ongoing. Someone sees that and understands that and there's a need for that to get done and they take on that responsibility. Sometimes responsibility will needfully fall on several people, not just one person. These are practical needs of the local assembly. Emphasis is this is NOT being done so everybody can think you are a good guy but it's being done because this is how you are, out of these offices, laboring with your Father. You have decided this is among the minimum requirements for this body to function right and I'm going to have to fulfill this office. When we occupy these OFFICES, whatever a sort they may be, we see them as a special assignment from the Lord that is beneficial to the whole body. MM says he is being very general about it because he doesn't want to give a list of things to do. EX Set up for service - dump the trash, sweep the floor, etc. Not exotic but can become a distraction for those who come in the door that are not part of the group. EX Parking Lot Patrol - welcome committee, traffic direction, etc. HE THAT RULETH: Different OFFICES that are necessary for a local assembly to come together and be part of a body.

Romans 12:8		8 Or he that exhorteth, on exhortation: he that giveth, let him do it with simplicity; he that ruleth, with diligence; he that sheweth mercy, with cheerfulness. The counterpart of ruling with diligence is to rule with slothfulness. The operations of God being accomplished by the offices under ruling are for providing orderliness to the assembly. Let's do our work well and make something more than the least amount of attention we can give it. Diligence is a character trait. The mental attitude that is supposed to influence the carrying out of any office of ruling. Paul is saying: we should persevere in our office, we should be industrious (which is showing intelligent or skillful work), we should make painstaking effort to accomplish it, we should give continuous/constant/close attention to our office and not neglect it we should not be lazy with regard to our office RULETH: Not talking about bishops or deacons. Not the kind of ruling that bishops and deacons would be concerned with because this is a practical office. RULING: Paul's definition - an office whereby a member of the church is overseeing a particular job which needs to be accomplished for the good/benefit of some other member(s), the assembly as a whole, or members of the body of Christ in general. May include managing others as they assist in the accomplishment of this job. Keeps things organized, so to speak, so people don't fall over each other with everyone trying to do the same job. Some offices need as many as possible, others would be confusing by everyone's participation. Ruling does something to minister to the Lord by ministering to the body. WITH DILIGENCE: The admonition for Ruling. Is the mental attitude that is supposed to influence the carrying out of any office of ruling.
Romans 12:8		8 Or he that exhorteth, on exhortation: he that giveth, let him do it with simplicity; he that ruleth, with diligence; he that sheweth mercy, with cheerfulness. Ruling Commentary: EX Trent (control room) and Wayne (post to the web site) are RULING with the production of the service. You are preparing for one day a rulership position but everybody has to start somewhere. The office may or may not be permanent depending on what is needed but if it's an office, that means in the doing of that office they are now laboring with their heavenly Father. EX Guy that comes up and mows the church grass and complains no one appreciates it.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:8		8 Or he that exhorteth, on exhortation: he that giveth, let him do it with simplicity; he that ruleth, with diligence; he that sheweth mercy, with cheerfulness. MM gets that is a job that ought to be appreciated. But when you understand that it is an office that you are laboring with your Father in, it doesn't matter. Doesn't matter if someone pats you on the back for the continuation of that and really doing this thing well. MM says too often today, work gets done with let me do just what I need to do to get by, I'm not going to offer above and beyond, I'm not going to offer more value than I have to - that's the mindset people generally have. If we are going to function out of an office for our Father, we need to do it with diligence. Apply yourself to it,do it as well as it can be done, look for ways to improve it, etc. MM says don't think about ruling as a high and mighty position, think about ruling as some aspect of what's being done within the framework of an assembled group of believers. You're going to take control of some aspect of that and make sure that that gets done every single time. The reward may not be anything here, but what you will be gaining in doing that job as under your Heavenly Father out of an office to selflessly serve the rest of the body. If it is really out of godly selfless love, then it is not about you, it's about what you're able to accomplish for the good of the other members of the body.
Romans 12:8		8 Or he that exhorteth, on exhortation: he that giveth, let him do it with simplicity; he that ruleth, with diligence; he that sheweth mercy, with cheerfulness. DILIGENCE (cont'd): OED: Diligence - 1) Constant and earnest effort to accomplish what is undertaken; persistent application and endeavor, being industrious 1b) assiduity in service; officiousness Assiduity: Constant and close attention to the business at hand Officiousness: 1) Readiness in doing good offices, performing one's duty or discharging any function; diligence 3) Doing more than is asked/required - Doing more than what was asked or required. Do more than what you agreed. Do for godly reasons more than a character trait. - From Latin word 'diligo' - to love earnestly. This should remind us of godly charity which should accompany all that we do. - EX Cleaning the building - meticulous & through, faithful so that when doors are open it's spotless & ready, constantly looking for things which need to be cleaned, very good at what they do, constantly learning better way to take care of the building = doing best to be diligent - go above and beyond the charge of their office

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:8		8 Or he that exhorteth, on exhortation: he that giveth, let him do it with simplicity; he that ruleth, with diligence; he that sheweth mercy, with cheerfulness. Charles Smith: Diligence-'to give sustained attention to'. Having specific purpose. The bee and the ant may be said to be 'industrious but not diligent. Diligence is a combination of activity and order. To the diligent man, work is not irksome. Industrious means a guy does this and then he goes and does this and then he goes and does this. You would say that he is always busy. He's industrious. The ant and bee are always industrious. But when a man is diligent, he's busy about a specific task. When you are talking about an office that now sees a need in the local assembly, it's not I'm busy for the sake of being busy, now he's giving sustained attention to a specific purpose. There's something behind that. George Crabb: Diligence-To be active is to do something without regard to the nature of the thing, to be diligent is to be active to some specific end. A man may be active without being diligent but he cannot be diligent without being active.
Romans 12:8		8 Or he that exhorteth, on exhortation: he that giveth, let him do it with simplicity; he that ruleth, with diligence; he that sheweth mercy, with cheerfulness. This should remind us of godly charity which should accompany all that we do. When we break down the Latin word: • Dis: choose the best • Lego: ignore the unimportant • The Hebrew word for diligence means: to decide, bestir oneself; to move. • The Greek word of diligence: speed, haste; to urge oneself on. Put all this together, DILIGENCE doesn't drag its feet. It's not lazy about it. It doesn't procrastinate. When you talk about the godly reasons for being diligent, you have a whole different set going on. These worldly reasons are a by-product of what godliness would produce. But if you are doing it for the benefit of someone or the assembly itself, if that's your motive for doing that because that's what the scripture has taught you, that now becomes the godly version of this. Do this and people will think well of you. The godly version of DILIGENCE is understanding that we have been given a special assignment from the Lord.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:8		8 Or he that exhorteth, on exhortation: he that giveth, let him do it with simplicity; he that ruleth, with diligence; he that sheweth mercy, with cheerfulness. Diligence itself is not produced in us by the doctrine. What motivates us to rule with diligence is produced by the doctrine. In accordance with our "measure of faith," we see every office as a special assignment from the Lord which we carry out with diligence because: • We understand that to serve the body of Christ is to serve the Lord • We want our Father's operations (His will!) to be accomplished • We have made a decision to value and esteem the rest of the body just as our Father does • We desire to labor with our Father in His Business In the case of ruling offices, those operations will provide for local church orderliness. In other words, ruling offices bring order, arrangement, organization and structure to the church. They provide the necessary background and atmosphere for the edification process to run smoothly and effectively. Our reasons for ruling with diligence come from the doctrine which means we are being motivated to be diligent for godly reasons.
Romans 12:8		8 Or he that exhorteth, on exhortation: he that giveth, let him do it with simplicity; he that ruleth, with diligence; he that sheweth mercy, with cheerfulness. Diligence requires that which is opposite to our human nature. People naturally tend to make soft choices and let others do the hard work. When faced with a difficult task, people usually think about what is in it for them before they do it. God provides answers to that question-YE SHALL RECEIVE THE REWARD OF THE INHERITANCE-Colossians 3:24. Evaluating our DILIGENCE: • Do you complete an assigned task quickly and enthusiastically, or do you reluctantly fit it into your schedule? • Do you plan ahead to accomplish a job the quickest and most efficient way? • Do you focus on the job at hand rather than letting your mind wander to other things? • Do you accomplish a task with the motivation of love and an attitude of joy or do you constantly complain? • Do you complete chores so thoroughly you parents consider you a diligent worker? • Do you do every job "as unto the Lord?" • Do you go the extra mile, working wholeheartedly to complete every job? • Are you working for personal recognition or the benefit of the body of Christ?

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:8		8 Or he that exhorteth, on exhortation: he that giveth, let him do it with simplicity; he that ruleth, with diligence; he that sheweth mercy, with cheerfulness. Difference between the world's diligence and God's diligence is the critical difference on WHY we are being diligent. The difference between the natural human characteristic of diligence and the godly version is not in being diligent, but in why we are being diligent. Not just Paul speaking for God telling us to be diligent. Not godly thinking that's childhood thinking. Not thinking like sons. Not just WHY but the GODLY WHY. Difference in WHY being diligent. Godly diligence is viewing every task as a special assignment from God, and using all of my capabilities to accomplish it. Our motivation is not to impress others or 'be the best we can be', but we view every office as the measure of faith given to us by our Heavenly Father and by diligently discharging that office, we are accomplishing His operations in this world! Paul saying that we should persevere in our office: - that we should be industrious (which is showing intelligent or skillful work) and make painstaking effort to accomplish it - that we should give continuous attention to our office and not neglect it - telling us not to be lazy with regard to our office, but to give it constant and close attention
Romans 12:8		8 Or he that exhorteth, on exhortation: he that giveth, let him do it with simplicity; he that ruleth, with diligence; he that sheweth mercy, with cheerfulness. **We value and esteem the other members just like our Father does. They are important to us because they are important to Him**. We value them because He values them and for the same reasons He values them. We realize we cannot have a body without many members; it takes all of us to function as a body. And since we are going to be a body in eternity in the heavenly places, it makes sense for us to learn to function that was in local assemblies right now. This segues us into the next motivation. Reasons to be diligent: - because of the measure of faith that has been entrusted to us as part of the Lord's body - Romans 12:3. - because the first core of feature of godly selfless love has been generated in us for the other members of the assembly-Romans 12:5a. - because we are members one of another-Romans 12:5b. - because we see the work of our office as being done "in the name of the Lord." When something is done is someone's name, it is being done for them; being done on their behalf. We are acting as their representative, their ambassadors acting under their authority-Colossians 3:17. - because we are performing the tasks of our office 'as to the Lord'-Colossians 3:23-24. This is our service to Him. In fact, we could say this is our 'reasonable service'-Romans 12:1.

Romans 12:8		8 Or he that exhorteth, on exhortation: he that giveth, let him do it with simplicity; he that ruleth, with diligence; he that sheweth mercy, with cheerfulness. Office of Mercy: Comforting note, take them a meal, pick up their mail, take them to the hospital - think about it the right way HE THAT SHEWETH MERCY, WITH CHEEFFULNESS: If you show MERCY to a fellow member because you are supposed to but you do it begrudgingly and become conscious of your wrong attitude, you have a decision to make. I can go to work on that with my Heavenly Father and change my attitude or decide to not go to work on that even though you keep doing the right thing. This is a big way that you can sin against your Heavenly Father. MM says this is another office that is meant to meet the practical needs of an assembly. MM says the common way people think about mercy is a judge in a court room where he's banging a gavel and declaring someone to get guilty or not. Not being used in a legal sense at all. Is is about the other way we think about it in being merciful. Not in the area of justice where you receive a pardon for an offense. Talking about managing and administrating and overseeing various things, the practical needs of the body with regard to MERCY. CHEERFULNESS: - Don't do grudgingly - For others sake - Provide joy and gladness to others - GH: Has a lot to do with mercy. CHEER: Usually think of cheerfulness as a degree of happiness or joy. There should be joy in the discharge of the office. OED: Cheer - That which gives joy or gladness; comfort, solace, encouragement; consolation. MM says all of these have a different shade of meaning but all can apply here.

Romans 12:8	Mercy Actions (Nutshell)	8 Or he that exhorteth, on exhortation: he that giveth, let him do it with simplicity; he that ruleth, with diligence; he that sheweth mercy, with cheerfulness. Mercy - GH: To people who are suffering - Take some kind of action that may alleviate the suffering of that person is under, do something that lightens the load for them: - Remind them of the doctrine to save them from being overwhelmed by the sufferings. - Pray for them and tell them what you prayed - Use appropriate words - kind, tender, meant what was said - Meet a need - office of mercy - all kinds of ways - Encourage them by various means - all kinds of communications - emails, cards, texts, visits - Comfort them - depend on the scriptures to a good degree - Support them - a lot of ways to support people - Identify with them - people who had also lost a spouse - he did some of the funerals - feels like they understand - only do if you truly can - Value and esteem them - both MM and Billie - got a bunch of Get Well cards and then a bunch of Sympathy cards - Point out the benefit of the circumstances - MM not crazy on the term 'silver lining' but she is not going through what she was going through. Benefit for him as sufferings. - Go by and check on them - if you can
Romans 12:8	Mercy Actions	8 Or he that exhorteth, on exhortation: he that giveth, let him do it with simplicity; he that ruleth, with diligence; he that sheweth mercy, with cheerfulness. Functioning out of the OFFICE of MERCY when someone else is doing the suffering - Eleven ways to operate or help someone else to function out of the OFFICE of MERCY/11 things you can do: 1. Remind them of the doctrine - MM talking about the cards with verses when Billie was sick and then when she passed the verses changed but all reminded him of the doctrine. Didn't get a single card or letter that contradicted the doctrine. 2. Pray for them and tell them what you pray - really important because God is not going to magically do those things. These come as a result of their response to the doctrine. Why Paul tells the assemblies what he is praying for them about because when they hear that, it resonates in their souls and has an impact on them. MM says he knows we are used to just going I'm praying for you which just means you care about them going through a tough time. But when someone says we're praying that you might be strengthened with might by His Spirit in your inner man. MM got this several times. People said I know you know this but I just want to say to you then tell him what they were praying for. MM says when you are in the midst of a really difficult situation, you need people to say these things to you. It's easy to be caught by your circumstances. Just because you know something doesn't mean that it is in the front of your mind. Those things are helpful. 3. Use appropriate words - MM says God doesn't say 'buck up princess and get over it'. Not the godly counsel that your heavenly Father uses. Paul told Timothy MINDFUL OF YOUR TEARS because Timothy was thinking about throwing in the towel. GH: Be tender and kind and compassionate and provide comfort & relief.

Romans 12:8	Mercy Actions	8 Or he that exhorteth, on exhortation: he that giveth, let him do it with simplicity; he that ruleth, with diligence; he that sheweth mercy, with cheerfulness. 4. Meet a need - Means you have to start looking for it. Maybe physical because it helps them ultimately in a spiritual way. Or it may be less tangible, they may need someone who will just listen to them. May not need to comment on it. 5. Encourage them by various means - email them, text them, show up in person, send them a card, write a letter. MM took all the cards and bound them together like a book so you can have them altogether and just flip through and read them all. 6. Comfort them - MM talks about people sending verses where it says MM will get to see Billie again. MM of course knew these and they knew he knew these. But it sounds really good to hear that again. It's comforting to know that. 7. Support them - The best way to do this is to support them. Emails are great. Cards are great, but nothing beats real contact. These things are not scriptural doctrine or hard and fast rules. We phone someone after they get a diagnosis and then after a couple of days we get on with our life. But when someone have really gone through something traumatic, a consistent phone call is helpful to them. After a period of time, they may not need that. GH: After losing Billie, MM talking like inviting the McDaniel household to dinner has gone from a 'fun' to a 'should'. He doesn't want to go from 'fun' to 'should' but you can't help it. Your knee jerk reaction is to decline but you should go. Reasons: 1. They won't ask you again. You will find yourself smiling.
Romans 12:8	Mercy Actions	8 Or he that exhorteth, on exhortation: he that giveth, let him do it with simplicity; he that ruleth, with diligence; he that sheweth mercy, with cheerfulness. 8. Identify with them - If you can, don't make it up. EX David lost wife Von years ago and called MM when he lost Billie. 9. Value & Esteem them - Don't want to just pity people. Should be doing this anyway. 10. Point out the benefit of the circumstances - Billie is not hurting anymore. The disease that stripped her away bit by bit no longer has a hold on her. Her thinking is crystal clear. That is helpful to MM. Other benefit is MM can build his JHI, means he has a chance to put the Life of Christ on display. 11. Go by and check on them - Yep, it's not on your way, it's not convenient, you could just pick up the phone and that does beat other things, but going by and checking on them is the best. To be able to sit down and talk about whatever they want to talke about. Guys talk sports. Women talk about how you're hurting. MM says these were 11 things that were done for him and all were beneficial. Think about taking these 11 things and putting them to work in the OFFICE of MERCY because when you do for that godly reasons that are given in the scripture, you are laboring with your Father to protect the spiritual well-being of the saints. This is the practice field, the local assembly. And one day it will expand out to the body of Christ.

Romans 12:8		8 Or he that exhorteth, on exhortation: he that giveth, let him do it with simplicity; he that ruleth, with diligence; he that sheweth mercy, with cheerfulness. When you see this as an office, that is the subtle different here GH: in showing godly MERCY. HE THAT SHOWETH MERCY, WITH CHEERFULNESS: Having compassion (an attitude) and then turning that attitude into actions that help our fellow members to relieve their pain or distress. OED: Mercy - 1) Disposition to show compassion 6) an act of mercy; the good things which one has received from God 7) acts of compassion Mercy: 1. Acts of compassion toward suffering fellow-creatures 2. Acts performed to relieve pain or distress - Application: Godly mercy is a willingness to invest whatever is needed to heal the hurts of others because of our godly love (because we V&E them as fellow members of the assembly) for them. The fact that "mercy" is involved necessitates some kind of adversity: - lack or a need - some kind of suffering or adverse condition - some kind of harm or malady - some kind of vulnerability (susceptibility either spiritually or physically)
Romans 12:8		8 Or he that exhorteth, on exhortation: he that giveth, let him do it with simplicity; he that ruleth, with diligence; he that sheweth mercy, with cheerfulness. The mercy in connection with these would be to provide some kind of relief; not just a concern over their condition to provide some remedy. The category of mercy contains various offices of compassion, watching, sensitivity, alertness. - First issue with regard to MERCY - Compassion. Compassion the world's way is to see it as sympathy or one who is suffering and the desire to relieve it; to take pity. At the end of the day, compassion is a mental attitude or feeling. But the godly version of compassion is not just a feeling or pity, it's a willingness to invest whatever is needed to heal the hurts of others because of our godly love for them. The counterpart to compassion is indifference. The worldly way to look at compassion is to see it as sympathy or one who is suffering and the desire to relieve it; to take pity. - Second issue with regard to MERCY - Comforting. OED: Comfort: 1) To strengthen (morally or physically); to encourage, hearten, inspirit, incite. 2) ...to support, assist, aid, abet 5) To minister delight or pleasure to; to gladden, cheer... 7) To soothe in grief or trouble; to relieve mental distress, to console, solace

Romans 12:8		8 Or he that exhorteth, on exhortation: he that giveth, let him do it with simplicity; he that ruleth, with diligence; he that sheweth mercy, with cheerfulness. Mercy is that category of OFFICEs that provide relief and remedy to our fellow members who are suffering under some kind of infirmity or tribulation or circumstance. When we know about it and help them in some way, that would be operating out of this OFFICE of MERCY. - To watch is to be on the alert; to be vigilant; to be on one's guard against danger or surprise; to keep in constant view to preserve from harm or error. Of course this is to be done out of godly charity. The counter to watch is to be negligent, oblivious and inattentive. Mercy is the category of offices that provide mercy; relief and remedy for the various kinds of sufferings which some member may endure. And while it is our intention of knowing how to be abased and how to suffer need, it is the intention of the assembly to provide for those needs.
Romans 12:8		8 Or he that exhorteth, on exhortation: he that giveth, let him do it with simplicity; he that ruleth, with diligence; he that sheweth mercy, with cheerfulness. MERCY: Mercy is one of those words which has more than one meaning. When a judge shows mercy, he is lightening the sentence of someone who is guilty. Guy worthy of 10 years and judge gives 2 years. Not how it is being used here. To show mercy is to provide relief to someone who is suffering. To provide some kind of relief for someone who is in an area of suffering. MM talking about the SOPT, saying they stop when you die. EX Tells a story of a Monahans member with aggressive cancer and they are going through it it the right way. They know what's going on, they know that God is not punishing them for something, they know they are not being punished for the sins of their fathers. They understand that it is part of living in a fallen world and they also understand that they are to endure this to the glory of their Father. Doesn't mean that they can't go find a treatment for it. Until this gets resolved one way or another, the grace of God is supposed to be sufficient for them in the midst of this. MM says he wants to give them a little credit, they are going further with it than he would actually go. Someone came up and said hey we are going to pray that God would heal you and they said don't. Why do bad things happen to good people? Because the SOPT happen to everybody. MERCY: Something you were given that you didn't earn, you didn't deserve. Mercy Operation: spiritual well-being of the saints

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:8		8 Or he that exhorteth, on exhortation: he that giveth, let him do it with simplicity; he that ruleth, with diligence; he that sheweth mercy, with cheerfulness. MM believes that the proper exercise of MERCY in some situations requires more understanding of the doctrine than the others do if done properly. To encourage someone in the right way, you have to have some knowledge. Well meaning but you don't want to say 'God is in control and He could heal you if it was His Will'. MM says he is not sure when you are dying how that encourages you. You mean you are telling me that He has the Power to deliver me from this predicament and He has chosen not to. Thinking what did I do to tick Him off? See the office of mercy requires some knowledge, it requires for you to understand what God is doing and why He is doing it that way. Correct prayer: We are praying for you to patiently endure by the grace of God the things that come your way. This is not someone that just goes around feeling sorry for everybody. This is about somebody who understands the program that can actually encourage them in a godly manner, not in a worldly manner. Even the world knows how to do the other stuff - you don't have to be saved and part of a church for someone to come in an say I'm really sorry this happened to you, I hope you get well.
Romans 12:8		8 Or he that exhorteth, on exhortation: he that giveth, let him do it with simplicity; he that ruleth, with diligence; he that sheweth mercy, with cheerfulness. WITH CHEERFULNESS: MM says cheerful is one step below someone who is estatically happy. MM says CHEERFULNESS is a long way from the funeral dirge with how we usually deal with people who are hurting. Not saying you should come in and make light of it. You can have this attitude when you realize what this office is accomplishing. You are not doing it begrudgingly, if you do you have missed the point of this. This office should be done cheerfully, there's an attitude behind it. Paul got to the place where he talked about COUNT IT ALL JOY (GH: Note, actually James 1:2) in going through these kinds of things. REFRESHED is the word MM is looking for as a result of the office of MERCY being properly handled. Will be done not only for the SOPT but the SoC. While cheerfulness on our part indicates that we are not unwilling or reluctant to discharge these offices, I think there is an element of cheerfulness on the part of the recipient too. The result of our office of mercy in that it provides joy or gladness for the ones being ministered to.

Romans 12:8		8 Or he that exhorteth, on exhortation: he that giveth, let him do it with simplicity; he that ruleth, with diligence; he that sheweth mercy, with cheerfulness. You can contract some sickness/disease, be in a terrible accident, etc. people want the doctrine to know how to deal with this. Sometimes the SOPT will overwhelm you. GH: MM drawing a small and large stick figure on the board representing the start of your Sonship life and after progression/growth. There's a wall between them representing the SOPT that if it falls on you when you are first starting your Sonship life, it will overwhelm you. God knows this and one of the things He has put in place is the OFFICE of MERCY. It's not about preserving physical well-being for the sake of physical well-being, it is about your physical well-being as it effects your ability to be edified and live out of the doctrine. The means by which we operate out of the OFFICE of MERCY are sometimes going to be physical and sometimes they're going to be spiritual. Both need to be in your arsenal. Both have ghe ultimate goal of strengthening the inner man. That's what this OFFICE of MERCY is meant to do. Two ways to have/show MERCY: 1. To look for opportunities to have MERCY (EX Psalm 37:21) - Be aware when you hear these things in conversations. 2. To have compassion on those in dire circumstances
Romans 12:8		8 Or he that exhorteth, on exhortation: he that giveth, let him do it with simplicity; he that ruleth, with diligence; he that sheweth mercy, with cheerfulness. Not every opportunity to show MERCY will be a phyiscal thing. People go through mental tribulation as well. Will find out this is going to be a big part of it going through certain kinds of struggles over circumstances and situations. Important for the rest of the body to have enough compassion and love for their fellow members to want to comfort them and help them in their time of trouble. There are people going through this Sonship study that are going through various types of struggles. Some of them are physical and they are overwhelming. They don't talk about it so unless you are paying attention and looking at things then you don't know. Some struggles are more mental in nature and you have to look for the signs for that. As an assembly we have to be aware of things that give us an indication that everything is OK. Have to stay in touch with one another. Sometimes people go on vacation or they have to work but then it becomes a regular thing - you start thinking something is going on. Out of genuine love for them, you would want to touch base with them. This OFFICE of MERCY requires some mechanics. *The Directive for MERCY: - WITH CHEERFULNESS: Usually think of CHEERFULNESS as some degree of happiness or joy but in this case there has to be JOY on our part in the discharge of this OFFICE. Reasons: 1. On our part: Sets our own attitude in us. There's a certain attitude that we are supposed to have when we show mercy. Most of the time, people think of this begrudgingly when we should do it out of love for these people. We have a sincere desire to do rather than a well I guess I have to go help them. 2. Provide joy or gladness to others: The other side of that coin.

Romans 12:8		8 Or he that exhorteth, on exhortation: he that giveth, let him do it with simplicity; he that ruleth, with diligence; he that sheweth mercy, with cheerfulness. MM says there's a tendency to look at GIVING and RULING as more important than MERCY but he thinks MERCY is terrifically important. People can be saved from the consequences of being overwhelmed by situations in life by the OFFICE of MERCY, probably more than any of the others. MM says GIVING and RULING are like the machinery and MERCY is taking care of the parts. Like a mechanic - when a part breaks down, he fixes it. MM wants us to get to the point where we could visit someone in the hospital and whether they are there for something routine or life threatening, you could some things that would be comforting and a function of this OFFICE of MERCY. But having the proper prayer and knowing what to say is still elusive for many of us. The mechanics of the OFFICE of MERCY is to say I have a real opportunity to minister to these people out of the OFFICE of MERCY and actually do them some good. MM wants us to know the recipe that goes into that prayer. Secondly, MM says he wants us to know the benefit of praying that prayer. Can't just be talking for the sake of talking. Has to be some kind of benefit to that. MM says you have to know who your audience is and whether or not they know Sonship. If they know nothing about right division, they know nothing about Sonship, you talk to them in a different way. Initially, the OFFICE OF MERCY is just for members of this assembly. Eventually, we'll extend this OFFICE of MERCY to the members of the body of Christ. The godly function of the OFFICE of MERCY results in helping the fellow saints who are suffering in some way. That suffering may be spiritual or it may be physical in nature. We can view the discharge of that OFFICE and take all of that back to the Lord because He has designed that Himself.
Romans 12:9-19	GH: Steadfast Love in Marriage	Steadfast love: Is a choice, why we get a command. It is unchanging, it refuses to focus (didn't say be aware of) on the negative aspects of your spouse - THINKETH NO EVIL-1 Corinthians 13:4. If Paul commands us to do it, then it can be done. God isn’t asking us to do something over which we have no control. Steadfast love may be the single most important factor in a covenant marriage. Steadfast love can have an emotional element to it, but primarily it is a way of thinking and behaving toward your spouse. It means choosing to focus on her good characteristics. It means expressing appreciation for those characteristics. Every once and a while, it's good to say why.

Romans 12:9-16	RE 3: Romans 12:9-16 - Relationship / to other saints / GODLY WISDOM	Sometimes called Paul's beatitudes - short, pithy instructions as the description of what it means to be a member of the body of Christ. When it is preached, it is like a checklist for the ideal Christian. Two things fail in this: 1. Romans 12 is not the Apex of your Christian life. It is important, it is essential, it is foundational, but it is not the Apex. This is not going to get you to the top of your Christian life. This is the foundation upon what everything else is built upon. It's not the mountain top, it's the base camp. 2. This gets preached as a motivational sermon that you just have to try harder to do these things. The subtle difference is none of this is done out of the energy of our flesh. It's meant to be done by the word working in us and transforming us so that the Life of Christ does those things in us and through us. Get everything in Romans to prepare you to make the climb. First part of the journey. Can't just be knowledge. Where we differ from many religous orgs in the world. Can't just gather data in our head, there needs to be a transformation driven by the word so that the Life of Christ is being lived IN you and through you (GH: And not in the energy of your flesh). **Cautions:** **1) this is not a list for us to do ourselves, in the energy of our flesh, which is the way these verses are normally taught, and** **2) this is not the ultimate description of a believer in Christ, as so many make it out to be, but it is only the beginning of our instruction.** MM talks about the break starting with v9 where the tone/tenor of the chapter starts to change. Looks almost like a list of things. Not just given 1 major feature of godly love here, you are given 2.

Romans 12:9-16	RE 3: Romans 12:9-16 - Relationship / to other saints / GODLY WISDOM	Romans 12:9-16: A bunch of short exhortations, almost staccato, one after another exhortations. There's not a lot of detail but the wording is precise. The component parts: v9a: LET LOVE BE WITHOUT DISSIMULATION (don't let your love be dissimilar from who you are; being true to who you are and how you love the other members of this assembly; your love is supposed to be in perfect accordance with who you are; this is a big issue to God and it will never go away, Paul even makes reference to this in the advanced epistles) - **Fidelity (faithfulness)** - Hi-Fidelity records are more true to the original recording) v9b: ABHOR THAT WHICH IS EVIL; CLEAVE TO THAT WHICH IS GOOD (we are supposed to be so attached to this Sonship education and the members of this assembly and our desire to see every member of this assembly get this that it actually dictates what we HATE. We discern those things that are either beneficial to this assembly or harmful to this assembly) - **Discernment** v10a: BE KINDLY AFFECTIONED ONE TO ANOTHER WITH BROTHERLY LOVE (Kin is the kind of affection that you have for family; we are supposed to being looking at each other and loving each other as a family) - **Lovingkindness** v10b: IN HONOUR PREFERRING ONE ANOTHER (we V&E the other members) - **Honour** - PREFER: We are interested in advancing the members of this assembly and seeing their increase, seeing them be successful sons and daughters v11: NOT SLOTHFUL IN BUSINESS; FERVENT IN SPIRIT; SERVING THE LORD - **Enthusiasm** (not reluctance in performing our REASONABLE SERVICE but actually being excited about being a part of that and laboring with our Father) v12: REJOICING IN HOPE; PATIENT IN TRIBULATION; CONTINUING INSTANT IN PRAYER - **Patience**
Romans 12:9-16	RE 3: Romans 12:9-16 - Relationship / to other saints / GODLY WISDOM	v13: DISTRIBUTING TO THE NECESSITY OF SAINTS (distributing to the saints/other believers the things that are necessary for life; discerning the circumstances in the lives of these other saints and when there is a necessity of their well-being or a necessity for life that is missing, then it become our privilege and our responsibility to meet those needs in the lives of those saints; MM believes this is talking about physical things) - **Benevolent** - Mental POE attacks would be coming along side them and encouraging them and sharing in the thing they are going through v13: GIVEN TO HOSPITALITY (Paul is not talking about hospitality only in the way the world sees hospitality - not go out into the world and look for people and turn your home into a hotel - that's not what he's talking about; it's that generous and friendly reception of those who are guests or visitors - could be saved or lost people - but with a purpose behind it; MM/Billie invited people with the purpose of telling them about Sonship; when someone comes into this assembly, we welcome them because there is a message we want them to hear, the same thing happens in our homes; not saying you can't do something fun, don't have to just walk around and read the Book of Romans to them; if they know Sonship you can fellowship around it because there are not a whole big group you can talk about this to without them looking at you like you are nuts) - **Hospitality**

Romans 12:9-16	RE 3: Romans 12:9-16 - Relationship / to other saints / GODLY WISDOM	v14: BLESS THEM WHICH PERSECUTE (something done on purpose to you; referring to someone outside of the assembly that is now percuting you) YOU: BLESS AND CURSE NOT - **Good Will** - Paul says something similar 15x in the next 35 verses - that's a lot of repetition v15: REJOICE WITH THEM THAT DO REJOICE, AND WEEP WITH THEM THAT WEEP - **Empathy** - If godly love is really being generated IN you, then you can't stand off unconcerned when something else is happening to your fellow saints. And if it is something bad, then you certainly want to come to their aid. And if it is something that is good, you want to rejoice with them in that. Saw this this in ONE MEMBER SUFFER, ALL THE MEMBERS SUFFER...ONE MEMBER BE HONOURED, ALL THE MEMBERS REJOICE-1 Corinthians 12:26. v16a: BE OF THE SAME MIND ONE TOWARD ANOTHER - **Equity** (MM says fits but wasn't wild about using it here since it is a whole Sonship skill; MM used equity because of the rest of the verse/things that follow) - Equity NOT EQUAL to Equal v16b: MIND NOT HIGH THINGS, BUT CONDESCEND TO MEN OF LOW ESTATE. BE NOT WISE IN YOUR OWN CONCEITS - **Humilty**
Romans 12:9-16	RE 3: Romans 12:9-16 - Relationship / to other saints / GODLY WISDOM	MM admits there are some things that might not sit well with everybody, that are a little bit problematic. The bless your enemies thing, not everybody is jumping up and down to do that one. MM understands. But this is exactly what Paul is giving us and we are going to get the details of and a doctrine that is going to produce this IN us. This is going to be the measure of our conduct and behavior as sons. God is giving us a picture here of what it means to be an established son and he's given it in this whole series of exhortations. MM says there's a real trap that Satan wants to set here. EX I have all these down but 'bless them that persecute you', I don't really like that one. MM warns us that Satan has already failed with us in a number of issues. His general POE is meant to keep you from ever understanding: - that there is a difference between what he is doing with Israel and what he is doing with the body of Christ. You found that out. - rightly dividing the word. That failed. - he wants to put you back under the law but you know better. The next step in his work to get you off track is to highlight some area that you know God wants you to do and make you either uncomfortable or unhappy with it so that you'll reject that and now you'll start doing it your way. Since he failed to keep you in the dark, the idea is not to make you unhappy with something your Father wants to do. MM admits his flesh doesn't like a lot of things but his spirit really desires Sonship and whatever he needs to do to get there he'll do. He is counting on this doctrine to do the work it is supposed to do in his inner man and be the son that he is supposed to be. This is the trap that Satan has laid for all of us.

Romans 12:9-10	Doctrine: ??? - Second FORM OF DOCTRINE FOR GODLY WISDOM - Core Feature No. 2: Lovingkindness	**Please see 'Sonship : Curriculum Level 1 : Romans Education Part 2/2 (Romans 12:9-10)' in the Commentary.** **Please see 'Mechanical Means : Lovingkindness in Action' in the Commentary.** Second FORM OF DOCTRINE for godly wisdom. Starting of the second component of godly wisdom. Also deals with another aspect of godly love - lovingkindness. Contains the 3 components of godly thinking, godly living, and godly labor. How we perceive the members of this assembly. The eye can't say to the foot, because you can't see, you are not important. MM sees people doing v9-10 even though we haven't covered these doctrines. Next form of doctrine - natural extension of v3-8. Not strictly about mercy but a segway from v3-8. Notice: 1. When you get to v9, realize you are still dealing with godly love. You know that the subject hasn't changed. Because in v17 it is going to change. Get used to seeing words that will clue you in to those changes that are taking place. 2. What is told to you in v9-10, although it is on the same subject of godly love, it's different information than you got in v3-8. GH: Which patttern below is correct? v9: LET LOVE BE WITHOUT DISSIMULATION: Godly thinking v9: ABHOR THAT WHICH IS EVIL; CLEAVE TO THAT WHICH IS GOOD: Godly living (the result of the above thinking put into practice) - something you are going to do. v10: BE KINDLY AFFECTIONED TO ONE ANOTHER WITH BROTHERLY LOVE, IN HONOR PREFERRING ONE ANOTHER: Godly labor (there is a way to do this that you will be laboring with your Father) Nutshell - the pattern for godly edification: - LET LOVE BE WITHOUT DISSIMULATION: The exhortation - ABHOR THAT WHICH IS EVIL; CLEAVE TO THAT WHICH IS GOOD: The godly THINKING. - BE KINDLY AFFECTIONED ONE TO ANOTHER WITH BROTHERLY LOVE: The godly LIVING. - IN HONOUR PREFERRING ONE ANOTHER: The godly LABOR.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:9-10	Doctrine: ??? - Second FORM OF DOCTRINE FOR GODLY WISDOM - Core Feature No. 2: Lovingkindness	MM says LOVINGKINDNESS is not found in v9-10 but neither is SELFLESSNESS found in Romans 12:3-8. You could latch onto KINDLY AFFECTIONED but the word LOVINGKINDNESS encompasses everything that's being said in this passage. 1. You need to really understand what LOVINGKINDNESS is, what your Father thinks it is. Will see there's a 2-part definition to that. The kind of LOVINGKINDNESS referenced in the scripture before Paul's epistles, the world does not possess this type of LOVINGKINDNESS. Every reference was describing an attribute of God, no man was ever described that way. MM is not denigrating that type of lovingkindness, but because of who we are as one body IN Christ, GH: we need to understand it like God does. The things being talked about here are the essential elements of LOVINGKINDESS and that means that what used to be only our Heavenly Father possessed, now we are also going to possess. MM thinks that is an incredible thing. **The two-components of LOVINGKINDNESS:** **1. ABHOR THAT WHICH IS EVIL** **2. CLEAVE TO THAT WHICH IS GOOD** MM says this is more specific than hating evil and loving good. He doesn't tell you what evil to hate (no list of evil things given to us here) and what good to love but because of the context this is found in, this is going to get narrowed down to not being just everything in the world.
Romans 12:9-10	Doctrine: ??? - Second FORM OF DOCTRINE FOR GODLY WISDOM - Core Feature No. 2: Lovingkindness	Because of its context (GH: the body of believers in this local assembly-for now - will widen out from here), it's going to narrow it down. Means there is some good and evil that we are going to respond to as far as what's going on in this group. MM is not saying we shouldn't hate evil in the world but this is not the passage we would get this from. You are not given a list because then you would just check off your list and think that was it. MM says that is how many people go to church. You go to church because that is what you do. As soon as the service is over, they compartmentalize that away and go about their weeks and it's not till the next week and they go to church again. There was a generation that came along and asked 'Why?' and the generation in charge didn't like the why question. The answer more times than not was because I said so and that didn't sit well. MM says but there really is a WHY?. 2. We are going to see how LOVINGKINDNESS gets generated in us. 3. Need to understand the change in our thinking that has to take place in order for us to really possess LOVINGKINDNESS. MM is not saying the world doesn't know anything about being LOVING or being KIND, but MM wants to point out a different way of thinking about it. 4. Why is MM using the word LOVINGKINDNESS when that word doesn't show up there. There is a difference between being “selfless” and acting selflessly from time to time. Notice the “ness” suffix points to a state of being (according to the OED; definition 2). The doctrine makes us selfless, but the flesh can only act selflessly. If the doctrine has not transformed us, then our love will be “with dissimulation;” the very opposite of what Paul exhorts of us. If our love is with dissimulation, then it is not the genuine article; it is not godly love. Though human goodness may be “noble,” it can never be godly, which is the minimum standard for how we are to live as sons and daughters. To fix it, we simply change our motivation by making a conscious decision to do what we are doing for the godly reasons given in the doctrine. This is a Sonship decision. It is not about emotion or some kind of warm, fuzzy feeling. It is about obeying the doctrine.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:9-10	Doctrine: ??? - Second FORM OF DOCTRINE FOR GODLY WISDOM - Core Feature No. 2: Lovingkindness	If you are not obeying the doctrine, all it takes to change that is a godly, Sonship decision to align your motive, thoughts and actions with the doctrine. If our motives are just out of obligation or duty, they are not godly. If our motives are motivated by the opportunity for promotion, they are not godly. If our motives are to avoid consequences or to assuage guilt, they are not godly. If our motives are just out of natural human goodness, they are not godly. Our actions are Christ's actions when the doctrine is in our minds and we are motivated by God's word. This is how Christ is being formed IN us and our actions find their source in Him and not ourselves. This is how we love "without dissimulation." The information about the mercies of God is the critical first doctrines to the production of a godly love in us which is without dissimulation. Without a sufficient love for God, we will not possess His love for the saints. v9 is teaching us to look at the things happening to the ones we love and consider (think about on purpose!) what kind of impact is being had upon them. If it is detrimental to them, we will regard it with utter loathing and disgust. If it is good (beneficial) for them, we should delight in it. We should desire to contribute to the welfare of our fellow saints. This godly love is a proper motive for being helpful to them; supporting those things which are profitable to them. There's a family aspect but don't confuse this with being part of the family of God. Got that when you were justified. GH: Ties into how you V&E the other members of the assembly. Brings this diverse group together in being one body in Christ and is the training for when the entire body of Christ so we can function up there.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:9-10	Doctrine: ??? - Second FORM OF DOCTRINE FOR GODLY WISDOM - Core Feature No. 2: Lovingkindness	LOVINGKINDNESS: There's a particular way the God wants you to manifest this. The word LOVINGKINDNESS is mentioned over and over in your Bible (26 times in 26 verses) till you get to the Book of Romans and here is what you understand about this word - it is only used to describe your Heavenly Father. No man is ever said to have had LOVINGKINDNESS. It is only and always used of God. The common thread to lovingkindness is that this word is used to describe a feature of love which is only possessed by God. Or, to say it another way, God is the only one who is ever said to possess lovingkindness; it is never used in connection with men until we get to Romans 12:9-10. Now you get into Romans 12 and Paul wants to talk to you about this KINDness aspect part of your love, you should recognize the way Paul says it in v10, this thing that was previously reserved for God has now got to be at work in you. Godly love with SELFLESSNESS is not complete unless it is coupled with KINDNESS. It is possible to be KIND to someone without being AFFECTIONED toward them. It is possible to be SELFLESS with someone without liking them at all. Your Father is saying I NEED each of you to feel about the others the way I FEEL about all of you. MM says you can use KIND in different ways: - There are all KINDS of cars. - Here it is described as a thought or an action. In the text, it is described as KINDLY. When you add -LY to a word it's an adverb and modifying a noun. Kind in old English is spelled either 'cynd' or 'cynde'. Kindly was 'gecynde' - you can see 'be kind' in that. MM jokes this is a dangerous question but how are we supposed to feel about our kin? Very affectionate, right? If they are kin, they are family. When he is saying, BE KINDLY AFFECTIONED, he didn't just say AFFECTIONED because the word KINDLY is actions that come from treatment of family, somebody you are naturally close with. He is saying treat each other like family. Looking at each other as family changes the way we V&E each other. It's no longer about someone's personality or education or work. Have to have a POSITIVE and PROPER response to the doctrine. It doesn't do any good to just think of other members as family unless you start treating them that way.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:9-10	Doctrine: ??? - Second FORM OF DOCTRINE FOR GODLY WISDOM - Core Feature No. 2: Lovingkindness - GH: Important	Nutshell: As our godly love and charity motivates us to make godly decisions based on the doctrine, that is allowing Jesus Christ, through the Spirit, to live His Life in us. This is the main job of the Spirit that lives in you. To have this happen. To have the Life of Christ lives in us. He has other things that He does but that's the big one. And when we decide that we're going to serve God in the power of our flesh, we are quenching the Spirit's work within us because now we're standing in the way of Christ living His life in us. But as we continually obey the doctrine and we we do that time after time, little by little we are transformed on the inside so that eventually it will become an automatic response to get out of the way and let God do for us what we cannot do without Him. And that means we can now become what we could never be before without Him - men as God created man to be. What got lost back there (GH: at the Fall) is the life of God in the man. When we go through this process, we are just becoming what we were designed to be from the start. Not supermen, but men/mankind as God originally intended men to be. Creatures that have the very life of God within them. That's the TREASURE we have IN EARTHEN VESSELS-2 Corintians 4:7, the Life of Christ in us. MM says people hear us talk about godliness and moving UNTO A PERFECT MAN-Ephesians 4:13 and say we think we are one day going to become gods of some kind. We will never be gods of any kind. The best we can be is men, mankind. Because without God we can't even be that. We're something less than that when we are not allowing the life of God in us. It takes God to make a man. Not just God to create a man. For a man to be truly what a man can be. Cannot be that apart from God.
Romans 12:9-10	Doctrine: ??? - Second FORM OF DOCTRINE FOR GODLY WISDOM - Core Feature No. 2: Lovingkindness - GH: Important	LOVINGKINDNESS: Notice three other words contained in this word: 1) loving, 2) kin, and 3) kindness. OED: loving - of words, actions, etc.: proceeding from godly love; demonstrating or characterized by [godly] love. - MM inserted [godly] to qualify the kind of love we are talking about here. = to V&E the other person like God does OED: kind - gentle with regard to our words, our action or impact; unlikely to cause harm or damage, expressing generous, caring or sympathetic thoughts or feelings. - We are called to speak and act with a steadfast lovingkindness. When we obey the doctrine to “love your wives,” it means we are gentile with them with regard to our actions toward them, that we refrain from causing them harm or damage, that we are generous and caring toward them. Gentile with regard to our words & actions, no harmful. Together, the words and actions that are have for them....

Romans 12:9	LOVE WITHOUT DISSIMULATION Motives (Nutshell)	LOVE WITHOUT DISSIMULATION Motives (Nutshell): - The Doctrine (which produces) * Knowledge of the MERCIES OF GOD (which produces) * A Heart of Gratitude (which produces) - LOVE For God (which produces) * Desire to be godly (engage in the education) * Desire to labor with Him (office) * Love for our fellow members (Romans 12:3) So godly SELFLESSNESS is produced out of a natural progression. Romans 12:9a gives you a checkpoint to make sure your love for your fellow members is coming out of this process. It is not talking about an emotional attachment to them, it is talkig about V&Eing them as fellow members of the assembly and knowing how important they are. Before you move on, let's make sure your love is the genuine article - WITHOUT DISSIMULATION. Remember simulation is faking, feigning, counterfeit, or hypocritical - not the real thing. So let your love be genuine or the real thing, meaning we think about other members of the assembly like God does. Our love for them stems out of our love for our heavenly Father, our love for what He is doing, and our desire to labor with our Father, and now out of that we love our fellow members.
Romans 12:9	LOVE WITHOUT DISSIMULATION Motives	LOVE WITHOUT DISSIMULATION Motives: - The Doctrine: If the way we care about and love each other is going to be the genuine article, it needs to be a SELFLESSNESS that is generated by the doctrine in Romans. What would make it dissimulation is if we're not thinking about it out of the doctrine * Knowledge of the MERCIES OF GOD: That doctrine informs us of the MERCIES. All of the wonderfully great things. Each one is so wonderful and so glorious it should stir our heart every time. But we get used to hearing it and it's not a big deal. But it is a big deal because we need every one of those. It is because of the doctrine that we find out about those mercies. You should be talking to your heavenly Father about your understanding of these MERCIES and how much they mean to you and why you should be grateful that you have them and why they are important. That they are not optional equipment, that you have to have every one of them. Like buying a car without tires or without a steering wheel or without brakes. God knows everything we had to have so think of these MERCIES as tires and steering wheel and brakes. All the things you've got to have in order for this thing to work. So we encounter the doctrine and the doctrine tells us about the MERCIES and what they are. He is counting on your knowing about those merices to produce something. * A Heart of Gratitude: So you read the doctrine, you learn about the MERCIES, you understand how important they are, and that produces a heart of gratitude and that in turn produces something else.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:9	LOVE WITHOUT DISSIMULATION Motives	- A LOVE For God/your heavenly Father: A love that stems out of appreciation and gratitude and it causes our love for God to increase and abound. It causes it to deepen and beomes multifaceted. This is what our love is doing. And when we do anything because of our genuine love for God, that becomes a godly motive and that's what we are after. We want our love of our heavenly Father to be the motivating factor for our actions. So once the MERCIES have produced that godly love in us to the extent that love is increasing and abounding, that is going to do something else. * An ever increasing desire to be godly: Godliness is a contraction of two words - God likeness. Doesn't mean to become a god but to be like Him in your character, thinking, and actions. * A desire to labor with Him/to be educated as a son: This desire does not come out of the blue. That desire is the product of all the things that have come previously. Those are built in us as we come through the Book of Romans so that by the time you get to Romans 12, you want to be godly if the doctrine up to that point is doing its job. That's the natural result of that. The Love of God is the huge motivator for us and that turns into a desire to labor with Him. Find out there are things that God wants accomplished in the local assembly and they are going to be accomplished for the good of the other members. See this progression unfolding here. - When we have a desire to be like our heavenly Father, that's what stirs us to continue. - Then the doctrine - that's what enables us to take the things that He loves and those things become the things that we love. And the things He dislikes become the things we start to dislike.
Romans 12:9	Godly Thinking	9 Let love be without dissimulation. Abhor that which is evil; cleave to that which is good. Checkpoint #2: Romans 12:9a - Purpose: To determine our readiness to move to the next FORM OF DOCTRINE-Romans 6:17 Context: We abhor the evil and cleave to the good those things that pertain to this body of believers and being renewed in our thinking. **Are we following the Sonship education? If something is harmful to this assembly and harmful to us being educated as sons, we abhor that evil. If it is benefical to this assembly and beneficial to our education, we cleave to that good. You can't let love be anything until you have it**. He is not talking about love in any way up until this point in our lives. You love your family and you should but that is not what he's talking about. You love God and you should but that is not what he's talking about. The godly love that he is talking about can only be formed by v3-8. Can't learn it any other place. You can't let love be anything until you actually have that love working IN you. As we respond properly to the doctrine the character of God's Son is being formed IN us. When you pull back the curtain, you don't want to see yourself, you want to see Christ. Motives for this kind of love go all the way back to the MERCIES OF GOD-Romans 12:1. You ABHOR evil that is happening to other saints and when good happens, you rejoice in that.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:9	Godly Thinking	9 Let love be without dissimulation. Abhor that which is evil; cleave to that which is good. LET LOVE BE WITHOUT DISSIMULATION: Since v9 starts out by referring back to the love generated in us by v3-8, therefore the first sentence of v9 is a pre-doctrinal exhortation. When Paul exhorts us to love without dissimulation, he is saying that our actions toward our fellow members should reflect that we value them as our Father does and not for other reasons. This is Paul's way of making sure our love is genuine, that it really does stem from the doctrine. It assesses our readiness to move on to the next doctrine by having us make sure that our godly selfless love for our fellow members is genuine and not contrived (without dissimulation). Looking at your Father's norms and standards of what He loves and what He hates and what He ABHORS and what He CLEAVEs to. MM clarifiying something he taught earlier that is not a bad thing but it's not precisely to the point. **Godly love is being generated in us in 2 ways:** **1. For our Father's Business** **2. To the other saints in our assembly**. The reason he points out both is THE MEASURE OF FAITH-v3 (we've all been charged with the responsibility to labor with Him in His Business). Even though we hold different offices in laboring with Him in His Business, GH: we should view all members as important because they are charged to work in the Father's Business. This doesn't mean a thing to you unless you care something about the Father's Business. So it starts out with getting our Father's norms and standards for what He V&Es. He V&Es His Business, what He's doing. That's important to us. When we realize that everyone in the room is a part of that, they become important to us by extension. If the abhoring that which is evil and cleaving to that which is good has to do with those things in the local assembly, that lend themselves toward that success.
Romans 12:9	Godly Thinking	9 Let love be without dissimulation. Abhor that which is evil; cleave to that which is good. LET LOVE BE WITHOUT DISSIMULATION (cont'd): Pre-doctrinal exhortation or checkpoint - Selfless love we should have for fellow members. Correcting a wrong kind of thinking. This is an exhortation of what's he's about to tell you, how important the doctrine is because if you don't get this next piece of doctrine, your love will be with DISSIMULATION. GH: Ties to the second aspect/attribute of Godly Love/Wisdom - Kindness. Take that LOVE that you already got and now let it be without DISSIMULATION. This is meant to test our godly love for our fellow members and thereby assesses whether we are ready to move on to the next form of doctrine. Paul is saying let your love be genuine. LET LOVE BE: Phrasing is vitally important. Continues talking about godly love. LOVE: Paul is not talking about love in general. He is talking about the godly selfless love that was generated in us by v3-8; let our selfless love be without dissimulation. It is our love for each other that Paul is exhorting us to discharge "without dissimulation." So the LOVE that got generated in you for your fellow members for the assembly you are apart, the way you V&E them, the way you think about them, they are as important to you as they are your heavenly Father.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:9	Godly Thinking	9 Let love be without dissimulation. Abhor that which is evil; cleave to that which is good. DISSIMULATION: If you are just getting the data (GH: POSITIVE response) but you are not putting this to work (GH: PROPER response) in your life, then your love is going to be with DISSIMULATION. Why this warning comes in the very next verse. If you are not doing this (POSITIVE & PROPER response), then all you are really doing is using the word of God as some kind of manual for slogans by which if you do something or say something you think everything is going to work out OK or work out the way you want it to be or bring about some sort of desirable outcome. But that's not what the word of God is designed to do and that's not the proper use of the doctrine In this context it means to "fake" our love for our fellow saints; it means to be selfless with them out of our flesh. Dissimulation means that we have wrong motives for doing what we are doing. It means our love for our fellow saints is not genuine, it is not a result of the doctrine working in us. DIS- without or not, SIMULATE. What love is your love supposed to simulate. Dissimulation in a nutshell: not genuine; feigned semblence. The way we love WITHOUT DISSIMULATION is supposed to be in accordance with who we are (GH: as adopted sons and daughters IN Christ). Don't let your love be anything that makes you appear to be anything different from what you really are. That SELFLESS LOVE will be paired with KINDNESS that will produce a LOVE that is without DISSIMULATION. DISSIMULATION: OED - the action of dissimulating or dissembling; concealment of what really is, under a feigned semblence or something different; feigning, hypocrisy. Group: not genuine, deception, Dissemble: OED - To alter or disguise the semblence of (one's character, a feeling, design, or action) so as to conceal, or deceive as to the real nature; to give a false or feigned semblence to: to cloak or disguise by a feigned appearance.
Romans 12:9	Godly Thinking	9 Let love be without dissimulation. Abhor that which is evil; cleave to that which is good. George Crabb: Simulation is making one's self like what one is not. Some people would use hypocrite due to the acting ("I don't go to church because there are too many hypocrites there.' MM jokes but no hypocrites buy groceries or get gas.) - Dissimulation is making one's self appear unlike what one really is. This is the correct word because if you don't love like your Father, then you are making yourself appear unlike what you really are. OED: Dissemble: 1) To alter or disguise the semblance of (one's character, a feeling, design, or action) so as to conceal, or deceive as to its real nature; to give a false or feigned semblance to: to cloak or disguise by a feigned appearance.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:9	Godly Thinking	9 Let love be without dissimulation. Abhor that which is evil; cleave to that which is good. ABHOR THAT WHICHI IS EVIL, CLEAVE TO THAT WHICH IS GOOD: Godly thinking. KINDNESS of the godly sort abhors that which is evil and cleaves to that which is good. It's not saying hate all the evil stuff and love all the good stuff. He is not talking evil and good in general, he has something more specific in mind. If you are SELFLESS but your don't ABHOR EVIL and CLEAVE to good, your LOVE will be with DISSIMULATION. There ought to be a way to manifest this into our conduct and behavior (godly living). Summary-Four hints: 1. Remember you are still in the context of being a body. 2. We are not talking about ABHORing EVIL in just any old way or just CLEAVing to GOOD in just any old way. It's not just general. 3. It's not referring to our conscience being our moral compass. Having you decide what is EVIL and what is GOOD is subjective. 4. LOVINGKINDNESS is encompassed by 12:9b in your Heavenly Father. Not just the thing that happen in our life but in particular to our Sonship education. If something is hindering another member's education, it ought to effect us like part of our body is not working.
Romans 12:9	Godly Thinking	9 Let love be without dissimulation. Abhor that which is evil; cleave to that which is good. ABHOR THAT WHICHI IS EVIL, CLEAVE TO THAT WHICH IS GOOD (cont'd): We should be looking at the other saints in this assembly and hating the things that cause harm or detriment in any way. If someone is being deterred in their education we should hate the thing that is deterring them and be part of the remedy of that. We should abhor that and try and remedy that. When something good happens to somebody, we should rejoice with that good. MM says if bad things are happening to you in this world, people could go too bad, sorry. But if something good happens, there's a lot of people who don't like it too much if something good is happening. With grace, you get a whole bunch of stuff that you don't deserve. This is not a performance system. Anytime we see another member of the assembly and something bad is happening to them, it ought to really just make us shudder. If something good is happening with them, we ought to rejoice with that. MM ties to 1 Corinthians 12:26. MM is abhoring that Milt is having the cancer surgery. He can't fix it but he can encourage him. MM says he is not giving us rules, he hates to even suggest something. When somebody is going through something, it ought to seem to them like everybody is coming to their aid or encouraging them and finding out in what ways they need assistance and the only way that happens is for us to do it. It has to stem from us, it can't stem from MM saying it. You've been in churches where people do things just to get the preacher off of their back or they'll be the subject of the next sermon. It's the individual members of this assembly that have to make decisions out of these offices they can fill. It's possible for someone to go through pain or discomfort out of their own stupid decisions and God is not telling to go remedy those stupid things but we are not to remain indifferent about that.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:9	Godly Thinking	9 Let love be without dissimulation. Abhor that which is evil; cleave to that which is good. KINDNESS is a word that describes ABHORing evil and CLEAVEing to GOOD. OED: lovingkindness - Originally two words (loving + kindness - MM says there is a reason for this), hence, lovingkindness is "loving-kindly. Affectionate tenderness and consideration; kindness arising from a deep personal love, as the active love of God for His creatures. Webster's 1828 English Dictionary: KINDNESS - Good will; benevolence; that temper or disposition which delights in contributing to the happiness of others, which is exercised cheerfully in gratifying their wishes, supplying their wants or alleviating their distresses. Kindness ever accompanies love! Putting everything together, we can see that godly lovingkindness is a strong disposition to do those things which are helpful, beneficial and provide for the well-being of those we love (in this case, our fellow members of this assembly which we are all apart). At the same time, there is an abhorrence of evil; an intense hatred for that which is hurtful to them. Two things we need to see are: 1) something about lovingkindness itself, and 2) how lovingkindness is ensampled to us by the Lord Himself.
Romans 12:9	Godly Thinking	9 Let love be without dissimulation. Abhor that which is evil; cleave to that which is good. MM says it is real easy to talk it. Lip service is one thing. Doing it is another. We shouldn't be looking at each other with random acts of kindness, we should be looking at each other constantly with kindness. Lifting each other up and encouraging each other. When there is some evil that befalls one of us we need to be there and be involved in that. MM says you have to teach people about the Bible and suffering when they are not suffering because when they are suffering, they are not hearing that. When evil happens to you in the DOGG, your Father does ABHOR it. He has given us an all-sufficient grace to endure that. He has also given us an assembly that will stand with us in that. MM is asking God that he would be afflicted with the afflictions of this assembly. We should care deeply about each other and because we are all part of the same body. It's an individual thing, but we can start living out of this right now. This doctrine will change the way we look at each other. Not matter how we felt about each other before, this is going to take that to a level that we did not have before. MM says you will see things and think I can labor with my Father here - that is practice for the creature.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:9	Godly Thinking	9 Let love be without dissimulation. Abhor that which is evil; cleave to that which is good. Have 4 words that need to be understood here. Need to understand them the way your heavenly Father is using them. Talking about the opposites here. 1. ABHOR: An intense hatred for those things which are harmful or hurtful to our fellow members, especially when it comes to their edification. We disdain that evil. Because it is either hindering their edification or is somehow harmful to them, that moves us to acts of kindness toward them. When this really takes place in our inner man, you're going to start looking for ways to do this and you're going to have to do it on purpose in the beginning. This is at the very root of what this edification is meant to produce in us toward our fellow members. 2. EVIL: Something that is detrimental to them but especially if it is detrimental to their education. Things that are detrimental to their education, we are looking at as those they are evil. 3. CLEAVE: Is rejoicing in and being supportive of those things which are not only helpful to their general circumstances (like got a raise), but especially in the context of their edification. That's the thing that always has to stay in focus with us. 4. GOOD
Romans 12:9	Godly Thinking	9 Let love be without dissimulation. Abhor that which is evil; cleave to that which is good. ABHOR THAT WHICH IS EVIL...: Correct thinking - Not talking about the POE, but we so care for our fellow members learning the doctrine and living out of that doctrine. Not talking about hating the devil, this is talking about things that are evil in a troubling sense in the members of this assembly. ABHOR: Is an emotion. Group says 'hate'. MM says ABHOR is made up of 2 Latin words. Creates an emotional response in you. MM asks don't you think of 'extreme' in each of the OED definitions? ABHOR: OED - To shrink back from with shuddering, to view with horror or dread 2) To regard with extreme repugnance or disgust; to hate utterly, loathe, abominate OED: Abhor: regard with hatred, detest.
Romans 12:9	Godly Thinking	9 Let love be without dissimulation. Abhor that which is evil; cleave to that which is good. George Crabb: ABHOR: To start from, with a strong emotion of horror. - 'To start from' is the root of startle - to start from means that you are moving, there's movement and the from means you are moving away from it. - Start: Is an involuntary jump. A start is involuntary, it's the natural knee jerk reaction to something. - OED: Horror - intense fear, shock, disgust; an attack of extreme anxiety; great dismay - MM says when the Bible uses ABHOR you can see that root of horror. ABHOR is a very strong word (not mildly). - MM says this is supposed to be our response to whatever he is calling evil here. - When we see this EVIL, it is supposed to shock us and we are supposed to recoil from it and that emotion we are feeling of abhoration - I detest that, I hate that. Charles Smith: Abhor expresses a strong involuntary recoil - he who abhors something would escape from and avoid it.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:9	Godly Thinking	9 Let love be without dissimulation. Abhor that which is evil; cleave to that which is good. EVIL: Things that are harmful or hindering a person's edification. Things that discomfort or trouble your fellow members. OED: Evil The antithesis of "good" in all its principal senses. - Normal way: 1) Morally depraved, bad, wicked, vicious (not how your heavenly Father is talking about evil) - Treatment of fellow members: 2) Doing or tending to do harm; hurtful… 3) …desire for another's harm 4) Causing discomfort, pain, or trouble (closest to what we are after in Romans 12:9)
Romans 12:9	Godly Thinking	9 Let love be without dissimulation. Abhor that which is evil; cleave to that which is good. EVIL: Something that is meant to bring harm to. This assembly is harmed by: - anything that hinders it from functioning as a body - the doctrine being corrupted - when division is caused among its members - when our godly edifying is obstructed
Romans 12:9	Godly Thinking	9 Let love be without dissimulation. Abhor that which is evil; cleave to that which is good. This is the evil we are supposed to hate. You are supposed to ABHOR the EVIL that may actually bring harm to this group becoming what they're supposed to be and being edified. If this group is going to be in this kind of danger, you ABHOR that. ABHOR those things that are detrimental for this assembly. Things you won't be able to fix but see what you can get involved in. I want you to care about each other so much you think about things this way. Abhor the things hindering people's edification. You don't just ABHOR something but you ABHOR evil. Evil can be defined in a number of different ways and MM says none of them are good. Anytime you find the word evil then you find something that is bad. The context of the passage will tell us the particular kind of evil that we are supposed to abhor. When we find it you will know this is how your heavenly Father perceives EVIL and this is how He responds to it. The reason we're being told of EVIL is because your Father ABHORS EVIL and you're going to be thinking about it like He does and responding to it like He does. When your Father sees this evil, He is going to respond to it the same way He is going to ask us to respond to it. Remember the context - we are all sons who are all members of one body. He is talking about the things that would harm or cause detriment to this body, either corporately or individually. If an individual member is going through something that is a difficulty and detriment to them and they're hurting because of that, the response from the whole rest of the body is to ABHOR that EVIL.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:9	Godly Thinking	9 Let love be without dissimulation. Abhor that which is evil; cleave to that which is good. Evil is anything that produces or causes pain, distress, loss or calamity; causes harm; or in any way disturbs the peace, impairs the happiness, or destroys the perfection OF OTHERS. MM loves these last 2 words because the first thing we learned was SELFLESSNESS. It's not, I'm concerned about me, I'm concerned about every member of this body. And all the other members of this body are concerned about you. Anything that would cause that kind of impact on another member of this assembly. ABHORing EVIL is how our Father thinks. CLEAVing TO THAT WHICH IS GOOD, that's the way He's thinking about that. Our thinking is lining up with His thinking. Not only are we not supposed to be the source of that EVIL which is happening to other members, we still get involved. It may be happening through no fault of their own from a source completely outside this assembly. Group described this as 'circling the wagons' around that individual(s). If we don't get refuge here (GH: in this local assembly), you are not going to get much returned to you outside these walls. This assembly has to be a refuge for us. When you take this outside, you are not going to get a lot of LOVINGKINDNESS. Because you are sons and daughters, you may not get a lot from the rest of the body of Christ.
Romans 12:9	Godly Thinking	9 Let love be without dissimulation. Abhor that which is evil; cleave to that which is good. CLEAVE TO THAT WHICH IS GOOD: Cleave to the things helping people's edification. These thoughts will manifest themselves in a sort of conduct. Step-by-step making us a godly people. Opposite of ABHOR THAT WHICH IS EVIL. If you are hating the things that are hurtful to the other members in this assembly, you should be rejoicing over the things that are beneficial. And should be looking at it to this extreme degree. Really happy about the good things and really unhappy about the bad things. OED: Good - 12) Conducive to well-being…beneficial, profitable… CLEAVE: To stick to something like glue; to adhere or cling to something or someone; to be united; to be strongly attached; to be tightly bound. MM's definition of CLEAVE: to join yourself to something. George Crabb: Cleave-Persons, in the moral sense, cleave to each other by never parting company. THAT WHICH IS GOOD: In this context, has to do with: things that tend to the happiness or prosperity of another; that are conducive to the well being, health, advantage, benefit, or profit of another saint in the assembly. GOOD: Anything that promotes the function of this group as a body, that's a good thing. Anything that leads itself to godly edification, that's a good thing. Anything that causes the increase of that body, you should cleave to that.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:9	Godly Thinking	9 Let love be without dissimulation. Abhor that which is evil; cleave to that which is good. Dissimulation Motives: - Not out of Obligation or Duty - Desire to labor with Him - Love Him - Love for His Business - Love His Business - Beneficial for other members - Love for His body/members Ungodly Motives - Doing it out of obligation or duty - Promotion or exaltation - Fear or guilt (any lost man can do this) - Human goodness (GH: Because everybody does it) NOTE: Human goodness can be noble but never godly. MM says thank God for this or this world would be the pre-Flood days.
Romans 12:10-16		MM says this is one of these times he reserves the right to come back and correct / tweak / add to / perfect anything he tells you before. He is undoing something he thought was right. He has to be out ahead of the group to some degree. Because if it doesn't work with him, what makes him think it will work with you. So, unfortunately, there is this pressure to get out ahead. When you are doing that, you don't have a local assembly or interactive learning, you don't have all of that. The part we are at now he looked at long ago. But when he came back to it to formulate these notes, he thought he understood something that he didn't get right. Now, you don't know that it was wrong because he never told us about it. Because he was trying to wrap his mind around the 3-fold pattern for edifying and saw v10 finish up. Because both v11 and v12 have 3 component parts to them. MM says locating this pattern of edification early on was a chore for him because he hadn't been taught this way before. The THINKING part (GH: Romans 12:3) was pretty easy to pick out. For v11 and v12, he was thinking the 3 parts were thinking, living, and labor. But there's some thing terribly wrong in that. Because it didn't grasp the pattern earlier, he wasn't see those others the way he should see them either. MM says this list are conduct and behaviors that allow us to make decisions about many of these areas in our daily living based on the wisdom we have been taught in these first few verses. v11-13 are one sentence.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:10-16		Two problems: 1. The list after the semi-colon after v10. 2. Word BUSINESS in v11. Up till then, the context has been the local assembly. Switches in the same sentence. Makes him think you have left the local assembly and gone out into the workplace. Couldn't reconcile: v10: local assembly v11: the world v11: the world v13: local assembly Couldn't believe in 1 sentence, we changed context TWICE. Then he looked at the list in v11-13 and he didn't see any thinking at all.
Romans 12:10-16		Get 15 short, static exhortations in a row. Almost looks like a list.
Romans 12:10-13		Four verses in a single sentence. Because this is one long sentence, MM believes that the context remains the same throughout the sentence. The context up to this point is the relationship we have with other members of this body and MM believes that remains the context. Believes v12 ties to laboring with our Father in this local assembly. Exhortation that contains 8 components that give us kind of a checklist to say are these the kinds of things that are happening in you because they should be. Should be able to look at the checklist and say yeah all that is in you.
Romans 12:10	Godly Living - Romans 12:10a	10 Be kindly affectioned one to another with brotherly love; in honour preferring one another; Context: Verse has to do with how we feel about each other. Looking out for the other people ahead of ourselves in this assembly. A form of doctrine that tells you how you are supposed to behave with your fellow saints. Godly labor again. MM sees the godly labor of v10 in people who are practicing v6-8. A natural progression. The easiest way to put godly love into practice is the local assembly because we are related to each other in Jesus Christ. Paul corrected all of that thinking. BE KINDLY AFFECTIONED ONE TO ANOTHER WITH BROTHERLY LOVE: Godly living. What this passage is meant to produce. Once this ABHORing and CLEAVing becomes part of our conduct, it will produce BEing KINDLY AFFECTIONED ONE TO ANOTHER WITH BROTHERLY LOVE. MM says when you help others, it spirals. They were there for me, I'm going to be there for them and that bond gets stronger and stronger. The “brotherly love” and the “kindly affectioned” dovetail perfectly in that the root of the word “kind” (or kindness or kindly) is “kin.” Kin is the root of kindred which has to do with someone in your family. Well, when you talk about “brotherly love” you are also talking about someone in your family; brotherly. As members of the same body, we have a kinship with each other and as such, we should see each other as family; a family that is knit together in Christ.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:10	Godly Living - Romans 12:10a	10 Be kindly affectioned one to another with brotherly love; in honour preferring one another; KINDLY AFFECTIONED...BROTHERLY LOVE: This is a family issue, there's a relationship with this. Terms point toward family. Talking about an affection that comes because uf a kinship with each other, because of a family relationship. That family relationship continues when you talk about BROTHERLY LOVE. When they are a brother, they are part of the family. So, together, IN Christ, we are a family. In this assembly, we are a family. The folks on Zoom that are part of this assembly, this is all part of one big famly that gets KNIT TOGETHER in Christ and that's what this is supposed to be. What this is supposed to be pointing us toward is the relationship that we have with each other as members of the same family. So we have that kinship together. This is the godly thinking (GH: or living?) aspect. The overarching issue here is this is a relationship of a family, but not family just in the sense of a human family, but family in the sense that we're in Christ together and when you're looking for ways to be able to put that thinking into practice. KINDLY AFFECTIONED: MM says why both words, when you have affection you don't unkindly do it. It's a POSITIVE (AFFECTIONED) & PROPER (KINDLY) RESPONSE to the doctrine. MM believes these are jammed together for the doing in line with that thinking. Saying to be kindly affection is to now be affected by the circumstances, by the situation, by the thing that is happening to our fellow members so that it moves us to some kind of action on their behalf. In this case ,the doctrine is supposed to have such an effect on us that when we see our fellow members suffering, it will move us to action on their behalf. Will eventually move out of the local assembly.
Romans 12:10	Godly Living - Romans 12:10a	10 Be kindly affectioned one to another with brotherly love; in honour preferring one another; KINDLY: Charity is kind - CHARITY SUFFERETH LONG, AND IS KIND-1 Corinthians 13:4. Shorten it up and say godly love is KIND. MM says KINDness is one of those English words that has been weakened with the passage of time. We don't appreciate that word the way it was originally appreciated. Does not mean I have been kind on occasion. That doesn't make you KIND. KINDness is something you possess and it is your default position in life. It's what you normally and constantly do. When 1 Corinthians 13:4 says CHARITY (love)...IS KIND, it means that is the way love operates. Think root word of KIND - kin or kinfolk or relatives. We have a relationship with them that is like a family. That's what your heavenly Father is getting at. That's what our apostle Paul is getting at here. OED: Kind - friendly, considerate, generous; not harmfil; loving, affectionate. Charles Smith: **KIND describes actions while AFFECTION describes feelings and dispositions. AFFECTION is measured by feeling; KINDness by treatment**. OED: Affectioned 1) Disposed, inclined (in any way). The #1 definition of “affectioned” is actually exampled by Romans 12:10 in the OED. 2) Swayed by the affections; biased, partial. OED: Affections - 1a) The action of affecting, acting upon or influencing; or (when viewed passively) the fact of being affected 2) an affecting or moving of the mind in any way; a mental state brought about by any influence…

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:10	Godly Living - Romans 12:10a	10 Be kindly affectioned one to another with brotherly love; in honour preferring one another; George Crabb: Affection - A person is affectionate who has the object of his regard strongly in his mind (part 1), who participates in his pleasures and pains (part 2) and is pleased with his society [means being around them, being in their presence] (part 3). The 3 things that constitute affection: 1. Have someone strongly in their mind 2. They participate in their pain and pleasure 3. GH: You are pleased to be with them. Have to understand this will not magically happen - you have to consciously make the decision for these kinds of things to happen. There will come a day when it becomes who you are but those are not natural ways to respond to everybody. This kinship that we feel for each other has to be as a result of the word working IN us. MM says it's a fine line he's treading here - he can't just say here's what you have to do, here's what you have to do, here's what you have to do, here's what you have to do - that's the old way of preaching. MM's goal is having the word work IN us and produce this to make us conform to the image of God's son.
Romans 12:10	Godly Living - Romans 12:10a	10 Be kindly affectioned one to another with brotherly love; in honour preferring one another; That's really who we are. If you have to be told everytime, you think when are you finally going to figure this out? ONE TO ANOTHER: Something you do for/to others/someone else(corporately). MM says instead of saying 'to one another', the only thing he understands about the change of wording here is that this is a little more intimate way of saying it. WITH BROTHERLY LOVE: MM says Paul could have ended this phase at ANOTHER (and left off WITH BROTHERLY LOVE). But he adds this phrase that fits right in with the idea of family. And BTW, He's our Father. BROTHERLY LOVE: The idea of BROTHERLY LOVE and this includes the idea of family, is that Brotherhood which is a form of that word that can exist with no blood relations at all. You can talk to people outside this assembly about these kind of things and have been given a hard time by your blood relations. People in this room really understand what you are talking about and what you are going through. Even though we are not related by blood (GH: in the secular sense), MM says you could say that **we are related by the Blood of Christ** because that really is the common point for us. We have that tie in the Blood of Jesus and the BROTHERLY LOVE ties back to BRETHREN-Romans 12:1. Notice there's no list here and it is better there is no list. Because we are to take that godly thinking and begin making decisions out of that. MM says this is even a subject of Sonship prayer. As we are all “sons,” we are also “brothers” in our Sonship relationship with one another. In this context (brotherly love), we should love each other as ones who are interested in the Sonship lives of each other; as those who mutually care about our fellow-members’ welfare as sons. Think root word of BROTHERLY - brother.

Romans 12:10	Godly Labor - Romans 12:10b	10 Be kindly affectioned one to another with brotherly love; in honour preferring one another; IN HONOUR PREFERRING ONE ANOTHER: This is the godly labor. The godly living is with the members of this assembly, not just when they are assembled together. The godly labor here is something that is going to be confined to something we do in these walls when we're assembled together. Someone will be going through a rough time and you are going to pray what should I do, and you will make decisions about that based on thinking about it and talking to your Father about it. When we are in the assembly, there's a particular labor now. We are going to take this godly living and God says, this thing you have gotten used to doing with each other, I AM now going to take that thing and I AM going to narrow that down so that when you are assembled together, this is what you are going to do - IN HONOUR PREFERRING ON ANOTHER. And when you do that, you are laboring with Me in My Business. So the Business is not just confined to just the creature, but the Business is also going on right here, right now, and very specifically, in that last phrase. **Nutshell: We set forward a fellow member in such a way that causes him to be honored in in our own eyes and honored in the eyes of the rest of the assembly**. EX (Paul's ensample in Romans 16) Paul mentions thirty people directly by name and an additional multitude are referred to corporately.
Romans 12:10	Godly Labor - Romans 12:10b	10 Be kindly affectioned one to another with brotherly love; in honour preferring one another; IN HONOUR PREFERRING ONE ANOTHER (cont'd): Paul is honoring a lot of people in front of the saints at Rome. Remember that the saints at Rome did not meet in a single building at the same time. They met in various houses throughout the city and, no doubt, at various times. This epistle which Paul wrote to them all would have to make its way from house to house in order for all to hear it. Almost all of the names in Paul's honor-roll are Greek. If the saints at Rome are going to "greet, receive, salute and assist" these people, then they must have, at some time, moved to Rome (probably for the reason of commerce for many of them). But they were not from Rome. But what they all had in common is that they were known by Paul for their work, faith and love. Our godly labor: a. Promotes the Sonship life of others b. Allows the assembly to strengthen itself c. Increases the assembly's capacity to labor with God
Romans 12:10	Godly Labor - Romans 12:10b	10 Be kindly affectioned one to another with brotherly love; in honour preferring one another; IN HONOR PRERRING ONE ANOTHER (cont'd): Suppose that is going on for another member of the assembly and you are jealous, thinking you should get some honor. When you realize what you are doing is the very opposite of what your Father expects of you, you have a decision to make. It may seem like a little transgression, but **deciding to disobey God is never a little thing**. To Him, it is a big thing and you need to see it that way. We know what it means to "in honor prefer one another," but suppose we feel jealous, after all, I should be getting some honor from my fellow members. When I realize I am not doing what my Father expects, I have a decision to make. I will 'help others/perform a task' because 'I love my fellow members'. Will see we do a lot of things that are not because of the doctrine. Work of the word in your INNER MAN. The sooner you get good at it here, the better you will be in the heavenly places. To determine if genuine, ask why you are doing what you are doing.
